CHAPTER 118
GENERAL SCHOOL OPERATIONS

118.001 Duties and powers of school boards; construction of statutes. The statutory duties and powers of school boards shall be broadly construed to authorize any school board action that is within the comprehensive meaning of the terms of the duties and powers, if the action is not prohibited by the laws of the federal government or of this state.

History: 1995 s. 27.

This section expresses the legislature's intent to give school boards broader powers and wide discretion in exercising those powers, but does not mean that when the legislature had previously authorized the board to take particular actions using specified procedures the board has the authority to follow other procedures in taking those particular actions. Madison Metropolitan School District v. Burmaster, 2006 WI App 142, 709 N.W.2d 73, 05-48875.

The duties and powers under ss. 118.001, 120.12 (14), and 120.13 extend to individual teachers as employees of the school board. It would be absurd to require teachers to obtain special permission from the school board with respect to every detail of their teaching. Summer homework, particularly for an honors class for which students receive additional credit, fits comfortably within the range of what is reasonable and is not unconstitutional. Larson v. Burmaster, 2006 WI App 142, 295 Wis. 2d 333, 720 N.W.2d 134, 05-1433.

118.001 Educational goals and expectations. (1) PURPOSE. Public education is a fundamental responsibility of the state. The constitution vests in the state superintendent the supervision of public instruction and directs the legislature to provide for the establishment of district schools. The effective operation of the public schools is dependent upon a common understanding of what public schools should be and do. Establishing such goals and expectations is a necessary and proper complement to the state's financial contribution to education. Each school board should provide curriculum, course requirements and instruction consistent with the goals and expectations established under sub. (2). Parents and guardians of pupils enrolled in the school district share with the state and school board the responsibility for pupils meeting the goals and expectations under sub. (2).

118.001 Cross-reference: See definitions in s. 115.001.
EDUCATIONAL GOALS. (a) Academic skills and knowledge. Since the development of academic skills and knowledge is the most important goal for schools, each school board shall provide an instructional program designed to give pupils:

No pupil may be required to take instruction in these subjects if his or her parent files with the teacher a written objection thereto. If a pupil does not take instruction in these subjects as a result of parental objection, the pupil may not be required to be examined in the subjects and may not be penalized in any way for not taking such instruction, but if the subjects receive credit toward graduation, the school board may require the pupil to complete an alternative assignment that is similar to the subjects in the length of time necessary to complete. Instruction shall be designed to help prevent suicides by pupils by promoting the positive emotional development of pupils.

8. Knowledge of effective means by which pupils may recognize, avoid, prevent and halt physically or psychologically intrusive or abusive situations which may be harmful to pupils, including child abuse, sexual abuse and child enticement. Instruction shall be designed to help pupils develop positive psychological, emotional and problem—solving responses to such situations and avoid relying on negative, fearful or solely reactive methods of dealing with such situations. Instruction shall include information on available school and community prevention and intervention assistance or services and shall be provided to pupils in elementary schools.

2. Upon request, to any court of this state or of the United States that needs to review those records or that information for the purpose of addressing the educational needs of a pupil who is the subject of a proceeding in that court.

3. In response to an order of a court conducting proceedings under s. 48.135, 48.21, 938.135, 938.18, 938.183, or 938.21, proceedings related to a petition under s. 48.13, 48.133, 48.42, 938.12, or 938.13, or dispositional proceedings under subch. VI or VIII of ch. 48 or subch. VI of ch. 938 or in response to a subpoena issued in such a proceeding, to any person who is engaged in addressing the educational needs of the pupil and who is authorized to receive that disclosure under that order or subpoena. Except as provided in 20 USC 1232g (b) (2) (B), a department, county department, or tribal organization that is issued an order or subpoena described in this subdivision shall provide notice of the order or subpoena to the pupil’s parent or guardian before complying with the order or subpoena.

GENERAL SCHOOL OPERATIONS

118.125

(2m) CONFIDENTIALITY OF PUPIL PHYSICAL HEALTH RECORDS. (a) Except as provided in par. (b), any pupil record that relates to a pupil’s physical health and that is not a pupil physical health record shall be treated as a patient health care record under ss. 146.81 to 146.84.

(b) Any pupil record that concerns the results of an HIV test, as defined in s. 252.01 (2m), shall be treated as provided under s. 252.15.

(3) MAINTENANCE OF RECORDS. Each school board shall adopt rules in writing specifying the content of pupil records and the time during which pupil records shall be maintained. No behavioral records may be maintained for more than one year after the pupil ceases to be enrolled in the school, unless the pupil specifies in writing that his or her behavioral records may be maintained for a longer period. A pupil’s progress records shall be maintained for at least 5 years after the pupil ceases to be enrolled in the school.

A school board may maintain the records on microfilm, on an optical disc, or in electronic format if authorized under s. 19.21 (4) (c), or in such other form as the school board deems appropriate. A school board shall maintain law enforcement officers’ records obtained under s. 48.396 (1) or 938.396 (1) (b) 2. or (c) 3. separately from a pupil’s other pupil records. Rules adopted under this subsection shall be published by the school board as a class 1 notice under ch. 985.

(4) TRANSFER OF RECORDS. No later than the next working day, a school district, a private school participating in the program under s. 118.60 or in the program under s. 119.23, and the governing body of a private school that, pursuant to s. 115.999 (3), 119.33 (2) (c) 3., or 119.9002 (3) (c), is responsible for the operation and general management of a school transferred to an opportunity schools and partnership program under s. 119.33, subch. IX of ch. 115, or subch. II of ch. 119 shall transfer to another school, including a private or tribal school, or school district all pupil records relating to a specific pupil if the transferring school district or private school has received written notice from the pupil if he or she is an adult or his or her parent or guardian if the pupil is a minor that the pupil intends to enroll in the other school or school district or written notice from the other school or school district that the pupil has enrolled or from a court that the pupil has been placed in a juvenile correctional facility, as defined in s. 938.02 (10p), or a secured residential care center for children and youth, as defined in s. 938.02 (15g). In this subsection, “school” and “school district” include any juvenile correctional facility, secured residential care center for children and youth, adult correctional institution, mental health institute, or center for the developmentally disabled that provides an educational program for its residents instead of or in addition to that which is provided by public, private, and tribal schools.

(5) USE FOR SUSPENSION OR EXPULSION. (a) Except as provided in par. (b), nothing in this section prohibits a school district from using a pupil’s records in connection with the suspension or expulsion of the pupil or the use of such records by a multidisciplinary team under ch. 115.

(b) Law enforcement officers’ records obtained under s. 48.396 (1) or 938.396 (1) (b) 2. or (c) 3. and records of the court assigned to exercise jurisdiction under chs. 48 and 938 or of a municipal court obtained under s. 938.396 (2g) (m) may not be used by a school district as the sole basis for expelling or suspending a pupil or as the sole basis for taking any other disciplinary action against a pupil, but may be used as the sole basis for taking action against a pupil under the school district’s athletic code.

(6) APPLICATION TO EXISTING RECORDS. Any records existing on June 9, 1974 need not be revised for the purpose of deleting information from pupil records to comply with this section.

(7) DISCLOSURE OF LAW ENFORCEMENT UNIT RECORDS. A school board shall treat law enforcement unit records of juveniles in the same manner as a law enforcement agency is required to.
treat law enforcement officers’ records of juveniles under s. 938.396 (1) (a).

A public school student’s interim grades are pupil records specifically exempted from front pocket disclosure under this section. A failure to specifically state reasons for denying an open records request for records that are specifically exempted from disclosure does not compel disclosure of those records. State ex rel. Blum v. Board of Education, 2009 WI App 133, 781 N.W.2d 768, 12–C–0791.

A court need not wait until trial to disclose pupil records under sub. (2) (f) and may instead base its decision on the review of deposition testimony. Sub. (2) (f) refers to an action, which is a much broader term than trial. A witness who has been deposed has testified in the action. Anderson v. Northwood School District, 2011 WI App 31, 332 Wis. 2d 134, 796 N.W.2d 874, 09–1881.

A court may not disclose confidential records under sub. (2) (f) merely because they are relevant to a plaintiff’s claim. The court’s gatekeeper role is to protect the privacy of the pupil whose records are sought, releasing only those records that may concern a specific witness’s credibility or competency. Anderson v. Northwood School District, 2011 WI App 31, 332 Wis. 2d 134, 796 N.W.2d 874, 09–1881.

When neither defense counsel nor the school adhered to the requirements of sub. (2) (f) and neither wholly complied with the statute during discovery when the school faxed the records directly to defense counsel upon defense counsel’s request for records rather than provide them to the court for in camera inspection, the trial court erred in prohibiting the defense from using the records. The trial court should have, upon receipt of the documents, conducted the in-camera inspection required by the statute, while requiring the parties to keep the documents confidential. State ex rel. Board of Education, 2013 WI App 58, 348 Wis. 2d 81, 831 N.W.2d 768, 12–C–0872.

Pupil information that local education agencies are required to release to the Department of Public Instruction under the reporting provisions of ch. 89, laws of 1973, may be provided, with or without permission, without violation of the state or federal confidentiality statutes. 65 Atty. Gen. 1.

118.125 Law enforcement agency information. A school district, private school, or tribal school may disclose information from law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. only to persons employed by the school district who are required by the department under s. 115.28 (7) to hold a license, to persons employed by the private school or tribal school as teachers, and to other school district, private school, or tribal school officials who have been determined by the school board or governing body of the private school or tribal school to have legitimate educational interests, including safety interests, in that information. In addition, if that information relates to a pupil of the school district, private school, or tribal school, the school district, private school, or tribal school may also disclose that information to those employees of the school district, private school, or tribal school who have been designated by the school board or governing body of the private school or tribal school to receive that information for the purpose of providing treatment programs for pupils enrolled in the school district, private school, or tribal school. A school district may not use law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. as the sole basis for expelling or suspending a pupil or as the sole basis for taking any other disciplinary action against a pupil, but may use law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. as the sole basis for taking action against a pupil under the school district’s athletic code.

