(3) OFFICIAL DUTIES DEFINED. The official duties referred to in subs. (1) and (2) include performance to the best of his or her ability by the officer taking the oath or giving the bond of every official act required, and the nonperformance of every act forbidden, by law to be performed by the officer; also, similar performance and nonperformance of every act required of or forbidden to the officer in any other office which he or she may lawfully hold or exercise by virtue of incumbency of the office named in the official oath or bond. The duties mentioned in any such oath or bond include the faithful performance by all persons appointed or employed by the officer either in his or her principal or subsidiary office, of their respective duties and trusts therein.

(4) WHERE FILED. (a) Official oaths and bonds of the following public officials shall be filed in the office of the secretary of state:
1. All members and officers of the legislature.
2. The governor.
3. The lieutenant governor.
4. The state superintendent.
5. The justices, reporter and clerk of the supreme court.
6. The judges of the court of appeals.
7. The judges and reporters of the circuit courts.
8. All notaries public.
9. Every officer, except the secretary of state, state treasurer, district attorney and attorney general, whose compensation is paid in whole or in part out of the state treasury, including every member or appointee of a board or commission whose compensation is so paid.
10. Every deputy or assistant of an officer who files with the secretary of state.
(b) Official oaths and bonds of the following public officials shall be filed in the office of the governor:
1. The secretary of state.
2. The state treasurer.
3. The attorney general.
(bn) Official oaths and bonds of all district attorneys shall be filed with the district attorney as to amount, form and execution before the bonds are accepted for filing. The clerk of the circuit court and the county clerk respectively shall notify in writing the county board or chairperson within 5 days after the entry upon the term of office of a judicial or county official specified in sub. (4) (c), (d) and (dm) or after a county employee required to be bonded has begun employment. The notice shall state whether or not the required bond has been furnished and shall be published with the proceeding of the county board.

(5) TIME OF FILING. Every public officer required to file an official oath or an official bond shall file the same before entering upon the duties of the office; and when both are required, both shall be filed at the same time.

(6) CONTINUANCE OF OBLIGATION. Every such bond continues in force and is applicable to official conduct during the incumbency of the officer filing the same and until the officer’s successor is duly qualified and installed.

(7) INTERPRETATION. This section shall not be construed as requiring any particular officer to furnish or file either an official oath or an official bond. It is applicable to such officers only as are elsewhere in these statutes or by the constitution or by special, private or local law required to furnish such an oath or bond. Provided, however, that whether otherwise required by law or not, an oath of office shall be filed by every member of any board or commission appointed by the governor, and by every administrative officer so appointed, also by every secretary and other chief executive officer appointed by such board or commission.

(8) PREMIUM ON BOND ALLOWED AS EXPENSE. The state and any county, town, village, city or school district may pay the cost of any official bond furnished by an officer or employee thereof pursuant to any law or rules or regulations requiring the same if said officer or employee shall furnish a bond with a licensed surety company as surety, said cost not to exceed the current rate of premium per year. The cost of any such bond to the state shall be charged to the proper expense appropriation.

19.015 Actions by the state, municipality or district. Whenever the state or any county, town, city, village, school district or technical college district is entitled to recover any damages, money, penalty or forfeiture on any official bond, the attorney general, county chairperson, town chairperson, mayor, village president, school board president or technical college district board chairperson, respectively, shall prosecute or cause to be prosecuted all necessary actions in the name of the state, or the municipality, against the officer giving the bond and the sureties for the recovery of the damages, money, penalty or forfeiture.

19.02 Actions by individuals. Any person injured by the act, neglect or default of any officer, except the state officers, the officer’s deputies or other persons which constitutes a breach of the condition of the official bond of the officer, may maintain an action in that person’s name against the officer and the officer’s...
sures on such bond for the recovery of any damages the per-
son may have sustained by reason thereof, without leave and with-
out any assignment of any such bond.

History: 1991 a. 316.

19.03 Security for costs; notice of action. (1) Every per-
son commencing an action against any officer and sureties upon
an official bond, except the obligee named therein, shall give secur-
ity for costs by an undertaking as prescribed in s. 814.28 (3), and
a copy thereof shall be served upon the defendants at the time of
the service of the summons. In all such actions if final judgment
is rendered against the plaintiff the same may be entered against
the plaintiff and the sureties to such undertaking for all the lawful
costs and disbursements of the defendants in such action, by what-
ever court awarded.

(2) The plaintiff in any such action shall, within 10 days after
the service of the summons therein, deliver a notice of the com-
mencement of such action to the officer who has the legal custody
of such official bond, who shall file the same in his or her office
in connection with such bond.

History: Sup. Ct. Order, 67 Wis. 2d 585, 773 (1975); 1975 c. 218; 1991 a. 316.

19.04 Other actions on same bond. No action brought
upon an official bond shall be barred or dismissed by reason merel-
y that any former action shall have been prosecuted on such
bond, but any payment of damages made or collected from the
sureties or any of them on any judgment in an action previously
begun by any party on such bond shall be applied as a total or par-
tial discharge of the penal sum of such bond, and such defense or
partial defense may be pleaded by answer or supplemental answer
as may be proper. The verdict and judgment in every such action
shall be for no more than the actual damages sustained or dam-
ges, penalty or forfeiture awarded, besides costs. The court may,
when it shall be necessary for the protection of such sureties, stay
execution on any judgment rendered in such actions until the final
determination of any actions so previously commenced and until
the final determination of any other action commenced before
judgment entered in any such action.

19.05 Execution; lien of judgment. (1) Whenever a judg-
ment is rendered against any officer and the officer’s sureties on
the officer’s official bond in any court other than the circuit court
of the county in which the officer’s official bond is filed, no execu-
tion for the collection of the judgment shall issue from the other
court unless the plaintiff, the plaintiff’s agent or the plaintiff’s
attorney shall make and file with the court an affidavit showing
each of the following:

(a) That no other judgment has been rendered in any court in
an action upon the officer’s bond against the sureties of the bond
that remains in whole or in part unpaid.

(b) That no other action upon the officer’s bond against the
sureties was pending and undetermined in any other court at the
time of the entry of the judgment.

(2) A transcript of a judgment described in sub. (1) may be
entered in the judgment and lien docket in other counties, shall
be self-enforcing and may be enforced, in all respects the same as
if it were an ordinary judgment, for the recovery of money, except
as provided otherwise in sub. (1).

19.06 Sureties, how relieved. Whenever several judg-
ments shall be rendered against the sureties on any official bond
in actions which shall have been commenced before the date of the
entry of the last of such judgments the aggregate of which, exclu-
sive of costs, shall exceed the sum for which such sureties remain
liable at the time of the commencement of such actions, they may
discharge themselves from all further liability upon such judg-
ments by paying into court the sum for which they are then liable,
together with the costs recovered on such judgments; or the court
may, upon motion supported by affidavit, order that no execution
for more than a proportional share of such judgments shall be
issued thereon against the property of such sureties or either of
them and that upon payment or collection of such proportional
share they shall be discharged from the judgment or judgments
upon which such proportional share shall be paid or collected.
When the money is paid into court by the sureties as above speci-
fied the same, exclusive of the costs so paid in, shall be distributed
by an order of the court to the several plaintiffs in such judgments
in proportion to the amount of their respective judgments. But
every judgment shall have precedence of payment over all judg-
ments in other actions commenced after the date of the recovery
of such judgment.

may be combined in a schedule or blanket bond, where such bond
is to be filed in the same place, and in the event such bond is exe-
cuted by a corporate surety company, payment of the premium
thereof is to be made from the same fund or appropriation pre-
scribed in s. 19.01.

(2) CONTINUATION OF OBLIGATION. Unless canceled pursuant
to this section, every such bond shall continue in full force and
effect.

(3) CANCELLATION OF BOND. (a) Any city, village, town
or county by their respective governing body may cancel such bond
or any bond of any one employee or any number of employees by giv-
ing written notice to the surety by registered mail, such cancella-
tion to be effective 15 days after receipt of such notice.

(b) When a surety, either personal or corporate, on such bond,
shall desire to be released from such bond, the surety may give
notice in writing that the surety desires to be released by giving
written notice by registered mail, to the clerk of the respective city,
village, town or county, and such cancellation shall be permitted
if approved by the governing body thereof, such cancellation to be
effective 15 days after receipt of such notice. This section shall
not be construed to operate as a release of the sureties for liabilities
incurred previous to the expiration of the 15 days’ notice.

(c) Whenever a surety bond is canceled in the manner provided
by this section, a proportional refund shall be made of the pre-
mium paid thereon.

and subscribes the oath of office required of that officer, condi-
tioned for the faithful discharge of the duties of the office, and the
officer’s duties as a member of the board of commissioners of
public lands, and in the investment of the funds arising therefrom.
The bond of each of said officers shall be further conditioned for
the faithful performance by all persons appointed or employed by
the officer in his or her office of their duties and trusts therein,
and for the delivery over to the officer’s successor in office, or to
any person authorized by law to receive the same, of all moneys,
books, records, deeds, bonds, securities and other property and
effects of whatsoever nature belonging to the officer’s offices.

sistent with the conduct of governmental business. The denial of public access generally is contrary to the public interest, and only in an exceptional case may access be denied.

History: 1981 c. 335, 391.

An agency cannot promulgate an administrative rule that creates an exception to the open records law. Chvala v. Bubolz, 204 Wis. 2d 82, 552 N.W.2d 892 (Ct. App. 1999), 95−3120.

Although the requester referred to the federal Freedom of Information Act, a letter that clearly described open records and had all the earmar kings of an open records request was in fact an open records request and triggered, at minimum, a duty to respond. ECO, Inc. v. City of Elkhorn, 2002 WI App 302, 259 Wis. 2d 276, 655 N.W.2d 510, 02−0216.

The public records law addresses the duty to disclose records; it does not address the duty to retain records. An agency’s alleged failure to keep sought−after records may not be attacked under the public records law. Section 19.21 relates to records retention and is not part of the public records law. State ex rel. Giel v. Conrons, 2007 WI App 238, 306 Wis. 2d 247, 742 N.W.2d 530, 06−2455.

Absent a clear statutory exception, a limitation on the common law, or an overriding public interest in keeping a public record confidential, the public records law shall be construed in every instance with a presumption of complete public access. As the denial of public access generally is contrary to the public interest, access may be denied only in an exceptional case. An exceptional case exists when the facts are such that the public policy interests favoring nondisclosure outweigh the public policy interests favoring disclosure, notwithstanding the strong presumption favoring disclosure. Hagen v. Board of Regents, 2018 WI App 43, 83 Wis. 2d 567, 916 N.W.2d 198, 17−2058.

When a school district, a government entity, uses government resources to collect email addresses of school district parents and then uses those email addresses to promote and advance selected matters of interest to school district personnel, the email addresses relate to the affairs of government and the official acts of those officers and employees who represent them. Giel v. Mequon−Thamesville School District, 2023 WI App 5, 405 Wis. 2d 757, 985 N.W.2d 116, 21−2190.

NOTE: 2003 Wis. Act 47, which affected this section, contains extensive explanatory notes.

A study commissioned by the corporation counsel and used in various ways was not “draft” under sub. (2), although it was not in final form. A document prepared other than for the originator’s personal use, although in preliminary form or marked “draft,” is a record. Fox v. Bock, 149 Wis. 2d 403, 438 N.W.2d 589 (1989).

A settlement agreement containing a pledge of confidentiality and kept in the possession of a school district’s attorney was a public record subject to public access. Journal/Sentinel, Inc. v. School Board, 186 Wis. 2d 443, 521 N.W.2d 165 (Ct. App. 1994).
Individuals confined as sexually violent persons under ch. 980 are not "incarcerated" under sub. (1c). Klein v. Wisconsin Resource Center, 218 Wis. 2d 487, 582 N.W.2d 44 (Cl. App. 1998), 97−0679.

A corporation that receives 50 percent of its funds from a municipality or county is an authority under sub. (1) regardless of the source from which the municipality or county obtains those funds. Caves v. Wal ruta, 229 Wis. 2d 105, 598 N.W.2d 246 (Cl. App. 1999), 98−06−072.

A person aggrieved by a request made under the open records law has standing to raise the request that the challenged materials are not records because they fall within the meaning of the categorical privilege under sub. (2). Under the facts of this case, the language of sub. (2), when viewed in light of the fair use exception to copyright infringement, applied so that the disputed materials were records within the statutory definition. Zellner v. Edarabug School District, 2007 WI 53, 300 Wis. 2d 298, 751 N.W.2d 240, 06−0923. (Ct. App. 2001).

"Record" in sub. (2) and s. 19.35 (5) does not include identical copies of otherwise available records. A copy that is not different in some meaningful way from the original, regardless of the form of the original, is an identical copy. If a copy differs in some significant way for purposes of responding to an open records request, then it is not a true copy, but instead a different record. Stone v. Board of Regents, 2007 WI App 223, 305 Wis. 2d 679, 741 N.W.2d 774, 06−0537.

