first employer for the employee’s services, regardless of the duration of the services.

(g) Except as provided in s. 102.555 with respect to occupational deafness, “time of injury”, “occurrence of injury”, or “date of injury” means:

1. In the case of accidental injury, the date of the accident which caused the injury.

2. In the case of disease, the date of disability or, if that date occurs after the cessation of all employment that contributed to the disability, the last day of work for the last employer whose employment caused disability.

History:

In an occupational disease claim, the examiner may find the date of injury to be other than the last day of work. Royal−Globe Insurance Co. v. DILHR, 82 Wis. 2d 90, 258 N.W.2d 670 (1978).

Cessation of employment under sub. (2) (g) 2. does not require that the employee no longer be employed, but requires that the employee no longer be employed in the employment that contributed to the disability. If that is the case, the employer that caused the injury is responsible. North River Insurance Co. v. Manpower Temporary Services, Inc., 135 Wis. 2d 393, 358 N.W.2d 15 (Ct. App. 1997), 96–2000.

Sub. (2) (g) sets the date of injury of an occupational disease, and s. 102.42 (1) provides that medical expenses incurred before an employee knows of the work−related injury are compensable. Read together, medical expenses in occupational disease cases are not compensable until the date of injury, but once the date is established all expenses associated with the disease, even if incurred before the date of injury, are compensable. United Wisconsin Insurance Co. v. LIRC, 229 Wis. 2d 416, 600 N.W.2d 186 (Ct. App. 1999), 97–3776.

Sub. (2) (g) 2. does not represent a comprehensive statement of a claimant’s burden of proof nor does it abrogate the requirement of s. 102.03 (1) (e) that the claimant must prove that the injury arose out of employment. It merely sets out a mechanism for determining the date of injury.

The injury results from an occurrence on the premises; any employee going to and from his or her employment in a private or group or employer−sponsored car pool, van pool, commuter bus service, or other ride−sharing program in which the employee participates voluntarily and the sole purpose of which is the mass transportation of employees to and from employment. An employee is not performing service growing out of and incidental to employment while engaging in a program, event, or activity designed to improve the physical well−being of the employee, whether or not the program, event, or activity is based on the employer’s premises, if participation in the program, event, or activity is voluntary and the employee receives no compensation for participation.

4. The premises of the employer include the premises of any other person on whose premises the employee performs service.

5. To enhance the morale and efficiency of public employees in this state and attract qualified personnel to the public service, it is the policy of the state that the benefits of this chapter shall extend to be granted to employees in the service of the state or of any municipality therein on the same basis, in the same manner, under the same conditions, and with like right of recovery as in the case of employees of persons, firms or private corporations. Accordingly, the same considerations, standards, and rules of decision shall apply in all cases in determining whether any employee under this chapter, at the time of the injury, was performing service growing out of and incidental to the employee’s employment. For the purposes of this subsection no differentiation shall be made among any of the classes of employees enumerated in s. 102.04 or of employees enumerated in s. 102.07; and no statutes, ordinances, or administrative regulations otherwise applicable to any employees enumerated in s. 102.07 shall be controlling.

(d) Where the injury is not intentionally self−inflicted.

(e) Where the accident or disease causing injury arises out of the employee’s employment.

(f) Every employee whose employment requires the employee to travel shall be deemed to be performing service growing out of and incidental to the employee’s employment at all times while on a trip, except when engaged in a deviation for a private or personal purpose. Acts reasonably necessary for living or incidental thereto shall not be regarded as such a deviation. Any accident or disease arising out of a hazard of such service shall be deemed to arise out of the employee’s employment.

(g) Members of the state legislature are covered by this chapter when they are engaged in performing their duties as state legislators including:

1. While performing services growing out of and incidental to their function as legislators;

2. While performing their official duties as members of committees or other official bodies created by the legislature;

3. While traveling to and from the state capital to perform their duties as legislators; and

4. While traveling to and from any place to perform services growing out of and incidental to their function as legislators, regardless of where the trip originated, and including acts reasonably necessary for living but excluding any deviations for private or personal purposes except that acts reasonably necessary for living are not deviations.

2. Where such conditions exist the right to the recovery of compensation under this chapter shall be the exclusive remedy for the worker’s injury.
against the employer, any other employee of the same employer and
the worker’s compensation insurance carrier. This section does
not limit the right of an employee to bring action against any
coemployee for an assault intended to cause bodily harm, or
against a coemployee for negligent operation of a motor vehicle
not owned or leased by the employer, or against a coemployee of
the same employer to the extent that there would be liability of
a governmental unit to pay judgments against employees under
a collective bargaining agreement or a local ordinance.

(3) Providing or failing to provide any safety inspection or
safety advisory service incident to a contract for worker’s com-
pensation insurance or to a contract for safety inspections or safety
advisory services does not by itself subject an insurer, an
employer, an insurance service organization, a union, a union
member or any agent or employee of the insurer, employer, insurance
service organization or union to liability for damages for an
injury resulting from providing or failing to provide the inspection
or services.

(4) The right to compensation and the amount of the com-
pensation shall in all cases be determined in accordance with the
state for employment outside the United States.

(5) If an employee, while working outside the territorial limits
of this state, suffers an injury on account of which the employee,
or in the event of the employee’s death, his or her dependents,
would have been entitled to the benefits provided by this chapter
had such injury occurred within this state, such employee, or in the
event of the employee’s death resulting from such injury, the
dependents of the employee, shall be entitled to the benefits pro-
vided by this chapter, if at the time of such injury any of the follow-
ing applies:

(a) His or her employment is principally localized in this state.

(b) He or she is working under a contract of hire made in this
state in employment not principally localized in any state.

(c) He or she is working under a contract made in this state
in employment principally localized in another state whose worker’s
compensation law is not applicable to that person’s employer.

(d) He or she is working under a contract of hire made in this
state for employment outside the United States.

(e) He or she is a Wisconsin law enforcement officer acting
under an agreement authorized under s. 175.46.

Subsection “first responder” means an employee of or volunteer
for an employer that provides fire fight-
ing, law enforcement, or medical treatment of COVID−19, and
who has regular, direct contact with, or is regularly in close prox-
imity to, patients or other members of the public requiring emer-
gency services, within the scope of the individual’s work for the
employer.

(b) For the purposes of benefits under this chapter, where an
injury to a first responder is found to be caused by COVID−19 dur-
ing the public health emergency declared by the governor under
s. 323.10 on March 12, 2020, by executive order 72, and ending
30 days after the termination of the order, and where the employee
has been exposed to persons with confirmed cases of COVID−19
in the course of employment, the injury is presumed to be caused
by the individual’s employment.

(c) An injury claimed under par. (b) may be rebutted by spe-
cific evidence that the injury was caused by exposure to
COVID−19 outside of the first responder’s work for the employer.

History: 1971 c. 148, 307, 324; 1975 c. 147 ss. 15, 54; 1977 c. 195, 272, 418; 1979
2003 a. 15, 55; 2009 a. 206, 211 a. 1517; 2013 a. 184; 2015 a. 180; 2017 a. 172;

Committee Note: 1971 The Wisconsin Supreme Court in the case of Halama v.
IHLL Department, 48 Wis. 2d 328 (1970), suggested that consideration be given to
extending coverage to an employee who is injured while going to or from work on a
direct route between two portions of the employer’s premises, i.e., parking lot and
work premises. [Bill 371–A]

The department correctly found on a claim for death benefits for an employee mur-
dered while she alone remained in an office that had been vacated by all other employ-
ees, that the accident arose out of the deceased’s employment since the isolated work
environment in which the deceased worked constituted a zone of special danger, and
hence the positional risk doctrine was applicable. Allied Manufacturing, Inc. v.
DILHR, 45 Wis. 2d 563, 173 N.W.2d 690 (1970).

The holding in Brown, 9 Wis. 2d 555, that causation legally sufficient to support
compensation does not require a showing of strain or exertion greater than that nor-
manally required by the employee’s work efforts, was not intended to preclude a doctor
determining causation, from considering whether the employee was engaged in usual
work at the time of injury. However, the doctor should not automatically conclude
that an injured employee is insured while performing a task previously performed on
a basis that the injury was caused by the employee’s condition rather than

When a herniated disc was diagnosed within a few days after the claimed injury, the
evidence did not justify the department’s finding that the employee did not meet
the burden of proof. Erickson v. DILHR, 49 Wis. 2d 114, 181 N.W.2d 495 (1970).

The Department of Industry, Labor and Human Relations cannot divide liability
for compensation among successive employers for the effects of successive injuries
in the absence of evidence to sustain a finding that the disability arose from the suc-
cessive injuries, nor can it assu[c]e all against one employer and apportionability equally among each
employee. Where there is no evidence to support a finding that the injury or injuries contributed to the disability that
now exists,

Semons Department Store v. DILHR, 50 Wis. 2d 518, 184 N.W.2d 871 (1971).

While susceptibility to further injury does not necessarily establish a permanent
disability within the “as is” doctrine, an employee’s predisposition to injury does not
relieve a present employer from liability if the employee becomes injured due to
the employment even though the injury may not have caused disability in another person.

Semons Department Store v. DILHR, 50 Wis. 2d 518, 184 N.W.2d 871 (1971).

A salesperson on a trip who deviated to the extent of spending several hours in a
tavern before being killed on his ordinary route home may have been in the course
of employment, in which case his estate would be entitled to compensation. Leger
v. DILHR, 50 Wis. 2d 561, 185 N.W.2d 300 (1971).

A wife cannot assert a separate and independent cause of action against her hus-
bond’s employer for loss of consortium due to injuries sustained by the husband in
an industrial accident covered by this chapter. Rosencrans v. Wisconsin Telephone
Co., 54 Wis. 2d 124, 194 N.W.2d 643 (1972).

A commission finding that the deceased was performing services when killed
while walking on a Milwaukee street at 3 a.m. while intoxicated was sustained.
Phillips v. DILHR, 56 Wis. 2d 569, 202 N.W.2d 249 (1972).

A members of a partnership are the employees of the partnership. An
employee cannot bring a 3rd–party action against a member of the employing part-
nership. Candler v. Hardware Dealers Mutual Insurance Co., 57 Wis. 2d 85, 203
N.W.2d 689 (1973).

A salesperson, employed on a part–salary and part–commission basis, who trav-
elled each day from his home, servicing and soliciting orders within a prescribed terri-
tory, using a delivery truck furnished by his employer whose office he was not
required to report to, was performing services incidental to employment when he fell
on his icy driveway going to his delivery truck to leave for his first call. Black River
Delicatessen, Inc. v. DILHR, 375 N.W.2d 207 (1985).

Since the decedent’s employment status for services rendered in this state was
substantially and not transitory, and the relationship was not interrupted by cessation of
work with the Wisconsin employer by the decedent in the Wisconsin environment,
there were enough factors to support an inference of benefits on the employer’s confliction testimony that during the year in which the
citizen met his death his working time in Wisconsin had been reduced to 10 per-
cent, in contrast to DILHR, 62 Wis. 2d 212, 214 N.W.2d 338 (1973).

Under sub. (1) (f), no purpose of the employer was served by an extended deviation
to test road conditions in bad weather to determine if visiting a boyfriend or going on
a hunting trip the next day would be feasible, nor was it a reasonably necessary for
living or incidental thereto. Hunter v. DILHR, 64 Wis. 2d 97, 218 N.W.2d 314 (1974).

Under the four–element test for deciding whether a worker was a loaned or special
employee, the 1st element, actual or implied consent to work for the special employer,
was negated by the existence of a work order providing that the plaintiff would not
be employed by the special employer for a period of 90 days, and by the absence of
any evidence indicating compliance. In the plaintiff was not an employee at the time of the accident. Nelson v. L. & J. Press Corp., 65
Wis. 2d 770, 223 N.W.2d 607 (1974).

Nontraumatically caused mental injury is compensable only if it results from a situ-
ation of greater dimensions than the day–to–day mental stresses and tensions that all
employees must experience. Swiss Colony, Inc. v. DILHR, 72 Wis. 2d 46, 240
N.W.2d 278 (1976).

the worker’s compensation act against the employer when the employer denied liabil-

The doctrines of required travel, dual purpose, personal comfort, and special mis-

sion were involved in Lentz v. Young, 82 Wis. 2d 294, 262 N.W.2d 595 (1978).

The personal comfort doctrine did not apply to an employee while going to lunch off the employer’s premises and not during specific working hours; a denial of ben-

efit was affirmed where cutting his meal in half. Marmolejo v. DLIR, 92 Wis. 2d 674, 285 N.W.2d 650 (1979).

The presumption in favor of traveling employees does not modify the requirements for employer liability. Goranson v. DLIR, 94 Wis. 2d 537, 289 N.W.2d 270 (1980).

Stepper v. DLIR, 83 Wis. 2d 174, 239 N.W.2d 622 (1976).

The provision for an employer of alleged negligent medical care to an employee injure

Repeated work-related back trauma was compensable as an occupational disease. Shelly Mutual Insurance Co. v. DLIR, 109 Wis. 2d 655, 327 N.W.2d 178 (Cl. App. 1982).

Injury due to horseplay was compensable. The “positional risk” doctrine applied. That doctrine provides that an accident arises out of employment when the connect-

tion between employment and the accident is such that the obligations of the employ-

ee under the “dual persona” doctrine are answered. The 3 elements are: 1) consent by the employee; 2) entry by the employee into the place at the time the employee is injured, by a force not personal to him or her. Bruns Volkswagen, Inc. v. DLIR, 110 Wis. 2d 319, 328 N.W.2d 886 (Cl. App. 1982).

The horseplay was barred when the decedent jokingly placed his head inside a mold compression machine and accidentally started it. Niberg v. DLIR, 115 Wis. 2d 606, 340 N.W.2d 918 (Cl. App. 1983).

Affirmed. 120 Wis. 2d 375, 355 N.W.2d 532 (1984).

An employer who provided an injury to another was an active work-related participant in the tragedy, resulting nontraumatic psychic injury was compensable. International Harvester v. LIRC, 116 Wis. 2d 298, 341 N.W.2d 721 (Cl. App. 1983).

An employee injured by machinery manufactured by a corporation that had merged with the employer prior to the accident could recover in tort against the employer under the “dual persona” doctrine. Schweiner v. Hartford Accident & Indemnity Co., 228 Wis. 2d 337, 593 N.W.2d 1 (Cl. App. 1998).

Under the “positional risk” doctrine, the murder of an employee by a coemployee off work premises was an injury arising out of employment. Applied Plastics, Inc. v. LIRC, 121 Wis. 2d 271, 359 N.W.2d 168 (Cl. App. 1988).

Work-related injury arising from an injury to another that was a work-related incident to employment under sub. (1) (c) 1. when he left the workplace to seek medical care. Jenson v. LIRC, 178 Wis. 2d 153, 503 N.W.2d 582 (Ct. App. 1993).

A parent corporation can be liable as a 3rd-party tortfeasor to an employee of a sub-

sidiary when the parent negligently undertakes to render services to the subsidiary that the parent does not perform. Jenson v. LIRC, 178 Wis. 2d 153, 503 N.W.2d 582 (1993).

A connection between employment and a personal deviation must be answered. The 3 elements are: 1) consent by the employee; 2) entry by the employee upon work for the purpose of performing personal services incidental to employment, which refers to the time, place, and circumstances of the work. The distinction between employee control to perform certain acts and consent to enter into a new employment relationship is significant. Borneman v. Corwyn Transport, Ltd., 219 Wis. 2d 346, 580 N.W.2d 253 (1998), 96−2011.

Under sub. (1) (c) 2., there is a presumption that a travelling employee performs serv-

ices incidental to employment at all times on a trip. The burden of proving a personal deviation on the trip is on the asserting party. The burden of proving that the deviation from human beings at the risk of being charged with deviating from employment. Cohn v. Apogee, Inc., 225 Wis. 2d 815, 593 N.W.2d 921 (Cl. App. 1999), 97−3817.

An “injury” is defined as any physical injury to an employee arising from a work-related injury that plays any role in a second injury is properly considered a substantial factor in the re-injury. To find a work-related injury not a factor in a sec-

ond injury, it must be found that the claimant would have suffered the same injury, to the same extent, despite the first injury. Id. at 385, 593 N.W.2d 451 (Ct. App. 1999), 94−3335.

But see Peterson v. Arlington Hospitality Staffing, Inc., 2004 WI App 199, 276 Wis. 2d 746, 689 N.W.2d 61, 03−2811.

An “injury” must prove unusual stress in order to receive benefits for a nervous disability that resulted from emotional stress. Milwaukee v. LIRC, 205 Wis. 2d 255, 556 N.W.2d 340 (Cl. App. 1996), 95−0541.

An assault under sub. (2) must be more than verbal; it must be physical. Jenson v. LIRC, 224 Wis. 2d 159, 598 N.W.2d 558 (1997), 94−0763.

The elements of proof placed on claimant alleging physical injury as a result of employment stress in the workplace requires that work activity precipitate, aggravate, or accelerate beyond normal progression a progressively deteriorating or degenera-
tive condition. Unlike emotional injury in the stress, showing “unusual stress” is not required. UPS v. Lust, 208 Wis. 2d 956, 580 N.W.2d 301 (Cl. App. 1997), 96−0137.

The exclusive remedy provision in sub. (2) does not bar a claimant whose claim is covered by worker’s compensation from pursuing an employment discrimination claim under the Fair Employment Practice Act, sub. (2) of ch. 111. Byers v. LIRC, 208 Wis. 2d 388, 561 N.W.2d 678 (1997), 95−2400.

An employee terminated for misrepresenting his or her medical condition while receiving disability benefits for a work-related injury is not entitled to benefits. Brakkebros Brothers, Inc. v. LIRC, 210 Wis. 2d 623, 563 N.W.2d 512 (1997), 95−2866.

An assault under sub. (1) (d) is not a work-related injury that plays any role in a second injury is properly considered a substantial factor in the re-injury. To find a work-related injury not a factor in a sec-

ond injury, it must be found that the claimant would have suffered the same injury, to the same extent, despite the first injury. Id. at 385, 593 N.W.2d 451 (Ct. App. 1999), 94−3335.

But see Peterson v. Arlington Hospitality Staffing, Inc., 2004 WI App 199, 276 Wis. 2d 746, 689 N.W.2d 61, 03−2811.

The “dual persona” doctrine is adopted, replacing the “dual capacity” doctrine. A work-related injury that plays any role in a second injury is properly considered a substantial factor in the re-injury. To find a work-related injury not a factor in a sec-

ond injury, it must be found that the claimant would have suffered the same injury, to the same extent, despite the first injury. Id. at 385, 593 N.W.2d 451 (Ct. App. 1999), 94−3335.

Under sub. (2), recovery of compensation is the exclusive remedy against a work- 
er’s compensation carrier and the carrier’s agents. Walstrom v. Gallagher Bassett Ser- 
vices, Inc., 2000 WI App 247, 239 Wis. 2d 473, 629 N.W.2d 223, 06−1334. When the employer’s multiple duties at a tavern were irrelevant when the employee was injured while engaged in a later activity reasonably nec- essary to living. Under s. 102.38, intoxication does not defeat a worker’s compensa- tion claim. Metz v. Podgur, 2001 WI 33, 231 Wis. 2d 142, 605 N.W.2d 602, 05−2610. Under the private errand doctrine, if a person in authority over the employee asks the employee to perform a service for the personal benefit of the employee, the employ- 
er’s superior and the employee is injured while performing the task, the injury was not a 
result of the position in which the employee was engaged. The primary purpose of the 
private errand doctrine is to prevent the employer from shifting the risk of compensation 
for workplace injuries to the employee. However, the doctrine is broad to the extent 
that it covers activity that is fruitless or a personal errand for the employee. When the 
employee is injured while engaged in a task not related to the employer’s business, 
the doctrine does not apply. Peterson v. Arlington Hospitality Staffing, Inc., 2010 
WI App 51, 332 Wis. 2d 648, 797 N.W.2d 865, 10−1888.

The fact that an injured employer entered into a compromise agreement with his 
employer, the exclusive remedy provision under sub. (2) precludes the injured 
employer from bringing a subsequent negligence action against a fellow employee 
for the injuries that were subject of the worker’s compensation claim. Martine v. 
Williams, 2011 WI App 68, 333 Wis. 2d 203, 799 N.W.2d 449, 10−1426. The legal corollary to sub. (1) (c) 3. is that an employee is performing services 
growing out of and incidental to employment if the employee’s injuries occur while 
participating in a well−being program, event, or activity that is not voluntary or for 
the purpose of receiving compensation. An employee was performing push−ups at 
his residence in preparation for a mandatory fitness test, for which extra pay could be 
awarded for excellence and discipline imposed for failure, was reason- 
ably found to be performing an activity that was incidental to employment. 

The following shall constitute employers subject to the provisions of this chapter, 
within the meaning of s. 102.03:

(a) The state and each local governmental unit in this state.

(b) 1. Every person who usually employs 3 or more employees for services performed in this state, whether in one or more trades, businesses, professions, or occupations, and whether in one or more locations.

2. Every person who usually employs less than 3 employees, provided the person has paid wages of $500 or more in any calendar quarter for services performed in this state. Such employer

2017–18 Wisconsin Statutes. Published and certified under s. 35.18. Changes effective after July 14, 2020, are designated by NOTES. (Published 7–14–20)
shall become subject on the 10th day of the month next succeeding such quarter.

3. This paragraph shall not apply to farmers or farm labor.

(c) Every person engaged in farming who on any 20 consecutive or nonconsecutive days during a calendar year employs 6 or more employees, whether in one or more locations. The provisions of this chapter shall apply to such employer 10 days after the twentieth such day.

(d) Every joint venture electing under s. 102.28 (2) (a) to be an employer.

(e) Every person to whom pars. (a) to (d) are not applicable, who has any person in service under any contract of hire, express or implied, oral or written, and who, at or prior to the time of the injury to the employee for which compensation may be claimed, shall, as provided in s. 102.05, have elected to become subject to the provisions of this chapter, and shall not, prior to such accident, have effected a withdrawal of such election.

(2) Except with respect to a partner or member electing under s. 102.075, members of partnerships or limited liability companies shall not be counted as employees. Except as provided in s. 102.07 (5) (a), a person under contract of hire for the performance of any service for any employer subject to this section is not the employer of any other person with respect to that service, and that other person shall, with respect to that service, be an employee only of the employer for whom the service is being performed.

(2m) A temporary help agency is the employer of an employee whom the temporary help agency has placed with or leased to another employer that compensates the temporary help agency for the employee’s services. A temporary help agency is liable under s. 102.03 for all compensation and other payments payable under this chapter to or with respect to that employee, including any payments required under s. 102.16 (3), 102.18 (1) (b) 3. or (bp), 102.22 (1), 102.35 (3), 102.57, or 102.60. Except as permitted under s. 102.29, a temporary help agency may not seek or receive reimbursement from another employer for any payments made as a result of that liability.

(2r) For purposes of this chapter, a franchisor, as defined in 16 CFR 436.1 (k), is not considered to be an employer of a franchisee, as defined in 16 CFR 436.1 (l), or of an employee of a franchisee, unless any of the following applies:

(a) The franchisor has agreed in writing to assume that role.

(b) The franchisor has been found by the department or the division to have exercised a type or degree of control over the franchisee or the franchisee’s employees that is not customarily exercised by a franchisor for the purpose of protecting the franchisor’s trademarks and brand.

(3) As used in this chapter “farming” means the operation of farm premises owned or rented by the operator. “Farm premises” means areas used for operations herein set forth, but does not include other areas, greenhouses or other similar structures unless used principally for the production of food and farm plants. “Farmer” means any person engaged in farming as defined. Operation of farm premises shall be deemed to be the planting and cultivating of the soil thereof; the raising and harvesting of agricultural, horticultural or arboricultural crops thereof; the raising, breeding, tending, training and management of livestock, bees, poultry, fur-bearing animals, wildlife or aquatic life, or their products, thereof; the processing, drying, packing, packaging, freezing, grading, storing, delivering to storage, to market or to a carrier for transportation to market, distributing directly to consumers or marketing any of the above-named commodities, substantially all of which have been planted or produced thereof; the clearing of such premises and the salvaging of timber and management and use of wood lots thereof, but not including logging, lumbering or wood cutting operations unless conducted as an accessory to other farming operations; the managing, conserving, improving and maintaining of such premises or the tools, equipment and improvements thereof and the exchange of labor, services or the exchange of use of equipment with other farmers in pursuing such activities. The operation for not to exceed 30 days during any calendar year, by any person deriving the person’s principal income from farming, of farm machinery in performing farming services for other farmers for a consideration other than exchange of labor shall be deemed farming. Operation of such premises shall be deemed to include also any other activities commonly considered to be farming whether conducted on or off such premises by the farm operator.

When an employee simultaneously performs service for 2 employers under their joint control and the service for each is the same or closely related, both employers are liable for worker’s compensation. Insurance Co. of North America v. DILHR, 2d Cir., 173 N.W.2d 192 (1970).

A franchisor’s worker’s compensation jurisprudence clearly recognizes that an in-state injury in the course of employment will give rise to coverage under the act. When an out-of-state employer employs an out-of-state employee to Wisconsin and the employee is injured or killed in Wisconsin in the course of employment, Wisconsin’s act is applicable. Therefore, a coemployer has no liability for the employee’s death and the coemployer’s insurers were properly dismissed from the case. Estate of Torres v. Empire Fire and Marine Insurance Company, 2008 WI App 113, 313 Wis. 2d 371, 756 N.W.2d 662, 07−1519.

The county was found to be the employer, for worker’s compensation purposes, of a care giver for a service recipient under the long-term support community options waiver program under s. 46.27 (11). County of Barron v. Labor and Industry Review Commission, 2010 WI App 149, 383 Wis. 2d 203, 792 N.W.2d 584, 09−1845.

Using dictionary definitions of “usually” in sub. (1) (b) 1., an “employer” is a person or organization that is responsible for or has control over another person, who ordinarily, customarily, or habitually employs 3 or more employees, or who more often than not employs 3 or more employees. Noyce v. Aggressive Metals, Inc. 2005 WI App 88, 371 Wis. 2d 548, 885 N.W.2d 150, 14−2143.

Under sub. (2m), the employee’s “employer” was the temporary help agency that the defendant compensated for the employee’s services. The exclusive remedy provision under s. 102.03 (2) therefore precluded the employee’s estate from bringing tort claims against the temporary help agency but did not prohibit the estate from pursuing tort claims against the defendant and its insurer. Erf v. West Bend Mutual Insurance Company, 2018 WI App 14, 380 Wis. 2d 138, 908 N.W.2d 866, 17−0142.
2. Any person whose employment is not in the course of a trade, business, profession or occupation of the employer, unless as to any of said classes, the employer has elected to include them.

(b) Par. (a) 2. shall not operate to exclude an employee whose employment is in the course of any trade, business, profession or occupation of the employer, however casual, unusual, desultory or isolated the employer’s trade, business, profession or occupation may be.

(4m) For the purpose of determining the number of employees to be counted under s. 102.04 (1) (b), but for no other purpose, a member of a religious sect is not considered to be an employee if the conditions specified in s. 102.28 (3) (b) have been satisfied with respect to that member.

(5) For the purpose of determining the number of employees to be counted under s. 102.04 (1) (c), but for no other purpose, the following definitions shall apply:

(a) Farmers or their employees working on an exchange basis shall not be deemed employees of a farmer to whom their labor is furnished in exchange.

(b) The parents, spouse, child, brother, sister, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law, or sister-in-law of a farmer shall not be deemed the farmer’s employees.

(c) A shareholder-employee of a family farm corporation shall be deemed a “farmer” for purposes of this chapter and shall not be deemed an employee of a farmer. A “family farm corporation” means a corporation engaged in farming all of whose shareholders are related as lineal ancestors or lineal descendants, whether by blood or by adoption, or as spouses, brothers, sisters, uncles, aunts, cousins, sons-in-law, daughters-in-law, fathers-in-law, mothers-in-law, brothers-in-law or sisters-in-law of such lineal ancestors or lineal descendants.

(d) A member of a religious sect is not considered to be an employee of a farmer if the conditions specified in s. 102.28 (3) (b) have been satisfied with respect to that member.

(7) (a) Every member of a volunteer fire company or fire department organized under ch. 213, a legally organized rescue squad, or a legally organized diving team is considered to be an employee of that company, department, squad, or team. Every member of a company, department, squad, or team described in this paragraph, while serving as an auxiliary police officer at an emergency, is also considered to be an employee of that company, department, squad, or team. If a company, department, squad, or team described in this paragraph has not insured its liability for compensation to employees, the political subdivision within which that company, department, squad, or team was organized shall be liable for that compensation.

(b) The department may issue an order under s. 102.31 (1) (b) permitting the county within which a volunteer fire company or fire department organized under ch. 213, a legally organized rescue squad, an ambulance service provider, as defined in s. 256.01 (3), or a legally organized diving team is organized to assume full liability for the compensation provided under this chapter of all volunteer members of that company, department, squad, provider or team.

Cross-reference: See also s. DWD 80.30. Wis. adm. code.

(7m) An employee, volunteer, or member of an emergency management program is considered an employee for purposes of this chapter as provided in s. 323.40, a member of a regional emergency response team who is acting under a contract under s. 323.70 (2) is considered an employee of the state for purposes of this chapter as provided in s. 323.70 (5), and a practitioner is considered an employee of the state for purposes of this chapter as provided in s. 257.03.

(a) Except as provided in pars. (b) and (bm), every independent contractor is, for the purpose of this chapter, an employee of any employer under this chapter for whom he or she is perform-
ing service in the course of the trade, business, profession or occupation of such employer at the time of the injury.

(b) An independent contractor is not an employee of an employer for whom the independent contractor performs work or services if the independent contractor meets all of the following conditions:

1. Maintains a separate business with his or her own office, equipment, materials and other facilities.
2. Holds or has applied for a federal employer identification number with the federal internal revenue service or has filed business or self-employment income tax returns with the federal internal revenue service based on that work or service in the previous year.
3. Operates under contracts to perform specific services or work for specific amounts of money and under which the independent contractor controls the means of performing the services or work.
4. Incurs the main expenses related to the service or work that he or she performs under contract.
5. Is responsible for the satisfactory completion of work or services that he or she contracts to perform and is liable for a failure to complete the work or service.
6. Receives compensation for work or service performed under a contract on a commission or per job or competitive bid basis and not on any other basis.
7. May realize a profit or suffer a loss under contracts to perform work or service.
8. Has continuing or recurring business liabilities or obligations.
9. The success or failure of the independent contractor’s business depends on the relationship of business receipts to expenditures.

(bm) A real estate broker or salesperson who is excluded under s. 452.38 is not an employee of a firm, as defined in s. 452.01 (4w), for whom the real estate broker or salesperson performs services unless the firm elects under s. 102.078 to name the real estate broker or salesperson as its employee.

(c) The division may not admit in evidence any state or federal law, regulation, or document granting operating authority, or license when determining whether an independent contractor meets the conditions specified in par. (b) 1. or 3.

(8m) An employer who is subject to this chapter is not an employee of another employer for whom the first employer performs work or service in the course of the other employer’s trade, business, profession or occupation.

(9) Members of the national guard and state defense force, when on state active duty under direction of appropriate authority, but only in case federal laws, rules or regulations provide no benefits substantially equivalent to those provided in this chapter.

(10) Further to effectuate the policy of the state that the benefits of this chapter shall extend and be granted to employees in the service of the state, or of any local governmental unit in this state, on the same basis, in the same manner, under the same conditions, and with like right of recovery as in the case of employees of persons, firms, or private corporations, any question whether any person is an employee under this chapter shall be governed by and determined under the same standards, considerations, and rules of decision in all cases under subs. (1) to (9). Any statute, ordinance, or rule that may be otherwise applicable to the classes of employees enumerated in sub. (1) shall not be controlling in deciding whether any person is an employee for the purposes of this chapter.

(11) The department may by rule prescribe classes of volunteer workers who may, at the election of the person for whom the service is being performed, be deemed to be employees for the purposes of this chapter. Election shall be by endorsement upon the worker’s compensation insurance policy with written notice to the department. In the case of an employer exempt from insur-
ticular disaster and the state employee during the leave of absence provides services related to assisting the unit of government.

(b) The American Red Cross specifies in its written request under s. 230.35 (3) (e) 2. c. that it has been requested to provide assistance outside of this state in a particular disaster and there exists between the state of Wisconsin and the state in which the services are to be provided a mutual aid agreement, entered into by the governor, which specifies that the state of Wisconsin and the other state may assist each other in the event of a disaster and which contains provisions addressing worker’s compensation coverage for the employees of the other state who provide services in Wisconsin.

(17m) A participant in a trial employment match program job under s. 49.147 (3) is an employee of any employer under this chapter for whom the participant is performing service at the time of the injury.

(18) A participant in a community service job under s. 49.147 (4) or a transitional placement under s. 49.147 (5) is an employee of the Wisconsin works agency, as defined under s. 49.001 (9), for the purposes of this chapter, except to the extent that the person for whom the participant is performing work provides worker's compensation.

(20) An individual who is performing services for a person participating in the self-directed services option, as defined in s. 46.2809 (1), for a person receiving long-term care benefits under s. 49.177 or under any child's long-term care waiver program on a self-directed basis, or for a person receiving the Family Care benefit, as defined in s. 46.2805 (4), or benefits under the Family Care Partnership program, as described in s. 49.496 (1) (bk) 3., on a self-directed basis and who does not otherwise have worker’s compensation coverage for those services is considered to be an employee of the entity that is providing financial management services for that person.

