In any city, condemnation for housing under ss. 66.1201 to 66.1211, for urban renewal under s. 66.1333, or for cultural arts facilities under subch. V of ch. 229, may proceed under this section or under s. 32.06 at the option of the condemning authority. In any village, condemnation for housing under ss. 66.1201 to 66.1211 or for urban renewal under s. 66.1333 may proceed under this section or under s. 32.06 at the option of the condemning authority. Condemnation by a local exposition district under subch. II of ch. 229 for any exposition center or exposition center facility may proceed under this section or under s. 32.06 at the option of the local exposition district. All other condemnation of property for public alleys, streets, highways, airports, spaceports, mass transit facilities, or other transportation facilities, gas or leachate extraction systems to remedy environmental pollution from a solid waste disposal facility, storm sewers and sanitary sewers, watercourses or water transmission and distribution facilities shall proceed as follows:

1. RELOCATION ORDER. (a) Except as provided under par. (b), a county board of supervisors or a county highway committee when so authorized by the county board of supervisors, a city council, a village board, a town board, a sewerage commission governing a metropolitan sewerage district created by ss. 200.05 or 200.21 to 200.65, the secretary of transportation, a commission created by contract under s. 66.0301, a joint local water authority created by contract under s. 66.0823, a housing authority under s. 66.1201 to 66.1211, a local exposition district created under subch. II of ch. 229, a local cultural arts district created under subch. V of ch. 229, a redevelopment authority under s. 66.1333 or a community development authority under s. 66.1335 shall make an order providing for the laying out, relocation and improvement of the public highway, street, alley, storm and sanitary sewers, watercourses, water transmission and distribution facilities, mass transit facilities, airport, or other transportation facilities, gas or leachate extraction systems to remedy environmental pollution from a solid waste disposal facility, housing project, redevelopment project, cultural arts facilities, exposition center or exposition center facilities which shall be known as the relocation order. This order shall include a plat or plan showing the old and new locations and the lands and interests required. A copy of the order shall, within 20 days after its issue, be filed with the county clerk of the county wherein the lands are located or, in lieu of filing a copy of the order, a plat may be filed or recorded in accordance with s. 84.095.

(b) No relocation order is necessary under par. (a) if the compensation, as estimated by the appraisal under sub. (2) (a), will be less than $1,000 in the aggregate.

2. APPRAISAL. (a) The condemnor shall provide the owner with a full narrative appraisal upon which the jurisdictional offer is based and a copy of any other appraisal made under par. (a) and at the same time shall inform the owner of his or her right to obtain an appraisal under this paragraph. The owner may obtain an appraisal by a qualified appraiser of all property proposed to be acquired, and may submit the reasonable costs of the appraisal to the condemnor for payment. The owner shall submit a full narrative appraisal to the condemnor within 60 days after the owner receives the condemnor’s appraisal. If the owner does not accept a negotiated offer under sub. (2a) or the jurisdictional offer under sub. (3), the owner may use an appraisal prepared under this paragraph in any subsequent appeal.

(2a) NEGOTIATION. Before making the jurisdictional offer provided in sub. (3), the condemnor shall attempt to negotiate personally with the owner or one of the owners or his or her representative of the property sought to be taken for the purchase of the same. In such negotiation the condemnor shall consider the owner's appraisal under sub. (2) (b) and may contract to pay the items of compensation enumerated in ss. 32.09 and 32.19 as may be applicable to the property in one or more installments on such conditions as the condemnor and property owners may agree. Before attempting to negotiate under this subsection, the condemnor shall provide the owner or his or her representative with copies of applicable pamphlets prepared under s. 32.26 (6). When negotiating under this subsection, the condemnor shall provide the owner or his or her representative with the names of at least 10 neighboring landowners to whom offers are being made, or a list of all offerors if less than 10 owners are affected, together with a map showing all property affected by the project. Upon request by an owner or his or her representative, the condemnor shall provide the name of the owner of any other property which may be taken for the project. The owner or his or her representative shall also have the right, upon request, to examine any maps in the possession of the condemnor showing property affected by the project. The owner or his or her representative may obtain copies of such maps by tendering the reasonable and necessary costs of preparing copies.

(3) JURISDICTIONAL OFFER TO PURCHASE. Condemnor shall send to the owner, or one of the owners of record, and to the mortgagee, or one of the mortgagees of each mortgage of record, a notice:

(a) Stating briefly the nature of the project, with reference to the relocation order if required, and that the condemnor in good faith intends to use the property sought to be condemned for such public purpose.

(b) Describing the property and the interest therein sought to be taken.

(c) Stating the proposed date of occupancy regardless of the date of taking.
(d) Stating the amount of compensation offered, itemized as to the items of damage as set forth in s. 32.09 and that compensation for additional items of damage as set forth in s. 32.19 may be claimed under s. 32.20 and will be paid if shown to exist.

(e) Stating that the appraisal or one of the appraisals of the property on which condemnor’s offer is based is available for inspection at a specified place by persons having an interest in the lands sought to be acquired.

(g) Stating that the owner has 20 days from date of completion of service upon the owner of the offer, as specified in sub. (6), in which to accept or reject the offer.

(h) Stating that if the owner has not accepted such offer as provided in sub. (6) the owner has 40 days from the date of completion of service upon the owner of the offer to commence a court action to contest the right of condemnation as provided in sub. (5); provided that the acceptance and retention of any compensation resulting from an award made prior to the commencement of such an action shall be an absolute bar to such action.

(i) Stating that the owner, subject to subs. (9) (a) and (11), will have 2 years from the date of taking the property by award in which to appeal for greater compensation without prejudice to the right to use the compensation given by the award. If the condemning authority makes a determination that the property remaining is of such size, shape, or condition as to be of little value or of substantially impaired economic viability.

(b) If the acquisition of only part of a property would leave its owner with an uneconomic remnant, the condemnor shall offer to acquire the remnant concurrently and may acquire it by purchase or by condemnation if the owner consents.

