Nothing in ch. 62 or 120 precludes a school board from qualifying as a proper “claimant” against a city under s. 62.25. Chilton Joint School District No. 1 v. City of Chilton, 78 Wis. 2d 52, 253 N.W.2d 879 (1977).

Section 66.185 [now s. 66.0137] does not prohibit providing health insurance benefits to persons not listed in the statute if authority is granted by other statutes. Sections 120.12, 120.13, and 120.44, broadly construed as required by s. 118.001, grant broad powers, including that of providing insurance to persons not listed in this section. Pritchard v. Madison Metropolitan School District, 2001 WI App 62, 242 Wis. 2d 301, 625 N.W.2d 613, 00−0848.

The duties and powers under ss. 118.001, 120.12 (14), and 120.13 extend to individual teachers as employees of the school board. It would be absurd to require teachers to obtain special permission from the school board with respect to every detail of their teaching. Summer homework, particularly for an honors class for which students receive additional credit, fits comfortably within the range of what is necessary and is not unconstitutional. Larson v. Burmaster, 2006 WI App 142, 295 Wis. 2d 333, 725 N.W.2d 134, 05−1433.

Sub. (18) requires a school board to cooperate with the juvenile court and the agency designated by the court to prepare an educational plan under s. 938.34 for a pupil receiving educational services as the result of a court order under s. 938.34 (7d). Sub. (18) does not require a school board or a school district to provide alternative educational resources to a juvenile who has been expelled from school under s. 120.13 (1) (c) 1. Madison Metropolitan School District v. Circuit Court for Dane County, 2011 WI 72, 333 Wis. 2d 942, 800 N.W.2d 442, 09−2645.

Under sub. (3), the school board of common or union high school districts has ultimate authority to determine the tax levy for operation and maintenance of the schools in the district. 79 Atty. Gen. 46.
School boards have authority to enforce policies that mandate the manner, conditions, and content of police interviews with students on school premises during school hours. 81 Att'y Gen. 126.

120.123 School and school district accountability reports. Beginning in September 2016, and annually thereafter, each school that maintains an Internet site shall, if the school is included in the most recent accountability report published under s. 115.385, within 30 days after the department publishes the accountability report, prominently link on the home page of that Internet site to the pages in that most recent accountability report concerning the school.

History: 2015 a. 338.

3. Before− and after−school child care programs exist in the elementary school;
4. The school board intends to provide before− and after−school child care services in the elementary school;
5. The requirements under sub. (3) have not been met; or
6. Paragraph (b) applies.

(b) The school board may deny a request under par. (a) 6. if the school board intends to solicit child care providers to submit requests to provide before− and after−school child care programs in the elementary school for which a request under par. (a) was submitted. If a school board denies a request under this paragraph, the request submitted under par. (a) shall be considered along with requests that are submitted as a result of the school board solicitation.

(c) If a school board denies a request under par. (a) or (b), the school board shall specify the reasons for denial, in writing, to the child care provider within 60 days after the date on which the request is received.

(3) (a) A request submitted to a school board under sub. (2) shall be in writing, shall name the elementary school in which the before− and after−school child care program is to be provided, and shall specify the amount of space needed, the number and ages of the pupils to be served, and the time the provider intends to operate the program. The request shall also contain all of the following assurances:

1. That the child care provider will be responsible for all actual incremental costs incurred by the school as a result of permitting the child care provider to provide a before− and after−school child care program in the school building.
2. That the child care provider will be liable to the school district for any damage to property in the operation of the before− and after−school child care program, that the child care provider shall hold the school district harmless from any liability, claim, or damages caused by the acts or omissions of the child care provider, and that the child care provider will acquire adequate insurance coverage, as determined by the school district.
3. That the child care provider will not provide religious instruction or permit religious practices to be conducted during the before− and after−school child care program.

(b) A school board shall conditionally grant a request submitted by a child care provider if all the requirements under par. (a) are met and sub. (2) (a) 1. to 6. and (b) does not apply.