102.076 Election by corporate officer. (1) Not more than 2 officers of a corporation having not more than 10 stockholders may elect not to be subject to this chapter. If the corporation has been issued a policy of worker’s compensation insurance, an officer of the corporation may elect not to be subject to this chapter and not to be covered under the policy at any time during the period of the policy. Except as provided in sub. (2), the election shall be made by an endorsement, on the policy of worker’s compensation insurance issued to that corporation, naming each officer who has so elected. The election is effective for the period of the policy and may not be reversed during the period of the policy. An officer who so elects is an employee for the purpose of determining whether the corporation is an employer under s. 102.04 (1) (b).

(2) If a corporation has not more than 10 stockholders, not more than 2 officers and no other employees and is not otherwise required under this chapter to have a policy of worker’s compensation insurance, an officer of that corporation who elects not to be subject to this chapter shall file a notice of that election with the department on a form approved by the department. The election is effective until the officer rescinds it by notifying the department in writing.

History:

102.077 Election by school district or private school.

(1) A school district, private school, or institution of higher education may elect to name as its employee for purposes of this chapter a student described in s. 102.07 (12m) (b) by an endorsement on its policy of worker’s compensation insurance or, if the school district, private school, or institution of higher education is exempt from the duty to insure under s. 102.28 (2) (a), by filing a declaration with the department in the manner provided in s. 102.31 (2) (a) naming the student as an employee of the school district, private school, or institution of higher education for purposes of this chapter. A declaration under this subsection shall list the name of the student to be covered under this chapter, the name and address of the employer that is providing the work training or work experience for that student, and the title, if any, of the work training, work experience, or work study program in which the student is participating.

(2) A school district, private school, or institution of higher education may revoke a declaration under sub. (1) by providing written notice to the department in the manner provided in s. 102.31 (2) (a), the student, and the employer who is providing the work training or work experience for that student. A revocation under this subsection is effective 30 days after the department receives notice of that revocation.

102.08 Administration for state employees. The department of administration has responsibility for the timely delivery of benefits payable under this chapter to employees of the state and their dependents and other functions of the state as an employer for federal and state tax purposes.

The department or the division determines appropriate, in the same employment in which earnings can be determined under the methods prescribed by par. (b) and (b), except that the number of hours of the normal full–time workweek shall be the number of working days established by the employer for the class of employees if the number of working days established by the employer for the class of employees if all of the following conditions are met:

1. The employer is a member of a regularly–scheduled class of part–time employees, average weekly earnings shall be determined under the methods prescribed in par. (a), except that the number of hours of the normal working day and the number of weeks and days of the normal work week shall be the hours and days established by the employer for that class.

2. The minimum and maximum weekly hours regularly scheduled by the employer for the members of the class during the 13 weeks immediately preceding the date of the injury shall vary by no more than 5 hours. Subject to this requirement, the members of the class do not need to work the same days or the same shifts to be considered members of a regularly–scheduled class of part–time employees.

3. At least 10 percent of the employer’s workforce doing the same type of work are members of the class.

4. The class consists of more than one employee.

(b) In case of seasonal employment, average weekly earnings shall be determined under the methods prescribed in par. (a), except that the number of hours of the normal full–time workday and the number of days of the normal full–time workweek shall be the hours and the days in similar service in the same or similar nonseasonal employment. Seasonal employment shall mean employment that can be conducted only during certain times of the year, and in no event shall employment be considered seasonal if it extends during a period of more than fourteen weeks within a calendar year.

(c) In the case of a person performing service without fixed earnings, or when normal full–time days or weeks are not maintained by the employer in the employment in which the employee worked when injured, or when, for other reason, earnings cannot be determined under the methods prescribed by par. (a) or (b), the earnings of the injured person shall, for the purpose of calculating compensation payable under this chapter, be taken to be the usual going earnings paid for similar services on a normal full–time basis in the same or similar employment in which earnings can be determined under the methods set out in par. (a) or (b).

102.11 Earnings, method of computation. (1) The average weekly earnings for temporary disability, permanent total disability, or death benefits for injury in each calendar year on or after January 1, 1982, shall be not less than $30 nor more than the wage rate that results in a maximum compensation rate of 110 percent of the state’s average weekly earnings as determined under s. 102.08 (2) (a) and (b) as of June 30 of the previous year. The weekly average earnings for permanent partial disability shall be not less than $30 and, for permanent partial disability for injuries occurring on or after March 2, 2016, and before January 1, 2017, not more than $513, resulting in a maximum compensation rate of $342, and, for permanent partial disability for injuries occurring on or after January 1, 2017, not more than $543, resulting in a maximum compensation rate of $362. Between such limits the average weekly earnings shall be determined as follows:

(a) 1. Daily earnings shall mean the daily earnings of the employee at the time of the injury in the employment in which the employee was then engaged. In determining daily earnings under this subdivision, any hours worked beyond the normal full–time working day as established by the employer, whether compensated at the employee’s regular rate of pay or at an increased rate of pay, shall not be considered.

2. a. In this subdivision, “part time for the day” means Saturday half days and any other day during which an employee works less than the normal full–time working hours established by the employer.

b. If at the time of the injury the employee is working part time for the day, the employee’s daily earnings shall be arrived at by dividing the amount received, or to be received by the employee for such part–time service for the day, by the number of hours and fractional hours of the part–time service, and multiplying the result by the number of hours of the normal full–time working day established by the employer for the employment involved.

3. The average weekly earnings shall be arrived at by multiplying the employee’s hourly earnings by the hours in the normal full–time workweek as established by the employer, or by multiplying the employee’s daily earnings by the number of days and fractional days in the normal full–time workweek as established by the employer, at the time of the injury in the business operation of the employer for the particular employment in which the employee was engaged at the time of the employee’s injury, whichever is greater.

4. It is presumed, unless rebutted by reasonably clear and complete documentation, that the normal full–time workweek established by the employer is 24 hours for a flight attendant, 56 hours for a fire fighter, and not less than 40 hours for any other employee. If the employer has established a multi–week schedule with regular hours alternating between weeks, the normal full–time workweek is the average number of hours worked per week under the multi–week schedule.

(a) In the case of an employee who is a member of a regularly–scheduled class of part–time employees, average weekly earnings shall be determined under the methods prescribed in par. (a), except that the number of hours of the normal working day and the number of working days and weeks of the normal work week shall be the hours and days established by the employer for that class.

(b) In case of seasonal employment, average weekly earnings shall be determined under the methods prescribed in par. (a), except that the number of hours of the normal full–time working day and the number of days of the normal full–time workweek shall be the hours and the days in similar service in the same or similar nonseasonal employment. Seasonal employment shall mean employment that can be conducted only during certain times of the year, and in no event shall employment be considered seasonal if it extends during a period of more than fourteen weeks within a calendar year.

(c) In the case of a person performing service without fixed earnings, or when normal full–time days or weeks are not maintained by the employer in the employment in which the employee worked when injured, or when, for other reason, earnings cannot be determined under the methods prescribed by par. (a) or (b), the earnings of the injured person shall, for the purpose of calculating compensation payable under this chapter, be taken to be the usual going earnings paid for similar services on a normal full–time basis in the same or similar employment in which earnings can be determined under the methods set out in par. (a) or (b).
102.12 Statement of employee. If an employee provides to the employer or the employer’s insurer a signed statement relating to a claim for compensation by the employee, the employer or insurer shall provide a copy of the statement to the employee within a reasonable time after the statement is made. If an employer or insurer uses a recording device to take a statement from an employee relating to a claim for compensation by the employee, the employer or insurer, on the request of the employee or the employee’s attorney or other authorized agent of the employee, shall provide to the claimant the statement to writing and provide a written copy of the entire statement to the employee, attorney, or agent within a reasonable time after the statement is taken. The employer or insurer shall also make the actual recording of the statement available as an exhibit if a hearing on the claim is held. An employer or insurer that fails to provide an employee with a copy of the employee’s statement as required by this section or that fails to make available as an exhibit the actual recording of a statement recorded by a recording device as required by this section may not use that statement in any manner in connection with the employee’s claim for compensation.

History: 2001 a. 37.

102.125 Fraud reporting, investigation, and prosecution. (1) FRAUDULENT CLAIMS REPORTING AND INVESTIGATION. If an insurer or self−insured employer has evidence that a claim is false or fraudulent in violation of s. 943.395 and if the insurer or self−insured employer is satisfied that reporting the claim to the department of workforce development will not impede its ability to defend the claim, the insurer or self−insured employer shall report the claim to the department. The department may require an insurer or self−insured employer to investigate an allegedly false or fraudulent claim and may provide the insurer or self−insured employer with any records of the department relating to that claim. An insurer or self−insured employer that investigates a claim under this subsection shall report on the results of that investigation to the department.

(2) ASSISTANCE BY DEPARTMENT OF JUSTICE. The department of workforce development may request the department of justice to assist the department of workforce development in an investigation under sub. (1) or in the investigation of any other suspected fraudulent activity on the part of an employer, employee, insurer, health care provider, or other person related to worker’s compensation.

(3) PROSECUTION. If based on an investigation under sub. (1) or (2) the department has a reasonable basis to believe that a violation of s. 943.20, 943.38, 943.39, 943.392, 943.395, 943.40, or any other criminal law has occurred, the department shall refer the results of the investigation to the department of justice or to the district attorney of the county in which the alleged violation occurred for prosecution.

102.13 Examination; competent witnesses; exclusion of evidence; autopsy. (1) Except as provided in sub. (4), whenever compensation is claimed by an employee, the employee shall, upon the written request of the employee’s employer or worker’s compensation insurer, submit to reasonable examina−
tions by physicians, chiropractors, psychologists, dentists, physician assistants, advanced practice nurse prescribers, or podiatrists provided and paid for by the employer or insurer. No employee who submits to an examination under this paragraph is a patient of the examining physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist for any purpose other than for the purpose of bringing an action under ch. 655, unless the employee specifically requests treatment from that physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist.

(3) When compensation is claimed for loss of earning capacity under s. 102.44 (2) or (3), the employee shall, on the written request of the employee’s employer or insurer, submit to reasonable examinations by vocational experts provided and paid for by the employer or insurer.

(b) An employer or insurer who requests that an employee submit to a reasonable examination under par. (a) or (am) shall tender to the employee, before the examination, all necessary expenses including transportation expenses. The employee is entitled to have a physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist provided by himself or herself present at the examination and to receive a copy of all reports of the examination that are prepared by the examining physician, chiropractor, psychologist, podiatrist, dentist, physician assistant, advanced practice nurse prescriber, or vocational expert immediately upon receipt of those reports by the employer or worker’s compensation insurer. The employee is also entitled to have a translator provided by himself or herself present at the examination if the employee has difficulty speaking or understanding the English language. The employee’s or insurer’s written request for examination shall notify the employee of all of the following:

1. The proposed date, time, and place of the examination and the identity and area of specialization of the examining physician, chiropractor, psychologist, dentist, podiatrist, physician assistant, advanced practice nurse prescriber, or vocational expert.

2. The procedure for changing the proposed date, time, and place of the examination.

3. The employee’s right to have his or her physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist present at the examination.

4. The employee’s right to receive a copy of all reports of the examination that are prepared by the examining physician, chiropractor, psychologist, podiatrist, dentist, physician assistant, advanced practice nurse prescriber, or vocational expert immediately upon receipt of these reports by the employer or worker’s compensation insurer.

5. The employee’s right to have a translator provided by himself or herself present at the examination if the employee has difficulty speaking or understanding the English language.

(c) So long as the employee, after a written request of the employer or insurer that complies with par. (b), refuses to submit to or in any way obstructs the examination, the employee’s right to begin or maintain any proceeding for the collection of compensation is suspended, except as provided in sub. (4). If the employee refuses to submit to the examination after direction by the department, the division, or an examiner, or in any way obstructs the examination, the employee’s right to the weekly indemnity that accrues and becomes payable during the period of that refusal or obstruction, is barred, except as provided in sub. (4).

(d) Subject to par. (e):

1. Any physician, chiropractor, psychologist, dentist, podiatrist, physician assistant, advanced practice nurse prescriber, or vocational expert who is present at any examination under par. (a) or (am) may be required to testify as to the results of the examination.

2. Any physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist who attended a worker’s compensation claimant for any condition or complaint reasonably related to the condition for which the claimant claims compensation may be required to testify before the division when the division so directs.

3. Notwithstanding any statutory provisions except par. (e), any physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist attending a worker’s compensation claimant for any condition or complaint reasonably related to the condition for which the claimant claims compensation may furnish to the employee, employer, worker’s compensation insurer, department, or division information and reports relative to the compensation claim.

4. The testimony of any physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist who is licensed to practice where he or she resides or practices in any state and the testimony of any vocational expert may be received in evidence in compensation proceedings.

(e) No person may testify on the issue of the reasonableness of the fees of a licensed health care professional unless the person is licensed to practice the same health care profession as the professional whose fees are the subject of the testimony. This paragraph does not apply to the fee dispute resolution process under s. 102.16 (2).

(f) If an employee claims compensation under s. 102.81 (1), the department or the division may require the employee to submit to physical or vocational examinations under this subsection.

(2) An employee who reports an injury alleged to be work-related or files an application for hearing waives any physician–patient, psychologist–patient, or chiropractor–patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding ss. 51.50 and 146.82 and any other law, any physician, chiropractor, psychologist, dentist, podiatrist, physician assistant, advanced practice nurse prescriber, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, worker’s compensation insurer, department, or division, or its representative, provide that person with any information or written material reasonably related to any injury for which the employee claims compensation.

(b) A physician, chiropractor, podiatrist, psychologist, dentist, physician assistant, advanced practice nurse prescriber, hospital, or health service provider shall furnish a legible, certified duplicate of the written material requested under par. (a) in paper format upon payment of the actual costs of preparing the certified duplicate, not to exceed the greater of 45 cents per page or $7.50 per request, plus the actual costs of postage, or shall furnish a legible, certified duplicate of that material in electronic format upon payment of $26 per request. Any person who refuses to provide certified duplicates of written material in the person’s custody that is requested under par. (a) shall be liable for reasonable and necessary costs and, notwithstanding s. 814.04 (1), reasonable attorney fees incurred in enforcing the requester’s right to the duplicates under par. (a).

(c) Except as provided in this paragraph, if an injured employee has a period of temporary disability that exceeds 3 weeks or a permanent disability, if the injured employee has undergone surgery to treat his or her injury, other than surgery to correct a hernia, or if the injured employee sustained an eye injury requiring medical treatment on 3 or more occasions off the employer’s premises, the department may by rule require the insurer or self-insured employer to submit to the department a final report of the employee’s treating practitioner. The department may not require an insurer or self-insured employer to submit to the department a final report of an employee’s treating practitioner when the insurer or self-insured employer denies the employee’s claim for compensation in its entirety and the employee does not contest that denial. A treating practitioner shall complete a final report on a timely basis and may charge a reasonable fee for the completion of the final report, not to exceed...
$100, but may not require prepayment of that fee. An insurer or self-insured employer that disputes the reasonableness of a fee charged for the completion of a treatment practitioner’s final report may submit that dispute to the department for resolution under s. 102.16 (2).

(3) If 2 or more physicians, chiropractors, psychologists, dentists, or podiatrists disagree as to the extent of an injured employee’s temporary disability, the end of an employee’s healing period, an employee’s place of residence, the employer or insurer may request, or the department, the division, or an examiner may review and set aside, modify, or confirm a compromise of the claim within one year after the date on which the compromise is filed with the department, the date on which an award has been entered based on the compromise, or the date on which an application for the department to take any of those actions is filed with the department.

(4) The right of an employee to begin or maintain proceedings for the collection of compensation and to receive weekly indemnities that accrue and become payable shall not be suspended or barred under sub. (1) when an employee refuses to submit to a physical examination, unless the employee has claimed compensation for treatment from a practitioner whose office is located 100 miles or more from the employee’s place of residence, the employer or insurer may request, or the department, the division, or an examiner determines that any other circumstances warrant the examination. If the employee has claimed compensation for treatment from a practitioner whose office is located 100 miles or more from the employee’s place of residence, the employer or insurer may request, or the department, the division, or an examiner may direct, the employee to submit to a physical examination in the area where the employee’s treatment practitioner is located.

(5) The department or the division may refuse to receive testimony as to conditions determined from an autopsy if it appears that the party offering the testimony had procured the autopsy and had failed to make reasonable effort to notify at least one party in adverse interest or the department or the division at least 12 hours before the autopsy of the time and place at which the autopsy would be performed, or that the autopsy was performed by or at the direction of the coroner or medical examiner or at the direction of the district attorney for purposes not authorized under ch. 979. The department or the division may withhold findings until an autopsy is held in accordance with its directions.

102.14 Jurisdiction of department and division; advisory committee. (1) Except as otherwise provided, this chapter shall be administered by the department and the division.

(2) The council on worker’s compensation shall advise the department and the division in carrying out the purposes of this chapter, shall submit its recommendations with respect to amendments to this chapter to each regular session of the legislature, and shall report its views upon any pending bill relating to this chapter to the proper legislative committee. At the request of the chairpersons of the senate and assembly committees on labor, the department shall schedule a meeting of the council with the members of the senate and assembly committees on labor to review and discuss matters of legislative concern arising under this chapter.

102.15 Rules of procedure; transcripts. (1) Subject to this chapter, the division may adopt its own rules of procedure and may change the same from time to time.

(2) The division may provide by rule the conditions under which transcripts of testimony and proceedings shall be furnished.

(3) All testimony at any hearing held under this chapter shall be taken down by a stenographic reporter, except that in case of an emergency, as determined by the examiner conducting the hearing, testimony may be recorded by a recording machine.

102.16 Submission of disputes, contributions by employees. (1) (a) Any controversy concerning compensation or a violation of sub. (3), including a controversy in which the state may be a party, shall be submitted to the department in the manner and with the effect provided in this chapter.

(b) In the case of a claim for compensation with respect to which no application has been filed under s. 102.17 (1) (a) 1. or with respect to which an application has been filed, but the application is not ready to be scheduled for a hearing, the department may review and set aside, modify, or confirm a compromise of the claim within one year after the date on which the compromise is filed with the department, the date on which an award has been entered based on the compromise, or the date on which an application for the department to take any of those actions is filed with the department.

(c) In the case of a claim for compensation with respect to which an application has been filed under s. 102.17 (1) (a) 1., if the application is ready to be scheduled for a hearing, the division may review and set aside, modify, or confirm a compromise of the claim within one year after the date on which the compromise is filed with the department, the date on which an award has been entered based on the compromise, or the date on which an application for the division to take any of those actions is filed with the division.

(d) Unless the word “compromise” appears in a stipulation of settlement, the settlement shall not be considered a compromise, and further claim is not barred except as provided in s. 102.17 (4) regardless of whether an award is made. The employer, insurer, or dependent under s. 102.51 (5) shall have equal rights with the employee to have a compromise or any other stipulation of settlement reviewed under this subsection. Upon petition filed with the department or the division under this subsection, the department or the division may set aside the award or otherwise determine the rights of the parties.

(1m) (a) If an insurer or self-insured employer concedes by compromise under sub. (1) or stipulation under s. 102.18 (1) (a) that the insurer or self-insured employer is liable under this chapter for any health services provided to an injured employee by a health service provider, but disputes the reasonableness of the fee charged by the health service provider, the department or the division may include in its order confirming the compromise or stipulation a determination made by the department under sub. (2) as to the reasonableness of the fee or, if such a determination has not yet been made, the department or the division may notify, or direct the insurer or self-insured employer to notify, the health service provider under sub. (2) (b) that the reasonableness of the fee is in dispute. The department or the division shall deny payment of a health service fee that the department determines under sub. (2) to be unreasonable. A health service provider and an insurer or self-insured employer that are parties to a fee dispute under this paragraph are bound by the department’s determination under sub. (2) on the reasonableness of the disputed fee, unless that determination is set aside, reversed, or modified by the department under sub. (2) (f) or is set aside on judicial review as provided in sub. (2) (f).
(b) If an insurer or self−insured employer concedes by compromise under sub. (1) or stipulation under s. 102.18 (1) (a) that the insurer or self−insured employer is liable under this chapter for any treatment provided to an injured employee by a health service provider, but disputes the necessity of the treatment, the department or the division may include in its order confirming the compromise or stipulation a determination made by the department under sub. (2m) as to the necessity of the treatment or, if such a determination has not yet been made, the department or the division may notify, or direct the insurer or self−insured employer to notify, the health service provider under sub. (2m) (b) that the necessity of the treatment is in dispute. Before determining under sub. (2m) the necessity of treatment provided to an injured employee, the department may, but is not required to, obtain the opinion of an expert selected by the department who is qualified as provided in sub. (2m) (c). The standards promulgated under sub. (2m) (g) shall be applied by an expert and by the department in rendering an opinion as to, and in determining, necessity of treatment under this paragraph. In cases in which no standards promulgated under sub. (2m) (g) apply to the necessity of the treatment, the department or the division shall not apply the standards promulgated under sub. (2m) (g) to that necessity of treatment, unless that determination is set aside, reversed, or modified by the department under sub. (2m) (e) or is set aside on judicial review as provided in sub. (2m) (e).

(c) If an insurer or self−insured employer concedes by compromise under sub. (1) or stipulation under s. 102.18 (1) (a) that the insurer or self−insured employer is liable under this chapter for the cost of a prescription drug dispensed under s. 102.425 (2) for outpatient use by an injured employee, but disputes the reasonableness of the amount charged for the prescription drug, the department or the division may include in its order confirming the compromise or stipulation a determination made by the department under s. 102.425 (4m) as to the reasonableness of the prescription drug charge or, if such a determination has not yet been made, the department or the division may notify, or direct the insurer or self−insured employer to notify, the pharmacist or practitioner dispensing the prescription drug under s. 102.425 (4m) (b) that the reasonableness of the prescription charge is in dispute. The department or the division shall deny payment of a prescription drug charge that the department determines under s. 102.425 (4m) to be unreasonable. A pharmacist or practitioner and an insurer or self−insured employer that are parties to a dispute under this paragraph over the reasonableness of a prescription drug charge are bound by the department's determination under this paragraph. If the insurer or self−insured employer that disputes the reasonableness of a prescription drug charge or, if such a determination has not yet been made, the department or the division does not provide the information required under this paragraph, the department shall determine that the disputed fee is reasonable and order that it be paid. If the insurer or self−insured employer provides the information required under this paragraph, the department shall use that information to determine the reasonableness of the disputed fee.

(d) The department shall analyze the information provided to the department under par. (c) according to the criteria provided in this paragraph to determine the reasonableness of the disputed fee. Except as provided in 2011 Wisconsin Act 183, section 30 (2) (b), the department shall determine that a disputed fee is reasonable and order that the disputed fee be paid if that fee is at or below the mean fee for the health service procedure for which the disputed fee was charged, plus 1.2 standard deviations from that mean, as shown by data from a database that is certified by the department under par. (h). Except as provided in 2011 Wisconsin Act 183, section 30 (2) (b), the department shall determine that a disputed fee is unreasonable and order that a reasonable fee be paid if the disputed fee is above the mean fee for the health service procedure for which the disputed fee was charged, plus 1.2 standard deviations from that mean, as shown by data from a database that is certified by the department under par. (h), unless the health service provider proves to the satisfaction of the department that a higher fee is justified because the service provided in the disputed case was more difficult or more complicated to provide than in the usual case.
department may set aside, reverse, or modify the determination on grounds of mistake. A health service provider, insurer, or self−insured employer that is aggrieved by a determination of the department under this subsection may seek judicial review of that determination in the same manner that compensation claims are reviewed under s. 102.23.

(g) Section 102.13 (1) (e) does not apply to the fee dispute resolution process under this subsection.

(h) The department shall promulgate rules establishing procedures and requirements for the fee dispute resolution process under this subsection, including rules specifying the standards that health service fee databases must meet for certification under this paragraph. Using those standards, the department shall certify databases of the health service fees that various health service providers charge. In certifying databases under this paragraph, the department shall certify at least one database of hospital fees for radiology services, including diagnostic and interventional radiology, diagnostic ultrasound and nuclear medicine.

(2m) (a) Except as provided in this paragraph, the department has jurisdiction under this subsection, the department and the division have jurisdiction under sub. (1m) (b), and the division has jurisdiction under s. 102.17 to resolve a dispute between a health service provider and an insurer or self−insured employer over the necessity of treatment provided for an injured employee who claims benefits under this chapter. A health service provider may not submit a dispute over necessity of treatment to the department under this subsection before all treatment by the health service provider of the employee’s injury has ended if the amount in controversy, whether based on a single charge or a combination of charges for more than one day of service, is less than $25. After all treatment by a health service provider of an employee’s injury has ended, the health service provider may submit any dispute over necessity of treatment to the department, regardless of the amount in controversy. The department shall deny payment for any treatment that the department determines under this subsection to be unnecessary.

(arn) A health service provider and an insurer or self−insured employer that are parties to a dispute under this subsection over the necessity of treatment are bound by the department’s determination under this subsection on the necessity of the disputed treatment, unless that determination is set aside on judicial review as provided in par. (e).

(b) An insurer or self−insured employer that disputes the necessity of treatment provided by a health service provider or the department or the division under sub. (1m) (b) or s. 102.18 (1) (bg) 2. shall provide reasonable written notice to the health service provider that the necessity of that treatment is being disputed. After receiving reasonable written notice under this paragraph or under sub. (1m) (b) or s. 102.18 (1) (bg) 2. that the necessity of treatment is being disputed, a health service provider may not collect a fee for that disputed treatment from, or bring an action for collection of the fee for that disputed treatment against, the employee who received the treatment.

(c) Before determining under this subsection the necessity of treatment provided for an injured employee who claims benefits under this chapter, the department shall obtain a written opinion on the necessity of the treatment in dispute from an expert selected by the department. To qualify as an expert, a person must be licensed to practice the same health care profession as the individual health service provider whose treatment is under review and must either be performing services for an impartial health care services review organization or be a member of an independent panel of experts established by the department under par. (f). The standards promulgated under par. (g) shall be applied by an expert and by the department in rendering an opinion as to, and in determining, necessity of treatment under this paragraph. In cases in which no standards promulgated under sub. (2m) (g) apply, the department shall find the facts regarding necessity of treatment. The department shall adopt the written opinion of the expert as the department’s determination on the issues covered in the written opinion, unless the health service provider or the insurer or self−insured employer present clear and convincing written evidence that the expert’s opinion is in error.

(d) The department may charge a party to a dispute over the necessity of treatment provided for an injured employee who claims benefits under this chapter for the full cost of obtaining the written opinion of the expert under par. (e). The department shall charge the insurer or self−insured employer for the full cost of obtaining the written opinion of the expert for the first dispute that a particular individual health service provider is involved in, unless the department determines that the individual health service provider’s position in the dispute is frivolous or based on fraudulent representations. In a subsequent dispute involving the same individual health service provider, the department shall charge the losing party to the dispute for the full cost of obtaining the written opinion of the expert.

(e) Within 30 days after a determination under this subsection, the department may set aside, reverse, or modify the determination for any reason that the department considers sufficient. Within 60 days after a determination under this subsection, the department may seek judicial review of that determination in the same manner that compensation claims are reviewed under s. 102.23.

(f) The department may contract with an impartial health care services review organization to provide the expert opinions required under par. (e), or establish a panel of experts to provide those opinions, or both. If the department establishes a panel of experts to provide the expert opinions required under par. (e), the department may pay the members of that panel a reasonable fee, plus actual and necessary expenses, for their services.

(g) The department shall promulgate rules establishing procedures and requirements for the necessity of treatment dispute resolution process under this subsection, including rules setting the fees under par. (f) and rules establishing standards for determining the necessity of treatment provided to an injured employee. Before the department may amend the rules establishing those standards, the department shall establish an advisory committee under s. 227.13 composed of health care providers providing treatment under s. 102.42. If the department or the council on worker’s compensation on amending those rules.

(3) No employer subject to this chapter may solicit, receive, or collect any money from an employee or any other person or make any deduction from their wages, either directly or indirectly, for the purpose of discharging any liability under this chapter or recovering premiums paid on a contract described under s. 102.31 (1) (a) or a policy described under s. 102.315 (3), (4), or (5) (a); nor may any employer subject to this chapter sell to an employee or other person, or solicit or require the employee or other person to purchase, medical, chiropractic, podiatric, psychological, dental, or hospital tickets or contracts for medical, surgical, hospital, or other health care treatment that is required to be furnished by that employer.

(4) The department and the division have jurisdiction to pass on any question arising out of sub. (3) and to order the employer to reimburse an employee or other person for any sum deducted from wages or paid by him or her in violation of that subsection. In addition to the penalty provided in s. 102.85 (1), any employer violating sub. (3) shall be liable to the injured employee or other person for any sum due to the injured employee or other person for any services rendered to that employee under any arrangement made in violation of sub. (3) without regard to that employee’s actual disbursements for those services.

(5) Except as provided in s. 102.28 (3), no agreement by an employee to waive the right to compensation is valid.

2017−18 Wisconsin Statutes updated through 2019 Wis. Act 186 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on July 14, 2020. Published and certified under s. 35.18. Changes effective after July 14, 2020, are designated by NOTES. (Published 7−14−20)
(c) 1. Any party shall have the right to be present at any hearing, in person or by attorney or any other agent, and to present such testimony as may be pertinent to the controversy before the division. No person, firm, or corporation, other than an attorney at law who is licensed to practice law in the state, may appear on behalf of any party in interest before the division or any member or employee of the division assigned to conduct any hearing, investigation, or inquiry relative to a claim for compensation or benefits under this chapter, unless the person is 18 years of age or older, does not have an arrest or conviction record, subject to ss. 111.321, 111.335, 111.336, 111.84, 111.861, and 111.842, and if the department from the department a license with authorization to appear in matters or proceedings before the division. Except as provided under pars. (cm), (cr), and (ct), the license shall be issued by the department under rules promulgated by the department. The department shall maintain in its office a current list of persons to whom licenses have been issued.

2. Any license issued under subd. 1. may be suspended or revoked by the department for fraud or serious misconduct on the part of an agent, or may be denied, suspended, nonrenewed, or otherwise withheld by the department for failure to pay court-ordered payments as provided in par. (cm) on the part of an agent, and may be suspended or revoked if the department of revenue certifies under s. 73.0301 that the applicant or licensee is liable for delinquent taxes or if the department determines under par. (ct) that the applicant or licensee is liable for delinquent unemployment insurance contributions. Before suspending or revoking the license of the agent on the grounds of fraud or misconduct, the department shall give notice in writing to the agent of the charges of fraud or misconduct and shall give the agent full opportunity to be heard in relation to those charges. In denying, suspending, restricting, refusing to renew, or otherwise withholding a license for failure to pay court-ordered payments as provided in par. (cm), the department shall follow the procedure provided in a memorandum of understanding entered into under s. 49.857.

3. Unless otherwise suspended or revoked, a license issued under subd. 1. shall be in force from the date of issuance until the June 30 following the date of issuance and may be renewed by the department from time to time, but each renewed license shall expire on the June 30 following the issuance of the renewed license.

(cg) 1. Except as provided in subd. 2m., the department shall require each applicant for a license under par. (c) who is an individual to provide the department with the applicant’s federal employer identification number, and shall require each applicant for a license under par. (c) who is not an individual to provide the department with the applicant’s federal employer identification number, when initially applying for or applying to renew the license.

2. If an applicant who is an individual fails to provide the applicant’s social security number to the department or if an applicant who is not an individual fails to provide the applicant’s federal employer identification number to the department, the department may not issue or renew a license under par. (c) to or for the applicant unless the applicant is an individual who does not have a social security number. The department shall issue a statement made or subscribed under oath or affirmation as required under subd. 2m.

2m. If an applicant who is an individual does not have a social security number, the applicant shall submit a statement made or subscribed under oath or affirmation to the department that the applicant does not have a social security number. The form of the statement shall be prescribed by the department. A license issued in reliance upon a false statement submitted under this subdivision is invalid.

3. The department of workforce development may not disclose any information received under subd. 1. to any person except to the department of revenue for the sole purpose of requesting certifications under s. 73.0301 or the department of children and families for purposes of administering s. 49.22.
WORKER'S COMPENSATION 102.17

(cm) The department of workforce development shall deny, suspend, restrict, refuse to renew, or otherwise withhold a license under par. (c) for failure of the applicant or agent to pay court-ordered payments of child or family support, maintenance, birth expenses, medical expenses, or other expenses related to the support of a child or former spouse or for failure of the applicant or agent to comply, after appropriate notice, with a subpoena or warrant issued by the department of children and families or a county child support agency under s. 59.53 (5) and related to paternity or child support proceedings, as provided in a memorandum of understanding entered into under s. 49.857. Notwithstanding par. (c), an action taken under this paragraph is subject to review only as provided in the memorandum of understanding entered into under s. 49.857 and not as provided in ch. 227.

(c) The department shall deny an application for the issuance or renewal of a license under par. (c), or revoke such a license already issued, if the department of revenue certifies under s. 73.0301 that the applicant or licensee is liable for delinquent taxes. Notwithstanding par. (c), an action taken under this paragraph is subject to review only as provided under s. 73.0301 (5) and not as provided in ch. 227.

(ct) 1. The department may deny an application for the issuance or renewal of a license under par. (c), or revoke such a license already issued, if the department determines that the applicant or licensee is liable for delinquent contributions, as defined in s. 108.227 (1) (d). Notwithstanding par. (c), an action taken under this subdivision is subject to review only as provided under s. 108.227 (5) and not as provided in ch. 227.

2. If the department denies an application or revokes a license under subd. 1., the department shall mail a notice of denial or revocation to the applicant or license holder. The notice shall include a statement of the facts that warrant the denial or revocation and a statement that the applicant or license holder may, within 30 days after the date on which the notice of denial or revocation is mailed, file a written request with the department to have the determination that the applicant or license holder is liable for delinquent contributions reviewed at a hearing under s. 108.227 (5) (a).

