(2), the department of natural resources shall propose rules establishing the recommendation of the department of health services as the enforcement standard for that substance and publish the notice required under s. 227.16 (2) (e), 227.17 or 227.24 (3).

**SECTION 53.** 160.07 (5) (b) of the statutes is created to read:

160.07 (5) (b) Within 3 months after receiving a recommended enforcement standard for a perfluoroalkyl or polyfluoroalkyl substance from the department of health services under sub. (3), the department of natural resources shall prepare a statement of scope under s. 227.135 of proposed rules that establish the recommendation of the department of health services as the enforcement standard for that substance.

**SECTION 54.** 227.139 (5) of the statutes is created to read:

227.139 (5) This section does not apply to a proposed rule of the department of natural resources establishing acceptable levels and standards, performance standards, enforcement standards and preventative action limits, monitoring requirements, and required response actions for any perfluoroalkyl or polyfluoroalkyl substance or group or class of such substances in groundwater, drinking water, surface water, air, soil, or sediment.

**SECTION 55.** 227.19 (7) of the statutes is amended to read:

227.19 (7) NONAPPLICATION. This section does not apply to rules promulgated under s. 227.24, or to rules proposed by the department of natural resources establishing acceptable levels and standards, performance standards, enforcement standards and preventative action limits, monitoring requirements, and required response actions for any perfluoroalkyl or polyfluoroalkyl substance or group or class of such substances in groundwater, drinking water, surface water, air, soil, or sediment.

**SECTION 56.** 227.26 (5) of the statutes is created to read:

227.26 (5) This section does not apply to a proposed rule of the department of natural resources establishing acceptable levels and standards, performance standards, enforcement standards and preventative action limits, monitoring requirements, and required response actions for any perfluoroalkyl or polyfluoroalkyl substance or group or class of such substances in groundwater, drinking water, surface water, air, soil, or sediment.

**SECTION 57.** 281.61 (6) of the statutes is amended to read:

281.61 (6) PRIORITY LIST. The department shall establish a priority list that ranks each safe drinking water loan program project. The department shall promulgate rules for determining project rankings that, to the extent possible, give priority to projects that address the most serious risks to human health, that are necessary to ensure compliance with the Safe Drinking Water Act, 42 USC 300f to 300j-26, and that assist applicants that are most in need on a per household basis, according to affordability criteria specified in the rules. For the purpose of ranking projects under this subsection, the department shall treat a project to upgrade a

public water system to provide continuous disinfection of the water that it distributes as if the public water system were a surface water system that federal law requires to provide continuous disinfection. For the purpose of ranking projects under this subsection, if the department of health services has recommended an enforcement standard for a perfluoroalkyl or polyfluoroalkyl substance, the department of natural resources shall treat a project relating to that perfluoroalkyl or polyfluoroalkyl substance as if a maximum contaminant level for that substance has been attained or exceeded.

**SECTION 58.** 281.61 (8) (b) of the statutes is created to read:

281.61 (8) (b) The department of administration shall allocate the amount appropriated under s. 20.320 (2) (a) to projects involving forgivable loans to private users of public water systems to replace lead service lines.

**SECTION 59.** 281.79 of the statutes is created to read:

**281.79 Negotiations for alternate source of water due to PFAS contamination.** (1) DEFINITIONS. In this section:

(a) “Municipality” means a city, village, town, county, utility district, lake protection district, sewerage district, or municipal airport.

(b) “Private water supply” has the meaning given in s. 281.77 (1) (a).

(2) MEDIATION. A municipality that contains private water supplies that have been contaminated by a perfluoroalkyl or polyfluoroalkyl substance in excess of a state or federal drinking water standard, a state groundwater standard, or a public health recommendation from the department of health services under s. 160.07 may request that the department appoint a mediator to assist in negotiations for

the supply of an alternate source of water provided by or connected to a water supply located within another municipality. The department may not appoint a mediator under this section unless the department receives written consent from both municipalities. A person responsible under s. 292.11 (3), if any, may participate in negotiations. The department shall promulgate rules to implement this section, including rules for the allocation of the cost of the mediator.