(4) If a request under sub. (3) is conditionally accepted by the school board, the school board shall enter into a written agreement with the child care provider that specifies the hours during the day in which the child care provider is to occupy the school premises and the rooms, facilities, or equipment that are to be used by the child care provider. The agreement shall also provide all of the following:

(a) Except as provided under s. 121.545 (2), that the school board is not responsible for providing transportation to or from the before− and after−school child care program.

(b) That nothing in the agreement would prohibit the school board from permitting other child care providers to provide child care services to pupils in the same building during the same time and that nothing in the agreement would prohibit the school district from providing before− and after−school child care programs in the same building and during the same time in which the child care provider provides before− and after−school child care programs.

(c) That the agreement may be terminated by the school board at the end of a school year if the school board intends to provide child care for the pupils in the elementary school or intends to solicit other child care providers to provide services during the following school year.

(d) That the school board may review and terminate the agreement at any time, with 30 days’ prior written notice to the child care provider, if any of the conditions in the agreement are violated by the child care provider.

(e) That the child care provider shall be responsible for all actual costs incurred by the school district as a result of the agreement, the costs of which shall be paid to the school district at times specified by the school board in the agreement.

(f) That the child care provider shall be liable to the school district for any damage to property in the operation of the before− and after−school child care program, that the child care provider shall hold the school district harmless from any liability, claim, or damages caused by the acts or omissions of the child care provider, and that the child care provider shall acquire adequate insurance, as determined by the school district, to be in effect beginning the first day on which the child care provider provides the before− and after−school child care program.

(g) That the child care provider shall not provide religious instruction or permit religious practices to be conducted during the before− and after−school child care program.

(h) That the child care provider shall meet the standards for licensed child care centers established by the department of children and families.

120.13 School board powers. Subject to 20 USC 1415 (k), the school board shall adopt a code to govern pupils’ classroom conduct beginning in the 1999−2000 school year. The code shall be developed in consultation with a committee of school district residents that consists of parents, pupils, members of the school board, school administrators, teachers, pupil services professionals and other residents of the school district who are appointed to the committee by the school board. The code of classroom conduct may provide different standards of conduct for different schools and may pro-
provide additional placement options under s. 118.164 (3). The code shall include all of the following:

1. A specification of what constitutes dangerous, disruptive or unruly behavior or behavior that interferes with the ability of the teacher to teach effectively under s. 118.164 (2).

3. Prior to any suspension, the pupil shall be advised of the reason for the proposed suspension. The pupil may be suspended if it is determined that the pupil is guilty of noncompliance with a school board rule or a rule adopted under subd. 1. or of the conduct charged, and that the pupil’s suspension is reasonably justified.

4. The suspended pupil or the pupil’s parent or guardian may, within 5 school days following the commencement of the suspension, have a conference with the school district administrator or his or her designee who shall be someone other than a principal, administrator or teacher in the suspended pupil’s school. If the school district administrator or his or her designee finds that the pupil was suspended unfairly or unjustly, or that the suspension was inappropriate, given the nature of the alleged offense, or that the pupil suffered undue consequences or penalties as a result of the suspension, reference to the suspension on the pupil’s school record shall be expunged. The administrator, or the administrator’s designee, shall make a finding within 15 days of the conference.

5. A pupil suspended under this paragraph shall not be denied the opportunity to take any quarterly, semester or grading period examinations or to complete course work missed during the suspension period, as provided in the attendance policy established under s. 118.16 (4) (a).

(f) 1. No school board is required to enroll a pupil during the term of his or her expulsion from another school district. Notwithstanding s. 118.125 (2) and (4), if a pupil who has been expelled from one school district seeks to enroll in another school district during the term of his or her expulsion, upon the request of the pupil or the pupil’s parent or guardian, the school board of the latter school district with a copy of the expulsion findings and order, a written explanation of the reasons why the pupil was expelled and the length of the term of the expulsion.

2. No school board is required to enroll a pupil during the term of his or her expulsion from a public school in another state if the school board determines the pupil would have grounds for expulsion under par. (c) 1., 2., or 2m.

