3 requirements for and insurance related to peer-to-peer motor vehicle sharing
4 programs.

Analysis by the Legislative Reference Bureau

This bill generally requires that peer-to-peer motor vehicle sharing programs assume liability, as specified under the bill, for the owners of shared vehicles and sets certain other requirements on those programs.

Under the bill, a peer-to-peer motor vehicle sharing program is a business platform that connects a motor vehicle owner with an individual to enable the individual's use of the motor vehicle for financial consideration. The individual must have a driver's license to be able to participate in the sharing program.

The bill requires the sharing program to assume liability for the shared vehicle owner for bodily injury and property damage to third parties and for uninsured motorist and personal injury protection losses in amounts stated in the sharing agreement that are no less than the following amounts:

1. Fifty thousand dollars because of bodily injury to or death of one person in any one accident.

2. Subject to the limit under item 1. for one person, \$100,000 because of bodily injury to or death of two or more persons in any one accident.

3. If the accident results in injury to or destruction of property, \$20,000 because of injury to or destruction of property of others in any one accident.

4. Uninsured motorist coverage of \$50,000 per person and \$100,000 per accident.

An insurer writing a policy with respect to a peer-to-peer motor vehicle sharing program also must comply with current law requirements regarding offering underinsured motorist coverage.

Under the bill, the sharing program is not required to assume liability if the vehicle owner makes an intentional or fraudulent material misrepresentation or omission or is acting in concert with a driver who fails to return the motor vehicle in accordance with the sharing agreement.

The bill also requires the sharing program to ensure that each shared vehicle owner and driver are insured under a policy that provides coverage in amounts no less than the amounts described above. That required coverage may be provided under primary insurance maintained by the shared vehicle owner, the shared vehicle driver, the sharing program, or any combination of those. The bill requires that the insurer, insurers, or sharing program providing coverage must provide primary coverage if there is a dispute about who controlled the vehicle at the time of the loss and the program does not retain information required under the bill or if there is a dispute about whether the vehicle was dropped off at a location specified in the sharing agreement. Under the bill, the sharing program's insurance must cover the loss beginning with the first dollar and has the duty to defend if the driver's or owner's insurance has lapsed or does not provide the required coverage. The bill gives the sharing program an insurable interest in the motor vehicle during the period it is being shared and allows the sharing program to own and maintain coverage specified under the bill.

The bill allows insurers writing motor vehicle insurance to exclude coverage, including liability for bodily injury and property damage and uninsured and underinsured motorists coverage, and to refuse to defend or indemnify for any claim under a shared vehicle owner's policy.

The bill exempts sharing programs and shared vehicle owners from liability in accordance with a federal law that exempts a vehicle owner who rents or leases the vehicle from liability for harm to persons or property that results from or arises out of the use, operation, or possession of the vehicle during the rental or lease if the owner is engaged in the business of renting or leasing motor vehicles and there is no negligence or criminal wrongdoing on the part of the owner. The bill also exempts sharing programs and shared vehicle owners from state laws regarding financial responsibility for rented vehicles and damage waivers and liability in the context of vehicle rental agreements.

The bill requires the sharing program to verify that the shared vehicle is not the subject of a safety recall at the time the vehicle is registered with the program. A shared vehicle owner that receives a safety recall notice must remove the vehicle from the program and refrain from sharing it until the repairs are made and, if the vehicle is in the possession of a shared vehicle driver, notify the sharing program of the recall.

The bill requires the sharing program to disclose certain information to shared vehicle owners and drivers, including information related to insurance coverage and the daily rates and fees, and to retain information about the sharing transactions. Additionally, at the time a vehicle owner registers with a sharing program, the sharing program must inform the owner of the responsibilities relating to safety recalls and that sharing the vehicle may violate an agreement with a lienholder.

Under the bill, the sharing program has responsibility for any equipment that is put in or on the vehicle to monitor or facilitate the sharing transaction. The sharing program must agree to indemnify and hold harmless the owner for any damage or theft to that equipment not caused by the owner, but has the right to seek indemnity from the driver for such loss or damage.