3. If, after a hearing under s. 108.227 (5) (a), the department affirms a determination under subd. 1. that an applicant or license holder is liable for delinquent contributions, the department shall affirm the denial or revocation. An applicant or license holder may seek judicial review under s. 108.227 (6) of an affirmation by the department of a denial or revocation under this subdivision.

4. If, after a hearing under s. 108.227 (5) (a), the department determines that a person whose license is revoked or whose application is denied under subd. 1. is not liable for delinquent contributions, as defined in s. 108.227 (1) (d), the department shall reinstate the license or approve the application, unless there are other grounds for revocation or denial. The department may not charge a fee for reinstatement of a license under this subdivision.

(d) 1. The contents of certified medical and surgical reports by physicians, podiatrists, surgeons, dentists, psychologists, physician assistants, advanced practice nurse prescribers, and chiropractors licensed in and practicing in this state, and of certified reports by experts concerning loss of earning capacity under s. 102.44 (2) and (3), presented by a party for compensation constitute prima facie evidence as to the matter contained in those reports, subject to any rules and limitations the division prescribes. Certified reports of physicians, podiatrists, surgeons, dentists, psychologists, physician assistants, advanced practice nurse prescribers, and chiropractors, wherever licensed and practicing, who have examined or treated the claimant, and of experts, if the practitioner or expert consents to being subjected to cross-examination, also constitute prima facie evidence as to the matter contained in those reports. Certified reports of physicians, podiatrists, surgeons, psychologists, and chiropractors are admissible as evidence of the diagnosis, necessity of the treatment, and cause and extent of the disability. Certified reports by doctors of dentistry, physician assistants, and advanced practice nurse prescribers are admissible as evidence of the diagnosis and necessity of treatment but not of the cause and extent of disability. Any physician, podiatrist, surgeon, dentist, psychologist, chiropractor, physician assistant, advanced practice nurse prescriber, or expert who knowingly makes a false statement of fact or opinion in a certified report may be fined or imprisoned, or both, under s. 943.395.

2. The record of a hospital or sanatorium in this state that is satisfactory to the division, established by certificate, affidavit, or testimony of the supervising officer of the hospital or sanatorium, any other person having charge of the record, or a physician, podiatrist, surgeon, dentist, psychologist, physician assistant, advanced practice nurse prescriber, or chiropractor to be the record of the patient in question, and made in the regular course of examination or treatment of the patient, constitutes prima facie evidence as to the matter contained in the record, to the extent that the record is otherwise competent and relevant.

3. The division may, by rule, establish the qualifications of and the form used for certified reports submitted by experts who provide information concerning loss of earning capacity under s. 102.44 (2) and (3). The division may not admit into evidence a certified report of a practitioner or other expert or a record of a hospital or sanatorium that was not filed with the division and all parties in interest at least 15 days before the date of the hearing, unless the division is satisfied that there is good cause for the failure to file the report.

4. A report or record described in subd. 1., 2., or 3. that is admitted or received into evidence by the division constitutes substantial evidence under s. 102.23 (6) as to the matter contained in the report or record.

(e) The division may, with or without notice to any party, cause testimony to be taken, an inspection of the premises where the injury occurred to be made, or the time books and payroll of the employer to be examined, by an examiner designated by the division who is not under contract with or otherwise secured by the department or the division and who are industrial safety specialists who are employed, contracted, or otherwise secured by the department or the division and who are responsible for the inspection or examination, and may direct any employee claiming compensation to be examined by a physician, chiropractor, psychologist, dentist, or podiatrist. The testimony so taken, and the results of any such inspection or examination, shall be reported to the division for its consideration upon final hearing. All ex parte testimony taken by the division shall be reduced to writing, and any party shall have opportunity to rebut that testimony on final hearing.

(f) Sections 804.05 and 804.07 shall not apply to proceedings under this chapter, except as to a witness who is any of the following:

1. Beyond reach of the subpoena of the division.

2. About to go out of the state, not intending to return in time for the hearing.

3. So sick, infirm, or aged as to make it probable that the witness will not be able to attend the hearing.

4. A member of the legislature, if any committee of the legislature or of the house of which the witness is a member is in session and the witness waives his or her privilege.

(g) Whenever the testimony presented at any hearing indicates a dispute or creates a doubt as to the extent or cause of disability or death, the division may direct that the injured employee be examined, that an autopsy be performed, or that an opinion be obtained without examination or autopsy, by or from an impartial, competent physician, chiropractor, dentist, psychologist or podiatrist designated by the division who is not under contract with or regularly employed by a compensation insurance carrier or self-insured employer. The expense of the examination, autopsy, or opinion shall be paid by the employer or, if the employee claims compensation under s. 102.81, from the uninsured employers fund. The report of the examination, autopsy, or opinion shall be transmitted in writing to the division and a copy of the report shall be furnished by the division to each party, who shall have an opportunity to rebut the report on further hearing.

(h) The contents of certified reports of investigation made by industrial safety specialists who are employed, contracted, or otherwise secured by the department or the division and who are responsible for the investigation are admissible as evidence of the diagnosis, necessity of the treatment, and cause and extent of the disability.
available for cross-examination, if served upon the parties 15 days prior to hearing, shall constitute prima facie evidence as to matter contained in those reports. A report described in this paragraph that is admitted or received into evidence by the division constitutes substantial evidence under s. 102.23 (6) as to the matter contained in the report.

(2) If the division has reason to believe that the payment of compensation has not been made, the division may on its own motion give notice to the parties, in the manner provided for the service of an application, of a time and place when a hearing will be held for the purpose of determining the facts. The notice shall contain a statement of the matter to be considered. All provisions of this chapter governing proceedings on an application shall apply, insofar as applicable, to a proceeding under this subsection. When the division schedules a hearing on its own motion, the division does not become a party in interest and is not required to appear at the hearing.

(2m) The division or any party, including the department, may require any person to produce books, papers, and records at the hearing. Personal service of a subpoena upon the person along with a tender of witness fees as provided in ss. 814.67 and 885.06. Except as provided in sub. (2s), the subpoena shall be on a form provided by the division and shall give the name and address of the party requesting the subpoena.

(2s) A party’s attorney of record may issue a subpoena to compel the attendance of a witness or the production of evidence. A subpoena issued by an attorney must be in substantially the same form as provided in s. 805.07 (4) and must be served in the manner provided in s. 805.07 (5). The attorney shall, at the time of issuance, send a copy of the subpoena to the hearing examiner or other representative of the division responsible for conducting the proceeding.

(3) Any person who shall willfully and unlawfully fail or neglect to appear or to testify or to produce books, papers and records as required, shall be fined not less than $25 nor more than $100, or imprisoned in the county jail not longer than 30 days. Each day such person shall so refuse or neglect shall constitute a separate offense.

(4) Except as provided in this subsection and s. 102.555 (12) (b) 1. (c) in the case of occupational disease, the right of an employee, the employee’s legal representative, or a dependent to proceed under this section shall not extend beyond 12 years after the date of the injury or death or after the date that compensation, other than for treatment or burial expenses, was last paid, or would have been last payable if no advancement were made, whichever date is latest, and in the case of traumatic injury, that right shall not extend beyond 6 years after that date. In the case of occupational disease; a traumatic injury resulting in the loss or total impairment of a hand or any part of the rest of the arm proximal to the hand or of a foot or any part of the rest of the leg proximal to the foot, any loss of vision, or any permanent brain injury; or a traumatic injury causing the need for an artificial spinal disc or a total or partial knee or hip replacement, there shall be no statute of limitations, except that benefits or treatment expense for an occupational disease becoming due 12 years after the date of injury or death or last payment of compensation, other than for treatment or burial expenses, shall be paid from the work injury supplemental benefit fund under s. 102.65 and in the manner provided in s. 102.66 and benefits or treatment expense for such a traumatic injury becoming due 6 years after that date shall be paid from that fund and in that manner if the date of injury or death or last payment of compensation, other than for treatment or burial expenses, is before April 1, 2006. Payment of wages by the employer during disability or absence from work to obtain treatment shall be considered payment of compensation for the purpose of this section if the employer knew of the employee’s condition and its alleged relation to the employment.

(5) This section does not limit the time within which the state may bring an action to recover the amounts specified in ss. 102.49 (5) and 102.59.

(6) If an employee or dependent shall, at the time of injury, or at the time the employee’s or dependent’s right accrues, be under 18 years of age, the limitations of time within which the employee or dependent may file application or proceed under this chapter, if they would otherwise sooner expire, shall be extended to one year after the employee or dependent attains the age of 18 years. If, within any part of the last year of any such period of limitation, an employee, the employee’s personal representative, or surviving dependent be insane or on active duty in the armed forces of the United States such period of limitation shall be extended to 2 years after the date that the limitation would otherwise expire. The provision hereof with respect to persons on active duty in the armed forces of the United States shall apply only where no applicable federal statute is in effect.

(7) (a) Except as provided in par. (b), in a claim under s. 102.44 (2) and (3), testimony or certified reports of expert witnesses on loss of earning capacity may be received in evidence and considered with all other evidence to decide an employee’s actual loss of earning capacity.

(b) Except as provided in par. (c), the division shall exclude from evidence testimony or certified reports from expert witnesses under par. (a) offered by the party that raises the issue of loss of earning capacity if that party failed to notify the division and the other parties of interest, at least 60 days before the date of the hearing, of the party’s intent to provide the testimony or reports and of the names of the expert witnesses involved. Except as provided in par. (c), the division shall exclude from evidence testimony or certified reports from expert witnesses under par. (a) offered by a party of interest in response to the party that raises the issue of loss of earning capacity if the responding party failed to notify the division and the other parties of interest, at least 45 days before the date of the hearing, of the party’s intent to provide the testimony or reports and of the names of the expert witnesses involved.

(c) Notwithstanding the notice deadlines provided in par. (b), the division may receive in evidence testimony or certified reports from expert witnesses under par. (a) when the applicable notice deadline under par. (b) is not met if good cause is shown for the delay in providing the notice required under par. (b) and if no party is prejudiced by the delay.

(8) Unless otherwise agreed to by all parties, an injured employee shall file with the division and serve on all parties at least 15 days before the date of the hearing an itemized statement of all medical expenses and incidental compensation under s. 102.42 claimed by the injured employee. The itemized statement shall include, if applicable, information relating to any travel expenses incurred by the injured employee in obtaining treatment including the injured employee’s destination, number of trips, round trip mileage, and meal and lodging expenses. The division may not admit into evidence any information relating to medical expenses and incidental compensation under s. 102.42 claimed by an injured employee if the injured employee failed to file with the division and serve on all parties at least 15 days before the date of the hearing an itemized statement of the medical expenses and incidental compensation under s. 102.42 claimed by the injured employee, unless the division is satisfied that there is good cause for the failure to file and serve the itemized statement.

A plaintiff–employer was not deprived of any substantial due process rights by the department's refusal to invoke its rule requiring inspection of the opposing parties' medical reports when the plaintiff had ample notice of the nature of the employer's claims. Komline, Inc. v. DILLHB, 65 N.W.2d 660 (1954).

Under the facts of the case, a refusal to grant an employer's request for adjournment was a denial of due process. Bitumetous Casualty Co. v. DILLHB, 97 Wis. 2d 730, 295 N.W.2d 183 (Ct. App. 1980).

Sub. (1) (d) does not create a presumption that evidence presented by treating physicians is correct. The statute enforces the idea that LIRC determines the weight to be given medical evidence presented by doctors. Conrad v. Mt. Carmel School, 197 Wis. 2d 60, 559 N.W.2d 713 (Cl. App. 1995), 94−2842.

LIRC's authority under sub. (1) (a) to control its calendar and manage its internal affairs concerning the power to deny an applicant's motion to withdraw an application for hearing. An appellant's failure to appear at a hearing after a motion to withdraw the application was denied was grounds for entry of a default judgment under s. 102.18 (1) (a). Baldwin v. LIRC, 225 Wis. 2d 601, 599 N.W.2d 8 (Cl. App. 1999), 98−3050.

In the absence of testimony in conflict with a claimant's medical experts, LIRC may find medical evidence if there is countervailing testimony raising legitimate doubt about the employee's injury. Kowalchuk v. LIRC, 2000 WI App 85, 234 Wis. 2d 203, 610 N.W.2d 122, 99−1183.

It was reasonable for LIRC to conclude that the statute of limitations under sub. (4) for death benefits begins to run at the time of death, rather than the time of injury. International Paper Co. v. LIRC, 2001 WI App 248, 248 Wis. 2d 348, 635 N.W.2d 823, 01−0126.

Neither sub. (1) (g) or (d) provides a statutory right to cross−examine an independent physician appointed by the department. When the legislature drafted sub. (1) (g), it included the general term "rebuts." Because it did not specify the right to cross−examination, it appears the legislature left to the discretion the detail of whether it would be other than the medical evidence for which benefits shall be apportioned according to the proof of the relative contribution to disability resulting from the injury.

If after a hearing or a prehearing conference the division determines that an injured employee is entitled to compensation but that there remains in dispute only the issue of which of 2 or more parties is liable for that compensation, the division may order 2 or more parties to pay compensation in an amount, time, and manner as determined by the division. If the division determines that another party is liable for compensation, the division shall order that other party to reimburse any party that was ordered to pay compensation under this subsection.

If it is established by the certified report of a physician, podiatrist, surgeon, psychologist, or chiropractor under s. 102.17 (1) (d) 1., a record of a hospital or sanatorium under s. 102.17 (1) (d) 2., or other competent evidence that an injured employee has incurred permanent disability, but that a percentage of that disability was caused by an accidental injury sustained in the course of employment with the employer against whom compensation for an accidental injury causing permanent disability that was sustained in the course of employment with the employer against whom compensation is claimed shall address in the report the issue of causation of the disability and shall include in the report an opinion as to the percentage of permanent disability that was caused by the accidental injury and the percentage of permanent disability that was caused by other factors, including occupational exposure with the same employer, whether occurring before or after the time of injury.

(c) Upon request of the department, the division, the employer, or the employer's worker's compensation insurer, an injured employee who claims compensation for an injury causing permanent disability shall disclose all previous findings of permanent disability or other impairments that are relevant to that injury. History: 1979 c. 278; 1993 a. 81; 2015 a. 55, 180; s. 35.17 correction in (3) (a).

102.18 Findings, orders and awards. (1) (a) All parties shall be afforded opportunity for full, fair, public hearing after reasonable notice, but disposition of application may be made by compromise, stipulation, agreement, or default without hearing. If, within 90 days after the final hearing and close of the record, the division shall make and file its findings upon the ultimate facts involved in the controversy, and its order, which shall state the division's determination as to the rights of the parties. Pending the final determination of any controversy before it, the division, after any hearing, may, in its discretion, make interlocutory findings, orders, and awards, which may be enforced in the same manner as final awards.

2. The division may in any interlocutory or final award or order direct the employer or insurer to pay for any future treatment that may be necessary to cure and relieve the employee from the effects of the injury or to pay for a future course of instruction or other rehabilitation training services provided under a rehabilitation training program developed under s. 102.61 (1) or (1m).

3. The division finds that the employer or insurer has not paid any amount that the employer or insurer was directed to pay in any interlocutory order or award and that the nonpayment was not in good faith, the division may include in its final award a penalty not exceeding 25 percent of each amount that was not paid as directed.

4. When there is a finding that the employee is in fact suffering from an occupational disease caused by the employment of the employer against whom the application is filed, a final award dismissing the application upon the ground that the applicant has suffered no disability from the disease shall not bar any claim the employee may have for disability sustained after the date of the award.

(bg) 1. If the division finds under par. (b) that an insurer or self−insured employer is liable under this chapter for any health services provided to an injured employee by a health service provider, but that the reasonableness of the fee charged by the health service provider is in dispute, the division may include in its order under par. (b) a determination made by the department under s. 102.16 (2) as to the reasonableness of the fee or, if such a determination has not yet been made, the division may notify, or direct the insurer or self−insured employer to notify, the health service provider under s. 102.16 (2) (b) that the reasonableness of the fee is in dispute.

2. If the division finds under par. (b) that an employer or insurer carrier is liable under this chapter for any treatment provided to an injured employee by a health service provider, but that the necessity of the treatment is in dispute, the division may include in its order under par. (b) a determination made by the department under s. 102.16 (2m) as to the necessity of the treatment or, if such a determination has not yet been made, the division may notify, or direct the employer or insurance carrier to notify, the health service provider under s. 102.16 (2m) (b) that the necessity of the treatment is in dispute.

3. If the division finds under par. (b) that an insurer or self−insured employer is liable under this chapter for the cost of a prescription drug dispensed under s. 102.425 (2) for outpatient use by an injured employee, but that the reasonableness of the amount charged for that prescription drug is in dispute, the division may include in its order under par. (b) a determination made by the department under s. 102.425 (4m) as to the reasonableness of the prescription drug charge or, if such a determination has not yet been made, the division may notify, or direct the insurer or self−insured employer to notify, the pharmacist or practitioner dispens-
ing the prescription drug under s. 102.425 (4m) (b) that the reason-
ableness of the prescription drug charge is in dispute.

(bp) If the division determines that the employer or insurance
carrier suspended, terminated, or failed to make payments or
failed to report an injury as a result of malice or bad faith, the divi-
sion may include a penalty in an award to an employee for each
event or occurrence of malice or bad faith. That penalty is the
exclusive remedy against an employer or insurance carrier for
malice or bad faith. If the penalty is imposed for an event or occu-
rrence of malice or bad faith that causes a payment that is due an
injured employee to be delayed in violation of s. 628.46 (1), the divi-
sion may not also order an increased payment under s. 102.22 (1) or
the payment of interest under s. 628.46 (1). The division may award an amount
that the division considers just, not to exceed the lesser of 200 per-
cent of total compensation due or $30,000 for each event or occur-
rrence of malice or bad faith. The division may assess the penalty
against the employer, the insurance carrier, or both. Neither the
employer nor the insurance carrier is liable to reimburse the other
for the penalty amount. The division may, by rule, define actions
that demonstrate malice or bad faith.

(bw) If an insurer, a self−insured employer, or, if applicable,
the uninsured employers fund pays compensation to an employee
in excess of its liability and another insurer or self−insured
employer is liable for all or part of the excess payment, the depart-
ment or the division may order the insurer or self−insured
employer that is liable for that excess payment to reimburse the
insurer or self−insured employer that made the excess payment or,
if applicable, the uninsured employers fund.

(c) If 2 or more examiners have conducted a formal hearing on
a claim and are unable to agree on the order or award to be issued,
the decision shall be the decision of the majority. If the examiners
are equally divided on the decision, the division may appoint an
additional examiner who shall review the record and consult with
the other examiners concerning their impressions of the credibil-
ity of the evidence. Findings of fact and an order or award may
then be issued by a majority of the examiners.

(d) Any award which falls within a range of 5 percent of the
highest or lowest estimate of permanent partial disability made by
a practitioner which is in evidence is presumed to be a reasonable
award, provided it is not higher than the highest or lower than the
lowest estimate in evidence.

(e) Except as provided in s. 102.21, if the department or the
division orders a party to pay an award of compensation, the party
shall pay the award no later than 21 days after the date on which
the order is mailed to the last−known address of the party, unless
the party files a petition for review under sub. (3). This paragraph
applies to all awards of compensation ordered by the department
or the division, whether the award results from a hearing, the
default of a party, or a compromise or stipulation confirmed by the
department or the division.

(2) (a) The department shall have and maintain on its staff
such examiners as are necessary to decide claims for compensation
described in s. 102.16 (1) (b) and to assist in the effective
administration of this chapter.

(b) The division shall have and maintain on its staff such exami-
ners as are necessary to decide claims for compensation
described in s. 102.16 (1) (c) and to assist in the effective adjudica-
tion of claims under this chapter.

(c) Examiners under pars. (a) and (b) shall be attorneys and
may be designated as administrative law judges. Those examiners
may make findings and orders and may approve, review, set aside,
modify, or confirm stipulations of settlement or compromises of
claims for compensation.

(3) A party in interest may petition the commission for review
of an examiner’s decision awarding or denying compensation if
the department, the division, or the commission receives the peti-
tion within 21 days after the department or the division mailed a
copy of the examiner’s findings and order to the last−known
addresses of the parties in interest. The commission shall dismiss
a petition that is not filed within those 21 days unless the petitioner
shows that the petition was filed late for a reason that was beyond
the petitioner’s control. If no petition is filed within those 21 days,
the findings or order shall be considered final unless set aside,
reversed, or modified by the examiner within that time. If the find-
ings or order are set aside by the examiner, the status shall be the
same as prior to the setting aside of the findings or order. If the
findings or order are reversed or modified by the examiner, the
time for filing a petition on the examiner’s decision is then
recommenced.

The division may set aside any final order or award of the commis-
sion’s action shall be based on a review of the evidence sub-
mitted.

(4) (a) Unless the liability under s. 102.35 (3), 102.43 (5),
102.49, 102.57, 102.58, 102.59, 102.60 or 102.61 is specifically
mentioned, the order, findings or award are deemed not to affect
such liability.

(b) Within 28 days after the date of a decision of the commis-
sion, the commission may, on its own motion, set aside the deci-
sion for further consideration.

(c) On its own motion, for reasons it deems sufficient, the com-
mision may set aside any final order or award of the commission
or examiner within one year after the date of the order or award,
upon grounds of mistake or newly discovered evidence, and, after
further consideration, do any of the following:

1. Affirm, reverse or modify, in whole or in part, the order
   or award.

2. Reinstatement the previous order or award.

3. Remand the case to the department or the division for fur-
   ther proceedings.

(d) While a petition for review by the commission is pending
or after entry of an order or award by the commission but before
commencement of an action for judicial review or expiration of
the period in which to commence an action for judicial review, the
commission shall remand any compromise presented to it to the
department or the division for consideration and approval or rejec-
tion under s. 102.16 (1). Presentation of a compromise does not
affect the period in which to commence an action for judicial
review.

(5) If it appears to the division that a mistake may have been
made as to cause of injury in the findings, order, or award upon an
alleged injury based on accident, when in fact the employee was
suffering from an occupational disease, within 3 years after the
date of the findings, order, or award the division may, upon its own
motion, with or without hearing, set aside the findings, order or
award, or the division may take that action upon application made
within those 3 years. After an opportunity for hearing, the division
may, if in fact the employee is suffering from disease arising out
of the employment, make new findings, and a new order or award,
or the division may reinstate the previous findings, order, or
award.

(6) In case of disease arising out of employment, the division
may from time to time review its findings, order, or award, and
make new findings, or a new order or award, based on the facts
regarding disability or otherwise as those facts may appear at the
time of the review. This subsection shall not affect the application
of the limitation in s. 102.17 (4).

Committee Note, 1971: The intent is to authorize the commission within its abso-
lute discretion to reopen final orders on the basis of mistake or newly discovered evi-
dence within a period of one year from the date of such order where this is found to be
just. It is intended that the commission have authority to grant or deny compensa-
tion, including the right to increase or to decrease benefits previously awarded. [Bill
371–A]

Interlocutory orders issued by the department in worker’s compensation cases are
not res judicata. Worsch v. DILHR, 46 Wis. 2d 504, 173 N.W.2d 201 (1970).
When the department reverses an examiner’s findings and makes independent findings, the latter should be accompanied by a memorandum opinion indicating the reasons for reaching a different result or conclusion. When the department finds that there is not a reasonable basis for denying the claim, it must state the reasons for reaching that decision.

The authority granted under sub. (3) to modify the findings of a hearing examiner does not extend to the making of findings and an order on an alternative basis of liability neither tried by the parties nor ruled on by the examiner. When another basis of liability is applicable, the examiner’s findings must be set aside and an order directing the making of additional findings of fact entered, directing the examiner to make further findings of fact as to the admitted basis. Theodore Fleiter, Inc. v. DILHR, 65 Wis. 2d 317, 222 N.W.2d 600 (1974).

The department is not required to make specific findings as to a defense to a worker’s claim, but it is better practice to either make findings or state why none were made. Universal Foundry Co. v. DILHR, 82 Wis. 2d 479, 263 N.W.2d 172 (1978).

Commission guidelines, formulated as internal standards of credibility in worker’s compensation cases, are irrelevant to a court’s review of the commission’s findings. E. T. J. LHR, 82 Wis. 2d 634, 264 N.W.2d 222 (1978).

A general finding by the department implies all facts necessary to support it. A finding not explicitly made may be inferred from other properly made findings and from findings not made if there is evidence that would support those findings. Valadzic v. Briggs & Stratton Corp. 92 Wis. 2d 583, 286 N.W.2d 540 (1979).

Sub. (1)(b) is constitutional. Messner v. Briggs & Stratton Corp. 120 Wis. 2d 127, 333 N.W.2d 363 (Ct. App. 1984). An appeal is permitted for denying a claim that was not “fairly debatable” under sub. (1)(b). Kimberly-Clark Corp. v. LIRC, 138 Wis. 2d 58, 455 N.W.2d 684 (Ct. App. 1987).

Sub. (4)(a) grants the review commission exclusive authority to set aside findings due to newly discovered evidence. The trial court does not possess that authority. Hopp v. LIRC, 146 Wis. 2d 172, 430 N.W.2d 359 (Ct. App. 1988).

To show bad faith under sub. (1)(b) a claimant must show that the employer acted without a reasonable basis for the delay and with knowledge or a reckless disregard of the lack of reasonable basis for the delay. North American Mechanical v. LIRC, 153 Wis. 2d 185, 448 N.W.2d 835 (Ct. App. 1989).

After the commission makes a final order and the review period has passed, the commission’s decision is final for all purposes. Kwaterski v. LIRC, 158 Wis. 2d 112, 462 N.W.2d 463 (Ct. App. 1990).

Sub. (3) does not authorize LIRC to take administrative notice of any fact; review is limited to the record before the examining examiner. Amoil, Inc. v. LIRC, 173 Wis. 2d 154, 496 N.W.2d 190 (Ct. App. 1992). The party may not reject a medical opinion absent something in the record to support the rejection; countervailing expert testimony is not required in all cases. Leist v. LIRC, 183 Wis. 2d 450, 515 N.W.2d 268 (Ct. App. 1994).

Insuance of a default order under sub. (1)(a) is discretionary. Rules of civil procedure do not apply to administrative proceedings. Nothing in the law suggests a default order must be issued in the absence of excusable neglect. Verhaagh v. LIRC, 204 Wis. 2d 157, 551 N.W.2d 678 (Ct. App. 1996), 96–0730.

The commission may not rule on and consider issues on appeal that were not litigated and may not consider evidence not considered by the administrative law judge unless the parties are allowed to offer rebuttal evidence. Wright v. LIRC, 210 Wis. 2d 289, 565 N.W.2d 221 (Ct. App. 1997), 96–1024.

LIRC’s authority under s. 102.17(1)(a) to control its calendar and manage its internal operations includes the power to deny an applicant’s motion to dismiss an application for hearing. An appellant’s failure to appear at a hearing after a motion to withdraw the application was denied was grounds for entry of a default judgment under sub. (1)(a). Baldwin v. LIRC, 228 Wis. 2d 601, 599 N.W.2d 8 (Ct. App. 1993), 98–0309.

Under s. 102.23(1)(a), judicial review is available only from an order or award granting or denying a compensation. Judicial review by common law certiorari is not available for a claim that LIRC failed to act within the statutory time limitations under sub. (4), which would be subject to judicial review of any subsequent order or award, but only if the claimant might be prejudiced by that failure. Vidal v. LIRC, 208 Wis. 2d 253, 251 Wis. 2d 426, 645 N.W.2d 870, 00–3548.

To demonstrate bad faith under sub. (1)(b), a claimant must show the absence of a reasonable basis for denying the claim. Brown v. LIRC, 208 Wis. 2d 671, 567 N.W.2d 273 (1997), 96–0329.

Because sub. (1)(b) specifically allows for the imposition of bad faith penalties on an employer for failure to pay benefits, and because s. 102.23(3) specifically directs the employer to pay benefits pending an appeal when the only issue is who

2017−18 Wisconsin Stats updated through 2019 Wis. Act 186 and through all Supreme Court and Controlled Substances Board Orders filed before and after July 14, 2014. Published and certified under s. 35.18. Changes effective after July 14, 2020, are designated by NOTES. (Published 7−14−20)
shall, without notice, render judgment in accordance with the award. A judgment rendered under this section shall have the same effect as though rendered in an action tried and determined by the court, and shall, with like effect, be entered in the judgment and lien docket.

Awards“ under this section means an award that has become final under s. 102.18 (3). Warren v. Link Farms, Inc. 123 Wis. 2d 485, 368 N.W.2d 688 (Cl. App. 1985).

102.21 Payment of awards by local governmental units. When an award is made under this chapter or s. 66.191, 1981 stats., against any local governmental unit, the person in whose favor the award is made shall file a certified copy of the award with the clerk of the local governmental unit. Unless an application is taken within 20 days after that filing, the clerk shall draw an order on the treasurer of the local governmental unit for the payment of the award. If upon appeal the award is affirmed in whole or in part, the clerk shall draw an order for payment of the award within 10 days after a certified copy of the judgment affirming the award is filed with that clerk. If the award or judgment provides for more than one payment, the clerk shall draw orders for payment as the payments become due. No statute relating to the filing of claims against, or the auditing, allowing, and payment of claims by, a local governmental unit applies to the payment of an award or judgment under this section.

102.22 Penalty for delayed payments; interest. (1) If the employer or his or her insurer inexcusably delays in making the first payment that is due an injured employee for more than 30 days after the date on which the employee leaves work as a result of an injury and if the amount due is $500 or more, the payments as to which the delay is found shall be increased by 10 percent. If the employer or his or her insurer inexcusably delays in making the first payment that is due an injured employee for more than 14 days after the date on which the employee leaves work as a result of an injury, the payments as to which the delay is found may be increased by 10 percent. If the employer or his or her insurer inexcusably delays for any length of time in making any other payment that is due an injured employee, the payments as to which the delay is found may be increased by 10 percent. If the delay is chargeable to the employer and not to the insurer, s. 102.62 applies and the relative liability of the parties shall be fixed and discharged as provided in that section. The department or the division may also order the employer or insurance carrier to reimburse the employee for any finance charges, collection charges, or interest that the employee paid as a result of the inexcusable delay by the employer or insurance carrier.

(2) If any sum that the department or the division orders to be paid is not paid when due, that sum shall bear interest at the rate of 10 percent per year. The state is liable for interest on awards, either interlocutory or final, whether judgment has been rendered on the order or award or not, subject to review only as provided in this section and not under ch. 227 or s. 801.02. The department or the division may also order the employer or insurance carrier to reimburse the employee for any finance charges, collection charges, or interest that the employee paid as a result of the inexcusable delay by the employer or insurance carrier.

(3) If upon petition for review the commission affirms an examiner’s order, interest at the rate of 7 percent per year on the amount ordered by the examiner shall be due for the period beginning on the 21st day after the date of the examiner’s order and ending on the date paid under the commission’s decision. If upon petition for judicial review under s. 102.23 the court affirms the commission’s decision, interest at the rate of 7 percent per year on the amount ordered by the examiner shall be due up to the date of the commission’s decision, and thereafter interest shall be computed under sub. (2).

History: 1977 c. 195; 1979 c. 110 s. 60 (13); 1979 c. 278; 1981 c. 92; 1983 a. 98; 1985 a. 83; 1993 a. 81; 2015 a. 55.

The department can assess the penalty for inexcusable delay in making payments prior to the entry of an order. The question of inexcusable delay is one of law and the courts are not bound by the department’s finding as to it. Milwaukee County v. DILHR, 48 Wis. 2d 392, 180 N.W.2d 513 (1970).

102.23 Judicial review. (1) (a) If the findings of fact made by the commission acting within its powers shall, in the absence of fraud, be conclusive. The order or award granting or denying compensation, either interlocutory or final, whether judgment has been rendered on the order or award or not, is subject to review only as provided in this section and not under ch. 227 or s. 801.02. The commission shall identify in the order or award the parties that must be made parties to an action for review of the order or award.

(2) Within 30 days after the date of an order or award made by the commission, any party aggrieved by the order or award may commence an action in circuit court for review of the order or award by serving a complaint as provided in par. (b) and filing the summons and complaint with the clerk of the circuit court. The summons and complaint shall name the party commencing the action as the plaintiff and shall name as defendant the commission and all persons identified by the commission under subd. 1. If the circuit court determines that any other person is necessary for the proper resolution of the action, the circuit court may join that person as a party to the action, unless joinder of the person would unduly delay the resolution of the action. If the circuit court is satisfied that a party in interest has been prejudiced because of an exceptional delay in the receipt of a copy of any finding or order, the circuit court may extend the time within which an action may be commenced by an additional 30 days.

(3) The proceedings shall be in the circuit court of the county where the plaintiff resides, except that if the plaintiff is a state agency, the proceedings shall be in the circuit court of the county where the defendant resides. The proceedings may be brought in any circuit court if all parties stipulate and that court agrees.

(b) In such an action a complaint shall be served with an authenticated copy of the summons. The complaint need not be verified, but shall state the grounds upon which a review is sought. Service upon a commissioner or agent authorized by the commission to accept service constitutes complete service on all parties, but there shall be left with the person so served as many copies of the summons and complaint as there are defendants, and the commission shall mail one copy to each other defendant.

(c) The commission shall serve its answer to the complaint within 20 days after the service of the complaint. Except as provided in par. (cm), any other defendant may serve an answer to the complaint within 20 days after the service of the complaint, which answer may, by way of counterclaim or cross complaint, ask for the review of the order or award referred to in the complaint, with the same effect as if the defendant had commenced a separate action for the review of the order or award.

