(2) **PROTECT TRUST FUNDS.** Examine all applications for loans from any of the trust funds, and furnish to the commissioners of public lands his or her opinion in writing as to the regularity of each such application, and also of the validity of any bonds or other securities purchased for the benefit of such funds.

(3) **CERTIFY BONDS.** Examine a certified copy of all proceedings preliminary to any issue of state bonds or notes, and, if found regular and valid, endorse on each bond or note his or her certificate of such examination and validity. The attorney general shall also make similar examinations and certificates respecting municipal bonds in the cases specified in s. 67.025.

(4) **KEEP STATEMENT OF FEES.** Keep a detailed statement of all fees, including his or her fees as commissioner of public lands, received by him or her during the preceding year, and file such statement with the department of administration on or before June 30 in each year.

(5) **REPORT TO LEGISLATURE.** Upon request of the legislature or either house thereof, submit a report upon any matters pertaining to the duties of his or her office to the chief clerk of each house of the legislature, for distribution to the legislature under s. 13.172 (2).

(6) **PERFORM OTHER DUTIES.** Perform all other duties imposed upon the attorney general by law.

**History:** 1971 c. 40 s. 93; 1971 c. 125; 1983 a. 36 s. 96 (2); 1987 a. 186; 1993 a. 482.

The attorney general, absent a specific legislative grant of power, is devoid of the inherent power to initiate and prosecute litigation intended to protect or promote the interests of the state or its citizens and cannot act for the state as *parens patriae*. *Flatley v. State*, 63 Wis. 2d 254, 217 N.W.2d 258 (1974).

The attorney general does not have authority to challenge the constitutionality of statutes. Any authority the attorney general has is found in the statutes. The attorney general's constitutional powers and statutory powers are one and the same. *State v. City of Oak Creek*, 2000 WI 9, 232 Wis. 2d 612, 605 N.W.2d 526, 97-2188.

The Powers of the Attorney General in Wisconsin. Van Alstyne & Roberts. 1974 WLR 721.

**165.017 Review of certain detentions or petitions for commitment.** (2) The attorney general or his or her designee shall review and approve or disapprove all proposed petitions for commitment of individuals as specified under s. 51.20 (1) (ad) 1.

(4) Subsection (2) does not apply if the attorney general makes a finding that a court of competent jurisdiction in this state, in a case in which the constitutionality of s. 51.20 (1) (a) 2. e. has been challenged, has upheld the constitutionality of s. 51.20 (1) (a) 2. e.

**History:** 1995 a. 292; 2001 a. 16.

**165.02 Federal appropriations adjustments.** (1) In this section, "the schedule" means the schedule under s. 20.005 (3) as published in the biennial budget act for the first fiscal year of a fiscal biennium and as approved by the joint committee on fi-

nance under s. 20.004 (2) for the 2nd fiscal year of a fiscal biennium.

(2) (a) Subject to par. (b), annually by December 1 or within 30 days after the applicable federal appropriation bill for that federal fiscal year has been enacted, whichever is later, the attorney general shall submit to the joint committee on finance a plan identifying how the attorney general proposes to adjust the federal appropriations for the department of justice for that state fiscal year to reflect the most recent estimate of the amount of federal funds that the department of justice will be appropriated in that state fiscal year.

(b) The attorney general is required to submit a plan under par. (a) only if the most recent estimate of the amount of federal funds that the department of justice will be appropriated under s. 20.455 in the current state fiscal year is less than 95 percent or more than 105 percent of the amount of federal revenue shown in the schedule for the appropriations under s. 20.455 in that fiscal year.

(3) After receiving a plan under sub. (2) (a), the cochairpersons of the joint committee on finance jointly shall determine whether the plan is complete. If the joint committee on finance meets and either approves or modifies and approves a plan submitted under sub. (2) (a) within 14 days after the cochairpersons determine that the plan is complete, the attorney general shall implement the plan as approved by the committee. If the joint committee on finance does not meet and either approve or modify and approve a plan submitted under sub. (2) (a) within 14 days after the cochairpersons determine that the plan is complete, the attorney general shall implement the proposed plan.

**History:** 1997 a. 86.

**165.055 Appointments.** (1) The attorney general may appoint a deputy attorney general and assistants each of whom shall be an attorney at law admitted to practice in this state. Such appointments shall be made in writing and filed in the office of the secretary of state, and such appointees shall take and subscribe the constitutional oath of office which shall also be filed. Appointees shall perform such duties as the attorney general prescribes.

(2) The attorney general shall be responsible for all acts of the deputy attorney general.

(4) The attorney general shall appoint, in the unclassified service, the administrator of the legal services division subject to s. 230.08 (4) (a).

**History:** 1973 c. 90; 1975 c. 39; 1977 c. 29, 44, 418; 1987 a. 27; 1993 a. 482; 2001 a. 16; 2015 a. 55; 2017 a. 59, 369.