118.126 Privileged communications. (1) A school psychologist, counselor, social worker and nurse, and any teacher or administrator designated by the school board who engages in alcohol or drug abuse program activities, shall keep confidential information received from a pupil that the pupil or another pupil is using or is experiencing problems resulting from the use of alcohol or other drugs unless:

(a) The pupil using or experiencing problems resulting from the use of alcohol or other drugs consents in writing to disclosure of the information;
(b) The school psychologist, counselor, social worker, nurse, teacher or administrator has reason to believe that there is serious and imminent danger to the health, safety or life of any person and that disclosure of the information to another person will alleviate the serious and imminent danger. No more information than is required to alleviate the serious and imminent danger may be disclosed;
(c) The information is required to be reported under s. 48.981 or 175.32.

(2) A school psychologist, counselor, social worker, or nurse, or any teacher or administrator designated by the school board who engages in alcohol or drug abuse program activities, who in good faith discloses or fails to disclose information under sub. (1) is immune from civil liability for such acts or omissions. This subsection does not apply to information required to be reported under s. 48.981 or 175.32.

118.127 Law enforcement agency information. A school district, private school, or tribal school may disclose information from law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. only to persons employed by the school district who are required by the department under s. 115.28 (7) to hold a license, to persons employed by the private school or tribal school as teachers, and to other school district, private school, or tribal school officials who have been determined by the school board or governing body of the private school or tribal school to have legitimate educational interests, including safety interests, in that information. In addition, if that information relates to a pupil of the school district, private school, or tribal school, the school district, private school, or tribal school may also disclose that information to those employees of the school district, private school, or tribal school who have been designated by the school board or governing body of the private school or tribal school to receive that information for the purpose of providing treatment programs for pupils enrolled in the school district, private school, or tribal school. A school district may not use law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. as the sole basis for expelling or suspending a pupil or as the sole basis for taking any other disciplinary action against a pupil, but may use law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. as the sole basis for taking action against a pupil under the school district’s athletic code.

118.133 Participation in interscholastic athletics and extracurricular activities. (1) INTERSCHOLASTIC ATHLETICS. (a) A school board shall permit a pupil who resides in the school district and is enrolled in a home-based private educational program to participate in interscholastic athletics on the same basis and to the same extent that it permits pupils enrolled in the school district to participate. (b) Upon request, the home-based educational program in which the pupil is enrolled shall provide the school board with a written statement that the pupil meets the school board’s requirements for participation in interscholastic athletics based on age and academic and disciplinary records. No person may provide a false statement under this paragraph. The school board may not question the accuracy or validity of the statement or request additional information. 

(2) EXTRACURRICULAR ACTIVITIES. A school board shall permit a pupil who resides in the school district and is enrolled in a home-based private educational program to participate in extracurricular activities in the school district on the same basis as to the same extent that it permits pupils enrolled in the school district to participate. 

(3) PARTICIPATION FEES. A school board may charge a pupil who participates in interscholastic athletics or extracurricular activities as permitted under this section participation fees, including fees for uniforms, equipment, and musical instruments, on the same basis and to the same extent that it charges these fees to a pupil who is enrolled in the school district. 

History. 2015 s. 55. 

118.134 Race-based nicknames, logos, mascots, and team names. (1) Notwithstanding s. 118.13 and except as provided in sub. (3m), a school district resident may object to the use of a race-based nickname, logo, mascot, or team name by the school board of that school district by filing a complaint containing a number of signatures of school district electors equal to at least 10 percent of the school district’s membership, as defined in s. 121.004 (5), with the state superintendent. A signature on a complaint is valid only if the signature is obtained within the 120-day period before the complaint is filed with the state superintendent. The state superintendent shall do all of the following: 

(a) Notify the school board of the receipt of the complaint and direct the school board to submit, if applicable, any of the information under sub. (1m) (a). 

(b) Except as provided in sub. (1m), refer the complaint to the division of hearings and appeals for a contested case hearing. The division of hearings and appeals shall schedule a hearing on the referred complaint with reasonable promptness. 

(1m) (a) The state superintendent may determine that no contested case hearing is necessary if, no later than 10 days after being notified of the receipt of the complaint, the school board submits evidence to the state superintendent that demonstrates all of the following: 

2. A federally recognized American Indian tribe that has historical ties to this state has entered into an agreement with the school board under which the tribe grants approval to the school board to refer to, depict, or portray the tribe or American Indians, in general, in a specific nickname, logo, or mascot or to use the name of the tribe or American Indians, in general, as a team name in the specific manner used by the school board. 

3. The use of the nickname, logo, mascot, or team name that has been approved by a tribe under sub. 2. is the use to which the school district resident objects in the complaint filed under sub. (1). 

(b) If the state superintendent determines that a contested case hearing is not necessary, the state superintendent shall notify the school district resident who filed the complaint under sub. (1) and the school board of his or her decision in writing. A decision under this paragraph is subject to judicial review under ch. 227. 

(2) At the hearing, the school district resident who filed the complaint under sub. (1) has the burden of proving by clear and convincing evidence that the use of the race-based nickname, logo, mascot, or team name promotes discrimination, pupil harassment, or stereotyping, as defined by the state superintendent by rule. 

(3) (a) The division of hearings and appeals shall issue a decision and order within 45 days after the hearing. If the division of hearings and appeals finds that the use of the race-based nickname, logo, mascot, or team name does not promote discrimination, pupil harassment, or stereotyping, the division of hearings and appeals shall dismiss the complaint. Except as provided in pars. (b) and (d), if the division of hearings and appeals finds that the use of the race-based nickname, logo, mascot, or team name promotes discrimination, pupil harassment, or stereotyping, the division of hearings and appeals shall order the school board to terminate its use of the race-based nickname, logo, mascot, or team name within 12 months after issuance of the order. 

(b) 1. In this paragraph, “extenuating circumstances” includes circumstances in which the costs of compliance with an order issued under par. (a) pose an undue financial burden on the school district and circumstances in which the work or the requirements for bidding a contract to complete the work required to bring the school district into compliance with the order issued under par. (a) cannot be completed within 12 months after the issuance of the order. 

2. a. If, at the hearing under sub. (2) or after a decision and order have been issued under par. (a), the school board presents evidence to the division of hearings and appeals that extenuating circumstances render full compliance with the decision and order within 12 months after the issuance of that decision and order impossible or impracticable, the division of hearings and appeals may issue an order to extend the time within which the school board must terminate its use of the race-based nickname, logo, mascot, or team name. Except as provided in subd. 2. b., the extension may not exceed 24 months and shall apply only to those portions of the decision and order to which extenuating circumstances apply. 

b. The division of hearings and appeals may extend the time granted to a school board under subd. 2. a. if the school board presents evidence to the division of hearings and appeals that compliance with a portion of the decision and order issued under par. (a) may be accomplished through a regularly scheduled maintenance program and that the cost of compliance with that portion of the decision and order exceeds $5,000. The extension granted under this subd. 2. b. may not exceed 96 months and applies only to that portion of the decision and order with which compliance will be accomplished through the regularly scheduled maintenance program and that costs more than $5,000. 

(c) Decisions under this subsection are subject to judicial review under ch. 227. The venue for a proceeding to review a decision under this section is the circuit court in any county in which territory of the school district is located. 

(d) No school district is required to comply with a decision and order issued under this subsection before December 21, 2013, to terminate the use of a race-based nickname, logo, mascot, or team name. 

(3m) A pupil attending a public school in a nonresident school district under s. 118.50 or 118.51 may not file a complaint under sub. (1) in which the pupil objects to the use of a race-based nickname, logo, mascot, or team name by the school board of the nonresident school district. 

(3r) A school district may not be a member of an interscholastic athletic association that prohibits the use of a nickname, logo, mascot, or team name on the basis that the nickname, logo, mascot, or team name is race-based unless the use of the nickname,
118.134 GENERAL SCHOOL OPERATIONS

logos, mascots, or team name violates a decision and order issued under sub. (3) on or after December 21, 2013.

(4) (a) Except as provided in par. (b), the state superintendent shall promulgate rules necessary to implement and administer this section.

(b) The state superintendent may not promulgate a rule that creates a presumption that a nickname, logo, mascot, or team name is race-based or promotes discrimination, pupil harassment, or stereotyping.

(5) Any school board that uses a race-based nickname, logo, mascot, or team name in violation of sub. (3) shall forfeit not less than $100 nor more than $1,000. Each day of use of the race-based nickname, logo, mascot, or team name in violation of sub. (3) constitutes a separate violation. The state superintendent may not assess or collect a forfeiture under this subsection for a use that violates a decision and order issued under sub. (3) before December 21, 2013.

(2) A pupil who complies with a request under sub. (1) shall provide evidence of an eye examination or evaluation by December 31 following the pupil’s enrollment in kindergarten.

(3) To the extent feasible, the medical examining board and the optometry examining board shall encourage physicians and optometrists, for the purpose of this section, to conduct free eye examinations or evaluations of pupils who are in financial need and do not have insurance coverage for eye examinations or evaluations.

(2) A resident over 20 years of age may be admitted to school when in the judgment of the school board the resident will not interfere with the pupils of school age.

(3) (a) Except as provided in par. (b), if a school board establishes a 4-year-old kindergarten program, the program shall be available to all pupils eligible for the program under sub. (1) (a) or s. 120.12 (25).

(b) A school board that was operating a 4-year-old kindergarten program in the 2007–08 school year that did not comply with par. (a) shall make a 4-year-old kindergarten program available to all pupils eligible for the program under sub. (1) (a) or s. 120.12 (25) by the beginning of the 2013–14 school year.

(2) A certificate or diploma or other written evidence issued by a school board showing that the pupil has completed the course of study in the elementary grades of the school in which the pupil resides shall entitle the pupil to admission to high school. Such certificate or diploma or a certified copy thereof or a certified copy of a list of graduates shall be filed with the school district clerk of the school district operating the high school.

(3) If the superintendent of a private school or of a tribal school files with the department the course of study for elementary grades prescribed by such school and if such course of study is substantially equivalent to the course of study prepared for elementary grades by the department, a certificate or diploma or other written evidence issued by the superintendent of the private school or tribal school showing that the pupil has completed such course of study shall entitle the pupil to admission to a public high school. The certificate or diploma or a certified copy thereof or a certified copy of a list of graduates shall be filed with the school district clerk of the school district operating the high school.

(4) The school board of a school district operating high school grades shall allow a pupil enrolled in a private school or a pupil enrolled in a tribal school, who has met the standards for admission to high school under sub. (3) or has graduated from high school, any person having under his or her control a child who is enrolled in a tribal school, who has met the standards for admission to high school under s. 118.134, may be excused by the school board from regular school attendance if the child and his or her parent or guardian agree in writing, that the child will participate in a program or curriculum modification under par. If the school board denies the request, the school board shall give its reasons for the denial.

