190.08 **Streams, highways, restored.** Every corporation constructing, owning or operating a railroad shall restore every watercourse, street, highway, road or canal across, long or upon which such railroad may be constructed to its former state or to such usefulness as the statute implies only a duty to “restore all effects “produced by such railroad,” and the conditions necessitating the alteration were in no way produced by the railroad. Metropolitan Sewerage District of County of Milwaukee v. Chicago Milwaukee St. Paul & Pacific Railroad Co. 69 Wis. 2d 387, 230 N.W.2d 651 (1975).

Under this section, the common law, a railroad was liable for the cost of replac- ing banks that a creek’s flow and hindered its drainage function as under the statute the railroad had a duty to restore the stream “to such condition that its usefulness shall not be materially impaired,” and under the common law its duty was to continually maintain the bridge so as not to materially interfere with the stream’s natural flow. Metropolitan Sewerage District of County of Milwaukee v. Chicago Mil- waukee St. Paul & Pacific Railroad Co. 69 Wis. 2d 387, 230 N.W.2d 651 (1975).

In the absence of sufficient proof that the old bridge was inadequate to carry increased water flow, the railroad was not liable for the cost of a new bridge. Metropolitan Sewerage District of County of Milwaukee v. Chicago & North Western Railway Co. 78 Wis. 2d 119, 234 N.W.2d 190 (1977).

This section did not apply to abandoned railroad property acquired by the DNR for development into hiking and biking trails. 77 Ariz. Gen. 106.

190.085 **Clearance of wrecks or derailments; restoration of damaged property.** Every corporation constructing, owning or operating a railroad shall clear any railroad wreck or derailment from the right−of−way and adjoining property and restore or repair the right−of−way and adjoining property damaged by the wreck or derailment within 180 days after its occurrence. Any such corporation which violates this section shall forfeit to the state $100 for each violation and each day that the violation continues constitutes a separate offense.  

**History:** 1979 c. 186.

190.09 **Railroad cattle pass, abandonment.** No railroad corporation shall close or obstruct any cattle pass or opening that has been used as a passageway for livestock across its right−of−way for a period of 5 years without having first secured the consent in writing of the abutting landowners.  

**History:** 1993 a. 213, 490; 1997 a. 254.

190.10 **Railroad fixtures, after−acquired property, lien on.** All rolling stock, locomotives, cars, automotive and motor vehicles, machinery, tools, equipment, fuel, supplies, materials, and other personal property of any railroad corporation used and employed in connection with the maintenance or operation of its railroad, for all purposes of this section and s. 190.11, are hereby defined and declared to be appurtenant to such railroad as real property; and all such property and all additional rights−of−way, depot grounds and other real property acquired subsequently to the execution of any trust deed or mortgage which shall have been described or provided for therein shall be subject to the lien thereof to the same extent as the real property therein described which the corporation owned at the time of its execution.  

**History:** 1993 a. 490.

190.11 **Railroad conveyances, how executed and filed.**  

1. Every conveyance or lease, deed of trust, mortgage or satisfaction thereof made by any railroad corporation shall be executed and acknowledged in the manner in which conveyances of real estate by corporations are required to be to entitle the same to be recorded, and shall be filed with and maintained by the office of the commissioner of railroads, which shall endorse thereon “filed” and the date of filing.

2. A record of filing under sub. (1) shall from the time of reception of the instrument have the same effect as to any property in this state described therein as the record of any similar instrument in the office of a register of deeds has as to property in his or her county, and shall be notice of the rights and interest of the grantee, lessee or mortgagee by such instrument to the same extent as if it were recorded in all of the counties in which any property therein described may be situated.

3. The office of the commissioner of railroads shall collect a fee of $1 per page filed under sub. (1). All fees received under this subsection shall be credited to the appropriation account under s. 20.155 (2) (g).

4. The office of the commissioner of railroads shall collect a fee at the rate under s. 77.22 and, on or before the 15th day of the month after the fee is collected, shall remit that fee to the department of administration for deposit in the general fund. Sections 77.21, 77.22 and 77.25 to 77.27 apply to the fee under this subsection.  