(cm) If a defendant in an action brought under par. (a) is an insurance company, the insurance company may serve an answer to the complaint within 45 days after the service of the complaint.

(d) The commission shall make return to the court of all documents and papers on file in the matter, all testimony that has been taken, and the commission’s order, findings, and award. Such return of the commission when filed in the office of the clerk of the circuit court shall, with the papers specified in s. 809.15, constitute a judgment roll in the action; and it shall not be necessary to have a transcript approved. The action may thereafter be brought on for hearing before the court upon the record by any party on 10 days’ notice to the other; subject, however, to the provisions of law for a change of the place of trial or the calling in of another judge.

(e) Upon such hearing, the court may confirm or set aside such order or award; and any judgment which may theretofore have been rendered thereon, but the same shall be set aside only upon the following grounds:
Under sub. (1) (a), judicial review is available only from an order or award granting or denying compensation. Judicial review by common law certiorari was not available for a claim that LIRC failed to act within the statutory time limitations under s. 102.16 (4), which would be subject to judicial review of any subsequent order granting or denying compensation in that case. Vidal v. Labor and Industry Review Commission, 2001 WI 77, 272 Wis. 2d 426, 645 N.W.2d 870, 03−3548.

(5) An appeal by the plaintiff may be made by a defendant by naming the defendant’s insurer in the caption of the summons and complaint, which were timely filed and served even though the insurer was not named in the complaint’s body. Mclaren v. Columbia Hospital, 2002 WI App 99, 253 Wis. 2d 553, 644 N.W.2d 690, 01−3246.

(6) The venue provision of sub. (1) (a) is central to the statutory scheme, and as such, failure to comply with its mandates deprived the circuit court of the competency to hear the cases. DWD v. LIRC, 2016 WI App 21, 367 Wis. 2d 609, 877 N.W.2d 620, 14−2928.

102.24 Remanding record. (1) Upon the setting aside of any order or award, the court may remit the controversy and remand the record in the case to the commission for further hearing or proceedings, or it may enter the proper judgment upon the findings of the commission, as the nature of the case shall demand.

(2) An abstract of the judgment entered by the trial court upon the review of any order or award shall be made by the clerk of circuit court upon the judgment and lien docket entry of any judgment which may have been rendered upon the order or award. Transcripts of the abstract may be obtained for like entry upon the judgment and lien dockets of the courts of other counties.

102.25 Appeal from judgment on award. (1) Any party aggrieved by a judgment entered upon the review of any order or award may appeal the judgment within the period specified in s. 808.04 (1). A trial court may not require the commission or any party to the action to execute, serve, or file an undertaking under s. 808.07 or to serve, or secure approval of, a transcript of the notes of the stenographic reporter or the tape of the recording machine.
The state is a party aggrieved under this subsection if a judgment is entered upon the review confirming any order or award against the state. At any time before the case is set down for hearing in the court of appeals or the supreme court, the parties may have the record remanded by the court to the department or the division in the same manner and for the same purposes as provided for remanding from the circuit court to the department or the division under s. 102.24 (2).

(2) It shall be the duty of the clerk of any court rendering a decision affecting an award of the commission to promptly furnish the commission with a copy of such decision without charge.

Judicial Council Note, 1983: Sub. (1) is amended to replace the appeal deadline of 30 days after service of notice of entry of judgment or award by the standard time specified in s. 808.04 (1), stats., for greater uniformity. The subsection is further amended to eliminate the superfluous provisions for calendaring and hearing the appeal. [Bill 151-5]

A court order setting aside an administrative order and remanding the case to the administrative agency disposed of the entire matter in litigation and was appealable as of right. Beams v. DLHR, 102 Wis. 2d 70, 306 N.W.2d 22 (1983).

102.26 Fees and costs. (1) No fees may be charged by the clerk of any circuit court for the performance of any service required by this chapter, except for the entry of judgments and certified transcripts of judgments. In proceedings to review an order or award, costs as between the parties shall be in the discretion of the court, but no costs may be taxed against the commission.

(2) Unless previously authorized by the department or the division, no fee may be charged or received for the enforcement or collection of any claim for compensation nor may any contract for that enforcement or collection be enforceable when that fee, inclusive of all taxable attorney fees paid or agreed to be paid for that enforcement or collection, exceeds 20 percent of the amount at which the claim is compromised or of the amount awarded, adjudged, or collected, except that in cases of admitted liability in which there is no dispute as to the amount of compensation due and in which the hearing or appeal is not necessary, the fee charged may not exceed 10 percent, but not to exceed $250, of the amount at which the claim is compromised or of the amount awarded, adjudged, or collected. The limitation as to fees shall apply to the combined charges of attorneys, solicitors, representatives, and adjusters who knowingly combine their efforts toward the enforcement or collection of any compensation claim.

(3) (a) Except as provided in par. (b), compensation exceeding $100 in favor of any claimant shall be made payable to and delivered directly to the claimant in person.

(b) 1. Subject to sub. (2), upon application of any interested party, the department or the division may fix the fee of the claimant’s attorney or representative and provide in the award for that fee to be paid directly to the attorney or representative.

2. At the request of the claimant the medical expense, witness fees and other charges associated with the claim may be ordered paid out of the amount awarded.

3. The claimant may request the insurer or self−insured employer to pay any compensation that is due the claimant by depositing the payment directly into an account maintained by the claimant at a financial institution. If the insurer or self−insured employer agrees to the request, the insurer or self−insured employer may deposit the payment by direct deposit, electronic funds transfer, or any other money transfer technique approved by the department or the division. The claimant may revoke a request under this subdivision at any time by providing appropriate written notice to the insurer or self−insured employer.

(c) Payment according to the directions of the award shall protect the employer and the employer’s insurer, or the uninsured employers fund if applicable, from any claim of attorney’s lien.

(4) Any attorney or other person who charges or receives any fee in violation of this section may be required to forfeit double the amount retained by the attorney or other person, which forfeiture shall be collected by the state in an action in debt upon complaint of the department or the division. Out of the sum recovered the court shall direct payment to the injured party of the amount of the overcharge.

Cross-reference: See also s. DWD 80.43. Wis. adm. code.

The only fee authorized to be paid to any clerk of court under sub. (1) is the fee under s. 814.61 (5), when applicable. 76 Atty. Gen. 148.

102.27 Claims and awards protected; exceptions. (1) Except as provided in sub. (2), no claim for compensation shall be assignable, but this provision shall not affect the survival thereof; nor shall any claim for compensation, or compensation awarded, or paid, be taken for the debts of the party entitled thereto.

(2) (a) A benefit under this chapter is assignable under s. 46.10 (14) (e), 49.345 (14) (e), 301.12 (14) (e), 767.225 (1) (L), 767.513 (3), or 767.75 (1) or (2m).

(b) If a governmental unit provides public assistance under ch. 49 to pay medical costs or living expenses related to a claim under this chapter and if the governmental unit has given the parties to the claim written notice stating that the governmental unit provided or paid the assistance and the cost of that assistance, the department or the division shall order the employer or insurer or self−insured employer owing compensation reimbursement to reimburse that governmental unit for the amount of assistance the governmental unit provided or two−thirds of the amount of the award or payment remaining after deduction of attorney fees and any other fees or costs chargeable under ch. 102, whichever is less. The department shall comply with this paragraph when making payments under s. 102.81.

102.28 Preference of claims; worker’s compensation insurance. (1) PREFERENCE. The whole claim for compensation for the injury or death of any employee or any award or judgment thereon, and any claim for unpaid compensation insurance premiums are entitled to preference in bankruptcy or insolvency proceedings as is given creditors’ actions except as denied or limited by any law of this state or by the federal bankruptcy act, but this section shall not impair the lien of any judgment entered upon any award.

(2) REQUIRED INSURANCE EXCEPTIONS. (a) Duty to insure payment for compensation. Unless exempted under par. (b) or (bm) or sub. (3), every employer, as described in s. 102.04 (1), shall insure payment for compensation under this chapter in an insurer authorized to do business in this state. A joint venture may elect to be an employer under this chapter and obtain insurance for payment of compensation. If a joint venture that is subject to this chapter only because the joint venture elected to be an employer under this chapter is dissolved and cancels or terminates its contract for the insurance of compensation under this chapter, that joint venture is deemed to have effected withdrawal, which shall be effective on the day after the contract is canceled or terminated.

(b) Exemption from duty to insure; employers generally. The department may grant a written order of exemption to an employer who shows its financial ability to pay the amount of compensation, agrees to report faithfully all compensable injuries and agrees to comply with this chapter and the rules of the department. The department may condition the granting of an exemption upon the employer’s furnishing of satisfactory security to guarantee payment of all claims under compensation. The department may require that bonds or other personal guarantees be enforceable against sureties in the same manner as an award may be enforced. The department may from time to time require proof of financial ability of the employer to pay compensation. Any exemption shall be void if the application for it contains a financial statement which is false in any material respect. An employer who files an application containing a false financial statement remains subject to par. (a). The department may promulgate rules establishing an amount to be charged to an initial applicant for exemption under...
this paragraph and an annual amount to be charged to employers that have been exempted under this paragraph.

(bm) Exemption from duty to insure: governmental employers.
1. Subject to subs. 2. to 4., if the state or a local governmental unit that has independent taxing authority is not partially insured or fully insured for its liability for the payment of compensation under this chapter, or to the extent that the state or a local governmental unit that has independent taxing authority is not partially insured for that liability under one or more contracts issued with the consent of the department under s. 102.31 (1) (b), and if the state or local governmental unit agrees to report faithfully all compensable injuries and to comply with this chapter and all rules of the department, the state or local governmental unit may elect to self-insure that liability without further order of the department.

2. Notwithstanding the absence of an order of exemption from the duty to insure under par. (a), if the state or a local governmental unit that elects to self-insure as provided in subd. 1. is exempt from that duty. Notwithstanding that exemption, if the state or a local governmental unit that elects to self-insure as provided in subd. 1. desires partial insurance or divided insurance, the state or local governmental unit shall obtain the consent of the department under s. 102.31 (1) (b) to the issuance of a contract providing such insurance.

3. a. A local governmental unit that elects to self-insure its liability for the payment of compensation under this chapter shall notify the department of that election in writing before commencing to self-insure that liability and shall notify the department of its intent to continue to self-insure that liability every 3 years after that initial election. A local governmental unit that wishes to withdraw that election shall notify the department of that withdrawal not less than 30 days before the effective date of that withdrawal.

b. A notice under subd. 3. a. shall be accompanied by a resolution adopted by the governing body of the local governmental unit and signed by the elected or appointed chief executive of the local governmental unit stating that the governing body intends and agrees to self-insure the liability of the local governmental unit for the payment of compensation under this chapter and that the local governmental unit agrees to report faithfully all compensable injuries and to comply with this chapter and all rules of the department.

c. An election to self-insure under subd. 1. is subject to revocation under par. (c) 2. Once such an election is revoked, the employer whose election is revoked may not elect to self-insure its liability for the payment of compensation under this chapter unless at least 3 calendar years have elapsed since the revocation and the department finds that the employer’s financial condition is adequate to pay its employees’ claims for compensation, that the employer has not received an excessive number of claims for compensation, and that the employer has faithfully discharged its obligations under this chapter and all rules of the department.

(c) Revocation of exemption or election. 1. The department, after seeking the advice of the self-insurers council, may revoke an exemption granted to an employer under par. (b), upon giving the employer 10 days’ written notice, if the department finds that the employer’s financial condition is inadequate to pay its employees’ claims for compensation, that the employer has received an excessive number of claims for compensation, or that the employer has failed to discharge faithfully its obligations according to the agreement contained in the application for exemption.

2. The department may revoke an election made by an employer under par. (bm), upon giving the employer 10 days’ written notice, if the department finds that the employer’s financial condition is inadequate to pay its employees’ claims for compensation, that the employer has received an excessive number of claims for compensation, or that the employer has failed to discharge faithfully its obligations under this chapter and all rules of the department.

3. Within 10 days after receipt of a notice of revocation under subd. 1. or 2., the employer may request in writing a review of the revocation by the secretary or the secretary’s designee and the secretary or the secretary’s designee shall review the revocation within 30 days after receipt of the request for review. If the employer is aggrieved by the determination of the secretary or the secretary’s designee, the employer may, within 10 days after receipt of notice of that determination, request a hearing under s. 102.17. If the secretary or the secretary’s designee determines that the employer’s exemption or election should be revoked, the employer shall obtain insurance coverage as required under par. (a) immediately upon receipt of notice of that determination and, notwithstanding the pendency of proceedings under ss. 102.17 to 102.25, shall keep that coverage in force until another exemption under par. (b) is granted or another election under par. (bm) is made.

(d) Effect of insuring with unauthorized insurer. If an employer that is exempted under par. (b) or (bm) from the duty to insure under par. (a) enters into any agreement for excess insurance coverage with an insurer not authorized to do business in this state, the employer shall report that agreement to the department immediately. The placing of such coverage shall not by itself be grounds for revocation of the exemption.

e. Rules. The department shall promulgate rules to implement this subsection.

(3) Provision of alternative benefits. (a) An employer may file with the department an application for exemption from the duty to pay compensation under this chapter with respect to any employee who signs the waiver described in subd. 1. and the affidavit described in subd. 2. if an authorized representative of the religious sect to which the employee belongs signs the affidavit specified in subd. 3. and the agreement described in subd. 4.

An application for exemption under this paragraph shall include all of the following:

1. A written waiver by the employee or, if the employee is a minor, by the employee and his or her parent or guardian of all compensation under this chapter other than the alternative benefits provided under par. (c).

2. An affidavit by the employee or, if the employee is a minor, by the employee and his or her parent or guardian stating that the employee is a member of a recognized religious sect and that, as a result of the employee’s adherence to the established tenets or teachings of the religious sect, the employee is conscientiously opposed to accepting the benefits of any public or private insurance that makes payments in the event of death, disability, old age or retirement, or that makes payments toward the cost of or provides medical care, including any benefits provided under the federal social security act, 42 USC 301 to 1397f.

3. An affidavit by an authorized representative of the religious sect to which the employee belongs stating that the religious sect has a long-standing history of providing its members who become dependent on the support of the religious sect as a result of work-related injuries, and the dependents of those members, with a standard of living and medical treatment that are reasonable when compared to the general standard of living and medical treatment for members of the religious sect.

4. An agreement signed by an authorized representative of the religious sect to which the employee belongs to provide the financial and medical assistance described in subd. 3. to the employee and to the employee’s dependents if the employee sustains an injury which, but for the waiver under subd. 1., the employer would be liable for under s. 102.03.

(b) The department shall approve an application under par. (a) if the department determines that all of the following conditions are satisfied:

1. The employee has waived all compensation under this chapter other than the alternative benefits provided under par. (c).
2. The employee is a member of a religious sect whose established tenets or teachings oppose accepting the benefits of insurance as described in par. (a) 2. and that, as a result of adherence to those tenets or teachings, the employee conscientiously opposes accepting those benefits.

3. The religious sect to which the employee belongs has a long-established history of providing its members who become dependent on the religious sect as a result of work-related injuries, and the dependents of those members, with a standard of living and medical treatment that are reasonable when compared to the general standard of living and medical treatment for members of the religious sect. In determining whether the religious sect has a long-established history of providing the financial and medical assistance described in this subdivision, the department shall presume that a 25-year history of providing that financial and medical assistance is long-established for purposes of this subdivision.

4. The religious sect to which the employee belongs has agreed to provide the financial and medical assistance described in subd. 3. to the employee and to the dependents of the employee if the employee sustains an injury that, but for the waiver under par. (a) 1., the employer would be liable for under s. 102.03.

(c) An employee who has signed a waiver under par. (a) 1. and an affidavit under par. (a) 2., who sustains an injury that, but for that waiver, the employer would be liable for under s. 102.03, who at the time of the injury was a member of a religious sect whose authorized representative has filed an affidavit under par. (a) 3. and an agreement under par. (a) 4., and who as a result of the injury becomes dependent on the religious sect for financial and medical assistance, or the employee’s dependent, may request a hearing under s. 102.17 (1) to determine if the religious sect has provided the employee and his or her dependents with a standard of living and medical treatment that are reasonable when compared to the general standard of living and medical treatment for members of the religious sect. If, after hearing, the division determines that the religious sect has not provided that standard of living or medical treatment, or both, the division may order the religious sect to provide alternative benefits to that employee or his or her dependent, or both, in an amount that is reasonable under the circumstances, but not in excess of the benefits that the employee or dependent could have received under this chapter but for the waiver under par. (a) 1.

(d) The department shall provide a form for the application for exemption of an employer under par. (a) (intro.), the waiver and affidavit of an employee under par. (a) 1. and 2., the affidavit of a religious sect under par. (a) 3. and the agreement of a religious sect under par. (a) 4. A properly completed form is prima facie evidence of satisfaction of the conditions under par. (b) as to the matter contained in the form.

(4) CLOSURE ORDER. (a) When the department discovers an uninsured employer, the department may order the employer to cease operations until the employer complies with sub. (2).

(b) If the department believes that an employer may be an uninsured employer, the department shall notify the employer of the alleged violation of sub. (2) and the possibility of closure under this subsection. The employer may request and shall receive a hearing under s. 102.17 on the matter if the employer applies for a hearing within 10 days after the notice of the alleged violation is served.

(c) After a hearing under par. (b), or without a hearing if one is not requested, the division may issue an order to an employer to cease operations on a finding that the employer is an uninsured employer. If no hearing is requested, the department may issue such an order.

(d) The department of justice may bring an action in any court of competent jurisdiction for an injunction or other remedy to enforce an order to cease operations under par. (c).

(5) EMPLOYER’S LIABILITY. If compensation is awarded under this chapter, against any employer who at the time of the accident has not complied with sub. (2), such employer shall not be entitled as to such award or any judgment entered thereon, to any of the exemptions of property from seizure and sale on execution allowed in s. 815.18 to 815.21. If such employer is a corporation, the officers and directors thereof shall be individually and jointly and severally liable for any portion of any such judgment as is returned unsatisfied after execution against the corporation.

(6) REPORTS BY EMPLOYER. Every employer shall upon request of the department report to it the number of employees and the nature of their work and also the name of the insurance company with whom the employer has insured liability under this chapter and the number and date of expiration of such policy. Failure to furnish such report within 10 days from the making of a request by certified mail shall constitute presumptive evidence that the delinquent employer is violating sub. (2).

(7) INSOLVENT EMPLOYERS; ASSESSMENTS. (a) If an employer who is currently or was formerly exempted by written order of the department under sub. (2) (b) is unable to pay an award, judgment is rendered in accordance with s. 102.20 against that employer, and execution is levied and returned unsatisfied in whole or in part, payments for the employer’s liability shall be made from the fund established under sub. (8). If a currently or formerly exempted employer files for bankruptcy and not less than 60 days after that filing the department has reason to believe that compensation payments due are not being paid, the department in its discretion may make payment for the employer’s liability from the fund established under sub. (8). The secretary of administration shall proceed to recover those payments from the employer or the employer’s receiver or trustee in bankruptcy, and may commence an action or proceeding or file a claim for those payments. The attorney general shall appear on behalf of the secretary of administration in any such action or proceeding. All moneys recovered in any such action or proceeding shall be paid into the fund established under sub. (8).

(b) 1. Each employer exempted by written order of the department under sub. (2) (b) shall pay into the fund established by sub. (8) an initial assessment based on orders of the department as provided in subd. 2. An order of the department requiring exempt employers to pay into that fund shall provide for an amount that is sufficient to secure estimated payments of an insolvent exempt employer due for the period up to the date of the order and for one year following the date of the order and to pay the estimated cost of insurance carrier or insurance service organization services under par. (c). Payments ordered to be made to the fund shall be paid to the department within 30 days after the date of the order. If additional moneys are required, further assessments shall be made based on orders of the department as provided under subd. 2.

2. An initial or further assessment under subd. 1. shall be prorated on the basis of the gross payroll for this state of the exempt employer as reported to the department for the previous calendar year for unemployment insurance purposes under ch. 108 or, if an exempt employer is not covered under ch. 108, on the basis of the comparable gross payroll for the exempt employer as determined by the department. If payment of any assessment made under subd. 1. is not made within 30 days after the date of the order of the department, the attorney general may appear on behalf of the state to collect the assessment.

(bm) The department may not do any of the following:

1. Require an employer that elects under sub. (2) (b) (bm) to self-insure its liability for the payment of compensation under this chapter to pay into the fund established under sub. (8).

2. Make any payments from the fund established under sub. (8) for the liability under this chapter of an employer that elects under sub. (2) (b) (bm) to self-insure its liability for the payment of compensation under this chapter, whether currently or formerly exempt from the duty to insure under sub. (2) (a).

(c) The department may retain an insurance carrier or insurance service organization to process, investigate and pay valid
claims. The charge for such service shall be paid from the fund as provided under par. (b).

(d) The department shall promulgate rules to implement this subsection.

(8) SELF-INSURED EMPLOYERS LIABILITY FUND. The moneys paid into the state treasury under sub. (7), together with all accrued interest, shall constitute a separate nonlapsible fund designated as the self-insured employers liability fund. Moneys in the fund may be expended only as provided in s. 20.445 (1) (s) and may not be used for an other purpose of the state.

Cross-reference: See also ss. DWD 80.40 and 80.60, Wis. adm. code.

The “insurance payment” requirement of sub. (2) (a) requires an employer to provide coverage for every employee in all possible employment situations. Substantial compliance with sub. (2) (a) is not sufficient. This provision does not violate due process.

102.29 Third party liability. (1) (a) The making of a claim for compensation against an employer or compensation insurer for the injury or death of an employee shall not affect the right of the employee, the employee’s personal representative, or other person entitled to make in the future, under this chapter, except that the employer, the employee's personal representative or other person entitled to bring action.

(b) If a party entitled to notice cannot be found, the department shall become the agent of that party for the giving of a notice as required in par. (a) and the notice, when given to the department, shall include an affidavit setting forth the facts, including the steps taken to locate that party. Each party shall have an equal voice in the prosecution of the claim, and any disputes arising shall be passed upon by the court before whom the case is pending, and if no action is pending, then by a court of record or by the department or the division. If notice is given as provided in par. (a), the liability of the tort-feasor shall be determined as to all parties having a right to make claim and, irrespective of whether or not all parties join in prosecuting the claim, the proceeds of the claim shall be divided as follows:

1. After deducting the reasonable cost of collection, one-third of the remainder shall in any event be paid to the injured employee or the employee’s personal representative or other person entitled to bring action.

2. Out of the balance remaining after the deduction and payment specified in subd. 1., the employer, the insurance carrier, or, if applicable, the uninsured employers fund or the work injury supplemental benefit fund shall be reimbursed for all payments made by the employer, insurance carrier, or department, or which the employer, insurance carrier, or department may be obligated to make in the future, under this chapter, except that the employer, insurance carrier, or department shall not be reimbursed for any payments made or to be made under s. 102.18 (1) (b) 3. or (bp), 102.22, 102.35 (3), 102.57, or 102.60.

3. Any balance remaining after the reimbursement described in subd. 2. shall be paid to the employee or the employee’s personal representative or other person entitled to bring action.

(c) If both the employee or the employee’s personal representative or other person entitled to bring action, and the employer, compensation insurer, or department, join in the pressing of said claim and are represented by counsel, the attorney fees allowed as a part of the costs of collection shall be, unless otherwise agreed upon, divided between the attorneys for those parties as directed by the court or by the department or the division.

(d) A settlement of a third-party claim shall be void unless the settlement and the distribution of the proceeds of the settlement are approved by the court before whom the action is pending or, if no action is pending, then by a court of record or by the department or the division.

(2) In the case of liability of the employer or insurer to make payment into the state treasury under s. 102.49 or 102.59, if the injury or death was due to the actionable act, neglect or default of a third party, the employer or insurer shall have a right of action against the third party to recover the sum so paid into the state treasury, which right may be enforced either by joining in the action mentioned in sub. (1), or by independent action. Contributory negligence of the employee because of whose injury or death such payment was made shall bar recovery if such negligence was greater than the negligence of the person against whom recovery is sought, and the recovery allowed the employer or insurer shall be diminished in proportion to the amount of negligence attributable to such injury or death of the deceased employee. Any action brought under this subsection may, upon order of the court, be consolidated and tried together with any action brought under sub. (1).

(3) Nothing in this chapter shall prevent an employee from taking the compensation that the employee may be entitled to under this chapter and also maintaining a civil action against any physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist for malpractice.

(4) If the employer and the third party are insured by the same insurer, or by the insurers who are under common control, the employer’s insurer shall promptly notify the parties in interest and the department. If the employer has assumed the liability of the third party, it shall give similar notice, in default of which any settlement with an injured employee or beneficiary is void. This subsection does not prevent the employer or compensation insurer from sharing in the proceeds of any third-party claim or action, as set forth in sub. (1).

(5) An insurer subject to sub. (4) which fails to comply with the notice provision of that subsection and which fails to commence a third-party action, within the 3 years allowed by s. 893.54, may not plead that s. 893.54 is a bar in any action commenced by the injured employee under this section against such third party subsequent to 3 years from the date of injury, but prior to 6 years from such date of injury. Any recovery in such an action is limited to the insured liability of the third party. In any such action commenced by the injured employee subsequent to the 3-year period, the insurer of the employer shall forfeit all right to participate in such action as a complainant and to recover any payments made under this chapter.

(6) (a) In this subsection, “temporary help agency” means a temporary help agency that is primarily engaged in the business of placing its employees with or leasing its employees to another employer as provided in s. 102.01 (2) (f).

(b) No employee of a temporary help agency who has the right to make a claim for compensation may make a claim or maintain an action in tort against any of the following:

1. Any employer that compensates the temporary help agency for the employee’s services.

2. Any other temporary help agency that is compensated by that employer for another employee’s services.

3. Any employee of that compensating employer or of that other temporary help agency, unless the employee who has the right to make a claim for compensation would have a right under s. 102.03 (2) to bring an action against the employee of the com-
peninsating employer or the employee of the other temporary help agency if the employees were coemployees.
(c) No employee of an employer that compensates a temporary help agency for another employee’s services who has the right to make a claim for compensation may make a claim or maintain an action in tort against any of the following:
1. The temporary help agency.
2. Any employee of the temporary help agency, unless the employee who has the right to make a claim for compensation would have a right under s. 102.03 (2) to bring an action against the employee of the temporary help agency if the employees were coemployees.
3. Any employee of the client or of that other employee leasing company, unless the leased employee who has the right to make a claim for compensation would have a right under s. 102.03 (2) to bring an action against the employee of the client or the leased employee of the other employee leasing company if the employees and leased employees were coemployees.
(b) No employee of a client who has the right to make a claim for compensation may make a claim or maintain an action in tort against any of the following:
1. An employee leasing company that provides the services of a leased employee to the client.
2. Any leased employee of the employee leasing company, unless the employee who has the right to make a claim for compensation would have a right under s. 102.03 (2) to bring an action against the leased employee if the employee and the leased employee were coemployees.
7. No employee who is loaned by his or her employer to another employer and who has the right to make a claim for compensation under this chapter may make a claim or maintain an action in tort against the employer who accepted the loaned employee’s services.
8. No student of a public school, a private school, or an institution of higher education who is named under s. 102.077 as an employee of the school district, private school, or institution of higher education for purposes of this chapter and who has the right to make a claim for compensation under this chapter may make a claim or maintain an action in tort against the employer who provided the work training or work experience from which the claim arose.
8m. No participant in a community service job under s. 49.147 (4) or a transitional placement under s. 49.147 (5) who, under s. 49.147 (4) (c) or (5) (c), is provided worker’s compensation coverage by a Wisconsin works agency, as defined under s. 49.001 (9), and who has the right to make a claim for compensation under this chapter may make a claim or maintain an action in tort against the employer who provided the community service job or transitional placement from which the claim arose.
8s. No participant in a food stamp employment and training program under s. 49.79 (9) who, under s. 49.79 (9) (a) 5., is provided worker’s compensation coverage by the department of health services or by a Wisconsin Works agency, as defined in s. 49.001 (9), or other provider under contract with the department of health services or by a Wisconsin Works agency, as defined in s. 49.001 (9), is entitled to share in a jury award in a 3rd-party action against a coemployee.
(9) No participant in a work experience component of a job opportunities and basic skills program who, under s. 49.193 (6) (a), 1997 stats., was considered to be an employee of the agency administering that program, or who, under s. 49.193 (6) (a), 1997 stats., was provided worker’s compensation coverage by the person administering the work experience component, and who makes a claim for compensation under this chapter may make a claim or maintain an action in tort against the employer who provided the work experience from which the claim arose. This subsection does not apply to injuries occurring after February 24, 1998.
(10) A practitioner who, under s. 257.03, is considered an employee of the state for purposes of worker’s compensation coverage while providing services on behalf of a health care facility, the department of health services, or a local health department during a state of emergency and who has the right to make a claim for compensation under this chapter may not make a claim or maintain an action in tort against the health care facility, department, or local health department that accepted those services.
(13) No individual who is an employer of a managed care organization or managed health care program who has the right to make a claim for compensation under this chapter may make a claim or maintain an action in tort against the person described in s. 102.07 (20) who received the services from which the claim arose.

NOTE: See cases annotated under s. 102.07 as to the right to bring a 3rd-party action against a coemployee.

In a 3rd-party action [now under this section], safe place liability [now under s. 102.03 (3)] is not applicable. The right to share in a jury award was not dependent on participation in the prosecution of the underlying action.

Updated 2017-18 Wis. Stats. Updated 2017-18 Wisconsin Statutes. Published and certified under s. 35.18. Changes effective after July 14, 2020, are designated by NOTES. (Published 7–14–20)
The Seaman loaned employee test has three elements but is often misconstrued because the Seaman court indicated that there are four “vital questions” that must be answered. The three elements are: 1) consent by the employee; 2) entry of the employee upon work for the special employer; and 3) power in the special employer to control details of the work. When an employee of one employer assists the employees of another employer as a true volunteer, a loaned employee relationship does not result. Zentgraf v. Corvyn Transport Ltd., 212 Wis. 2d 25, 567 N.W.2d 887 (Ct. App. 1997), 96–2311.

The allocation of a settlement to various plaintiffs cannot be contested by an insurer who defaults at the hearing to approve the settlement. An insurer does not lose its share in the proceeds by defaulting, but it does forfeit its right to object to the application of settlement proceeds to specific claims. Herlache v. Blackhawk Collision Repair, Inc., 215 Wis. 2d 99, 572 N.W.2d 121 (Ct. App. 1997), 97–0760.

In a 3rd-party action filed by an insurer under sub. (1), the insurer has the right to maintain an action for payments it is entitled to recover from an employee’s settlement or to press a claim for the employee’s losses. Although insurers are not required to execute a jury demand for the employee, they can do so to prevent the employee from being a party to any actions brought by or on behalf of the employee against any employer that compensated the special employer for the employee’s services. In doing so, a court is typically guided by the respective attorneys’ fee agreements.

Third-party claims under sub. (1) include wrongful death actions; settlement proceeds to specific-claim holders under sub. (1) must be reasonable. The court must consider all of the circumstances to determine whether a deficiency exists and look to the factors in SCR 201.5(1)(a) that help determine the reasonable value of an attorney’s fees. For hourly hours, the court can use the lodestar approach under which the circuit court must first multiply the reasonable number of hours expended by a reasonable rate then make adjustments using the factors in SCR 201.5(1)(a).

A pro rata distribution formula under SCR 201.5(6) applies whenever the insurance proceeds are insufficient to satisfy all claims regardless of the reason for the insufficiency, including a settlement by the parties. Allocating a disproportionate amount of the total settlement to claims that are exempt from sub. (1) circumvents legislative intent. The Brewer formula prevents the parties from using settlement proceeds to run-end around the provisions of the worker’s compensation law. In re Green v. Advance Finishing Technology, Inc., 2005 WI App 70, 280 Wis. 2d 743, 695 N.W.2d 856, 04–0877.

A third-party claim under sub. (1) include wrongful death actions; settlement proceedings are subject to allocation under sub. (1). Stolper v. Owens–Corning Fiberglass Corp., 178 Wis. 2d 747, 505 N.W.2d 157 (Ct. App. 1993). The traditional four–propr Seaman test for determining whether a person was a “loaned employee” was declared unconstitutional and its application to temporary employees not covered by sub. (6). Baumgans v. Zell, 190 Wis. 2d 701, 528 N.W.2d 1 (1995).

Pecuniary damages recovered in a 3rd−party wrongful death action are subject to allocation under this section. Johnson v. ABC Insurance Co., 193 Wis. 2d 35, 532 N.W.2d 130 (1995).

An insurer is entitled to reimbursement under sub. (1) from an employee’s settlement with his or her employer when the employee’s basis for liability is an indemnification agreement with a 3rd−party tort−feasor . Houlihan v. ABC Insurance Co., 196 Wis. 2d 133, 542 N.W.2d 178 (Ct. App. 1995), 95–0662.

Sub. (5) extends the statute of limitations only when s. 893.54 is the applicable statute and extends the statute of another case when it is applicable under s. 893.07. That sub. (5) only applies to cases subject to the Wisconsin statute is not unconstitutional. Bell v. Employers Casualty Co., 198 Wis. 2d 347, 541 N.W.2d 824 (Ct. App. 1995), 95–0301.
ments. In this case, however, the record did not contain a written fee agreement or describe the unwritten fee agreement terms with a high degree of clarity or specificity. Under those circumstances, a circuit court may determine the reasonable value of an attorney's services using a quantum meruit theory—that is, by multiplying the number of hours worked on the case by a reasonable hourly rate. However, a circuit court is not required to employ a quantum meruit analysis. Vande Corpur v. Pekin Insurance Co., 2018 WI App 56, 384 Wis. 2d 252, 918 N.W.2d 117, 17–0357.