3. No school board is required to enroll a pupil during the term of his or her expulsion from a charter school established under s. 118.40 (2r) or (2s) if the school board determines the conduct giv-
ing rise to the pupil’s expulsion would have been grounds for expulsion under par. (c) 1., 2., or 2m. If a pupil who has been expelled from a charter school established under s. 118.40 (2r) or (2x) seeks to enroll in a school district during the term of his or her expulsion, upon request of the pupil or, if the pupil is a minor, the pupil’s parent or guardian, the governing body of the charter school shall provide the school board of the school district with a copy of the expulsion findings and order, a written explanation of the reasons why the pupil was expelled, and the term of the expulsion.

(g) The school board may modify the requirement under pars. (c) 2m. and (e) 2. b. on a case-by-case basis.

(h) 1. In this paragraph:

ag. “Conditional enrollment” means enrollment of an expelled pupil in a school district other than the school district or out-of-state public school that expelled the pupil before the expiration of the term of expulsion specified in the pupil’s expulsion order issued under par. (c) 3. or (e) 3. or by the out-of-state public school.

am. “Early reinstatement” means the reinstatement to school of an expelled pupil before the expiration of the term of expulsion specified in the pupil’s expulsion order under par. (c) 3. or (e) 3.

b. “Early reinstatement condition” means a condition that a pupil is required to meet before he or she may be granted early reinstatement or a condition that a pupil is required to meet after his or her early reinstatement but before the expiration of the term of expulsion specified in the pupil’s expulsion order under par. (c) 3. or (e) 3. or by the out-of-state public school.

2. A school board, or an independent hearing panel or independent hearing officer acting under par. (e), may specify one or more early reinstatement conditions in the expulsion order under par. (c) 3. or (e) 3. if the early reinstatement conditions are related to the reasons for the pupil’s expulsion.

Within 15 days after the date on which an expulsion order is issued by an independent hearing panel or independent hearing officer, the expelled pupil or, if the pupil is a minor, the pupil’s parent or guardian may appeal the determination regarding whether an early reinstatement condition specified in the expulsion order is related to the reasons for the pupil’s expulsion to the school board that issued the expulsion order.

3m. If the school district administrator, or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil’s school, determines that a pupil has met the early reinstatement conditions that he or she is required to meet before he or she may be granted early reinstatement, the school district administrator or designee may grant the pupil early reinstatement. The determination of the school district administrator or designee is final.

3. If the school district administrator or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil’s school, determines that a pupil has met the early reinstatement conditions that he or she is required to meet before he or she may be granted early reinstatement, the school district administrator or designee may grant the pupil early reinstatement. The determination of the school district administrator or designee is final.

4. If a pupil granted early reinstatement under subd. 3. violates an early reinstatement condition that the pupil was required to meet after his or her early reinstatement but before the expiration of the term of expulsion, the school district administrator may revoke the pupil’s early reinstatement. Before revoking the pupil’s early reinstatement, the school district administrator or designee shall give prompt written notice of the revocation and the reason for the revocation to the pupil’s parent or guardian.

4m. If a pupil granted conditional enrollment under subd. 3m. violates an enrollment condition that the pupil was required to meet after his or her conditional enrollment but before the expiration of the term of expulsion, the school district administrator or designee shall give prompt written notice of the revocation and the reason for the revocation to the pupil’s parent or guardian.

5. Except as provided in subd. 6., if a pupil’s early reinstatement is revoked under subd. 4., the pupil’s expulsion shall continue to the expiration of the term of the expulsion specified in the expulsion order unless the pupil or, if the pupil is a minor, the pupil’s parent or guardian and the school board, independent hearing panel or independent hearing officer agree, in writing, to modify the expulsion order.