(e) Any decision made by a school board or a designee of the school board in response to a request for program or curriculum modifications under par. (g) Paragraph (a) does not apply to a person having under control a child who is enrolled in a virtual charter school.

(2) (a) If the determination is made under sub. (1) (b) for a child to attend a technical college, the district board governing the technical college shall establish appropriate vocational and technical courses in accordance with s. 118.33 (3m) and the school board shall pay the technical college district board an amount calculated as follows:

1. Divide the number of credit hours of instruction scheduled by the technical college district for the pupil by 30.

2. Multiply the quotient under subd. 1. by the statewide average instructional cost for general education programs in the technical college system in the previous school year, as determined by the technical college system board.

3. Multiply the quotient under subd. 1. by any additional costs associated with direct student support services, as determined jointly by the state superintendent and the state director of the technical college system.

4. Add the product under subd. 2. to the product under subd. 3.

(c) Pupils attending a technical college under this subsection may receive general education subjects at the technical college.

(d) Transportation, or board and lodging under s. 121.57 (1) (a), for pupils attending a technical college under this subsection shall be provided by the school district, and state aids shall be paid therefor, on the same basis as is transportation for pupils attending high school.

(3) This section does not apply to:

(a) Any child who is excused by the school board because the child is temporarily not in proper physical or mental condition to attend a school program but who can be expected to return to a school program upon termination or abatement of the illness or condition. The school attendance officer may request the parent...
or guardian of the child to obtain a written statement from a licensed physician, naturopathic doctor, dentist, chiropractor, optometrist, psychologist, physician assistant, or nurse practitioner, as defined in s. 255.06 (1) (d), or certified advanced practice nurse prescriber or Christian Science practitioner living and residing in this state, who is listed in the Christian Science Journal, as sufficient proof of the physical or mental condition of the child. An excuse under this paragraph shall be in writing and shall state the time period for which it is valid, not to exceed 30 days.

(b) Any child excused by the school board in accordance with the school board’s written attendance policy under s. 118.16 (4) and with the written approval of the child’s parent or guardian. The child’s truancy, discipline or school achievement problems or disabilities as described in s. 115.76 (5) may not be used as the reason for an excuse under this paragraph. The excuse shall be in writing and shall state the time period for which it is effective, not to extend beyond the end of the current school year.

(c) Any child excused in writing by his or her parent or guardian before the absence. The school board shall require a child excused under this paragraph to complete all course work missed during the absence. A child may not be excused for more than 10 days in a school year under this paragraph.

(d) Any child excused in writing by his or her parent or guardian and by the principal of the school that the child attends, or by the administrator of the home-based private educational program in which the child is enrolled, for the purpose of serving as an election official under s. 7.30 (2) (am). Except as provided in s. 7.30 (2) (am), a principal or administrator may not excuse a child under this paragraph unless the child has at least a 3.0 grade point average or the equivalent. The principal or administrator shall allow the child to take examinations and complete course work missed during the child’s absences under this paragraph. The principal or administrator shall promptly notify the municipal clerk or the board of election commissioners of the municipality that appointed the child as an election official if the child ceases to be enrolled in school or in a home-based private educational program or if the child no longer has at least a 3.0 grade point average or the equivalent.

(b) “Dropout” means a child who ceased to attend school, does not attend a public, private, or tribal school, technical college, or home–based private educational program on a full–time basis, has not graduated from high school, and does not have an acceptable excuse under s. 118.15 (1) (b) to (d) or (3).

(2) (a) Every school board shall identify the children at risk who are enrolled in the school district and annually by August 15 develop a plan describing how the school board will meet their needs.

(b) If in the previous school year a school district had 30 or more dropouts or a dropout rate exceeding 5 percent of its total high school enrollment, the school board may apply to the state superintendent for aid under this section.

(3) (a) 1. Every school board that applies for aid under sub. (2) (b) shall make available to the children at risk enrolled in the school district a program for children at risk.
2. Upon request of a pupil who is a child at risk or the pupil’s parent or guardian, a school board described under subd. 1. shall enroll the pupil in the program for children at risk. If the school board makes available more than one program for children at risk, the school board shall enroll the pupil in the program selected by the pupil’s parent or guardian if the pupil meets the prerequisites for that program. If there is no space in that program for the pupil, the school board of the school district operating under ch. 119 shall place the pupil’s name on a waiting list for that program and offer the pupil another program for children at risk until space in the requested program becomes available.

(b) A program for children at risk shall be designed to allow the pupils enrolled to meet high school graduation requirements under s. 118.33. The school board of the school district operating under ch. 119 shall ensure that there are at least 30 pupils and no more than 250 pupils in each program and that a separate administrator or teacher is in charge of each program.

(c) 1. Each school board shall identify appropriate private, nonprofit, nonsectarian agencies located in the school district or within 5 miles of the boundaries of the school district to meet the requirements under pars. (a) and (b) for the children at risk enrolled in the school district.

2. The school board may contract with the agencies identified under subd. 1. for the children at risk enrolled in the school district if the school board determines that the agencies can adequately serve such children.

3. The school board shall pay each contracting agency, for each full–time equivalent pupil served by the agency, an amount equal to at least 80 percent of the average per pupil cost for the school district.

(4) (a) Annually in August, a school board that applied for aid under this section in the previous school year shall submit a report to the state superintendent. The report shall include only information about the pupils enrolled in a program for children at risk in the previous school year that is necessary for the state superintendent to determine the number of pupils who achieved each of the objectives under par. (c).

(b) Upon receipt of a school board’s annual report under par. (a) the state superintendent shall pay to the school district from the appropriation under s. 20.255 (2) (bc), for each pupil enrolled in a program for children at risk who achieved at least 3 of the objectives under par. (c) in the previous school year, additional state aid in an amount equal to 10 percent of the school district’s average per pupil aids provided under s. 20.835 (7) (a), 1991 stats., and s. 20.255 (2) (ac) in the previous school year.

(c) 1. The pupil’s attendance rate was at least 70 percent.

2. The pupil remained in school.

3. The pupil, if a high school senior, received a high school diploma.

4. The pupil earned at least 4.5 academic credits or a prorated number of credits if the pupil was enrolled in the program for less than the entire school year.

5. The pupil has demonstrated, on standardized tests or other appropriate measures, a gain in reading and mathematics commensurate with the duration of his or her enrollment in the program.

(e) If the appropriation under s. 20.255 (2) (bc) in any fiscal year is insufficient to pay the full amount of aid under par. (b), state aid payments shall be prorated among the school districts entitled to such aid.

(5) (a) In this subsection:

1. “Alternative school” means a public school that has at least 30 pupils and no more than 250 pupils, has a separate administrator or teacher in charge of the school and offers a nontraditional curriculum.

2. “School within a school” means a school that has at least 30 pupils and no more than 250 pupils, has a separate administrator or teacher in charge of the school and is housed in a space specifically dedicated to it in a public school.

(b) Subject to sub. (3) (c) 3., a school board receiving funds under this section shall provide a specific sum to each program for children at risk in which pupils enrolled in the school district are enrolled based on the ability of the program to meet the objectives under sub. (4) (c).

(c) A school board receiving funds under this section shall give preference in allocating those funds to programs for children at risk provided by alternative schools, charter schools, schools within agencies and schools identified under sub. (3) (e) 1.

(7) The state superintendent shall promulgate rules to implement and administer this section. The rules shall not be overly restrictive in defining approved programs and shall not serve to exclude programs that have demonstrated success in meeting the needs of children at risk.

118.155 Released time for religious instruction. (1) Any school board shall, without approval of the state superintendent, permit pupils with written permission of a parent or guardian to be absent from school at least 60 minutes but not more than 180 minutes per week to obtain religious instruction outside the school during the required school period. The supervisor of such religious instruction shall report monthly, to the principal of the school regularly attended, the names of the pupils who attended such weekly religious instruction. The school board may deny the privilege of released time to pupils who absent themselves from such religious instruction after requesting the privilege. The time period, or periods, allotted for the pupil to be absent from school for the purpose of religious instruction shall be determined by the school board.

(2) Any transportation to religious instruction or from religious instruction to the public school shall be the responsibility of the parents or of the organization sponsoring the religious instruction.

(3) The school district shall be released from all liability for a pupil who is absent from school in accordance with sub. (1).

(c) The school board may establish policies which provide that as a consequence of a pupil’s truancy the pupil may be assigned to detention or to a supervised, directed study program. The program need not be held during the regular school day. The policies under this paragraph shall specify the conditions under which credit may be given for work completed during the period of detention or assignment to a supervised, directed study program. A pupil shall be permitted to take any examinations missed during a period of assignment to a supervised, directed study program.

(1m) The school board may establish policies which provide that a pupil of an age eligible for high school enrollment in the school district, as determined by the school board, may be assigned to a period of assessment as a consequence of the pupil’s truancy or upon the pupil’s return to school from placement in a correctional facility, mental health treatment facility, alcohol and other drug abuse treatment facility or other out−of−school placement. The policies shall specify the conditions under which a pupil may participate in the assessment without being in violation of s. 118.15 and the maximum length of time that a pupil may be assigned to an assessment period.

2. A school board may not assign a pupil to an assessment period without the written approval of the pupil’s parent or guardian. A school board may not assign a pupil to an assessment period for longer than the time necessary to complete the assessment and place the pupil in an appropriate education program or 8 weeks, whichever is less. An assessment need not be conducted during the regular school day.

3. The goals of an assessment period are to develop an educational plan for the pupil, implement an appropriate transitional plan, facilitate the pupil’s placement in an educational program in which the pupil will be able to succeed. The school board shall provide pupils who are assigned to an assessment period with information on other education programs that the school district or other community providers have available for the pupil. The assessment may include any of the following new or previously completed activities:

b. Provided an opportunity for educational counseling to the child to determine whether a change in the child’s curriculum would resolve the child’s truancy and have considered curriculum modifications under s. 118.15 (1) (d).

c. Evaluated the child to determine whether learning problems may be a cause of the child’s truancy and, if so, have taken steps to overcome the learning problems, except that the child need not be evaluated if tests administered to the child within the previous year indicate that the child is performing at his or her grade level.

d. Conducted an evaluation to determine whether social problems may be a cause of the child’s truancy and, if so, have taken appropriate action or made appropriate referrals.