(4) How Notice of Jurisdictional Offer is Given. The giving of such notice is a jurisdictional requisite to a taking by condemnation. Such notice may be given by personal service in the manner of service of a circuit court summons or it may be transmitted by first class certified mail. If service is by mail, service of the papers shall be deemed completed on the date of mailing and the use of mail service shall not increase the time allowed to act in answer to or in consequence of such service. If such owner or mortgagee is unknown or cannot be found there shall be published in the county wherein the property is located a class 1 notice, under ch. 985. If such owner is a minor, or an individual adjudicated incompetent, the condemnor shall serve such notice upon the legal guardian of the minor or individual, and if there is no such guardian the condemnor shall proceed under s. 32.15 to have a special guardian appointed to represent the minor or individual in the proceeding. The reasonable fees of any special guardian as approved by the court shall be paid by the condemnor. The notice shall be called the “jurisdictional offer”. The condemnor shall file a lis pendens on or within 14 days of the date of service or mailing of the jurisdictional offer or within 14 days of the date of publication if publication is necessary. The lis pendens shall include a copy of the jurisdictional offer. From the time of such filing every purchaser or encumbrancer whose conveyance or encumbrance is not recorded or filed shall be deemed a subsequent purchaser or encumbrancer and shall be bound by the terms of the jurisdictional offer and it shall not be necessary to serve other jurisdictional offers on such subsequent purchaser or encumbrancer. In the award the condemnor may name and make payment to parties who were owners or mortgagees at the time of the filing of the lis pendens unless subsequent purchasers or encumbrancers gave written notice to the condemnor of their subsequently acquired interests in which event such parties shall be named in the award as their interests may appear.

(5) Court Action to Contest Right of Condemnation. If an owner desires to contest the right of the condemnor to condemn the property described in the jurisdictional offer, for any reason other than that the amount of compensation offered is inadequate, the owner may within 40 days from the date of personal service of the jurisdictional offer or within 40 days from the date of postmark of the certificated mail letter transmitting such offer, or within 40 days after date of publication of the jurisdictional offer as to persons for whom such publication was necessary and was made, commence an action in the circuit court of the county wherein the property is located, naming the condemnor as defendant. Such action shall be the only manner in which any issue other than the amount of just compensation, or other than proceedings to perfect title under ss. 32.11 and 32.12, may be raised pertaining to the condemnation of the property described in the jurisdictional offer. The trial of the issues raised by the pleadings in such action shall be given precedence over all other actions in said court then not on trial. If the action is not commenced within the time limited the owner or other person having any interest in the property shall be barred from raising any such objection in any other manner. Nothing in this section shall be construed to limit in any respect the right to determine the necessity of taking as conferred by s. 32.07 nor to prevent the condemnor from proceeding with condemnation during the pendency of the action to contest the right to condemn.

(6) Acceptance of Jurisdictional Offer. The owner has 20 days from the date of personal service of the jurisdictional offer or 20 days from the date of postmark of the certificated mail letter transmitting such offer, or if publication of the jurisdictional offer was necessary and was made, 20 days after the date of such publication, in which to accept the jurisdictional offer unless such time is extended by mutual written consent of the condemnor and condemnee. If such offer is accepted, the transfer of title shall be accomplished within 60 days after acceptance including payment of the consideration stipulated in such offer. If the jurisdictional offer is rejected in writing by all of the owners of record the condemnor may proceed to make an award forthwith. At any time prior to acceptance of the jurisdictional offer by the condemnee the same may be withdrawn by the condemnor.

(7) Award of Compensation. If the owner has not accepted the jurisdictional offer within the periods limited in sub. (6) or fails to consummate an acceptance as provided therein, the condemnor may make an award of damages in the manner and sequence of acts as follows:

(a) The award shall be in writing. Except as provided in sub. (1) (b), the award shall state that it is made pursuant to relocation order of (name of commission, authority, board or council having jurisdiction to make the movement) No. .... dated .... filed in the office of the County Clerk, County of ...., or pursuant to transportation project plat no. .... dated .... filed or recorded in the office of register of deeds, .... County. If a relocation order is not required under sub. (1) (b), the award shall name the condemnor. It shall name all persons having an interest of record in the property taken and name the other persons. It shall describe such property by legal description, or by the parcel number shown on a plat filed or recorded under s. 84.095, and state the interest therein sought to be condemned and the date when actual occupancy of the property condemned will be taken by condemnor. The award shall also state the compensation for the taking which shall be an amount at least equal to the amount of the jurisdictional offer. The award shall state that the condemnor has complied with all jurisdictional requirements. An amended award for the purpose of correcting errors wherein the award as recorded differs from the jurisdictional offer may be made, served and recorded as provided by this section.

(b) Copy of such award shall be served on or mailed by certified mail to all persons named therein. If any such person cannot...
be found or the person’s address is unknown, the award shall be published in the county wherein the property is situated as a class 3 notice, under ch. 985, and completed publication as shown by affidavit shall constitute proper service. Such award shall be known as the “basic award”.

(c) When service of the award has been completed, and after payment of the award as provided in par. (d), the award shall be recorded in the office of the register of deeds of the county wherein the property is located. Thereupon title in fee simple to the property described in the award, or the lesser right in property acquired by the award shall vest in the condemnor as of the time of recordation. The date of such recording is the “date of evaluation” and also the “date of taking”.

(d) On or before said date of taking, a check, naming the parties in interest as payees, for the amount of the award less outstanding delinquent tax liens, proportionately allocated as in division in redemption under ss. 74.51 and 75.01 when necessary and less prorated taxes of the same year, if any, likewise proportionately allocated when necessary against the property taken, shall at the option of the condemnor be mailed by certified mail to the owner or one of the owners of record or be deposited with the clerk of the circuit court of the county for the benefit of the persons named in the award. The clerk shall give notice thereof by certified mail to such parties. The persons entitled thereto may receive their proper share of the award by petition to and order of the circuit court of the county. The petition shall be filed with the clerk of the court without fee.

(8) OCCUPANCY; WRIT OF ASSISTANCE; WASTE. (a) In this subsection, “condemnor” has the meaning given in s. 32.185.

