ORDER OF THE STATE OF WISCONSIN

STATE FAIR PARK BOARD

ADOPTING RULES

The Wisconsin State Fair Park Board adopts the following order to amend SFP 2.07(2) and (3), 2.16(4)(b) and (5)(b), and 2.18; and to repeal and recreate SFP 7 relating to regulation of State Fair Park and establishing a bail bond schedule.

Analysis prepared by the State Fair Park Board

Statutory Authority: s. 42.01(3)(a), Stats.

Statutes Interpreted: ss. 42.01(1), (2) and (3), Stats.

The current rule contains 6 instances in which specific actions are prohibited if a person is under 18 years of age.

1. It prohibits persons under 18 years of age from carrying, possessing, receiving possession or transferring possession of paint in a spray can.

2. It prohibits selling spray cans of paint to any person under 18 years of age; and requires display of a sign stating "It is unlawful to sell spray paint to persons under 18 years of age, unless the seller records sales, date, purchaser's name and paint purchased on a form and forwards a copy of the form to the police department.

3. It prohibits selling or transferring spray paint containing a harmful substance to any person under 18 years of age.

4. It prohibits selling or transferring toxic glue to any person under 18 years of age, except it does not prohibit transferring one tube or container of toxic glue to a person under 18 years of age when the glue is provided along with a model kit as long as the model kit needs approximately that amount of glue to assemble the kit.

5. It prohibits a lessee who has a contract permitting the sale of alcoholic beverages from employing a person under 18 years of age for serving, selling or vending alcoholic beverages.

6. It prohibits employing a person under 18 years of age unless the employer has on file a child labor permit authorizing the employment.

The rule changes each reference from 18 years of age to 17 years of age except it does not change the age requirement for persons selling, serving or vending alcoholic beverages. The current requirement that persons serving, selling or vending alcoholic beverages be 18 years of age or older is not changed.

The rule also repeals and recreates the bond deposit schedule. The current rule establishing a bond deposit schedule does not address several violations which were established in SFP rules promulgated in 1996. This rule establishes bond deposits for additional types of violations and changes the amount of bond required for some violations and continues the policy of expelling anyone camping at the State Fair Park after revocation of a RV permit.
