Analysis by the Legislative Reference Bureau

EARLY CANVASSING OF ABSENTEE BALLOTS

Under current law, absentee ballots may not be canvassed until election day. Current law additionally provides that any municipality may provide by ordinance that, in lieu of canvassing absentee ballots at polling places, a municipal board of absentee ballot canvassers established by the municipality is responsible for canvassing all absentee ballots received by the municipal clerk by 8 p.m. on election day. In such a municipality, the board of absentee ballot canvassers is required to convene a meeting any time after the polls open and before 10 p.m. on election day

to canvass the absentee ballots cast in the municipality in the election. Among the requirements governing such a meeting, any member of the public has the same right of access to the meeting that the individual would have to observe the canvassing of absentee ballots at a polling place.

Also under current law, other than as described above, votes, including votes cast by absentee ballot, are canvassed at the polling place after polls close on election day. However, in a municipality that uses an electronic voting system, the municipal clerk or municipal board of election commissioners may adjourn the vote canvass to a central counting location where votes cast at multiple polling places in the municipality and absentee ballots may all be counted after the polls close on election day.

This bill does all of the following:

1. Requires the municipal board of absentee ballot canvassers in a municipality having an ordinance described above to begin canvassing absentee ballots on the day before an election. Canvassing absentee ballots on the day before the election is optional except for each spring and general election and each special election or recall election if the special or recall election is for a state or national office.

2. Provides that no municipality may utilize a central counting location unless it has passed an ordinance providing for the canvassing of absentee ballots by a board of absentee ballot canvassers.

3. Provides that the board of absentee ballot canvassers must publicly convene at 7 a.m. on the day before the election to begin the canvass of absentee ballots for the municipality and recess at 8 p.m. on that day.

4. Requires that at 7 a.m., noon, and 8 p.m. on the day before the election, and at 7 a.m., noon, and 8 p.m. on election day, the municipal clerk or his or her designee must provide to the county clerk of the county in which the municipality is located a statement that shows the total number of absentee ballots returned to the municipality, the total number of absentee ballots the municipal board of absentee ballot canvassers has canvassed, and the total number of absentee ballots that remain to be canvassed. The county clerk must promptly post each statement on the Internet site on which the county clerk posts returns on election night. In a 1st class city, the city clerk or his or her designee may post the statement on the city clerk's Internet site. The statement may not include the names or addresses of any electors. An absentee ballot may be considered canvassed for purposes of this reporting requirement only after all tasks have been completed in the canvassing process except for the tallying of votes.

5. Requires that when the meeting of the board of absentee ballot canvassers recesses on the day before the election, the board must secure the automatic tabulating equipment, and the areas where the programmed media, memory devices, and absentee ballots are housed, with tamper-evident security seals in a double-lock location such as a locked cabinet inside a locked office. Before resuming the canvassing of absentee ballots, the board must check and record the status of each tamper-evident seal and must immediately notify the Elections Commission of any evidence of tampering. If the board discovers evidence of tampering with respect to automatic tabulating equipment, the canvass may not resume until the

equipment is replaced and the replacement equipment is tested. Also, if the board discovers evidence of tampering, the municipality must conduct a recount after the election and must audit the election equipment to verify the accuracy of the absentee ballot count.

6. Provides that votes on absentee ballots canvassed early under the bill may not be tallied until after the canvass is complete or after the polls close on election day, whichever is later.

7. Provides that no person may act in a manner that would give him or her the ability to know or to provide information on the accumulating or final results from the ballots canvassed under the bill before the canvass is complete or before the polls close on election day, whichever is later. Whoever intentionally violates that prohibition is guilty of a Class I felony, the penalty for which is a fine not to exceed \$10,000 or imprisonment not to exceed three years and six months, or both.