(b) No person occupying real property may be required to move from a dwelling or move his or her business or farm without at least 90 days’ written notice of the intended vacation date from the condemnor. The displaced person shall have the occupancy of the acquired property for a period of 30 days, commencing with the next 1st or 15th day of the month after title vests in the condemnor, whichever is sooner. Any person occupying the property after the date that title vests in the condemnor is liable to the condemnor for all waste committed or allowed by the occupant on the lands condemned during the occupancy. The condemnor has the right to possession when the persons who occupied the acquired property vacate, or hold over beyond the vacation date established by the condemnor, whichever is sooner, except as provided under par. (c). If the condemnor is denied the right of possession, the condemnor may, upon 48 hours’ notice to the occupant, apply to the circuit court where the property is located for a writ of assistance to be put in possession. The circuit court shall grant the writ of assistance if all jurisdictional requirements have been complied with, if the award has been paid or tendered as required and if the condemnor has made a comparable replacement property available to the occupants, except as provided under par. (c).

(c) The condemnor may not require the persons who occupied the premises on the date that title vested in the condemnor to vacate until a comparable replacement property is made available. This paragraph does not apply to any person who waives his or her right to receive relocation benefits or services under s. 32.197 or who is not a displaced person, as defined under s. 32.19 (2) (e), unless the acquired property is part of a program or project receiving federal financial assistance.

(9) APPEAL FROM AWARD BY OWNER OR OTHER PARTY IN INTEREST. (a) Any party having an interest in the property condemned may, within 2 years after the date of taking, appeal from the award, except as limited by this subsection by applying to the judge of the circuit court for the county wherein the property is located for assignment to a commission of county condemnation commissioners as provided in s. 32.08, except that if the condemning authority is a housing authority organized under ss. 66.1201 to 66.1211, a redevelopment authority organized under s. 66.1333 or a community development authority organized under s. 66.1335, the appeals may be initiated by filing with the condemning authority a letter requesting that the issue of the amount of the compensation be determined by the condemnation commission. The condemning authority shall, upon receipt of the letter, apply to the judge of the circuit court for the county wherein the property is located for assignment to a commission of county condemnation commissioners as provided in s. 32.08. This application shall contain a description of the property condemned and the names and last-known addresses of all parties in interest but shall not disclose the amount of the jurisdictional offer nor the amount of the basic award. Violation of this prohibition shall nullify the application. Notice of the application shall be given to the clerk of the court and to all other persons other than the applicant who were parties to the award. The notice may be given by certified mail or personal service. Upon proof of the service the judge shall forthwith make assignment. Where one party in interest has appealed from the award, no other party in interest who has been served with a notice of the appeal may take a separate appeal, but may join in the appeal by serving notice upon the condemnor and the apppellant of the party’s election to do so. The notice shall be given by certified mail or personal service within 10 days after receipt of notice of the appeal and shall be filed with the clerk of the court. Upon failure to give and file the notice all other parties of interest shall be deemed not to have appealed. The result of the appeal shall not affect parties who have not joined in the appeal as provided in this paragraph. In cases involving more than one party in interest with a right to appeal, the first of the parties filing an appeal under this subsection or under sub. (11) shall determine whether the appeal shall be under this subsection or under sub. (11). No party in interest may file an appeal under this subsection if another party in interest in the same lands has filed a prior appeal complying with the requirements of sub. (11). Thereafter the procedure shall be as prescribed in s. 32.08. In cases involving multiple ownership or interests in lands taken the following rules shall also apply:

1. Where all parties having an interest in the property taken do not join in an appeal, such fact shall not change the requirement that a finding of fair market value of the entire property taken and damages, if any, to the entire property taken, shall be made in cases involving more than one party in interest having an interest in property taken shall, in cases of dispute, be resolved by a separate partition action as set forth herein.

2. In cases where the amount of the award appealed from is increased on appeal, such amount shall be paid by the condemnor making tender of the amount to one of the appellant owners or appellant parties of interest in the same manner governing the tender of a basic award. In the event that a determination on appeal increases the amount of the appealed award, those parties who joined in the appeal shall be liable, jointly and severally, to the condemning authority.

3. When the owners or parties having an interest in land taken cannot agree on the division of an award, any of such owners or parties of interest may petition the circuit court for the county wherein the property is located for partition of the award moneys as provided in s. 820.01. When the tender of an award is refused, the condemning authority may pay the award to the clerk of the circuit court for the county wherein the property is located and no interest shall accrue against the condemning authority for moneys so paid.

(b) If the commission’s award exceeds the basic award the owner shall recover the excess plus interest thereon until payment from the date of taking less a period which is 14 days after the date of filing the commission’s award. If the commission’s award is less than the basic award, the condemnor shall recover the difference with interest until payment from the date of taking.

(c) All sums due under this subsection shall be paid within 70 days after date of filing of the commission’s award unless within such time an appeal is taken to the circuit court. In the event such appeal is later dismissed before trial such payment shall be made within 60 days after the dismissal date.
(d) In the event the award of the county condemnation commissioners is lower than the basic award and tender of the basic award has been accepted by an owner, the condemnor shall have a lien against such owner for the amount of the difference. The lien shall give the name and address of the owner or owners, refer to the basic award and the award on appeal and state the difference in amounts. The lien may be recorded in the office of the register of deeds and when so recorded shall attach to all property of the owner presently owned or subsequently acquired in any county within the state in which recorded. Such lien shall remain in force with interest until satisfied or until it is set aside by a judgment of the circuit court in an action pursuant to sub. (10).

(10) APPEAL FROM COMMISSION’S AWARD TO CIRCUIT COURT.

(a) Within 60 days after the date of filing of the commission’s award, any party to the proceeding before the commission may appeal to the circuit court of the county wherein the property is located. Notice of such appeal shall be given to the clerk of the circuit court and to all persons other than the appellant who were parties to the proceeding before the commissioners. Notice of appeal may be given by certified mail or by personal service. The clerk shall upon entering the appeal as an action pending in said court with the condemnor as plaintiff and the condemnor as defendant. It shall thereupon proceed as an action in said court subject to all the provisions of law relating to actions brought therein and shall have precedence over all actions not then on trial. The sole issues to be tried shall be questions of title, if any, under ss. 32.11 and 32.12 and the amount of just compensation to be paid by condemnor. It shall be tried by jury unless waived by both plaintiff and defendant. Neither the amount of the jurisdictional offer, the basic award, nor the award made by the commission shall be disclosed to the jury during such trial.