A municipality’s independent contractor assessor was not an authority under sub. (1) and was not a proper recipient of an open records request. In this case, only the municipalities themselves were the “authorities” for purposes of the open records law. Accordingly, only the municipalities properly were recipients of the open records requests. WIREdata, Inc. v. Village of Su oxe, 2008 WI 69, 310 Wis. 2d 397, 751 N.W.2d 736, 05−1473.

A corporation is quasi-governmental if, based on the totality of the circumstances, it resembles a governmental corporation in function, effect, or status, requiring a case-by-case analysis. Here, a primary consideration was that the body was funded exclusively by public tax dollars or interest thereon. Additionally, its offices were located in the municipal building, it was listed on the city website, the city provided it with clerical support and office supplies, all its assets reverted to the city if it ceased to exist, it was open for city inspections, the mayor and another city official were directors, and it had no clients other than the city. State v. Beaver Dam Area Development Corp., 2008 WI 90, 312 Wis. 2d 84, 752 N.W.2d 295, 06−0626.

Employees’ personal emails were not subject to disclosure in this case. Schill v. 305 Wis. 2d 679, 741 N.W.2d 825, 06−06−062. (Ct. App. 1998), 99−0607.

A copy that is not different in some meaningful way for purposes of responding to an open records request, then it is not a true copy, but instead a different record. Stone v. Board of Regents, 2007 WI App 223, 305 Wis. 2d 679, 741 N.W.2d 774, 06−0537.

A municipality’s independent contractor assessor was not an authority under sub. (1) and was not a proper recipient of an open records request. In this case, only the municipalities themselves were the “authorities” for purposes of the open records law. Accordingly, only the municipalities properly were recipients of the open records requests. WIREdata, Inc. v. Village of Su oxe, 2008 WI 69, 310 Wis. 2d 397, 751 N.W.2d 736, 05−1473. An elective official is the legal custodian of the records of the authority appointed by the appointing authority, except that if such an authority is attached for administrative purposes to another authority, the authority performing administrative duties shall designate the legal custodian for the authority for whom administrative duties are performed.

The legal custodian of records maintained in a publicly owned or leased building or the authority appointing the legal custodian shall designate one or more deputies to act as legal custodian of such records in his or her absence or as otherwise required by law. (4) The legal custodian shall not permit access to the records of the authority at all times during those office hours, unless otherwise specifically authorized by law.

(a) Each authority which maintains regular office hours at the location where records in the custody of the authority are kept shall permit access to the records of the authority at all times during those office hours, unless otherwise specifically authorized by law.

(b) Each authority which does not maintain regular office hours at the location where records in the custody of the authority are kept shall...
1. Permit access to its records upon at least 48 hours’ written or oral notice of intent to inspect or copy a record; or
2. Establish a period of at least 2 consecutive hours per week during which access to the records of the authority is permitted. In such case, the authority may require 24 hours’ advance written or oral notice of intent to inspect or copy a record.

(c) An authority imposing a notice requirement under par. (b) shall include a statement of the requirement in its notice under sub. (1), if the authority is required to adopt a notice under that subsection.

(d) If a record of an authority is occasionally taken to a location other than the location where records of the authority are regularly kept, and the record may be inspected at the place at which records of the authority are regularly kept upon one business day’s notice, the authority or legal custodian of the record need not provide access to the record at the occasional location.

19.345 Time computation. In ss. 19.33 to 19.39, when a time period is provided for performing an act, whether the period is expressed in hours or days, the whole of Saturday, Sunday, and any legal holiday, from midnight to midnight, shall be excluded in computing the period.

NOTE: 2003 Wis. Act 47, which created this section, contains extensive explanatory notes.

19.35 Access to records; fees. (1) RIGHT TO INSPECTION.

(a) Except as otherwise provided by law, any requester has a right to inspect any record. Substantive common law principles construing the right to inspect, copy or receive copies of records shall remain in effect. The exemptions to the requirement of a governmental body to meet in open session under s. 19.85 are indicative of public policy, but may be used as grounds for denying public access to a record only if the authority or legal custodian under s. 19.33 makes a specific demonstration that there is a need to restrict public access at the time that the request to inspect or copy the record is made.

(1m) In addition to any right under par. (a), any requester who is an individual or person authorized by the individual has a right to inspect any personally identifiable information pertaining to the individual in a record containing personally identifiable information that is maintained by an authority and to make or receive a copy of any such information. The right to inspect or copy information in a record under this paragraph does not apply to any of the following:

1. Any record containing personally identifiable information that is collected or maintained in connection with a complaint, investigation or other circumstances that may lead to an enforcement action, administrative proceeding, arbitration proceeding or court proceeding, or any such record that is collected or maintained in connection with such an action or proceeding.

2. Any record containing personally identifiable information that, if disclosed, would do any of the following:
   a. Endanger an individual’s life or safety.
   b. Identify a confidential informant.
   c. Endanger the security, including the security of the population or staff, of any state prison under s. 302.01, jail, as defined in s. 165.85 (2) (bg), juvenile correctional facility, as defined in s. 938.02 (10p), secured residential care center for children and youth, as defined in s. 938.02 (15g), mental health institute, as defined in s. 51.01 (12), center for the developmentally disabled, as defined in s. 51.01 (3), or facility, specified under s. 980.065, for the institutional care of sexually violent persons.
   d. Compromise the rehabilitation of a person in the custody of the department of corrections or detained in a jail or facility identified in subd. 2. c.

2m. The actual address, as defined in s. 165.68 (1) (b), of a participant in the program established in s. 165.68.

3. Any record that is part of a records series, as defined in s. 19.62 (7), that is not indexed, arranged or automated in a way that the record can be retrieved by the authority maintaining the records series by use of an individual’s name, address or other identifier.

(b) Except as otherwise provided by law, any requester has a right to inspect a record and to make or receive a copy of a record. If a requester appears personally to request a copy of a record that permits copying, the authority having custody of the record may, at its option, permit the requester to copy the record or provide the requester with a copy substantially as readable as the original.

(c) Except as otherwise provided by law, any requester has a right to receive from an authority having custody of a record which is in the form of a comprehensible audio recording a copy of the recording substantially as audible as the original. The authority may instead provide a transcript of the recording to the requester if he or she requests.

(d) Except as otherwise provided by law, any requester has a right to receive from an authority having custody of a record which is in the form of a video recording a copy of the recording substantially as good as the original.

(e) Except as otherwise provided by law, any requester has a right to receive from an authority having custody of a record which is not in a readily comprehensible form a copy of the information contained in the record assembled and reduced to written form on paper.

(f) Notwithstanding par. (b) and except as otherwise provided by law, any requester has a right to inspect any record not specified in pars. (c) to (e) the form of which does not permit copying. If a requester requests permission to photograph the record, the authority having custody of the record may permit the requester to photograph the record. If a requester requests that a photograph of the record be provided, the authority shall provide a good quality photograph of the record.

(g) Paragraphs (a) to (c), (e) and (f) do not apply to a record which has been or will be promptly published with copies offered for sale or distribution.

(h) A request under pars. (a) to (f) is deemed sufficient if it reasonably describes the requested record or the information requested. However, a request for a record without a reasonable limitation as to subject matter or length of time represented by the record does not constitute a sufficient request. A request may be made orally, but a request must be in writing before an action to enforce the request is commenced under s. 19.37.

(i) Except as authorized under this paragraph, no request under pars. (a) and (b) to (f) may be refused because the person making the request is unwilling to be identified or to state the purpose of the request. Except as authorized under this paragraph, no request under pars. (a) to (f) may be refused because the request is received by mail, unless prepayment of a fee is required under sub. (3) (f). A requester may be required to show acceptable identification whenever the requested record is kept at a private residence or whenever security reasons or federal law or regulations so require.
(j) Notwithstanding pars. (a) to (f), a requester shall comply with any regulations or restrictions upon access to or use of information which are specifically prescribed by law.

(k) Notwithstanding pars. (a), (am), (b) and (f), a legal custodian may impose reasonable restrictions on the manner of access to an original record if the record is irreplaceable or easily damaged.

(L) Except as necessary to comply with pars. (c) to (e) or s. 19.36(6), this subsection does not require an authority to create a new record by extracting information from existing records and compiling the information in a new format.

(2) FACILITIES. The authority shall provide any person who is authorized to inspect or copy a record under sub. (1)(a), (am), (b) or (f) with facilities comparable to those used by its employees to inspect, copy and abstract the record during established office hours. An authority is not required by this subsection to purchase or lease photocopying, duplicating, photographic or other equipment or to provide a separate room for the inspection, copying or abstracting of records.

(3) FEES. (a) An authority may impose a fee upon the requester of a copy of a record which may not exceed the actual, necessary and direct cost of reproduction and transcription of the record, unless a fee is otherwise specifically established or authorized to be established by law.

(b) Except as otherwise provided by law or as authorized to be prescribed by law an authority may impose a fee upon the requester of a copy of a record that does not exceed the actual, necessary and direct cost of reproducing and transcription of the record incurred by the authority provides a photograph of a record, the form of which does not permit copying.

(c) Except as otherwise provided by law or as authorized to be prescribed by law, an authority may impose a fee upon a requester for locating a record, not exceeding the actual, necessary and direct cost of location, if the cost is $50 or more.

(d) An authority may impose a fee upon a requester for the actual, necessary and direct cost of mailing or shipping of any copy or photograph of a record which is mailed or shipped to the requester.

(e) An authority may provide copies of a record without charge or at a reduced charge where the authority determines that waiver or reduction of the fee is in the public interest.

(f) An authority may require prepayment by a requester of any fee or fees imposed under this subsection if the total amount exceeds $5. If the requester is a prisoner, as defined in s. 301.01(2), or is a person confined in a federal correctional institution located in this state, and he or she has failed to pay any fee that was imposed by the authority for a request made previously by that requester, the authority may require prepayment both of the amount owed for the previous request and the amount owed for the current request.

(g) Notwithstanding par. (a), if a record is produced or collected by a person who is not an authority pursuant to a contract entered into by that person with an authority, the authorized fees for obtaining a copy of the record may not exceed the actual, necessary, and direct cost of reproduction or transcription of the record incurred by the person who makes the reproduction or transcription, unless a fee is otherwise established or authorized to be established by law.

(4) TIME FOR COMPLIANCE AND PROCEDURES. (a) Each authority, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requester of the authority’s determination to deny the request in whole or in part and the reasons therefor.

(b) If a request is made orally, the authority may deny the request orally unless a demand for a written statement of the reasons denying the request is made by the requester within 5 business days of the oral denial. If an authority denies a written request in whole or in part, the requester shall receive from the authority a written statement of the reasons for denying the written request. Every written denial of a request by an authority shall inform the requester that if the request for the record was made in writing, then the determination is subject to review by mandamus under s. 19.37(1) or upon application to the attorney general or a district attorney.

(c) If an authority receives a request under sub. (1)(a) or (am) from an individual or person authorized by the individual who identifies himself or herself and states that the purpose of the request is to inspect or copy a record containing personally identifiable information pertaining to the individual that is maintained by the authority, the authority shall deny or grant the request in accordance with the following procedure:

1. The authority shall first determine if the requester has a right to inspect or copy the record under sub. (1)(a).

2. If the authority determines that the requester has a right to inspect or copy the record under sub. (1)(a), the authority shall grant the request.

3. If the authority determines that the requester does not have a right to inspect or copy the record under sub. (1)(a), the authority shall then determine if the requester has a right to inspect or copy the record under sub. (1)(am) and grant or deny the request accordingly.

(5) RECORD DESTRUCTION. No authority may destroy any record at any time after the receipt of a request for inspection or copying of the record under sub. (1) until after the request is granted or until at least 60 days after the date that the request is denied or, if the requester is a committed or incarcerated person, until at least 90 days after the date that the request is denied. If an authority receives written notice that an action relating to a record has been commenced under s. 19.37, the record may not be destroyed until after the order of the court in relation to such record is issued and the deadline for appealing that order has passed, or, if appealed, until after the order of the court hearing the appeal is issued. If the court orders the production of any record and the order is not appealed, the record may not be destroyed until after the request for inspection or copying is granted.

(6) ELECTIVE OFFICIAL RESPONSIBILITIES. No elective official is responsible for the record of any other elective official unless he or she has possession of the record of that other official.

(7) LOCAL INFORMATION TECHNOLOGY AUTHORITY RESPONSIBILITY FOR LAW ENFORCEMENT RECORDS. (a) In this subsection:

1. “Law enforcement agency” has the meaning given s. 165.83(1)(b).

2. “Law enforcement record” means a record that is created or received by a law enforcement agency and that relates to an investigation conducted by a law enforcement agency or a request for a law enforcement agency to provide law enforcement services.

3. “Local information technology authority” means a local public office or local governmental unit whose primary function is information storage, information technology processing, or other information technology usage.

(b) For purposes of requests for access to records under sub. (1), a local information technology authority that has custody of a law enforcement record for the primary purpose of information storage, information technology processing, or other information technology usage is not the legal custodian of the record. For such purposes, the legal custodian of a law enforcement record is the authority for which the record is stored, processed, or otherwise used.