**SECTION 60.** 283.31 (4) (g) of the statutes is created to read:

283.31 (4) (g) That, if the permit allows for the land application of sewage sludge, the permittee shall, before first applying sludge and at least once per year thereafter, sample and test the sludge for all perfluoroalkyl or polyfluoroalkyl substances for which there is a state or federal standard, a public health recommendation from the department of health services under s. 160.07, or a health advisory issued by the federal environmental protection agency. The permittee shall, before applying sludge to land in any year, report the sampling and testing results to the department and to the property owner of each tax parcel upon which sludge will be applied. The sampling and testing required under this paragraph shall be in addition to any sampling and testing otherwise required under the permit.

**SECTION 61.** 283.31 (4) (h) of the statutes is created to read:

283.31 (4) (h) That, if the permittee is a treatment work, the permittee will test all sewage sludge for the presence of perfluoroalkyl or polyfluoroalkyl substances and report the testing results to the department.

**SECTION 62.** 292.11 (8m) of the statutes is created to read:

292.11 (8m) SITE-SPECIFIC STANDARDS. If no standard exists for a hazardous substance, the person responsible under sub. (3) shall propose site-specific environmental standards for department approval for the actions required under this chapter and rules promulgated under this chapter.

**SECTION 63.** 292.11 (9) (g) of the statutes is created to read:

292.11 (9) (g) 1. In this paragraph, “PFAS” means a perfluoroalkyl or polyfluoroalkyl substances for which there is a state or federal standard, a public health recommendation from the department of health services under s. 160.07, or a health advisory issued by the federal environmental protection agency.

2. Except as provided in subd. 3, a person who possesses or controls property where a PFAS discharge occurred is exempt from subs. (3), (4), and (7) (b) and (c) for the PFAS discharge if all of the following apply:

- a. The property is exclusively used for agricultural use or residential use.
- b. The discharge was caused by land application of sludge permitted under ch. 283.
- c. The person who possesses or controls the property where the PFAS discharge occurred agrees to allow the department, any authorized representatives of the department, any party that possessed or controlled the PFAS or caused the discharge of the PFAS, and any consultant or contractor of such a party to enter the property to take action to respond to the discharge.
- d. The person who possesses or controls the property where the PFAS discharge occurred does not interfere with any action taken in response to the discharge and does not take any action that worsens or contributes to the PFAS discharge.

e. The person who possesses or controls the property where the PFAS discharge occurred follows any other condition that the department determines is reasonable and necessary to ensure that the department or other person described in subd. 2. c. is able to adequately respond to the discharge, including taking action necessary to protect human health, safety, or welfare or the environment, taking into consideration the current or intended use of the property.

f. The person who possesses or controls the property where the PFAS discharge occurred allows the department to limit public access to the property if the department determines such limitation of access is necessary to prevent an imminent threat to human health, safety, or welfare or to the environment.

3. a. The exemption under subd. 2. does not apply to any substances other than PFAS.

b. The exemption under subd. 2. does not apply if the person that possesses or controls the property where the PFAS discharge occurred takes action that worsens or contributes to the PFAS discharge.

4. A person who is exempt from subs. (3), (4), and (7) (b) and (c) pursuant to subd. 2. shall provide written disclosure to any prospective purchaser of the property, either through sale or land contract, before entering into a contract and to prospective tenants of the property, including agricultural and residential tenants before entering into a lease agreement. Written disclosure shall be provided to any current tenants as soon as reasonably practicable and upon any reissuance or renewal of a lease. Written disclosure shall include, at a minimum, a description of the type of contamination, the location and description of any action taken to control or treat the contamination, PFAS sample dates and results, and a

description of compliance with reporting required under sub. (2). A copy of the disclosure shall be provided to the department upon request.

5. The exemption under subd. 2 may not be transferred to a subsequent owner of the property on which the PFAS discharge occurred. Each person that possesses or controls the property where the PFAS discharge occurred must establish eligibility for the exemption under subd. 2.

6. A person may submit to the department information supporting that the person satisfies the requirements of subd. 2. The department shall issue a written determination that a person who possesses or controls property where the PFAS discharge occurred is exempt from subs. (3), (4), and (7) (b) and (c) if the person satisfies the requirements in subd. 2. The department may request additional information before issuing a determination. The department may revoke its determination if it determines that any of the requirements of subd. 2 cease to be met. The department may, in accordance with rules that it promulgates, assess and collect fees to offset the costs of issuing determinations under this subdivision.

