(9) The state fire marshal and his or her subordinates may at all reasonable hours in performance of their duties enter upon and examine any building or premises where any fire has occurred and other buildings or premises near the same, and seize any evidence found as a result of such examination which in the opinion of the officer finding the same may be used in any criminal action which may result from such examination or otherwise, and retain it for a reasonable time or until it becomes an exhibit in the action.

(10) The state fire marshal, deputy state fire marshals or chiefs of fire departments shall apply for and obtain special inspection warrants prior to the inspection or investigation of personal or real properties which are not public buildings or for the inspection of portions of public buildings which are not open to the public for the purpose of determining the cause, origin and circumstances of fires either upon showing that consent to entry for inspection purposes has been refused or upon showing that it is impractical to obtain the consent. Any insurer, including the state, may furnish to the state fire marshal, any deputy fire marshal, any fire chief or designee information in its possession relating to a fire loss to which insurance issued by it may apply. In the absence of fraud or malice, no insurer furnishing information under this subsection, state fire marshal, deputy fire marshal, fire chief or designee, and no person acting on behalf of the insurer, state fire marshal, deputy fire marshal, fire chief or designee, shall be liable in any civil or criminal action on account of any statement made, material furnished or action taken in regard thereto. The state fire marshal must establish proper discretionary reasons for exercising the privilege of secrecy under sub. (8). Black v. General Electric Co. Wis. 2d 1975, 187 Wis. 2d 224 (Cl. App. 1979).

Under Michigan v. Tyler, the warrantless search of an entire building on the morning after a localized fire was reasonable as it was the continuation of the prior night's investigation that had been interrupted by heat and nighttime circumstances. State v. Monosso, 103 Wis. 2d 368, 308 N.W.2d 891 (Cl. App. 1981).

Arson investigations under subs. 9 and 10 are subject to warrant requirements set forth in Michigan v. Tyler. Consent to search is discussed. 68 Atty. Gen. 227 (1979).

A burning building clearly presents an exigency rendering a warrantless entry reasonable, and fire officials need no warrant to remain in a building for a reasonable time to investigate the cause of the fire after it is extinguished. Michigan v. Tyler, 436 U.S. 499 (1978).

(c) No person who has received a notification form from a program participant may refuse to use the assigned address for the program participant, may require a program participant to disclose his or her actual address, or may intentionally disclose to another person the actual address of a program participant.

(d) Notwithstanding pars. (a), (b), and (c), a municipal clerk may require a program participant to provide his or her actual address for voter registration and voter verification purposes. A municipal clerk shall also require a program participant to disclose his or her actual address to enroll a program participant in the confidential voter program provided under s. 6.47. If a voter is enrolled in the confidential voter program under s. 6.47 the municipal clerk shall keep the program participant’s actual address confidential as provided under s. 6.47.

(e) The department may promulgate rules under sub. (6) to allow a program participant to consent to a disclosure of his or her actual address by the department or other entity with knowledge of the program participant’s actual address when necessary to qualify for certain public assistance benefits or real property transactions. Notwithstanding s. 227.24 (1) (a) and (3), the department may promulgate those rules as emergency rules without providing evidence that promulgating those rules as emergency rules is necessary to preserve the public peace, health, safety, or welfare and without a finding of emergency. Notwithstanding s. 227.24 (1) (e) 1d. and lg., the department is not required to prepare a statement of the scope of those rules or to submit those rules in final draft form to the governor for approval.

165.75 Crime laboratories. (1) In this section and ss. 165.77 to 165.81:

(a) “Department” means the department of justice.
(b) “Employee” means any person in the service of the laboratories. “Employee” does not include any division administrator.
(c) “Laboratories” means the crime laboratories.

(2) The personnel of the laboratories shall consist of such employees as are authorized under s. 20.922.

(3) (a) The purpose of the laboratories is to establish, maintain and operate crime laboratories to provide technical assistance to local law enforcement officers in the various fields of scientific investigation in the aid of law enforcement. Without limitation because of enumeration the laboratories shall maintain services and employ the necessary specialists, technical and scientific employees for the recognition and proper preservation, marking and scientific analysis of evidence material in the investigation and prosecution of crimes in such fields as firearms identification, the comparison and identification of toolmarks, chemistry, identification of questioned documents, metallurgy, comparative microscopy, instrumental detection of deception, the identification of fingerprints, toxicology, serology and forensic photography.

(b) The employees are not peace officers and have no power of arrest or to serve or execute criminal process. They shall not be appointed as deputy sheriffs and shall not be given police powers by appointment or election to any office. Employees shall not undertake the investigation of criminal conduct except upon the request of a sheriff, coroner, medical examiner, district attorney, chief of police, warden or superintendent of any state prison, attorney general or governor. The head of any state agency may request investigations but in those cases the services shall be limited to the field of health, welfare and law enforcement responsibility which has by statute been vested in the particular state agency.