In this case, the existence of an unfulfilled contingency did not prevent the circuit court from approving a settlement agreement. Sub. (1) (c) expressly states that the court could not calculate the reasonable value of the attorneys' fees using either a lodestar or a quantum meruit analysis because the attorneys had failed to provide the necessary evidence, and, accordingly, concluded that the reasonable amount of the attorneys' fees was 0.

102.30 Other insurance not affected; liability of insured employer. (1) This chapter does not affect the organization of any mutual or other insurance company or the right of the employer to insure in mutual or other companies against such liability or against the liability for the compensation provided for by this chapter.

(2) An employer may provide by mutual or other insurance, by agreement with employees or otherwise, for the payment to those employees, their families, their dependents or their representatives, of sick, accident or death benefits in addition to the compensation provided under this chapter. Liability for compensation is not affected by any insurance, contribution or other benefit due to or received by the person entitled to that compensation.

(3) Unless an employee elects to receive sick leave benefits in lieu of compensation under this chapter, if sick leave benefits are paid during the period that temporary disability benefits are payable, the employer shall restore sick leave benefits to the employee in an amount equal in value to the temporary disability benefits paid under this chapter. The combination of temporary disability benefits and sick leave benefits paid to the employee may not exceed the employee's weekly wage.

(4) Regardless of any insurance or other contract, an employee or dependent entitled to compensation under this chapter may recover compensation directly from the employer and may enforce in the person's own name, in the manner provided in this chapter, the liability of any insurance company which insured the employer for reimbursement under par. (102.35 (3) (a) is the sole liability of the employer, notwithstanding any agreement of the parties to the contrary.

(5) An intermediate agency or publisher of a newspaper or magazine may, under its own contract of insurance, cover liability of persons selling or distributing the newspaper or magazine on the street or from house to house for an intermediate or independent news agency, if the contract of insurance of the publisher or intermediate agency is endorsed to cover those persons. If the publisher so covers, the intermediate or independent news agency need not cover liability for those persons.

(6) A contract procured to insure a partnership may not be construed to cover the individual liability of the members of the partnership in the course of a trade, business, profession or occupation conducted by them as individuals. A contract procured to insure an individual may not be construed to cover the liability of the individual arising as a member of any partnership.

(7) A no-party to a contract of insurance may cancel the contract within the contract period or terminate or not renew the contract upon the expiration date until notice in writing is given to the other party fixing the proposed date of cancellation or declaring that the party intends to terminate or does not intend to renew the policy upon expiration. Except as provided in par. (b), when an insurance company does not renew a policy upon expiration, the nonrenewal is not effective until 60 days after the insurance company has given written notice of the nonrenewal to the insured employer and the department. Cancellation or termination of a
policy by an insurance company for any reason other than nonrenewal is not effective until 30 days after the insurance company has given written notice of the cancellation or termination to the insured employer and the department. Notice to the department may be given by personal service of the notice upon the department at its office in Madison or by sending the notice to the department in a medium approved by the department. The department may provide by rule that the notice of cancellation or termination be given to the Wisconsin compensation rating bureau rather than to the department in a medium approved by the department after consultation with the Wisconsin compensation rating bureau. Whenever the Wisconsin compensation rating bureau receives such a notice of cancellation or termination it shall immediately notify the department of the notice of cancellation or termination.

(b) 1. In the event of a court-ordered liquidation of an insurance company, a contract of insurance issued by that company terminates on the date specified in the court order.

2. Regardless of whether the notices required under par. (a) have been given, a cancellation or termination is effective upon the effective date of replacement insurance coverage obtained by the employer, the effective date of an order under s. 102.28 (2) (b) exempting the employer from the duty to carry insurance under s. 102.28 (2) (a), or the effective date of an election by an employer under s. 102.28 (2) (bm) to self-insure its liability for the payment of compensation under this chapter.

(3) The department may examine from time to time the books and records of any insurer issuing liability or compensation for any employer in this state. The department may require an insurer and records of any insurer insuring liability or compensation for employees of the client are not leased employees.

Any insurer that refuses or fails to answer correspondence from an employer in this state. The department may require an insurer and records of any insurer insuring liability or compensation for employees of the client are not leased employees. The department has standing to appear as a complainant and present evidence in any administrative hearing or court proceeding instituted for alleged violation of s. 626.34 (7).

(7) If the department by one or more written orders specifically authorizes issuance of one or more contracts covering only the liability incurred on a construction project and if the construction project owner designates the insurance carrier and pays for each such contract, the construction project owner shall reimburse the department for all costs incurred by the department in issuing the written orders and in ensuring minimum confusion and maximum safety on the construction project. All moneys received under this subsection shall be deposited in the worker’s compensation operations fund and credited to the appropriation account under s. 20.445 (1) (eb).

(8) The Wisconsin compensation rating bureau shall provide the department with any information that the department may request relating to worker’s compensation insurance coverage, including the names of employers insured and any insured employer’s address, business status, type and date of coverage, manual premium code, and policy information including numbers, cancellations, terminations, endorsements, and reinstate ment dates. The department may enter into contracts with the Wisconsin compensation rating bureau to share the costs of data processing and other services.

No information obtained by the department under this subsection may be made public by the department except as authorized by the Wisconsin compensation rating bureau.

Sub. (1) (b) [now (1) (d)] does not apply to a joint venture, and insurance written in the name of one venturer is sufficient to cover his or her joint liability. Insurance Company of North America v. DILHR, 45 Wis. 2d 361, 173 N.W.2d 192 (1970).
(2) Employee leasing company liable. An employee leasing company is liable under s. 102.03 for all compensation payable under this chapter to a leased employee, including any payments required under s. 102.16 (3), 102.18 (1) (b), or (bp), 102.22 (1), 102.35 (3), 102.57, or 102.60. Except as permitted under s. 102.29, an employee leasing company may not seek or receive reimbursement from another employer for any payments made as a result of that liability. An employee leasing company is not liable under s. 102.03 for any compensation payable under this chapter to an employee of a client who is not a leased employee.

(3) Multiple coordinated policy required. Except as provided in subs. (4) and (5) (a), an employee leasing company shall insure its liability under sub. (2) by obtaining a separate worker’s compensation insurance policy for each client of the employee leasing company under a multiple coordinated policy. The policy shall name both the employee leasing company and the client as named insureds, shall indicate which named insured is the employee leasing company and which is the client, shall designate either the employee leasing company or the client, but not both, as the first named insured, and shall provide the mailing address of each named insured. Except as permitted under sub. (6), an insurer may issue a policy for a client under this subsection only if all of the employees of the client are leased employees and are covered under the policy.

(4) Master policy. Approval required. An employee leasing company may insure its liability under sub. (2) by obtaining a master policy that has been approved by the commissioner of insurance as provided in this subsection. The commissioner of insurance may approve the issuance of a master policy if the insurer proposing to issue the master policy submits a filing to the bureau showing that the insurer has the technological capacity and operation capability to provide to the bureau information, including unit statistical data, information concerning proof of coverage and cancellation, termination, and nonrenewal of policies, and any other information that the bureau may require, at the client level and in a format required by the bureau and the bureau submits the filing to the commissioner of insurance for approval under s. 102.16 (3). A master policy filing under this subsection shall also establish basic manual rules governing the issuance of an insurance policy covering the leased employees of a divided workforce that are consistent with sub. (6) and the cancellation, termination, and nonrenewal of policies that are consistent with sub. (16). On approval by the commissioner of insurance of a master policy filing, an insurer may issue a master policy to an employee leasing company insuring the liability of the employee leasing company under sub. (2).

(5) Master policy; small clients. (a) Regardless of whether a master policy has been approved under sub. (4), an employee leasing company may insure its liability under sub. (2) with respect to a group of small clients of the employee leasing company by obtaining a master policy in the voluntary market insuring that liability. The fact that an employee leasing company has a client that is covered under a mandatory risk-sharing plan under s. 619.01 does not preclude the employee leasing company from obtaining a master policy under this paragraph so long as that client is not covered under the master policy. An insurer may issue a master policy under this paragraph insuring in the voluntary market the liability under sub. (2) of an employee leasing company with respect to a group of small clients of the employee leasing company regardless of whether any of those small clients have a divided workforce.

(b) Within 30 days after the effective date of an employee leasing agreement with a small client that is covered under a master policy under par. (a), the employee leasing company shall report to the department all of the following information:

1. The name and address of the small client and of each entity or organization that is under common control or ownership with the small client.
2. The number of employees initially covered under the master policy.
3. The estimated unmodified annual premium assignable to the small client’s business, including the business of all entities or organizations that are under common control or ownership with the small client, without regard to whether the small client has a divided workforce, which information the small client shall report to the employee leasing company.

4. The effective date of the employee leasing agreement.

(c) Within 30 days after the effective date of coverage of a small client under a master policy under par. (a), the insurer or, if authorized by the insurer, the employee leasing company shall file proof of that coverage with the department. Coverage of a small client under a master policy becomes binding when the insurer or employee leasing company files proof of that coverage under this paragraph or provides notice of coverage to the small client, whichever occurs first. Nothing in this paragraph requires an employee leasing company or an employee of an employee leasing company to be licensed as an insurance intermediary under ch. 628.

(d) If at any time the unmodified annual premium assignable to the business of a small client that is covered under a master policy under par. (a), including the business of all entities or organizations that are under common control or ownership with the small client, without regard to whether the small client has a divided workforce, exceeds the threshold below which employers are not experience rated under the standards and criteria under ss. 626.11 and 626.12, the employee leasing company shall notify the insurer and obtain coverage for the small client under sub. (3) or (4).

(6) Divided workforce. (a) If a client notifies the department as provided under par. (b) of its intent to have a divided workforce, an insurer may issue a worker’s compensation insurance policy covering only the leased employees of the client. An insurer that issues a policy covering only the leased employees of a client is not liable under s. 102.03 for any compensation payable under this chapter to an employee of the client who is not a leased employee unless the insurer also issues a policy covering that employee. A client that has a divided workforce shall insure its employees who are not leased employees in the voluntary market and may not insure those employees under the mandatory risk-sharing plan under s. 619.01 unless the leased employees of the client are covered under that plan.

(b) A client that intends to have a divided workforce shall notify the department of that intent on a form prescribed by the department that includes all of the following:

That evidence shall be in the form of a copy of the information page or declaration page of a worker’s compensation insurance policy or binder evidencing placement of coverage in the voluntary market covering those employees.
3. An agreement by the client to assume full responsibility to immediately pay all compensation and other payments payable under this chapter as may be required by the department should a dispute arise between 2 or more insurers as to liability under this chapter for an injury sustained while a divided workforce plan is in effect, pending final resolution of that dispute. This subdivision does not preclude a client from insuring that responsibility in an insurer authorized to do business in this state.

(c) If the leased employees of a client are covered under a mandatory risk-sharing plan under s. 619.01, the client may, instead of providing the evidence required under par. (b) 2., provide evi-

(8) COVERAGE OF CERTAIN EMPLOYEES. (a) A sole proprietor, a partner, or a member of a limited liability company is not eligible for worker’s compensation benefits under a policy issued under sub. (3), (4), or (5) (a) unless the sole proprietor, partner, or member elects coverage under s. 102.075 by an endorsement on the policy naming the sole proprietor, partner, or member who has so elected.

(b) An officer of a corporation is covered for worker’s compensation benefits under a policy issued under sub. (3), (4), or (5) (a), unless the officer elects under s. 102.076 not to be covered under the policy by an endorsement on the policy naming the officer who has so elected.

(b) For a policy issued under sub. (3) in which an employee leasing company is the first named insured or for a master policy issued under sub. (c) This subsection does not prohibit an insurer from doing any of the following:

2. Requiring an employee leasing company to maintain a letter of credit or other form of security to ensure payment of a premium.

6. Applying a retrospective rating option for determining the premium charged with respect to a client. No insurer or employee leasing company may impose on, allocate to, or collect from a client a penalty under a retrospective rating option arrangement. This subdivision does not prohibit an insurer from requiring an employee leasing company to pay a penalty under a retrospective rating option arrangement with respect to a client of the employee leasing company.

(10) CANCELLATION, TERMINATION, AND NONRENEWAL OF POLICIES. (a) 1. A policy issued under sub. (3) in which the employee leasing company is the first named insured and a policy issued under sub. (4) or (5) (a) may be cancelled, terminated, or nonrenewed as provided in subs. 2. to 4.

Except as provided in s. 102.31 (2) (b), cancellation or termination of a policy under this subdivision for any reason other than nonrenewal is not effective until 30 days after the insurer has provided written notice of the cancellation or termination to the insured employee leasing company, the insured client, and the department. Except as provided in s. 102.31 (2) (b), nonrenewal of a policy under this subdivision is not effective until 60 days after the insurer has provided written notice of the cancellation or termination to the insured employee leasing company, the insured client, and the department.

4. If an employee leasing company terminates an employee leasing agreement with a client in its entirety, an insurer may cancel or terminate a policy described in subd. 1. covering that client during the policy period by providing written notice of the cancellation or termination to the insured employee leasing company and the department as required under s. 102.31 (2) (a) and by providing that notice to the insured client. The insurer shall state in the notice to the insured client that the policy is being cancelled or terminated due to the termination of the employee leasing agreement. Except as provided in s. 102.31 (2) (b), cancellation or termination of a policy under this subdivision is not effective until 30 days after the insurer has provided written notice of the cancellation or termination to the insured employee leasing company, the insured client, and the department.

If an employee leasing agreement is terminated during the policy period of a policy described in subd. 1., an insurer shall cancel the employee leasing company’s coverage under the policy by an endorsement to the policy and coverage of the client under the policy shall continue as to all employees of the client unless the policy is cancelled or terminated as permitted under subd. 3.

102.32 Continuing liability; guarantee settlement, gross payment. (1m) In any case in which compensation payments for an injury have extended or will extend over 6 months or more after the date of the injury or in any case in which death benefits are payable, any party in interest may, in the discretion of the department or the division, be discharged from, or compelled to guarantee, future compensation payments by doing any of the following:

(a) Depositing the present value of the total unpaid compensation upon a 5 percent interest discount basis with a credit union, savings bank, savings and loan association, bank, or trust company designated by the department or the division.

(b) Purchasing an annuity, within the limitations provided by law, from an insurance company licensed in this state that is designated by the department.

(c) Making payment in gross upon a 5 percent interest discount basis to be approved by the department or the division.

(d) In cases in which the time for making payments or the amounts of payments cannot be definitely determined, furnishing a bond, or other security, satisfactory to the department or the division for the payment of compensation as may be due or become due. The acceptance of the bond, or other security, and the form and sufficiency of the bond or other security, shall be subject to the approval of the department or the division. If the employer or insurer is unable or fails to immediately procure the bond, the employer or insurer, in lieu of procuring the bond, shall deposit with a credit union, savings bank, savings and loan association, bank, or trust company designated by the department or the division the maximum amount that may reasonably become payable in those cases, to be determined by the department or the division at amounts consistent with the extent of the injuries and the law. The bonds and deposits may be reduced only to satisfy claims and may be withdrawn only after the claims which they are to guarantee are fully satisfied or liquidated under par. (a), (b), or (c).

(5) Any insured employer may, in the discretion of the department or the division, compel the insurer to discharge, or to guarantee payment of, the employer’s liabilities in any case described in sub. (1m) and by that discharge or guarantee release the employer from liability for compensation in that case, except that if for any reason a bond furnished or deposit made under sub. (1m) does not fully protect the beneficiary of the bond or deposit, the compensation insurer or insured employer, as the case may be, shall still be liable to that beneficiary.

(6) (a) If compensation is due for permanent disability following an injury or if death benefits are payable, payments shall be made to the employee or dependent on a monthly basis as provided in pars. (b) to (e).

(b) Subject to par. (d), if the employer or the employer’s insurer conceives liability for an injury that results in permanent disability and if the extent of the permanent disability can be determined based on a minimum permanent disability rating promulgated by the department by rule, compensation for permanent disability shall begin within 30 days after the end of the employee’s healing period or the date on which compensation for temporary disability ends due to the employee’s return to work, whichever is earlier.

(c) Subject to par. (d), if the employer or the employer’s insurer conceives liability for an injury that results in permanent disability, but the extent of the permanent disability cannot be determined without a medical report that provides the basis for a minimum permanent disability rating, compensation for permanent disability shall begin within 30 days after the employer or the employer’s insurer receives a medical report that provides a basis for a permanent disability rating.

(d) The department shall promulgate rules for determining when compensation for permanent disability shall begin in cases in which the employer or the employer’s insurer conceives liability, but disputes the extent of permanent disability.

(e) Payments for permanent disability, including payments based on minimum permanent disability ratings promulgated by the department by rule, shall continue on a monthly basis and shall accrue and be payable between intermittent periods of temporary disability so long as the employer or insurer knows the nature of the permanent disability.

(6m) The department or the division may direct an advance on a payment of unaccrued compensation for permanent disability or death benefits if the department or the division determines that the advance payment is in the best interest of the injured employee or the employee’s dependents. In directing the advance, the department or the division shall give the employer or the employer’s insurer an interest credit against its liability. The credit shall be computed at 5 percent. An injured employee or dependent may receive no more than 3 advance payments per calendar year.

(7) No lump sum settlement shall be allowed in any case of permanent total disability upon an estimated life expectancy, except upon consent of all parties, after hearing and finding by the division that the interests of the injured employee will be served by the lump sum settlement.

2. The record that is requested contains confidential information concerning a worker’s compensation claim and the requester is an insurance carrier or employer that is a party to any worker’s compensation claim involving the same employee or an attorney or authorized agent of that insurance carrier or employer, except that the department, the division, or the commission is not required to do a random search of its records and may require the requester to provide the approximate date of the injury and any other relevant information that would assist the department, the division, or the commission in finding the record requested. An attorney or authorized agent of an insurance carrier or employer that is a party to an employee’s worker’s compensation claim shall provide a written authorization for inspection and copying from the insurance carrier or employer if requested by the department, the division, or the commission.

5. The requester is the department of children and families or a county child support agency under s. 59.53 (5), the request is made under s. 49.22 (2m), and the request is limited to the name and address of the employee who is the subject of the record, the name and address of the employee’s employer, and any financial information about that employee contained in the record.

6. The department of revenue requests the record for the purpose of locating a person, or the assets of a person, who has failed to file tax returns, who has underreported taxable income or who is a delinquent taxpayer; identifying fraudulent tax returns; or providing information for tax−related prosecutions.

102.35 Penalties. (1) Every employer and every insurance company that fails to keep the records or to make the reports required by this chapter or that knowingly falsifies such records or makes false reports shall pay a work injury supplemental benefit surcharge to the state of not less than $10 nor more than $100 for each offense. The department may waive or reduce a surcharge imposed under this subsection if the employer or insurance company that violated this subsection requests a waiver or reduction of the surcharge within 45 days after the date on which notice of the surcharge is mailed to the employer or insurance company and shows that the violation was due to mistake or an absence of information. A surcharge imposed under this subsection is due within 30 days after the date on which notice of the surcharge is mailed to the employer or insurance company. Interest shall accrue on amounts that are not paid when due at the rate of 1 percent per month. All surcharges and interest payments received under this subsection shall be deposited in the fund established under s. 102.65.

(2) Any employer, or duly authorized agent thereof, who, without reasonable cause, refuses to rehire an employee injured in the course of employment, or who, because of a claim or attempt to claim compensation benefits from such employer, discriminates or threatens to discriminate against an employee as to the employee’s employment, shall forfeit to the state not less than $50 nor more than $500 for each offense. No action under this subsection may be commenced except upon request of the department.

(3) Any employer who without reasonable cause refuses to rehire an employee who is injured in the course of employment, when suitable employment is available within the employee’s physical and mental limitations, upon order of the department or the division, has exclusive liability to pay the employee, in addition to other benefits, the wages lost during the period of such refusal, not exceeding one year’s wages. In determining the availability of suitable employment the continuance in business of the employer shall be considered and any written rules promulgated by the employer with respect to seniority or the provisions of any collective bargaining agreement with respect to seniority shall govern.

An employer cannot satisfy sub. (3) by rehiring with an intent to fire at a later date. Dielectric Corporation v. LIRC, 111 Wis. 2d 270, 330 N.W.2d 606 (Ct. App. 1983).

An employer has the burden to prove that rehiring was in good faith. West Allis School Dist. v. DLHRR, 136 Wis. 2d 410, 342 N.W.2d 415 (1984).
A one−day absence from work due to an injury triggered the rehire provision under sub. (3). Link Industries, Inc. v. LIRC, 141 Wis. 2d 551, 415 N.W.2d 574 (Ct. App. 1987).

For liability under sub. (3), the employee must show that he or she: 1) was an employee; 2) sustained a compensable injury.; 3) applied for rehire; and 4) had the application for rehire refused due to the injury. Universal Foods Corporation v. LIRC, 161 Wis. 2d 551, 467 N.W.2d 795 (Ct. App. 1991).

Sub. (3) does not bar an employee from seeking arbitration under a collective bargaining agreement to determine whether termination following an injury violated the agreement. Sub. (3) relates to harm other than worker injuries and is not subject to the exclusive remedy provision of s. 102.03 (2); the “exclusive liability” language in sub. (3) does not bar lawsuits but imposes a penalty on the employer for refusal to rehire. Commonwealth v. WERC, 182 Wis. 2d 118, 513 N.W.2d 708 (1994).

A LIRC interpretation of sub. (3), that a violation requires an employee who is unable to return to a prior employment to express an interest in reemployment in a different capacity, was reasonable. Hill v. LIRC, 184 Wis. 2d 110, 516 N.W.2d 441 (Ct. App. 1994).

If an employer shows that it refused to rehire an injured employee because the employee was non−injured or non−injury−related personal need. Sub. (3) does not contain “accommodation” requirements and does not require an employer to change its legitimate and long−standing policy, or explain why it would be burdensome to accommodate the injured employee. Hill v. LIRC, 186 Wis. 2d 118, 519 N.W.2d 649 (Ct. App. 1994).

An attendance policy that includes absences due to work−related injuries as part of the total of absences allowed before termination violates sub. (3). Great Northern Corp. v. LIRC, 189 Wis. 2d 313, 525 N.W.2d 361 (Ct. App. 1994).

Sub. (3) does not contemplate requiring employers to either deviate from a facially reasonable and uniformly applied policy, or explain why it would be burdensome to do so, when a returning employee requests the deviation to accommodate a non−work and non−injury−related personal need. Sub. (3) does not contain “accommodation” requirements and does not require an employer to change its legitimate and long−standing safety policies in order to assist an employee in meeting personal obligations. Deforest Transportation, Inc. v. Schwend, 2001 W164, 335 Wis. 2d 599, 804 N.W.2d 658, 09−0564 (Ct. App. 2011).

Neither sub. (2) nor case law authorizes employers who are terminated for filing worker’s compensation claims to bring wrongful discharge claims against their employers. Brown v. Pick ’n Save Food Stores, 138 F. Supp. 2d 1133 (2001).

102.37 Employers’ records. Every employer of 3 or more persons and every employer who is subject to this chapter shall keep records of all accidents that cause death or disabiility for an employee while performing services growing out of and incidental to the employment. This record shall give the name, address, age, and wages of the deceased or injured employee, the time and causes of the accident, the nature and extent of the injury, and any other information the department may require by rule or general order. Reports based upon this record shall be furnished to the department at such times and in such manner as the department may require by rule or general order, in a format approved by the department.

History: 1975 c. 147 s. 54; 1985 a. s. 2001 a. s. 37.

102.38 Records and reports of payments. Every insurance company that transacts the business of compensation insurance, and every employer who is subject to this chapter, but whose liability is not insured, shall keep a record of all payments made under this chapter and of the time and manner of making the payments and shall furnish reports based upon these records and any other information to the department as the department may require by rule or general order. Reports based upon this record shall be furnished to the department at such times and in such manner as the department may require by rule or general order, in a format approved by the department.

History: 1975 c. 147 s. 54; 1975 c. 199; 1979 c. 89; 1985 a. s. 83; 2001 a. s. 37.

102.39 Rules and general orders; application of statutes. The provisions of s. 103.005 relating to the adoption, publication, modification, and court review of rules or general orders of the department shall apply to all rules promulgated or general orders adopted under this chapter.

History: 1995 a. 27; 2001 a. s. 37.

102.40 Reports not evidence in actions. Reports furnished to the department pursuant to ss. 102.37 and 102.38 shall not be admissible as evidence in any action or proceeding arising out of the death or accident reported.

102.41 Incidental compensation. (1) TREATMENT OF EMPLOYEE. The employer shall supply such medical, surgical, chiropractic, psychological, podiatric, dental, and hospital treatment, medicines, medicinal and surgical supplies, clothes, artificial members, appliances, and training in the use of artificial members and appliances, or, at the option of the employee, Christian Science treatment in lieu of medical treatment, medicines, and medical supplies, as may be reasonably required to cure and relieve from the effects of the injury, and to attain efficient use of artificial members and appliances, and in case of the employer’s neglect or refusal seasonably to do so, or in emergency until it is practicable for the employee to give notice of injury, the employer shall be liable for the reasonable expense incurred by or on behalf of the employee in providing such treatment, medicines, supplies, and training.

When the employer has knowledge of the injury and the necessity for treatment, the employer’s failure to tender the necessary treatment, medicines, supplies, and training constitutes injuries or refusal. The employer shall also be liable for reasonable expense incurred by the employee for necessary treatment to cure and relieve the employee from the effects of occupational disease prior to the time that the employee knew or should have known the nature of his or her disability and its relation to employment, and as to such treatment subs. (2) and (3) shall not apply. The obligation to furnish such treatment and appliances shall continue as required to prevent further deterioration in the condition of the employee or to maintain the existing status of such condition whether or not healing is completed.

(2) CHOICE OF PRACTITIONER. (a) When the employer has notice of an injury and its relationship to the employment, the employer shall offer to the injured employee his or her choice of any physician, chiropractor, psychologist, dentist, physician assistant, advanced practice nurse prescriber, or podiatrist licensed to practice and practicing in this state for treatment of the injury. By mutual agreement, the employee may have the choice of any qualified practitioner not licensed in this state. In case of emergency, the employer may arrange for treatment without tendering a choice. After the emergency has passed the employee shall be given his or her choice of attending practitioner at the earliest opportunity. The employee has the right to a 2nd choice of attending practitioner on notice to the employer or its insurance carrier. Any further choice shall be by mutual agreement. Partners and clinics are considered to be one practitioner. Treatment by a practitioner on referral from another practitioner is considered to be treatment by one practitioner.

(b) The employer is liable for the expense of reasonable travel to obtain treatment at the same rate as is provided for state officers and employees under s. 20.916 (8). The employer is not liable for the expense of unreasonable travel to obtain treatment.

(3) PRACTITIONER CHOICE UNRESTRICTED. If the employer fails to tender treatment as provided in sub. (1) or choice of an attending practitioner as provided in sub. (2), the employee’s right to choose the attending practitioner is not restricted and the employer is liable for the reasonable and necessary expense therefor.

(4) CHRISTIAN SCIENCE. The liability of an employer for the cost of Christian Science treatment provided to an injured employee is limited to the usual and customary charge for that treatment.

(5) ARTIFICIAL MEMBERS. Liability for repair and replacement of prosthetic devices is limited to the effects of normal wear and tear. Artificial members furnished at the end of the healing period for cosmetic purposes only need not be duplicated.

(6) TREATMENT REJECTED BY EMPLOYEE. Unless the employee has elected Christian Science treatment in lieu of medical, surgical, dental, or hospital treatment, no compensation shall be payable for the death or disability of an employee, if the death is caused, or insofar as the disability may be aggravated, caused, or continued by an unreasonable refusal or neglect to submit to or
follow any competent and reasonable medical, surgical, or dental treatment or, in the case of tuberculosis, by refusal or neglect to submit to or follow hospital or medical treatment when found by the department or the division to be necessary. The right to compensation accruing during a period of refusal or neglect to submit to or follow hospital or medical treatment when found by the department or the division to be necessary in the case of tuberculosis shall be barred, irrespective of whether disability was aggravated, caused, or continued by that refusal or neglect.

(8) AWARD TO STATE EMPLOYEE. Whenever the department or the division makes an award on behalf of a state employee, the department or the division shall file duplicate copies of the award with the subunit of the department of administration responsible for risk management. Upon receipt of the copies of the award, the department of administration shall promptly issue a voucher in payment of the award from the proper appropriation under s. 20.865 (1) (fm), (kr) or (ur), and shall transmit one copy of the voucher and the award to the officer, department, or agency by whom the affected employee is employed.

(9) REHABILITATION: PHYSICAL AND VOCATIONAL. (a) One of the primary purposes of this chapter is restoration of an injured employee to gainful employment. To this end, the department shall employ a specialist in physical, medical and vocational rehabilitation.

(b) Such specialist shall study the problems of rehabilitation, both physical and vocational and shall refer suitable cases to the department for vocational evaluation and training. The specialist shall investigate and maintain a directory of such rehabilitation facilities, private and public, as are capable of rendering competent rehabilitation service to seriously injured employees.

(c) The specialist shall review and evaluate reported injuries for potential cases in which seriously injured employees may be in need of physical and medical rehabilitation and may confer with the injured employee, employer, insurance carrier or attending physician regarding treatment and rehabilitation.

The requirement that medical treatment be supplied during the healing period, defined as prior to the time the condition becomes stationary, is not determined by whether or not further treatment is needed may do so without notice or consent. If the second doctor prescribes an operation that increases the amount of disability, the employer is liable. Spencer v. DILHR, 55 Wis. 2d 525, 200 N.W.2d 611 (1972).

Sub. (7) [now sub. (6)] relieves an employer of liability when the employee refuses treatment provided by the employer, as required under sub. (1). An employee is not required to seek treatment from someone other than the employer. Klein Industrial Salvage v. DILHR, 80 Wis. 2d 457, 239 N.W.2d 24 (1977).

Under ss. 102.42 (9) (a), 102.43 (5), and 102.61, the department may extend temporary disability for a reasonable period until after a claimant completes a competent and reasonable course of physical therapy or vocational rehabilitation as an essential part of the treatment required for full recovery and minimization of damages. Transamerica Insurance Co. v. DILHR, 54 Wis. 2d 272, 195 N.W.2d 656 (1972).

An employee who wishes to consult a second doctor on the panel after the first says no further treatment is needed may do so without notice or consent. If the second doctor prescribes an operation that increases the amount of disability, the employer is liable. Spencer v. DILHR, 55 Wis. 2d 525, 200 N.W.2d 611 (1972).

Sub. (7) [now sub. (6)] relieves an employer of liability when the employee refuses treatment provided by the employer, as required under sub. (1). An employee is not required to seek treatment from someone other than the employer. Klein Industrial Salvage v. DILHR, 80 Wis. 2d 457, 239 N.W.2d 24 (1977).

Under ss. 102.42 (9) (a), 102.43 (5), and 102.61, the department may extend temporary disability, travel expense, and maintenance costs beyond 40 weeks if additional training is warranted. Belot Corp. v. State, 152 Wis. 2d 579, 449 N.W.2d 799 (Ct. App. 1989).

Sub. (1) requires an employer to pay medical expenses even after a final order has been issued. Linsley v. LIRC, 171 Wis. 2d 499, 493 N.W.2d 14 (1992).

Sub. (2) (a) does not require an employer to consent to out-of-state health care expenses that result from a referral by an in-state practitioner selected in accordance with the statute. UFE Inc. v. LIRC, 201 Wis. 2d 274, 548 N.W.2d 57 (1996), 94–2794.

The continuing obligation to compensate an employee for work related medical expenses under s. 102.42 does not allow agency review of compromise agreements after one-year statute of limitations in s. 102.16 (1) has run if the employee incurs medical expenses after that time. Schenkosi v. LIRC, 203 Wis. 2d 109, 552 N.W.2d 120 (Ct. App. 1996), 96–0051.

Under sub. (2), an employee may seek reimbursement for expenses related to 2 practitioners regardless of whether they are the first 2 practitioners whom the employee has seen. Hermann Carpet Marts v. LIRC, 220 Wis. 2d 611, 583 N.W.2d 662 (Ct. App. 1998), 97–1119.

Section 102.01 (2) (g) sets the date of injury of an occupational disease and s. 102.01 (1) provides that medical expenses incurred before an employee knows of the work-related injury are compensable. Read together, medical expenses in occupational disease cases are not compensable until the date of injury, but once the date is established all expenses associated with the disease, even if incurred before the date of injury, are compensable. United Wisconsin Insurance Co. v. LIRC, 229 Wis. 2d 418, 600 N.W.2d 186 (Ct. App. 1999), 97–3776.

Spencer creates an exception to the general rule that compensation is permitted only if medical expenses are reasonably required and necessary. As long as a claimant engages in unnecessary and unreasonable treatment in good faith, the employer is not responsible for payment. Honkinburger Restaurants, Inc. v. LIRC, 2000 WI App 273, 240 Wis. 2d 234, 621 N.W.2d 660, 99–3002.

An employee is not eligible for benefits under sub. (1m) if the disability-causing treatment was directed at treating something other than the employee’s compensable injury. Because the claimant’s surgery treated her preexisting condition, not her compensable injury, her claim was disallowed. Flug v. LIRC, 2017 WI 72, 376 Wis. 2d 573, 898 N.W.2d 91, 15–1989.

(2) Substitution of drug product equivalents. (a) Except as provided in pars. (b) and (c), when a drug is prescribed to treat an injury for which an employer or insurer is liable under this chapter, the pharmacist or practitioner dispensing the drug shall substitute a drug product equivalent in place of the prescribed drug if all of the following apply:

1. In the professional judgment of the dispensing pharmacist or practitioner, the drug product equivalent is therapeutically equivalent to the prescribed drug.

