4 war memorial's facilities, properties, or grounds or other property owned, operated,  
5 or maintained by the war memorial.

6           (c) Within 60 days of a memorial board's request for funds under par. (a), the  
7 department shall review the request and determine whether to fully or partially  
8 approve the request, request more information from the memorial board, or deny  
9 the request if the request does not meet the requirements under par. (a). Upon the  
10 department's full or partial approval of a request made under this paragraph, the  
11 department shall within 30 days provide to the war memorial the approved funds.  
12 Upon the department's full or partial denial of a request made under this  
13 paragraph, the memorial board may within 90 days request that the department  
14 revisit and review its denial decision.

15           (d) By the end of each fiscal year in which a memorial board receives funds  
16 from the department as the result of a request made under par. (a), the memorial  
17 board shall submit a report to the joint committee on finance and to the chief clerk  
18 of each house of the legislature for distribution under s. 13.172 (3) to the standing  
19 committees having jurisdiction over veterans matters. The report shall describe

9 “(4g) STUDY OF UNIVERSITY OF WISCONSIN SYSTEM ORGANIZATIONAL  
10 EFFICIENCY.

11 (a) No later than December 31, 2026, the Board of Regents of the University of  
12 Wisconsin System shall produce an organizational review and efficiency study with  
13 a focus on declining student enrollment and future operational analysis. The Board  
14 of Regents shall contract by means of competitive bid with an auditing firm or  
15 business consultancy with experience in analyzing higher educational institutions.

16 (b) The study shall focus on an in-depth analysis of organizational efficiency,  
17 administrative processes, resource allocation, inventory of operations, and  
18 programming. The study shall examine key performance indicators such as cost  
19 per student, time-to-degree completion, and faculty-to-administrator ratios with a  
20 goal to identify redundancies and opportunities for streamlining operations.

21 (c) The study’s research may include interviews of key stakeholders, such as  
22 administrators, faculty, and students. The study shall also evaluate the

1 administrative processes at the institutions of the University of Wisconsin System  
2 and what can be done to improve them.

3 (d) The study shall assess the role of technology in reducing workloads and  
4 improving the systems already in place. The study may explore how  
5 interdepartmental communication and collaboration impact overall efficiency,  
6 particularly in areas like curriculum development and facilities management.

7 (e) The anticipated outcomes of the study may include a comprehensive  
8 efficiency report, a set of evidence-based recommendations for organizational  
9 improvement, and a scalable framework for other universities to assess and improve  
10 their operational efficiency.

11 (f) Upon completion of the study under par. (a), the Board of Regents shall  
12 submit the study results to the appropriate standing committees of the legislature  
13 in the manner provided under s. 13.172 (3).”.