**165.065 Assistant attorneys general; antitrust.** (1) At least one assistant attorney general shall be assigned to the investigation and prosecution of violations arising under ch. 133 and shall carry out the duties imposed on the attorney general by ch. 133. All apparent violations of ch. 133 which come to the attention of any officer or agency of state government shall be reported to one of such assistant attorneys general. All officers and agencies shall cooperate with and assist the department of justice in the investigation and prosecution of such apparent violations.

(2) The assistant attorney general in charge of antitrust investigations and prosecutions is to cooperate actively with the antitrust division of the U.S. department of justice in everything that concerns monopolistic practices in Wisconsin, and also to cooperate actively with the department of agriculture, trade and consumer protection in the work which this agency is carrying on under s. 100.20 of the marketing law with regard to monopolistic practices in the field of agriculture and with the federal trade commission on matters arising in or affecting Wisconsin which pertain to its jurisdiction.

**History:** 1977 c. 29 s. 1650m (4); 1977 c. 260; s. 35.17 correction in (title).

**165.066 Assistant attorney general; unemployment insurance law enforcement.** The attorney general shall assign at least 0.5 assistant attorney general position to assist in the investigation and prosecution of noncompliance with ch. 108.

**History:** 2005 a. 86.

**165.08 Power to compromise.** (1) Any civil action prosecuted by the department by direction of any officer, department, board, or commission, or any civil action prosecuted by the department on the initiative of the attorney general, or at the request of any individual may be compromised or discontinued with the approval of an intervenor under s. 803.09 (2m) or, if there is no intervenor, by submission of a proposed plan to the joint committee on finance for the approval of the committee. The compromise or discontinuance may occur only if the joint committee on finance approves the proposed plan. No proposed plan may be submitted to the joint committee on finance if the plan concedes the unconstitutionality or other invalidity of a statute, facially or as applied, or concedes that a statute violates or is preempted by federal law, without the approval of the joint committee on legislative organization.

(2) In any criminal action prosecuted by the attorney general, the department shall have the same powers with reference to such action as are vested in district attorneys.

**History:** 2007 a. 20; 2015 a. 55; 2017 a. 369.

Certain institutional interests of the legislature were sufficient to defeat a facial challenge to the provisions of this section authorizing legislative intervention in certain cases and those requiring legislative consent to defend and prosecute certain cases. Service Employees International Union (SEIU), Local 1 v. Vos, 2020 WI 67, 393 Wis. 2d 38, 946 N.W.2d 35, 19-0614.

The act of filing a lawsuit with a simultaneous proposed consent decree constitutes the commencement, prosecution, and compromise of a civil action. Therefore, sub. (1) requires, as a condition precedent to settlement, that the attorney general obtain approval of the Joint Committee on Finance for civil enforcement negotiations that the Department of Justice decides to file in civil court seeking judicially signed consent decrees. Wisconsin State Legislature v. Kaul, 2025 WI App 2, 414 Wis. 2d 633, 17 N.W.3d 24, 22-0431.

Certain institutional interests of the legislature were sufficient to defeat a hybrid challenge to the provisions of this section authorizing legislative oversight in the settlement of certain cases. Kaul v. Wisconsin State Legislature, 2025 WI App 3, 414 Wis. 2d 686, 17 N.W.3d 281, 22-0790.

**165.09 Removal of barriers to trade or movement of dairy products.** The attorney general may take such action as he or she deems necessary in order to contest or oppose existing statutes, ordinances, regulations, orders or other trade barriers which may restrict the sale in other states of milk or other dairy products produced in Wisconsin; study and investigate problems concerning the free movement of milk and other dairy products in interstate commerce and present the results thereof to such legislative and executive agencies of the federal government and the several states, such studies, investigations and presentations to executive and legislative agencies to be made either individually or jointly with others.

**History:** 1993 a. 482.

**165.10 Deposit of settlement funds.** The attorney general shall deposit all settlement funds into the general fund.

**History:** 2017 a. 59, 369.

A plain reading of ss. 20.906 (1) and 25.20 establishes that, because the legislature has not "specifically designated" in this section any fund account other than the general fund, all settlement funds must be deposited into the general purpose revenue fund. The lack of a mention of s. 20.455 (1) (gh) or other accounts into which the settlement funds should be credited is very telling. There is no triggering language to allow separate crediting of the settlement funds. Wisconsin State Legislature v. Kaul, 2025 WI App 2, 414 Wis. 2d 633, 17 N.W.3d 24, 22-0431.

**165.12 Opioid settlement.** (1) **DEFINITION.** In this section, "opiate litigation" means the proceedings titled In re: National Prescription Opiate Litigation, Case No.: MDL 2804 and any proceeding filed in a circuit court in this state containing allegations and seeking relief that is substantially similar to allegations contained and relief sought in Case No.: MDL 2804.