7. The exemption under subd. 2. does not apply after December 31, 2035.

**SECTION 64.** 292.11 (14) of the statutes is created to read:

292.11 (14) DETERMINATION OF RESPONSIBLE PARTY. Applications for compensation or grants under the well compensation program under s. 281.75, the county well testing grant program under s. 281.54, or any state financial assistance program funded by the federal American Rescue Plan Act of 2021, P.L. 117-2, may not be used by the department to determine responsibility under sub. (3).

**SECTION 65.** 292.31 (1) (d) (intro.) of the statutes is amended to read:

292.31 (1) (d) *Access to information.* (intro.) Upon the request of any officer,

employee, or authorized representative of the department, any person who generated, transported, treated, stored, or disposed of solid or hazardous waste ~~which~~ that may have been disposed of at a site or facility under investigation by the department and any person who generated solid or hazardous waste at a site or facility under investigation by the department that was transported to, treated at, stored at, or disposed of at another site, facility, or location shall provide the officer, employee, or authorized representative access to any records or documents in that person's custody, possession, or control which relate to:

**SECTION 66.** 292.31 (1) (d) 1m. of the statutes is created to read:

292.31 (1) (d) 1m. The type and quantity of waste generated at the site or facility that was transported to, treated at, stored at, or disposed of at another site, facility, or location, and the dates and locations of these activities.

**SECTION 67.** 292.67 of the statutes is created to read:

**292.67 PFAS community grant program. (1) DEFINITIONS.** In this section:

(a) "Class B firefighting foam" has the meaning given in s. 299.48 (1) (a).

(b) "Municipality" means a city, village, town, county, tribal governing body, utility district, lake protection district, sewerage district, or municipal airport.

(c) "PFAS" means a perfluoroalkyl or polyfluoroalkyl substance.

**(2) FINANCIAL ASSISTANCE.** The department shall administer a program to provide grants from the appropriation under s. 20.370 (4) (mw) to municipalities that meet the requirements under sub. (3) for the purpose of conducting any of the eligible activities under sub. (4).

(3) ELIGIBILITY PREREQUISITES. A grant may be awarded under sub. (2) only if one of the following has occurred:

(a) The municipality tested or trained with a class B firefighting foam that contained intentionally added PFAS in accordance with applicable state and federal law, or a 3rd party tested or trained with a class B firefighting foam that contained intentionally added PFAS within the area controlled by the municipality.

(b) The municipality applied biosolids to land under a permit issued by DNR under s. 283.31.

(c) PFAS are impacting the municipality's drinking water supply or surface water or groundwater within the area controlled by the municipality and the responsible party is unknown or is unwilling or unable to take the necessary response actions.

(d) PFAS contamination in groundwater is impacting private wells within the area controlled by the municipality.

(4) ELIGIBLE ACTIVITIES. The department may award a grant under sub. (2) for any of the following activities:

(a) Investigating potential PFAS impacts to the air, land, or water at a site or facility for the purpose of reducing or eliminating environmental contamination.

(b) Treating or disposing of PFAS-containing firefighting foam containers from a municipal site or facility.

(c) Sampling a private water supply within 3 miles of a site or facility known to contain PFAS or to have caused a PFAS discharge.

(d) Assisting owners of private wells with the cost of installation of filters, treatment, or well replacement.

(e) Providing a temporary emergency water supply, a water treatment system, or bulk water to replace water contaminated with PFAS.

(f) Conducting emergency, interim, or remedial actions to mitigate, treat, dispose of, or remove PFAS contamination to the air, land, or waters of the state.

(g) Removing or treating PFAS in a public water system using the most cost-effective method to provide safe drinking water in areas where PFAS levels exceed the maximum contaminant level for PFAS under ch. 281 or an enforcement standard for PFAS under ch. 160 or where the state has issued a health advisory for PFAS.

(h) Creating a new public water system or connecting private well owners to an existing public water system in an area in which there is widespread PFAS contamination in private water supplies.

(i) Sampling and testing water for PFAS contamination in a public, private, or tribal elementary or secondary school, a child care center that is licensed under s. 48.65, a child care program that is established or contracted for under s. 120.13 (14), or a child care provider that is certified under s. 48.651.