(5m) Subsection (5) (a) does not apply if a meeting under sub. (2) (cg) 3. is not held within 10 school days after the date that the notice under sub. (2) (cg) is sent. 6. (a) If the school attendance officer receives evidence that activities under sub. (5) have been completed or were not required to be completed as provided in sub. (5m), the school attendance officer may do any of the following:

1. File information on any child who continues to be truant with the court assigned to exercise jurisdiction under chs. 48 and 938 in accordance with s. 938.24. Filing information on a child under this subdivision does not preclude concurrent prosecution of the child’s parent or guardian under s. 118.15 (5).

2. Refer the child to a teen court program if all of the following conditions apply:

a. The chief judge of the judicial administrative district has approved a teen court program established in the child’s county of residence and has authorized the school attendance officer to refer children to the teen court program and the school attendance officer determines that participation in the teen court program will likely benefit the child and the community.

b. The child and the child’s parent, guardian and legal custodian consent to the child’s participation in the teen court program.

c. The child has not successfully completed participation in a teen court program during the 2 years before the date on which the school attendance officer received evidence that activities under sub. (b) If a child who is referred to a teen court program under par. (a) 2. is not eligible for participation in the teen court program or does not successfully complete participation in the teen court program, the person administering the teen court program shall file information on the child with the court assigned to exercise jurisdiction under chs. 48 and 938 in accordance with s. 938.24. Filing information on a child under this paragraph does not preclude concurrent prosecution of the child’s parent or guardian under s. 118.15 (5).

7. Any school district administrator, principal, teacher or school attendance officer who violates this section shall forfeit not less than $5 nor more than $25.

NOTE: 1993 Wis. Act 339, which created sub. (4) (cm), contains explanatory notes.

A court must consider evidence under sub. (5) prior to entering a finding of contempt based on truancy from school. T.L.N. v. Winnebago County Social Services Department, 141 Wis. 2d 838, 416 N.W.2d 632 (Ct. App. 1987).

Sub. (5) does not limit a court’s discretion in setting school attendance requirements in a dispositional order for a delinquent juvenile and in imposing sanctions if
the order is violated. By its terms, sub. (5) is limited to children who are habitual truants and therefore in need of protection and services. State v. Jason R.N., 201 Wis. 2d 646, 549 N.W.2d 752 (Ct. App. 1996), 95–1728.

When under school board policy a suspension is not an excused absence, an absence as a result of the suspension is not an “acceptable excuse” under sub. (1) (a) or “legal cause” under sub. (1) (c) and may result in a finding of habitual truancy. State v. Isaac, 220 Wis. 2d 251, 582 N.W.2d 476 (Ct. App. 1998), 97–1611.

If the territory of a school district lies in more than one county, the school district shall have a representative on the committee for the county in which the largest portion of the school district’s equalized valuation is located.

(b) A representative from each tribal school in the county, designated by the governing body of the tribal school that he or she represents, who may be a member of the tribal school governing body, school administrator, teacher, pupil services professional, or parent of a child enrolled in that tribal school.

(g) A representative of the juvenile court intake unit, designated by the county social services director, or, if the duties of the department under s. 46.22 have been transferred to a department under s. 46.23, designated by the county human services director, or designated by the chief judge of the judicial administrative district.

(h) If a county department of human services has not been established under s. 46.23, a representative of a county department established under s. 51.42 or 51.437, designated by the director of the department established under s. 51.42 or 51.437.

(i) Any other member as determined by the committee.

(j) A parent of a pupil enrolled in a private school, who resides in a school district in the county, designated by the county board.

(k) A parent of a pupil enrolled in a public school, who resides in a school district in the county, designated by the county board.

(L) A parent of a pupil enrolled in a home–based private educational program, who resides in a school district in the county, designated by the county board.

(m) A parent of a pupil enrolled in a tribal school located in the county, who resides in the county, designated by the county board.

(2) The district attorney representative on the committee shall participate in reviewing and developing any school districts’ plans under sub. (4) (e).

(3) The committee shall write a report to accompany the recommendations under sub. (1). The report shall include a description of the factors that contribute to truancy in the county and a description of any state statutes, municipal ordinances or school, social services, law enforcement, district attorney, court or other policies that contribute to or inhibit the response to truancy in the county. A copy of the report shall be submitted to each of the entities identified in sub. (1) (b) to (h) and any other entity designating members on the committee under sub. (1) (i).

(4) Not later than September 1, 1989, each school board shall adopt a truancy plan which shall include all of the following:

(b) Plans and procedures for identifying truant children of all ages and returning them to school, including the identity of school personnel to whom a truant child shall be returned.

(c) Methods to increase and maintain public awareness of and involvement in responding to truancy within the school district.

(d) The immediate response to be made by school personnel when a truant child is returned to school.

(e) The types of truancy cases to be referred to the district attorney for the filing of information under s. 938.24 or prosecution under s. 118.15 (5) and the time periods within which the district attorney will respond to and take action on the referrals.

(f) Plans and procedures to coordinate the responses to the problems of habitual truants, as defined under s. 118.16 (1) (a), with public and private social services agencies.

(g) Methods to involve the truant child’s parent or guardian in dealing with and solving the child’s truancy problem.

(4m) At least once every 2 years, each school board shall review and, if appropriate, revise the truancy plan adopted by the school board under sub. (4).

(b) “Habitual truant” has the meaning given in s. 118.16 (1) (a).

(c) “Operating privilege” has the meaning given in s. 340.01 (40).

(d) “Truant” means a pupil who is absent from school without an acceptable excuse under ss. 118.15 and 118.16 (4) for part or all of any day on which school is held during a school semester.

(1m) A county, city, village or town may enact an ordinance prohibiting a person under 18 years of age from being a truant. The ordinance shall provide which of the following dispositions are available to the court:

(a) An order for the person to attend school.

(b) A forfeiture of not more than $50 plus costs for a first violation, or a forfeiture of not more than $100 plus costs for any 2nd or subsequent violation committed within 12 months of a previous violation, subject to s. 938.37 and subject to a maximum cumulative forfeiture amount of not more than $500 for all violations committed during a school semester. All or part of the forfeiture plus costs may be assessed against the person, the parents or guardian of the person, or both.

(c) An order for the person to report to a youth report center after school, in the evening, on weekends, on other nonschool days, or at any other time that the person is not under immediate adult supervision, for participation in the social, behavioral, academic, community service, and other programming of the center as described in s. 938.342 (1d) (c).

(2) A county, city, village or town may enact an ordinance prohibiting a person under 18 years of age from being a habitual truant. The ordinance shall provide which of the following dispositions are available to the court:
GENERAL SCHOOL OPERATIONS 118.165

(3) An ordinance enacted by a county under sub. (1m), (2) or (2m) is applicable and may be enforced in that part of any city or village located in the county and in any town located in the county regardless of whether the city, village or town has enacted an ordinance under sub. (1m), (2) or (2m).

(4) A person who is under 17 years of age on the date of disposition is subject to s. 938.342.

A circuit court judge hearing a municipal truancy case is acting as a juvenile court, and the case is governed by ch. 938. The court lacks statutory authority to order sanctions if the court never enters written dispositional orders that could serve as a basis for sanctions. Under s. 938.355 (6m) (ag), a court may sanction a juvenile who has been adjudicated truant if it finds by a preponderance of the evidence that the juvenile violated a condition of a dispositional order. Section 938.355 (2) (b) states that the dispositional order shall be in writing. A court’s minutes sheet is not a court order.

A court order must be signed by a judge. State v. Dylan S., 2012 WI App 25, 339 Wis. 2d 442, 813 N.W.2d 229, 11–1338.

118.164 Removal of pupils from the class. (1) In this section, “teacher” means a person holding a license or permit issued by the state superintendent whose employment by a school district requires that he or she hold that license or permit.

(2) Subject to 20 USC 1415 (k) and beginning August 1, 1999, a teacher may remove a pupil from the teacher’s class if the pupil violates the code of classroom conduct adopted under s. 120.13 (1) (a) or is dangerous, unruly or disruptive or exhibits behavior that interferes with the ability of the teacher to teach effectively, as specified in the code of classroom conduct. The teacher shall send the pupil to the school principal or his or her designee and notify the school principal or his or her designee immediately of the reasons for the removal. In addition, the teacher shall provide to the principal or his or her designee within 24 hours after the pupil’s removal from the class a written explanation of the reasons for the removal.

(3) (a) The school principal or his or her designee shall place the pupil in one of the following:

2. Another class in the school or another appropriate place in the school, as determined by the school principal or his or her designee.

3. Another instructional setting.

4. The class from which the pupil was removed if, after weighing the interests of the removed pupil, the other pupils in the class and the teacher, the school principal or his or her designee determines that readmission to the class is the best or only alternative.

(b) This subsection does not prohibit the teacher who removed the pupil from the class or the school board, school district administrator, school principal or their designees from disciplining the pupil.

History: 1997 a. 335.

118.165 Private schools. (1) An institution is a private school if its educational program meets all of the following criteria:

(a) The primary purpose of the program is to provide private or religious-based education.

(b) The program is privately controlled.

(c) The program provides at least 875 hours of instruction each school year.

(d) The program provides a sequentially progressive curriculum of fundamental instruction in reading, language arts, mathematics, social studies, science and health. This subsection does not require the program to include in its curriculum any concept, topic or practice in conflict with the program’s religious doctrines or to exclude from its curriculum any concept, topic or practice consistent with the program’s religious doctrines.

(e) The program is not operated or instituted for the purpose of avoiding or circumventing the compulsory school attendance requirement under s. 118.15 (1) (a) and (am).
118.167 Pupils without parents or guardians; report required. (1) This section does not apply to a pupil who has a legal custodian, as defined in s. 48.02 (11) or 938.02 (11), or who is cared for by a kinship care relative, as defined in s. 48.57 (3m) (a) 2.

(2) If a pupil is a child who is without a parent or guardian, any school teacher, school administrator, school counselor or school social worker who knows that the child is without a parent or guardian shall report that fact as soon as possible to the county department under s. 46.22 or 46.23 or, in a county having a population of 750,000 or more, to the department of health services.

