10.01 Election notice form. (1) The form of the various election notices shall be prescribed by the commission to standardize election notices. To accomplish this purpose, the commission shall make rules and draft whatever forms it considers necessary. Notification or certification lists of candidates or referenda questions sent to the county clerks shall prescribe the form in which the county clerks shall publish the relevant portions of the notice and any additional county offices and referenda questions. The commission shall also prescribe the provisions for municipal notices which shall be sent to each county clerk who shall immediately forward them to each municipal clerk.

(2) For election purposes there shall be 5 basic types of notices, modified as necessary to apply to the various elections, which shall be published in substantially the same form as prescribed by the commission. The 5 types of notices are:

(a) Type A — The type A notice shall be entitled “Notice of Election”. The notice shall list the date of the election. For an election to fill any office, the notice shall list each office to be filled and the incumbent for each; the length of the term of each office and the expiration date of the term; and the beginning date for circulating, the place and deadline for filing declarations of candidacy and nomination papers, where required, for each office listed and the date of the primary election, if required. If a redistricting since the most recent election makes the description of the incumbent’s office of limited usefulness, the notice may contain supplementary information describing the territory in which an election is to be held. For an election at which a referendum is held, the notice shall contain the text of the question and a statement specifying where a copy of the resolution directing submission of the question may be obtained. Whenever an election is noticed to be held within a district, the notice shall contain a statement specifying where information concerning district boundaries may be obtained. The type A notice shall be published once by the county clerk of each county for each national, state or county election, and once by the clerk of each municipality or special purpose district for each municipal or special purpose district election, at the times designated in s. 10.06.

(b) Type B — The type B notice shall include the relevant facsimile ballots and the relevant portions of voting instructions to electors under s. 10.02 for each office or referendum and shall specify the date of the election. In counties or municipalities where an electronic voting system in which ballots are distributed to electors is used, the notice shall include the information specified in s. 5.94. The type B notice shall be published once by the county clerks, and for primaries and other elections in municipalities or special purpose districts, once by the clerk of the municipality or special purpose district on the day preceding each primary and other election.

(c) Type C — The type C notice shall be entitled “Notice of Referendum”. The notice shall be given whenever a referendum is held. The notice shall contain the date of the referendum, the entire text of the question and the proposed enactment, if any, as well as an explanatory statement of the effect of either a “yes” or

“no” vote. For state questions, the statement shall be prepared by the attorney general. For county questions, the statement shall be prepared by the corporation counsel. For other questions, the statement shall be prepared by the attorney for the jurisdiction in which the question is submitted. County clerks and, for questions submitted by municipalities or special purpose districts, the clerk of the municipality or special purpose district shall publish the type C notice once at the same time that the type B notice is published. The type C notice shall be printed in the newspaper as close as possible to that portion of the type B notice showing the facsimile referendum ballot.

(d) Type D — The type D notice shall state the hours the polls will be open and the polling places to be utilized at the election or shall include a concise statement of how polling place information may be obtained. In cities over 500,000 population, the board of election commissioners shall determine the form of the notice. In other municipalities and special purpose districts, the clerk of the municipality or special purpose district shall give the polling place information in the manner the governing body of the municipality or special purpose district decides will most effectively inform the electors. The type D notice shall be published by the municipal clerk or board of election commissioners of each municipality once on the day before each spring primary and election, each special national, state, county or municipal election at which the electors of that municipality are entitled to vote and each partisan primary and general election. The clerk of each special purpose district which calls a special election shall publish a type D notice on the day before the election, and the day before the special primary, if any, except as authorized in s. 8.55 (3).

(e) Type E — The type E notice shall state the qualifications for absentee voting, the procedures for obtaining an absentee ballot in the case of registered and unregistered voters, the places and the deadlines for application and return of application, including any alternate site under s. 6.855, and the office hours during which an elector may cast an absentee ballot in the municipal clerk’s office or at an alternate site under s. 6.855. The municipal clerk shall publish a type E notice on the 4th Tuesday preceding each spring primary and election, on the 4th Tuesday preceding each partisan primary and general election, on the 4th Tuesday preceding the primary for each special national, state, county or municipal election if any, on the 4th Tuesday preceding a special county or municipal referendum, and on the 3rd Tuesday preceding each special national, state, county or municipal election to fill an office which is not held concurrently with the spring or general election. The clerk of each special purpose district which calls a special election shall publish a type E notice on the 4th Tuesday preceding the primary for the special election, if any, on the 4th Tuesday preceding a special referendum, and on the 3rd Tuesday preceding a special election for an office which is not held concurrently with the spring or general election except as authorized in s. 8.55 (3).

10.02 ELECTION NOTICES

Updated 19–20 Wis. Stats. 2

10.06. The type B notice shall include the following relevant sections and be within the guidelines established in this section.