5m. Except as provided in subd. 6m., if a pupil’s conditional enrollment is revoked under subd. 4m., the pupil’s expulsion shall continue to the expiration of the term of the expulsion specified...
in the expulsion order unless the pupil or, if the pupil is a minor, the pupil’s parent or guardian and the school board that expelled the pupil, or the independent hearing panel or independent hearing officer, or the out-of-state public school, agree, in writing, to modify the expulsion order.

6. Within 5 school days after the revocation of a pupil’s early reinstatement condition as provided in subd. 4., the pupil or, if the pupil is a minor, the pupil’s parent or guardian may request a conference with the school district administrator or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil’s school. If a conference is requested, it shall be held within 5 school days following the request. If, after the conference, the school district administrator or his or her designee finds that the pupil did not violate an early reinstatement condition or that the revocation was inappropriate, the pupil shall be reinstated to school under the same reinstatement conditions as in the expulsion order and the early reinstatement revocation shall be expunged from the pupil’s record. If the school district administrator or his or her designee finds that the pupil violated an early reinstatement condition and that the revocation was appropriate, he or she shall mail separate copies of the decision to the pupil and, if the pupil is a minor, to the pupil’s parent or guardian. The decision of the school district administrator or his or her designee is final.

6m. Within 5 school days after the revocation of a pupil’s conditional enrollment under subd. 4m., the pupil or, if the pupil is a minor, the pupil’s parent or guardian may request a conference with the administrator of the school district in which the pupil is enrolled, or his or her designee, who shall be someone other than a principal, administrator, or teacher in the pupil’s school. If a conference is requested, it shall be held within 5 school days following the request. If, after the conference, the school district administrator or his or her designee finds that the pupil did not violate an enrollment condition or that the revocation was inappropriate, the pupil shall be enrolled in school under the same enrollment conditions as in the order issued under subd. 2m. and the conditional enrollment revocation shall be expunged from the pupil’s record. If the school district administrator or his or her designee finds that the pupil violated an enrollment condition and that the revocation was appropriate, he or she shall mail separate copies of the decision to the pupil and, if the pupil is a minor, to the pupil’s parent or guardian. The decision of the school district administrator or his or her designee is final.

The commissioner of insurance may promulgate rules governing self-insurance plans under pars. (b) to (g) to ensure that they comply with all applicable provisions of chs. 600 to 647.
(e) All personally identifiable medical and claims records relating to any self-insurance plan under par. (b) or s. 66.0137 (4m) shall be kept confidential by the administrator of the self-insurance plan and shall be exempt from disclosure pursuant to s. 19.36 (1). This paragraph does not prohibit the release of personally identifiable records to school district personnel, to the extent that performance of their duties requires access to the records, but only with the prior written informed consent of the insured.

(g) Every self-insured plan under par. (b) shall comply with ss. 49.493 (3) (d), 631.89, 631.90, 631.93 (2), 632.746 (10) (a) 2., and (b) 2., 632.747 (3), 632.798, 632.85, 632.853, 632.855, 632.867, 632.87 (4) to (6), 632.885, 632.89, 632.895 (9) to (17), 632.896, and 767.513 (4).

Costs associated with a child care program under this subsection may not be included in shared costs under s. 121.07 (6). Child care programs established under this subsection shall meet the standards for licensed child care centers established by the department of children and families. Pursuant to ss. 48.66 (1) (a), 48.73, and 48.74, the department of children and families may visit and inspect the premises of, inspect the records of, and investigate and prosecute any alleged violations occurring at any child care program established or contracted for under this subsection that receives payment under s. 49.155 for the child care provided. If a school board proposes to contract for the provision of a child care program under this subsection or if on July 1, 1996, a school board is a party to a contract for the provision of a child care program under this subsection, the school board shall refer the proposed contractor to the department of children and families for the criminal history and child abuse record search required under s. 48.686.

(b) If a person subject to a background check under s. 48.686 (2) who operates, works at, or resides at a child care program contracted for under par. (a), is convicted or adjudicated delinquent for committing a serious crime, as defined under s. 48.686 (1) (c), the school board shall rescind the contract for the child care program immediately upon providing written notice of the rescission and the grounds for the rescission and an explanation of the process for appealing the rescission.