(2) **SETTLEMENT PROCEEDS.** The attorney general shall coop-

erate with local governments in the state that are parties in the opiate litigation in entering into a joint settlement agreement of the legal or equitable claims of the state, subject to sub. (7), and the claims of local governments regarding opioids with any person that has engaged in the manufacture, marketing, promotion, distribution, or dispensing of an opioid product, including any person named as a defendant in the opiate litigation, if all of the following are satisfied:

(a) The joint committee on finance approves the proposed settlement agreement under the procedure under s. 165.08 (1).

(b) The settlement agreement or any document that effectuates the settlement identifies 30 percent of the settlement proceeds as payable to the state.

(c) The settlement agreement or any document that effectuates the settlement identifies 70 percent of the settlement proceeds as payable to local governments in the state that are parties in the opiate litigation.

**(3) MONEYS PAYABLE TO THE STATE.** (a) Moneys payable to the state under sub. (2) (b) shall be allocated to the department of health services for expenditure for purposes that comply with any settlement agreement or order of the court. In order to expend moneys payable to the state under sub. (2) (b), the department of health services shall submit by April 1 of each year until the moneys are expended to the joint committee on finance a proposal of expenditure for the next fiscal year. If the cochairpersons of the joint committee on finance do not notify the department within 14 working days after the date of the submittal under this paragraph that the committee has scheduled a meeting for the purpose of reviewing the expenditure proposal, the department may expend the moneys as described in the proposal. If, within 14 working days after the date of the submittal under this paragraph by the department, the cochairpersons of the committee notify the department that the committee has scheduled a meeting for the purpose of reviewing the expenditure proposal, the department may expend the moneys only upon approval by the committee.

(b) If the department of health services seeks to deviate from the expenditure proposal during the fiscal year for which the expenditure proposal approved under par. (a) applies, the department shall submit to the joint committee on finance a proposal for the deviation. The joint committee on finance shall review the expenditure proposal using the procedure described in par. (a).

**(4) MONEYS PAYABLE TO LOCAL GOVERNMENTS.** (a) No money paid or payable to the local governments under sub. (2) (c) may be considered moneys of the state. Moneys under sub. (2) (c) may be paid directly only to local governments that are parties in the opiate litigation.

(b) A local government that receives moneys payable to a local government under sub. (2) (c) shall deposit the moneys in a segregated account that is subject to all of the following:

1. Moneys in the segregated account are considered moneys of the local government under s. 66.0603 (1m) and may not be commingled with any other moneys of the local government.

2. A local government may expend moneys of the segregated account solely for purposes identified as approved uses for abatement in the settlement agreement or by court order, subject to sub. (6).

3. A local government may not use moneys from the segregated account to substitute for budgeted moneys from the other sources.

4. A local government may allocate moneys from the segregated account to any other political subdivision in the state if there is an agreement requiring the other political subdivision to expend the moneys for the purposes described in subd. 2.

5. Local governments may combine moneys from their seg-

regated accounts if each local government conforms to the reporting requirement under par. (c).

6. A local government shall include the segregated account in the local government's typical audit process.

(c) By May 1 annually, a local government that receives moneys under sub. (2) (c) shall submit a report to the department of justice and joint committee on finance that includes all of the following:

1. The amount of money in the local government's segregated account described under par. (b) as of December 31 of the previous year.

2. An accounting of the receipts and disbursements from the segregated account described under par. (b) in the previous year.

**(5) SALE OF INTEREST IN PROCEEDS.** (a) Subject to par. (c), a local government may sell for cash or other consideration the right to receive any payment under a settlement agreement and this section if the proceeds of the sale are deposited in the segregated account described under sub. (4) (b).

(b) A local government may pledge, grant a lien on, or grant a security interest in payments to effectuate a sale under this subsection. Obligations issued under this subsection are governmental obligations that are issued for a public purpose but are not considered debt of the local government and are not calculated for the purposes of any constitutional or statutory debt limitation.

(c) Any sale by a local government that is authorized under this subsection shall be approved by a majority vote of the governing body of the local government that is selling the payments. The governing body's approval of the sale under this paragraph is considered conclusive as to the adequacy of the consideration for the sale.

(d) The limitations and provisions of s. 893.77 apply to any obligations issued under this subsection. This subsection is an alternative procedure to the procedures under ch. 67.

**(6) RESPONSIBILITIES FOR ATTORNEY FEES.** If a separate fund created in a settlement agreement for the opiate litigation is insufficient to pay the entire amount of attorney fees and expenses owed by local governments, a local government may use a portion of the amounts payable to local governments under sub. (2) (c) to supplement amounts owed by the local government for attorney fees and expenses. The state has no responsibility for payment of a local government's attorney fees or expenses, and those local government attorney fees or expenses may not be paid from the amounts payable to the state under sub. (2) (b).