8. Authorizes municipalities not utilizing a central counting location and not having a board of absentee ballot canvassers to begin processing absentee ballots beginning at 7 a.m. on the day before the election subject to some of the requirements described above. In order to canvass absentee ballots early, such a municipality must provide by ordinance that absentee ballots received by the municipal clerk may be canvassed on the day before the election. Prior to enacting the ordinance, the municipal clerk must notify the Elections Commission in writing of the proposed ordinance and must consult with the Elections Commission concerning the early canvassing of absentee ballots.

Finally, under current law, criminal penalties are provided for election officials who commit certain specified kinds of election fraud. Otherwise, the willful neglect or refusal of an election official to perform a duty prescribed under the election laws is punishable by disqualification to act as an election official for five years. Under the bill, a member of the municipal board of absentee ballot canvassers or other election official who willfully neglects or refuses to perform any of the duties prescribed under the bill, and other duties prescribed under current law, with respect to the canvassing of absentee ballots by a municipal board of absentee ballot canvassers is guilty of a Class I felony.

ELECTION NIGHT REPORTING

Under the bill, at 9 p.m. on election night, and every hour thereafter until the canvass is complete, each municipal clerk or his or her designee must provide to the county clerk of the county in which the municipality is located a statement that shows the total number of ballots, including absentee ballots, cast at the municipality in the election, the total number of ballots, including absentee ballots, that have been canvassed, and the total number of ballots, including absentee ballots, that remain to be canvassed. The county clerk must promptly post each statement on the Internet site on which the county clerk posts returns on election night. In a 1st class city, the city clerk or his or her designee may post the statement on the city clerk's Internet site. The statement may not include the names or addresses of any electors. An absentee ballot may be considered canvassed for purposes of this reporting requirement only after all tasks have been completed in the canvassing process except for the tallying of votes.

ISSUANCE OF PRESIDENTIAL BALLOTS

Under current law, certain new and former residents of Wisconsin may apply for and receive a ballot for the purpose of voting only for candidates for president and vice president at a presidential election in Wisconsin. The bill prohibits poll workers and other election officials from providing a ballot used for voting for the offices of president and vice president only, unless the elector is a new or former resident of the state and applies and qualifies for the presidential ballot as provided by law.

TIMELINE FOR SENDING OR TRANSMITTING ABSENTEE BALLOTS

Current law requires a municipal clerk to send an absentee ballot for each partisan primary, presidential preference primary, and general election to all electors requesting the ballot, including military and overseas electors, no later than the 47th day before the partisan primary, presidential preference primary, or general election or, if the request is not made before that day, within one business day after the request is received. For all other primaries and elections, the municipal clerk must send or transmit the absentee ballot no later than the 21st day before the primary or election or, if the request is not made before that day, within one business day after the request is received.

Under the bill, a municipal clerk must send or transmit an absentee ballot for all primaries and elections, regardless of the type of primary or election, to electors other than military and overseas electors no later than the 21st day before the primary or election or, if the request is not made before that day, within one business day after the request is received. Under the bill, a municipal clerk must send or transmit an absentee ballot for all primaries and elections, regardless of the type of primary or election, to military and overseas electors no later than the 45th day before the primary or election or, if the request is not made before that day, within one business day after the request is received. That 45th day timeline is consistent with federal law.

NOMINATION PAPERS FOR CERTAIN INDEPENDENT CANDIDATES

Under current law, nomination papers for independent candidates for any office to be voted upon at a general election, except president and vice president, may be circulated no sooner than the April 15 preceding the general election and must be filed no later than 5 p.m. on the June 1 preceding the partisan primary, which is held on the second Tuesday in August preceding the general election. Under current law, nomination papers for independent candidates for president and vice president may be circulated no sooner than the July 1 preceding the general election and must be filed no later than 5 p.m. on the first Tuesday in August preceding a presidential election.

Under the bill, the timeline for circulating and filing nomination papers for independent candidates for president and vice president is the same as that for all other independent candidates for offices to be voted on at the general election: nomination papers may be circulated no sooner than the April 15 preceding the general election and must be filed no later than the June 1 preceding the partisan primary.

