

**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO ASSEMBLY BILL 388**

September 8, 2023 - Offered by Representative HURD.

- 1 **AN ACT to create** 238.145 of the statutes; **relating to:** creating a child care center
2 renovations loan program.

This substitute amendment differs from 2023 Assembly Bill 388 in the following respects:

1. Under the bill, the Wisconsin Economic Development Corporation may only award loans to child care providers that are licensed at the time of receiving the loan. Under the substitute amendment, WEDC may award loans to child care providers that are licensed or certified at the time of receiving the loan or demonstrate to WEDC that the child care provider will be licensed or certified within one year of receiving a loan.

2. Under the bill, in-home child care providers must establish or maintain enrollment within one year of receiving a loan. Under the substitute amendment, this requirement applies to all child care providers.

3. Under the substitute amendment, to be eligible for a loan, a child care provider must submit to WEDC a business plan and three-year financial forecast that demonstrates that the child care provider is capable of repaying a loan. WEDC, in consultation with the Department of Children and Families, may conduct an inquiry into the child care provider's financial health three years after the child care provider is awarded a loan. If WEDC, in consultation with DCF, determines that the child care provider is no longer capable of repaying the loan, WEDC may terminate

the loan agreement and require that the child care provider immediately repay the loan.