(c) A local information technology authority that receives a request under sub. (1) for access to information in a law enforcement record shall deny any portion of the request that relates to information in a local law enforcement record.

An agency cannot promulgate an administrative rule that creates an exception to the open records law. Chvala v. Bubolz, 204 Wis. 2d 82, 552 N.W.2d 892 (Ct. App. 1996), 95-3120.

The record requester’s identity was relevant in this case. As a general proposition, the identity and purpose of the requester of public records is not a part of the balancing test to be applied in determining whether to release records. However, the determination whether a record is a public record is a fact-intensive inquiry determined on a case-by-case basis. State ex rel. Ardell v. Milwaukee Board of School Directors, 2014 WI App 66, 354 Wis. 2d 471, 849 N.W.2d 13−1650.

In this case, although the commission’s responses did not state that no record existed, that omission did not impair the court’s ability to determine whether a statutory presumption to disclose applied. In the context of the facts of this case, the record requested was lawfully denied the newspaper’s request because no responsive record existed at the time of the request. Journal Times v. City of Racine Board of Police & Fire Commissioners, 2015 WI 56, 362 Wis. 2d 577, 866 N.W.2d 563, 13−1715.

There is no obligation to create a record in response to an open records request, and a record is not entitled to the right to information and public records request. Journal Times v. City of Racine Board of Police & Fire Commissioners, 2015 WI 56, 362 Wis. 2d 577, 866 N.W.2d 563, 13−1715.

The context of the records request, although not always relevant, was considered in this case. By asserting that, upon information and belief, several or all of the requested tapes in this case may have included confidential and sensitive personal information or communications that may cause harmful consequences when released, the record requester identified a safety concern that outweighs the presumption of disclosure. Democratic Party of Wisconsin v. Department of Justice, 2016 WI App 100, 732 Wis. 2d 560, 888 N.W.2d 584, 14−2536.

In this case, the circuit court did not erroneously exercise its discretion when it ordered the plaintiff parents, if they wished to proceed, to file under seal and pursuant to a protective order an amended complaint stating their identities such that their identities were not revealed to the court and attorneys for the litigants. Doe v. Madison Metropolitan School District, 2021 WI App 60, 399 Wis. 2d 757, 991 N.W.2d 450, 20−1196. Affirmed.

A records custodian must determine whether the surrounding factual circumstances create an exceptional case not governed by the strong presumption of openness in the Wisconsin Open Records Law. Munro. 2002 WLR 1197. The presumption of the public records law is that members of the public are entitled to public records and are not required to appear in a governmental agency’s summaries. An authority’s statement about its own evaluation of the requested records and its own judgment about the public relevance of those records is not a substitute for a proper response to a public records request. Wisconsin State Journal v. Blazel, 2023 WI App 7, 407 Wis. 2d 472, 991 N.W.2d 450, 21−1200.

constituting the right to inspect, copy, or receive copies of records in making its decision.

(7) The court, in an action commenced under sub. (4), shall issue a decision within 10 days after the filing of the summons and complaint and proof of service of the summons and complaint upon the defendant, unless a party demonstrates cause for extension of this period. In any event, the court shall issue a decision within 30 days after those filings are complete.

(8) If a party appeals a decision of the court under sub. (7), the court of appeals shall grant precedence to the appeal over all other matters not accorded similar precedence by law. An appeal shall be taken within the time period specified in s. 808.04 (1m).

(9) (a) Except as otherwise authorized or required by statute, if an authority decides under s. 19.35 to permit access to a record containing information relating to a record subject who is an officer or employee of the authority holding a local public office or a state public office, the authority shall, before permitting access and within 3 days after making the decision to permit access, serve written notice of that decision on the record subject, either by certified mail or by personally serving the notice on the record subject.

The notice shall briefly describe the requested record and include a description of the rights of the record subject under par. (a).

(b) Within 5 days after receipt of a notice under par. (a), a record subject may augment the record to be released with written comments and documentation selected by the record subject. Except as otherwise authorized or required by statute, the authority under par. (a) shall release the record as augmented by the record subject.

History: 2003 a 47; 2011 a 84.

NOTE: 2003 Wis. Act 47, which created this section, contains an extensive explanatory note.

The right of a public employee to obtain de novo judicial review of an authority’s decision to allow public access to certain records granted by this section is no broader than the common law right previously recognized. It is not a right to prevent disclosure of a public employee’s privacy and reputational interests. The public’s interest in not injuring the reputations of public employees must be given due consideration, but it is not controlling. Local 2489 v. Rock County, 2004 WI App 210, 277 Wis. 2d 208, 770 N.W.2d 644, 03−3101.

An intervenor as of right under the statute is “a party” under sub. (8) whose appeal is subject to the time period specified in s. 808.04 (1m). The only time period referenced in s. 808.04 (1m) is 20 days. Zeller v. Herrick, 2009 WI 80, 319 Wis. 2d 532, 770 N.W.2d 305, 07−2584.

This section does not set forth the only course of action that the subject of a disclosure may engage in to prevent disclosure. Subs. (2) (a) 1. and (4) state that “a record subject who is an officer or employee who formerly held a local or state public office” may move an authority to prevent release of that record and “a record subject who is an officer or employee who formerly held a local or state public office” may move an authority to prevent release of information contained in a record that mentions the name of a person holding state or local public office.

The duty to notify, however, does not prevent a records custodian from changing its mind. Zeller v. Herrick, 2009 WI 80, 319 Wis. 2d 532, 770 N.W.2d 305, 07−2584.

The burdens of notice described in subs. (2) (a) 1. and (9) (a), after reasonable diligence, the authorities under the public records law to release records may not be provided to the record subject or the record subject may be provided the requisite notice before releasing the records. The authority to notify, however, does not prevent a records custodian from changing its mind. State ex rel. Moustakis v. Milwaukee Board of School Directors, 2010 WI App 104, 327 Wis. 2d 427, 809 N.W.2d 1, 07−2584.

The notice shall briefly describe the requested record and include a description of the rights of the record subject under par. (a).

The use of the phrase “is created in” in sub. (2) (a) 1. implies that the status of the record subject should be consistent with the record when created. Therefore, if the record subject is an officer or employee who formerly held a local or state public office, the notice shall briefly describe the record subject to whom the record pertains. OAG 1−06.

Any record which is specifically exempted from disclosure by state or federal law or authorized to be exempted from disclosure by state law is exempt from disclosure under s. 19.35 (1), except that any portion of that record which contains public information is open to public inspection as provided in sub. (6).

(2) LAW ENFORCEMENT RECORDS. Except as otherwise provided by law, whenever federal law or regulations require or as a condition to receipt of aids by this state that require that any record relating to investigative information obtained for law enforcement purposes be withheld from public access, then that information is exempt from disclosure under s. 19.35 (1).

(3) CONTRACTORS’ RECORDS. Each authority shall make available for inspection and copying under s. 19.35 (1) any record produced or collected under a contract entered into by the authority with a person other than an authority to the same extent as if the record were maintained by the authority. This subsection does not apply to the inspection or copying of a record under s. 19.35 (1) (a) or (b) if the records custodian concludes a court from providing limited access to the requested records on an attorney’s eyes-only basis for purposes of briefing a case before the court. Section 19.37 (1) (a), which applies when a party seeks relief in an action for mandamus, provides guidance. Whether the action seeks release or an injunction, the need for limited review by a party who intervenes by right, in order to ensure fair and fully informed adjudication of the dispute, is equally applicable. Hagen v. Board of School Directors, 2014 WI App 1, 343 Wis. 2d 433, 835 N.W.2d 507, 1916 N.W.2d 198, 17−2058.

Sub. (1) clearly abrogates the common law rules for pre−release notice and judicial review, and it does distinguish between different categories of individuals or records it states a general rule that applies to all claims for pre−release judicial review and provides two types of exceptions. Wisconsin Manufacturers & Commerce v. Evers, 2016 WI 42, 368 Wis. 2d 677, 880 N.W.2d 142, 14−3515.

Such an “authority” and does not provide limited access to the requested records on an attorney’s eyes-only basis for purposes of briefing a case before the court. Section 19.37 (1) (a), which applies when a party seeks relief in an action for mandamus, provides guidance. Whether the action seeks release or an injunction, the need for limited review by a party who intervenes by right, in order to ensure fair and fully informed adjudication of the dispute, is equally applicable. Hagen v. Board of School Directors, 2014 WI App 1, 343 Wis. 2d 433, 835 N.W.2d 507, 1916 N.W.2d 198, 17−2058.

Wisconsin Manufacturers & Commerce v. Evers, 2016 WI 42, 368 Wis. 2d 677, 880 N.W.2d 142, 14−3515.

This section makes clear that no one has a right to block the release of a public record unless otherwise specified. The Declaratory Judgments Act, s. 801.11 (4) (b), does not apply to sub. (1) for statutes that “otherwise provide” for pre−release judicial review of records responses. Wisconsin Manufacturers & Commerce v. Evers, 2022 WI 38, 401 Wis. 2d 699, 974 N.W.2d 753, 20−2081.

19.36 Limitations upon access and withholding.

(1) APPLICATION OF OTHER LAWS. Any record which is specifically exempted from disclosure by state or federal law or authorized to be exempted from disclosure by state law is exempt from disclosure under s. 19.35 (1), except that any portion of that record which contains public information is open to public inspection as provided in sub. (6).

(2) LAW ENFORCEMENT RECORDS. Except as otherwise provided by law, whenever federal law or regulations require or as a condition to receipt of aids by this state that require that any record relating to investigative information obtained for law enforcement purposes be withheld from public access, then that information is exempt from disclosure under s. 19.35 (1).

(4) COMPUTER PROGRAMS AND DATA. A computer program, as defined in s. 16.971 (4) (c), is not subject to examination or copying under s. 19.35 (1), but the material used as input for a computer program or the material produced as a product of the computer program is subject to the right of examination and copying, except as otherwise provided in s. 19.35 or this section.

(5) TRADE SECRETS. An authority may withhold access to any record or portion of a record containing information qualifying as a trade secret as defined in s. 134.90 (1) (c).

(6) SEPARATION OF INFORMATION. If a record contains information that is subject to disclosure under s. 19.35 (1) (a) or (am) and information that is not subject to such disclosure, the authority 2021−22 Wisconsin Statutes updated through 2023 Wis. Act 240 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on May 30, 2024. Published and certified under s. 35.18. Changes effective after May 30, 2024, are designated by NOTES. (Published 5−30−24)
having custody of the record shall provide the information that is subject to disclosure and delete the information that is not subject to disclosure from the record before release.

(7) IDENTITIES OF APPLICANTS FOR PUBLIC POSITIONS. (a) In this subsection:
1. “Final candidate” means each applicant who is seriously considered for appointment or whose name is certified for appointment, and whose name is submitted for final consideration to an authority for appointment, to any of the following:
   a. A state position that is not a position in the classified service and that is not a position in the University of Wisconsin System.
   b. A local public office.
   c. The position of president, vice president, or senior vice president of the University of Wisconsin System; the position of chancellor of an institution; or the position of the vice chancellor who serves as deputy at each institution.
2. “Final candidate” includes all of the following, but only with respect to the offices and positions described under subd. 1.
   a. and b.:
      a. Whenever there are at least 5 applicants for an office or position, each of the 5 applicants who are considered the most qualified for the office or position by an authority.
      b. Whenever there are fewer than 5 applicants for an office or position, each applicant.
   c. Whenever an appointment is to be made from a group of more than 5 applicants considered the most qualified for an office or position by an authority, each applicant in that group.
3. “Institution” has the meaning given in s. 36.05 (9).

(b) Every applicant for a position with any authority may indicate in writing to the authority that the applicant does not wish the authority to reveal his or her identity. Except with respect to an applicant whose name is certified for appointment to a position in the state classified service or a final candidate, if an applicant makes such an indication in writing, the authority shall not provide access to any record related to the application that may reveal the identity of the applicant.

(8) IDENTITIES OF LAW ENFORCEMENT INFORMATORS. (a) In this subsection:
1. “Informant” means an individual who requests confidentiality from a law enforcement agency in conjunction with providing information to that agency or, pursuant to an express promise of confidentiality by a law enforcement agency or under circumstances in which a promise of confidentiality would reasonably be implied, provides information to a law enforcement agency or, is working with a law enforcement agency to obtain information, related in any case to any of the following:
   a. Another person who the individual or the law enforcement agency suspects has violated, is violating or will violate a federal law, a law of any state or an ordinance of any local government.
   b. Past, present or future activities that the individual or law enforcement agency believes may violate a federal law, a law of any state or an ordinance of any local government.
2. “Law enforcement agency” has the meaning given in s. 165.83 (1) (b), and includes the department of corrections.