WHISTLEBLOWER PROTECTIONS

The bill provides whistleblower protection for municipal clerks who witness and report election fraud or irregularities. Under the bill, no municipal clerk may be discriminated against in regard to employment, including by being discharged, disciplined, or demoted, as a reprisal because the clerk lawfully reported, or is believed to have reported, witnessing what the clerk reasonably believed to be election fraud or irregularities.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 5.84 (1) of the statutes is amended to read:

2 5.84 (1) Where any municipality employs an electronic voting system which
3 that utilizes automatic tabulating equipment, ~~either at the polling place or at a~~

6 have the equipment tested to ascertain that it will correctly count the votes cast for
7 all offices and on all measures. Public notice of the time and place of the test shall
8 be given by the clerk at least 48 hours prior to the test by posting notice on the
9 municipality's Internet site if it has one and by publication of a class 1 notice under
10 ch. 985 in one or more newspapers published within the municipality if a newspaper
11 is published therein, otherwise in a newspaper of general circulation therein. The
12 test shall be open to the public. The test shall be conducted by processing a
13 preaudited group of ballots so marked as to record a predetermined number of valid
14 votes for each candidate and on each referendum. The test shall include for each
15 office one or more ballots which have votes in excess of the number allowed by law
16 and, for a partisan primary election, one or more ballots which have votes cast for
17 candidates of more than one recognized political party, in order to test the ability of
18 the automatic tabulating equipment to reject such votes. If any error is detected, the

1 municipal clerk shall ascertain the cause and correct the error. The clerk shall make
2 an errorless count before the automatic tabulating equipment is approved by the
3 clerk for use in the election.

4 **SECTION 2.** 6.15 (4) (a) of the statutes is amended to read:

5 6.15 (4) (a) Clerks holding new resident ballots shall deliver them to the

15 the municipal board of absentee ballot canvassers shall perform this function at a
16 meeting of the board of absentee ballot canvassers.

17 **SECTION 4.** 6.19 of the statutes is created to read:

18 **6.19 Presidential ballots. (1)** In this section, "presidential ballot" means a

23 6.15 and 6.18.

24 **SECTION 5.** 6.86 (1) (b) of the statutes is amended to read:

1 6.86 (1) (b) Except as provided in this section, if application is made by mail,

6 municipality shall specify the hours in the notice under s. 10.01 (2) (e). The
7 municipal clerk or an election official shall witness the certificate for any in-person
8 absentee ballot cast. Except as provided in par. (c), if the elector is making written
9 application for an absentee ballot at the partisan primary, the general election, the
10 presidential preference primary, or a special election for national office, and the
11 application indicates that the elector is a military elector, as defined in s. 6.34 (1), the
12 application shall be received by the municipal clerk no later than 5 p.m. on election
13 day. If the application indicates that the reason for requesting an absentee ballot is
14 that the elector is a sequestered juror, the application shall be received no later than
15 5 p.m. on election day. If the application is received after 5 p.m. on the Friday
16 immediately preceding the election, the municipal clerk or the clerk's agent shall
17 immediately take the ballot to the court in which the elector is serving as a juror and
18 deposit it with the judge. The judge shall recess court, as soon as convenient, and

5 s. 7.52, if the municipal clerk receives an absentee ballot on election day, the clerk
6 shall secure the ballot and cause the ballot to be delivered to the polling place serving
7 the elector's residence before 8 p.m. Any ballot not mailed or delivered as provided
8 in this subsection may not be counted.