2. If a person subject to a background check under s. 48.686 (2) who operates, works at, or resides at a child care program contracted for under par. (a) is the subject of a pending criminal charge or delinquency petition alleging that the person has committed a serious crime, as defined in s. 48.686 (1) (c), the school board shall immediately suspend the contract for the child care program until the school board obtains information regarding the final disposition of the charge or delinquency petition indicating that the person is not ineligible to operate, work at, or reside at a child care program under this subsection.

For purposes of s. 895.523, “actual costs” means reasonable costs for maintenance, security, supervision of participants who are minors, if applicable, and cleaning. Fees received under this subsection shall be paid into the school district treasury and accounted for as described under s. 115.28 (13). The user shall be primarily liable, and, except as provided in s. 895.523, the school board secondarily liable, for any damage to property and for any expense incurred in consequence of any use of school grounds, buildings, facilities, or equipment under this subsection.

In this subsection, “renewable resource” has the meaning given in s. 196.374 (1) (j).

(19) COMMUNITY PROGRAMS AND SERVICES. The school board shall charge a fee for use of the school buses under this subsection. The fee shall be an amount equal to the actual cost of transportation under this subsection, including but not limited to costs for depreciation, maintenance, insurance, fuel and compensation of vehicle operators. If the school board denies a written request for use of the school buses, the school board shall provide the requester a written statement of the basis for the denial within 14 days after the denial.

(27m) TRANSPORTATION OF INDIGENT PUPILS. Provide transportation to and from school for indigent pupils who reside in the school district and who are not required to be transported under s. 121.54. Allow hunting in its school forests as defined in s. 26.309 (1) (a), except that the board may not allow hunting for a wild animal when there is not an open season for that animal on land adjacent to the school forest. This subsection does not affect the authority of the department of natural resources to remove a wild animal under s. 29.885 (2) (a).

A school board may issue a subpoena to compel the attendance of a witness at an expulsion hearing. Expulsion may be partially based on hearsay statements by school staff. Due process is discussed. Racine Unified School District v. Thompson, 107 Wis. 2d 351, 321 N.W.2d 334 (App. 1982).

Neither sub. (1) (c) or (e) expressly or impliedly authorizes the state superintendent to review a challenged suspension when the superintendent reviews an expulsion decision under those provisions. Madison Metropolitan School District v. DPI, 160 Wis. 2d 657, 434 N.W.2d 843 (App. 1995), 99−0149.

Section 66.185 (now s. 60.017) does not prohibit providing health insurance benefits to principal and listed staff members if authorization is granted by the state superintendent. Sections 120.12, 120.13, and 120.44, broadly construed as required by s. 118.001, grant broad powers, including that of providing insurance to persons not listed in this section.

The only reasonable construction of sub. (1) (e) 3. is that, if a school district elects to have a hearing officer conduct an expulsion hearing, this district must comply with the provisions of sub. (1) or (2). Madison Metropolitan School District v. Burmaster, 2006 WI App 17, 268 Wis. 2d 301, 652 N.W.2d 613, 00−0684.

The section (intro) expresses the legislature’s intent to give school boards broader powers and wide discretion in exercising its powers, but it does not mean that, when the legislature had previously authorized a board to take particular actions using specified procedures, the board has the authority to follow other procedures in taking those particular actions. While school boards have powers beyond those enumerated in subs. (1) to (37), they do not have the power to violate the provisions of subs. (1) to (37). Madison Metropolitan School District v. Burmaster, 2006 WI App 17, 268 Wis. 2d 771, 709 N.W.2d 73, 05−0875.

The duties and powers under ss. 118.001, 120.12 (14), and 120.13 extend to individuals teachers as employees of the school board. It would be absurd to require teachers to obtain special permission from the school board with respect to every detail of their teaching. Summer homework, particularly for an honors class for which students receive additional credit, fits comfortably within the range of what is reasonable and not unconstitutional. Larson v. Burmaster, 2006 WI App 142, 295 Wis. 2d 333, 720 N.W.2d 134, 05−1433.