**(7) CLAIMS BY NONPARTIES TO OPIATE LITIGATION.** (a) Nothing in this section shall alter any local government's right to pursue, litigate, or resolve a lawsuit or claim as a party to the opiate litigation or a related proceeding if the lawsuit or claim was pending as of June 1, 2021.

(b) A political subdivision of the state, or an officer or agent of any political subdivision of the state, that was not a party as of June 1, 2021, to the opiate litigation may not do any of the following:

1. Maintain a claim to proceeds of any settlement agreement that is described under sub. (2).

2. Maintain any claim or commence any action related to opioids against a person that is identified as a party defendant in the opiate litigation that would be released in a settlement agreement if the political subdivision, officer, or agent was a party to a settlement agreement that is described under sub. (2).

**History:** 2021 a. 57; 2021 a. 240 s. 30.

**165.25 Duties of department of justice.** The department of justice shall:

**(1) REPRESENT STATE IN APPEALS AND ON REMAND.** Except as provided in ss. 5.05 (2m) (a), 19.49 (2) (a), and 978.05 (5), ap-

pear for the state and prosecute or defend all actions and proceedings, civil or criminal, in the court of appeals and the supreme court, in which the state is interested or a party, and attend to and prosecute or defend all civil cases sent or remanded to any circuit court in which the state is a party. The joint committee on legislative organization may intervene as permitted under s. 803.09 (2m) at any time. Nothing in this subsection deprives or relieves the attorney general or the department of justice of any authority or duty under this chapter.

**(1m) REPRESENT STATE IN OTHER MATTERS.** If requested by the governor or either house of the legislature, appear for and represent the state, any state department, agency, official, employee or agent, whether required to appear as a party or witness in any civil or criminal matter, and prosecute or defend in any court or before any officer, any cause or matter, civil or criminal, in which the state or the people of this state may be interested. All expenses of the proceedings shall be paid from the appropriation under s. 20.455 (1) (d).

**(2) PROSECUTE BREACHES OF BONDS AND CONTRACTS.** Prosecute, at the request of the governor, or of the head of any department of the state government any official bond or any contract in which the state is interested, deposited with any of them, upon a breach thereof, and prosecute or defend for the state all actions, civil or criminal, relating to any matter connected with any of their departments except in those cases where other provision is made.

**(3) ADVISE DISTRICT ATTORNEYS.** Consult and advise with the district attorneys when requested by them in all matters pertaining to the duties of their office.

**(3m) REVIEW OBSCENITY CASES.** Review obscenity cases submitted to the department by district attorneys under s. 944.21 (7). The attorney general shall determine whether a prosecution may be commenced.

**(3r) AVOID CONFLICT OF INTEREST.** Require that attorneys in different organizational subunits in the department prosecute violations of chs. 562 to 569 or Indian gaming compacts entered into under s. 14.035 and defend any department, agency, official, employee or agent under subs. (1), (1m), (4) (a) and (6).

**(4) FURNISH LEGAL SERVICES; APPROPRIATION.** (a) The department of justice shall furnish all legal services required by the investment board, the lottery division in the department of revenue, the public service commission, the department of transportation, the department of natural resources, the department of tourism and the department of employee trust funds, together with any other services, including stenographic and investigational, as are necessarily connected with the legal work.

(ag) The department of justice shall furnish legal services upon request of the department of safety and professional services under s. 167.35 (7).

(am) The department of justice shall furnish legal services to the department of safety and professional services in all proceedings under s. 440.21 (3), together with any other services, including stenographic and investigational, as are necessarily connected with the legal services.

(ar) The department of justice shall furnish all legal services required by the department of agriculture, trade and consumer protection relating to the enforcement of ss. 91.68, 93.73, 100.171, 100.173, 100.174, 100.175, 100.177, 100.18, 100.182, 100.195, 100.20, 100.205, 100.207, 100.209, 100.21, 100.28, 100.37, 100.42, 100.50, 100.51, 100.55, and 846.45 and chs. 126, 136, 344, 704, 707, and 779, together with any other services as are necessarily connected to the legal services.

(as) The department of justice shall furnish legal services to the livestock facility siting review board in defending appeals under s. 93.90 (5) (e) of decisions of the board.

(b) The department of justice shall furnish bond counsel services to the building commission when the building commission contracts public debt under subch. I of ch. 18.

(bn) The department of justice shall provide legal services, other than those relating to civil actions or opinions, under ch. 150 to the department of health services.

(c) The department shall at the end of each fiscal year, except for programs financed out of the general fund and except for services required to be provided by statute other than this subsection, render to the respective agencies enumerated in this subsection an itemized statement of the total cost of the legal and other services including travel expenses and legal expenses enumerated in s. 20.455 (1) (d).