(b) If an authority receives a request to inspect or copy a record or portion of a record under s. 19.35 (1) (a) that contains specific information including but not limited to a name, address, telephone number, voice recording, or handwriting sample that, if disclosed, would identify an informant, the authority shall delete the portion of the record in which the information is contained or, if no portion of the record can be inspected or copied without identifying the informant, shall withhold the record unless the legal custodian of the record, designated under s. 19.33, makes a determination, at the time that the request is made, that the public interest in allowing a person to inspect, copy or receive a copy of such identifying information outweighs the harm done to the public interest by providing such access.

(9) RECORDS OF PLANS OR SPECIFICATIONS FOR STATE BUILDINGS. Records containing plans or specifications for any state-owned or state-leased building, structure or facility or any proposed state-owned or state-leased building, structure or facility are not subject to the right of inspection or copying under s. 19.35 (1) except as the department of administration otherwise provides by rule.

(10) EMPLOYEE PERSONNEL RECORDS. Unless access is specifically authorized or required by statute, an authority shall not provide access under s. 19.35 (1) to records containing the following information, except to an employee or the employee’s representative to the extent required under s. 103.13 or to a recognized or certified collective bargaining representative to the extent required to fulfill a duty to bargain under ch. 111 or pursuant to a collective bargaining agreement under ch. 111:
(a) Information maintained, prepared, or provided by an employer concerning the home address, home electronic mail address, home telephone number, or social security number of an employee, unless the employee authorizes the authority to provide access to such information.
(b) Information relating to the current investigation of a possible criminal offense or possible misconduct connected with employment by an employee prior to disposition of the investigation.

NOTE: Sub. (11) is shown as amended eff. 4–1–25 by 2023 Wis. Act 235. The cross-reference to sub. (15) was changed from sub. (14) by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of sub. (14), as created by 2023 Wis. Act 235. Prior to 4–1–25 sub. (11) reads:

(11) RECORDS OF AN INDIVIDUAL HOLDING A LOCAL PUBLIC OFFICE OR A STATE PUBLIC OFFICE. NOTE: Sub. (14) is created eff. 7-1-25 by 2023 Wis. Act 126.

(15) Privacy protections for judicial officers. If a judicial officer, as defined in s. 757.07 (1) (e), submits a written request under s. 757.07 (4), an authority shall not provide access under s. 19.35 (1) to a record or part of a record under s. 5.02 (10) or to the personal information, as defined in s. 757.07 (1) (g), of a judicial officer, except as provided under s. 8.10 (8) (b).

NOTE: Sub. (15) is created eff. 4-1-25 by 2023 Wis. Act 235. Sub. (15) was created as sub. (14) by 2023 Wis. Act 235 and renumbered to sub. (15) by the legislative reference bureau under s. 13.92 (1) (b) 2. The cross-references to s. 8.10 (8) were changed from s. 8.10 (7) by the legislative reference bureau under s. 13.92 (1) (b) 2. to reflect the renumbering under s. 13.92 (1) (b) 2. of s. 8.10 (7), as created by 2023 Wis. Act 235.

(16) Judicial security profiles. (a) In this subsection:

1. “Judicial officer” means a person who currently is or who formerly was a court justice, court of appeals judge, circuit court judge, municipal judge, tribal judge, temporary or permanent reserve judge, or circuit, supplemental, or municipal court commissioner.

2. “Judicial security profile form” means a form prescribed by the director of state courts.

(b) An authority shall not provide access under s. 19.35 (1) to a judicial security profile form that is completed by or on behalf of a judicial officer and used to develop an emergency response plan.

NOTE: Sub. (16) was created as sub. (14) by 2023 Wis. Act 236 and renumbered to sub. (16) by the legislative reference bureau under s. 13.92 (1) (b) 2.

A settlement agreement containing a pledge of confidentiality and kept in the possession of an attorney’s law firm is an exempt record subject to a public access under sub. (3). Journal/Sentinel, Inc. v. School Board, 186 Wis. 2d 445, 521 N.W.2d 165 (Cl. App. 1994).

The ultimate purchasers of municipal bonds from the bond’s underwriter, whose only obligation was to purchase the bonds, were not contractor’s records under sub. (16). Machotka v. Village of West Salem, 2000 WI App 43, 233 Wis. 2d 106, 607 N.W.2d 319, 99–116.

Production of an analog audio tape was insufficient under sub. (4) when the requester had not requested and was not copied to an optical digital audio tape. State ex rel. Milwaukee Police Ass’n v. Jones, 2000 WI App 146, 237 Wis. 2d 840, 615 N.W.2d 190, 98–3629.

Requests for immigration admissions records focusing on test score, class rank, grade point average, race, gender, ethnicity, and socio-economic background were not required to provide personally identifiable information and release was not barred by federal law or public policy. That the requests would require the university to redact information from thousands of documents under sub. (6) did not essentially require the university to create new records and, as such, did not provide grounds for denying the request under s. 19.35 (1) (l). Osborn v. Board of Regents, 2002 WI 83, 258 Wis. 2d 266, 647 N.W.2d 158, 80–2861.

“Comments” in s. 19.35 (1) (b) includes only that conducted by the public authority itself as a prelude to possible disciplinary administrative action. An investigation achieves its “disposition” when the authority acts to impose discipline on an employee. A request for the investigation, regardless of whether the employee was found to have committed or incarcerated person later than 90 days after the date that the request is denied by the authority having custody of the record or part of the record.

(1M) Time for commencing action. No action for mandamus under sub. (1) to challenge the denial of a request for access to a record or part of a record after a written request for disclosure is made, the requester may pursue either, or both, of the alternatives under pars. (a) and (b).

(a) The requester may bring an action for mandamus asking a court to order the release of the record. The court may permit the parties or their attorneys to have access to the requested record under restrictions or protective orders as the court deems appropriate.

(b) The requester may, in writing, request the district attorney of the county where the record is found, or request the attorney general, to bring an action for mandamus asking a court to order release of the record to the requester. The district attorney or attorney general may bring such an action.

(1N) Notice of claim. Sections 893.80 and 893.82 do not apply to actions commenced under this section.

(2) Costs, fees and damages. (a) Except as provided in this paragraph, the court shall award reasonable attorney fees, damages of not less than $100, and other actual costs to the requester if the requester prevails in whole or in substantial part in any action filed under sub. (1) relating to access to a record or part of a record under s. 19.35 (1) (a). If the requester is a committed or incarcerated person, the requestor shall receive any costs, fees or damages, but the court may award damages. Costs and fees shall be paid by the authority affected or the unit of government of which it is a part, or by the unit of government by which the legal custodian under s. 19.33 is employed and may not become a personal liability of any public official.

(b) In any action filed under sub. (1) relating to access to a record or part of a record under s. 19.35 (1) (am), if the court finds that the authority acted in a willful or intentional manner, the court shall award the individual actual damages sustained by the individual as a consequence of the failure.

19.37 GENERAL DUTIES OF PUBLIC OFFICIALS

(3) PUNITIVE DAMAGES. If a court finds that an authority or legal custodian under s. 19.33 has arbitrarily and capriciously denied or delayed response to a request or charged excessive fees, the court may award punitive damages to the requester.

(4) PENALTY. Any authority which or legal custodian under s. 19.33 who arbitrarily and capriciously denies or delays response to a request or charges excessive fees may be required to forfeit not more than $1,000. Forfeitures under this section shall be enforced by action on behalf of the state by the attorney general or by the district attorney of any county where a violation occurs.

In actions brought by the attorney general, the court shall award any forfeiture recovered together with reasonable costs to the county.

If an agency exercises due diligence but is unable to respond timely to a records request, the plaintiff must show that a mandamus action was necessary to secure the records relevant to qualify for an award of fees and costs under sub. (2). "Friends of Education Ass’n v. Board of Education, 145 Wis. 2d 518, 427 N.W.2d 414 (Ct. App. 1988). But see Friends of Frame Park, U.A. v. City of Waukesha, 2022 WI 57, 403 Wis. 2d 1, 976 N.W.2d 263, 19–0096.

For purposes of the fee shifting provision under sub. (2) (a), to prevail in whole or in substantial part the party must demonstrate change in the parties’ legal relationship. Friends of Frame Park, U.A. v. City of Waukesha, 2022 WI 57, 403 Wis. 2d 1, 976 N.W.2d 263, 19–0096. But see Wisconsin State Journal v. Friends of Frame Park, 2023 WI App 18, 407 Wis. 2d 472, 991 N.W.2d 811, 2023–0067.

Friends of Frame Park, 2022 WI 57, does not preclude applying the prevailing-party test in a case in which a governmental authority voluntarily releases the requested records after initially denying their release. A decision on the merits challenging the authority’s initial outright denial of the records will have a practical effect on the requester’s entitlement to attorney fees. More specifically, if a court orders the records to be made available in advance of the prevailing-party test stated in Friends of Frame Park, Wisconsin State Journal v. Blazel, 2023 WI 57, 407 Wis. 2d 472, 991 N.W.2d 811, 2023–0067.

Actual damages are the liability of the agency. Punitive damages and forfeitures can be the liability of either the agency or the legal custodian, or both. Section 895.46 (1) (a) probably provides indemnification for punitive damages assessed against a custodian, but not for forfeitures. 72 Att'y Gen. 99.

19.39 Interpretation by attorney general. Any person may request advice from the attorney general as to the applicability of this subsection under any circumstances. The attorney general may respond to such a request.

Cross-reference: See also s. ETH 16.02. Wis. adm. code.

Law Revision Committee Note: This subchapter establishes consistency in the usage of the terms “person,” “individual” and “organization” in the code of ethics for state public officials. The term “person” is the broadest of these terms, and refers to any legal entity. The use of the term “person” in the bill is consistent with the definition of the word in s. 990.01 (26), stats., which provides that “person” includes all partnerships, associations and bodies politic or corporate. The term “organization” is narrower, and is defined in s. 19.42 (11), stats., as “any corporation, partnership, proprietorship, firm, enterprise, franchise, association, trust or other legal entity other than an individual or body politic.” “Individual,” although not specifically defined in the current statutes or in this bill, is used consistently in this bill to refer to natural persons.

The term “income” is used several times in the code of ethics for state public officials. This bill clarifies the current definition of income by providing a specific cross-reference to the internal revenue code and by providing that the definition refers to the most recent version of the internal revenue code which has been adopted by the legislature for state income tax purposes.

When a person holds two government positions, one included in and the other exempted from the definition of state public official, the applicability of this subchapter depends upon the capacity in which the person acts. 64 Arty. Gen. 143.

(b) The identity of every organization or body politic in which the individual who is required to file or that individual’s immediate family, severally or in the aggregate, owes $5,000 or more and the approximate amount owed.

d) The real property located in this state in which the individual who is required to file or such individual’s immediate family holds an interest, other than the principal residence of the individual or his or her immediate family, and the nature of the interest held. An individual’s interest in real property does not include a proportional share of interests in real property if the individual’s proportional share is less than 10 percent of the outstanding shares or is less than an equity value of $5,000.

Law Revision Committee Note, 1983: Under the ethics code, each state public
official and candidate for state public office must file a statement of economic inter-
est with the ethics board listing the businesses, organizations and other legal entities
from which they and their families received substantial income during the preceding
taxable year. However, the ethics code does not require identification of individuals
persons from whom the income is received. This bill provides that if the individual filing
the statement of economic interests identifies the general nature of the business in
which the individual or a member of his or her family is engaged, then no identifica-
tion need be made of the estate of any deceased individual from which income was
received. This bill makes it unnecessary to identify a decedent’s estate which was
inherited to a state public official or candidate for state public office, and makes it
unnecessary to identify decedents’ estates which are represented by lawyer–public
officials.

A beneficiary of a future interest in a trust must identify the securities held by the
trust if the individual’s interest in the securities is valued at $5,000 or more. 80 Atty.
Gen. 183.

19.45 Standards of conduct; state public officials.

(1) The legislature hereby reaffirms that a state public official
holds his or her position as a public trust, and any effort to realize
substantial personal gain through official conduct is a violation of
that trust. This subchapter does not prevent any state public offi-
cial from accepting other employment or following any pursuit
which in no way interferes with the full and faithful discharge of
his or her duties to this state. The legislature further recognizes
that in a representative democracy, the representatives are drawn
from society and, therefore, cannot and should not be without all
personal and economic interest in the decisions and policies of
government; that citizens who serve as state public officials retain
their rights as citizens to interests of a personal or economic nature
that standards of ethical conduct for state public officials need to
distinguish between those minor and inconsequential con-
flicts that are unavoidable in a free society, and those conflicts
which are substantial and material; and that state public officials
may need to engage in employment, professional or business
activities, other than official duties, in order to support themselves
or their families and to maintain a continuity of professional or
business activity, or may need to maintain investments, which
activities or investments do not conflict with the specific provi-
sions of this subchapter.

(2) No state public official may use his or her public position
or office to obtain financial gain or anything of substantial value
for the private benefit of himself or herself or his or her immediate
family, or for an organization with which he or she is associated.
This subsection does not prohibit a state public official from using
the title or prestige of his or her office to obtain contributions per-
mitted and reported as required by ch. 11.