**(5) APPLICATION.** A municipality shall apply for a grant on a form prescribed by the department and shall include any information that the department finds necessary to determine the eligibility of the project, identify the funding requested, determine the priority of the project, and calculate the amount of a grant.

(6) EVALUATION CRITERIA. The department, in awarding grants under this section, shall consider all of the following criteria:

(a) The municipality's demonstrated commitment to performing and completing eligible activities, including the municipality's financial commitment and ability to successfully administer grants.

(b) The degree to which the project will have a positive impact on public health and the environment.

(c) Other criteria that the department finds necessary to prioritize the funds available for awarding grants.

(7) MATCHING FUNDS. The department may not distribute a grant under this section unless the applicant contributes matching funds equal to at least 20 percent of the amount of the grant. Matching funds may be in the form of cash, in-kind contributions, or both.

(8) RULEMAKING. The department shall promulgate rules necessary to administer this section, including procedures for submission, review, and determination of applications for assistance under this section. The rules promulgated under this subsection shall give priority to providing assistance to owners of private wells contaminated with PFAS.

**SECTION 68.** 292.74 of the statutes is created to read:

**292.74 Financial responsibility for PFAS.** The department may, if it determines doing so is necessary to protect human health or the environment, require a person who possesses or controls or who causes the discharge of a perfluoroalkyl or polyfluoroalkyl substance, and any person who manufactures any

product that contains intentionally added perfluoroalkyl or polyfluoroalkyl substances, to provide proof of financial responsibility for conducting emergency response actions, remedial actions, environmental repair, and long-term care to address contamination by a potential discharge of a perfluoroalkyl or polyfluoroalkyl substance or environmental pollution that may be caused by a discharge of such substances. The department shall establish, by rule, the procedure for determining whether requiring a proof of financial responsibility is necessary to protect human health or the environment, and may establish requirements for types of financial responsibility, methods for calculating amounts of financial responsibility, access and default, bankruptcy notifications, and any other requirements the department determines is necessary under this section. The proof of financial responsibility required under this section shall be in addition to any other proof of financial responsibility or financial assurance required under this chapter. This section does not apply to a person exempt under s. 292.11 (9).

**SECTION 69.** 299.487 of the statutes is created to read:

**299.487 Transportation and disposal of PFAS.** (1) In this section:

(a) “Environmental justice” means the fair treatment and meaningful involvement of all individuals, regardless of race, color, national origin, educational level, or income, with respect to the development, implementation, and enforcement of environmental laws, regulations, and policies to ensure that no population of color or community of color, indigenous community, or low-income community shall be exposed to a disproportionate burden of the negative human health and environmental impacts of pollution or other environmental hazards.

(b) “PFAS” means a perfluoroalkyl or polyfluoroalkyl substance.

(2) A person disposing of PFAS, or transporting PFAS for the purpose of disposal, shall attempt to the greatest extent possible to avoid disposing of PFAS in, or transporting PFAS to, any location where such disposal or transportation will contribute to environmental justice concerns and shall consider all reasonable alternatives for transport and disposal of PFAS. The department shall assist any person, upon request, in evaluating the environmental justice impacts of the person’s disposal or transportation of PFAS.

**SECTION 9132. Nonstatutory provisions; Natural Resources.**

(1) STATEWIDE BIOMONITORING STUDIES. The department of health services shall conduct biomonitoring studies across the state to assess perfluoroalkyl and polyfluoroalkyl substance exposure levels and better understand the factors that affect perfluoroalkyl and polyfluoroalkyl substance exposure levels in different communities. The department may, as part of these studies, survey volunteer participants, test blood samples for the presence and levels of perfluoroalkyl and polyfluoroalkyl substances, and analyze the results.

(2) EMERGENCY RULES FOR PFAS COMMUNITY GRANT PROGRAM. The department of natural resources may use the procedure under s. 227.24 to promulgate emergency rules relating to the community grant program under s. 292.67. Notwithstanding s. 227.24 (1) (a) and (3), the department is not required to provide evidence that promulgating a rule under this subsection as an emergency rule is necessary for the preservation of the public peace, health, safety, or welfare and is not required to provide a finding of emergency for a rule promulgated under

this subsection. Notwithstanding s. 227.24 (1) (e) 1d. and 1g., for emergency rules promulgated under this subsection, the department is not required to prepare a statement of scope of the rules or to submit the proposed rules in final draft form to the governor for approval.