(2) IDENTIFICATION CARDS. (a) If a school board or operator of a charter school under s. 118.40 (2r) or (2x) issues identification cards to pupils, the school board or operator shall include on each identification card issued to a pupil the telephone number for the National Suicide Prevention Lifeline or one of its affiliate crisis centers or, if the National Suicide Prevention Lifeline ceases operations, another national network of local crisis centers that provides free and confidential emotional support to individuals in suicidal crisis or emotional distress 24 hours a day and 7 days a week.

(b) A school board or operator of a charter school under s. 118.40 (2r) or (2x) may include the information described under par. (a) on pupil identification cards by printing the information on, or by affixing a sticker that contains the information to, the identification cards.

118.18 Teacher reports. Every teacher shall record the names, ages and studies of all pupils under his or her charge and their daily attendance and such other facts or matters relating to the school as the state superintendent or school board requires.

The department of public instruction may not disclose the social security number except to the department of children and families for the sole purpose of administering s. 49.22.

(b) As provided in the memorandum of understanding under s. 49.857, the department may not issue a license or permit or revalidate a license that has no expiration date if the applicant is delinquent in making court−ordered payments of child or family support, maintenance, birth expenses, medical expenses or other expenses related to the support of a child or former spouse or if the applicant fails to comply, after appropriate notice, with a subpoena or warrant issued by the department of children and families or a county child support agency under s. 59.53 (5) and related to paternity or child support proceedings.

(1s) (a) Notwithstanding subs. (1m) and (1r), if an applicant does not have a social security number, the applicant, as a condition of applying for, or applying to revalidate, a license under this section shall submit a statement made or subscribed under oath or affirmation to the department that the applicant does not have a social security number.

(b) The teaching license of a person who submits a false statement under par. (a) is invalid.

(2) Until the end of the 1971−1972 school year, no certificate or license to teach in any public school may be issued unless the applicant has completed, beyond the work of the high school, 2 years of school work which were devoted to pedagogical instruction and training. Any teacher who has taught in any public school in the 1937−1938 school year or prior thereto may continue to teach in the public schools without complying with this subsection.

(3) (a) No license to teach in any public school may be issued unless the applicant possesses a bachelor’s degree including such professional training as the department by rule requires, except as permitted under par. Notwithstanding s. 36.11 (16), no teacher preparatory program in this state may be approved by the state superintendent under s. 115.28 (7) (a), unless each student in the program is required to complete student teaching consisting of full days for a full semester following the daily schedule and semester calendar of the cooperating school or the equivalent, as determined by the state superintendent.

No license to teach in any public school may be granted to an applicant who completed a professional training program outside this state unless the applicant completed student teaching consisting of full days for a full semester following the daily schedule and semester calendar of the cooperating school or the equivalent, as determined by the state superintendent.

The state superintendent may grant exceptions to the student teaching requirements under this paragraph when the midyear calendars of the institution offering the teacher preparatory program and the cooperating school differ from each other and would prevent students from attending classes at the institution in accordance with the institution’s calendar. The state superintendent shall promulgate rules to implement this subsection. If for the purpose of granting a license to teach or for approving a teacher preparatory program the state superintendent requires an institution of higher education be accredited, the state superintendent shall accept accreditation by a regional or national institutional accrediting agency recognized by the U.S. department of education or by a programmatic accrediting organization.

(b) The state superintendent shall permanently certify any applicant to teach Wisconsin native American languages and culture who has successfully completed the university of Wisconsin−Milwaukee school of education approved Wisconsin native American languages and culture project certification program at any time between January 1, 1974, and December 31, 1977. School districts shall not assign individuals certified under this paragraph to teach courses other than Wisconsin native American languages and culture, unless they qualify under par. (a).

(4) (a) Notwithstanding subch. II of ch. 111, the state superintendent may not grant a license, for 6 years following the date of the conviction, to any person who has been convicted of any Class A, B, C, or D felony under ch. 940 or 948, except ss. 940.08 and 940.205, or of an equivalent crime in another state or country, for a violation that occurs on or after September 12, 1991, or any Class E, F, G, or H felony under ch. 940 or 948, except ss. 940.08 and 940.205, for a violation that occurs on or after February 1, 1993. (4m) The state superintendent may not issue a license to teach the visually impaired unless the applicant demonstrates, based on criteria established by the state superintendent by rule, that he or she is proficient in reading and writing braille and in teaching braille. In promulgating rules under this subsection, the state superintendent shall take into consideration the standard used by the librarian of congress for certifying braille transcribers.

(5) A person is not required to be licensed as an alternative education program teacher under s. 115.28 (7) (e) 2. to teach in an alternative education program, as defined in s. 115.28 (7) (e) 1.

(6) In granting certificates or licenses for the teaching of courses in economics, social studies or agriculture, adequate instruction in cooperative marketing and consumers’ cooperatives shall be required. In granting certificates or licenses for the teaching of courses in science or social studies, adequate instruction in the conservation of natural resources shall be required.

(7) (a) No certificate or license to teach industrial arts subjects may be issued unless the applicant has had 3 years of practical experience beyond apprenticeship or 4 years of institutional training in such subjects. For purposes of salary schedules and promotion, any person teaching an industrial arts subject on January 1, 1990, who had 5 years of practical or teaching experience in such subject shall be deemed to have the equivalent of a bachelor’s degree.

(b) The state superintendent may issue a permit to teach industrial arts subjects if the applicant is certified by the technical college system board to teach an industrial arts or similar subject.

(7m) The state superintendent shall grant a substitute teacher permit to an individual who is eligible for licensure under subs. (4) and (10) and who satisfies any of the following:

(a) The individual has an associate degree and has successfully completed substitute teacher training.

(b) 1. All of the following apply to the individual:

study of minority group relations, including instruction in the history, culture and tribal sovereignty of the federally recognized American Indian tribes and bands located in this state.

(9) (a) Except as provided in par. (b), the state superintendent may not issue an initial teaching license, school district administrator’s license or school administrator’s license unless the applicant has demonstrated competency in all of the following:

(b) The state superintendent may waive the requirements under par. (a) if the applicant demonstrates competency in the subjects under par. (a) 1. to 3. within 12 months after the date on which the license is issued.

(10) (a) In this subsection:

1. “Educational agency” has the meaning given in s. 115.31 (1) (b).
2. “Pupil services professional” has the meaning given in s. 118.257 (1) (c).

(b) With the assistance of the department of justice, the state superintendent shall do all of the following:

1. Conduct a background investigation of each applicant for issuance or renewal of a license or permit, including a license or permit issued to a pupil services professional, and for a faculty member seeking to teach in a public high school without a license or permit.
2. At least once every 5 years, conduct a background investigation of each person who satisfies all of the following:

   c. If the person under par. The department of justice may provide for the submission of the fingerprint cards or fingerprints by other technologies to the federal bureau of investigation for the purpose of verifying the identity of the person fingerprinted and obtaining records of his or her criminal arrest and conviction.
   d. Upon request, an educational agency shall provide the state superintendent with all of the following information about each person employed by the educational agency who holds a license, issued by the state superintendent, that has no expiration date:
      1. The person’s name.

   g. At the request under s. 49.22 (2m) of the department of children and families or a county child support agency under s. 59.53 (5), the state superintendent shall release the name and address of the applicant or licensee, the name and address of the applicant’s or licensee’s employer and financial information, if any, related to the applicant or licensee obtained under this subsection to the department of children and families or the county child support agency.

(11) The department may promulgate rules establishing requirements for licensure as a school principal. A school principal license shall authorize the individual to serve as a school principal for any grade level.

(12) Beginning on July 1, 1998, the department may not issue a license that authorizes the holder to teach reading or language arts to pupils in any prekindergarten class or in any of the grades from kindergarten to 6 unless the applicant has successfully completed instruction preparing the applicant to teach reading and language arts using appropriate instructional methods, including phonics. The phonics instruction need not be provided as a separate course. In this subsection, “phonics” means a method of teaching beginners to read and pronounce words by learning the phonetic value of letters, letter groups and syllables.

(14) (a) Except as provided in par. (b), the department may not issue an initial teaching license that authorizes the holder to teach in grades kindergarten to 5 or in special education, an initial license as a reading teacher, or an initial license as a reading specialist, unless the applicant has passed an examination identical to the Foundations of Reading test administered in 2012 as part of the Massachusetts Tests for Educator Licensure or identical to the most recent edition of that test. (c) Any teacher who passes the examination under par. (a) shall notify the department, which shall add a notation to the teacher’s license indicating that he or she passed the examination.

(16) The department shall ensure that teaching experience gained while a person held an emergency permit issued by the department under s. PI 34.21 (2), Wis. Adm. Code, counts toward fulfillment of the teaching experience requirement for a license based on experience under s. PI 34.195 (2), Wis. Adm. Code, or for a license in a school administrator category under s. PI 34.32, Wis. Adm. Code.

NOTE: Sections PI 34.195, 34.21, and 34.32, Wis. Adm. Code, no longer exist.

Chapter PI 34, Wis. Adm. Code, was repealed and recreated in its entirety effective 8–1–18.

(18) (a) Beginning on September 23, 2017, and subject to ss. 115.31 and 115.315, an individual who is applying for an initial teaching license, an initial administrator license, or an initial pupil services professional license under this section shall be subject to the requirement of this paragraph. The department may issue a

(bd) Except as provided in par. (c), and subject to ss. 115.31 and 115.315, a professional or master teaching license, administrator license, or pupil services license that is valid and current on September 23, 2017, is a lifetime license and has no expiration date.

(bg) 1. The department may issue a lifetime license under this subdivision to an individual who obtained a provisional license under par. (a) or (bc) if the individual has successfully completed 6 semesters of teaching, administrating, or pupil services experience, as defined by the department by rule.

2. An individual who does not successfully complete 6 semesters of teaching, administrating, or pupil services experience, as defined by the department by rule, within the 3-year term of a provisional license issued under par. (a) or (bc) may apply to renew the provisional license. There is no limit to the number of times an individual may renew a provisional license under par. (a) or (bc).

(c) If an individual who holds a lifetime license under par. (bd) or (bg) is not regularly employed in education, as defined by the department by rule, for 5 or more consecutive years, the department shall invalidate the lifetime license. An individual whose lifetime license has been invalidated under this paragraph may not revalidate the lifetime license until the individual applies for and obtains a provisional license under par. (a) and satisfies the requirements under par. (bg) for a lifetime license.