(3) No person may offer or give to a state public official,
directly or indirectly, and no state public official may solicit or
accept from any person, directly or indirectly, anything of value
if it could reasonably be expected to influence the state public offi-
cial’s vote, official actions or judgment, or could reasonably be
considered as a reward for any official action or inaction on the
part of the state public official. This subsection does not prohibit
a state public official from engaging in outside employment.

(3m) No state public official may accept or retain any trans-
portation, lodging, meals, food or beverage, or reimbursement
therefor, except in accordance with ss. 13.625 (4m) and 19.56 (3).

(4) No state public official may intentionally use or disclose
information gained in the course of or by reason of his or her offi-
cial position or activities in any way that could result in the receipt
of anything of value for himself or herself, for his or her immediate
family, or for any other person, if the information has not been
communicated to the public or is not public information.

(5) No state public official may use or attempt to use the public
position or official to influence an unlawful benefits, advantages or privileges personally or for others.

(6) No state public official, member of a state public official’s
immediate family, nor any organization with which the state public
official or a member of the official’s immediate family owns or
controls at least 10 percent of the outstanding equity, voting
rights, or outstanding indebtedness may enter into any contract or
lease involving a payment or payments of more than $3,000
within a 12–month period, in whole or in part derived from state
funds, unless the state public official has first made written disclo-
sure of the nature and extent of such relationship or interest to the
commission and to the department acting for the state in regard to
such contract or lease. Any contract or lease entered into in viola-
tion of this subsection may be voided by the state in an action com-
menced within 3 years of the date on which the commission, or the
department or officer acting for the state in regard to the allocation
of state funds from which such payment is derived, knew or
should have known that a violation of this subsection had
occurred. This subsection does not affect the application of s. 946.13.

(7) (a) No state public official who is identified in s. 20.923
may represent a person for compensation before a department or
any employee thereof, except:

1. In a contested case which involves a party other than the
state with interests adverse to those represented by the state public
official; or

2. At an open hearing at which a stenographic or other record
is maintained; or

3. In a matter that involves only ministerial action by the
department; or

4. In a matter before the department of revenue or tax appeals
commission that involves the representation of a client in connec-
tion with a tax matter.

(b) This subsection does not apply to representation by a state
public official acting in his or her official capacity.

(8) Except in the case where the state public office formerly
held was that of legislator, legislative employee under s. 20.923
(h) (hp), (f), (g) or (h), chief clerk of a house of the legislature, ser-
geant at arms of a house of the legislature or a permanent
employee occupying the position of auditor for the legislative
audit bureau:

(a) No former state public official, for 12 months following the
date on which he or she ceases to be a state public official, may,
for compensation, on behalf of any person other than a governmental entity, make any formal or informal appearance before, or negotiate with, any officer or employee of the department with which he or she was associated as a state public official within 12 months prior to the date on which he or she ceased to be a state public official.

(b) No former state public official, for 12 months following the date on which he or she ceases to be a state public official, may, for compensation, on behalf of any person other than a governmental entity, make any formal or informal appearance before, or negotiate with, any officer or employee of a department in connection with any judicial or quasi-judicial proceeding, application, contract, claim, or charge which might give rise to a judicial or quasi-judicial proceeding which was under the former official’s responsibility as a state public official within 12 months prior to the date on which he or she ceased to be a state public official.

(c) No former state public official may, for compensation, act on behalf of any party other than the state in connection with any judicial or quasi-judicial proceeding, application, contract, claim, or charge which might give rise to a judicial or quasi-judicial proceeding in which the former official participated personally and substantially as a state public official.

(9) The attorney general may not engage in the private practice of law during the period in which he or she holds that office.

No justice of the supreme court and no judge of any court of record may engage in the private practice of law during the period in which he or she holds that office. No full-time district attorney may engage in the private practice of law during the period in which he or she holds that office, except as authorized in s. 978.06 (5).

(10) This section does not prohibit a legislator from making inquiries for information on behalf of a person or from representing a person before a department if he or she receives no compensation therefor beyond the salary and other compensation or reimbursement to which the legislator is entitled by law, except as authorized under sub. (7).

(11) The legislature recognizes that all state public officials and employees and all employees of the University of Wisconsin Hospitals and Clinics Authority should be guided by a code of ethics and thus:

(a) The director of the bureau of merit recruitment and selection in the department of administration shall, with the commission’s advice, promulgate rules to implement a code of ethics for classified and unclassified state employees except state public officials subject to this subchapter, personnel in the University of Wisconsin System, and officers and employees of the judicial branch.

(b) The board of regents of the University of Wisconsin System shall establish a code of ethics for personnel in that system who are not subject to this subchapter.

(c) The supreme court shall promulgate a code of judicial ethics for officers and employees of the judiciary and candidates for judicial office which shall include financial disclosure requirements. All justices and judges shall, in addition to complying with this subchapter, adhere to the code of judicial ethics.

(d) The board of directors of the University of Wisconsin Hospitals and Clinics Authority shall establish a code of ethics for employees of the authority who are not state public officials.

(14) If a state public official receives an item that the official is not permitted to accept or retain under this subchapter or subch. III of ch. 13, the official shall do one of the following:

(c) Give the item to a charitable organization, as defined in s. 11.0101 (4), not including a charitable organization with which the official or his or her immediate family is associated.

(d) Return the item to the donor.

(e) If the donor is neither a lobbyist, as defined in s. 13.62 (11), nor a principal, as defined in s. 13.62 (12), purchase the item at its full retail value and keep the item.

A county board may provide for a penalty in the nature of a forfeiture for a violation of a code of ethics ordinance but may not bar violators from running for office. A violation is not a neglect of duties under s. 59.10 (now, s. 59.15) or an ipso facto cause for removal under s. 17.09 (1). 66 Atty. Gen. 148. See also 67 Atty. Gen. 164.

The ethics law does not prohibit a state public official from purchasing items and services that are available to the official because the official holds public office. If the opportunity to purchase the item or service itself has substantial value, the purchase of the item or service is prohibited. 80 Atty. Gen. 2011.

No person serving in a national, state or local office, as defined in s. 5.02, may accept any discount on the price of admission or parking charged to members of the general public, including any discount on the use of a sky box or private luxury box, at a stadium that is exempt from general property taxes under s. 70.11 (36).

No person acting after the date of the withdrawal or issuance of the revised advisory opinion is exempted from prosecution under this subsection if the opinion upon which the person’s action is based has been withdrawn or revised in relevant degree.

Except as authorized or required for opinions specified in s. 19.55 (4) (b), the commission’s deliberations and actions upon such requests shall be in meetings not open to the public.

For purposes of this subsection, the commission may only initiate an investigation of an alleged violation of ch. 11, subch. No later than 5 days after receiving a complaint, the commission shall notify each person who or which the complaint alleges committed such a violation. Before voting on whether to take any action regarding the complaint, other than to dismiss, the commission shall give each person receiving a notice under this subdivision an opportunity to demonstrate to the commission, in writing and within 15 days after receiving the notice, that the commission should take no action against the person on the basis of the information the commission may not conduct any investigation or take any other action under this subsection solely on the basis of a complaint by an unidentified complainant.

1m. If the commission finds, by a preponderance of the evidence, that a complaint is frivolous, the commission may order the complainant to forfeit not more than the greater of $500 or the expenses incurred by the commission in investigating the complaint.

2. Any person to whom ch. 11, subch. III of ch. 13, or this subchapter may have application may request the commission to make an investigation of his or her own conduct or of allegations made by other persons as to his or her conduct. Such a request shall be made in writing and shall set forth in detail the reasons therefor.

3. If the commission reviews a complaint and fails to find that there is a reasonable suspicion that a violation under subd. 1. has occurred or is occurring, the commission shall dismiss the complaint. If the commission believes that there is reasonable suspicion that a violation under subd. 1. has occurred or is occurring, the commission may by resolution authorize the commencement of an investigation. The resolution shall specifically set forth any matter that is authorized to be investigated. To assist in the investigation, the commission may elect to retain a special investigator. If the commission elects to retain a special investigator, the administrator shall submit to the commission the names of 3 qualified individuals to serve as a special investigator. The commission may retain one or more of the individuals. If the commission retains a special investigator to investigate a complaint against a person who is a resident of this state, the commission shall provide to the district attorney for the county in which the person resides a copy of the complaint and shall notify the district attorney that it has retained a special investigator to investigate the complaint. For purposes of this subdivision, a person other than an individual resides within a county if the person’s principal place of operation is located within that county. The commission shall enter into a written contract with any individual who is retained as a special investigator setting forth the terms of the engagement. A special investigator who is retained by the commission may request the commission to issue a subpoena to a specific person or to authorize the special investigator to request the circuit court of the county in which the specific person resides to issue a search warrant. The commission may grant the request by approving a motion to that effect at a meeting of the commission if the commission finds that such action is legally appropriate.

4. Each special investigator who is retained by the commission shall make periodic reports to the commission, as directed by the commission, but in no case may the interval for reporting exceed 30 days. If the commission authorizes the administrator to investigate any matter without retaining a special investigator, the administrator shall make periodic reports to the commission, as directed by the commission, but in no case may the reporting interval exceed 30 days. During the pendency of any investigation, the commission shall meet for the purpose of reviewing the progress of the investigation at least once every 90 days. The special investigator or the administrator shall report in person to the commission at that meeting concerning the progress of the investigation. If, after receiving a report, the commission does not vote to continue an investigation for an additional period not exceeding 90 days, the investigation is terminated at the end of the reporting interval. The commission shall not expend more than $25,000 to finance the cost of an investigation before receiving a report on the progress of the investigation and a recommendation to commit additional resources. The commission may vote to terminate an investigation at any time. If an investigation is terminated, any complaint from which the investigation arose is deemed to be dismissed by the commission. Unless an investigation is terminated by the commission, at the conclusion of each investigation, the administrator shall present to the commission one of the following:

a. A recommendation to make a finding that probable cause exists to believe that one or more violations under subd. 1. have occurred or are occurring, together with a recommended course of action.

b. A recommendation for further investigation of the matter together with facts supporting that course of action.

c. A recommendation to terminate the investigation due to lack of sufficient evidence to indicate that a violation under subd. 1. has occurred or is occurring.

5. a. If the commission finds that there is probable cause to believe that a violation under subd. 1. has occurred or is occurring, the commission may authorize the administrator to file a civil complaint against the alleged violator. In such case, the adminis-
tigator or the administrator may present that evidence to the commission. The commission may thereupon refer the matter to the appropriate district attorney specified in subd. 9. or may refer the matter to the attorney general. The attorney general may then commence a civil or criminal prosecution relating to the matter.

13. Except as provided in subd. 15., if the commission refers a matter to the district attorney specified in subd. 9. for prosecution of a potential violation under subd. 1. or 12. and the district attorney informs the commission that he or she declines to prosecute any alleged civil or criminal violation related to any matter referred to the district attorney by the commission, or the district attorney fails to commence a prosecution of any civil or criminal violation related to any matter referred to the district attorney by the commission within 60 days of the date of the commission’s referral, the commission may refer the matter to the district attorney for another prosecutorial unit that is contiguous to the prosecutorial unit of the district attorney to whom the matter was originally referred. If there is more than one such prosecutorial unit, the chairperson of the commission shall determine the district attorney to whom the matter shall be referred by publicly drawing lots at a meeting of the commission. The district attorney may then commence a civil or criminal prosecution relating to the matter.

14. Except as provided in subd. 15., if the commission refers a matter to a district attorney under subd. 13. for prosecution of a potential violation under subd. 1. or 12. and the district attorney informs the commission that he or she declines to prosecute any alleged civil or criminal violation related to any matter referred to the district attorney by the commission, or the district attorney fails to commence a prosecution of any civil or criminal violation related to any matter referred to the district attorney by the commission within 60 days of the date of the commission’s referral, the commission may refer the matter to the attorney general. The attorney general may then commence a civil or criminal prosecution relating to the matter.

15. The commission is not authorized to act under subd. 13. or 14. if a special prosecutor is appointed under s. 978.045 in lieu of the district attorney specified in subd. 9.

16. Whenever the commission refers a matter to special counsel or to a district attorney or to the attorney general under this subsection, the special counsel, district attorney, or attorney general shall report to the commission concerning any action taken regarding the matter. The report shall be transmitted no later than 40 days after the date of the referral. If the matter is not disposed of during that period, the special counsel, district attorney, or attorney general shall file a subsequent report at the end of each 30-day period following the filing of the initial report until final disposition of the matter.

(c) 1. No individual who serves as the administrator may have been a lobbyist, as defined in s. 13.62 (11). No such individual may have served in a partisan state or local office.

No individual who is retained by the commission to serve as a special investigator or as special counsel may, while so retained, become a candidate, as defined in s. 11.0101 (1), for any state or local office. A filing officer shall decline to accept nomination papers or a declaration of candidacy from any individual who does not qualify to become a candidate under this paragraph.