190.12 **Stock; sale to employees and subsidiaries.**  

1. Any railroad company existing in whole or part under the laws of this state may, with the consent of the stockholders as hereinafter provided, issue and sell under such restrictions and terms, and for such consideration as the stockholders shall authorize, any part or all of its unissued stock, or additional stock authorized pursuant to this section, to employees of the corporation or any subsidiary corporation, without first offering such stock for subscription to its stockholders. Such consent and authorization may be given at any annual or special meeting of the stockholders by a majority vote of all its stock, upon the same notice to stockholders as is provided for such issuances by s. 190.016. If any stockholder not voting on such issue and sale of stock to employees so desires, the stockholder may, at such meeting, or within 20 days thereafter, object thereto by written notice filed with the secretary of the corporation and demand payment for the stock held by the stockholder at the time of such meeting, in which case such stockholders or the corporation may at any time within 60 days after such meeting file a petition in either the circuit court of Dane County or the circuit court of the county in which the principal office of the corporation within this state is located, asking for the condemnation of the shares of such dissenting stockholder and a finding and determination of the fair value thereof at the date of such stockholders’ meeting.

2. The taking of shares of such dissenting stockholders in order to promote employee ownership in railroad enterprises is hereby declared to be a taking for a public use and the necessity therefor shall in all cases be determined by the railroad company. The circuit courts of the several counties in this state are hereby vested with jurisdiction to hear and determine condemnation proceedings instituted by such petition and to determine the fair value of such shares of stock, and to render judgment against the corporation for the said value thereof. Any and all such dissenting stockholders may join, or may be joined, in all such proceedings and the fair value of such shares of stock shall be equal to their market value, which in the case of stocks listed upon any stock exchange shall be the average price for which like shares of stock were sold upon such exchange during the week in which was held the stockholders’ meeting aforesaid. Upon payment by the corpo-
ration to the said stockholder, or to the clerk of said court, of the
value of such shares of stock so determined, such stockholder
shall cease to have any interest in such shares or in the property
of the corporation, and the stockholder’s shares of stock shall be
transferred to, and may be held and disposed of by the corporation
as treasury stock. The corporation shall be liable for and shall pay
to any such objecting stockholder the value of the objecting stock-
holder’s shares of stock so determined. In case of failure or refusal
of such stockholder to surrender for transfer the certificates repre-
senting such shares of stock, the filing with the secretary of said
railroad company of a certified copy of the circuit court’s order
determining the value thereof together with a receipt from the
clerk of said court showing full payment therefor by the railroad
company, shall constitute full authority for the said company to
issue new certificates in lieu of those in the hands of such dissent-
ing stockholder, and such outstanding certificates shall thereupon
be null and void.

(3) Any such corporation may, at any such annual or special
meeting of its stockholders held pursuant to the notice aforesaid,
increase its capital stock in such amount as may be determined by
like vote of its stockholders at such meeting to provide additional
stock for issue and sale to such employees.

(4) In the event such corporation by like vote of its stockhold-
ers at a subsequent meeting held pursuant to notice as specified in
sub. (1), shall, before the trial of any such condemnation proceed-
ing, rescind the previous action respecting such issue and sale of
stock to employees and determine not to sell such stock without
first offering it to existing stockholders, then such condemnation
proceeding shall be, upon application of either party, dismissed,
and all court costs be paid by the railroad company.

No spur tracks shall be constructed across, or upon any street, road
or alley, within any city, village or town, until application therefor
shall have been made to and acted upon by such city, village or

for the construction of any such spur track. Construction of spur
tracks across or upon any street, road, or alley is subject to the pro-
visions of ch. 195.

(5) REMOVAL, WHEN. When a spur track has been abandoned,
as defined in s. 85.09, the office, after hearing held upon notice to
all parties interested and for good cause shown may order the

the office within 20 days from the original notice, the office may
without hearing authorize the removal of the track.