(b) The court shall enter judgment for the amount found due after giving effect to any amount paid by reason of a prior award. The judgment shall include legal interest on the amount so found due from the date of taking if judgment is for the condemner, and from 14 days after the date of taking if judgment is for the condemnee.

(c) All moneys due under this subsection shall be paid within 60 days after entry of judgment unless within such period an appeal is taken by any party to the court of appeals.

(11) WAIVER OF HEARING BEFORE COMMISSION: APPEAL TO CIRCUIT COURT AND JURY. The owner of any interest in the property condemned in the basic award may elect to waive the appeal procedure specified in sub. (9) and instead, within 2 years after the date of taking, appeal to the circuit court of the county wherein the property is located. The notice of appeal shall be served as provided in sub. (9) (a). Filing of the notice of appeal shall constitute such waiver. The clerk shall thereupon enter the appeal as an action pending in said court with the condemnor as plaintiff and the condemnor as defendant. It shall proceed as an action in said court subject to all the provisions of law relating to actions originally brought therein and shall have precedence over all other actions not then on trial. The sole issues to be tried shall be questions of title, if any, under ss. 32.11 and 32.12 and the amount of just compensation to be paid by condemnor. It shall be tried by jury unless waived by both plaintiff and defendant. The amount of the jurisdictional offer or basic award shall not be disclosed to the jury during such trial. Where one party in interest has appealed from the award, no other party in interest who has been served with notice of such appeal may take a separate appeal but may join in the appeal by serving notice upon the condemnor and the appellant of that party’s election to do so. Such notice shall be given by certified mail or personal service within 10 days after receipt of notice of the appeal and shall be filed with the clerk of court. Upon failure to give such notice such parties shall be deemed not to have appealed. The appeal shall not affect parties who have not joined in the appeal as herein provided. In cases involving more than one party in interest with a right to appeal, the first of such parties filing an appeal under sub. (9) or under this subsection shall determine whether such appeal shall be under sub. (9) or directly to the circuit court as here provided. No party in interest may file an appeal under this subsection if another party in interest in the same lands has filed a prior appeal complying with the requirements of sub. (9). In cases involving multiple ownership or interests in lands taken the provisions of sub. (9) (a) 1., 2. and 3. shall govern.

(a) If the jury verdict as approved by the court does not exceed the basic award, the condemnor shall have judgment against the appellant for the difference between the jury verdict and the amount of the basic award, plus interest on the amount of such difference from the date of taking.

(b) If the jury verdict as approved by the court exceeds the basic award, the appellant shall have judgment for the amount of such excess plus legal interest thereon to date of payment in full from that date which is 14 days after the date of taking.

(c) All moneys payable under this subsection shall be paid within 60 days after entry of judgment unless within such period an appeal is taken to the court of appeals.

(12) EFFECT OF DETERMINATION OF COMPENSATION BY THE COURT JURY WAIVED. If the action is tried by the court upon waiver of a jury the determination of the amount of damages by the court shall be considered in lieu of the words “jury verdict as approved by the court” where such language occurs in this section.

NOTE: 2003 Wis. Act 214, which affected this section, contains extensive explanatory notes.

If a notice of appeal from a condemnation award is not served on the condemnor, the appeal is not perfected. In making an assignment to condemnation commissioners, a judge is acting in an administrative capacity. See ex rel. Milwaukee County Expressway Commission v. Spennier, 51 Wis. 2d 138, 186 N.W.2d 298 (1971).

A condemnor appealing under sub. (10) has no right to abandon the appeal over the condemnee’s objection if the time for the condemnee to appeal has expired. Huth v. Milwaukee County, 82 Wis. 2d 420, 260 N.W.2d 676 (1977).

The valuation of a financially troubled mass transit public utility in a condemnation case requires the court to look to market value. The market value of a unique property that cannot be sold for near its value to its owner or owners, refer to the basic award and the award on appeal and state the difference in amounts. The lien may be recorded in the office of the register of deeds and when so recorded shall attach to all property of the owner presently owned or subsequently acquired in any county wherein the state in which recorded, and have precedence over all actions not then on trial. The sole issues to be tried shall be questions of title, if any, under ss. 32.11 and 32.12 and the amount of just compensation to be paid by condemnor. It shall be tried by jury unless waived by both plaintiff and defendant. Neither the amount of the jurisdictional offer, the basic award, nor the award made by the commission shall be disclosed to the jury during such trial.

(c) All moneys due under this subsection shall be paid within 60 days after entry of judgment unless within such period an appeal is taken by any party to the court of appeals.

(9) and instead, within 2 years after the date of taking, appeal to the circuit court of the county wherein the property is located. The notice of appeal shall be served as provided in sub. (9) (a). Filing of the notice of appeal shall constitute such waiver. The clerk shall thereupon enter the appeal as an action pending in said court with the condemnor as plaintiff and the condemnor as defendant. It shall proceed as an action in said court subject to all the provisions of law relating to actions originally brought therein and shall have precedence over all other actions not then on trial. The sole issues to be tried shall be questions of title, if any, under ss. 32.11 and 32.12 and the amount of just compensation to be paid by condemnor. Such notice shall be given by certified mail or personal service within 10 days after receipt of notice of the appeal and shall be filed with the clerk of court. Upon failure to give such notice such parties shall be deemed not to have appealed. The appeal shall not affect parties who have not joined in the appeal as herein provided. In cases involving more than one party in interest with a right to appeal, the first of such parties filing an appeal under sub. (9) or under this subsection shall determine whether such appeal shall be under sub. (9) or directly to the circuit court as here provided. No party in interest may file an appeal under this subsection if another party in interest in the same lands has filed a prior appeal complying with the requirements of sub. (9). In cases involving multiple ownership or interests in lands taken the provisions of sub. (9) (a) 1., 2. and 3. shall govern.

32.06 Condemnation procedure in other than transplant−

ations. The procedure in condemnation in all mat−

ters except acquisitions under s. 32.05 or 32.22, acquisitions under subch. II, acquisitions under subch. II of ch. 157, and acquisitions under ch. 197, shall be as follows:

(1) DETERMINATION OF NECESSITY OF TAKING. The necessity of the taking shall be determined as provided in s. 32.07.