(c) Upon request under par. (b), the laboratories shall collaborate fully in the complete investigation of criminal conduct within their competence in the forensic sciences including field investigation at the scene of the crime and for this purpose may equip a mobile unit or units.

(2) explicitly states that “the personnel of the laboratories shall consist of such employees as are authorized under s. 20.922.” Section 20.922 authorizes state agencies to appoint employees. The Department of Justice is the state agency of which the crime laboratories are a part. Thus the crime laboratory is not a suitable entity separate from the department. Odobga v. Wisconsin Department of Justice, 22 F. Supp. 3d 895 (2014).

(b) If the court determines that a district attorney's petition satisfies the conditions under par. (1) or, instead of appearing at the hearing, to provide a biological specimen at the office of the county sheriff before the time for which the hearing is scheduled. The hearing shall be scheduled for not less than 10 and not more than 45 days after the date the court enters the order. HISTORY:

When officers make an arrest supported by probable cause for a serious offense and bring the suspect to the station to be detained in custody, taking and analyzing a cheek swab of the arrestee’s DNA is, like fingerprinting and photographing, a legitimate police booking procedure that is reasonable under the 4th amendment. In the context of a valid arrest supported by probable cause, the arrestee’s expectations of privacy were not offended by the minor intrusion of a brief swab of his cheeks for DNA. That same context of arrest gives rise to significant state interests in identifying respondent to the extent that the proper name can be attached to his charges but also so that the criminal justice system can make informed decisions concerning pretrial custody. Upon these considerations, DNA identification of arrestees is a reasonable search that can be considered part of a routine booking procedure. Maryland v. King, 569 U.S. 433, 133 S. Ct. 1958, 186 L. Ed. 2d 1 (2013).

d. The person was adjudged guilty of a violent crime in connection with any charge for which the person was required to provide a biological specimen under s. 165.84 (7) or 970.02 (8), and all such convictions for a violent crime have been reversed, set aside, or vacated.

c. At least one year has passed since the person was taken into custody and no criminal complaint or delinquency petition alleging that the person committed a violation that would be a violent crime if committed by an adult in this state has been filed against the person in connection with the taking into custody.

(5) Any person who intentionally disseminates a specimen received under this section or any information obtained as a result of analysis or comparison under this section or from the data bank under sub. (3) in a manner not authorized under this section or the rules under sub. (8) may be fined not more than $500 or imprisoned for not more than 30 days or both.

(6) Except as necessary to administer this section or as provided under the department’s rules under sub. (8), the department shall deny access to any record kept under this section.

(7) Whenever a Wisconsin law enforcement agency or a health care professional collects evidence in a case of alleged or suspected sexual assault, the agency or professional shall follow the procedures specified in the department’s rules under sub. (8).

The laboratories shall perform, in a timely manner, deoxyribonucleic acid analysis of specimens provided by law enforcement agencies under sub. (2). The laboratories shall not include data obtained from deoxyribonucleic acid analysis of those specimens in the data bank under sub. (3).

(7m) An entry in the data bank that is found to be erroneous does not prohibit the legitimate use of the entry to further a criminal investigation or prosecution. The failure of a law enforcement agency or the laboratories to comply with this section, s. 165.76, 165.765, or 165.84, or any rules or procedures adopted to administer those sections, is not grounds for challenging the validity of the data collection, for challenging the use of the sample as provided in those sections, or for the suppression of evidence based upon or derived from any entry in the data bank.

(8) The department shall promulgate rules to administer this section.

(b) 1. The department may use the network under par. (a) to provide information regarding known or suspected criminal activity, crime prevention, and missing or endangered persons to state agencies, law enforcement officers, and members of the private sector.

2. The department shall ensure that a law enforcement agency may access the network under par. (a) to disseminate a report under s. 175.51 (1m) or (1v) to persons on the list maintained under sub. (2m) (c).

3. The department shall ensure that a law enforcement agency may access the network under par. (a) to disseminate a report under s. 175.51 (2m) to persons on the list maintained under sub. (2r).

(2) The department may charge a fee to members of the private sector who receive information under sub. (1) (b) 1. The department may not charge a fee to any person who receives information under sub. (1) (b) 2. or 3.

(2m) (a) 1. The department shall provide a form for reports of missing adults at risk under s. 175.51 (1m) and missing veterans at risk under s. 175.51 (1v) that law enforcement agencies can access through the integrated crime alert network.

2. The department shall train law enforcement officers on identifying reports of adults at risk that are appropriate for dissemination under sub. (1) (b) 2. using the form provided under subd. 1. and accessing the network to disseminate the report.