**SECTION 9219. Fiscal changes; Health Services.**

(1) PFAS BIOMONITORING STUDIES. In the schedule under s. 20.005 (3) for the appropriation to the department of health services under s. 20.435 (1) (a), the dollar amount for fiscal year 2025-26 is increased by \$630,000 and the dollar amount for fiscal year 2026-27 is increased by \$630,000 to fund biomonitoring studies to assess and understand permanent perfluoroalkyl and polyfluoroalkyl exposure levels.

(2) POSITION AUTHORIZATIONS; PFAS OUTREACH. In the schedule under s. 20.005 (3) for the appropriation to the department of health services under s. 20.435 (1) (a), the dollar amount for fiscal year 2025-26 is increased by \$80,900 and the dollar amount for fiscal year 2026-27 is increased by \$104,500 to increase the authorized FTE positions for the department by 1.0 GPR position to act as a PFAS outreach specialist.

**SECTION 9232. Fiscal changes; Natural Resources.**

(1) PFAS COMMUNITY GRANT PROGRAM. In the schedule under s. 20.005 (3) for the appropriation to the department of natural resources under s. 20.370 (4) (mw), the dollar amount for fiscal year 2025-26 is increased by \$116,350,000 and the dollar amount for fiscal year 2026-27 is increased by \$8,650,000 for the PFAS community grant program under s. 292.67.

(2) POSITION AUTHORIZATIONS; PFAS. In the schedule under s. 20.005 (3) for

the appropriation to the department of natural resources under s. 20.370 (4) (ma), the dollar amount for fiscal year 2025-26 is increased by \$691,200 and the dollar amount for fiscal year 2026-27 is increased by \$905,200 to increase the authorized FTE positions for the department by 10.0 GPR positions for the purpose of remediating and managing perfluoroalkyl and polyfluoroalkyl substances. The FTE positions shall be placed in the department as follows: 1.0 FTE position to act as an executive leadership program coordinator to supervise the Office of Emerging Contaminants; 1.0 FTE position to act as a policy initiatives advisor to develop recommendations for legislative and administrative action to address contaminants of emerging concern; 1.0 FTE position to act as a supply specialist to coordinate and complete sampling of public water supplies for emerging contaminants and to provide support to private well owners with water quality analysis; 2.0 FTE positions to act as water resources management specialists to develop water quality standards, assist in effluent monitoring and source reduction, and develop guidance for landspreading of contaminated biosolids; 1.0 FTE position to act as an air management specialist to develop statewide policies on emerging contaminants; 1.0 FTE position to act as a waste and materials management specialist to develop safe disposal and treatment methods for waste; 2.0 FTE positions to act as hydrogeologists to coordinate sampling and cleanup activities at cleanup sites and evaluate scientific data related to contamination; and 1.0 FTE position to act as a water supply specialist to sample for and address the impacts of threats to drinking water and provide water quality analysis support to private well owners.

(3) PFAS SAMPLING, TESTING, AND RESEARCH. In the schedule under s. 20.005

(3) for the appropriation to the department of natural resources under s. 20.370 (4) (mw), the dollar amount for fiscal year 2025-26 is increased by \$1,480,000 and the dollar amount for fiscal year 2026-27 is increased by \$730,000 for statewide PFAS sampling and testing activities.

(4) PFAS SUBSTANCE EMERGENCY MEASURES. In the schedule under s. 20.005 (3) for the appropriation to the department of natural resources under s. 20.370 (4) (mw), the dollar amount for fiscal year 2025-26 is increased by \$900,000 and the dollar amount for fiscal year 2026-27 is increased by \$900,000 to support emergency measures related to PFAS, such as providing temporary drinking water to homes impacted by groundwater contamination.

(5) EMERGING CONTAMINANTS INITIATIVE AND POSITION AUTHORIZATION. In the schedule under s. 20.005 (3) for the appropriation to the department of natural resources under s. 20.370 (4) (mq), the dollar amount for fiscal year 2025-26 is increased by \$200,000 to increase the authorized positions for the department by 2.0 LTE positions to conduct sampling and data analysis of drinking water test for emerging contaminants, and for the purpose of wastewater monitoring, surface water monitoring, and fish sampling. In the schedule under s. 20.005 (3) for the appropriation to the department of natural resources under s. 20.370 (4) (mq), the dollar amount for fiscal year 2026-27 is increased by \$225,000 for the purpose of wastewater monitoring, surface water monitoring, and fish sampling.”.