(2) APPRAISAL. (a) The condemnor shall cause at least one (or more in the condemnor’s discretion) appraisal to be made of the property proposed to be acquired. In making any such appraisal the appraiser shall confer with the owner or one of the owners, or
the personal representative of the owner or one of the owners, if reasonably possible.

(b) The condemnor shall provide the owner with a full narrative appraisal upon which the jurisdictional offer is based and a copy of any appraisal made under par. (a) and at the same time shall inform the owner of his or her right to obtain an appraisal under this paragraph. The owner may obtain an appraisal by a qualified appraiser of all property proposed to be acquired, and submit the reasonable costs of the appraisal to the condemnor for payment. The owner shall submit a full narrative appraisal to the condemnor within 60 days after the owner receives the condemnor’s appraisal. If the owner does not accept a negotiated offer under sub. (2a) or the jurisdictional offer under sub. (3), the owner may use an appraisal prepared under this paragraph in any subsequent appeal.

(2a) AGREED PRICE. Before making the jurisdictional offer under sub. (3) the condemnor shall attempt to negotiate personally with the owner or one of the owners or his or her representative of the property sought to be taken for the purchase of the same. In such negotiation the condemnor shall consider the owner’s appraisal under sub. (2) (b) and may contract to pay the items of compensation enumerated in ss. 32.09 and 32.19 where shown to exist. Before attempting to negotiate under this subsection, the condemnor shall provide the owner or his or her representative with copies of applicable pamphlets prepared under s. 32.26 (6). When negotiating under this subsection, the condemnor shall provide the owner or his or her representative with the names of at least 10 neighboring landowners to whom offers are being made, or a list of all offerees if less than 10 owners are affected, together with a map showing all property affected by the project. Upon request by an owner or his or her representative, the condemnor shall provide the name of the owner of any other property which may be taken for the project. The owner or his or her representative shall also have the right, upon request, to examine any maps in the possession of the condemnor showing property affected by the project. The owner or his or her representative may obtain copies of such maps by tendering the reasonable and necessary costs of preparing copies. The condemnor shall record any conveyance by or on behalf of the owner of the property to the condemnor executed as a result of negotiations under this subsection with the register of deeds of the county in which the property is located. The condemnor shall also record a certificate of compensation stating the identity of all persons having an interest of record in the property immediately prior to its conveyance, the legal description of the property, the nature of the interest acquired and the compensation for such acquisition. The condemnor shall serve such owner or his or her representative or any person named therein a copy of the statement and a notice of the right to appeal the amount of compensation under this subsection. Any person named in the certificate may, within 6 months after the date of its recording, appeal from the amount of compensation therein stated by filing a petition with the judge of the circuit court of the county in which the property is located for proceedings to determine the amount of just compensation. Notice of such petition shall be given to all persons having an interest of record in such property. The judge shall forthwith assign the matter to the chairperson of the condemnation commission for hearing under s. 32.05 (8). The procedures prescribed under subs. (9) (a) and (b), (10) and (12) and chs. 808 and 809 shall govern such appeals. The date the conveyance is recorded shall be treated as the date of taking and the date of evaluation.

(3) MAKING JURISDICTIONAL OFFER. The condemnor shall make and serve the jurisdictional offer and notice in the form (insofar as applicable) and manner of service provided in s. 32.05 (3) and (4), but lis pendens shall not be filed until date of petition under sub. (7). The offer shall state that if it is not accepted within 20 days, the condemnor may petition for a determination of just compensation by county condemnation commissioners and that either party may appeal from the award of the county condemnation commissioners to the circuit court within 60 days as provided in sub. (10).

(3m) UNECONOMIC REMNANT. (a) In this subsection, “uneconomic remnant” means the property remaining after a partial taking of property, if the property remaining is of such size, shape, or condition as to be of little value or of substantially impaired economic viability.

(b) If acquisition of only part of a property would leave its owner with an uneconomic remnant, the condemnor shall offer to acquire the remnant concurrently and may acquire it by purchase or by condemnation if the owner consents.

(4) RIGHT OF MINORS AND INDIVIDUALS ADJUDICATED INCOMPETENT. If any person having an ownership interest in the property proposed to be condemned is a minor or is adjudicated incompetent, a special guardian shall be appointed for the person pursuant to s. 32.05 (4).

(5) COURT ACTION TO CONTEST RIGHT OF CONDEMNATION. When an owner desires to contest the right of the condemnor to condemn the property described in the jurisdictional offer for any reason other than that the amount of compensation offered is inadequate, such owner may within 40 days from the date of personal service of the jurisdictional offer or within 40 days from the date of postmark of the certified mail letter transmitting such offer, or within 40 days after date of publication of the jurisdictional offer as to persons for whom such publication was necessary and was made, commence an action in the circuit court of the county wherein the property is located, naming the condemnor as defendant. Such action shall be the only manner in which any issue other than the amount of just compensation or other than proceedings to perfect title under ss. 32.11 and 32.12 may be raised pertaining to the condemnation of the property described in the jurisdictional offer. The trial of the issues raised by the pleadings in such action shall be given precedence over all other actions in said court then not on trial. If such action is not commenced within the time limited the owner or other person having any interest in the property shall be forever barred from raising any such objection in any other manner. The commencement of an action by an owner under this subsection shall not prevent a condemnor from filing the petition provided for in sub. (7) and proceeding thereon. Nothing in this subsection shall be construed to limit in any respect the right to determine the necessity of taking as conferred by s. 32.07 nor to prevent the condemnor from proceeding without the commencement during the pendency of the action to contest the right to condemn. This section shall not apply to any owner who had a right to bring a proceeding pursuant to s. 66.431 (7), 1959 stats., prior to its repeal by chapter 526, laws of 1961, effective on October 8, 1961, and, in lieu of this section, s. 66.431 (7), 1959 stats., as it existed prior to such effective date of repeal shall be the owner’s exclusive remedy.