(b) The department shall work directly with persons on the list maintained under par. (c) and with government agencies, broadcasters, and public and private organizations with missions focused on adults or veterans at risk to develop criteria for law enforcement officers to use to identify reports of missing adults or veterans at risk that are appropriate to disseminate under s. 175.51 (1m) or (1v), to determine the most effective methods and guidelines for the persons on the list maintained under par. (c) to use to broadcast or make public reports of missing adults or veterans at risk, and to receive feedback on the forms provided under par. (a) 1. and on the list maintained under par. (c).

(c) The department shall maintain a list of persons that are engaged in broadcasting or outdoor advertising, that have agreed to be on the list, and that would be appropriate recipients of reports disseminated under sub. (1) (b) 2.

(2r) The department shall maintain a list of persons that can effectively broadcast or make public reports disseminated under s. 175.51 (2m). The department shall ensure that the list includes persons engaged in broadcasting or outdoor advertising.

(3) The department shall utilize only program revenue amounts credited and expended from the appropriation account under s. 20.455 (2) (gp) to develop, administer, and maintain the integrated crime alert network under sub. (1).

165.79 Evidence privileged. (1) Evidence, information and analyses of evidence obtained from law enforcement officers by the laboratories is privileged and not available to persons other than law enforcement officers nor is the defendant entitled to an inspection of information and evidence submitted to the laboratories by the state or of a laboratory’s findings, or to examine laboratory personnel as witnesses concerning the same, prior to trial, except to the extent that the same is used by the state at a preliminary hearing and except as provided in s. 971.23. Upon request of a defendant in a felony action, approved by the presiding judge, the laboratories shall conduct analyses of evidence on behalf of
the defendant. No prosecuting officer is entitled to an inspection of information and evidence submitted to the laboratories by the defendant, or of a laboratory’s findings, or to examine laboratory personnel as witnesses concerning the same, prior to trial, except to the extent that the same is used by the accused at a preliminary hearing and except as provided in s. 971.23. Employees who made examinations or analyses of evidence shall attend the criminal trial as witnesses, without subpoena, upon written notice from either party requesting the attendance.

(2) Upon the termination or cessation of the criminal proceedings, the privilege of the findings obtained by a laboratory may be waived in writing by the department and the prosecutor involved in the proceedings. The employees may then be subpoenaed in civil actions in regard to any information and analysis of evidence previously obtained in the criminal investigation, but the laboratories shall not engage in any investigation requested solely for the preparation for trial of a civil matter. Upon appearance as a witness or receipt of a subpoena or notice to prepare for trial in a civil action, or appearance either with or without subpoena, the laboratories shall be compensated by the party at whose request the appearance or preparation was made in a reasonable amount to be determined by the trial judge, which fee shall be paid into the state treasury. In fixing the compensation the court may give consideration to the time spent in obtaining and analyzing the evidence for the purposes of criminal proceedings.

Whether to grant a defendant’s request under sub. (1) that the crime lab perform tests on the defendant’s behalf is a discretionary decision. State v. Lee, 192 Wis. 2d 260, 531 N.W.2d 351 (Ct. App. 1995). But see also State v. Lee, 197 Wis. 2d 960, 542 N.W.2d 143 (1996).

Under the facts of the case, the privilege in sub. (1) did not prevent the defendant from obtaining evidence he was entitled to under s. 971.23 when he received the physical evidence that the state intended to offer at trial and a copy of the crime lab report and was granted permission to submit the evidence for testing by his own expert. The defendant was entitled to examine the crime lab analyst at trial but not at an evidentiary hearing. State v. Franszczak, 2002 WI App 141, 256 Wis. 2d 68, 647 N.W.2d 398, 01−11−393.

Cross-examination of a highly qualified witness who is familiar with the procedures used in performing the tests whose results are offered as evidence, who supervises or reviews the work of the testing analysts, and who renders his or her own expert opinion is sufficient to protect a defendant’s right to confrontation, despite the fact that the expert was not the person who performed the mechanics of the original tests. State v. Williams, 2002 WI 58, 253 Wis. 2d 99, 644 N.W.2d 919, 00−10−3065.

Under Crawford, 541 U.S. 36, analysts’ affidavits that certified that evidence was in fact cocaine were testimonial statements, and the analysts were “witnesses” for purposes of the 6th amendment confrontation clause. Absent a showing that the analysts were unavailable to testify at trial and that petitioner had a prior opportunity to cross-examine them, petitioner was entitled to be confronted with the analysts at trial. Melendez−Díaz v. Massachusetts, 557 U.S. 305, 174 L. Ed. 2d 314, 129 S. Ct. 2527 (2009).