(d) Upon receipt of the statement, the respective agency head shall audit the statement and upon finding it to be correct shall certify the amount of the statement to the department of administration to be paid into the general fund out of the agency's proper appropriation.

**(5) PREPARE FORMS.** Whenever requested by the head of any department of the state government, the department of justice shall prepare proper drafts of forms for contracts and other writings which may be wanted for the use of the state.

**(6) ATTORNEY FOR STATE.** (a) 1. At the request of the head of any department of state government, the attorney general may appear for and defend any state department, or any state officer, employee, or agent of the department in any civil action or other matter brought before a court or an administrative agency which is brought against the state department, or officer, employee, or agent for or on account of any act growing out of or committed in the lawful course of an officer's, employee's, or agent's duties. Witness fees or other expenses determined by the attorney general to be reasonable and necessary to the defense in the action or proceeding shall be paid as provided for in s. 885.07. The attorney general may compromise and settle the action as the attorney general determines to be in the best interest of the state except that, if the action is for injunctive relief or there is a proposed consent decree, the attorney general may not compromise or settle the action without the approval of an intervenor under s. 803.09 (2m) or, if there is no intervenor, without first submitting a proposed plan to the joint committee on finance. If, within 14 working days after the plan is submitted, the cochairpersons of the committee notify the attorney general that the committee has scheduled a meeting for the purpose of reviewing the proposed plan, the attorney general may compromise or settle the action only with the approval of the committee. The attorney general may not submit a proposed plan to the joint committee on finance under this subdivision in which the plan concedes the unconstitutionality or other invalidity of a statute, facially or as applied, or concedes that a statute violates or is preempted by federal law, without the approval of the joint committee on legislative organization.

2. Members, officers, and employees of the Wisconsin state agencies building corporation and the Wisconsin state public building corporation are covered by this section. Members of the board of governors created under s. 619.04 (3), members of a committee or subcommittee of that board of governors, members of the injured patients and families compensation fund peer review council created under s. 655.275 (2), and persons consulting with that council under s. 655.275 (5) (b) are covered by this section with respect to actions, claims, or other matters arising before, on, or after April 25, 1990. The attorney general may compromise and settle claims asserted before such actions or matters

formally are brought or may delegate such authority to the department of administration. This paragraph may not be construed as a consent to sue the state or any department thereof or as a waiver of state sovereign immunity.

(b) Volunteer health care providers who provide services under s. 146.89, except those described in s. 146.89 (5) (a), practitioners who provide services under s. 257.03, and health care facilities on whose behalf services are provided under s. 257.03 are, for the provision of those services, covered by this section and shall be considered agents of the department of health services for purposes of determining which agency head may request the attorney general to appear and defend them.

(e) The department of justice may appear for and defend the state or any state department, agency, official or employee in any civil action arising out of or relating to the assessment or collection of costs concerning environmental cleanup or natural resources damages including actions brought under 42 USC 9607. The action may be compromised and settled in the same manner as provided in par. (a). At the request of the department of natural resources, the department of justice may provide legal representation to the state or to the department of natural resources in the same matter in which the department of justice provides defense counsel, if the attorneys representing those interests are assigned from different organizational units within the department of justice. 2. The department may disclose a program participant's actual address to a law enforcement officer for official purposes.

**(5) USE OF ASSIGNED ADDRESS; CONFIDENTIALITY.** (a) A program participant may use the assigned address provided to him or her under sub. (4) for all purposes.

(e) The department may promulgate rules under sub. A person who discloses information under this paragraph shall include a notice that the information is confidential, and disclosure of the information to any 3rd party will be subject to the penalty under sub. 2. If the department receives service of process, notice, or demand required or permitted by law to be served on a limited liability company under subd. 1., the department shall forward the process, notice, or demand to the program participant's actual address.

**(6) RULES.** The department shall promulgate rules regarding administration of the program established under this section and regarding the retention and destruction of applications, records, and other documents received or generated under this section. The department may use the emergency rule procedures under s. 227.24 to promulgate the rules required under this subsection. Notwithstanding s. 227.24 (1) (a) and (3), the department may promulgate those rules as emergency rules without providing evidence that promulgating those rules as emergency rules is necessary to preserve the public peace, health, safety, or welfare and without a finding of emergency. - (bt) “Juvenile detention officer” has the meaning given in s. 165.85 (2) (bt).
- (c) “Law enforcement agency” has the meaning given in s. 165.83 (1) (b).
- (d) “Law enforcement officer” has the meaning given in s. 165.85 (2) (c).

(2) **HOTLINE.** The department of justice shall maintain a single toll-free telephone number during normal retail business hours, as determined by departmental rule, for all of the following:

- (a) For persons to anonymously provide tips regarding suspected controlled substances violations.
- (b) For pharmacists to report suspected controlled substances violations.