(6) ACCEPTANCE OF JURISDICTIONAL OFFER. The owner has 20 days from the date of personal service of the jurisdictional offer or 20 days from the date of postmark of the certified mail letter transmitting such offer or 20 days from the date of filing the final judgment order or remittit in the circuit court of the county in an action commenced under sub. (8), if the judgment permits the taking of the land, in which to accept the jurisdictional offer and deliver the same to the condemnor. If the offer is accepted, the transfer of title shall be accomplished within 60 days after acceptance including payment of the consideration stipulated in such offer unless such time is extended by mutual written consent of the condemnor and condemnee. If the jurisdictional offer is rejected in writing by all of the owners of record the condemnor may proceed to petition in condemnation forthwith. If the owner fails to convey the condemnor may proceed as hereinafter set forth.

(7) PETITION FOR CONDEMNATION PROCEEDINGS. If the jurisdictional offer is not accepted within the periods limited in sub. (6) or the owner fails to consummate an acceptance as provided in sub. (6), the condemnor may present a verified petition to the cir-
cuit court for the county in which the property to be taken is located, for proceedings to determine the necessity of taking, where such determination is required, and the amount of just compensation. The petition shall state that the jurisdictional offer required by sub. (3) has been made and rejected; that it is the intention of the condemnor in good faith to use the property or right therein for the specified purpose. It shall name the parties having an interest in the record of the property as near as may be and shall name the parties who are minors, who are adjudicated incompetent, or whose location is unknown. The petition may not disclose the amount of the jurisdictional offer, and if it does so it is a nullity. The petition shall be filed with the clerk of the court. Notice of the petition shall be given as provided in s. 32.05 (4) to all persons having an interest of record in the property, including the special guardian appointed for minors or individuals adjudicated incompetent. A lis pendens shall be filed on the date of filing the petition. The date of filing the lis pendens is the “date of evaluation” of the property for the purpose of fixing just compensation, except that if the property is to be used in connection with the construction of a facility, as defined under s. 196.491 (1), the “date of evaluation” is the date that is 2 years prior to the date on which the certificate of public convenience and necessity is issued for the facility. The hearing on the petition may not be earlier than 20 days after the date of its filing unless the petitioner acquired possession of the land under s. 32.12 (1) in which event this hearing is not necessary. If the petitioner is entitled to condemn the property or any portion of it, the judge immediately shall assign the matter to the chairperson of the county condemnation commission. On the date, within 4 days after the filing under s. 32.08, by the order by the judge determining that the petitioner does not have the right to condemn or refusing to assign the matter to the chairperson of the county condemnation commissioners may be appealed directly to the court of appeals.

(8) COMMISSION HEARING. Thereafter the commission shall proceed in the manner and with the rights and duties as specified in s. 32.08 to hear the matter and make and file its award with the clerk of the circuit court, specifying therein the property or interests therein taken and the compensation allowed the owner, and the clerk shall give certified mail notice with return receipt requested of such filing, with a copy of the award to condemnor and owner.

(9) ABANDONMENT OF PROCEEDINGS; OR PAYMENT OF AWARD. (a) Within 30 days after the date of filing of the commission’s award, the condemnor shall petition the circuit court for the county wherein the property is situated, upon 5 days’ notice by certified mail to the owner, for leave to abandon the petition for taking if the condemnor desires to abandon the proceeding. The circuit court shall grant the petition upon such terms as it deems just, and shall make a formal order discontinuing the proceeding which order shall be recorded in the judgment record of the court after the record of the commission’s award. The order shall operate to divest any title of condemnor to the lands involved and to automatically discharge the lis pendens.

(b) If condemnor does not elect to abandon the condemnation proceeding as provided in par. (a), it shall within 70 days after the date of filing of the commission’s award, pay the amount of the award, plus legal interest from the date of taking but less delinquent tax liens, proportionately allocated as in division in redemption under ss. 74.51 and 75.01 when necessary and less prorated taxes of the year of taking, if any, likewise proportionately allocated when necessary, to the owner and take and file the owner’s receipt therefor with the clerk of the circuit court, or at the option of the condemnor pay the same into the office of the clerk of the circuit court for the benefit of the parties having an interest of record on the date of evaluation in the property taken and give notice thereof by certified mail to such parties. If the condemnor pays the amount of said award within 14 days after the date of filing of the commission’s award, no interest shall accrue. Title to the property taken shall vest in the condemnor upon the filing of such receipt or the making of such payment.

(c) 1. In this paragraph, “condemnor” has the meaning given in s. 32.185.

2. No person occupying real property may be required to move from a dwelling or move his or her business or farm without at least 90 days’ written notice of the intended vacation date from the condemnor. The person shall have rent–free occupancy of the acquired property for a period of 30 days commencing with the next 1st or 15th day of the month after title vests in the condemnor, whichever is sooner. Any person occupying the property after the date that title vests in the condemnor is liable to the condemnor for all waste committed or allowed by the occupant on the lands condemned during the occupancy. The condemnor has the right to possession when the person who occupied the condemned property vacate, or hold over beyond the vacation date established by the condemnor, whichever is sooner, except as provided under subd. 3. If the condemnor is denied the right of possession, the condemnor may, upon 48 hours’ notice to the occupant, apply to the circuit court where the property is located for a writ of assistance to be put in possession. The circuit court shall grant the writ of assistance if all jurisdictional requirements have been complied with, if the award has been paid or tendered as required and if the condemnor has made a comparable replacement property available to the occupants, except as provided under subd. 3.

3. The condemnor may not require the persons who occupied the premises on the date that title vested in the condemnor to vacate until a comparable replacement property is made available. This subdivision does not apply to any person who waives his or her right to receive relocation benefits or services under s. 32.197 or who is not a displaced person, as defined under s. 32.19 (2) (e), unless the acquired property is part of a program or project receiving federal financial assistance.

(10) APPEAL TO CIRCUIT COURT. Within 60 days after the date of filing of the commission’s award either condemnor or owner may appeal to the circuit court by giving notice of appeal to the clerk of the circuit court for the benefit of the parties having an interest of record on the date of evaluation in the property taken and give notice therefor with the clerk of the circuit court, or at the option of the condemnor pay the same into the office of the clerk of the circuit court for the benefit of the parties having an interest of record on the date of evaluation in the property taken and give notice thereof by certified mail to such parties. If the condemnor pays the amount of said award within 14 days after the date of filing of such verdict petition the court for leave to abandon the proceeding and thereafter sub. (9) (a) shall apply.