(d) No individual who serves as an employee of the commission and no individual who is retained by the commission to serve as a special investigator or a special counsel may, while so employed or retained, make a contribution, as defined in s. 11.0101 (8), to a candidate for state or local office. This paragraph does not prohibit a local public official from engaging in outside employment.

(br) No local public official or candidate for local public office may, directly or by means of an agent, give, or offer or promise to give, or withhold, or offer or promise to withhold, his or her vote or influence, or promise to take or refrain from taking official action with respect to any proposed or pending matter in consideration of, or upon condition that, any other person make or refrain from making a political contribution, or provide or refrain from providing any service or other thing of value, to or for the benefit of a candidate, a political party, any committee registered under ch. 11, or any person making a communication that contains a reference to a clearly identified local public official holding an elective office or to a candidate for local public office.

(d) Paragraph (c) does not prohibit a local public official from taking any action concerning the lawful payment of salaries or employee benefits or reimbursement of actual and necessary expenses, or prohibit a local public official from taking official action with respect to any proposal to modify a county or municipal ordinance.

(F) Paragraphs (a) to (c) do not apply to the members of a local committee appointed under s. 289.33 (7) (a) to negotiate with the owner or operator of, or applicant for a license to operate, a solid waste disposal or hazardous waste facility under s. 289.33, with
respect to any matter contained or proposed to be contained in a written agreement between a municipality and the owner, operator or applicant in an arbitration award or proposed award that is applicable to those parties.

   4. A district board member may receive and retain anything of value if the activity or occasion for which it is given is unrelated to the member’s use of the time, facilities, services or supplies of the district not generally available to all residents of the district and the member can show by clear and convincing evidence that the payment or reimbursement was unrelated to and did not arise from the recipient’s holding or having held a public office and was paid for a purpose unrelated to the purposes specified in subd. 3.

   7. No district board member may use or attempt to use the position held by the member to influence or gain unlawful benefits, advantages or privileges personally or for others.
   8. No district board member, member of a district board member’s immediate family, nor any organization with which the district board member or a member of the district board member’s immediate family owns or controls at least 10 percent of the outstanding equity, voting rights, or outstanding indebtedness may enter into any contract or lease involving a payment or payments of more than $3,000 within a 12-month period, in whole or in part derived from district funds unless the district board member has first made written disclosure of the nature and extent of such relationship or interest to the commission and to the district. Any contract or lease entered into in violation of this subdivision may be voided by the district in an action commenced within 3 years of the date on which the commission, or the district, knew or should have known that a violation of this subdivision had occurred. This subdivision does not affect the application of s. 946.13.
   9. No former district board member, for 12 months following the date on which he or she ceased to be a district board member, may, for compensation, on behalf of any person other than a governmental entity, make any formal or informal appearance before, or negotiate with, any officer or employee of a district with which he or she was associated as a district board member within 12 months prior to the date on which he or she ceased to be a district board member.

   (a) Give the item to the official’s agency to use or sell, except that the agency may not sell the item to any government employee or official.
   (b) Give the item to another local agency or to a public institution, such as a local school, library, or museum, that can use the item.
   (c) Give the item to a charitable organization, as defined in s. 11.0101 (4), not including a charitable organization with which the official or his or her immediate family is associated.
   (d) Return the item to the donor.
   (e) If the donor is neither a lobbyist, as defined in s. 13.62 (11), nor a principal, as defined in s. 13.62 (12), purchase the item at its full retail value and keep the item.

(1m) In addition to the requirements of sub. (1), any county, city, village or town may enact an ordinance establishing a code of ethics for public officials and employees of the county or municipality and candidates for county or municipal elective offices.

(2) An ordinance enacted under this section shall specify the positions to which it applies. The ordinance may apply to members of the immediate family of individuals who hold positions or who are candidates for positions to which the ordinance applies.

(3) An ordinance enacted under this section may contain any of the following provisions:
   A requirement for local public officials, other employees of the county or municipality and candidates for local public office to identify any of the economic interests specified in s. 19.44.
   A provision directing the county or municipal clerk or board of election commissioners to omit the name of any candidate from an election ballot who fails to disclose his or her economic interests in accordance with the requirements of the ordinance.

A board created under this paragraph may issue subpoenas, administer oaths and investigate any violation of the ordinance on its own motion or upon complaint by any person. The ordinance may empower the board to issue opinions upon request. Records of the board’s opinions, opinion requests and investigations of violations of the ordinance may be closed in whole or in part to public inspection if the ordinance so provides.

of former local public officials or former employees of the county or municipality.

(4) This section may not be construed to limit the authority of a county, city, village or town to regulate the conduct of its officials and employees to the extent that it has authority to regulate that conduct under the constitution or other laws.

(5) (a) Any individual, either personally or on behalf of an organization or governmental body, may request of a county or municipal ethics board, or, in the absence of a county or municipal ethics board, a county corporation counsel or attorney for a local governmental unit, an advisory opinion regarding the propriety of any matter to which the person is or may become a party. Any appointing officer, with the consent of a prospective appointee, may request of a county or municipal ethics board, or, in the absence of a county or municipal ethics board, a county corporation counsel or attorney for a local governmental unit an advisory opinion regarding the propriety of any matter to which the prospective appointee is or may become a party. The county or municipal ethics board or the county corporation counsel or attorney shall review a request for an advisory opinion and may advise the person making the request. Advisory opinions and requests therefor shall be in writing. It is prima facie evidence of intent to comply with this section or any ordinance enacted under this section when a person refers a matter to a county or municipal ethics board or a county corporation counsel or attorney for a local governmental unit and abides by the advisory opinion, if the material facts are as stated in the opinion request. A county or municipal ethics board may authorize a county corporation counsel or attorney to act in its stead in instances where delay is of substantial inconvenience or detriment to the request party. Except as provided in par. (b), neither the county corporation counsel or attorney for a local governmental unit nor a member or agent of a county or municipal ethics board may make public the identity of an individual requesting an advisory opinion or of individuals or organizations mentioned in the opinion.

(b) A county or municipal ethics board, county corporation counsel or attorney for a local governmental unit replying to a request for an advisory opinion may make the opinion public with the consent of the individual requesting the advisory opinion or the organization or governmental body on whose behalf it is requested and may make public a summary of an advisory opinion issued under this subsection after making sufficient alterations in the summary to prevent disclosing the identities of individuals involved in the opinion. A person who makes or purports to make public the substance of or any portion of an advisory opinion requested by or on behalf of the person waives the confidentiality of the request for an advisory opinion and of any records obtained or prepared by the county or municipal ethics board, the county corporation counsel or the attorney for the local governmental unit in connection with the request for an advisory opinion.

(6) Any county corporation counsel, attorney for a local governmental unit or statewide association of local governmental unit may request the commission to issue an opinion concerning the interpretation of this section. The commission shall review such a request and may advise the person making the request.

(7) (a) Any person who violates sub. (1) may be required to forfeit not more than $1,000 for each violation, and, if the court determines that the accused has violated sub. (1) (br), the court may, in addition, order the accused to forfeit an amount equal to the amount or value of any political contribution, service, or other thing of value that was wrongfully obtained. The court may, in addition, order the accused to forfeit an amount equal to the maximum contribution authorized under s. 11.1101 (1) for the office held or sought by the official, whichever amount is greater.

(b) In addition and supplementary to the remedy provided in sub. (7), the district attorney may commence an action, separately or in conjunction with an action brought to obtain the remedy provided in sub. (7), to obtain such other legal or equitable relief, including but not limited to mandamus, injunctive or declaratory judgment, as may be appropriate under the circumstances.

(c) If the district attorney fails to commence an action to enforce sub. (1) (a), (b), or (c) to (g) within 20 days after receiving a verified complaint or if the district attorney refuses to commence such an action, the person making the complaint may petition the attorney general to act upon the complaint. The attorney general may then bring an action under par. (a) or (b), or both.

(cm) No complaint alleging a violation of sub. (1) (br) may be filed during the period beginning 120 days before a general or spring election, or during the period commencing on the date of the order of a special election under s. 8.50, and ending on the date of the election, against a candidate who files a declaration of candidacy to have his or her name appear on the ballot at that election.

(cn) If the district attorney for the county in which a violation of sub. (1) (br) is alleged to occur receives a verified complaint alleging a violation of sub. (1) (br), the district attorney shall, within 30 days after receipt of the complaint, either commence an investigation of the allegations contained in the complaint or dismiss the complaint. If the district attorneyDismisses the complaint, with or without investigation, the district attorney shall notify the complainant in writing. Upon receiving notification of the dismissal, the complainant may then file the complaint with the attorney general or the district attorney for a county that is adjacent to the county in which the violation is alleged to occur. The attorney general or district attorney may then investigate the allegations contained in the complaint and commence a prosecution.

(d) If the district attorney prevails in such an action, the court shall award any forfeiture recovered together with reasonable costs to the county wherein the violation occurs. If the attorney general prevails in such an action, the court shall award any forfeiture recovered together with reasonable costs to the state.

SUBCHAPTER V

OPEN MEETINGS OF GOVERNMENTAL BODIES

19.81 Declaration of policy. (2) To implement and ensure the public policy herein expressed, all meetings of all state and local governmental bodies shall be publicly held in places reasonably accessible to members.
of the public and shall be open to all citizens at all times unless otherwise expressly provided by law.

History:

NOTE: The following annotations relate to s. 66.77, which was repealed by Chapter 426, laws of 1975.

Subsequent to the presentation of evidence by the taxpayer, a board of review's consideration of testimony by the village assessed at an executive session was contrary to the open meeting law. Although it was permissible for the board to convene a closed session for the purpose of deliberating after a quasi-judicial hearing, the proceeding did not constitute mere deliberations but were a continuation of the quasi-judicial hearing without the presence of or notice to the objecting taxpayer. Dolphin v. Board of Review, 70 Wis. 2d 403, 234 N.W.2d 277 (1975).

The open meeting law is not applicable to Wixom non governmental Judicial Commission. State ex rel. Lynch v. Dancey, 71 Wis. 2d 287, 238 N.W.2d 81 (1976). A regular open meeting, held subsequent to a closed meeting on another subject, does not constitute a reconvened open meeting when there was no prior open meeting on that day. 58 Atty. Gen. 41.

Consideration of a resolution is a formal action of an administrative or minor governmental body. A resolution taken in proper closed session, the resolution and result of the vote must be made available for public inspection, pursuant to s. 19.21, absent a specific showing that the public interest would be adversely affected. 60 Atty. Gen. 9.

Joint apprenticeship committees, appointed pursuant to Wis. Adm. Code provi- sions, are governmental bodies and subject to the requirements of the open meeting law. 61 Atty. Gen. 363.

Voting procedures employed by worker's compensation and unemployment advisory councils that utilized adjournment of public meeting for purposes of having members representing employers and members representing employees or workers to separately meet in caucuses and to vote as a block on reconvening was contrary to the open meetings law. State ex rel. Badke v. Village Board, 63 Atty. Gen. 43.

A governmental body can call closed sessions for proper purposes without giving notice to members of the news media who have filed written requests. 63 Atty. Gen. 470.

Discussing the meaning of “communication” with reference to giving the public and news media members adequate notice. 63 Atty. Gen. 509.

A governmental or quasi-governmental corporation, the corporation itself is not subject to the open meeting law. 66 Atty. Gen. 113.

Anyone has the right to tape-record an open meeting of a governmental body as a way of making public the governmental proceedings. 66 Atty. Gen. 113.

The open meeting law does not apply if the common council hears a grievance under a collective bargaining agreement. 67 Atty. Gen. 276.

Discussing the application of the open meeting law to the duties of WERC. 68 Atty. Gen. 171.

A senate committee meeting was probably held in violation of the open meetings law although there was never any intention prior to the gathering to attempt to debate any proposed or reach agreement on differences, to make any decisions or to vote on a bill or part thereof, to take any votes, or to resolve substantive differences. Quorum gatherings should be presumed to be in violation of the law, due to a quorum's ability to thereafter call, compose, and control by vote a formal meeting of a governmental body. 71 Atty. Gen. 63.

Nonstock corporations created by statute as bodies politic clearly fall within the definition of a governmental body. State v. Swanson, 72 Wis. 2d 287, 240 N.W.2d 414 (1976). A corporation is quasi-governmental if, based on the totality of circumstances, it appears to be an instrumentality of government. 73 Atty. Gen. 53.

Conferring on them the power to take collective action, such committees are created by rule under sub. (1), and the open meetings law applies to them. Here, a school board created a subcommittee of a joint board for the purpose specified in s. 60.50 (6), any gathering of the constituent districts for the purpose of joint meetings. 155 Wis. 2d 704, 456 N.W.2d 359 (1990).

The open meetings law is not intended to avoid this subchapter, any gathering of the members of a town board for the purpose specified in s. 60.50 (6), any gathering of the members of a governmental body when any of the members is not also a member of the second body, the gathering is a “meeting” unless the gathering is social or by chance. State ex rel. Board of Education, Village Board, 173 Wis. 2d 553, 494 N.W.2d 408 (1992).