6. The department shall approve or deny an application for a license under sub. (2) no later than 45 business days after receipt of the application. If the department denies the application, it shall provide, in writing, the reason for the denial. If the department does not act within 45 business days of receiving an application for a license under sub. (2), the application shall be considered approved and the applicant considered a licensed teacher until the department approves or denies the application.

7. Nothing in this section prohibits the department from granting a teaching license to teach a technical education subject or a vocational education subject under s. 118.19.

To qualify under this subdivision, the school district, cooperative educational service agency, charter school, or private school that employed the individual while the individual taught in this state while the individual held a license or permit issued by the department shall notify the department of the individual successfully completed 2 semesters of teaching experience, as defined by the department by rule.

(b) The department shall determine the school administrator category under s. PI 34.32, Wis. Adm. Code, for a license issued under sub. (3) and the grades to which the license applies based on the individual’s license granted by another state and the individual’s experience as an administrator.

NOTE: Section PI 34.32, Wis. Adm. Code, no longer exists. Chapter PI 34, Wis. Adm. Code, was repealed and recreated in its entirety effective 8−1−18.

(5) The department shall issue a lifetime license to an individual who obtains a provisional license under sub. (2) A license under sub. (1) authorizes an individual to teach the educational levels for which the individual has successfully completed a teacher education program described in sub. (1) (b) at a school that uses the Montessori method as its primary method of instruction. The department shall treat an initial license to teach granted under sub. (1) in the same manner the state superintendent treats an initial license to teach granted in accordance with s. 118.19.

(b) To implement the teacher development program designed under par. (a), the school board, governing body, and charter management organization shall allow employees who are enrolled in the program to satisfy student teaching requirements in a school in the school district, in the private school, or in the charter management organization, and the partnering entity under sub. (1) shall prepare and provide intensive coursework for participating employees.

(c) The school board, governing body, and charter management organization shall permit an individual who does not hold a bachelor’s degree to enroll in a teacher development program developed and implemented under this section.

The department shall treat an initial license to teach granted under sub. (1) in the same manner the state superintendent treats an initial license to teach granted in accordance with s. 118.19.

History: 2017 a. 59; s. 35.17 correction in (1) (intro.).

118.20 Teacher discrimination prohibited. (1) No discrimination because of sex, except where sex is a bona fide occupational qualification as defined in s. 111.36 (2), race, nationality or political or religious affiliation may be practiced in the employment of teachers or administrative personnel in public schools or in their assignment or reassignment. No questions of any nature or form relative to sex, except where sex is a bona fide occupational qualification as defined in s. 111.36 (2), race, nationality or political or religious affiliation may be asked applicants for teaching or administrative positions in the public schools either by public school officials or employees or by teachers agencies or placement bureaus.

(2) The state superintendent or a person designated by the state superintendent may receive and investigate complaints charging discrimination in employment, assignment or reassignment of teachers or administrative personnel in the public schools and the state superintendent or designee may hold hearings, sub-
poena witnesses and take testimony to effectuate the purposes of this section.

(3) If the state superintendent finds probable cause to believe that any discrimination prohibited by this section has been or is being practiced, the state superintendent shall immediately endeavor to eliminate the practice by conference, conciliation or persuasion. In case of failure to eliminate the discrimination, the state superintendent shall issue and serve a written notice of hearing, specifying the nature of the discrimination which appears to have been committed, and requiring the public school official, employee, teacher agency or placement bureau named, hereinafter called “respondent” to answer the complaint at a hearing before the state superintendent. The notice shall specify a time of hearing not less than 10 days after service of the complaint, and a place of hearing within the county in which the discrimination is alleged to have occurred.

(4) After hearing, if the state superintendent finds that the respondent has engaged in discrimination prohibited by this section the state superintendent shall make written findings and recommend such action by the respondent as shall satisfy the purposes of this section and shall serve a certified copy of the findings and recommendations on the respondent together with an order requiring the respondent to comply with the recommendations. Any person aggrieved by noncompliance with the order shall be entitled to have the order enforced specifically by suit in equity. If the state superintendent finds that the respondent has not engaged in the alleged discrimination, the state superintendent shall serve a certified copy of the state superintendent’s findings on the complainant together with an order dismissing the complaint.

(5) If any public school official, employee, teachers agency or placement bureau violates sub. (1) or fails or refuses to obey any lawful order made by the state superintendent pursuant to this section, such person shall forfeit and pay into the state treasury not less than $25 nor more than $50, or be imprisoned not less than 5 nor more than 30 days. Such violation or failure or refusal to obey an order shall be grounds for the removal of any school district administrator, member of a school board or other public school official. Findings and orders of the state superintendent under this section shall be subject to judicial review under ch. 227.

(6) Upon request of the state superintendent, the attorney general, or district attorney of the county in which any investigation, hearing or trial under this section is pending, shall aid and prosecute under supervision of the state superintendent, all necessary actions or proceedings for the enforcement of this section and for the punishment of all violations thereof.

(7) In administering this section the state superintendent shall have authority to make, amend and rescind rules necessary to carry out the purposes of this section.

Cross-reference: See s. 118.22 (2) for requirement that majority vote of full board membership is required for employment of a teacher.

A collective bargaining provision that releases only teacher members of a majority union from in-service days to attend, with pay, a state convention of the union is discriminatory, but the school board can deny compensation to minority union members who attend a regional convention of their union if they do so in good faith. Board of Education v. WERC, 52 Wis. 2d 625, 191 N.W.2d 242 (1971).

A teacher’s lack of legal authority to teach assigned courses, although known to the school board at time of hiring and subsequent assignments, was sufficient ground for dismissal despite the fact that school superintendent repeatedly assured the teacher that the certification problem was an administrative omission that would be cured by the board. Grams v. Melrose-Mindoro Jr. School Dist. No. 1, 78 Wis. 2d 569, 254 N.W.2d 730 (1977).

An individual teacher’s contract under this section and s. 118.22 is subservient to a collective bargaining contract under s. 111.70. 60 Atty. Gen. 342.

118.22 Renewal of teacher contracts. (1) In this section:

(a) “Board” means a school board, technical college district board, board of control of a cooperative educational service agency or county children with disabilities education board, but does not include any board of school directors in a city of the 1st class.

(b) “Teacher” means any person who holds a teacher’s certificate or license issued by the state superintendent or a classification certificate or license issued by the system board and whose legal employment requires such certificate, license or classification status, but does not include part-time teachers or teachers employed by any board of school directors in a city of the 1st class.

(2) On or before May 15 of the school year during which a teacher holds a contract, the board by which the teacher is employed or an employee at the direction of the board shall give the teacher written notice of renewal or refusal to renew the teacher’s contract for the ensuing school year. If no such notice is given on or before May 15, the contract then in force shall continue for the ensuing school year. A teacher who receives a notice of renewal of contract for the ensuing school year, or a teacher who does not receive a notice of renewal or refusal to renew the teacher’s contract for the ensuing school year on or before May 15, shall accept or reject in writing such contract not later than the following June 15. No teacher may be employed or dismissed except by a majority vote of the full membership of the board. Nothing in this section prevents the modification or termination of a contract by mutual agreement of the teacher and the board. No such board may enter into a contract of employment with a teacher for any period of time as to which the teacher is then under a contract of employment with another board.

(3) At least 15 days prior to giving written notice of refusal to renew a teacher’s contract for the ensuing school year, the employing board shall inform the teacher by preliminary notice in writing that the board is considering nonrenewal of the teacher’s contract and that, if the teacher files a request therefor with the board within 5 days after receiving the preliminary notice, the teacher has the right to a private conference with the board prior
to being given written notice of refusal to renew the teacher’s contract.

Notice of intent not to renew that part of a contract providing extra pay for extra work or duties is not necessary. Richards v. Sheboygan Board of Education, 58 Wis. 2d 444, 206 N.W.2d 597 (1973).

Under the facts of this case, the failure to timely provide notice of the right to a private conference under sub. (3) did not provide sufficient grounds to issue a writ of mandamus. Rawhouser v. CESA No. 4, 70 Wis. 2d 150, 274 N.W.2d 725 (1979).

Arbitration was proper under a “discharge and nonrenewal” clause in a collective bargaining agreement when the school board did not offer teacher a second contract after rejecting a contract that was signed and returned by the teacher with the title probationary contract” crossed out. Jefferson Joint School Dist. No. 10 v. Jefferson Education Ass’n n. v. Hortonville Joint School District No. 1, 76 Wis. 2d 104, 250 N.W.2d 725 (1977).

An employment contract that recites that a teacher’s employment will not be renewed cannot be construed as a waiver of rights granted by this section. There is a presumption of good faith applicable to a board’s decisions. Faust v. Ladysmith−Hawkins School Systems, 41 Wis. 2d 225, 266 N.W.2d 654 (1979).

118.223 Collective bargaining. Except as provided under subch. IV of ch. 111, no school board may collectively bargain with its employees.

History: 2011 a. 10.

118.225 Teacher evaluations. A school board may use value-added analyses of scores on the examinations administered to pupils under s. 118.30 and 20 USC 6331 (b) (2) to evaluate teachers. A school board has developed a teacher evaluation plan that includes all of the following:

(1) A description of the evaluation process.

(2) Multiple criteria in addition to examination results.

(3) The rationale for using examination results to evaluate teachers.

(4) An explanation of how the school board intends to use the evaluations to improve pupil academic achievement.

118.23 Populous counties; teacher tenure. (1) In this section “teacher” means any person who holds a teacher’s certificate or license and whose legal employment requires such certificate or license, who is employed full time and meets the minimum requirements prescribed by the governing body employing such person, and who is employed by a school board, board of trustees or governing body of any school operating under chs. 115 to 121 and lying entirely and exclusively in a county having a population of 750,000 or more. “Teacher” does not include any superintendent or assistant superintendent; any teacher having civil service status under ss. 63.01 to 63.17; any teacher in a public school in a 1st class city; or any person who is employed by a school board during time of war as a substitute for a teacher on leave while on full-time duty in the U.S. armed forces or any reserve or auxiliary thereof and who is notified in writing at the time of employment that the position is of a temporary nature.

(2) All teachers shall be employed on probation, but after continuous and successful probation for 3 years and the gaining of the 4th contract in the same school system or school, their employment shall be permanent except as provided in sub. (3). All principals shall be employed on probation, but after continuous and successful probation for 3 years and the gaining of a 4th contract in the same school system or school, their employment shall be permanent except as provided in sub. (3). Upon accepting employment in another school system or school to which this section applies, a teacher who has acquired permanent employment under this section shall be on probation therein for 2 years. After continuous and successful probation for 2 years and gaining the 3rd contract in such school system or school, employment therein shall be permanent except as provided in sub. (3). A person who acquired tenure as a teacher under this section shall not be deprived of tenure as a teacher by reason of the person’s employment as a principal.