“**SECTION 87.** 23.405 of the statutes is created to read:

**23.405 Report on environmental impacts to covered communities. (1)**

In this section:

(a) “Covered community” means a census tract that is at or above the 65th percentile for share of households with a household income at or below 200 percent of the federal poverty level and is any of the following:

1. At or above the 90th percentile for share of households that are both earning less than 80 percent of area median family income, as determined by the federal department of housing and urban development, and are spending more than 30 percent of their income on housing costs.

2. At or above the 90th percentile for share of homes built before 1960.

3. At or above the 90th percentile for having hazardous waste treatment, storage, or disposal facilities or large quantity generators located within 3.1 miles.

4. At or above the 90th percentile for number of proposed or listed sites identified by the federal environmental protection agency as superfund or national priorities list sites located within 3.1 miles.

5. At or above the 90th percentile for mixture of particles in diesel exhaust in the air, measured as pounds per cubic foot.

6. At or above the 90th percentile for number of vehicles, based on average annual daily traffic, at major roads within 1,640 feet, divided by distance in feet.

7. At or above the 90th percentile for risk-screening environmental indicators modeled toxic concentrations at stream segments within 1,640 feet, divided by distance in feet.

8. Occupied by a federally recognized American Indian tribe or band.

(b) “Cumulative impacts” means the combined past, present, and foreseeable future emissions and discharges occurring in a specific geographical area that are assessed based upon guidance issued by the department for exposure, public health or environmental risk, or other effects to the geographical area.

(c) “Facility” means any facility, the operation of which requires a permit issued by the department under ch. 283, 285, 289, or 291.

**(2)** The department shall identify and maintain a list of covered communities in the state. The department shall update the list as necessary to reflect the most recent data on household income and the most recent federal decennial census.

**(3)** The department may not issue a permit under ch. 283, 285, 289, or 291 for the operation of a facility that is located wholly or partly within a covered community unless the permit applicant does all of the following:

(a) Prepares a report assessing the environmental impact of the facility, including any cumulative impacts on the covered community, any adverse

environmental effects that could not be avoided if the permit were issued, and the public health impact on the covered community.

(b) Makes the report available to the public and provides the report to the department and the governing body and municipal clerk for the municipality in which the covered community is located.

(c) Not less than 30 days after providing the report to the department and the governing body and municipal clerk under par. (b), conducts a public hearing in the municipality in which the covered community is located. The permit applicant shall conduct the public hearing in a manner that provides clear, accurate, and complete information about the facility and that provides the opportunity for meaningful public participation by residents of the covered community. Not less than 21 days prior to the hearing, the permit applicant shall publish public notices of the hearing in no fewer than 2 newspapers circulating within the covered community. Not less than 14 days prior to the hearing, the permit applicant shall provide a copy of the public notice to the department and the governing body and the municipal clerk of the municipality in which the covered community is located.

(4) If a permit applicant is applying for more than one permit for a proposed new or expanded facility that is subject to sub. (3), the permit applicant is not required to comply with sub. (3) more than once for permits applicable to that facility.

(5) Following a public hearing conducted under sub. (3) (c), the department shall consider community support and any testimony presented in its decision to grant or deny a permit and shall evaluate any revisions or conditions to the permit

that may be necessary to reduce the adverse impact to public health or to the environment in the covered community.

(6) The department shall issue a decision on a permit application that is subject to sub. (3) not less than 60 days following the public hearing held as required by sub. (3) (c). The department may deny an application for a permit for the operation of a facility that is located wholly or partly within a covered community if the department finds that the cumulative impact of the facility, in addition to the existing conditions in the covered community, constitute an unreasonable risk to the environment and the health of the residents in the covered community.

(7) The department may promulgate any rules necessary to administer this section.

**SECTION 9432. Effective dates; Natural Resources.**

(1) ENVIRONMENTAL IMPACTS TO COVERED COMMUNITIES.

(a) Except as provided in par. (b), the treatment of s. 23.405 takes effect on the first day of the 6th month beginning after publication.