The open meetings law is not meant to apply to single-member governmental bodies. 173 Wis. 2d 553, 494 N.W.2d 408 (1992).

A “meeting” under sub. (2) was found although the governmental body was not empowered to exercise the final powers of its parent body. State v. Swanson, 52 Wis. 2d 310, 284 N.W.2d 655 (1979).

A “meeting” under sub. (2) was found when members met with a purpose to engage in government business and the number of members present was sufficient to determine the parent body's course of action regarding the proposal discussed. State ex rel. Newspapers Inc. v. Showers, 135 Wis. 2d 77, 398 N.W.2d 154 (1987).

When a quorum of a governmental body attends the meeting of another governmental body when any of the members is not also a member of the second body, the gathering is a “meeting” unless the gathering is social or by chance. State ex rel. Board of Education, Village Board, 173 Wis. 2d 553, 494 N.W.2d 408 (1992).

The open meetings law is not meant to apply to single-member governmental bodies. 173 Wis. 2d 553, 494 N.W.2d 408 (1992).

A corporation is quasi-governmental if, based on the totality of circumstances, it resembles a governmental corporation in function, effect, or status, requiring a case-by-case analysis. Here, a primary consideration was that the body was funded exclusively by public tax dollars or interest thereon. Additionally, its office was located in the municipal building, it was listed on the city website, the city provided it with clerical support and office supplies, all its assets revert to the city if it ceased to exist, its books were open for city inspection, the mayor and another city official were directors, and it had no clients other than the city. State v. Beaver Dam Area Development Corp., 2008 WI 90, 312 Wis. 2d 84, 752 N.W.2d 295, 06-0662.

Any regular group of members of a governmental body that can be considered a governmental body if there is a constitution, statute, ordinance, rule, or order conferring collective power and defining when it exists. To cause a body to exist, the relevant directive must conferring on it the collective responsibilities, authority, power, or duties necessary to a governmental body's existence under the open meetings law. The creation of a governmental body is not triggered merely by any deliberate meetings involving government business between two or more officials. Loosely organized, ad hoc gatherings of government employees, without more, do not constitute governmental bodies. Rather, an entity must exist that has the power to take collective action that the members cannot take individually. State v. Appleton Area School Dis. Board of Education, 2017 WI 70, 736 Wis. 2d 239, 898 N.W.2d 35, 15-0231.

When a governmental entity adopts a rule authorizing the formation of committees to engage in collective action, such a committee is created by rule under sub. (1), and the open meetings law applies to them. Here, a school board provided that the review of educational materials shall be done according to a rule-approved handbook. The handbook, in turn, authorized committees with a defined membership and the power to review educational materials and make formal recommendations for board approval. Because the committee meeting law incorporated the “governmental body” definition of the open meetings law, it was created by rule and therefore was a “governmental body” under sub. (1). State ex rel. Krueger v. Appleton Area Board Orders filed before and in effect on May 30, 2024, are designated by NOTES. (Published 5–30–24)

Under *Shoemakers*, 135 Wis. 2d 77 (1987), the open meetings law may apply to a walking quorum. A walking quorum is a series of gatherings among separate groups of members of a governmental body, each less than quorum size, who agree, tacitly or explicitly, to act uniformly in sufficient number to reach a quorum. To establish a walking quorum, a plaintiff must prove that members of a governmental body purposefully engaged in discussions of governmental business and that the discussions were held between a sufficient number of members so as to affect the vote. State ex rel. Zecchin v. Dane County, 2018 WI App 19, 380 Wis. 4d 453, 909 N.W.2d 203, 17–0002.

A municipal public utility commission managing a city owned public electric utility is a governmental body under sub. (1). 65 Atty. Gen. 243.

A “private conference” under s. 118.22 (3) on nonrenewal of a teacher’s contract would be considered a “meeting” within sub. (2). 66 Atty. Gen. 211.

A private home may qualify as a meeting place under sub. (3). 67 Atty. Gen. 125.

A telephone conference call involving members of a governmental body is a “meeting” that must be reasonably accessible to the public, and public notice must be given. 69 Atty. Gen. 143.

A “quasi-governmental corporation” in sub. (1) includes private corporations that closely resemble governmental corporations in function, effect, or status. 80 Atty. Gen. 129.

Electronically canvassing boards operating under ss. 7.51, 7.53, and 7.60 are governmental bodies subject to the open meetings law—including the public notice, purpose, and session, and reasonable public access requirements—when they convene for the purpose of carrying out their statutory canvassing activities, but not when they are gathered only as individual inspectors fulfilling administrative duties. OAG 5–14.

### 19.83 Meetings of governmental bodies.

1. Every meeting of a governmental body shall be preceded by public notice as provided in s. 19.84, and shall be held in open session. At any meeting of a governmental body, all discussion shall be held and all action of any kind, formal or informal, shall be initiated, deliberated upon and acted upon only in open session except as provided in s. 19.85.

2. During a period of public comment under s. 19.84 (2), a governmental body may discuss any matter raised by the public.

### 19.84 Public notice.

1. Public notice of all meetings of a governmental body shall be given in the following manner:

   a. As required by any other statutes; and

   b. By communication from the chief presiding officer of a governmental body or such person’s designee to the public, to those news media who have filed a written request for such notice, and to the official newspaper designated under ss. 985.04, 985.05 and 985.06 or, if none exists, to a newspaper medium likely to give notice in the area. Communication from the chief presiding officer of a governmental body or such person’s designee shall be made to the public using one of the following methods:

      1. Post a notice in at least 3 public places likely to give notice to persons affected.

      2. Post a notice in at least one public place likely to give notice to persons affected and placing a notice electronically on the governmental body’s Internet site.

      3. By paid publication in a newspaper likely to give notice to persons affected.

   (2) Every public notice of a meeting of a governmental body shall set forth the time, date, place and subject matter of the meeting, including that intended for consideration at any contemplated closed session, in such form as is reasonably likely to apprise members of the public and the news media thereof. The public notice of a meeting of a governmental body may provide for a period of public comment, during which the body may receive information from members of the public.

   (3) Public notice of every meeting of a governmental body shall be given at least 24 hours prior to the commencement of such meeting unless for good cause such notice is impossible or impractical, in which case shorter notice may be given, but in no case may the notice be provided less than 2 hours in advance of the meeting.

   (4) Separate public notice shall be given for each meeting of a governmental body at a time and date reasonably proximate to the time and date of the meeting.

   (5) Departments and their subunits in any University of Wisconsin System institution or campus are exempt from the requirements of subs. (1) to (4) but shall provide meeting notice which is reasonably likely to apprise interested persons, and news media who have filed written requests for such notice.

   (6) Notwithstanding the requirements of s. 19.83 and the requirements of this section, a governmental body which is a formally constituted subunit of a parent governmental body may conduct a meeting without public notice as required by this section during a lawful meeting of the parent governmental body, during a recess in such meeting or immediately after such meeting for the purpose of discussing or acting upon a matter which was the subject of that meeting of the parent governmental body. The presiding officer of the parent governmental body shall publicly announce the time, place and subject matter of the meeting of the subunit in advance at the meeting of the parent body.

There is no requirement in this section that the notice provided be exactly correct in every detail. State ex rel. Olson v. City of Baraboo Joint Review Board, 2002 WI App 64, 252 Wis. 2d 628, 643 N.W.2d 796, 01–0201.

If notice does not expressly require that the notice indicate whether a meeting will be purely deliberative or if action will be taken. The notice must alert the public of the importance of the meeting. Although a failure to expressly state whether action will be taken could be a violation, the existence of knowing whether a vote would be taken is diminished when no input from the audience is allowed or anticipated. State ex rel. Olson v. City of Baraboo Joint Review Board, 2002 WI App 64, 252 Wis. 2d 628, 643 N.W.2d 796, 01–0201.

Sub. (2) sets forth a reasonableness standard for determining whether notice of a meeting is sufficient that it strikes the proper balance between the public’s right to information and the government’s need to efficiently conduct its business. The standard requires taking into account the circumstances of the case, which includes analyzing such factors as the burden of providing more detailed notice, whether the subject is of particular public interest, and whether it involves non-routine action that the public would not be likely to anticipate. State ex rel. Bielskow v. Town of Brown Area School District, 2007 WI 71, 301 Wis. 2d 178, 732 N.W.2d 804, 05–2998.

The supreme court concluded to review the validity of the procedure used to give notice of a joint legislative committee on conference alleged to violate the sub. (3) 24-hour notice requirement. The court will not determine whether internal operating rules or procedural statutes have been complied with by the legislature in the course of its enactments and will not intermeddle in what it views, in the absence of constitutional directives to the contrary, to be purely legislative concerns. State ex rel. Ozanne v. Fitzgerald, 2011 WI 43, 354 Wis. 2d 70, 798 N.W.2d 436, 11–0613.

Under sub. (1) (b), a written request for notice of meetings of a governmental body should be filed with the chief presiding officer or designee, and a separate written request should be filed with each specific governmental body. 65 Atty. Gen. 166. Discussing the method of giving notice pursuant to sub. (1). 65 Atty. Gen. 250.

Discussing the specificity of notice required by a governmental body. 66 Atty. Gen. 143, 195.

Discussing the requirements of notice given to newspapers under this section. 66 Atty. Gen. 230.

A town board, but not an annual town meeting, is a “governmental body” within the meaning of the open meetings law. 66 Atty. Gen. 237.

News media who have filed written requests for notices of public meetings cannot be charged fees by governmental bodies for communication of the notices. 77 Atty. Gen. 312.

A newspaper is not obligated to print a notice received under sub. (1) (b), nor is a governmental body obligated to pay for publication. Martin v. Wray, 473 F. Supp. 1131 (1979).

### 19.85 Exemptions.

1. Any meeting of a governmental body, upon motion duly made and carried, may be convened in closed session under one or more of the exemptions provided in this section. The motion shall be carried by a majority vote in such manner that the vote of each member is ascertained and recorded in the minutes. No motion to convene in closed session may be adopted unless the chief presiding officer announces to those present at the meeting at which such motion is made, the nature of the business to be considered at such closed session, and the specific exemption or exemptions under this subsection by which such closed session is claimed to be authorized. Such announcement shall become part of the record of the meeting. No business may be taken up at any closed session except that which relates to matters contained in the chief presiding officer’s announcement of the closed session. A closed session may be held for any of the following purposes:
GENERAL DUTIES OF PUBLIC OFFICIALS

(a) Deliberating concerning a case which was the subject of any judicial or quasi-judicial trial or hearing before that governmental body.

(b) Considering dismissal, demotion, licensing or discipline of any public employee or person licensed by a board or commission or the investigation of charges against such person, or considering the grant or denial of tenure for a university faculty member, and the taking of formal action on any such matter; provided that the faculty member or other public employee or person licensed is given actual notice of any evidentiary hearing which may be held prior to final action being taken and of any meeting at which final action may be taken. The notice shall contain a statement that the person has the right to demand that the evidentiary hearing or meeting be held in open session. This paragraph and par. (f) do not apply to any such evidentiary hearing or meeting where the employee or person licensed requests that an open session be held.

(c) Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility.

(d) Except as provided in s. 304.06 (1) (eg) and by rule promulgated under s. 304.06 (1) (em), considering specific applications of probation, extended supervision or parole, or considering strategy for crime detection or prevention.

(e) Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session.

(f) Deliberating by the council on unemployment insurance in a meeting at which all employer members of the council or all employee members of the council are excluded.

(g) Deliberating by the council on worker’s compensation in a meeting at which all employer members of the council or all employee members of the council are excluded.

(h) Deliberating under s. 157.70 if the location of a burial site, as defined in s. 157.70 (1) (b), is a subject of the deliberation and if discussing the location in public would be likely to result in disturbance of the burial site.

(i) Considering financial, medical, social or personal histories or disciplinary data of specific persons, preliminary consideration of specific personnel problems or the investigation of charges against specific persons except where par. (b) applies which, if discussed in public, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such histories or data, or involved in such problems or investigations.

(j) Confering with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved.

(k) Consideration of requests for confidential written advice from the elections commission under s. 5.05 (6a) or the ethics commission under s. 19.46 (2), or from any county or municipal ethics board under s. 19.59 (5).

(2) No governmental body may commence a meeting, subsequently convene in closed session and thereafter reconvene again in open session within 12 hours after completion of the closed session, unless public notice of such subsequent open session was given at the same time and in the same manner as the public notice of the meeting convened prior to the closed session.

(3) Nothing in this subchapter shall be construed to authorize a governmental body to consider at a meeting in closed session the final ratification or approval of a collective bargaining agreement under subch. I, IV, or V of ch. 111 which has been negotiated by such body or on its behalf.

Although a meeting was properly closed, in order to refuse inspection of records of the meeting, the custodian was required by s. 19.35 (1) (a) to state specific and sufficient public policy reasons why the public interest in nondisclosure outweighed the public’s right of inspection. Oshkosh Northwestern Co. v. Oshkosh Library Board, 125 Wis. 2d 480, 373 N.W.2d 459 (Ct. App. 1985).

