**RE: Reporting under section 301.03 (6r) Wisconsin Statutes**

Dear Sirs:

As required under Section 301.03 (6r) of the Wisconsin State Statutes, I am submitting information relative to the number of Persons in our Care (PIOC) that the Department of Corrections (DOC) considers violent and the total number of PIOCs.

	Males		Females		Total	
	PIOCs	Violent PIOCs	PIOCs	Violent PIOCs	PIOCs	Violent PIOCs
12/31/2023	20,570	14,049	1,480	676	22,050	14,725

The DOC defines “Violent PIOCs” in accordance with Section 301.048(bm) and with standards set by the Correctional Leaders Association. This definition is based upon conviction of certain crimes, not current behavior within the DOC institutions.

Total number of PIOCs is defined as adult PIOCs assigned to a Type “1” prison in state and in contract facilities. This does not include offenders under supervision of the Division of Community Corrections (DCC) held in a Division of Adult Institution (DAI) facility as an Alternative to Revocation (ATR) or pending revocation. It also excludes PIOCs pending revocation, pending admission, county holds, PIOCs serving another state’s sentence who are in a Wisconsin DOC facility, and PIOCs currently in escape status.

If you have any questions or need any further information, please contact Anna Neal at 608-240-5056.

Sincerely,

A handwritten signature in blue ink that reads "Kevin A. Carr". The signature is written in a cursive style with a large initial 'K'.

Kevin A. Carr  
Secretary