2. The charge for the drug product equivalent is less than the charge for the prescribed drug.

(b) A pharmacist or practitioner may not substitute a drug product equivalent under par. (a) in place of a prescribed drug if any of the following apply:

1. The prescribed drug is a single—source patented drug for which there is no drug product equivalent.

2. The prescriber determines that the prescribed drug is medically necessary and indicates that no substitution may be made for that prescribed drug by writing on the face of the prescription order or, in the case of a prescription order that is transmitted electronically, by designating in electronic format the phrase “No substitutions” or “Dispense as written” or words of similar meaning or the initials “N.S.” or “D.A.W.”

(c) Unless par. (b) applies, if an injured employee requests that a specific brand name drug be used to treat the employee’s injury, the pharmacist or practitioner dispensing the prescription shall dispense the specific brand name drug as requested. If a specific brand name drug is dispensed under this paragraph, the employer or insurer and the employee shall share the cost of the prescription as follows:

1. The employer or insurer shall be liable in an amount equal to the average wholesale price, as determined under sub. (3) (a) 1.,
of the lowest-priced drug product equivalent that the pharmacist or practitioner has in stock on the day on which the brand name drug is dispensed, plus the dispensing fee under sub. (3) (a) 2. and any applicable taxes under sub. (3) (a) 3. that would be payable for that drug product equivalent.

2. The employee shall be liable in an amount equal to the difference between the amount for which the employer or insurer is liable under sub. 1. and an amount equal to the average wholesale price, as determined under sub. (3) (a) 1., of the brand name drug on the day on which the brand name drug is dispensed, plus any applicable taxes under sub. (3) (a) 3. that are payable for that brand name drug.

3. Liability of employer or insurer. (a) The liability of an employer or insurer for the cost of a prescription drug dispensed under sub. (2) for outpatient use by an injured employee, including a prescription drug dispensed outside of a licensed pharmacy, is limited to the sum of all of the following:

1. The average wholesale price of the prescription drug as of the date on which the prescription drug is dispensed, as quoted in the Drug Topics Red Book, published by Medical Economics Company, Inc., or its successor, or, if that book is discontinued and becomes unavailable, as quoted in another nationally recognized pricing source determined by the department.

2. A dispensing fee of $3 per prescription order, which shall not be applicable for prescription drugs dispensed under sub. (2) regardless of the location from which the prescription drug is dispensed, but which shall be payable only to a pharmacist who dispenses the prescription drug.

3. Any state or federal taxes that may be applicable to the prescription drug dispensed.

(b) In addition to the liability under par. (a), an employer or insurer is also liable for reimbursement to an injured employee for all out-of-pocket expenses incurred by the injured employee in obtaining the prescription drug dispensed.

(c) A billing statement submitted to an employer or insurer for a prescription drug dispensed under sub. (2) shall include the national drug code number of the prescription as listed in the national drug code directory maintained by the federal food and drug administration and shall state separately the price of the prescription drug and the dispensing fee.

4. Liability of employee. (a) Except as provided in par. (b), a pharmacist or practitioner who dispenses a prescription drug under sub. (2) to an injured employee may not collect, or bring an action to collect, from the injured employee any charge that is in excess of the liability of the injured employee under sub. (2) (c) 2. or the liability of the employer or insurer under sub. (3) (a).

(b) If an employer or insurer denies or disputes liability for the cost of a drug prescribed to an injured employee under sub. (2), the pharmacist or practitioner who dispensed the drug may collect, or bring an action to collect, from the injured employee the cost of the prescription drug dispensed, subject to the limitations specified in sub. (3) (a). If an employer or insurer concedes liability for the cost of a drug prescribed to an injured employee under sub. (2), but disputes the reasonableness of the amount charged for the prescription drug, the employer or insurer shall provide notice under sub. (4m) (b) to the pharmacist or practitioner that the reasonableness of the amount charged is in dispute and the pharmacist or practitioner who dispensed the drug may not collect, or bring an action to collect, from the injured employee the cost of the prescription drug dispensed after receiving that notice.

4m. Resolution of prescription drug charge disputes. (a) The department has jurisdiction under this subsection, the department and the division have jurisdiction under s. 102.16 (1m) (c), and the division has jurisdiction under s. 102.17 to resolve a dispute between a pharmacist or practitioner and an employer or insurer over the reasonableness of the amount charged for a prescription drug dispensed under sub. (2) for outpatient use by an injured employee who claims benefits under this chapter.

(b) An employer or insurer that disputes the reasonableness of the amount charged for a prescription drug dispensed under sub. (2) for outpatient use by an injured employee or the department or division under sub. (4) (b) or s. 102.16 (1m) (c) or 102.18 (1) (bg) shall provide, within 30 days after receiving a completed bill for the prescription drug, reasonable written notice to the pharmacist or practitioner that the charge is being disputed. After receiving reasonable written notice under this paragraph or under sub. (4) (b) or s. 102.16 (1m) (c) or 102.18 (1) (bg) 3. that a prescription drug charge is being disputed, a pharmacist or practitioner may not collect the disputed charge from, or bring an action for collection of the disputed charge against, the employee who received the prescription drug.

(c) A pharmacist or practitioner that receives notice under par. (b) that the reasonableness of the amount charged for a prescription drug dispensed under sub. (2) for outpatient use by an injured employee is in dispute shall file the dispute with the department within 6 months after receiving that notice.

(d) The department shall deny payment of a prescription drug charge that the department determines under this subsection to be unreasonable. A pharmacist or practitioner and an employer or insurer that are parties to a dispute under this subsection over the reasonableness of a prescription drug charge are bound by the department’s determination under this subsection on the reasonableness of the disputed charge, unless that determination is set aside on judicial review as provided in par. (e).

(e) Within 30 days after a determination under this subsection, the department may set aside, reverse, or modify the determination for any reason that the department considers sufficient. Within 60 days after a determination under this subsection, the department may set aside, reverse, or modify the determination on grounds of mistake. A pharmacist, practitioner, employer, or insurer that is aggrieved by a determination of the department under this subsection may seek judicial review of that determination in the same manner that compensation claims are reviewed under s. 102.23.

5. Nonprescription drug products. The liability of an employer or insurer for the cost of a nonprescription drug product used to treat an injured employee is limited to the usual and customary charge to the general public for the nonprescription drug product.

may be reasonably required for training in the use of artificial members and appliances.

(b) Except as provided in s. 102.61 (1g), temporary disability shall also include such period as the employee may be receiving instruction under s. 102.61 (1) or (1m). Temporary disability on account of receiving instruction under s. 102.61 (1) or (1m), and not otherwise resulting from the injury, shall not be in excess of 80 weeks. That 80−week limitation does not apply to temporary disability benefits under this section, the cost of tuition, fees, books, travel, or maintenance under s. 102.61 (1), or the cost of private rehabilitation counseling or rehabilitative training under s. 102.61 (1m) if the department or the division determines that additional training is warranted. The necessity for additional training as authorized by the department or the division for any employee shall be subject to periodic review and reevaluation.

(c) Compensation for temporary disability on account of receiving instruction under s. 102.61 (1) or (1m) shall not be reduced under sub. (2) (on account of any wages earned for the first 24 hours worked by an employee during a week in which the employee is receiving that instruction. If an employee performs more than 24 hours of work during a week in which the employee is receiving that instruction, all wages earned for hours worked in excess of 24 during that week shall be offset against the employee’s average weekly wage in calculating compensation for temporary disability under sub. (2). An employee who is receiving compensation for temporary disability on account of receiving instruction under s. 102.61 (1) or (1m) shall report any wages earned during the period in which the employee is receiving that instruction to the insurance carrier or self−insured employer paying that compensation.

(6) (a) Except as provided in par. (b), no sick leave benefits provided in connection with other employment or wages received from other employment held by the employee when the injury occurred may be considered in computing actual wage loss from the employer in whose employ the employee sustained injury.

(b) In the case of an employee whose average weekly earnings are calculated under s. 102.11 (1) (a), wages received from other employment held by the employee when the injury occurred shall be considered in computing actual wage loss from the employer in whose employ the employee sustained injury as provided in this paragraph. If an employee’s average weekly earnings are calculated under s. 102.11 (1) (a), wages received from other employment held by the employee when the injury occurred shall be offset against those average weekly earnings and not against the employee’s actual earnings in the employment in which the employee was engaged at the time of the injury.

(c) Wages received from the employer in whose employ the employee sustained injury or from other employment obtained after the injury occurred shall be considered in computing benefits for temporary disability.

(7) (a) If an employee has a renewed period of temporary disability commencing more than 2 years after the date of injury and, except as provided in par. (b), the employee returned to work for at least 10 days preceding the renewed period of disability, payment of compensation for the new period of disability shall be made as provided in par. (c).

(b) An employee need not return to work at least 10 days preceding a renewed period of temporary disability to obtain benefits under sub. (5) (b) for rehabilitative training commenced more than 2 years after the date of injury. Benefits for rehabilitative training shall be made as provided in par. (c).

(c) 1. If the employee was entitled to maximum weekly benefits at the time of injury, payment for the renewed temporary disability or the rehabilitative training shall be at the maximum rate in effect at the commencement of the new period.

2. If the employee was entitled to less than the maximum rate, the employee shall receive the same proportion of the maximum which is in effect at the time of the commencement of the renewed period or the rehabilitative training as the employee’s actual rate at the time of injury bore to the maximum rate in effect at that time.

3. For an employee who is receiving rehabilitative training, a holiday break, semester break or other, similar scheduled interruption in a course of instruction does not commence a new period of rehabilitative training under this paragraph.

(8) During a compulsory vacation period scheduled in accordance with a collective bargaining agreement:

(a) Regardless of whether the employee’s healing period has ended, no employee at work immediately before the compulsory vacation period may receive a temporary total disability benefit for injury sustained while engaged in employment for that employer.

(b) An employee receiving temporary partial disability benefits immediately before the compulsory vacation period for injury sustained while engaged in employment for that employer shall continue to receive those benefits.

(9) Temporary disability, during which compensation shall be payable for loss of earnings, shall include the period during which an employee could return to a restricted type of work during the healing period, unless any of the following apply:

(a) Suitable employment that is within the physical and mental limitations of the employee is furnished to the employee by the employer or some other employer. For purposes of this paragraph, if the employer or some other employer makes a good faith offer of suitable employment that is within the physical and mental limitations of the employee and if the employee refuses without reasonable cause to accept that offer, the employee is considered to have returned to work as of the date of the offer at the earnings that the employee would have received but for the refusal. In case of a dispute as to the extent of an employee’s physical or mental limitations or as to what employment is suitable within those limitations, the employee may file an application under s. 102.17 and ss. 102.17 to 102.26 shall apply.

(b) The employee’s employment with the employer has been suspended or terminated due to the employee’s alleged commission of a crime, the circumstances of which are substantially related to that employment, and the employee has been charged with the commission of that crime. If the employee is not found guilty of the crime, compensation for temporary disability shall be payable in full.

(c) The employee’s employment with the employer has been suspended or terminated due to the employee’s violation of the employer’s policy concerning employee drug use during the period when the employee could return to a restricted type of work during the healing period. Compensation for temporary disability may be denied under this paragraph only if prior to the date of injury the employer’s policy concerning employee drug use was established in writing and regularly enforced by the employer.

(d) The employee has been convicted of a crime, is incarcerated, and is not available to return to a restricted type of work during the healing period.

(e) The employee’s employment with the employer has been suspended or terminated due to misconduct, as defined in s. 102.61 (5), or substantial fault, as defined in s. 102.61 (5g) (a), by the employee connected with the employee’s work.

Committee Note, 1971: Employees who have two jobs who have been injured at one or both of them in cases where they have been totally disabled for work at either job. Sick leave benefits from the other employer where injury occurred are to be considered, however, in determining eligibility for compensation from such employer. [Bill 371−A]

Under ss. 102.42 (9) (a), 102.43 (5), and 102.61, the department may extend temporary disability, travel expense, and maintenance costs beyond 40 weeks if additional training is warranted. Beloit Corp. v. State. 152 Wis. 2d 579, 449 N.W.2d 299 (Ct. App. 1989).
The phrase “if the injury causes disability” is interpreted in light of the “as is” rule that an employee’s susceptibility to injury due to a pre-existing condition does not relieve the employer from liability. ITW Deltar v. LIRC, 226 Wis. 2d 11, 593 N.W.2d 908 (Ct. App. 1999), 98–2012.

The “as is” rule applies to delays in treatment of a work-related injury caused by a pre-existing condition. It was reasonable to find that a woman was entitled to benefits for the period she was unable to undergo surgery to repair a work-related injury due to the threat that anesthesia would cause harm to her pre-existing pregnancy. ITW Deltar v. LIRC, 226 Wis. 2d 11, 593 N.W.2d 908 (Ct. App. 1999), 98–2012.

The purpose of the worker’s compensation program is to compensate employees for loss of income due to their inability to work as a result of work-related injury. Thus, to be a compensable wage loss under this section, the wage loss must be attributable to the employee’s injury. An employee who retires for reasons entirely unrelated to the employee’s injury cannot make such a showing because the employee’s wage loss was caused by the employee’s choice to voluntarily retire, not by the work-related injury. Mueller v. LIRC, 2019 WI App 30, 388 Wis. 2d 602, 933 N.W.2d 645, 18–0707.

102.44 Maximum limitations. Section 102.43 shall be subject to the following limitations:

(1) (ag) Notwithstanding any other provision of this chapter, every employee who is receiving compensation under this chapter for permanent total disability or continuous temporary total disability more than 24 months after the date of injury resulting from an injury that occurred prior to January 1, 2003, shall receive supplemental benefits that shall be payable by the employer or the employer’s insurance carrier, or in the case of benefits payable to an employee under s. 102.66, shall be paid by the department out of the fund created under s. 102.65. Those supplemental benefits shall be paid only for weeks of disability occurring after January 1, 2005, and shall continue during the period of such total disability subsequent to that date.

(a) If the employee is receiving the maximum weekly benefits in effect at the time of the injury, the supplemental benefit for a week of disability occurring after March 2, 2016, shall be an amount to be collected under s. 102.75 (1g) from each licensed worker’s compensation insurance carrier, deposited in the worker’s compensation operations fund, and used to provide reimbursement to insurance carriers paying supplemental benefits under this subsection. Subject to subd. 3., the department shall pay a claim for reimbursement approved by the department by no later than 12 months after the end of the year in which the supplemental benefits were paid and the claim must be approved by the department.

2. After the expiration of the deadline for filing a claim under subd. 1., the department shall determine the total amount of all claims filed by that deadline and shall use that total to determine the amount to be collected under s. 102.75 (1g) from each licensed worker’s compensation insurance carrier, deposited in the worker’s compensation operations fund, and used to provide reimbursement to insurance carriers paying supplemental benefits under this subsection. Subject to subd. 3., the department shall pay a claim for reimbursement approved by the department by no later than 12 months after the end of the year in which the claim was received by the department.

3. The maximum amount that the department may pay under subd. 2. in a calendar year is $5,000,000. If the amount determined payable under subd. 2. in a calendar year is $5,000,000 or less, the department shall pay that amount. If the amount determined payable under subd. 2. in a calendar year exceeds $5,000,000, the department shall pay $5,000,000 in the year in which the determination is made and, subject to the maximum amount payable of $5,000,000 per calendar year, shall pay the excess in the next calendar year or in subsequent calendar years until that excess is paid in full. The department shall pay claims for reimbursement under subd. 2. in the chronological order in which those claims are received.

4. This paragraph does not apply to supplemental benefits paid for an injury that occurs on or after January 1, 2016.

(2) In case of permanent total disability, aggregate indemnity shall be weekly indemnity for the period that the employee may live. Total impairment for industrial use of both eyes, the loss of both arms at or near the shoulder, the loss of both legs at or near the hip, or the loss of one arm at the shoulder and one leg at the hip constitutes permanent total disability. This enumeration is not exclusive, but in other cases the division shall find the facts.

(3) For permanent partial disability not covered by ss. 102.52 to 102.56, the aggregate number of weeks of indemnity shall bear the relation to 1,000 weeks as the nature of the injury bears to causing permanent total disability and shall be payable at the rate of two-thirds of the average weekly earnings of the employee, the earnings to be computed as provided in s. 102.11. The weekly indemnity shall be in addition to compensation for the healing period and shall be for the period that the employee may live, not to exceed 1,000 weeks.

(4) Where the permanent disability is covered by ss. 102.52, 102.53, and 102.55, such sections shall govern; provided, that in no case shall the percentage of permanent total disability be taken as more than 100 percent.

(4m) (a) The department shall promulgate rules establishing minimum permanent disability ratings for amputation levels, losses of motion, sensory losses, and surgical procedures resulting from injuries for which permanent partial disability is claimed under sub. (3) or (4). At least once every 8 years the department shall review and revise those minimum permanent disability ratings as necessary to reflect advances in the science of medicine. Before the department may revise those ratings, the department shall appoint a medical advisory committee under s. 227.13, composed of physicians practicing in one or more areas of specialization, treating disciplines within the medical profession, to review and recommend revision of those ratings, based on typical loss of function, to the department and the council on worker’s compensation.

(b) In considering an individual for appointment to the medical advisory committee under par. (a), the department shall consider the individual’s training and experience, the number of years the individual has been practicing in the individual’s area of specialization or treating discipline, any certifications by a recognized medical specialty board or other agency held by the individual, any recommendations made by organizations that regulate or promote profession standards in the area of specialization or treating discipline in which the individual practices, and any other factors that the department determines are relevant to the individual’s knowledge and ability to serve as a member of the medical advisory committee.

(5) In cases where it is determined that periodic benefits granted by the federal social security act are paid to the employee because of disability, the benefits payable under this chapter shall be reduced as follows:

(a) For each dollar that the total monthly benefits payable under this chapter, excluding attorney fees and costs, plus the monthly benefits payable under the social security act for disability exceed 80 percent of the employee’s average current earnings as determined by the social security administration, the benefits payable under this chapter shall be reduced by the same amount so that the total benefits payable shall not exceed 80 percent of the employee’s average current earnings. However, no total benefit payable under this chapter and under the federal social security act may be reduced to an amount less than the benefit payable under this chapter.

(b) No reduction under this section shall be made because of an increase granted by the social security administration as a cost of living adjustment.
The “odd-lot” doctrine is a part of Wisconsin law. It provides that if a claimant makes a prima facie case that he or she was injured in an industrial accident and, because of injury, age, education, and capacity, is unable to secure continuing gainful employment, the burden of showing that the claimant is employable shifts to the employer. Balczewski v. DILHR, 76 Wis. 2d 487, 251 N.W.2d 794 (1977).

Sub. (6) (a) includes only wage loss suffered at the employment where the injury occurred and does not include wage loss from a second job. Ruff v. LIRC, 159 Wis. 2d 239, 464 N.W.2d 56 (Ct. App. 1990).

LIRC exceeded its authority when it ordered temporary total disability payments for an indefinite future period. Such payments are not authorized for the period after a medical condition has stabilized and before the employee undergoes surgery. GTC Auto Parts v. LIRC, 184 Wis. 2d 450, 516 N.W.2d 313 (Ct. App. 1993).

Sub. (4) requires apportionment between scheduled and unscheduled injuries when it contributes to permanent total or permanent partial disability. Losses caused by unscheduled injuries shall not be awarded for scheduled injuries. Langhoff v. LIRC, 200 Wis. 2d 494, 557 N.W.2d 450 (Ct. App. 1996), 96−0622.

For purposes of sub. (6) (b) to apply, the physical limitations must be from an unscheduled injury. Mireles v. LIRC, 226 Wis. 2d 53, 593 N.W.2d 859 (Ct. App. 1999), 98−1607.

Sub. (2) governs the permanent total disability indemnity. “Other cases” of disability under sub. (2) may include a combination of scheduled and unscheduled injuries.

Mireles v. LIRC, 2000 WI 96, 237 Wis. 2d 69, 613 N.W.2d 875, 98−1607.

Sub. (b) allows the department to reopen an award to account for loss of earning capacity from an unscheduled injury, even if a scheduled injury causes the termination of employment. Mireles v. LIRC, 2000 WI 96, 237 Wis. 2d 69, 613 N.W.2d 875, 98−1607.

Sub. (2) allows the awarding of permanent total disability that results from a combination of scheduled and unscheduled injuries, provided that the employer establishes that a clear, ascertainable portion of the disability is attributable to the unscheduled injury or injuries. Securea Insurance v. LIRC, 2000 WI App 237, 239 Wis. 2d 315, 620 N.W.2d 626, 00−0303.

A claimant is not required to present evidence of a job search as part of a prima facie case. An odd-lot unemployability, if provided, the claimant should furnish evidence of specific job openings that are within the claimant’s skill level, and other Balczewski factors such as age, education, capacity, and training, he or she is unable to secure continuing, gainful employment. If the claimant is within the odd-lot category, it falls to the employer to rebut the prima facie evidence by demonstrating that the claimant is employable and that jobs exist for him or her. Beecher v. LIRC, 2004 WI 88, 273 Wis. 2d 136, 682 N.W.2d 29, 02−1582.

The burden that shifts from the claimant to the employer under Balczewski is a burden of persuasion, but only as to the sub-issue of whether a job exists that the claimant can do. The burden of persuasion on the other aspects of the claimant’s case for permanent total disability benefits remains with the claimant. Beecher v. LIRC, 2004 WI 88, 273 Wis. 2d 136, 682 N.W.2d 29, 02−1582.

Sub. (6) (a) applies to persons “claiming compensation,” which does not include persons already receiving compensation. Scheiber Foods, Inc. v. LIRC, 2009 WI App 40, 216 Wis. 2d 516, 765 N.W.2d 850, 08−1977.

Under Balczewski and Beecher, once a claimant has established a prima facie odd-lot case, the employer must prove that the claimant is probably employable and that an actual, suitable job is regularly and continuously available. It is not sufficient to show that the claimant is physically capable of performing light work and that light work is available. Neither Balczewski nor Beecher require an employer to disclose any descriptive information of a claimant to a prospective employer to satisfy its rebuttal burden. The employer’s duty in ascertaining whether an actual job exists is to obtain information from the prospective employer about the job requirements, not the information about the employee required by the claimant. Cargill Feed Division/Cargill Malta v. LIRC, 2010 WI App 115, 329 Wis. 2d 206, 789 N.W.2d 326, 09−1877.

LIRC improperly expanded the evidentiary burden on employers seeking to rebut a claimant’s prima facie odd-lot case by balancing the employee’s and the employer’s burden of proof under Balczewski by establishing a preference for evidence that the employer referred the claimant to prospective employers with specific job openings actually available, although it may rely on evidence that it actually referred a claimant to prospective employers to support its rebuttal case. Cargill Feed Division/Cargill Malta v. LIRC, 2010 WI App 115, 329 Wis. 2d 206, 789 N.W.2d 326, 09−1877.

The benefit of the supplemental benefit of s. 102.41 (1) is not included to former state employees by Act of 11989, s. 26. The second injury fund is not impressed with a constructive trust which prevents its use for payment of such supplemental benefits. 62 Aty. Gen. 69.

102.45 Benefits payable to minors; how paid. Compensation and death benefit payable to an employee or dependent who was a minor when the employee’s or dependent’s right began to accrue, may, in the discretion of the department, be ordered paid to a bank, trust company, trustee, parent or guardian, for the use of such employee or dependent as may be found best calculated to conserve the employee’s or dependent’s interests. Such employee or dependent shall be entitled to receive payments, in the aggregate, at a rate not in excess of 50 percent of that appropriate as temporary partial compensation for total disability or death benefit as accruing from the employee’s or dependent’s 18th birthday.

History: 1973 c. 150; 1993 c. 492.

102.46 Death benefit. Where death proximately results from the injury and the deceased leaves a person wholly dependent upon him or her for support, the death benefit shall equal 4 times his or her average annual earnings, but when added to the disability indemnity paid and due at the time of death, shall not exceed
102.45 DEATH BENEFIT; LAW ENFORCEMENT AND CORRECTIONAL OFFICERS, FIREFIGHTERS, RESCUE SQUAD MEMBERS, DIVING TEAM MEMBERS, NATIONAL OR STATE GUARD MEMBERS AND EMERGENCY MANAGEMENT PERSONNEL. (1) SPECIAL BENEFIT. If the deceased employee is a law enforcement officer, correctional officer, fire fighter, rescue squad member, or diving team member, or if a deceased person is an employee or volunteer performing emergency management activities under ch. 323 during a state of emergency or a circumstance described in s. 323.12 (2) (c), who sustained an accidental injury while performing services growing out of and incidental to that employment or volunteer activity so that benefits are payable under s. 102.46 or 102.47 (1), the department shall voucher and pay from the appropriation under s. 20.445 (1) (aa) a sum equal to 75 percent of the primary death benefit as of the date of death, but not less than $50,000 to the persons wholly dependent upon the deceased. For purposes of this subsection, dependency shall be determined under ss. 102.49 and 102.51.

(2) PAYMENTS TO DEPENDENTS. (a) If there are more than 4 persons who are wholly dependent upon the deceased employee an additional benefit of $2,000 shall be paid for each dependent in excess of 4.

(b) If there is more than one person who is wholly dependent upon the deceased employee, the benefits under this section shall be apportioned between such dependents on the same proportional basis as the primary death benefit.

(c) Notwithstanding sub. (1), if there are partial dependents of the deceased employee who are entitled to benefits under s. 102.48, they shall be entitled to such portion of the benefit determined under sub. (1) that their partial dependency benefit bears to the primary benefit payable to one wholly dependent upon the deceased. No payment to a partial dependent shall be less than $1,000.

(3) DISPUTES. In case of dispute, dependents may file applications as provided in s. 102.17 and ss. 102.18 to 102.27. If there is any disagreement as to the amount due or the persons entitled to receive such amounts, any claim under this section shall be compromised on the same proportional basis. The attorney general shall represent the interests of the state in such case of dispute.

(5) MINORS. Benefits due to minors under this section may be paid as provided in s. 102.45.

(6) PROOF. In administering this section the department or the division may require reasonable proof of birth, marriage, domestic partnership under ch. 770, relationship, or dependency.

(7) NOT TO AFFECT OTHER RIGHTS, BENEFITS OR COMPENSATION. The compensation provided for in this section is in addition to, and not exclusive of, any pension rights, death benefits or other compensation otherwise payable by law.

(8) DEFINITIONS. As used in this section:

(a) “Correctional officer” means any person employed by the state or any political subdivision as a guard or officer whose principal duties are supervision and discipline of inmates at a penal institution, prison, jail, house of correction or other place of penal detention.

(b) “Fire fighter” means any person employed by the state or any political subdivision as a member or officer of a fire department or a member of a volunteer department, including the state fire marshal and deputies.

(c) “Law enforcement officer” means any person employed by the state or any political subdivision for the purpose of detecting and enforcing crime and enforcing laws or ordinances and who is authorized to make arrests for violations of the laws or ordinances the person is employed to enforce, whether that enforcement authority extends to all laws or ordinances or is limited to specific laws or ordinances.

(d) “Political subdivision” includes counties, municipalities and municipal corporations.

(e) “State” means the state of Wisconsin and its departments, divisions, boards, bureaus, commissions, authorities and colleges and universities.

(f) “Rescue squad member” means a member of a legally organized rescue squad.

102.47 DEATH BENEFIT; CONTINUED. If death occurs to an injured employee other than as a proximate result of the injury, before disability indemnity ceases, death benefit and burial expense allowance shall be as follows:

(1) Where the injury proximately causes permanent total disability, they shall be the same as if the injury had caused death, except that the burial expense allowance shall be included in the items subject to the limitation stated in s. 102.46. The amount available shall be applied toward burial expense before any is applied toward death benefit. If there are no surviving dependents the amount payable to dependents shall be paid, as provided in s. 102.49 (5) (b), to the fund created under s. 102.65.

(2) Where the injury proximately causes permanent partial disability, the unaccrued compensation shall first be applied toward funeral expenses, not to exceed the amount specified in s. 102.50. Any remaining sum shall be paid to dependents, as provided in this section and ss. 102.46 and 102.48, and there is no liability for any other payments. All computations under this subsection shall take into consideration the present value of future payments. If there are no surviving dependents the amount payable to dependents shall be paid, as provided in s. 102.49 (5) (b), to the fund created under s. 102.65.

102.475 DEATH BENEFIT; LAW ENFORCEMENT AND CORRECTIONAL OFFICERS, FIREFIGHTERS, RESCUE SQUAD MEMBERS, DIVING TEAM MEMBERS, NATIONAL OR STATE GUARD MEMBERS AND EMERGENCY MANAGEMENT PERSONNEL. (1) SPECIAL BENEFIT. If the deceased employee is a law enforcement officer, correctional officer, fire fighter, rescue squad member, or diving team member, or if a deceased person is an employee or volunteer performing emergency management activities under ch. 323 during a state of emergency or a circumstance described in s. 323.12 (2) (c), who sustained an accidental injury while performing services growing out of and incidental to that employment or volunteer activity so that benefits are payable under s. 102.46 or 102.47 (1), the department shall voucher and pay from the appropriation under s. 20.445 (1) (aa) a sum equal to 75 percent of the primary death benefit as of the date of death, but not less than $50,000 to the persons wholly dependent upon the deceased. For purposes of this subsection, dependency shall be determined under ss. 102.49 and 102.51.
“support” as used in ss. 102.42 to 102.63 shall include contributions to the capital fund of the dependents for their necessary comfort.

(3) Except as otherwise provided, a death benefit, other than burial expenses, shall be paid in weekly installments corresponding in amount to two-thirds of the weekly earnings of the employee, until otherwise ordered by the department or the division.

History: 1975 c. 147; 1979 c. 278; 1989 a. 64; 1993 a. 492; 2015 a. 55.

102.49 Additional death benefit for children, state fund. (1) Subject to any certificate filed under s. 102.65 (4), when the beneficiary under s. 102.46 or 102.47 (1) is the spouse or domestic partner under ch. 770 of the deceased employee and is wholly dependent on the deceased employee for support, an additional death benefit shall be paid from the fund provided by sub. (5) for each child by their marriage or domestic partnership under ch. 770 who is living at the time of the death of the employee and who is likewise wholly dependent on the deceased employee for support. That payment shall commence when primary death benefit payments are completed or, if advancement of compensation has been paid, when payments would normally have been completed. Payments shall continue at the rate of 10 percent of the surviving parent’s weekly indemnity until the child’s 18th birthday but the payments may not continue for more than a total of 15 years.

(2) A child lawfully adopted by the deceased employee and the surviving spouse or domestic partner under ch. 770, prior to the time of the injury, and a child not the deceased employee’s own by birth or adoption but living with the deceased employee as a member of the deceased employee’s family at the time of the injury shall for the purpose of this section be taken as a child by their marriage or domestic partnership under ch. 770.

(3) If the employee leaves a spouse or domestic partner under ch. 770 wholly dependent and also a child by a former marriage, domestic partnership under ch. 770, or adoption, likewise wholly dependent, aggregate benefits shall be the same in amount as if the child were the child of the surviving spouse or partner, and the entire benefit shall be apportioned to the dependents in the amounts that the department or the division determines to be just, considering the ages of the dependents and other factors bearing on dependency. The benefit awarded to the surviving spouse or partner shall not exceed 4 times the average annual earnings of the deceased employee.

(4) Dependency of any child for the purposes of this section shall be determined according to s. 102.51 (1), in like manner as would be done if there was no surviving dependent parent.

(5) (a) In each case of injury resulting in death, the employer or insurer shall pay into the state treasury the sum of $20,000.

(b) In addition to the payment required under par. (a), in each case of injury resulting in death leaving no person dependent for support, the employer or insurer shall pay into the state treasury the amount of the death benefit otherwise payable, minus any payment made under s. 102.48 (1), in 5 equal annual installments with the first installment due as of the date of death.

(c) In addition to the payment required under par. (a), in each case of injury resulting in death, leaving one or more persons partially dependent for support, the employer or insurer shall pay into the state treasury an amount which, when added to the sums paid or to be paid on account of partial dependency and under s. 102.48 (1), shall equal the death benefit payable to a person wholly dependent.

(d) The payment into the state treasury shall be made in all such cases regardless of whether the dependents or personal representatives of the deceased employee commence action against a third party under s. 102.29. If the payment is not made within 20 days after the department makes request therefor, any sum payable shall bear interest at the rate of 7 percent per year.

(e) The adjustments in liability provided in ss. 102.57, 102.58, and 102.60 do not apply to payments made under this section.

(6) The department or the division may award the additional benefits payable under this section to the surviving parent of the child, to the child’s guardian, or to such other person, bank, or trust company for the child’s use as may be found best calculated to conserve the interests of the child. If the child dies while benefits are still payable, there shall be paid the reasonable expense for burial, not exceeding $1,500.

(7) All payments received under this section shall be deposited in the fund established by s. 102.65.

Cross-reference: See also s. DWD 80.48, Wis. adm. code.

102.50 Burial expenses. In all cases in which the death of an employee proximately results from the injury, the employer or insurer shall pay the actual expense for burial, not exceeding $10,000.

102.51 Dependents. (1) WHO ARE. (a) The following persons are entitled to death benefits as if they are solely and wholly dependent for support upon a deceased employee:

1. A wife upon a husband with whom she is living at the time of his death.

2. A husband upon a wife with whom he is living at the time of her death.

3. A domestic partner under ch. 770 upon his or her partner with whom he or she is living at the time of the partner’s death.

4. A child under the age of 18 years upon the parent with whom he or she is living at the time of the death of the parent, there being no surviving dependent parent.