(3) **REWARD PAYMENT PROGRAM.** The department shall administer a reward payment program. Under the program, the department may offer and pay rewards from the appropriation under

s. 20.455 (2) (m) for information under sub. (2) (a) leading to the arrest and conviction of a person for a violation of ch. 961.

(4) **PAYMENT LIMITATIONS.** A reward under sub. (3) may not exceed \$1,000 for the arrest and conviction of any one person. The department may not make any reward payment to a law enforcement officer, jail officer, juvenile detention officer, pharmacist, or department employee.

(5) **DEPARTMENT AUTHORITY.** If a reward is claimed, the department shall make the final determination regarding any payment. The department may pay portions of a reward to 2 or more persons. The payment of a reward is not subject to a contested case proceeding under ch. 227. The offer of a reward under sub. (3) does not create any liability on the department or the state.

(7) **PUBLICITY.** The department shall cooperate with the department of public instruction in publicizing, in public schools, the use of the toll-free telephone number under sub. (2).

**History:** 1989 a. 122, 336; 1993 a. 16, 460; 1995 a. 27 ss. 4456, 4457, 9145 (1); 1995 a. 448; 1997 a. 27; 2001 a. 16; 2003 a. 33; 2007 a. 20, 97.

**165.75 Crime laboratories.** (1) In this section and ss. 165.77 to 165.81:

- (a) “Department” means the department of justice.
- (b) “Employee” means any person in the service of the laboratories.
- (c) “Laboratories” means the crime laboratories.

(2) The personnel of the laboratories shall consist of such employees as are authorized under s. 20.922.

(3) (a) The purpose of the laboratories is to establish, maintain and operate crime laboratories to provide technical assistance to local law enforcement officers in the various fields of scientific investigation in the aid of law enforcement. Without limitation because of enumeration the laboratories shall maintain services and employ the necessary specialists, technical and scientific employees for the recognition and proper preservation, marking and scientific analysis of evidence material in the investigation and prosecution of crimes in such fields as firearms identification, the comparison and identification of toolmarks, chemistry, identification of questioned documents, metallurgy, comparative microscopy, instrumental detection of deception, the identification of fingerprints, toxicology, serology and forensic photography.

(b) The employees are not peace officers and have no power of arrest or to serve or execute criminal process. They shall not be appointed as deputy sheriffs and shall not be given police powers by appointment or election to any office. Employees shall not undertake investigation of criminal conduct except upon the request of a sheriff, coroner, medical examiner, district attorney, chief of police, warden or superintendent of any state prison, attorney general or governor. The head of any state agency may request investigations but in those cases the services shall be limited to the field of health, welfare and law enforcement responsibility which has by statute been vested in the particular state agency.

(c) Upon request under par. (b), the laboratories shall collaborate fully in the complete investigation of criminal conduct within their competence in the forensic sciences including field investigation at the scene of the crime and for this purpose may equip a mobile unit or units.

(d) The services of the laboratories available to such officer shall include appearances in court as expert witnesses.

(e) The department may decline to provide laboratory service in any case not involving a potential charge of felony.

(f) The services of the laboratories may be provided in civil

cases in which the state or any department, bureau, agency or officer of the state is a party in an official capacity, when requested to do so by the attorney general.

(g) Deoxyribonucleic acid testing ordered under s. 974.07 shall have priority, consistent with the right of a defendant or the state to a speedy trial and consistent with the right of a victim to the prompt disposition of a case.

(4) The operation of the laboratories shall conform to the rules and policies established by the attorney general.

(5) Except as provided in s. 20.001 (5), all moneys received as restitution payments reimbursing the department for moneys expended by the laboratories shall be deposited as general purpose revenue — earned.

**History:** 1973 c. 272; 1977 c. 260; 1981 c. 314; 1983 a. 189; 1985 a. 29 ss. 2000 to 2006, 3200 (35); 1987 a. 27; 1989 a. 65; 1991 a. 39; 1993 a. 16; 2005 a. 60; 2013 a. 20; 2023 a. 260.

Sub. (1) (b) refers to employees as persons in the service of the laboratories. However, sub. (2) explicitly states that “the personnel of the laboratories shall consist of such employees as are authorized under s. 20.922.” Section 20.922 authorizes state agencies to appoint employees. The Department of Justice is the state agency of which the crime laboratories are a part. Thus the crime laboratory is not a suable entity separate from the department. *Odogba v. Department of Justice*, 22 F. Supp. 3d 895 (2014).

### 165.755 Crime laboratories and drug law enforcement surcharge. (1)

(a) Except as provided in par. (b), a court shall impose under ch. 814 a crime laboratories and drug law enforcement surcharge of \$13 if the court imposes a sentence, places a person on probation, or imposes a forfeiture for a violation of state law or for a violation of a municipal or county ordinance.