Because of a lack of statutory authority, speech therapists may not supply services to students attending therapy sessions in parochial school buildings. 63 Atty. Gen. 9.

Students may have bus riding privileges suspended without being suspended or expelled from school. However, both public and private school students must be afforded due process under sub. (1) before such a suspension can take place. 63 Atty. Gen. 526.

School boards have authority to enforce policies that mandate the manner, conditions, and content of police interviews with students on school premises during school hours. 81 Atty. Gen. 126.

Sub. (1) (f) does not allow a school board to deny enrollment to a pupil who is currently expelled either from an out−of−state public school district or from a private school. 60 Atty. Gen. 9−08.

Having established the right to an education, the state may not withdraw the right on grounds of misconduct absent fundamentally fair procedures to determine if misconduct occurred. Abundance of the student at expulsion deliberations is not mandatory; all that is required is that the student have the opportunity to attend and present his or her case. Remer v. Burlington Area School District, 149 F. Supp. 2d 605 (2001).

120.135 Capital improvement fund. (1) By July 1, 2000, by a two−thirds vote of the members elect, a school board may adopt a resolution creating a capital improvement fund for the purpose of financing the cost of acquiring and improving sites, constructing school facilities and major maintenance of or remodeling, renovating and improving school facilities if all of the following are true:
(a) A tax increment district that is located in whole or in part in the school district is terminated before the maximum number of years that the tax increment district would have existed under s. 66.1105 (7) (am) or (ar).
(b) The value increment of the tax increment district exceeds $300,000,000.

(2) In each year in which the school board adopts a resolution by a two−thirds vote of the members elect expressing its intention to do so until the year after which the tax increment district would have been required to terminate under s. 66.1105 (7) (am) or (ar), the school board may deposit into the capital improvement fund the percentage, not to exceed 100 percent, specified in the resolution of the school district’s portion of the positive tax increment of the tax incremental district in that year, as determined by the department of revenue under s. 66.1105 (3).

(3) The school board shall use the balance of the school district’s portion of the positive tax increment of the tax incremental district to reduce the levy that otherwise would be imposed.

(4) Money in the capital improvement fund may not be used for any purpose or be transferred to any other fund without the approval of a majority of the electorate of the school district voting on the question at a referendum.

The school board may not deposit into the capital improvement fund any amount other than the percentage specified under sub. (2).

The school board shall submit a report by January 1 of each odd−numbered year to the governor and the joint committee on finance describing the use of the moneys deposited into the fund under sub. (1) and the effects of that use.

120.137 Long−term capital improvement trust fund. (1) In this section, a “long−term capital improvement plan” is a capital improvement fund for at least a 10−year period.

(2) A school board that has approved a long−term capital improvement plan may create a long−term capital improvement trust fund for the purpose of financing the costs of the capital improvements included in the school board’s approved long−term capital improvement plan.

(3) A school board may not expend money deposited in a long−term capital improvement trust fund created under sub. (2) for a period of 5 years beginning on the date the trust fund is created.

(4) After the 5−year period described in par. (a), a school board may make expenditures from a long−term capital improvement trust fund solely for the purposes described in the school board’s approved long−term capital improvement plan and may not transfer money from a long−term capital improvement trust fund to any other school district fund.

120.14 Audit of school district accounts. In a common or union high school district:

(1) At the close of each fiscal year, the school board of each school district shall employ a licensed accountant to audit the school district accounts and certify the audit. The audit shall include the information concerning the school district’s self−insurance plan under s. 66.0137 (4m) or 120.13 (2) (b), as specified by the commissioner of insurance, and information about expenditures for community programs and services under s. 120.13 (19). If required by the state superintendent under s. 115.28 (18), the audit shall include an audit of the number of pupils reported for membership purposes under s. 121.004 (5). The cost of the audit shall be paid from school district funds. Annually by September 15, the school district clerk shall file a financial audit statement with the state superintendent.