5. A child over the age of 18 years, but physically or mentally incapacitated from earning, upon the parent with whom he or she is living at the time of the death of the parent, there being no surviving dependent parent.

(b) Where a dependent who is entitled to death benefits under this subsection survives the deceased employee, all other dependents shall be excluded. The charging of any portion of the support and maintenance of a child upon one of the parents, or any voluntary contribution toward the support of a child by a parent, or an obligation to support a child by a parent constitutes living with any such parent within the meaning of this subsection.

(2) WHO ARE NOT. (a) No person shall be considered a dependent unless that person is a spouse, a domestic partner under ch. 770, a divorced spouse who has not remarried, or a lineal descendent, lineal ancestor, brother, sister, or other member of the family, whether by blood or by adoption, of the deceased employee.

(b) If for 8 years or more prior to the date of injury a deceased employee has been a resident of the United States, it shall be conclusively presumed that no person who has remained a nonresident alien during that period is either totally or partially dependent upon the deceased employee for support.

(c) No person who is a nonresident alien shall be found to be either totally or partially dependent on a deceased employee for support who cannot establish dependency by proving contributions from the deceased employee by written evidence or tokens of the transfer of money, such as drafts, letters of credit, microfilm or other copies of paid share drafts, canceled checks, or receipts for the payment to any bank, express company, United States post office, or other agency commercially engaged in the transfer of funds from one country to another, for transmission of funds on behalf of said deceased employee to such nonresident alien claiming dependency. This provision shall not be applicable unless the employee has been continuously in the United States for at least one year prior to his or her injury, and has been remuneratively employed therein for at least 6 months.
(3) DIVISION AMONG DEPENDENTS. If there is more than one person wholly or partially dependent on a deceased employee, the death benefit shall be divided between those dependents in such proportion as the department or the division determines to be just, considering their ages and other facts bearing on their dependency.

(4) DEPENDENCY AS OF THE DATE OF DEATH. Questions as to who is a dependent and the extent of his or her dependency shall be determined as of the date of the death of the employee, and the dependent’s right to any death benefit becomes fixed at that time, regardless of any subsequent change in conditions. The death benefit shall be directly recoverable by and payable to the dependents entitled to the death benefit or their legal guardians or trustees. In case of the death of a dependent whose right to a death benefit has become fixed, so much of the benefit as is unpaid is payable to the dependent’s personal representatives in gross, unless the department or the division determines that the unpaid benefit shall be reassigned under sub. (6) and paid to any other dependent who is physically or mentally incapacitated or a minor. For purposes of this subsection, a child of the employee who is born after the death of the employee is considered to be a dependent as of the date of death.

(5) WHEN NOT INTERESTED. No dependent of an injured employee shall be deemed a party to any proceeding by the employee for the enforcement of the employee’s claim for compensation. While sub. (5) prohibits a dependent from being a party to a worker’s claim for disability benefits, a dependent claim is not an “employee’s claim for compensation.” While sub. (5) prohibits a dependent from being a party to a worker’s claim for disability benefits, a dependent’s claim is not an “employee’s claim for compensation.” While sub. (5) prohibits a dependent from being a party to a worker’s claim for disability benefits, a dependent’s claim is not an “employee’s claim for compensation.” While sub. (5) prohibits a dependent from being a party to a worker’s claim for disability benefits, a dependent’s claim is not an “employee’s claim for compensation.” While sub. (5) prohibits a dependent from being a party to a worker’s claim for disability benefits, a dependent’s claim is not an “employee’s claim for compensation.”

(6) DIVISION AMONG DEPENDENTS. Benefits accruing to a minor dependent child may be awarded to either parent in the discretion of the department or the division. Notwithstanding sub. (5), the department or the division may reassign the death benefit as between a surviving spouse or a domestic partner under ch. 770 and any children specified in sub. (1) and s. 102.49 in accordance with their respective needs for the death benefit.

(7) CERTAIN DEFENSE BARRED. In proceedings for the collection of primary death benefit or burial expense it shall not be a defense that the applicant, either individually or as a partner or member, was an employer of the deceased.

102.52 Permanent partial disability schedule. In cases included in the following schedule of permanent partial disabilities indemnity shall be paid for the healing period, and in addition, for the period specified, at the rate of two-thirds of the average weekly earnings of the employee, to be computed as provided in s. 102.11:

(1) The loss of an arm at the shoulder, 500 weeks;
(2) The loss of an arm at the elbow, 450 weeks;
(3) The loss of a hand, 400 weeks;
(4) The loss of a palm where the thumb remains, 325 weeks;
(5) The loss of a thumb and the metacarpal bone thereof, 160 weeks;
(6) The loss of a thumb at the proximal joint, 120 weeks;
(7) The loss of a thumb at the distal joint, 50 weeks;

(14) Losses of toes on each foot as follows:
   (a) A great toe at the proximal joint, 25 weeks;
   (b) A great toe at the distal joint, 12 weeks;
   (c) The second toe with the metatarsal bone thereof, 25 weeks;

(16) Total impairment of one eye for industrial use, 250 weeks;

History: 1973 c. 150; 1975 c. 147; 1979 c. 278. Cross-reference: See also ss. DWD 80.32 and 80.50, Wis. adm. code.

In a proceeding brought by an employee who suffered total deafness in one ear, a skull fracture, loss of taste and smell, facial paralysis, and periods of intermittent headaches and dizziness, the department did not err in determining that the hearing loss was a scheduled disability under sub. (18), with a separate award for the additional physical effects of the deafness, rather than considering the entire range of disabilities as a whole. When a loss is recognized by and compensable under this section, the schedule therein is exclusive. Vande Zande v. ILHR Dep't 70 Wis. 2d 1086, 236 N.W.2d 253 (1975). The “loss of an arm at the shoulder” under sub. (1) includes injuries to the shoulder. Hagen v. LIRC, 210 Wis. 2d 12, 563 N.W.2d 454 (1997), 94-0374.

102.53 Multiple injury variations. In case an injury causes more than one permanent disability specified in ss. 102.44 (3), 102.52 and 102.55, the period for which indemnity shall be payable for each additional equal or lesser disability shall be increased as follows:

(1) In the case of impairment of both eyes, by 200 percent.
(2) In the case of disabilities on the same hand covered by s. 102.52 (9), by 100 percent for the first equal or lesser disability and by 150 percent for the 2nd and 3rd equal or lesser disabilities.
(3) In the case of disabilities on the same foot covered by s. 102.52 (14), by 20 percent.
(4) In all other cases, by 20 percent.

The aggregate result as computed by applying sub. (1), and the aggregate result for members on the same hand or foot as com-
102.54 Injury to dominant hand. If an injury to an employee’s dominant hand causes a disability specified in s. 102.52 (1) to (9) or amputation of more than two-thirds of the distal joint of a finger, the period for which indemnity is payable for that disability or amputation is increased by 25 percent. This increase is in addition to any other increase payable under s. 102.53 but, for cases in which an injury causes more than one permanent disability, the increase under this section shall be based on the periods specified in s. 102.52 (1) to (9) for each disability and not on any increased period specified in s. 102.53.

History: 1973 c. 150; 1979 c. 278.

102.55 Application of schedules. (1) Whenever amputation of a member is made between any 2 joints mentioned in the schedule in s. 102.52 the determined loss and resultant indemnity therefor shall bear such relation to the loss and indemnity applicable in case of amputation at the joint next nearer the body as such injury bears to one of amputation at the joint nearer the body.

(2) For the purposes of this schedule permanent and complete paralysis of any member shall be deemed equivalent to the loss thereof.

(3) For all other injuries to the members of the body or its faculties that are specified in the schedule under s. 102.52 resulting in permanent disability, though the member is not actually severed or the faculty is not totally lost, compensation shall bear such relation to the compensation named in the schedule as the disability bears to the disability named in the schedule. Indemnity in those cases shall be determined by allowing weekly indemnity during the healing period resulting from the injury and the percentage of permanent disability resulting after the healing period as found by the department or the division.

History: 2015 a. s. 55.

102.555 Occupational deafness; definitions. (1) In this section:

(a) “Noise” means sound capable of producing occupational deafness.

(b) “Noisy employment” means employment in the performance of which an employee is subjected to noise.

(c) “Occupational deafness” means permanent partial or permanent total loss of hearing of one or both ears due to prolonged exposure to noise in employment.

(2) No benefits shall be payable for temporary total or temporary partial disability under this chapter for loss of hearing due to prolonged exposure to noise.

(3) An employee who because of occupational deafness is transferred by his or her employer to other noisy employment and thereby sustains actual wage loss shall be compensated at the rate provided in s. 102.43 (2), not exceeding $7,000 in the aggregate from all employers. “Time of injury”, “occurrence of injury”, and “date of injury” in such case mean the date of wage loss.

(4) Subject to the limitations provided in this section, there shall be payable for total occupational deafness of one ear, 36 weeks of compensation; for total occupational deafness of both ears, 216 weeks of compensation; and for partial occupational deafness, compensation shall bear such relation to that named in this section as disabilities bear to the maximum disabilities provided in this section. In cases covered by this subsection, “time of injury”, “occurrence of injury”, and “date of injury” shall, at the option of the employee, be the date of occurrence of any of the following events to an employee:

(a) Transfer to nonnoisy employment by an employer whose employment has caused occupational deafness;

(b) The last day actually worked before retiring, regardless of vacation pay or time, sick leave or any other benefit to which the employee is entitled;

(c) Termination of the employer–employee relationship;

(d) Layoff, provided the layoff is complete and continuous for 6 months.

(5) No claim under sub. (4) may be filed until 7 consecutive days of removal from noisy employment after the time of injury except that under sub. (4) (d) the 7 consecutive days’ period may commence within the last 2 months of layoff.

(6) The limitation provisions in this chapter shall control claims arising under this section. Such provisions shall run from the first date upon which claim may be filed, or from the date of subsequent death, provided that no claim shall accrue to any dependent unless an award has been issued or hearing tests have been conducted by a competent medical specialist after the employee has been removed from the noisy environment for a period of 2 months.

(7) No payment shall be made to an employee under this section unless the employee shall have worked in noisy employment for a total period of at least 900 days for the employer from whom the employee claims compensation.

(8) An employer is liable for the entire occupational deafness to which his or her employment has contributed; but if previous deafness is established by a hearing test or other competent evidence, whether or not the employee was exposed to noise within the 2 months preceding such test, the employer is not liable for previous loss so established nor is the employer liable for any loss for which compensation has previously been paid or awarded.

(9) Any amount paid to an employee under this section by any employer shall be credited against compensation payable by any employer to such employee for occupational deafness under subs. (3) and (4). An employer shall in the aggregate receive greater compensation from any or all employers for occupational deafness than that provided in this section for total occupational deafness.

(10) No compensation may be paid for tinnitus unless a hearing test demonstrates a compensable hearing loss other than tinnitus. For injuries occurring on or after January 1, 1992, no compensation may be paid for tinnitus.

(11) Compensation under s. 102.66 for permanent partial disability due to occupational deafness may be paid only if the loss of hearing exceeds 20 percent of binaural hearing loss.

(12) (a) An employer, the department, or the division is not liable for the expense of any examination or test for hearing loss, any evaluation of such an exam or test, any medical treatment for improving or restoring hearing, or any hearing aid to relieve the effect of hearing loss unless it is determined that compensation for occupational deafness is payable under sub. (3), (4), or (11).

(b) For a case of occupational deafness in which the date of injury is on or after April 1, 2008, this subsection applies beginning on that date. Notwithstanding ss. 102.03 (4) and 102.17 (4), for a case of occupational deafness in which the date of injury is before April 1, 2008, this subsection applies beginning on January 1, 2012.

Committee Note, 1971: Where an employer discontinues a noisy operation and transfers the employees to nonnoisy employment, they have been unable to make claims for occupational deafness until the conditions of sub. (b), (c) or (d) were met. The employee will now have the option of filing a claim at the time of transfer at the current rate of compensation with a 2-1/2 percent reduction for each year of age over 50 or waiting until he meets the conditions of sub. (b), (c) or (d) when he may file claim at the then-current rate of compensation with a 1/2 percent reduction for each year of age over 50. (Bill 371-A)

It is a prerequisite for an award of benefits under sub. (10) that the employee must have suffered some compensable hearing loss other than tinnitus; sub. (10) does not require a compensable hearing loss in both ears or in a particular ear. General Castings Corporation v. LIRC, 152 Wis. 2d 631, 449 N.W.2d 619 (Cl. App. 1989).

| 102.555 | Disfigurement. (1) Subject to sub. (2), if an employee is so permanently disfigured as to occasion potential wage loss due to the disfigurement, the department or the division may allow such sum as the department or the division considers just as compensation for the disfigurement, not exceeding the employee’s average annual earnings. In determining the potential for wage loss due to the disfigurement and the sum awarded, the department or the division shall take into account the age, education, training, and previous experience and earnings of the employee, the employee’s present occupation and earnings, and likelihood of future suitable occupational change. Consideration for disfigurement allowance is confined to those areas of the body that are exposed in the normal course of employment. The department or the division shall also take into account the appearance of the disfigurement, its location, and the likelihood of its exposure in occupations for which the employee is suited.

(2) If an employee who claims compensation under sub. (1) returns to work for the employer who employed the employee at the time of the injury, or is offered employment with that employer, at the same or a higher wage, the department or the division may not allow that compensation unless the employee suffers an actual wage loss due to the disfigurement.

102.56 Disfigurement. 

102.565 Toxic or hazardous exposure; medical examination; conditions of liability. (1) When, as a result of exposure in the course of employment over a period of time to toxic or hazardous substances or conditions, an employee is performing work that is subject to this chapter develops any clinically observable abnormality or condition that, on competent medical opinion, predisposes or renders the employee in any manner differentially susceptible to disability to such an extent that it is inadvisable for the employee to continue employment involving that exposure, is discharged from or ceases to continue the employment, and suffers wage loss by reason of that discharge from, or cessation of, employment, the department or the division may allow such sum as it considers just as compensation for that wage loss, not exceeding $13,000. If a nondisabling condition may also be caused by toxic or hazardous exposure not related to employment and if the employee has a history of that exposure, compensation as provided under this section or any other remedy for loss of earning capacity shall not be allowed. If the employee is discharged from employment prior to a finding by the department or the division that it is inadvisable for the employee to continue in that employment and if it is reasonably probable that continued exposure would result in disease, the liability of the employer who discharges the employee is primary, and the liability of the employer’s insurer is secondary, under the same procedure and to the same effect as provided by s. 102.62.

(2) Upon application of any employer or employee the department or the division may direct any employee of the employer or an employee who, in the course of his or her employment, has been exposed to toxic or hazardous substances or conditions to submit to examination by one or more physicians appointed by the department or the division to determine whether the employee has developed any abnormality or condition under sub. (1), and the department or the division considers just as compensation for that wage loss, not exceeding $13,000. If a nondisabling condition may also be caused by toxic or hazardous exposure not related to employment and if the employee has a history of that exposure, compensation as provided under this section or any other remedy for loss of earning capacity shall not be allowed. If the employee is discharged from employment prior to a finding by the department or the division that it is inadvisable for the employee to continue in that employment and if it is reasonably probable that continued exposure would result in disease, the liability of the employer who discharges the employee is primary, and the liability of the employer’s insurer is secondary, under the same procedure and to the same effect as provided by s. 102.62.

102.57 Violations of safety provisions, penalty. If injury is caused by the failure of the employer to comply with any statute, rule, or order of the department of safety and professional services, compensation and death benefits provided in this chapter may be increased by 15 percent but the total increase may not exceed $15,000. Failure of an employer reasonably to enforce compliance by employees with any statute, rule, or order of the department of safety and professional services constitutes failure by the employer to comply with that statute, rule, or order.

102.58 Decreased compensation. If injury is caused by the failure of the employee to use safety devices that are provided in accordance with any statute, rule, or order of the department of safety and professional services and that are adequately maintained, and the use of which is reasonably enforceable by the employee, or if injury results from the employee’s failure to obey any reasonable rule adopted and reasonably enforced by the employer for the safety of the employee and of which the employee has notice, the compensation and death benefit provided in this chapter shall be reduced by 15 percent but the total reduction may not exceed $15,000. If an employee violates the employer’s policy concerning employee drug or alcohol use and is injured, and if that violation is causal to the employee’s injury, death benefits or death benefits payable to the injured employee or a dependent of the injured employee. Nothing in this section shall reduce or eliminate an employer’s liability for incidental compensation under s. 102.42 (1) to (8) or drug treatment under s. 102.425.

102.597 Death benefits for dependent children. Death benefits for dependent children are not increased by this section. Schwartz Beverage Corporation v. DILHR, 49 Wis. 2d 233, 181 N.W.2d 418 (1970).
This section and s. 102.57 may be applicable in the same case if the negligence of both the employer and employee are causes of the employee’s injury. Milwaukee Forge v. DILHR, 66 Wis. 2d 428, 225 N.W.2d 476 (1975).

Whether a traveling employee’s multiple drinks at a tavern was a deviation was irrelevant when the employee was injured while engaged in a later act reasonably necessary to living. Under this section, intoxication does not defeat a worker’s compensation claim but only decreases the benefits. Heritage Mutual Insurance Co. v. Larsen, 2001 WI 30, 242 Wis. 2d 47, 624 N.W.2d 129, 96-3577.

102.59 Preexisting disability, indemnity. (1) Subject to any certificate filed under s. 102.65 (4), if at the time of injury an employee has permanent disability that it if that resulted from that injury would have entitled the employee to indemnity for 200 weeks and if as a result of that injury the employee incurs further permanent or transient disability that entitles the employee to indemnity for 200 weeks, the employee shall be paid from the funds provided in this section additional compensation equivalent to the amount that would be payable for that previous disability if that previous disability had resulted from that injury or the amount that is payable for that further disability, whichever is less, except that an employee may not be paid that additional compensation if the employee has already received compensation under this subsection. If the previous and further disabilities result in permanent total disability, the additional compensation shall be in such amount as to complete the payments that would have been due had the permanent total disability resulted from that injury. This additional compensation accrues from, and may not be paid to any person before, the end of the period for which compensation for permanent disability resulting from the injury is payable by the employer, and shall be subject to s. 102.32 (6), (6m), and (7). No compromise agreement of liability for this additional compensation may provide for any lump sum payment.

(1m) A compromise order issued under s. 102.16 (1) may not be admitted as evidence in any action or proceeding for benefits compensable under this section.

(2) In the case of the loss or of the total impairment of a hand, arm, foot, leg, or eye, the employer shall pay $20,000 into the state treasury. The payment shall be made in all such cases regardless of whether the employee or the employee’s dependent or personal representative commences action against a 3rd party as provided in s. 102.29.

(3) All payments received under this section shall be deposited in the fund established by s. 102.65.

Cross-reference: See also s. DWD 80.68, Wis. adm. code.

The fund was not liable for disability benefits when an employer was liable for permanent total disability benefits to an employee under sub. (1), but not liable for indemnity benefits to an employee under sub. (1). Milwaukee Forge v. DILHR, 66 Wis. 2d 428, 225 N.W.2d 476 (1975).

102.60 Minor illegally employed. (1m) When the injury is sustained by a minor who is illegally employed, the employer, in addition to paying compensation to the minor and death benefits to the dependents of the employee, may pay the following amounts into the state treasury, for deposit in the fund established under s. 102.65:

(a) An amount equal to the amount recoverable by the injured employee, but not to exceed $7,500, if the injured employee is a minor of permit age or older and at the time of the injury is employed, required, suffered, or permitted to work at prohobited employment.

(b) An amount equal to double the amount recoverable by the injured employee, but not to exceed $15,000, if the injured employee is a minor of permit age or older and at the time of the injury is employed, required, suffered, or permitted to work at prohibited employment.

(c) An amount equal to double the amount recoverable by the injured employee, but not to exceed $15,000, if the injured employee is a minor of permit age or older and at the time of the injury is employed, required, suffered, or permitted to work at prohibited employment.

(d) An amount equal to double the amount recoverable by the injured employee, but not to exceed $15,000, if the injured employee is a minor under permit age and is illegally employed.

(5) (a) A permit or certificate of age that is unlawfully issued by an officer specified in ch. 103, or that is unlawfully altered after issuance, without fraud on the part of the employer, shall be considered a permit for purposes of this section.

(b) If the employer is misled in employing a minor illegally because of fraudulent written evidence of age presented by the minor, the employer is not required to pay the amounts specified in sub. (1m).

(7) This section does not apply to a person selling or distributing newspapers or magazines on the street or from house to house if the agency or publisher for whom the person sells or distributes newspapers or magazines establishes by affirmative proof that at the time of the injury the person was not employed with the actual or constructive knowledge of the agency or publisher.

(8) This section does not apply to liability arising under s. 102.06 unless the employer sought to be charged knew or should have known that the minor was illegally employed by the contractor or subcontractor.

102.61 Indemnity under rehabilitation law. (1) Subject to subs. (1g) and (1m), an employee who is entitled to receive and has received compensation under this chapter, and who is entitled to and is receiving instruction under 29 USC 701 to 797b, as administered by the state in which the employee resides or in which the employee resided at the time of the injury was physically disabled, shall, in addition to other indemnity, be paid the actual and necessary costs of tuition, fees, books, and travel required for the employee’s rehabilitation. If the employee receives that instruction elsewhere than at the place of residence, the actual and necessary costs of maintenance, during rehabilitation, subject to the conditions and limitations specified in sub. (1r). The costs of travel under this subsection shall be paid at the same rate as is provided for state officers and employees under s. 20.916 (8).

(1g) (a) In this subsection, “suitable employment” means employment that is within an employee’s permanent work restrictions, that the employee has the necessary physical capacity, knowledge, transferable skills, and ability to perform, and that pays not less than 90 percent of the employee’s preinjury average weekly wage, except that employment that pays 90 percent or more of the employee’s preinjury average weekly wage does not constitute suitable employment if any of the following apply:

1. The employee’s education, training, or employment experience demonstrates that the employee is on a career or vocational path, the employee’s average weekly wage on the date of injury does not reflect the average weekly wage that the employee reasonably could have been expected to earn in the demonstrated career or vocational path, and the permanent work restrictions caused by the injury impede the employee’s ability to pursue the demonstrated career or vocational path.

2. The employee was performing part-time employment at the time of the injury, the employee’s average weekly wage for compensation purposes is calculated under s. 102.11 (1) (f) 1., and that average weekly wage exceeds the employee’s gross average weekly wage for the part-time employment.

(b) If an employer offers an employee suitable employment as provided in par. (c), the employer or the employer’s insurance carrier is not liable for temporary disability benefits under s. 102.43 (5) (b) or for the cost of tuition, fees, books, travel, and maintenance under sub. (1). Ineligibility for compensation under this paragraph does not preclude an employee from receiving vocational rehabilitation services under 29 USC 701 to 797b if the
department determines that the employee is eligible to receive those services.

(c) On receiving notice that he or she is eligible to receive vocational rehabilitation services under 29 USC 701 to 797a, an employee shall provide the employer with a written report from a physician, chiropractor, psychologist, or podiatrist stating the employee’s permanent work restrictions. Within 60 days after receiving that report, the employer shall provide to the employee in writing an offer of suitable employment, a statement that the employer has no suitable employment for the employee, or a report from a physician, chiropractor, psychologist, or podiatrist showing that the permanent work restrictions provided by the employee’s practitioner are in dispute and documenting showing that the difference in work restrictions would materially affect either the employer’s ability to provide suitable employment or a vocational rehabilitation counselor’s ability to recommend a rehabilitative training program. If the employer and employee cannot resolve the dispute within 30 days after the employer receives the employer’s report and documentation, the employer or employee may request a hearing before the division to determine the employee’s work restrictions. Within 30 days after the division determines the employee’s work restrictions, the employer shall provide to the employee in writing an offer of suitable employment or a statement that the employer has no suitable employment for the employee.

(1m) (a) If the department has determined under sub. (1) that an employee is eligible for vocational rehabilitation services under 29 USC 701 to 797b, but that the department cannot provide those services for the employee, the employee may select a private rehabilitation counselor certified by the department to determine whether the employee can return to suitable employment without rehabilitative training and, if that counselor determines that rehabilitative training is necessary, to develop a rehabilitative training program to restore as nearly as possible the employee to his or her preinjury earning capacity and potential.

(b) Notwithstanding s. 102.03 (4), an employee whose date of injury is before May 4, 1994, may receive private rehabilitative counseling and rehabilitative training under par. (a).

(c) The employer or insurance carrier shall pay the reasonable cost of any services provided for an employee by a private rehabilitation counselor under par. (a) and (b), subject to the conditions and limitations specified in sub. (1r) (a) to (c) and by rule, if the private rehabilitation counselor determines that rehabilitative training is necessary, the reasonable cost of the rehabilitative training program recommended by that counselor, including the cost of tuition, fees, books, maintenance, and travel at the same rate as is provided for state officers and employees under s. 20.916 (8). Notwithstanding that the department or the division may authorize under s. 102.43 (5) (b) a rehabilitative training program that lasts longer than 80 weeks, a rehabilitative training program that lasts 80 weeks or less is presumed to be reasonable.

(d) If an employee receives services from a private rehabilitation counselor under par. (a) and later receives similar services from the department under sub. (1) without the prior approval of the employer or insurance carrier, the employer or insurance carrier is not liable for temporary disability benefits under s. 102.43 (5) (b) or for tuition, fee, book, travel, and maintenance costs under sub. (1) that exceed what the employer or insurance carrier would have been liable for under the rehabilitative training program developed by the private rehabilitation counselor.

(e) Nothing in this subsection prevents an employer or insurance carrier from providing an employee with the services of a private rehabilitation counselor or with rehabilitative training if the employee voluntarily accepts those services or that training.

(1r) An employee who receives a course of instruction or other rehabilitative training under sub. (1) or (1m) is subject to the following conditions and limitations:

(a) The employee must undertake the course of instruction within 60 days from the date when the employee has sufficiently recovered from the injury to permit so doing, or as soon thereafter as the officer or agency having charge of the instruction shall provide opportunity for the rehabilitation.

(b) The employee must continue in rehabilitation training with such reasonable regularity as health and situation will permit.

(c) The employer may not have the costs of tuition, fees, books, travel, and maintenance paid under sub. (1) or the costs of private rehabilitation counseling and rehabilitative training paid under sub. (1m) on account of training for a period in excess of 80 weeks in all, except as provided in s. 102.43 (5) (b).

(2) The division, the commission, and the courts shall determine the rights and liabilities of the parties under this section in like manner and with like effect as the division, the commission, and the courts determine other issues under this chapter. A determination under this subsection may include a determination based on the evidence regarding the cost or scope of the services provided by a private rehabilitation counselor under sub. (1m) (a) or the cost or reasonableness of a rehabilitative training program developed under sub. (1m) (a).

(3) Nothing in this section prevents an employer or insurance carrier from providing an employee with the services of a private rehabilitation counselor or with rehabilitative training if the employee voluntarily accepts those services or that training.

102.64 Attorney general shall represent state and commission. (1) Upon request of the department of administration, a representative of the department of justice shall represent the state in cases involving payment into or out of the state treasury under s. 20.865 (1) (fm), (kr), or (ur) or 102.29. The department of justice, after giving notice to the department of administration, may compromise the amount of those payments but such compromises shall be subject to review by the department or the division. If the spouse or domestic partner under ch. 770 of the deceased employee compromises his or her claim for a primary death benefit, the claim of the children of the employee under s. 102.49 shall be compromised on the same proportional basis, subject to the limitations contained in sub. 102.51 (1) compromise their claim, payments under s. 102.49 (5) (a) shall be compromised on the same proportional basis.

(2) Upon request of the department of administration, the attorney general shall appear on behalf of the state in proceedings upon claims for compensation against the state. Except as provided in s. 102.65 (3), the department of justice shall represent the interests of the state in proceedings under s. 102.44 (1), 102.49, 102.59, 102.60, or 102.66. The department of justice may compromise claims in those proceedings, but the compromises are subject to review by the department or the division. Costs incurred by the department of justice in prosecuting or defending any claim for payment into or out of the work injury supplemental benefit fund under s. 102.65, including expert witness and witness fees but not including attorney fees or attorney travel expenses for services performed under this subsection, shall be paid from the work injury supplemental benefit fund.

(3) In any action to review an order or award of the commission, and upon any appeal therein to the court of appeals, the attorney general shall appear on behalf of the commission, whether any other party defendant shall be represented or not, except that in actions brought by the state the governor shall appoint an attorney to appear on behalf of the commission.

History: 1975 c. 147; 1977 c. 187 s. 134, 1977 c. 195; 1979 c. 110 s. 60 (11); 1981 c. 20, 1983 a. 98; 1995 a. 27 ss. 3745g, 9130 (4); 1997 a. 3; 2001 a. 185; 2009 a. 28; 2011 a. 183; 2015 a. 55.

Sub. (3) does not result in providing public counsel for a private party litigant, because s. 46.01 (3) authorizes the attorney general to represent the claims of the state, but expressly states that the attorney general shall appear on behalf of the department. Hunter v. DILHR, 64 Wis. 2d 97, 218 N.W.2d 314 (1974).

102.65 Work injury supplemental benefit fund. (1) The moneys payable to the state treasury under ss. 102.35 (1), 102.47, 102.49, 102.59, and 102.60, together with all accrued interest on those moneys, and all interest payments received under s. 102.75 (2), shall constitute a separate nonlapsing fund designated as the work injury supplemental benefit fund. Moneys in the fund may be expended only as provided in s. 20.445 (1) (t) and may not be used for any other purpose of the state.

(2) For proper administration of the moneys available in the fund the department shall by order, set aside in the state treasury suitable reserves to carry to maturity the liability for benefits under ss. 102.44, 102.49, 102.59 and 102.66. Such moneys shall be invested by the investment board in accordance with s. 25.14 (5).

(3) The department of workforce development may retain the department of administration to process, investigate, and pay claims under ss. 102.44 (1), 102.49, 102.59, and 102.66. If retained by the department of workforce development, the department of administration may compromise a claim processed by that department, but a compromise made by that department is subject to review by the department of workforce development or the division. The department of workforce development shall pay for the services retained under this subsection from the appropriation account under s. 20.445 (1) (t).

(4) The secretary shall monitor the cash balance in, and incurred losses to, the work injury supplemental benefit fund using generally accepted actuarial principles. If the secretary determines that the expected ultimate losses to the work injury supplemental benefit fund on known claims exceed 85 percent of the cash balance in that fund, the secretary shall consult with the council on worker’s compensation. If the secretary, after consulting with the council on worker’s compensation, determines that there is a reasonable likelihood that the cash balance in the work injury supplemental benefit fund may become inadequate to fund claims under ss. 102.49, 102.59, and 102.66, the secretary shall file with the secretary of administration a certificate attesting that the cash balance in that fund is likely to become inadequate to fund all claims under ss. 102.49, 102.59, and 102.66 and specifying one of the following:

(a) That payment of those claims will be made as provided in a schedule that the department shall promulgate by rule.

(b) A date after which payment of those claims will be reduced.

(c) A date after which no new claims under those provisions will be paid.

102.66 Payment of certain barred claims. (1) Subject to any certificate filed under s. 102.65 (4), if there is an otherwise meritorious claim for occupational disease, or for a traumatic injury described in s. 102.17 (4) in which the date of injury or death or last payment of compensation, other than for treatment or burial expenses, is before April 1, 2006, and if the claim is barred solely by the statute of limitations under s. 102.17 (4), the department or the division may, in lieu of worker’s compensation benefits, direct payment from the work injury supplemental benefit fund under s. 102.65 of such compensation and such medical expenses as would otherwise be due, based on the date of injury, to or on behalf of the injured employee. The benefits shall be supplemental, to the extent of compensation liability, to any disability or medical benefits payable from any group insurance policy whose premium is paid in whole or in part by any employer, or under any federal insurance or benefit program providing disability or medical benefits. If the benefits payable under any such group policy do not limit the benefits payable under this section.

(2) In the case of occupational disease, or of a traumatic injury described in s. 102.17 (4) in which the date of injury or death or last payment of compensation, other than for treatment for burial expenses, is before April 1, 2006, appropriate benefits may be awarded from the work injury supplemental benefit fund when the status or existence of the employer or its insurance carrier cannot be determined or when there is otherwise no adequate remedy, subject to the limitations contained in sub. (1).

102.75 Administrative expenses. (1) The department shall assess upon and collect from each licensed worker’s compensation insurance carrier and from each employer exempted under s. 102.28 (2) (b) or (bm) from the duty to carry insurance under s. 102.28 (2) (a) the proportion of total costs and expenses incurred by the council on worker’s compensation for travel and research and by the department, the division, and the commission in the administration of this chapter for the current fiscal year, plus any deficiencies in collections and anticipated costs from the previous fiscal year, that the total indemnity paid or payable under

2017–18 Wisconsin Statutes updated through 2019 Wis. Act 186 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on July 14, 2020. Published and certified under s. 35.18. Changes effective after July 14, 2020, are designated by NOTES. (Published 7–14–20)
this chapter by each such carrier and exempt employer in worker’s compensation cases initially closed during the preceding calendar year, other than for increased, double, or treble compensation, bore to the total indemnity paid in cases closed the previous calendar year under this chapter by all carriers and exempt employers, other than for increased, double, or treble compensation. The council on worker’s compensation, the division, and the commission shall annually certify any costs and expenses for worker’s compensation activities to the department at such time as the secretary requires.

(1g) (a) Subject to par. (b), the department shall collect from each licensed worker’s compensation carrier the proportion of reimbursement approved by the department under s. 102.44 (1) (c) 1. for supplemental benefits paid in the year before the previous year that the total indemnity paid or payable under this chapter by the carrier in worker’s compensation cases initially closed during the preceding calendar year, other than for increased, double, or treble compensation, bore to the total indemnity paid in cases closed the previous calendar year under this chapter by all carriers, other than for increased, double, or treble compensation.