(b) A court may not impose the crime laboratories and drug law enforcement surcharge under par. (a) for a violation of s. 101.123 (2) or (2m), for a financial responsibility violation under s. 344.62 (2), or for a violation of a state law or municipal or county ordinance involving a nonmoving traffic violation, a violation under s. 343.51 (1m) (b), or a safety belt use violation under s. 347.48 (2m).

(2) If the court under sub. (1) (a) imposes a sentence or forfeiture for multiple offenses or places a person on probation for multiple offenses, a separate crime laboratories and drug law enforcement surcharge shall be imposed under ch. 814 for each separate offense.

(3) Except as provided in sub. (4), after the court determines the amount due under sub. (1) (a), the clerk of the court shall collect and transmit the amount to the county treasurer under s. 59.40 (2) (m). The county treasurer shall then make payment to the secretary of administration under s. 59.25 (3) (f) 2.

(4) If a municipal court imposes a forfeiture, after determining the amount due under sub. (1) (a) the court shall collect and transmit such amount to the treasurer of the county, city, town, or village, and that treasurer shall make payment to the secretary of administration as provided in s. 66.0114 (1) (bm).

(5) If any deposit of bail is made for a noncriminal offense to which sub. (1) (a) applies, the person making the deposit shall also deposit a sufficient amount to include the surcharge under sub. (1) (a) for forfeited bail. If bail is forfeited, the amount of the surcharge under sub. (1) (a) shall be transmitted monthly to the secretary of administration under this section. If bail is returned, the surcharge shall also be returned.

(6) If an inmate in a state prison or a person sentenced to a state prison has not paid the crime laboratories and drug law enforcement surcharge under sub. (1) (a), the department shall assess and collect the amount owed from the inmate’s wages or other moneys. Any amount collected shall be transmitted to the secretary of administration.

(7) All moneys collected from crime laboratories and drug law enforcement surcharges under this section shall be deposited by the secretary of administration and used as specified in ss. 20.455 (2) (jb), (kd), and (Lm) and 20.475 (1) (km).

**History:** 1997 a. 27; 1999 a. 9, 72; 1999 a. 150 s. 672; 2001 a. 16; 2003 a. 30, 33, 139, 268, 326, 327; 2005 a. 25, 455; 2009 a. 12, 28, 100, 276; 2011 a. 260; 2015 a. 55.

Sub. (6) and s. 973.046 (4) allow the Department of Corrections to determine the deduction percentage for these surcharges. Additionally, it is clear from the statutory language of these sections that the department’s authority to collect funds to pay these surcharges is not limited to an inmate’s prison wages. The statutes also provide that the assessments can be collected from the inmate’s “other moneys,” which unambiguously include gifted funds. *State ex rel. Bryson v. Carr*, 2022 WI App 34, 404 Wis. 2d 307, 978 N.W.2d 595, 20-1949.

(1) (a) to (gm) and the department of justice does not have the data obtained from analysis of a biological specimen from the person that the department is required to maintain in the data bank under s. 165.77 (3), the department may require the person to provide a biological specimen, regardless of whether the person previously provided a biological specimen under this section or s. 51.20 (13) (cr), 165.84 (7), 938.21 (1m), 938.30 (2m), 938.34 (15), 970.02 (8), 971.17 (1m) (a), 973.047, or 980.063. (4) does not relieve the person of the obligation to provide a biological specimen to the state crime laboratories for deoxyribonucleic acid analysis.

**(4)** The department of justice shall promulgate rules to do all of the following:

(a) Establish procedures and time limits for obtaining and submitting biological specimens under this section and ss. 51.20 (13) (cr), 165.84 (7), 938.21 (1m), 938.30 (2m), 938.34 (15), 970.02 (8), 971.17 (1m) (a), 973.047, and 980.063.

(c) Allow a biological specimen, or data obtained from analysis of a biological specimen, obtained under this section, under s.

51.20 (13) (cr), 938.21 (1m), 938.30 (2m), 938.34 (15), 970.02 (8), 971.17 (1m) (a), 973.047, or 980.063, or, if the specimen is required to be analyzed under s. 165.84 (7) (am) 1m., under s. 165.84 (7) (ah), to be submitted for inclusion in an index established under 42 USC 14132 (a) or in another national index system.

(d) Provide reimbursement from s. 20.455 (2) (Lm) to a person in charge of a law enforcement agency or tribal law enforcement agency at a rate of \$10 per specimen except that, if the department already has a biological specimen, or data obtained from analysis of a biological specimen, from the individual, the department may not reimburse the person in charge of the agency.

(e) Carry out the department's duties under this section.

**(5)** The departments of corrections and health services, county departments under ss. 46.215, 46.22 and 46.23 and county sheriffs shall cooperate with the department of justice in obtaining specimens under this section.

