Analysis Prepared by Department of Natural Resources

Statutory authority: §. 29.014, 29.041, 29.197 and 227.11(2)(a), Stats.

Statutes interpreted: §. 29.014, 29.041 and 29.197, Stats.

The proposed rules establish the regulations for the 2003 migratory game bird season. The significant regulations are:

Section 1. Ducks - The state is divided into two zones each with 60-day seasons. The season begins at noon September 27 and continues for 60 consecutive days in the north, closing on November 25. In the South the season begins at noon on October 4 and continues through October 12, there would be a 5-day split, and then reopens on October 18 and continues through December 7. The daily bag limit is 6 ducks including no more than: 4 mallards, of which only one may be a hen, one black duck, one pintail (from Sept. 27 (noon) – Oct. 26 in the North and from Oct. 4 (noon) – Oct. 12 and Oct. 18 – Nov. 7 in the South), one canvasback (from Sept. 27 (noon) – Oct. 26 in the North and from Oct. 4 (noon) – Oct. 12 and Oct. 18 – Nov. 7 in the South), 2 wood ducks, 2 redheads and 3 scaup.

Canada Geese - The state is apportioned into 3 goose hunting zones: Horicon, Collins and Exterior. Other special goose management subzones within the Exterior Zone include Brown County, Burnett County, Rock Prairie and the Mississippi River. Season lengths are: Collins Zone - 67 days (3 periods, first period beginning September 16); Horicon Zone - 93 days (4 periods, first period beginning September 16); Exterior Zone - 93 days (North: Sept. 20 – 26 and Sept. 27 (noon) – Dec. 21 and South: Sept 20 – Oct. 3 and Oct 4 (noon) – Dec. 21); and Mississippi River Subzone - 70 days (Oct. 4 (noon) – Oct. 12 and Oct. 18 - Dec. 17). The Burnett County subzone is closed to Canada goose hunting. The statewide daily bag limit for Canada geese is 2 birds per day during the open seasons within each zone. In addition, the daily bag limit for Canada geese in subzone B during the early September goose hunt is increased from 3 to 5 geese, which would first take effect in Sept. 2004.

Section 2. Eliminates a separate listing for pintail and canvasback seasons.

Section 3. This section modifies the date of the two-day youth waterfowl hunt.