(b) The maximum amount that the department may collect under par. (a) in a calendar year is $5,000,000. If the amount determined collectible under par. (a) in a calendar year is $5,000,000 or less, the department shall collect that amount. If the amount determined collectible under par. (a) in a calendar year exceeds $5,000,000,000 in the year in which the determination is made and, subject to the maximum amount collectible of $5,000,000 per calendar year, shall collect the excess in the next calendar year or in subsequent calendar years until that excess is collected in full.

(c) This subsection does not apply to claims for reimbursement under s. 102.44 (1) (c) 1. for supplemental benefits paid for injuries that occur on or after January 1, 2016.

(1m) The moneys collected under subs. (1) and (1g) and under ss. 102.28 (2) and 102.31 (7), together with all accrued interest, shall constitute a separate nonlapsible fund designated as the worker’s compensation operations fund. Moneys in the fund may be expended only as provided in ss. 102.44 (1) (ra) and 102.445 (1) (ra), (rb), and (rp) and may not be used for any other purpose of the state.

(2) The department shall require each licensed worker’s compensation insurance carrier and employer exempted under s. 102.28 (2) (b) or (bm) from the duty to insure under s. 102.28 (2) (a) to make the payments required under sub. (1) for each fiscal year on such dates as the department prescribes. The department shall also require each licensed worker’s compensation insurance carrier to make the payments required under sub. (1g) for each fiscal year on those dates. Each such payment shall be a sum equal to a proportionate share of the annual costs and expenses assessed upon each carrier and employer as estimated by the department. Interest shall accrue on amounts not paid within 30 days following the due date prescribed by the department under this subsection at the rate of 1 percent per month. All interest payments received under this subsection shall be deposited in the fund established under s. 102.65.

(4) From the appropriation under s. 20.445 (1) (ra), the department shall allocate the amounts that it collects in application fees from employers applying for exemption under s. 102.28 (2) (b) and the annual amount that it collects from employers that have been exempted under s. 102.28 (2) (b) to fund the activities of the department under s. 102.28 (2) (b) and (c) with respect to those employers.

(b) Uninsured employer surcharges collected under s. 102.85 (4).

(d) Amounts collected from employees or dependents of employees under s. 102.81 (4) (b).

(f) Amounts transferred to the uninsured employers fund from the appropriation account under s. 20.445 (1) (ra) as provided in s. 102.81 (1) (c).

(1m) The moneys collected or received under sub. (1), together with all accrued interest, shall constitute a separate nonlapsible fund designated as the uninsured employers fund. Moneys in the fund may be expended only as provided in s. 20.445 (1) (sm) and may not be used for any other purpose of the state.

(3) (a) If the cash balance in the uninsured employers fund equals or exceeds $4,000,000, the secretary shall consult the council on worker’s compensation within 45 days after that cash balance equals or exceeds $4,000,000. The secretary may file with the secretary of administration, within 15 days after consulting the council on worker’s compensation, a certificate attesting that the cash balance in the uninsured employers fund equals or exceeds $4,000,000.

(4) (a) If an uninsured employer who owes to the department for supplemental benefits paid in the year before the previous year that the total indemnity paid or payable under this chapter by the carrier in worker’s compensation cases initially closed during the preceding calendar year, other than for increased, double, or treble compensation, exceeds $5,000,000, the department shall collect $5,000,000 in a calendar year.

(4) (b) If an uninsured employer who owes to the department for supplemental benefits paid in the year before the previous year that the total indemnity paid or payable under this chapter by the carrier in worker’s compensation cases initially closed during the preceding calendar year, other than for increased, double, or treble compensation, exceeds $5,000,000, the department shall collect $5,000,000.

the spouse, child or parent of the individual who owned or controlled the business, or any combination of more than one of them.

2. The transferee has continued or resumed the business of the uninsured employer, either in the same establishment or elsewhere; or the transferee has employed substantially the same employees as those the uninsured employer had employed in connection with the business assets or activities transferred.

(b) The department may collect from a transferee described in par. (a) an amount owed under s. 102.82 or 102.85 (4) using the procedures specified in ss. 102.83, 102.835 and 102.87 and the preference specified in s. 102.84 in the same manner as the department may collect from an uninsured employer.

102.81 Compensation for injured employee of uninsured employer. (1) (a) If an employee of an uninsured employer, other than an employee who is eligible to receive alternate reinsurance under s. 102.28 (3), suffers an injury for which the uninsured employer is liable under s. 102.03, the department or the department’s reinsurer shall pay to or on behalf of the injured employee or to the employee’s dependents an amount equal to the compensation owed by the uninsured employer under this chapter except penalties and interest due under ss. 102.16 (3), 102.18 (1) (b) 3. and (bp), 102.22 (1), 102.35 (3), 102.57, and 102.60.

(b) The department shall make the payments required under par. (a) from the uninsured employers fund, except that if the department has obtained reinsurance under sub. (2) and is unable to make those payments from the uninsured employers fund, the department’s reinsurer shall make those payments according to the terms of the contract of reinsurance.

(c) 1. The department shall pay a claim under par. (a) in excess of $1,000,000 from the uninsured employers fund in the first instance. If the claim is not covered by excess or stop–loss reinsurance under sub. (2), the secretary of administration shall transfer from the appropriation account under s. 20.445 (1) (ra) to the uninsured employers fund as provided in subd. 2. and 3. an amount equal to the amount by which payments from the uninsured employers fund on the claim are in excess of $1,000,000.

2. Each calendar year the department shall file with the secretary of administration a certificate setting forth the number of claims in excess of $1,000,000 in the preceding year paid from the uninsured employers fund, the payments made from the uninsured employers fund on each such claim in the preceding year, and the total payments made from the uninsured employers fund on all such claims and, based on that information, the secretary of administration shall determine the amount to be transferred under subd. 1. in that calendar year.

3. The maximum amount that the secretary of administration may transfer under subd. 2. in a calendar year is $500,000. If the amount determined under subd. 2. is $500,000 or less, the secretary of administration shall transfer the amount determined under subd. 2. If the amount determined under subd. 2. exceeds $500,000, the secretary of administration shall transfer $500,000 in the calendar year in which the determination is made and, subject to the maximum transfer amount of $500,000 per calendar year, shall transfer that excess in the next calendar year or in subsequent calendar years until that excess is transferred in full.

(2) The department may retain an insurance carrier or insurance service organization to process, investigate and pay claims under this section and may obtain excess or stop–loss reinsurance with an insurance carrier authorized to do business in this state in an amount that the secretary determines is necessary for the sound operation of the uninsured employers fund. In cases involving disputed claims, the department may retain an attorney to represent the interests of the uninsured employers fund and to make appearances on behalf of the uninsured employers fund in proceedings under ss. 102.16 to 102.29.

Section 20.930 and all provisions of subch. IV of ch. 16, except s. 16.753, do not apply to an attorney hired under this subsection. The charges for the services retained under this subsection shall be paid from the appropriation under s. 20.445 (1) (rp). The cost of any reinsurance obtained under this subsection shall be paid from the appropriation under s. 20.445 (1) (sm).

(3) An injured employee of an uninsured employer or his or her dependents may attempt to recover from the uninsured employer, a 3rd party under s. 102.29, while receiving or attempting to receive payment under sub. (1).

(4) An injured employee, or the dependent of an injured employee, who received one or more payments under sub. (1) shall do all of the following:

(a) If the employee or dependent begins an action to recover compensation from the employee’s employer or a 3rd party liable under s. 102.29, provide to the department a copy of all papers filed by any party in the action.

(b) If the employee or dependent receives compensation from the employee’s employer or a 3rd party liable under s. 102.29, pay to the department the lesser of the following:

1. The amount after attorney fees and costs that the employee or dependent received under sub. (1).

2. The amount after attorney fees and costs that the employee or dependent received from the employer or 3rd party.

(5) The department of justice may bring an action to collect the payment under sub. (4).

(6) (a) Subject to par. (b), an employee, a dependent of an employee, an uninsured employer, a 3rd party who is liable under s. 102.29 or the department may enter into an agreement to settle liabilities under this chapter.

(b) A settlement under par. (a) is void without the department’s written approval.

(7) This section first applies to injuries occurring on the first day of the first July beginning after the day that the secretary files a certificate under s. 102.80 (3) (ag), except that if the secretary files a certificate under s. 102.80 (3) (ag) this section does not apply to claims filed on or after the date specified in that certificate.

Section 102.18 (1) (bp) does not govern the conduct of the Department or its agent and does not impose any penalty on the department or its agent for bad faith conduct in administering the Uninsured Employers Fund. Section 102.18 (1) (bp) constitutes the exclusive remedy for the bad faith conduct of an employer or an insurance carrier. Because s. 102.18 (1) (bp) does not apply to the department’s agent, it does not provide an exclusive remedy for the agent’s bad faith. Moreover, sub. (1) (a) exempts the Department and its agent from paying an employee the statutory penalties and interest imposed on an employer or an insurance carrier for their misdeeds, but nothing in sub. (1) (a) exempts the department or its agent from liability for its bad faith conduct in processing claims. Askland v. Gallagher Bassett Services, Inc. 2007 WI 39, 300 Wis. 2d 92, 729 N.W.2d 712, 04–2588.

102.82 Uninsured employer payments. (1) Except as provided in sub. (2) (ar), an uninsured employer shall reimburse the department for any payment made under s. 102.81 (1) to or on behalf of an employee of the uninsured employer or to an employee’s dependents and for any expenses paid by the department in administering the claim of the employee or dependents, less amounts repaid by the employee or dependents under s. 102.81 (4) (b). The reimbursement under this subsection is due within 30 days after the date on which the department notifies the uninsured employer that the reimbursement is owed. Interest shall accrue on amounts not paid when due at the rate of 1 percent per month.

(2) (a) Except as provided in pars. (ag), (am) and (ar), all uninsured employers shall pay to the department the greater of the following:

1. Twice the amount determined by the department to equal what the uninsured employer would have paid during periods of illegal nonpayment for worker’s compensation insurance in the preceding 3–year period based on the employer’s payroll in the preceding 3 years.

2. Seven hundred and fifty dollars.
(ag) An uninsured employer who is liable to the department under par. (a) 2 shall pay to the department, in lieu of the payment required under par. (a) 2., $100 per day for each day that the employer is uninsured if all of the following apply:
1. The employer is uninsured for 7 consecutive days or less.
2. The employer has not previously been uninsured.
3. No injury for which the employer is liable under s. 102.03 has occurred during the period in which the employer is uninsured.

(am) The department may waive any payment owed under par. (a) by an uninsured employer if the department determines that the uninsured employer is subject to this chapter only because the uninsured employer has elected to become subject to this chapter under s. 102.05 (2) or 102.28 (2).

(ar) The department may waive any payment owed under par. (a) or (ag) or sub. (1) if the department determines that the sole reason for the uninsured employer’s failure to comply with s. 102.28 (2) is that the uninsured employer was a victim of fraud, misrepresentation or gross negligence by an insurance agent or insurance broker or by a person whom a reasonable person would believe is an insurance agent or insurance broker.

(b) The payment owed under par. (a) or (ag) is due within 30 days after the date on which the employer is notified. Interest shall accrue on amounts not paid when due at the rate of 1 percent per month.

(c) The department of justice or, if the department of justice consents, the department of workforce development may bring an action in circuit court to recover payments and interest owed to the department of workforce development under this section.

(3) (a) When an employee dies as a result of an injury for which an uninsured employer is liable under s. 102.03, the uninsured employer shall pay $1,000 to the department.

(b) The payment under par. (a) is in addition to any benefits or other compensation paid to an employee or survivors or the work injury supplemental benefit fund under ss. 102.46 to 102.51.

102.83 Collection of uninsured employer payments. (1) (a) 1. If an uninsured employer or any individual who is found personally liable under sub. (8) fails to pay to the department any amount owed to the department under s. 102.82 and no proceeding for review is pending, the department or any authorized representative may issue a warrant directed to the clerk of circuit court for any county of the state.

2. The clerk of circuit court shall enter in the judgment and lien docket the name of the uninsured employer or the individual mentioned in the warrant and the amount of the payments, interest, costs, and other fees for which the warrant is issued and the date when the warrant is entered.

3. A warrant entered under subd. 2. shall be considered in all respects as a final judgment constituting a perfected lien on the right, title, and interest of the uninsured employer or the individual in all of that person’s real and personal property located in the county where the warrant is entered. The lien is effective when the department issues the warrant under subd. 1. and shall continue until the amount is paid, including interest, costs, and other fees to the date of payment, is paid.

4. After the warrant is entered in the judgment and lien docket, the department or any authorized representative may file an execution with the clerk of circuit court for filing by the clerk of circuit court with the sheriff of any county where real or personal property of the uninsured employer or the individual is found, commanding the sheriff to Levy upon and sell sufficient real and personal property of the uninsured employer or the individual to pay the amount stated in the warrant in the same manner as upon an execution against property issued upon the judgment of a court of record, and to return the warrant to the department and pay to it the money collected by virtue of the warrant within 60 days after receipt of the warrant.

(b) The clerk of circuit court shall accept and enter the warrant in the judgment and lien docket without prepayment of any fee, but the clerk of circuit court shall submit a statement of the proper fee semiannually to the department covering the periods from January 1 to June 30 and July 1 to December 31 unless a different billing period is agreed to between the clerk and the department. The fees shall then be paid by the department, but the fees provided by s. 814.61 (5) for entering the warrants shall be added to the amount of the warrant and collected from the uninsured employer or the individual when satisfaction or release is presented for entry.

(2) The department may issue a warrant of like terms, force, and effect to any employee or other agent of the department, who may file a copy of the warrant with the clerk of circuit court of any county in the state, and thereupon the clerk of circuit court shall enter the warrant in the judgment and lien docket and the warrant shall become a lien in the same manner, and with the same force and effect, as provided in sub. (1). In the execution of the warrant, the employee or other agent shall have all the powers conferred by law upon a sheriff, but may not collect from the uninsured employer or the individual any fee or charge for the execution of the warrant in excess of the actual expenses paid in the performance of his or her duty.

(3) If a warrant is returned not satisfied in full, the department shall have the same remedies to enforce the amount due for payments, interest, costs, and other fees as if the department had entered judgment against the uninsured employer or the individual and an execution had been returned wholly or partially not satisfied.

(4) When the payments, interest, costs, and other fees specified in a warrant have been paid to the department, the department shall issue a satisfaction of the warrant and file it with the clerk of circuit court. The clerk of circuit court shall immediately enter the satisfaction of the judgment in the judgment and lien docket. The department shall send a copy of the satisfaction to the uninsured employer or the individual.

(5) The department, if it finds that the interests of the state will not be jeopardized, and upon such conditions as it may exact, may issue a release of any warrant with respect to any real or personal property upon which the warrant is a lien or cloud upon title. The release shall be either in Dane County or the county where the property is located or the county where the judgment is returned. The release shall be conclusive proof that the lien or cloud upon the title of the property covered by the release is extinguished.

(6) At any time after the filing of a warrant, the department may commence and maintain a garnishee action as provided by ch. 812 or may use the remedy of attachment as provided by ch. 811 for actions to enforce a judgment. The place of trial of an action under ch. 811 or 812 may be either in Dane County or the county where the judgment is returned and may not be changed from the county in which the action is commenced, except upon consent of the parties.

(7) If the department issues an erroneous warrant, the department shall issue a notice of withdrawal of the warrant to the clerk of circuit court for the county in which the warrant is filed. The clerk shall void the warrant and any liens attached by it.

(8) Any officer or director of an uninsured employer that is a corporation and any member or manager of an uninsured employer that is a limited liability company may be found individually and jointly and severally liable for the payments, interest, costs and other fees specified in a warrant under this section if after proper proceedings for the collection of those amounts from the corporation or limited liability company, as provided in this section, the corporation or limited liability company is unable to pay those amounts to the department. The personal liability of the officers and directors of a corporation or of the members and-
agers of a limited liability company as provided in this subsection is an independent obligation, survives dissolution, reorganization, bankruptcy, receivership, assignment for the benefit of creditors, judicially confirmed extension or composition, or any analogous situation of the corporation or limited liability company, and shall be set forth in a determination or decision issued under s. 102.82.

102.835 Levy for delinquent payments. (1) Definitions. In this section:
(a) “Debt” means a delinquent payment.
(b) “Debtor” means an uninsured employer or an individual found personally liable under s. 102.83 (8) who owes the department a debt.
(c) “Levy” means all powers of distraint and seizure.
(d) “Payment” means a payment owed to the department under s. 102.82 and includes interest on that payment.
(e) “Property” includes all tangible and intangible personal property and rights to that property, including compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus or otherwise, amounts paid periodically pursuant to a pension or retirement program, rents, proceeds of insurance and amounts paid pursuant to a contract.

(2) Powers of levy and distraint. If any debtor who is liable for any debt fails to pay that debt after the department has made demand for payment, the department may collect that debt and the expenses of the levy by levy upon any property belonging to the debtor. If the value of any property that has been levied upon under this section is not sufficient to satisfy the claim of the department, the department may levy upon any additional property of the debtor until the debt and expenses of the levy are fully paid.

(3) Duties to surrender. Any person in possession of or obligated with respect to property or rights to property that is subject to levy and upon which a levy has been made shall, upon demand of the department, surrender the property or rights or discharge the obligation to the department, except that part of the property or rights which is, at the time of the demand, subject to any prior attachment or execution under any judicial process.

(4) Failure to surrender. Enforcement of levy. (a) Any debtor who fails to surrender any property or rights to property that is subject to levy, upon demand by the department, is subject to proceedings to enforce the amount of the levy.
(b) Any 3rd party who fails to surrender any property or rights to property subject to levy, upon demand of the department, is subject to proceedings to enforce the levy. The 3rd party is not liable to the department under this paragraph for more than 25 percent of the debt. The department shall serve a final demand as provided under sub. (13) on any 3rd party who fails to surrender property. Proceedings may not be initiated by the department until 5 days after service of the final demand. The department shall issue a determination under s. 102.82 to the 3rd party for the amount of the liability.
(c) When a 3rd party surrenders the property or rights to the property on demand of the department or discharges the obligation to the department for which the levy is made, the 3rd party is discharged from any obligation or liability to the debtor with respect to the property or rights to the property arising from the surrender or payment to the department.

(5) Actions against this state. (a) If the department has levied upon property, any person, other than the debtor who is liable to pay the debt out of which the levy arose, who claims an interest in or lien on that property, and who claims that that property was wrongfully levied upon may bring a civil action against the state in the circuit court for Dane County. That action may be brought whether or not that property has been surrendered to the department. The court may grant only the relief under par. (b). No other action to question the validity of or to restrain or enjoin a levy by the department may be maintained.

(b) In an action under par. (a), if a levy would irreparably injure rights to property, the court may enjoin the enforcement of that levy. If the court determines that the property has been wrongfully levied upon, it may grant a judgment for the amount of money obtained by levy.
(c) For purposes of an adjudication under this subsection, the determination of the debt upon which the interest or lien of the department is based is conclusively presumed to be valid.

(6) Determination of expenses. The department shall determine its costs and expenses to be paid in all cases of levy.

(7) Use of proceeds. (a) The department shall apply all money obtained under this section first against the expenses of the proceedings and then against the liability in respect to which the levy was made and any other liability owed to the department by the debtor.
(b) The department may refund or credit any amount left after the applications under par. (a), upon submission of a claim for a refund or credit and satisfactory proof of the claim, to the person entitled to that amount.

(8) Release of levy. The department may release the levy upon all or part of property levied upon to facilitate the collection of the liability or to grant relief from a wrongful levy, but that release does not prevent any later levy.

(9) Wrongful levy. If the department determines that property has been wrongfully levied upon, the department may return the property at any time, or may return an amount of money equal to the amount of money levied upon.

(10) Preservation of remedies. The availability of the remedy under this section does not abridge the right of the department to pursue other remedies.

(11) Evasion. Any person who removes, deposits or conceals or aids in removing, depositing or concealing any property upon which a levy is authorized under this section with intent to evade or defeat the assessment or collection of any debt is guilty of a Class I felony and shall be liable to the state for the costs of prosecution.

(12) Notice before levy. If no proceeding for review permitted by law is pending, the department shall make a demand to the debtor for payment of the debt which is subject to levy and give notice that the department may pursue legal action for collection of the debt against the debtor. The department shall make the demand for payment and give the notice at least 10 days prior to the levy, personally or by any type of mail service which requires a signature of acceptance, to the address of the debtor as it appears on the records of the department. The demand for payment and notice shall include a statement of the amount of the debt, including costs and fees, and the name of the debtor who is liable for the debt. The debtor’s failure to accept or receive the notice does not prevent the department from making the levy. Notice prior to levy is not required for a subsequent levy on any debt of the same debtor within one year after the date of service of the original levy.

(13) Service of levy. (a) The department shall serve the levy upon the debtor and 3rd party by personal service or by any type of mail service which requires a signature of acceptance.
(b) Personal service shall be made upon an individual, other than a minor or incapacitated person, by delivering a copy of the levy to the debtor or 3rd party personally; by leaving a copy of the levy at the debtor’s dwelling or usual place of abode with some person of suitable age and discretion residing there; by leaving a copy of the levy at the business establishment of the debtor with an officer or employee of the debtor; or by delivering a copy of the levy to an agent authorized by law to receive service of process.
(c) The department representative who serves the levy shall certify service of process on the notice of levy form and the person served shall acknowledge receipt of the certification by signing and dating it. If service is made by mail, the return receipt is the certificate of service of the levy.
The county treasurer shall comply with s. 102.835 for benefit of creditors, judicially confirmed extension proposal of the levy upon a 3rd party, the 3rd party shall file an answer with the department stating whether the 3rd party is in possession of or obligated with respect to property or rights to property of the county treasurer the uninsured employer surcharge and other amounts required under s. 59.40 (2) (m). The county treasurer shall make payment to the secretary of administration as provided in s. 59.25 (3) (f) 2. The secretary of administration shall deposit the amount of the uninsured employer surcharge, together with any interest thereon, in the uninsured employers fund as provided in s. 102.80 (1).

An employer who violates an order to cease operations under s. 102.28 (4) is guilty of a Class I felony.

(4) (a) If a court imposes a fine or forfeiture under subs. (1) to (3), the court shall impose under ch. 814 an uninsured employer surcharge equal to 75 percent of the amount of the fine or forfeiture.

(b) If a fine or forfeiture is suspended in whole or in part, the uninsured employer surcharge shall be reduced in proportion to the suspension.

(c) If any deposit is made for an offense to which this section applies, the person making the deposit shall also deposit a sufficient amount to include the uninsured employer surcharge under this section. If the deposit is forfeited, the amount of the uninsured employer surcharge shall be transmitted to the secretary of administration under par. (d). If the deposit is returned, the uninsured employer surcharge shall also be returned.

(d) The clerk of the court shall collect and transmit to the county treasurer the uninsured employer surcharge and other amounts required under s. 59.40 (2) (m). The county treasurer shall then make payment to the secretary of administration as provided in s. 59.25 (3) (f) 2.

The county treasurer shall deposit the amount of the uninsured employer surcharge, together with any interest thereon, in the uninsured employers fund as provided in s. 102.80 (1).

The payment of any judgment under this section may be suspended or deferred for not more than 90 days in the discretion of the court. The court shall suspend a judgment under this section upon the motion of the department, if the department is satisfied that the employer’s violation of s. 102.16 (3) or 102.28 (2) was beyond the employer’s control and that the employer no longer violates s. 102.16 (3) or 102.28 (2). In cases where a deposit has been made, any forfeitures, surcharges, fees, and costs imposed under ch. 814 shall be taken out of the deposit and the balance, if any, returned to the employer.

(b) In addition to any monetary penalties, the court may order an employer to perform or refrain from performing such acts as may be necessary to fully protect and effectuate the public interest, including ceasing business operations.

(c) All civil remedies are available in order to enforce the judgment of the court, including the power of contempt under ch. 785.

102.84 Preference of required payments. Subject to the federal bankruptcy laws, in the event of an uninsured employer’s dissolution, reorganization, bankruptcy, receivership, assignment for benefit of creditors, judicially confirmed extension proposal or composition, or any analogous situation including the administration of estates in circuit courts, the payments required of the uninsured employer under s. 102.82 shall have preference over all claims of general creditors and shall be paid next after the payment of preferred claims for wages.

102.85 Uninsured employers; penalties. (1) (a) An employer who fails to comply with s. 102.16 (3) or 102.28 (2) for less than 11 days shall forfeit not less than $100 nor more than $1,000.

(b) An employer who fails to comply with s. 102.16 (3) or 102.28 (2) for more than 10 days shall forfeit not less than $10 nor more than $100 for each day on which the employer fails to comply with s. 102.16 (3) or 102.28 (2).

(2) An employer who is required to provide worker’s compensation insurance coverage under this chapter shall forfeit not less than $100 nor more than $1,000 if the employer does any of the following:

(a) Gives false information about the coverage to his or her employees, the department or any other person who contracts with the employer and who requests evidence of worker’s compensation coverage in relation to that contract.

(b) Fails to notify a person who contracts with the employer that the coverage has been canceled in relation to that contract.

(2m) The court may waive a forfeiture imposed under sub. (1) or (2) if the court finds that the employer is subject to this chapter only because the employer elected to become subject to this chapter under s. 102.05 (2) or 102.28 (2).

(2p) The court may waive a forfeiture imposed under sub. (1) or (2) if the court finds that the sole reason for the uninsured employer’s failure to comply with s. 102.82 (2) is that the uninsured employer was a victim of fraud, misrepresentation or gross negligence by an insurance agent or insurance broker or by a person whom a reasonable person would believe is an insurance agent or insurance broker.

(3) An employer who violates an order to cease operations under s. 102.28 (4) is guilty of a Class I felony.

(a) If a court imposes a fine or forfeiture under subs. (1) to (3), the court shall impose under ch. 814 an uninsured employer surcharge equal to 75 percent of the amount of the fine or forfeiture.

(b) If a fine or forfeiture is suspended in whole or in part, the uninsured employer surcharge shall be reduced in proportion to the suspension.

(c) If any deposit is made for an offense to which this section applies, the person making the deposit shall also deposit a sufficient amount to include the uninsured employer surcharge under this section. If the deposit is forfeited, the amount of the uninsured employer surcharge shall be transmitted to the secretary of administration under par. (d). If the deposit is returned, the uninsured employer surcharge shall also be returned.

(d) The clerk of the court shall collect and transmit to the county treasurer the uninsured employer surcharge and other amounts required under s. 59.40 (2) (m). The county treasurer shall then make payment to the secretary of administration as provided in s. 59.25 (3) (f) 2.

The secretory of administration shall deposit the amount of the uninsured employer surcharge, together with any interest thereon, in the uninsured employers fund as provided in s. 102.80 (1).

(5) (a) The payment of any judgment under this section may be suspended or deferred for not more than 90 days in the discretion of the court. The court shall suspend a judgment under this section upon the motion of the department, if the department is satisfied that the employer’s violation of s. 102.16 (3) or 102.28 (2) was beyond the employer’s control and that the employer no longer violates s. 102.16 (3) or 102.28 (2). In cases where a deposit has been made, any forfeitures, surcharges, fees, and costs imposed under ch. 814 shall be taken out of the deposit and the balance, if any, returned to the employer.

(b) In addition to any monetary penalties, the court may order an employer to perform or refrain from performing such acts as may be necessary to fully protect and effectuate the public interest, including ceasing business operations.

(c) All civil remedies are available in order to enforce the judgment of the court, including the power of contempt under ch. 785.

(b) The citation may be served on the defendant by registered mail with a return receipt requested.

(2) A citation under this section shall be signed by a department deputy, or by an officer who has authority to make arrests for the violation, and shall contain substantially the following information:

(e) The maximum forfeiture, plus costs, fees, and surcharges imposed under ch. 814, for which the defendant is liable.

(f) Provisions for deposit and stipulation in lieu of a court appearance.

(g) Notice that if the defendant makes a deposit and fails to appear in court at the time specified in the citation, the failure to appear will be considered tender of a plea of no contest and submission to a forfeiture, plus costs, fees, and surcharges imposed under ch. 814, not to exceed the amount of the deposit. The notice shall also state that the court, instead of accepting the deposit and plea, may decide to summon the defendant or may issue an arrest warrant for the defendant upon failure to respond to a summons.

(h) Notice that if the defendant makes a deposit and signs the stipulation the stipulation will be treated as a plea of no contest and submission to a forfeiture, plus costs, fees, and surcharges imposed under ch. 814, not to exceed the amount of the deposit. The notice shall also state that the court, instead of accepting the deposit and stipulation, may decide to summon the defendant or issue an arrest warrant for the defendant upon failure to respond to a summons, and that the defendant may, at any time before or at the time of the court appearance date, move the court for relief from the effect of the stipulation.

(i) Notice that the defendant may, by mail before the court appearance, enter a plea of not guilty and request another date for a court appearance.

(j) Notice that if the defendant does not make a deposit and fails to appear in court at the time specified in the citation, the court may issue a summons or an arrest warrant. (3) A defendant issued a citation under this section may deposit the amount of money that the issuing department or officer directs by mailing or delivering the deposit and a copy of the citation before the court appearance date to the clerk of the circuit court in the county where the violation occurred, to the department, or to the sheriff’s office or police headquarters of the officer who issued the citation. The basic amount of the deposit shall be determined under a deposit schedule established by the judicial conference. The judicial conference shall annually review and revise the schedule. In addition to the basic amount determined by the schedule, the deposit shall include the costs, fees, and surcharges imposed under ch. 814.

(4) A defendant may make a stipulation of no contest by submitting a deposit and a stipulation in the manner provided by sub. (3) before the court appearance date. The signed stipulation is a plea of no contest and submission to a forfeiture, plus the costs, fees, and surcharges imposed under ch. 814, not to exceed the amount of the deposit.

(5) Except as provided by sub. (6), a person receiving a deposit shall prepare a receipt in triplicate showing the purpose for which the deposit is made, stating that the defendant may inquire at the office of the clerk of the circuit court regarding the disposition of the deposit, and notifying the defendant that if he or she fails to appear in court at the time specified in the citation he or she shall be considered to have tendered a plea of no contest and submitted to a forfeiture, plus costs, fees, and surcharges imposed under ch. 814, not to exceed the amount of the deposit and that the court may accept the plea. The original of the receipt shall be delivered to the defendant in person or by mail. If the defendant pays by check, the canceled check is the receipt.

(6) The person receiving a deposit and stipulation of no contest shall prepare a receipt in triplicate showing the purpose for which the deposit is made, stating that the defendant may inquire at the office of the clerk of the circuit court regarding the disposition of the deposit, and notifying the defendant that if the stipulation of no contest is accepted by the court the defendant will be considered to have submitted to a forfeiture, plus costs, fees, and surcharges imposed under ch. 814, not to exceed the amount of the deposit. Delivery of the receipt shall be made in the same manner as provided in sub. (5).

(7) If a defendant issued a citation under this section fails to appear in court at the time specified in the citation or by subsequent postponement, the following procedure applies:

(a) If the defendant has not made a deposit, the court may issue a summons or an arrest warrant.

(b) If the defendant has made a deposit, the citation may serve as the initial pleading and the defendant shall be considered to have tendered a plea of no contest and submitted to a forfeiture, plus costs, fees, and surcharges imposed under ch. 814, not to exceed the amount of the deposit. The court may either accept the plea of no contest and enter judgment accordingly, or reject the plea and issue a summons. If the defendant fails to appear in response to the summons, the court may issue an arrest warrant. If the court accepts the plea of no contest, the defendant may, within 90 days after the date set for appearance, move to withdraw the plea of no contest, open the judgment, and enter a plea of not guilty if the defendant shows to the satisfaction of the court that failure to appear was due to mistake, inadvertence, surprise, or excusable neglect. If a defendant is relieved from the plea of no contest, the court may order a written complaint or petition to be filed. If on reopening the defendant is found not guilty, the court shall delete the record of conviction and shall order the defendant’s deposit returned.

(c) If the defendant has made a deposit and stipulation of no contest, the citation serves as the initial pleading and the defendant shall be considered to have tendered a plea of no contest and submitted to a forfeiture, plus costs, fees, and surcharges imposed under ch. 814, not to exceed the amount of the deposit. The court may either accept the plea of no contest and enter judgment accordingly, or reject the plea and issue a summons or an arrest warrant. After signing a stipulation of no contest, the defendant may, at any time before or at the time of the court appearance date, move the court for relief from the effect of the stipulation. The court may act on the motion, with or without notice, for cause shown by affidavit and upon just terms, and relieve the defendant from the stipulation and the effects of the stipulation.

(8) If a citation or summons is issued to a defendant under this section and he or she is unable to appear in court on the day specified, the defendant may enter a plea of not guilty by mailing a letter stating that inability to the judge at the address indicated on the citation. The letter must show the defendant’s return address. The letter may include a request for trial during normal daytime business hours. Upon receipt of the letter, the judge shall reply by letter to the defendant’s address setting a time and place for trial. The time shall be during normal business hours if so requested. The date of the trial shall be at least 10 days from the date on which the letter was mailed by the judge. Nothing in this subsection forbids the setting of the trial at any time convenient to all parties concerned.

(9) A department deputy or an officer who collects a forfeiture and costs, fees, and surcharges imposed under ch. 814 under this section shall pay the money to the county treasurer within 20 days after its receipt. If the department deputy or officer fails to make timely payment, the county treasurer may collect the payment from the department deputy or officer by action in the treasurer’s name of office and upon the official bond of the department deputy or officer, with interest at the rate of 12 percent per year from the time when it should have been paid.