Cooperation with other state departments. For the purpose of coordinating the work of the crime laboratories with the research departments located in the University of Wisconsin, the attorney general and the University of Wisconsin may agree for the use of university laboratories and university physical facilities and the exchange and utilization of personnel between the crime laboratories and the university.

History: 1985 a. 29; 1997 a. 27.

Disposal of evidence. (1) Whenever the department is informed by the submitting officer or agency that physical evidence in the possession of the laboratories is no longer needed the department may, except as provided in sub. (3) or unless otherwise provided by law, destroy the evidence, retain it in the laboratories, return it to the submitting officer or agency, or turn it over to the University of Wisconsin upon the request of the head of any department of the University of Wisconsin. If the department returns the evidence to the submitting officer or agency, any action taken by the officer or agency with respect to the evidence shall be in accordance with s. 968.20. Except as provided in sub. (3), whenever the department receives information from which it appears probable that the evidence is no longer needed, the department may give written notice to the submitting agency and the appropriate district attorney, by registered mail, of the intention to dispose of the evidence. If no objection is received within 20 days after the notice was mailed, it may dispose of the evidence.

(2) Any electric weapon, as defined in s. 941.295 (1c) (a), in the possession of the laboratories shall either be destroyed or be turned over to an agency authorized to have electric weapons under s. 941.295 (2).

(3) (a) In this subsection:

1. “Custody” has the meaning given in s. 968.205 (1) (a).

2. “Discharge date” has the meaning given in s. 968.205 (1) (b).

(b) Except as provided in par. (c), if physical evidence that is in the possession of the laboratories includes any biological material that was collected in connection with a criminal investigation that resulted in a criminal conviction, a delinquency adjudication, or commitment under s. 971.17 or 980.06 and the biological material is from a victim of the offense that was the subject of the criminal investigation or may reasonably be used to incriminate or exculpate any person for the offense, the laboratories shall preserve the physical evidence until every person in custody as a result of the conviction, adjudication, or commitment has reached his or her discharge date.

The laboratories shall retain evidence to which par. (b) applies in an amount and manner sufficient to develop a deoxyribonucleic acid profile, as defined in s. 939.74 (2d) (a), from the biological material contained in or included on the evidence.

(c) Subject to par. (e), the department may destroy evidence that includes biological material before the expiration of the time period specified in par. (b) if all of the following apply:

1. The department sends a notice of its intent to destroy the evidence to all persons who remain in custody as a result of the criminal conviction, delinquency adjudication, or commitment, and to either the attorney of record for each person in custody or the state public defender.

2. No person who is notified under subd. 1. does either of the following within 90 days after the date on which the person received the notice:

a. Files a motion for testing of the evidence under s. 974.07 (2).

b. Submits a written request for retention of the evidence to the department.

3. No other provision of federal or state law requires the department to retain the evidence.

(d) A notice provided under par. (c) 1. shall clearly inform the recipient that the evidence will be destroyed unless, within 90 days after the date on which the person receives the notice, either a motion for testing of the evidence is filed under s. 974.07 (2) or a written request for retention of the evidence is submitted to the department.

(e) If, after providing notice under par. (c) 1. of its intent to destroy evidence, the department receives a written request for retention of the evidence, the department shall retain the evidence until the discharge date of the person who made the request or on whose behalf the request was made, subject to a court order issued under s. 974.07 (7) (a) (a), or (10) (a) 5., unless the court orders destruction or transfer of the evidence under s. 974.07 (9) (b) or (10) (a) 5.

(f) Unless otherwise provided in a court order issued under s. 974.07 (9) (a) or (b) or (10) (a) 5., nothing in this subsection prohibits the laboratories from returning evidence that must be preserved under par. (b) or (e) to the agency that submitted the evidence to the laboratories. If the laboratories return evidence that must be preserved under par. (b) or (e) to a submitting agency, any action taken by the agency with respect to the evidence shall be in accordance with s. 968.205.

165.82 Criminal history search fee. (1) Notwithstanding s. 19.35 (3), the department of justice shall impose the following fees, plus any surcharge required under sub. (1m), for criminal history searches for purposes unrelated to criminal justice or to s. 175.35, 175.49, or 175.60:

   (am) For each record check, except a fingerprint card record check, $7.

The department of justice shall administer a transaction information for the management of enforcement system to provide access to information concerning law enforcement. The department of justice may impose fees on law enforcement agencies and tribal law enforcement agencies, as defined in s. 165.83 (1) (e), for rentals, use of terminals and related costs and services associated with the system. All moneys collected under this section shall be credited to the appropriation account under s. 20.455 (2) (h).

Access to these photographs shall be available electronically if the law enforcement agency submits an electronic request bearing an electronic certification or other indicator of authenticity.