(b) The treatment of s. 23.405 (1) (a) and (2) takes effect on first day of the 4th month beginning after publication.”.

20.370 (6) (et) *Environmental aids — Revitalize Wisconsin program.*  
Biennially, from the environmental fund, the amounts in the schedule for aid awards under s. 292.66.

**SECTION 91.** 20.370 (6) (eu) of the statutes is created to read:

20.370 (6) (eu) *Environmental aids — waste removal and sampling.*  
Biennially, from the environmental fund, the amounts in the schedule to provide financial assistance for the purpose of removing waste materials that have accumulated or been dumped on abandoned properties and to conduct sampling

and testing to determine if those properties pose a risk to public health and safety or the environment.

**SECTION 92.** 292.66 of the statutes is created to read:

**292.66 Revitalize Wisconsin program. (1) DEFINITIONS.** In this section:

(a) “Brownfield” means a property that is abandoned, idle, or underused, the expansion or redevelopment of which is adversely affected by actual or perceived discharge or environmental pollution.

(b) “Discharge” has the meaning given in s. 292.01 (3).

(c) “Innocent landowner” means any of the following:

1. A property owner that acquired the property prior to November 1, 2006, has continuously owned the property since the date of acquisition, and can demonstrate, through documentation, that the discharge or environmental pollution on the property was caused by another person and that the property owner did not know and had no reason to know of the discharge or environmental pollution when the owner acquired the property.

2. A property owner that acquired the property on or after November 1, 2006, has continuously owned the property since the date of acquisition, and can demonstrate, through documentation, that the property owner conducted all appropriate inquiries in compliance with 40 CFR part 312 prior to acquisition, that the discharge or environmental pollution on the property was caused by another person, and that the property owner did not know and had no reason to know of the discharge or environmental pollution when the owner acquired the property.

(d) “Interim action” means a response action that is taken to contain or

stabilize a discharge or environmental pollution at a site or facility, in order to minimize any threats to public health, safety, or welfare or to the environment, while other response actions are being taken or planned for the site or facility.

(e) “Local governmental unit” has the meaning given in s. 292.11 (9) (e) 1.

(f) “Private party” means any of the following:

1. A bank, trust company, savings bank, or credit union.

2. A developer, as defined in s. 66.0617 (1) (b).

3. An organization or enterprise, other than a sole proprietorship, that is operated for profit or that is nonprofit and nongovernmental, including an association, business trust, corporation, joint venture, limited liability company, limited liability partnership, partnership, or syndicate.

4. An innocent landowner.

(g) “Remedial action” has the meaning given in s. 292.12 (1) (d).

**(2) POWERS AND DUTIES OF THE DEPARTMENT.** (a) The department shall administer a program to award aids from the appropriation under s. 20.370 (6) (et) to eligible entities under sub. (5).

(b) The department may not award aid to an entity under this section if that entity caused the discharge or environmental pollution at the site or facility for which aid is awarded, except to eligible entities under sub. (5) for sites or facilities under sub. (4) (a).

(c) The department may award aid to eligible entities under sub. (5) in the form of grants or direct services or, for sites or facilities under sub. (4) (a), in the form of reimbursements.

(d) The department may require a match from an eligible entity under sub. (5), in the form of cash or in-kind services, for aid awarded under this section, except the department may not require a match from an eligible entity for a site or facility for which funds are designated under sub. (3) (a).

**(3) ALLOCATION OF FUNDS.** (a) In any fiscal year, if there remain any sites or facilities under sub. (4) (a) for which a claim for reimbursement was submitted before the effective date of this paragraph .... [LRB inserts date], but for which the claim has not been paid, the department shall designate \$1,000,000 of the funds appropriated under s. 20.370 (6) (et), or the total amount of such unpaid claims, whichever is less, to the payment of those claims.

(b) In any fiscal year, if there remain any sites or facilities under sub. (4) (a) for which an application for eligibility was submitted before the effective date of this paragraph .... [LRB inserts date], but for which a claim has not been made to the department, the department shall designate \$450,000 of the funds appropriated under s. 20.370 (6) (et) to the payment of claims for such sites or facilities, until all such sites or facilities have received a case closure letter under s. 292.12.

(c) The department shall designate 15 percent of the funds appropriated under s. 20.370 (6) (et) to provide aid under this section in small or disadvantaged communities.

