If the school board or annual meeting has previously required the filing of nomination papers in such a school district, the body imposing the requirement may, by similar resolution adopted not later than the last Tuesday in November preceding an election for members of the school board, rescind the requirement.

In the case of a school board of more than 3 members, elections to fill unexpired terms shall be held simultaneously with the elections for regular terms, the regular terms to be filled by the appropriate number of candidates receiving the highest number of votes and the unexpired terms to be filled by the appropriate number of candidates receiving the next highest number of votes.

14 The school district clerk shall receive the returns of each school district election, as compiled by the inspectors at each polling place of each municipality in which the school district is contained, from the municipal clerk of that municipality. The school district shall then canvass and determine the results of the election.

Nothing in ch. 62 or 120 precludes a school board from qualifying as a proper “claimant” against a city under s. 62.25. Chilton Joint School District No. 1 v. City of Chilton, 78 Wis. 2d 52, 253 N.W.2d 879 (1977).
Section 66.185 [now s. 66.0137] does not prohibit providing health insurance benefits to persons not listed in the statute if authority is granted by other statutes. Sections 120.12, 120.13, and 120.44, broadly construed as required by s. 118.001, grant broad authority that of providing insurance to persons not listed in this section. Pritchard v. Madison Metropolitan School District, 2001 WI App 62, 242 Wis. 2d 301, 625 N.W.2d 613, 00–0686.

The duties and powers under ss. 118.001, 120.12 (14), and 120.13 extend to individual teachers as employees of the school board. It would be absurd to require teachers to obtain special permission from the school board with respect to every detail of their teaching. Summer who teaches students receive additional credit, fits comfortably within the range of what is reasonable and is not unconstitutional. Larson v. Burmaster, 2006 WI App 142, 295 Wis. 2d 333, 720 N.W.2d 134, 05–1433.

Sub. Sub. (18) does not require a school board or a school district to provide alternative educational resources to a juvenile who has been expelled from school under s. 120.13 (1) (c) 1., Madison Metropolitan School District v. Circuit Court for Dane County, 2011 WI App 142, 333 Wis. 2d 342, 800 N.W.2d 142, 06–2865.

Under sub. (3), the school board of common or union high school districts have ultimate authority to determine the tax levy for operation and maintenance of the schools in the district. 79 Atty. Gen. 46.

School boards have authority to enforce policies that mandate the manner, conditions, and content of police interviews with students on school premises during school hours. Fallaw v. Hafeman, 628 F. Supp. 1478 (1985).

120.123 School and school district accountability reports. Beginning in September 2016, and annually thereafter, each school board that maintains an Internet site shall, if the school is included in the most recent accountability report published under s. 115.385, within 30 days after the date the school board publishes the accountability report, prominently link on the home page of that Internet site to the pages in that most recent accountability report concerning the school.

(a) 6. if the school board intends to solicit child care providers to submit requests to provide before- and after-school child care programs in the elementary school for which a request under par. (a) was submitted. If the school board denies a request under this paragraph, the request submitted under par. (a) shall be considered along with requests that are submitted as a result of the school board solicitation.

(c) If a school board denies a request under par. (a) or (b), the school board shall specify the reasons for denial, in writing, to the child care provider within 60 days after the date on which the request is received.

(3) (a) A request submitted to a school board under sub. (2) shall be in writing, shall name the elementary school in which the before- and after-school child care program is to be provided, and shall specify the amount of space needed, the number and ages of the pupils to be served, and the time the provider intends to operate the program. The request shall also contain all of the following assurances:

3. That the child care provider will not provide religious instruction or permit religious practices to be conducted during the before- and after-school child care program.

(b) A school board shall conditionally grant a request submitted by a child care provider if all the requirements under par. (a) are met and sub. (2) (a) 1. to 6. and (b) does not apply.

(4) If a request under sub. (3) is conditionally accepted by the school board, the school board shall enter into a written agreement with the child care provider that specifies the hours during the day in which the child care provider is to occupy the school premises and the rooms, facilities, or equipment that are to be used by the child care provider. The agreement shall also provide all of the following:

(a) Except as provided under s. 121.545 (2), that the school board is not responsible for providing transportation to or from the before- and after-school child care program.

(b) That nothing in the agreement would prohibit the school board from permitting other child care providers to provide child care services to pupils in the same building during the same time and that nothing in the agreement would prohibit the school district from providing before- and after-school child care programs in the same building and during the same time in which the child care provider provides before- and after-school child care programs.

