1     **AN ACT** *to amend* 79.096 (3); and *to create* 79.095 (4) (d) of the statutes;  
2             **relating to:** distribution of the aid payment for personal property upon  
3             termination of a tax incremental district.

---

***Analysis by the Legislative Reference Bureau***

Under current law, each municipality, county, school district, special purpose district, tax incremental district, and technical college district (taxing jurisdiction) receives a state aid payment to compensate for the personal property taxes that the taxing jurisdictions would have collected on tax exempt computers, machinery, tools, and patterns. The bill clarifies that following the termination of a tax incremental district the amount that would have been paid to the tax incremental district is distributed to the other applicable taxing jurisdictions.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