(a) If the jury verdict as approved by the court exceeds the commission’s award, the owner shall have judgment increased by the amount of just compensation from the date title vests in condemnor to date of entry of judgment on the excess of the verdict over the compensation awarded by the commission.

(b) If the jury verdict as approved by the court does not exceed the commission’s award, the condemnor shall have judgment against the owner for the difference between the verdict and the amount of the commission’s award, with legal interest on such difference from the date condemnor paid said award.

(c) If the jury verdict as approved by the court exceeds the amount of the jurisdictional offer, the condemnor may within 40 days after filing of such verdict petition the court for leave to abandon the proceeding and thereafter sub. (9) (a) shall apply.

(d) All judgments required to be paid shall be paid within 60 days after entry of judgment unless within this period appeal is taken to the court of appeals or unless condemnor has petitioned for and been granted an order abandoning the condemnation proceeding. Otherwise such judgment shall bear interest from the date of entry of judgment at the rate of 10 percent per year until payment.

(11) WITHDRAWAL OF COMPENSATION PAID INTO COURT. BOND. If either party appeals from the award of the commission, the
owner shall not be entitled to receive the amount of compensation paid into court by condemnor unless the owner files with the clerk of the court a surety bond executed by a licensed corporate surety company in an amount equal to one-half of the commission’s award, conditioned to pay to the condemnor, any sums together with interest and costs as allowed by the court, by which the award of the commission may be diminished.

(12) **Effect of determination of compensation by the court where jury waived.** If the action is tried by the court upon waiver of a jury, the determination of the amount of the damages by the court shall be considered in lieu of the words “jury verdict as approved by the court” where such language occurs in this section.

There was no failure to negotiate when the condemnor made an offer based on a competent appraisal report after the condemnee had already rejected an offer that was higher and had refused to make a counteroffer. Herro v. Natural Resources Board, 53 Wis. 2d 157, 192 N.W.2d 104 (1971).

An owner who under sub. (5) contests a condemnation on grounds that achieve ment of the stated public purpose is too remote or contingent must demonstrate a lack of reasonable assurance that the intended use would ever come to pass. A condemnor did not exercise condemnation powers when it made a jurisdictional offer. A lessor should not be forced to accept an unrealistic public offer or condemn an uneconomic remnant. **32.07 Necessity, determination of.** The necessity of the taking shall be determined as follows:

1. A certificate of public convenience and necessity issued under s. 196.491 (3) shall constitute the determination of the necessity of the taking for any lands or interests described in the certificate.

2. The petitioner shall determine necessity if application is made by the state or any commission, department, board or other branch of state government or by a city, village, town, county, school district, board, commission, public officer, commission created by contract under s. 66.0301, joint local water authority under s. 66.0823, redevelopment authority created under s. 66.1333, local arts district created under subch. II of ch. 229, local cultural art district created under subch. V of ch. 229, housing authority created under ss. 66.1201 to 66.1211 or for the right−of−way of a railroad 200 feet in width, for a telegraph, telephone or other electric line, for the right−of−way for a gas pipeline, main or service line or for easements for the construction of any elevated structure or subway for railroad purposes.

3. In all other cases, the judge shall determine the necessity.

4. The determination of the public service commission of the necessity of taking any undeveloped water power site made pursuant to s. 32.03 (3) shall be conclusive.

Whether the action is tried by the court upon appeal to a circuit court the surety bond executed by a licensed corporate surety shall be conclusive.

32.075 Use after condemnation. (1) In this section, “public utility” has the meaning given under s. 196.01 (5) and includes a telecommunications carrier, as defined in s. 196.01 (8m).

(2) Whenever the public service commission has made a finding, either with or without hearing, that it is reasonably certain it will be necessary for a public utility to acquire lands or interests therein for the purpose of the conveyance of telegraph and telephone messages, or for the production, transformation or transmission of electric energy for the public, or for right−of−way for a gas pipeline, main or service line, and that such public utility is unlikely to commence construction of its facilities upon such lands within 2 years of such finding, such public utility may file its petition and proceed with condemnation as prescribed in s. 32.06 and no further determination of necessity shall be required. When the lands to be condemned under this subsection are needed for rights−of−way for telegraph, telephone or electric lines or pipelines, it shall not be necessary that the particular parcel or parcels of land be described in the commission’s finding, but it shall be sufficient that such finding described the end points of any such lines and the general direction or course of the lines between the end points, but when the public utility files its petition under s. 32.06 it shall specifically describe therein the lands to be acquired.

Notwithstanding the completion of the condemnation proceedings and the payment of the award made under this subchapter, the owner may continue to use the land until such time as the public utility constructs its facilities thereon.

(3) (a) The public service commission shall notify by certified mail any person whose ownership interest in the property was-

The property returned to the petitioner under the order, which located, within 90 days after receipt of the notice, for an order that may have accrued or been assessed since acquisition by the petitioner. The circuit court shall grant the petition and shall make the public utility to return the interest in the property to the petitioner but at no expense or inconvenience to the petitioner court costs and reasonable attorney fees and may require the public utility to return the petitioner's ownership interest in the property subject to the petition and to automatically discharge any lien pendens filed in relation to the condemnation of the property.

3. The public utility within 365 days after issuance of the public service commission denial, revocation or finding under subd. 2. has not proposed, by application to the commission, an alternative use for the property or the public service commission has denied an alternative use proposed by the public utility.

4. (a) If the person is a minor or an individual adjudicated incompetent, the notice under par. (a) shall be to the special guardian appointed for him or her. The notice under par. (a) shall state that the person, or, if the person is deceased, the person's heirs, may petition the circuit court of the county in which the property is located, within 90 days after receipt of the notice, for an order to require the public utility to return the interest in the property to the petitioner. The circuit court shall grant the petition and shall make a formal order returning the petitioner's interest in the property. The order shall operate to divest any title of the public utility to the property subject to the petition and to automatically discharge any liens pendens filed in relation to the condemnation of the property.

(b) An order issued under par. (b) shall direct that:

1. The public utility return the petitioner's ownership interest in the property.

2. The public utility remove any lien or other encumbrance that may have accrued or been assessed since acquisition by the public utility.