(c) That the agreement may be terminated by the school board at the end of a school year if the school board intends to provide child care for the pupils in the elementary school or intends to solicit other child care providers to provide services during the following school year.

(d) That the school board may review and terminate the agreement at any time, with 30 days’ prior written notice to the child care provider, if any of the conditions in the agreement are violated by the child care provider.

(e) That the child care provider shall be responsible for all actual costs incurred by the school district as a result of the agreement, the costs of which shall be paid to the school district at times specified by the school board in the agreement.

(f) That the child care provider shall be liable to the school district for any damage to property in the operation of the before- and after-school child care program, that the child care provider shall hold the school district harmless from any liability, claim, or damages caused by the acts or omissions of the child care provider, and that the child care provider shall acquire adequate insurance, as determined by the school district, to be in effect beginning the first day on which the child care provider provides the before- and after-school child care program.

(g) That the child care provider shall not provide religious instruction or permit religious practices to be conducted during the before- and after-school child care program.

(h) That the child care provider shall meet the standards for licensed child care centers established by the department of children and families.

Subject to 20 USC 1415 (k), the school board shall adopt a code to govern pupils’ classroom conduct beginning in the 1999-2000 school year. The code shall be developed in consultation with a committee of school district residents that consists of parents, pupils, members of the school board, school administrators, teachers, pupil services professionals and other residents of the school district who are appointed to the committee by the school board. The code of classroom conduct may provide different standards of conduct for different schools and may provide additional placement options under s. 118.164 (3). The code shall include all of the following:

   1. A specification of what constitutes dangerous, disruptive or unruly behavior or behavior that interferes with the ability of the teacher to teach effectively under s. 118.164 (2).
   2. Any grounds in addition to those under subd. 1. for the removal of a pupil from the class under s. 118.164 (2).

   4. A procedure for notifying the parent or guardian of a minor pupil who has been removed from the class under s. 118.164 (2).

(b) 1. In addition to rule-making authority granted school boards under par. (a), the school district administrator, or any principal or teacher designated by the school district administrator, may make rules with the consent of the school board.

2. The school district administrator or any principal or teacher designated by the school district administrator may suspend a pupil for not more than 5 school days or, if a notice of expulsion hearing has been sent under par. (c) 4. or (e) 4. or s. 119.25 (2) (e), for not more than a total of 15 consecutive school days for any of the following reasons:

   a. Noncompliance with rules adopted under subd. 1. or school board rules.
   b. Knowingly conveying any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives.
   c. Conduct by the pupil while at school or while under the supervision of a school authority that endangers the property, health or safety of others.
   d. Conduct while not at school or while not under the supervision of a school authority that endangers the property, health or safety of others.
   e. Conduct while not at school or while not under the supervision of a school authority that endangers the property, health or safety of others at school or under the supervision of a school authority and that such conduct does not constitute grounds for suspension under s. 118.164 (2m).
   f. Conduct while not at school or while not under the supervision of a school authority that endangers the property, health or safety of others at school or under the supervision of a school authority and that such conduct does not constitute grounds for suspension under s. 118.164 (2m).

2. In addition to the grounds for expulsion under subd. 1., the school board may expel a pupil from school for not less than one year whenever it finds that the pupil repeatedly engaged in conduct while at school or while under the supervision of a school authority that disrupted the ability of school authorities to maintain order or an educational atmosphere at school or at an activity supervised by a school authority and that such conduct does not constitute grounds for suspension under s. 118.164 (2m), and is satisfied that the interest of the school demands the pupil’s expulsion.

3. Prior to any suspension, the pupil shall be advised of the reason for the proposed suspension. The pupil may be suspended if it is determined that the pupil is guilty of noncompliance with a school board rule or a rule adopted under subd. 1., or of the conduct charged, and that the pupil’s suspension is reasonably justified. The parent or guardian of a suspended minor pupil shall be given prompt notice of the suspension and the reason for the suspension.

The administrator, or the administrator’s designee, shall make a finding within 15 days of the conference.

The decision of the school board shall be enforced while the state superintendent reviews the decision. An appeal from the decision of the state superintendent may be taken within 30 days to the circuit court of the county in which the school is located.

2. No school board is required to enroll a pupil during the term of his or her expulsion from a public school in another state if the school board determines the conduct giving rise to the pupil’s expulsion would have been grounds for expulsion under par. (c) 1., 2., or 2m.