A “case” under sub. (1) (a) contemplates an adversarial proceeding. It does not connote the mere application for and granting of a permit. State ex rel. Hodge v. Town of Lake, 180 Wis. 2d 62, 512 N.W.2d 603 (1993).

A closed session to discuss an employee’s dismissal was properly held under sub. (1) (b) and did not require notice to the employee under sub. (1) (b) when no evidentiary hearing or final action took place in the closed session, Wisconsin v. City of Neillsville, 218 Wis. 2d 516, 581 N.W.2d 548 (Ct. App. 1998), 97–0403.

Section 19.35 (1) (a) does not mandate that, when a meeting is closed under this section, all records created for or resulting from such meeting be made confidential. The court must still apply the balancing test articulated in Linzmeyer, 2002 WI 84. Zellner v. Cedarburg School District, 2007 WI 53, 300 Wis. 2d 290, 711 N.W.2d 241 (2006). The exception under sub. (1) (c) must be strictly construed. A private entity’s desire for confidentiality did not permit a closed meeting. A governing body’s belief that secret meetings would produce cost savings did not justify closing the door to public scrutiny. Providing contingencies allowing for future public input was insufficient. Because legitimate concerns were present for portions of some of the meetings, the entire meeting must be closed. Friends of the Bluffs v. City of Milwaukee, 2005 WI App 144, 300 Wis. 2d 649, 731 N.W.2d 646, 06–0427.

In allowing governmental bodies to conduct closed sessions in limited circumstances, this section does not create a blanket privilege shielding closed session contents from discovery. There is no implicit or explicit confidentiality mandate. A closed and open meeting is not synonymous with a meeting that, by definition, entails a closing its exemptions from discovery. Sands v. Whittall School District, 2008 WI App 172, 754 N.W.2d 105, 1026.

Sub. (1) (e) can be invoked to prevent disclosure of a negotiation strategy or other insider information that is not available to one party in a negotiation. Sub. (1) (c) cannot, however, be invoked merely because a private entity desires confidentiality; because the public will later have an opportunity to provide comments on a request for confidentiality when the other side remains free to negotiate with potential competitors. In addition, there are public policy reasons why sub. (1) (e) should not generally be used to shield competition among governmental entities, as this could harm both consumers and those citizens interested in the workings of their government. Frame Park, U.A. v. City of Waukesha, 2020 WI App 61, 394 Wis. 2d 387, 950 N.W.2d 270 (2020), 19–0096.

Reversed on other grounds. 2022 WI 57, 403 Wis. 2d 1, 976 N.W.2d 263, 19–0096.

Boards of review cannot rely on the exemptions in sub. (1) to close any meeting in violation of the explicit requirements in s. 70.47 (2m). 65 Atty. Gen. 162.

A university subunit may discuss promotions not relating to tenure, merit increases, and property purchase recommendations in closed session. 66 Atty. Gen. 60.

Neither sub. (1) (c) nor (f) authorizes a school board to make actual appointments of a new member in closed session. 74 Atty. Gen. 70.

A county board chairperson and committee are not authorized by sub. (1) (c) to make actual appointments to county boards or committees in closed session. Sub. (1) (f) would authorize closed sessions. 76 Atty. Gen. 276.

Sub. (1) (c) does not permit closed sessions to consider employment, compensation, promotion, or performance evaluation policies to be applied to a position of employment in general. 80 Atty. Gen. 177.

A governmental body may convene in closed session to formulate collective bargaining strategy, but sub. (3) requires that deliberations leading to ratification of a tentative agreement with a bargaining unit, as well as the ratification vote, must be held in open session. 81 Atty. Gen. 139.

“Evidentiary hearing,” as used in sub. (1) (b), means a formal examination of accusations by receiving testimony or other forms of evidence that may be relevant to the dispensation, demotion, licensing, or discipline of any public employee or employees covered by that section. A council that considered a mayor’s accusations against an employee in closed session without giving the employee prior notice violated the requirement of actual notice to the employee. Campana v. City of Greenfield, 216 Wis. 2d 834, 578 N.W.2d 56 (1998).

19.851 Closed sessions by ethics or elections commission. (1) Prior to convening under this section or under s. 19.85 (1), the ethics commission and the ethics commission shall vote to convene in closed session in the manner provided in s. 19.85 (1). The ethics commission shall identify the specific reason or reasons under sub. (2) and s. 19.85 (1) (a) (h) for convening in closed session. The ethics commission shall identify the specific reason or reasons under s. 19.85 (1) (a) (h) for convening in closed session. No business may be conducted by the ethics commission or the elections commission at any closed session.
under this section except that which relates to the purposes of the session as authorized in this section or as authorized in s. 19.85 (1).

(2) The commission shall hold each meeting of the commission for the purpose of deliberating concerning an investigation of any violation of the law under the jurisdiction of the commission in closed session under this section.

(3) The commission shall convene in closed session for any of the following purposes:

(a) To consider whether there is a reasonable suspicion or probable cause to believe that a violation of the law occurred or is occurring based on a complaint and, if received, a response to that complaint.

(b) To receive reports concerning audit findings and consider whether there is a reasonable suspicion or probable cause to believe that a violation of the law occurred or is occurring.

History: 2007 a. 1; 2015 a. 118; 2023 a. 120.

19.86 Notice of collective bargaining negotiations. Notwithstanding s. 19.82 (1), where notice has been given by either party to a collective bargaining agreement under subch. I, IV, or V of ch. 111 to reopen such agreement at its expiration date, the employer shall give notice of such contract reopening as provided in s. 19.84 (1) (b). If the employer is not a governmental body, notice shall be given by the employer’s chief officer or such person’s designee.

19.87 Legislative meetings. This subchapter shall apply to all meetings of the senate and assembly and the committees, subcommittees and other subunits thereof, except that:

(1) Section 19.84 shall not apply to any meeting of the legislature or a subunit thereof called solely for the purpose of scheduling business before the legislative body; or adopting resolutions of which the sole purpose is scheduling business before the senate or the assembly.

(2) No provision of this subchapter which conflicts with a rule of the senate or assembly or joint rule of the legislature shall apply to a meeting conducted in compliance with such rule.

(3) No provision of this subchapter shall apply to any partisan caucus of the senate or any partisan caucus of the assembly, except as provided by legislative rule.

(4) Meetings of the senate or assembly committee on organization under s. 71.78 (4) (c) or 77.61 (5) (b) 3. shall be closed to the public.

History: 1975 c. 426; 1977 c. 418; 1987 a. 312 s. 17.

Former open meetings law, s. 66.74 (4) (g), 1973 stats., excepted “partisan caucuses of the members” of the state legislature from coverage of the law applied to a closed meeting of the members of one political party on a legislative committee to discuss a bill. The contention that this exception was only intended to apply to the partisan caucuses of the whole houses would have been supportable if the exception were simply for “partisan caucuses of the state legislature” rather than partisan caucuses of members of the state legislature. State ex rel. Lynch v. Contra, 71 Wis. 2d 662, 239 N.W.2d 313 (1976).

In contrast to former s. 66.74 (4) (g), 1973 stats., sub. (3) applies to partisan caucuses of the houses, rather than to caucuses of members of the houses. State ex rel. Newspapers Inc. v. Shower, 135 Wis. 2d 77, 398 N.W.2d 154 (1987).

19.88 Ballots, votes and records. (1) Unless otherwise specifically provided by statute, no secret ballot may be utilized to determine any election or other decision of a governmental body except the election of the officers of such body in any meeting.

(2) Except as provided in sub. (1) in the case of officers, any member of a governmental body may require that a vote be taken at any meeting in such manner that the vote of each member is ascertained and recorded.

(3) The motions and roll call votes of each meeting of a governmental body shall be recorded, preserved and open to public inspection,” in turn, required the defendant commission to record and disclose the information the newspaper requested under the open records law. The newspaper could not seek relief under the public records law for the commission’s alleged violation of the open meetings law and could not recover reasonable attorney fees, damages, and other actual costs under s. 19.37 (2) for an alleged violation of the open meetings law. Journal Times v. City of Racine Board of Police & Fire Commissioners, 2015 WI 56, 362 Wis. 2d 577, 866 N.W.2d 13-1715.

Under sub. (1), a common council may not vote to fill a vacancy on the common council by secret ballot. 65 Atty. Gen. 131.

19.89 Exclusion of members. No duly elected or appointed member of a governmental body may be excluded from any meeting of such body. Unless the rules of a governmental body provide to the contrary, no member of the body may be excluded from any meeting of a subunit of that governmental body.

History: 1975 c. 426.

19.90 Use of equipment in open session. Whenever a governmental body holds a meeting in open session, the body shall make a reasonable effort to accommodate any person desiring to record, film or photograph the meeting. This section does not permit recording, filming or photographing such a meeting in a manner that interferes with the conduct of the meeting or the rights of the participants.

History: 1977 c. 322.

19.96 Penalty. Any member of a governmental body who knowingly attends a meeting of such body held in violation of this subchapter, or who, in his or her official capacity, otherwise violates this subchapter by any act or omission shall forfeit without reimbursement not less than $25 nor more than $300 for each such violation. No member of a governmental body is liable under this subchapter on account of his or her attendance at a meeting held in violation of this subchapter if he or she makes or votes in favor of a motion to prevent the violation from occurring, or if, before the violation occurs, his or her votes on all relevant motions were inconsistent with all those circumstances which cause the violation.

History: 1975 c. 426.

The state need not prove specific intent to violate the open meetings law. State v. Swanson, 92 Wis. 2d 310, 284 N.W.2d 655 (1979).

19.97 Enforcement. (1) This subchapter shall be enforced in the name and on behalf of the state by the attorney general or, upon the verified complaint of any person, by the district attorney of any county wherein a violation may occur. In actions brought by the attorney general, the court shall award any forfeiture recovered together with reasonable costs to the state; and in actions brought by the district attorney, the court shall award any forfeiture recovered together with reasonable costs to the county.

(2) In addition and supplementary to the remedy provided in s. 19.96, the attorney general or the district attorney may commence an action, separately or in conjunction with an action brought under s. 19.96, to obtain such other legal or equitable relief, including but not limited to mandamus, injunction or declaratory judgment, as may be appropriate under the circumstances.

(3) Any action taken at a meeting of a governmental body held in violation of this subchapter is voidable, upon action brought by the attorney general or the district attorney of the county wherein the violation occurred. However, any judgment declaring such action void shall not be entered unless the court finds, under the facts of the particular case, that the public interest in the enforcement of this subchapter outweighs any public interest which there may be in sustaining the validity of the action taken.

(4) If the district attorney refuses or otherwise fails to commence an action to enforce this subchapter within 20 days after receiving a verified complaint, the person making such complaint may bring an action under sub. (1) to (3) on his or her relation in the name, and on behalf, of the state. In such actions, the court may award actual and necessary costs of prosecution, including reasonable attorney fees to the relator if he or she prevails, but any forfeiture recovered shall be paid to the state.
Sections 893.80 and 893.82 do not apply to actions commenced under this section.

**Judicial Council Note, 1981:** Reference in sub. (2) to a “writ” of mandamus has been removed because that remedy is now available in an ordinary action. See s. 781.01, stats., and the note thereto. [Bill 613-A]

Awards of attorney fees are to be at a rate applicable to private attorneys. A court may review the reasonableness of the hours and hourly rate charged, including the rates for similar services in the area, and may in addition consider the peculiar facts of the case and the responsible party’s ability to pay. State ex rel. Hodge v. Town of Turtle Lake, 190 Wis. 2d 181, 526 N.W.2d 784 (Ct. App. 1994).

Actions brought under the open meetings and open records laws are exempt from the notice provisions of s. 893.80. State ex rel. Auchinleck v. Town of LaGrange, 200 Wis. 2d 585, 547 N.W.2d 387 (1996), 94-2809.

Failure to bring an action under this section on behalf of the state is fatal and deprives the court of competency to proceed. Fabyan v. Achtenhagen, 2002 WI App 214, 257 Wis. 2d 310, 652 N.W.2d 649, 01-3298.

Complaints under the open meetings law are not brought in the individual capacity of the plaintiff but on behalf of the state, subject to the two-year statute of limitations under s. 893.93 (2). State ex rel. Leung v. City of Lake Geneva, 2003 WI App 129, 265 Wis. 2d 674, 666 N.W.2d 104, 02-2747.

When a town board’s action was voided by the court due to lack of statutory authority, an action for enforcement under sub. (6) by an individual as a private attorney general on behalf of the state against individual board members for a violation of the open meetings law that would subject the individual board members to civil forfeitures was not rendered moot. State ex rel. Lawton v. Town of Barton, 2005 WI App 16, 278 Wis. 2d 388, 692 N.W.2d 304, 04-0659.

**19.98 Interpretation by attorney general.** Any person may request advice from the attorney general as to the applicability of this subchapter under any circumstances.