Finally, the bill also specifies that sharing programs and shared vehicle owners are not establishments primarily engaged in the short-term rental of passenger cars for purposes of the local rental car tax and the short-term rental of vehicles for the purposes of the state rental vehicle fee, if the applicable sales and use taxes are paid for the purchase of the shared motor vehicle.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 77.99 of the statutes is amended to read:

2 **77.99 Imposition.** A local exposition district under subch. II of ch. 229 may
3 impose a tax at the rate of 3 percent of the sales price on the rental, but not for
4 rerental and not for rental as a service or repair replacement vehicle, within the
5 district's jurisdiction under s. 229.43, of Type 1 automobiles, as defined in s. 340.01
6 (4) (a), by establishments primarily engaged in short-term rental of passenger cars
7 without drivers, for a period of 30 days or less, unless the sale is exempt from the sales
8 tax under s. 77.54 (1), (4), (7) (a), (7m), (9) or (9a). If the state makes a payment under
9 s. 229.50 (7) to a district's special debt service reserve fund, a majority of the district's
10 authorized board of directors may vote to increase the tax rate under this subchapter
11 to 4 percent. A resolution to adopt the taxes imposed under this section, or an
12 increase in the tax rate, shall be effective on the first January 1, April 1, July 1, or
13 October 1 following the adoption of the resolution or tax increase. For purposes of

1 this section, a peer-to-peer motor vehicle sharing program, as defined in s. 632.362
2 (1) (g), or a shared vehicle owner, as defined in s. 632.362 (1) (i), is not an

8 the rental, but not for rerental and not for rental as a service or repair replacement
9 vehicle of Type 1 automobiles, as defined in s. 340.01 (4) (a); of recreational vehicles,
10 as defined in s. 340.01 (48r); of motor homes, as defined in s. 340.01 (33m); and of
11 camping trailers, as defined in s. 340.01 (6m) by establishments primarily engaged
12 in short-term rental of vehicles without drivers, for a period of 30 days or less, unless
13 the sale is exempt from the sales tax under s. 77.54 (1), (4), (7) (a), (7m) or (9a). There
14 is also imposed a fee at the rate of 5 percent of the sales price on the rental of
15 limousines. For purposes of this subsection, a peer-to-peer motor vehicle sharing
16 program, as defined in s. 632.362 (1) (g), or a shared vehicle owner, as defined in s.
17 632.362 (1) (i), is not an establishment primarily engaged in short-term rental of

19 paid for the purchase of the shared motor vehicle.

20 **SECTION 3.** 344.51 (4) of the statutes is created to read:

3 who will operate a shared motor vehicle unless the individual has attained the age

4 under par. (b).

5 (b) A shared vehicle owner that receives notice of a safety recall on the shared
6 motor vehicle shall do all of the following, as applicable:

8 recall repair has been made.

9 2. If the motor vehicle has been made available for sharing before receipt of the

7 initiation time, if applicable, as documented by the governing motor vehicle sharing
8 agreement.

9 (d) “Motor vehicle sharing duration” means the period that commences with
10 the motor vehicle sharing delivery period or, if there is no motor vehicle sharing
11 delivery period, that commences with the motor vehicle sharing initiation time and,
12 in either case, ends at the motor vehicle sharing termination time.

13 (e) “Motor vehicle sharing initiation time” means the time when the motor
14 vehicle to be shared becomes subject to the control of the shared vehicle driver at or
15 after the time the reservation of a shared motor vehicle is scheduled to begin as
16 documented in the records of a peer-to-peer motor vehicle sharing program.

17 (f) “Motor vehicle sharing termination time” means the earliest of the following:

18 1. The expiration of the time agreed upon for the use of the shared motor vehicle

13 designated by the registered owner, of a motor vehicle that is available for sharing
14 through a peer-to-peer motor vehicle sharing program.

15 **(2) INSURANCE COVERAGE DURING SHARING.** (a) A peer-to-peer motor vehicle
16 sharing program shall, except as provided in par. (b), assume liability of a shared
17 vehicle owner for bodily injury and property damage to 3rd parties and for uninsured
18 motorist and personal injury protection losses during the motor vehicle sharing
19 duration in amounts stated in the motor vehicle sharing agreement that are no less
20 than the following amounts:

21 1. Fifty thousand dollars because of bodily injury to or death of one person in
22 any one accident.

2 of injury to or destruction of property of others in any one accident.

3 4. Uninsured motorist coverage under s. 632.32 (4) (a) of \$50,000 per person
4 and \$100,000 per accident.

5 (am) An insurer writing a policy with respect to a peer-to-peer motor vehicle
6 sharing program shall comply with s. 632.32 (4m).

7 (b) Notwithstanding the definition of motor vehicle sharing termination time,
8 the assumption of liability under par. (a) does not apply to a shared vehicle owner
9 when any of the following occurs:

10 1. The shared vehicle owner makes an intentional or fraudulent material
11 misrepresentation or omission to the peer-to-peer motor vehicle sharing program
12 before the motor vehicle sharing duration in which the loss occurred.

13 2. The shared vehicle owner acts in concert with a shared vehicle driver who
14 fails to return the shared motor vehicle pursuant to the terms of a motor vehicle
15 sharing agreement.