3. No school board is required to enroll a pupil during the term of his or her expulsion from a charter school established under s. 118.40 (2r) or (2x) if the school board determines the conduct giving rise to the pupil’s expulsion would have been grounds for expulsion under par. (c) 1., 2., or 2m. If a pupil who has been expelled from a charter school established under s. 118.40 (2x) seeks to enroll in a school district during the term of his or her expulsion, upon request of the pupil or, if the pupil is a minor, the pupil’s parent or guardian, the governing body of the charter school shall provide the school board of the school district with a copy of the expulsion findings and order, a written explanation of the reasons why the pupil was expelled, and the term of the expulsion.

(g) The school board may modify the requirement under pars. (e) 2m. and (e) 2. b. on a case-by-case basis.

(h) 1. In this paragraph:

ag. “Conditional enrollment” means enrollment of an expelled pupil in a school district other than the school district or out-of-state public school that expelled the pupil before the expiration of the term of expulsion specified in the pupil’s expulsion order issued under par. (c) 3. or (e) 3. or by the out-of-state public school.

am. “Early reinstatement” means the reinstatement to school of an expelled pupil before the expiration of the term of expulsion specified in the pupil’s expulsion order under par. (c) 3. or (e) 3.

b. “Early reinstatement condition” means a condition that a pupil is required to meet before he or she may be granted early reinstatement or a condition that a pupil is required to meet after his or her early reinstatement but before the expiration of the term of expulsion specified in the pupil’s expulsion order under par. (c) 3. or (e) 3.

c. “Enrollment condition” means a condition that a pupil is required to meet before he or she may be granted conditional enrollment or a condition that a pupil is required to meet after his or her conditional enrollment but before the expiration of the term of expulsion specified in the pupil’s expulsion order issued under par. (c) 3. or (e) 3. or by the out-of-state public school.

2. A school board, or an independent hearing panel or independent hearing officer acting under par. (e), may specify one or more early reinstatement conditions in the expulsion order under par. (c) 3. or (e) 3. if the early reinstatement conditions are related to the reasons for the pupil’s expulsion. Within 15 days after the date on which an expulsion order is issued by an independent hearing panel or independent hearing officer, the expelled pupil or, if the pupil is a minor, the pupil’s parent or guardian may appeal the determination regarding whether an early reinstatement condition specified in the expulsion order is related to the reasons for the pupil’s expulsion to the school board. The decision of a school board regarding that determination is final and not subject to appeal.

2m. A school board other than the school board or out-of-state public school that expelled a pupil may specify in a written order one or more enrollment conditions instead of or in addition to the early reinstatement conditions, if any, imposed under subd. 2. by the school board, or independent hearing panel or independent hearing officer acting under par. (e), that expelled the pupil or instead of or in addition to any conditions imposed, if any, by the out-of-state public school that expelled the pupil. Any enrollment conditions established under this subdivision shall relate to the reasons for the pupil’s expulsion and may not extend the term of expulsion specified in the expulsion order issued under par. (c) 3. or (e) 3. or by the out-of-state public school. The school district clerk of the school district other than the school district from which the pupil was expelled shall mail 2 copies of the order to the pupil or, if the pupil is a minor, to the pupil’s parent or guardian. The expelled pupil or, if the pupil is a minor, the pupil’s parent or guardian shall sign and return one copy of the order to the school board other than the school board that expelled the pupil. The decision of the school board under this subdivision regarding that determination is final and not subject to appeal.

3. If the school district administrator or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil’s school, determines that a pupil has met the early reinstatement conditions that he or she is required to meet before he or she may be granted early reinstatement, the school district administrator or designee may grant the pupil early reinstatement. The determination of the school district administrator or designee is final.

3m. If the school district administrator, or his or her designee, of a school district other than the school district or out-of-state public school from which a pupil was expelled determines that the pupil has met the enrollment conditions established in a written order under subd. 2m., the school district administrator or designee may grant the pupil conditional enrollment in a school in the school district. The determination of the school district administrator or designee under this subdivision is final.

Before revoking the pupil’s early reinstatement, the school district administrator or his or her designee shall advise the pupil of the reason for the proposed revocation, including the early reinstatement condition allegedly to have been violated, provide the pupil an opportunity to present his or her explanation of the alleged violation, and make a determination that the pupil violated the early reinstatement condition and that revocation of the pupil’s early reinstatement is appropriate. If the school district administrator or designee revokes the pupil’s early reinstatement, the school district administrator or designee shall give prompt written notice of the revocation and the reason for the revocation, including the early reinstatement condition violated, to the pupil and, if the pupil is a minor, to the pupil’s parent or guardian.