(2) (a) The headline or caption, the introductory paragraph and the voting instructions shall be printed once at the beginning of the notice followed by a facsimile of each ballot to be used at the election. The headline or caption shall be conspicuously displayed, but the caption together with the necessary spacing above and below shall not exceed 1 1/4 inches in depth. The introductory paragraph and voting instructions shall be set solid in the type of the regular reading matter of the newspaper but no smaller than 5 1/2–point nor larger than 10–point type.

(b) Following the introductory paragraph, but preceding the facsimile ballot notice, shall appear the statement of information to electors in the form prescribed in sub. (3).

(c) The facsimile ballots shall follow the voting instructions. The size and style of type and the general display of the facsimile ballots shall be prescribed by the commission and shall conform to the form prescribed by the commission under s. 7.08 (1) (a). The party columns shall not exceed 2–1/6 inches in width and the ballot size may be reduced. Voting machine facsimile ballots shall show a reduced diagram of the front of the voting machine and instructions to electors on how to vote on the machine. If the ballots in the wards or election districts within a county or municipality are identical but for the names of different candidates, districts or seats, the facsimile ballot may show the ballot for one ward or election district, accompanied by a list of candidates, districts and seats to be voted upon in the other wards or election districts.

(3) The notice shall contain the following:

FACSIMILE BALLOT NOTICE
OF ELECTION

Office of [County] [Municipal] Clerk.

To the Electors of [County] [Municipality]:

Notice is hereby given of a election to be held in the several wards in the [county] [municipality] of, on the day of, (year), at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Except where a different statement is prescribed by the commission for use in whole or in part by municipalities using electronic voting systems under s. 5.95, the voting instructions shall be given substantially as follows:

(a) Upon entering the polling place and before being permitted to vote, an elector shall state his or her name and address. If an elector is not registered to vote, an elector may register to vote at the polling place serving his or her residence if the elector presents proof of identification in a form specified by law unless the elector is exempted from this requirement, and, if the document presented does not constitute proof of residence, the elector provides proof of residence. Where ballots are distributed to electors, the initials of 2 inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

(b) 1. The elector shall make a cross (X) next to or separately depress the levers or buttons next to each candidate's name for whom he or she intends to vote, or shall insert or write in the name of a candidate.

2. At a partisan primary, the elector shall select the party ballot of his or her choice and shall make a cross (X) next to or depress the lever or button next to the candidate's name for each office for

whom the elector intends to vote, or shall insert or write in the name of the elector's choice for a candidate.

3. When casting a presidential preference vote, the elector shall select the party ballot of his or her choice and make a cross (X) next to or depress the button or lever next to the candidate's name for whom he or she intends to vote or shall, in the alternative, make a cross (X) next to or depress the button or lever next to the words "Uninstructed delegation", or shall write in the name of his or her choice for a candidate.

4. At a nonpartisan primary, the elector shall make a cross (X) next to or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of his or her choice for a candidate.

(c) In presidential elections, the elector shall make a cross (X) next to or depress the button or lever next to the set of candidates for president and vice president for whom he or she intends to vote. A vote for candidates for president and vice president is a vote for the presidential electors of those candidates.

(d) On referenda questions, the elector shall make a cross (X) next to or depress the button or lever next to the answer which he or she intends to give.

(e) The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. If the ballot has not been initiated by 2 inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than 5 minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

(f) After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the voting machine or booth, and where paper ballots are distributed to the electors, deposit his or her folded ballot in the ballot box or deliver it to an inspector for deposit in the box, and shall leave the polling place promptly.

(g) An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

(3) (a) Whenever, in chs. 5 to 12, provision is made for the publication of a notice on a specific date and a weekly newspaper is chosen, the notice shall appear in that newspaper's closest preceding issue. Whenever, in chs. 5 to 12, provision is made for the publication of a notice on the day before an election and the county or municipal clerk who is responsible for publishing the notice determines that, due to the method of delivering newspapers in the municipality, more effective notice will be provided by publication at an earlier date, the municipal clerk may publish the notice not earlier than 3 days before the election.

(b) Whenever, in chs. 5 to 12, provision is made for publication of an election notice by more than one insertion, this may be done (in counties over 200,000 population) by publication in one or more newspapers on the dates prescribed or in different newspapers at least equal in number to the number of insertions required. When different newspapers are used, the publications shall always be in each newspaper's latest issue preceding the last given date for publishing that notice.

(4) Compensation for publishing all notices may not exceed that authorized for legal notices under s. 985.08.

Whenever a notice is required to be published, a village, town or school district may post 3 notices in lieu of publication under ch. 985 whenever there is not a newspaper published within the village, town or school district or whenever the governing body of the village, town or school district chooses to post in order to supplement notice provided in a newspaper. Whenever the manner of giving notice is changed by the governing body, the body shall give notice of the change in the manner used before the change. Whenever posting is used, the notices shall be posted no later than the day prescribed by law for publication, or if that day falls within the week preceding the election to be noticed, at least one week before the election.