16 (c) Notwithstanding the definition of motor vehicle sharing termination time,
17 the assumption of liability under par. (a) applies to bodily injury, property damage,
18 and uninsured motorist and personal injury protection losses by damaged 3rd
19 parties in amounts no less than the minimum amounts set forth in par. (a) 1. to 4.

20 (d) A peer-to-peer motor vehicle sharing program shall ensure that, during
21 each motor vehicle sharing duration, the shared vehicle owner and the shared
22 vehicle driver are aware of the availability of underinsured motorist coverage and
23 are insured under a motor vehicle liability insurance policy that provides insurance
24 coverage in amounts no less than the minimum amounts set forth in par. (a) 1. to 4.
25 and that satisfies any of the following:

1 1. The policy recognizes that the shared motor vehicle insured under the policy
2 is made available and used through a peer-to-peer motor vehicle sharing program.

3 2. The policy does not exclude use of a shared motor vehicle by a shared vehicle
4 driver.

5 (e) The insurance requirement described under par. (d) may be satisfied by
6 motor vehicle liability insurance maintained by any of the following:

7 1. A shared vehicle owner.

8 2. A shared vehicle driver.

9 3. A peer-to-peer motor vehicle sharing program.

10 4. Any combination of the persons described in subds. 1. to 3.

11 (f) The coverage maintained under par. (e) that is satisfying the insurance
12 requirement under par. (d) shall be primary during each motor vehicle sharing
13 duration and, in the event that a claim occurs in another state with minimum
14 financial responsibility limits higher than the amounts specified in par. (a) 1. to 4.
15 during the motor vehicle sharing duration, the coverage maintained under par. (e)
16 shall satisfy the difference in minimum coverage amounts, up to the applicable policy
17 limits.

18 (g) The insurer, insurers, or peer-to-peer motor vehicle sharing program
19 providing coverage under pars. (d) and (e) shall assume primary coverage if any of
20 the following applies:

21 1. A dispute exists as to who was in control of the shared motor vehicle at the
22 time of the loss, and the peer-to-peer motor vehicle sharing program does not have
23 available, does not retain, or fails to provide the information specified under sub. (9).

24 2. A dispute exists as to whether the shared motor vehicle was returned to an
25 alternatively agreed upon location specified in the motor vehicle sharing agreement.

(h) If insurance maintained by a shared vehicle owner or shared vehicle driver in accordance with par. (e) has lapsed or does not provide the coverage required, then insurance maintained by the peer-to-peer motor vehicle sharing program shall provide the coverage required under par. (d) beginning with the first dollar of the claim and shall have the duty to defend the claim except under circumstances described in par. (b).

(i) Coverage under a motor vehicle insurance policy maintained by the peer-to-peer motor vehicle sharing program may not be dependent on another motor vehicle insurer first denying a claim nor shall another motor vehicle insurance policy be required to first deny a claim.

(j) Nothing in this section does any of the following:

1. Limits the liability of a peer-to-peer motor vehicle sharing program for any act or omission of the peer-to-peer motor vehicle sharing program itself that results in injury to any person as a result of the use of a shared motor vehicle through the peer-to-peer motor vehicle sharing program.

2. Limits the ability of a peer-to-peer motor vehicle sharing program to seek indemnification, under the terms of a motor vehicle sharing agreement, from the shared vehicle owner or shared vehicle driver for economic loss sustained by the peer-to-peer motor vehicle sharing program resulting from a breach of the terms of the motor vehicle sharing agreement.

(3) INSURABLE INTEREST. A peer-to-peer motor vehicle sharing program shall have an insurable interest in a shared motor vehicle during the motor vehicle sharing duration. Nothing in this subsection creates liability on the peer-to-peer motor vehicle sharing program to maintain the coverage required under sub. (2) (d). The peer-to-peer motor vehicle sharing program may own and maintain as the

1 named insured one or more policies of motor vehicle liability insurance that provides
2 coverage for any of the following:

3 (a) Liabilities to be assumed by the peer-to-peer motor vehicle sharing
4 program under a motor vehicle sharing agreement.

5 (b) Any liability of the shared vehicle owner.

6 (c) Damage or loss to the shared motor vehicle.

7 (d) Any liability of the shared vehicle driver.

8 **(4) EXCLUSIONS IN MOTOR VEHICLE LIABILITY POLICIES.** (a) An insurer that writes
9 motor vehicle liability insurance in this state may exclude any coverage and may
10 refuse to defend or indemnify any claim under a shared vehicle owner's liability
11 policy, including any of the following coverages:

12 1. Liability coverage for bodily injury and property damage.

13 2. Personal injury protection.