4m. If a pupil granted conditional enrollment under subd. 3m. violates an enrollment condition that the pupil was required to meet after his or her conditional enrollment but before the expiration of the term of expulsion, the school district administrator of the school district in which the pupil is enrolled, or a principal or teacher designated by the school district administrator, may revoke the pupil’s conditional enrollment. Before revoking the pupil’s conditional enrollment, the school district administrator or his or her designee shall advise the pupil of the reason for the pro-
posed revocation, including the enrollment condition alleged to have been violated, provide the pupil an opportunity to present his or her explanation of the alleged violation, and make a determination that the pupil violated the enrollment condition and that revocation of the pupil’s conditional enrollment is appropriate. If the school district administrator or designee revokes the pupil’s conditional enrollment, the school district administrator or designee shall give prompt written notice of the revocation and the reason for the revocation, including the enrollment condition violated, to the pupil and, if the pupil is a minor, to the pupil’s parent or guardian.

5. Except as provided in subd. 6., if a pupil’s early reinstatement is revoked under subd. 4., the pupil’s expulsion shall continue to the expiration of the term of the expulsion specified in the expulsion order unless the pupil or, if the pupil is a minor, the pupil’s parent or guardian and the school board, independent hearing panel or independent hearing officer agree, in writing, to modify the expulsion order.

5m. Except as provided in subd. 6m., if a pupil’s conditional enrollment is revoked under subd. 4m., the pupil’s expulsion shall continue to the expiration of the term of the expulsion specified in the expulsion order unless the pupil or, if the pupil is a minor, the pupil’s parent or guardian and the school board that expelled the pupil, or the independent hearing panel or independent hearing officer, or the out-of-state public school, agree, in writing, to modify the expulsion order.

6. If a conference is requested, it shall be held within 5 school days following the request. If, after the conference, the school district administrator or his or her designee finds that the pupil did not violate an early reinstatement condition or that the revocation was inappropriate, the pupil shall be reinstated to school under the same reinstatement conditions as in the expulsion order and the early reinstatement revocation shall be expunged from the pupil’s record. If the school district administrator or his or her designee finds that the pupil violated an early reinstatement condition and that the revocation was appropriate, he or she shall mail separate copies of the decision to the pupil and, if the pupil is a minor, to the pupil’s parent or guardian. The decision of the school district administrator or his or her designee is final.

6m. Within 5 school days after the revocation of a pupil’s conditional enrollment under subd. 4m., the pupil or, if the pupil is a minor, the pupil’s parent or guardian may request a conference with the school district administrator or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil’s school. If a conference is requested, it shall be held within 5 school days following the request. If, after the conference, the school district administrator or his or her designee finds that the pupil did not violate an enrollment condition or that the revocation was inappropriate, the pupil shall be enrolled in school under the same enrollment conditions as in the order issued under subd. 2m. and the conditional enrollment revocation shall be expunged from the pupil’s record. If the school district administrator or his or her designee finds that the pupil violated an enrollment condition and that the revocation was appropriate, he or she shall mail separate copies of the decision to the pupil and, if the pupil is a minor, to the pupil’s parent or guardian. This subsection does not affect the authority of the department of natural resources to remove a wild animal under s. 29.885 (2) (a).

A school board may issue a subpoena to compel the attendance of a witness at an expulsion hearing. Expulsion may be based partially on hearsay statements by school staff.  Due process is discussed.  Racine Unified School District v. Thompson, 168 Wis.2d 301, 525 N.W.2d 334 (Ct. App. 1995). Neither sub. (1) (c) or (e) expressly or impliedly authorizes the state superintendent to review a challenged suspension when the superintendent reviews an expulsion decision under those provisions. Madison Metropolitan School District v. DPI, 1999 Wis.2d 1, 543 N.W.2d 843 (Ct. App. 1995), 94-0199.

Section 166 in the school forest the process and providing health insurance benefits to persons not listed in the statute if authority is granted by other statutes. Sections 120.12, 120.13, and 120.44, specifically construed as required by s. 118.01, grant broad powers, including that of providing insurance to persons not listed in this section. Pritchard v. Madison Metropolitan School District, 2001 WI App 62, 242 Wis.2d 301, 625 N.W.2d 613, 00-0848.