**(6)** (a) If a person who is required to provide a biological specimen under sub. (1) refuses or fails to provide a biological specimen, a district attorney may file a petition with the circuit court for an order compelling the person to provide a biological specimen to the state crime laboratories for deoxyribonucleic acid analysis. A petition under this paragraph shall establish reasonable cause to believe that the person is required to provide a biological specimen under sub. (1) and that the person's biological specimen is not included in the data bank under s. 165.77 (3).

(b) If the court determines that a district attorney's petition satisfies the conditions under par. (a), the court shall issue an order requiring the person to appear in court at a specified time for a hearing to show cause why he or she is not required to provide a biological specimen under sub. When officers make an arrest supported by probable cause for a serious offense and bring the suspect to the station to be detained in custody, taking and analyzing a cheek swab of the arrestee's DNA is, like fingerprinting and photographing, a legitimate police booking procedure that is reasonable under the 4th amendment. In the context of a valid arrest supported by probable cause, the arrestee's expectations of privacy were not offended by the minor intrusion of a brief swab of the arrestee's cheeks for DNA. That same context of arrest gives rise to significant state interests in identifying the arrestee not only so that the proper name can be attached to the arrestee's charges but also so that the criminal justice system can make informed decisions concerning pretrial custody. Upon these considerations, DNA identification of arrestees is a reasonable search that can be considered part of a routine booking procedure. *Maryland v. King*, 569 U.S. 435, 133 S. Ct. 1958, 186 L. Ed. 2d 1 (2013).

**History:** 1977 c. 260; 1979 c. 221; 1981 c. 20; 1983 a. 459; 1985 a. 29, 267; 1995 a. 387.

Whether to grant a defendant's request under sub. (1) that the crime lab perform tests on the defendant's behalf is a discretionary decision. *State v. Lee*, 192 Wis. 2d 260, 531 N.W.2d 351 (Ct. App. 1995).

Vacated in part. 197 Wis. 2d 959, 542 N.W.2d 143 (1996).

Cross-examination of a highly qualified witness who is familiar with the procedures used in performing the tests whose results are offered as evidence, who supervises or reviews the work of the testing analyst, and who renders the witness's own expert opinion is sufficient to protect a defendant's right to confrontation, despite the fact that the expert was not the person who performed the mechanics of the original tests. *State v. Williams*, 2002 WI 58, 253 Wis. 2d 99, 644 N.W.2d 919, 00-3065.

Under the facts of this case, the privilege in sub. (1) did not prevent the defendant from obtaining evidence the defendant was entitled to under s. 971.23 when the defendant received the physical evidence that the state intended to offer at trial and a copy of the crime lab report and was granted permission to submit the evidence for testing by the defendant's own expert. The defendant was entitled to examine the crime lab analyst at trial but not at an evidentiary hearing. *State v. Fraszczak*, 2002 WI App 141, 256 Wis. 2d 68, 647 N.W.2d 396, 01-1393.

Under *Crawford*, 541 U.S. 36 (2004), analysts' affidavits that certified that evidence was in fact cocaine were testimonial statements, and the analysts were "witnesses" for purposes of the 6th amendment confrontation clause. Absent a showing that the analysts were unavailable to testify at trial and that petitioner had a prior opportunity to cross-examine them, petitioner was entitled to be confronted with the analysts at trial. *Melendez-Diaz v. Massachusetts*, 557 U.S. 305, 129 S. Ct. 2527, 174 L. Ed. 2d 314 (2009).

(e) If, after providing notice under par. (c) 1. of its intent to destroy evidence, the department receives a written request for retention of the evidence, the department shall retain the evidence

until the discharge date of the person who made the request or on whose behalf the request was made, subject to a court order issued under s. 974.07 (7), (9) (a), or (10) (a) 5., unless the court orders destruction or transfer of the evidence under s. 974.07 (9) (b) or (10) (a) 5.

(f) Unless otherwise provided in a court order issued under s. 974.07 (9) (a) or (b) or (10) (a) 5., nothing in this subsection prohibits the laboratories from returning evidence that must be preserved under par. (b) or (e) to the agency that submitted the evidence to the laboratories. If the laboratories return evidence that must be preserved under par. (b) or (e) to a submitting agency, any action taken by the agency with respect to the evidence shall be in accordance with s. 968.205.

In that case, the record subject's face and anything else that would allow the record subject to be identified may be redacted using pixelization or another method of redaction. The presumption under this subdivision regarding the privacy of a record subject who is a victim of a sensitive or violent crime does not apply if the record subject, or his or her next of kin if the record subject is deceased, does not object to granting access to the data. If any other authority receives a request under s. 19.35 (1) for that data, that authority shall deny any portion of the request that relates to that data.