14 3. Uninsured and underinsured motorists coverage.

15 4. Medical payments.

16 5. Comprehensive physical damage.

17 6. Collision physical damage.

18 (b) Nothing in this section invalidates or limits any exclusion contained in a
19 motor vehicle liability insurance policy, including any policy in use or approved for
20 use that excludes coverage for motor vehicles that are made available for rent,
21 sharing, or hire or for any business use.

22 (c) Nothing in this section invalidates, limits, or restricts an insurer's ability,
23 as otherwise allowed under law, to underwrite an insurance policy or to cancel or not
24 renew an insurance policy.

1 **(5) REQUIRED DISCLOSURES.** Each peer-to-peer motor vehicle sharing program
2 shall include in any agreement made in this state with a shared vehicle owner or
3 shared vehicle driver all of the following disclosures:

4 (a) Any right of the peer-to-peer motor vehicle sharing program to seek
5 indemnification from the shared vehicle owner or shared vehicle driver for economic
6 loss sustained by the peer-to-peer motor vehicle sharing program resulting from a
7 breach of the terms and conditions of the motor vehicle sharing agreement.

8 (b) That a motor vehicle liability insurance policy issued to a shared vehicle
9 owner for the shared motor vehicle or to the shared vehicle driver does not provide
10 a defense or indemnification for any claim asserted against him or her by the
11 peer-to-peer motor vehicle sharing program.

12 (c) That the peer-to-peer motor vehicle sharing program's insurance coverage
13 on the shared vehicle owner and the shared vehicle driver is in effect only during the
14 motor vehicle sharing duration and that, for any use of the shared motor vehicle by
15 the shared vehicle driver other than during the motor vehicle sharing duration, the
16 shared vehicle driver and the shared vehicle owner might not have insurance
17 coverage.

18 (d) The daily rate, fees, and, if applicable, any insurance or protection package
19 costs that are charged to the shared vehicle owner or the shared vehicle driver.

20 (e) That the motor vehicle liability insurance policy of the shared vehicle owner
21 might not provide coverage for a shared motor vehicle.

22 (f) An emergency telephone number of personnel who are capable of fielding
23 roadside assistance and other customer service inquiries.

1 (g) Any conditions under which a shared vehicle driver, in order to make a
2 reservation for a shared motor vehicle, must maintain a personal motor vehicle
3 insurance policy that is primary coverage with certain applicable coverage limits.

4 **(6) NOTIFICATION OF IMPLICATIONS OF LIEN.** At the time a motor vehicle owner
5 registers as a shared vehicle owner through a peer-to-peer motor vehicle sharing
6 program and before the shared vehicle owner makes a motor vehicle available for
7 sharing, the peer-to-peer motor vehicle sharing program shall notify the shared
8 vehicle owner that, if the shared motor vehicle has a lien against it, the use of the
9 shared motor vehicle through the peer-to-peer motor vehicle sharing program,
10 including any use without coverage for physical damage, may violate the terms of
11 any agreement with the lienholder.

12 **(7) LIABILITY EXEMPTION.** Any peer-to-peer motor vehicle sharing program and
13 any shared vehicle owner are exempt from liability consistent with 49 USC 30106
14 and under any state or local law that imposes liability solely based on vehicle
15 ownership.

16 **(8) CONTRIBUTION AGAINST INDEMNIFICATION.** A motor vehicle insurer that
17 defends or indemnifies a claim against a shared motor vehicle that is excluded under
18 the terms of the policy shall have the right to seek recovery against the motor vehicle
19 insurer of the peer-to-peer motor vehicle sharing program if the claim is made
20 against the shared vehicle owner or the shared vehicle driver for loss or injury that
21 occurs during the motor vehicle sharing duration and is excluded under the terms
22 of the policy.

23 **(9) RECORD RETENTION.** A peer-to-peer motor vehicle sharing program shall
24 collect and verify records pertaining to the use of a shared motor vehicle, including
25 times used, motor vehicle pick up and drop off locations, fees paid by a shared vehicle

1 driver, and revenues received by the shared vehicle owner. To facilitate a claims
2 coverage investigation, settlement, negotiation, or litigation, the peer-to-peer motor
3 vehicle sharing program shall provide, upon request, the records collected under this
4 subsection to the shared vehicle owner, the insurer of the shared vehicle owner, or
5 the insurer of the shared vehicle driver. The peer-to-peer motor vehicle sharing
6 program shall retain the records collected under this subsection for a period not less
7 than the applicable time limit for bringing an action specified under ch. 893.

8 **SECTION 9. Effective date.**

9 (1) This act takes effect on the first day of the 10th month beginning after
10 publication.

11 (END)