(3) No teacher who has become permanently employed under this section may be refused employment, dismissed, removed or denied reappointment, except for inefficiency or immorality, for culpable and persistent violation of reasonable regulations of the governing body of the school system or school or for other good cause, upon written charges based on fact preferred by the governing body or other proper officer of the school system or school in which the teacher is employed. Upon the teacher’s written request and no less than 10 nor more than 30 days after receipt of notice by the teacher, the charges shall be heard and determined by the governing body of the school system or school by which the teacher is employed. Hearings shall be public when requested by the teacher and all proceedings thereat shall be taken by a court reporter. All parties shall be entitled to be represented by counsel at the hearing. The action of the governing body is final.

(4) If necessary to decrease the number of permanently employed teachers by reason of a substantial decrease of pupil population within the school district, the governing body of the school system or school may lay off the necessary number of teachers, but only in the inverse order of the appointment of such teachers. No permanently employed teacher may be prevented from securing other employment during the period that the teacher is laid off under this subsection. Such teachers shall be reinstated in inverse order of their being laid off, if qualified to fill the vacancies. Such reinstatement shall not result in a loss of credit for previous years of service. No new permanent or substitute appointments may be made while there are laid off permanent teachers available who are qualified to fill the vacancies.

(6) This section does not apply after December 21, 1995. Any person whose employment is permanent under sub. (3) on December 21, 1995, shall retain all of the rights and privileges of such permanent employment after that date.

118.235 Lunch period for teachers. Every school board shall grant daily a duty−free lunch period to each of its teachers, except that a school district may contract with any teacher employed by it for services during such period. Such period shall be not less than 30 minutes and shall be provided at or near the time of the regular school lunch period.

118.24 School district administrator. (1) A school board may employ a school district administrator, a business manager and school principals and assistants to such persons. The term of each employment contract may not exceed 2 years. A contract for a term of 2 years may provide for one or more extensions of one year each.

(2) (a) Under the direction of the employing school board, the school district administrator shall have general supervision and
management of the professional work of the schools and the promotion of pupils.

(b) The school district administrator shall not be a member of any other school board and shall not engage in any pursuit which interferes with the proper discharge of the duties.

(c) The school district administrator shall make written recommendations to the school board on teachers, courses of study, discipline and such other matters as the administrator thinks advisable and shall perform such other duties as the school board requires.

(d) The school district administrator may act as principal or teacher in any school under the administrator’s supervision.

(e) The school district administrator shall ensure that the administrative and pupil service staff in the district cooperate with the county department under s. 51.42 in the dissemination of information regarding the availability of alcohol and drug abuse services and to jointly establish procedures for the referral to appropriate agencies of students experiencing problems resulting from the use of alcohol or other drugs.

(f) The principal shall perform such administrative and instructional leadership responsibilities as are assigned by the district administrator under the rules and regulations of the school board.

(4) A business administrator shall perform such fiscal and business management and other administrative duties as are assigned by the district administrator subject to the rules, regulations and approval of the school board.

(5) School principals and business administrators, and assistants thereto, may, upon authorization from the school board or district administrator, attend conventions for the purpose of promoting and stimulating their professional growth and for improving the schools of the district and the state. For such approved attendance they may be reimbursed for actual and necessary expenses incurred for travel, board, lodging and attendance at such conventions upon proper filing of proof of attendance and of such necessary expenditures.

(6) The employment contract of any person described under sub. (1) shall be in writing and filed with the school district clerk. At least 4 months prior to the expiration of the employment contract, the employing school board shall give notice in writing of either renewal of the contract or of refusal to renew such person’s contract. If no such notice is given, the contract then in force shall continue in force for 2 years. Any such person who receives notice of renewal or who does not receive notice of renewal or to renew the person’s contract at least 4 months before the contract expiration shall accept or reject the contract in writing on or before a date 3 months prior to the contract expiration. No such person may be employed or dismissed except by a majority vote of the full membership of the school board. Nothing in this section prevents the modification or termination of an employment contract by mutual agreement of the parties. No school board may enter into a contract of employment with any such person for a period of time as to which such person is then under a contract of employment with another school board.

(7) Prior to giving notice of refusal to renew the contract of any person described under sub. (1), the employing board shall give such person preliminary notice in writing by registered mail at least 5 months prior to the expiration of such contract that the board is considering nonrenewal of the contract, and that if such person files a written request with the board within 7 days after receiving such notice, the person has the right to a hearing before the board prior to being given written notice of refusal to renew the contract. The written request for a hearing shall include a statement requesting either a private hearing or a public hearing before the board. Section 118.22 does not apply to such a proceeding.

If a hearing concerning nonrenewal of the contract is requested, the reasons upon which the board is considering nonrenewal may also be requested and the board shall furnish such reasons before the hearing in writing.

(8) Personnel administrators and supervisors, curriculum administrators and assistants to such administrative personnel, when employed by the school board of any school district to perform administrative duties only, may be employed for a term which does not exceed 2 years. A contract for a term of 2 years may provide for one or more extensions of one year each. Subsections (5) to (7) are applicable to such persons when they are employed to perform administrative duties only.

(9) Nothing in this section shall be construed:

(a) To prohibit the school board of any district from hiring part–time administrative personnel;

(b) To prohibit the employment relations commission from making a determination that persons hired as part–time administrative personnel shall be included in the collective bargaining unit of persons hired as teachers and shall be covered by the terms of a collective bargaining agreement which exists pursuant to s. 111.70.

(10) No principal or assistant principal may be granted tenure or permanent employment.

118.245 Referendum; increase in employee wages. (1) If a school board wishes to increase the total base wages of its employees in an amount that exceeds the limit under s. 111.70 (4) (mb) 2., the school board shall adopt a resolution to that effect. The resolution shall specify the amount by which the proposed total base wages increase will exceed the limit under s. 111.70 (4) (mb) 2. The resolution may not take effect unless it is approved in a referendum called for that purpose. The referendum shall occur in April for collective bargaining agreements that begin in July of that year. The results of a referendum apply to the total base wages only in the next collective bargaining agreement.

(2) The question submitted in the referendum shall be substantially as follows: “Shall the employees in the .... [school district] receive a total increase on wages from $....[current total base wages] to $....[proposed total base wages], which is a percentage wage increase that is .... [x] percent higher than the percent of the consumer price index increase, for a total percentage increase in wages of .... [x]?”

History: 2014 a. 10.

This section does not violate the plaintiffs’ associational rights. No matter the limitations or burdens a legislative enactment places on the collective bargaining process, collective bargaining remains a creation of legislative grace and not constitutional obligation. The restrictions attached to the statutory scheme of collective bargaining are irrelevant in regards to freedom of association because no condition is being placed on the decision to participate. If a general employee participates in collective bargaining under 2011 Wis. Act 10’s statutory framework, that general employee has relinquished a constitutional right. They have only acquired a benefit to which they were never constitutionally entitled. Madison Teachers, Inc. v. Walker, 2014 WI 99, 358 Wis. 2d 1, 851 N.W.2d 337, 12–2067.

118.25 Health examinations. (1) In this section:

(a) “Practitioner” means a person licensed as a physician, naturopathic doctor, or physician assistant in any state or licensed or certified as an advanced practice nurse prescriber in any state. In this paragraph, “physician” has the meaning given in s. 448.01 (5).

(b) “School employee” means a person employed by a school board who comes in contact with children or who handles or prepares food for children while they are under the supervision of school authorities.

(2) (a) 1. Subject to par. (b), a school board shall, as a condition of employment, require a physical examination of every school employee of the school district. The school board shall
ensure that the physical examination includes a screening questionnaire for tuberculosis approved by the department of health services and, if indicated, a test to determine the presence or absence of tuberculosis in a communicable form. Freedom from tuberculosis in a communicable form is a condition of employment. The school employee shall be examined by a practitioner in the employ of or under contract with the school district, but if a practitioner is not employed or under contract, the examination shall be made by a practitioner selected by the school employee.

2. The school board may require a school employee to complete additional health examinations, including physical examinations and an examination consisting of a screening questionnaire for tuberculosis approved by the department of health services, at intervals determined by the school board. A screening questionnaire of such affidavit as permitted under this subdivision may be administered by a school nurse or by a registered nurse who is selected by the school employee and who is licensed under s. 441.06 or holds a multistate license, as defined in s. 441.51 (2) (h), issued in a party state, as defined in s. 441.51 (2) (k).

(b) The school board may not require physical examinations of any school employee who files with the school board an affidavit setting forth that the employee depends exclusively upon prayer or spiritual means for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization and that the employee is to the best of the employee’s knowledge and belief in good health and that the employee claims exemption from health examination on these grounds. Notwithstanding the filing of such affidavit, if there is reasonable cause to believe that such employee is suffering from an illness detrimental to the health of the pupils, the school board may require a health examination of such school employee sufficient to indicate whether or not such school employee is suffering from such an illness. To the extent practicable, the school board shall assess pupils in the language and form most likely to yield accurate data.

Upon receiving the petition, the school board shall contract with an organization approved by the department to conduct the feasibility study. If a feasibility study is

(d) At least 30 days before entering into, extending, or renewing a whole grade sharing agreement, the school board shall hold a public hearing in the school district at which the proposed agreement is described and at which any school district elector may comment on the proposed agreement. (2m) PUPILS WITH DISABILITIES. 1. In the 2016–17 school year, $12,000.
2. Beginning in the 2017–18 school year, the sum of the per pupil amount under this paragraph for the previous school year; the amount of the per pupil revenue limit adjustment under s. 121.91 (2m) for the current school year, if positive; and the change in the amount of statewide categorical aid per pupil between the previous school year and the current school year, as determined under s. 118.40 (2r) (e) 2p., if positive.

(b) If a pupil with an individualized education program that is in effect attends school in a nonresident school district under a whole grade sharing agreement for less than a full school term, the resident school board shall prorate the payment amount under par. (a) based on the number of days that school is in session during that school term and number of days the pupil attends school in the nonresident school district during that school term.