(d) The department may not provide more than one award of aid under this section for a site or facility in a single fiscal year, except for sites or facilities under sub. (4) (a).

(4) ELIGIBLE SITES AND FACILITIES. An eligible entity under sub. (5) may receive aid under this section for any of the following sites or facilities:

(a) Sites or facilities for which an application for eligibility was submitted under the dry cleaner environmental response program under s. 292.65 and that were deemed eligible for that program before the effective date of this paragraph .... [LRB inserts date].

(b) Brownfields.

(c) Sites or facilities regulated under s. 292.11 that are owned by entities that are exempt from s. 292.11 (3), (4), and (7) (b) and (c) as provided under s. 292.11 (9) (e), 292.13, or 292.21.

(d) Sites or facilities regulated under s. 292.11 that are owned by private parties.

(5) ELIGIBLE ENTITIES. The following entities are eligible for an award under this section.

(a) Local governmental units that did not cause the discharge or environmental pollution.

(b) Owners or operators of dry cleaning facilities that own or operate an eligible site or facility under sub. (4) (a).

(c) A private party, other than a dry cleaning facility under par. (b), that did not cause the discharge or environmental pollution and can demonstrate that the private party's property was fairly acquired through an arm's-length transaction.

(6) ELIGIBLE ACTIVITIES; INELIGIBLE COSTS. (a) An entity that receives aid under this section shall comply with all state and federal laws and rules

promulgated by the department, unless otherwise provided under this section or rules promulgated under this section.

(b) The department may award aid under this section to cover the costs of any of the following activities:

1. Assessment and investigation of a discharge or environmental pollution.
2. Interim actions and remedial actions to remove hazardous substances from contaminated media.
3. Treatment and disposal of contaminated media.
4. Vapor intrusion assessment and mitigation.
5. Removal of abandoned containers, as defined in s. 292.41 (1).
6. Asbestos abatement activities, as defined in s. 254.11 (2), conducted as part of redevelopment activities.
7. Environmental monitoring.
8. Restoration or replacement of a private potable water supply, if eligible for temporary emergency water supplies under rules promulgated by the department.
9. The removal of underground hazardous substance or petroleum product storage tanks.
10. Preparation of documentation to apply for case closure under this chapter.
11. Other activities identified by the department as reasonable and necessary for proper investigation, analysis of remedial action options, remedial action planning, and remedial action to meet the requirements of s. 292.11.

(c) The department may not award aid under this section to cover any of the following costs:

1. The cost of activities conducted prior to the award of aid under this section, except for activities conducted at a site or facility under sub. (4) (a).

2. The cost of activities that the department determines are not integral to the investigation and remediation of a discharge or environmental pollution.

3. Legal fees.

4. The cost of investigations or remedial action conducted outside this state.

5. Costs for financing eligible activities under par. (b).

(7) APPLICATION FOR AID. An applicant for aid under this section shall submit an application on a form prescribed by the department and shall include any information the department finds necessary to evaluate the eligibility of the project and amount of aid to be awarded.

(8) RULES; RECORDS. The department shall promulgate rules to administer the program under this section, including rules prescribing the criteria for determining the amount of aid to be awarded, the records that must be maintained by an applicant, and the periods for which those records must be retained. The department may inspect any document in the possession of an applicant or any other person if the document is relevant to an application for aid under this section.

### **SECTION 9132. Nonstatutory provisions; Natural Resources.**

(1) POSITION AUTHORITY FOR REMOVING WASTE FROM ABANDONED PROPERTIES. On the effective date of this subsection, the authorized FTE positions for the department of natural resources are increased by 1.0 SEG position, to be funded from the appropriation under s. 20.370 (6) (eu), to provide one permanent position to process applications, assist applicants, and perform program evaluation.

(2) REMOVING WASTE FROM ABANDONED PROPERTIES. Notwithstanding s.

16.42 (1) (e), in submitting information under s. 16.42 for purposes of the 2027-29 biennial budget bill, the department of natural resources shall submit information concerning the appropriation under s. 20.370 (6) (eu) as though the total amount appropriated under s. 20.370 (6) (eu) for the 2026-27 fiscal year was \$1,471,800 less than the total amount that was actually appropriated under s.20.370 (6) (eu) for the 2026-27 fiscal year.