9 **SECTION 7.** 6.88 (1) of the statutes is amended to read:

10 6.88 (1) When an absentee ballot arrives at the office of the municipal clerk,
11 or at an alternate site under s. 6.855, if applicable, the clerk shall enclose it,
12 unopened, in a carrier envelope which shall be securely sealed and endorsed with the
13 name and official title of the clerk, and the words "This envelope contains the ballot

16 ~~ballots are canvassed under s. 7.52, stats., at a meeting of the municipal board of~~
17 ~~absentee ballot canvassers under s. 7.52, stats~~ only as provided by law." If the elector
18 is a military elector, as defined in s. 6.34 (1), or an overseas elector, regardless of
19 whether the elector qualifies as a resident of this state under s. 6.10, and the ballot
20 was received by the elector by facsimile transmission or electronic mail and is
21 accompanied by a separate certificate, the clerk shall enclose the ballot in a
22 certificate envelope and securely append the completed certificate to the outside of
23 the envelope before enclosing the ballot in the carrier envelope. The clerk shall keep

5 of absentee ballot canvassers, the municipal clerk shall seal the ballot envelope in
6 the carrier envelope as provided under sub. (1), and shall enclose the envelope in a
7 package and deliver the package to the election inspectors of the proper ward or
8 election district or, in municipalities where absentee ballots are canvassed under s.
9 7.52, to the municipal board of absentee ballot canvassers ~~when it convenes at a~~
10 meeting convened under s. 7.52 (1). When the official ballots for the ward or election
11 district have been delivered to the election inspectors before the receipt of an

7 absentee ballots cast in the municipality in the election in the manner provided
8 under s. 9.01 and shall audit the election equipment to verify the accuracy of the
9 absentee ballot count in the municipality in the election.

10 (e) Votes on absentee ballots canvassed under this subsection may not be tallied
11 until after the canvass is complete or after the polls close on election day, whichever
12 is later.

13 (f) No person may intentionally act in a manner that would give him or her the
14 ability to know or to provide information on the accumulating or final results from
15 the ballots canvassed under this subsection before the canvass is complete or before

16 (g) No person may intentionally act in a manner that would give him or her the
17 ability to know or to provide information on the accumulating or final results from
18 the ballots canvassed under this section before the canvass is complete or before the
19 polls close on election day, whichever is later. Whoever intentionally violates this
20 paragraph is guilty of a Class I felony.

21 (h) Canvassing absentee ballots on the day before the election under this
22 section is optional except for each spring and general election and each special
23 election or recall election if the special or recall election is for a state or national office.

24 **SECTION 15.** 7.52 (2) of the statutes is amended to read:

1 7.52 (2) In counting the absentee ballots, the board of absentee ballot
2 canvassers shall use 2 duplicate copies of a single absentee poll list for the entire
3 municipality prepared in accordance with s. 6.36 (2). Upon ~~accepting~~ reviewing each
4 absentee ballot certificate envelope to ensure that it satisfies all applicable legal
5 requirements, the board of absentee ballot canvassers shall enter a ~~poll list~~
6 sequential count number on the absentee poll list next to the name of the elector who
7 voted the ballot, beginning with the number one. If the elector's name does not
8 appear on the absentee poll list, the board of absentee ballot canvassers shall enter

17 When the board of absentee ballot canvassers finds that the certification has been
18 properly executed and the applicant is a qualified elector of the ward or election
19 district, the board of absentee ballot canvassers shall enter an indication, including
20 the elector's sequential count number as provided under sub. (2), on the absentee poll
21 list next to the applicant's name indicating an absentee ballot is cast by the elector.
22 The board of absentee ballot canvassers shall then open the envelope containing the
23 ballot in a manner so as not to deface or destroy the certification thereon. ~~The board~~
24 ~~of absentee ballot canvassers shall take out the ballot without unfolding it or~~
25 ~~permitting it to be unfolded or examined~~ and shall remove the ballot from the

15 as is necessary to ascertain that each is a single ballot. If 2 or more ballots are folded
16 together so as to appear as a single ballot, the board of absentee ballot canvassers
17 shall lay them aside until the count is completed; and if, after a comparison of the
18 count and the appearance of the ballots it appears to the board of absentee ballot
19 canvassers that the ballots folded together were voted by the same person they shall
20 not be counted but the board of absentee ballot canvassers shall mark them as to the
21 reason for removal, set them aside, and carefully preserve them. The board of
22 absentee ballot canvassers shall then proceed under par. (b).