This (intro) expresses the legislature’s intent to give school boards broader powers and wide discretion in exercising its powers, but it does not mean that the legislature had previously authorized a board to take particular actions using specified procedures, the board has the authority to follow other procedures in taking those particular actions. While school boards have powers beyond those enumerated in subs. (1) to (37), they do not have the power to violate the provisions of subs. (1) to (37). Madison Metropolitan School District v. Burmaster, 2006 WI App 17, 288 Wis.2d 771, 709 N.W.2d 73, 05-0875.

The only reasonable construction of sub. (1) (e) 5 is that, if a school district elects to have a hearing officer conduct an expulsion hearing, the district must comply with the procedures specified in that paragraph. Because sub. (1) (e) 3 provides for review by the board of a hearing officer’s decision only if the officer has ordered expulsion, the board’s authority to review the decision on the hearing officer’s decision is not to order an expulsion. Madison Metropolitan School District v. Burmaster, 2006 WI App 17, 288 Wis.2d 771, 709 N.W.2d 73, 05-0875.

Sections under and powers under ss. 118.001, 120.12 (14), and 120.13 extend to individual teachers as employees of the school board. It would be absurd to require teachers to obtain special permission from the school board with respect to every detail of their teaching. Summer hours, however, is an exception for an honors class for which students receive additional credit, fits comfortably within the range of what is reasonable and is not unconstitutional. Larson v. Burmaster, 2006 WI App 122, 295 Wis.2d 333, 720 N.W.2d 50, 04-1433.

Students may have bus riding privileges suspended without being suspended or expelled from school. However, both public and private school students must be afforded due process under sub. (1) before such a suspension can take place. 63 Atty. Gen. 526.

School boards have authority to enforce policies that mandate the manner, conditions, and content of police interviews with students on school premises during school hours. 81 Atty. Gen. 126.

Sub. (1) (f) does not allow a school board to deny enrollment to a pupil who is currently expelled either from an out-of-state public school district or from a private school. OAG 5-08.

Having established the right to an education, the state may not withdraw the right on grounds of misconduct absent fundamentally fair procedures to determine if misconduct occurred and by whose conduct the misconduct occurred, but the determination’s need not be by a hearing officer; all that is required is that the student have the opportunity to attend and present his or her case. 120.135 Capital improvement fund. (1) By July 1, 2000, by a two-thirds vote of the members elect, a school board may adopt a resolution creating a capital improvement fund for the purpose of financing the cost of acquiring and improving sites, constructing school facilities and major maintenance of or remodeling, renovating and improving school facilities if all of the following are true:

(a) A tax incremental district that is located in whole or in part in the school district is terminated before the maximum number of years that the tax incremental district would have existed under s. 66.1105 (7) (am) or (ar).

(b) The value increment of the tax incremental district exceeds $300,000,000.

(2) In each year in which the school board adopts a resolution by a two-thirds vote of the members elect expressing its intention to do so until the year after the year in which the tax incremental district would have been terminated under sub. (am) or (ar), the school board may deposit into the capital improvement fund the percentage, not to exceed 100 percent, specified in the resolution of the school district’s portion of the positive tax increment of the tax incremental district in that year, as determined by the department of revenue under s. 66.1105.

(3) The school board shall use the balance of the school district’s portion of the positive tax increment of the tax incremental district to reduce the levy that otherwise would be imposed.

(a) Money in the capital improvement fund may not be used for any purpose or be transferred to any other fund without the approval of a majority of the electors of the school district voting on the question at a referendum.

(b) The school board may not deposit into the capital improvement fund any amount under sub. (a) or (b) to reduce the levy that otherwise would be imposed.

(5) The school board shall submit a report by January 1 of each odd-numbered year to the governor and the joint committee on finance describing the use of the moneys deposited into the fund under sub. (1) and the effects of that use.

If required by the state superintendent under s. 115.28 (18), the audit shall include an audit of the number of pupils reported for membership purposes under s. 121.004 (5). The cost of the audit shall be paid from school district funds. Annually by September 15, the school district clerk shall file a financial audit statement with the state superintendent.

(3) The annual meeting may authorize and direct an audit of the school district accounts by a certified public accountant licensed or certified under ch. 442.

(4) The department shall establish by rule a standard contract and minimum standards for audits performed under this section.