(3) TRANSPORTATION. (a) A pupil’s resident school board is responsible for transporting the pupil to and from the school district in which the pupil attends school under a whole grade sharing agreement, unless the whole grade sharing agreement provides otherwise.

(4) ATTENDANCE AREAS. If a school board enters into a whole grade sharing agreement that designates more than one school district for the attendance of its pupils, the school board shall establish attendance areas within the school district for determining the school districts of attendance of the pupils.

(5) RIGHTS AND PRIVILEGES OF NONRESIDENT PUPILS; PARTICIPATION IN PROGRAMS. (a) Except as provided in s. 118.134 (3m), a pupil attending a public school in a nonresident school district under this section has all of the rights and privileges of pupils residing in that school district and is subject to the same rules and regulations as pupils residing in that school district.

(b) A pupil attending a public school in a nonresident school district under this section is considered a resident of the nonresident school district for the purposes of participating in programs of a cooperative educational service agency or a county children with disabilities education board.

(6) FULL−TIME OPEN ENROLLMENT IN A PARTICIPATING NONRESIDENT SCHOOL DISTRICT. If a whole grade sharing agreement provides for a pupil to attend a grade in a nonresident school district in which the pupil is attending school under s. 118.51, the pupil’s status as a pupil attending the nonresident school district under s. 118.51 is suspended for the school year the pupil is enrolled in the grade that is subject to the whole grade sharing agreement. This subsection does not prevent a pupil from continuing to attend the nonresident school district in succeeding school years without reapplying, as provided under s. 118.51 (3) (c).

(7) SCHOOL DISTRICT REORGANIZATION. A whole grade sharing agreement entered into under this section is not an order of school district reorganization under ch. 117.

(8) The department may promulgate rules to implement and administer this section.

History: 2015 a. 55; 2017 a. 59.
1d. For purposes of determining whether applications have been submitted to more than 3 nonresident school boards, the department may not count an application submitted to a nonresident school board for a pupil to attend a virtual charter school.

1m. By the first Friday following the first Monday in May, the resident school board shall send to the nonresident school district a copy of the individualized education program developed under s. 115.787 (2) for a child with a disability whose parent submitted an application under subd. 1.

2. A nonresident school board may not act on any application received under subd. 1. before May 1. If a nonresident school board receives more applications for a particular grade or program than there are spaces available in the grade or program, the nonresident school board shall determine which pupils to accept, including pupils accepted from a waiting list under sub. (5) (d), on a random basis, after giving preference to pupils and to siblings of pupils who are already attending the nonresident school district and, if the nonresident school district is a union high school district, to pupils who are attending an underlying elementary school district of the nonresident school district under this section. If a nonresident school board determines that space is not otherwise available for open enrollment pupils in the grade or program to which an individual has applied, the school board may nevertheless accept a pupil or the sibling of a pupil who is already attending the nonresident school district and, if the nonresident school district is a union high school district, a pupil who is attending an underlying elementary school district of the nonresident school district under this section.

3. Except as provided under sub. (5) (d) 1., on or before the first Friday following the first Monday in June following receipt of the application, the nonresident school board shall notify the applicant, in writing, whether it has accepted the application. If the nonresident school board has accepted the applicant, the school board shall identify the specific school or program that the applicant may attend in the following school year. If the nonresident school board rejects an application, it shall include in the notice the reason for the rejection.

4. On or before the 2nd Friday following the first Monday in June following receipt of a copy of the application, if a resident school board denies a pupil’s enrollment in a nonresident school district, the resident school board shall notify the applicant and the nonresident school board, in writing, that the application has been denied and include in the notice the reason for the denial.

6. Except as provided in sub. (5) (d) 2., if an application is accepted, on or before the last Friday in June following receipt of a notice of acceptance, or within 10 days of receiving a notice of acceptance if a pupil is selected from a waiting list under sub. (5) (d), the pupil’s parent shall notify the nonresident school board of the pupil’s intent to attend school in that school district in the following school year.

(b) Notice to resident school district. Annually by July 7, each nonresident school board that has accepted a pupil under this section for attendance in the following school year shall report the name of the pupil to the pupil’s resident school board.

(c) Subsequent reapplication; when required. 1. If a pupil’s parent notifies a nonresident school board, under par. (a) 6., that the pupil intends to attend school in that school district in the following school year, the pupil may attend that school district in the following school year and may continue to attend that school district in succeeding school years without reapplying, except that the nonresident school board may require that the pupil reapply no more than once, when the pupil enters middle school, junior high school or high school.

2. If at any time a pupil who is attending school in a nonresident school district under this section wishes to attend school in a different nonresident school district under this section, the pupil’s parent shall follow the application procedures under par. (a).

(3m) ALTERNATIVE APPLICATION PROCEDURES UNDER CERTAIN CIRCUMSTANCES. (a) Notwithstanding sub. (3), the parent of a pupil who wishes to attend a public school in a nonresident school district under this section may, in lieu of applying under sub. (3), submit an application under this subsection, on a form provided by the department under sub. (15) (a), to the school board of the nonresident school district that the pupil wants to attend if the pupil satisfies at least one of the criteria under par. (b). Applications may be submitted to no more than 3 nonresident school boards in any school year. For purposes of determining whether applications have been submitted to more than 3 nonresident school boards, the department may not count an application submitted to a nonresident school board for a pupil to attend a virtual charter school.

(b) The parent of a pupil may apply under this subsection only if the pupil meets one of the following criteria, and shall describe the criteria that the pupil meets in the application:

1. The resident school board determines that the pupil has been the victim of a violent criminal offense, as defined by the department by rule. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application within 30 days after the determination of the resident school board.

2. The pupil is or has been a homeless pupil in the current or immediately preceding school year. In this subdivision, “homeless pupil” means an individual who is excluded from or removed from a foster home or from the home of a person other than the pupil’s parent, or placed in a foster home or with a person other than the pupil’s parent. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application no later than 30 days after the date on which the military orders changing the place of residence were issued.

3. The pupil has been the victim of repeated bullying or harassment and all of the following apply:

a. The pupil’s parent has reported the bullying or harassment to the resident school board.

b. Despite action taken under subd. 3. a., the repeated bullying and harassment continues.

4. The place of residence of the pupil’s parent or guardian and of the pupil has changed as a result of military orders. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application no later than 30 days after the date on which the military orders changing the place of residence were issued.

5. The pupil moved into this state. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application no later than 30 days after moving into this state.

6. The place of residence of the pupil has changed as a result of a court order or custody agreement or because the pupil was placed in a foster home or with a person other than the pupil’s parent, or removed from a foster home or from the home of a person other than the pupil’s parent. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application no later than 30 days after the pupil’s change in residence.

7. The parent of the pupil, the resident school board, and the nonresident school board agree that attending school in the nonresident school district is in the best interests of the pupil.

8. The parent of the pupil and the nonresident school board agree that attending school in the nonresident school district is in the best interests of the pupil. If the resident school board notifies the parent of the pupil who applies under this subdivision that the pupil may not attend the nonresident school district, the parent may appeal the resident school district’s decision to the department and must explain in the appeal why the pupil applied to attend school in the nonresident school district.

The resident school district must respond to the appeal and provide an explanation for rejecting the pupil’s transfer into the nonresident school district. If the department determines that the resident school district’s decision to deny the pupil’s transfer into the nonresident school district is not in the best interests of the pupil, the department shall notify the resident and nonresident school districts and
the pupil’s parent that the pupil may attend the nonresident school district. The department’s determination under this subdivision is final.

(c) If a nonresident school board receives an application under par. (a), the nonresident school board shall immediately forward a copy of the application to the resident school board, and shall notify the applicant, in writing, whether it has accepted the application no later than 20 days after receiving the application. If the nonresident school board has accepted the application, the nonresident school board shall identify the specific school or program that the pupil may attend.

(d) A resident school district may notify an applicant under par. (a) that the pupil may not attend a school or program in the nonresident school district only if the resident school district determines that the criteria relied on by the applicant under par. (b) does not apply to the pupil.

(e) If an application is accepted by the nonresident school board under par. (c), the pupil may immediately begin attending the school or program in the nonresident school district and shall begin attending the school or program no later than the 15th day following receipt by the parent of the pupil of the notice of acceptance under par. (c). Sub. (6) provides no authority to limit resident student transfers, or open enrollment, provided for in sub. (2) after the 2005–06 school year. Because there are no express provisions for any school year beyond 2005–06 and no indication that the application of the 2005–06 percentage limits would be ongoing, the application of the percentage limits must end in 2005–06. School District of Stockbridge v. Evers, 2010 WI App 144, 330 Wis. 2d 80, 792 N.W.2d 615, 10–0829.

While this section imposes application requirements and some limitations, for example relating to racial balance and special education students under subs. (7) and (12) (b), there are no restrictions on resident transfers based on the overall financial health of the resident district. School District of Stockbridge v. The portion of sub. (7) (a) that requires a school district eligible for aid under subch. V to vote to reject an open enrollment application if the requested transfer into or out of the district would increase the district’s racial imbalance is inconsistent with the equal protection guarantees of the U.S. Constitution, as those guarantees were applied in Seattle School Dist. No. 1, 531 U.S. 701 (2007). OAG 4-07. See also N.N. v. Madison Metropolitan School District, 670 F. Supp. 2d 927 (2009).

Differential treatment of special needs students doesn’t make the open enrollment program unlawful. Federal law forbids discrimination based on stereotypes about a handicap, but it does not forbid decisions based on the actual attributes of the handicap. The program makes decisions based on the actual needs of students, not stereotypical disabilities. It compiles with the federal Americans with Disabilities Act, 42 USC 12132, and the federal Rehabilitation Act, 29 USC 794 (a). P.F. v. Taylor, 914 F.3d 467 (8th Cir. 2019).

The auditor shall conduct his or her audit, including determining sample sizes and evaluating financial viability, in accordance with the auditing standards established by the American Institute of Certified Public Accountants. If a private school participating in a program under this section is part of an organization and the private school and the organization share assets, liabilities, or eligible education expenses, the private school may submit an audit of the private school or of the organization of which it is a part. c. If an independent auditor engaged to evaluate the private school’s fiscal and internal control practice determines that the governing body of the private school has not taken reasonable actions to remedy any concerns raised in the management letter submitted under subd. 2m. a. in the previous school year, a report prepared by the independent auditor that includes the auditor’s findings related to the governing body’s actions to remedy any concerns raised in the management letter for the previous school year.