3. The petitioner pay to the public utility the fair market value of the property returned to the petitioner under the order, which fair market value shall be determined under a method prescribed by the court.

4. The public utility pay its prorated share of any real estate or ad valorem taxes due on the date of the order.

5. If requested by the petitioner, the public utility pay for all costs for return of property to a reasonable topographic configuration or the condition the property was in at the time the public utility first acquired the property, as established by the court and subject to applicable land use restrictions.

6. The public utility remove from the property, at the option of the petitioner but at no expense or inconvenience to the petitioner, all buildings, equipment and other materials placed on the property by the public utility.

7. In an order issued under par. (b), the court may award the petitioner court costs and reasonable attorney fees and may include in the order any other terms that it deems just and reasonable.

32.08 Commissioner of condemnation. (1) The office of commissioner of condemnation is created. In counties having a population of less than 100,000 there shall be 6 commissioners; in counties having a population of 100,000 or more and less than 750,000 there shall be 9 commissioners; in counties having a population of 750,000 or more there shall be 12 commissioners. Each such commissioner must be a resident of the county or of an adjoining county in the same judicial circuit prior to appointment and remain so during the term of office. Not more than one-third of such commissioners shall be attorneys at law, licensed for active practice in this state.

(2) Such commissioners shall be appointed by the circuit judge or judges of the circuit court for such county and may be removed by said judge or judges at their pleasure. Where any county has more than one circuit judge, the affirmative vote of a majority of such judges shall be necessary to an appointment or removal. All appointments and removals shall be filed with the clerk of the circuit court for the county. Each commissioner shall take and file the official oath. The first appointments after April 6, 1960 shall be made for staggered terms of 1, 2 and 3 years as fixed by the circuit judge. Thereafter all appointments shall be made for 3-year terms. Vacancies shall be filled for the remainder of the unexpired term.

(3) The commissioners in each county shall annually elect one of their number as chairperson, and the chairperson shall select and notify the commissioners to serve on each commission of 3 required to sit in condemnation.

(4) Commissioners shall receive no salary but shall be compensated for actual service at an hourly rate to be fixed by the county board of the county. Commissioners shall also receive mileage at a rate fixed by the county board for necessary and direct round trip travel from their homes to the place where the condemnation commission conducts its hearings. The chairperson of the county commission shall receive such reasonable sum, computed at the hourly rate as fixed by the county board, as shall be allowed by the circuit judge having jurisdiction over the hearing, for his or her administrative and notifying the work in selecting and notifying the commissioners to serve in the condemnation hearing and his or her necessary out-of-pocket expenses in connection with the hearing. All such compensation and expenses shall be paid by the condemnor on order approved by the circuit judge.

(5) If the petitioner under s. 32.06 is entitled to condemn the property or any portion of it or interest therein, the circuit judge having jurisdiction of the petition, or to whom an application for county commissioner of condemnation review is taken from a highway taking award, shall assign the matter to the chairperson of the county condemnation commissioners who shall within 7 days select 3 of the commissioners to serve as a commission to ascertain the compensation to be made for the taking of the property or rights in property sought to be condemned, fix the time and place of the hearing before the commission, which time shall not be less than 20 nor more than 30 days after the assignment date, and notify the parties in interest thereof. The judge’s order of assignment shall be accompanied by a copy of the petition for condemnation. Notice shall be given to each interested person or, where the persons have appeared in the proceeding by an attorney then to the attorney, by certified mail with return receipt requested, postmarked at least 10 days prior to the date of hearing. If the party cannot be found and has not appeared in the proceedings, a class 3 notice shall be published, under ch. 985, in the community in which the chairperson of the condemnation commission directs. Costs of notification shall be paid by the petitioner upon certification by the commission chairperson.

(6) At the hearing the commissioners shall first view the property sought to be condemned and then hear all evidence desired to be produced. The condemnee shall present his or her testimony first and have the right to close. Except as provided in s. 901.05, in conducting the hearing the commission shall not be bound by common law or statutory rules of evidence. The commission shall admit all testimony having reasonable probative value, but shall exclude immaterial, irrelevant and unduly repetitious testimony. The amount of a prior jurisdictional offer or award shall not be disclosed to the commission. The commission shall give effect to the rules of privilege recognized by law. Basic principles of relevancy, materiality and probative force, as recognized in equitable proceedings, shall govern the proof of all questions of fact. The commission may on its own motion adjourn the hearing once for not more than 7 days, but may by stipulation of all parties grant other adjournments. A majority of the commissioners, being present, may determine all matters.
(b) If either party desires that the proceedings by the commission be transcribed, the commission may order the same and the applicant shall pay the cost thereof. Within 10 days after the conclusion of such hearing the commission shall make a written award specifying therein the property taken and the compensation, and file such award with the clerk of the circuit court, who shall cause a copy thereof to be mailed to each party in interest and record the original in the judgment record of such court. The commission shall file with the clerk of the court a sworn voucher for the compensation due each member, which sum, upon approval by the circuit judge, shall be paid by the condemnor.

32.09 Rules governing determination of just compensation.

In all matters involving the determination of just compensation in eminent domain proceedings, the following rules shall be followed:

1. The compensation so determined and the status of the property under condemnation for the purpose of determining whether severance damages exist shall be as of the date of evaluation as fixed by s. 32.05 (7) (c) or 32.06 (7). (1m) (a) As a basis for determining value, a commission in condemnation or a court shall consider the price and other terms and circumstances of any good faith sale or contract to sell and purchase comparable property. A sale or contract is comparable within the meaning of this paragraph if it was made within a reasonable time before or after the date of evaluation and the property is sufficiently similar in the relevant market, with respect to situation, usability, improvements, and other characteristics, to warrant a reasonable belief that it is comparable to the property being valued.

(b) As a basis for determining value, a commission in condemnation or a court shall consider, if provided by the condemnor or condemnree, an appraisal based on the income approach and an appraisal based on the cost approach.

2. In determining just compensation the property sought to be condemned shall be considered on the basis of its most advantageous use but only such use as actually affects the present market value.

3m. In determining just compensation for property sought to be condemned in connection with the construction of facilities, as defined under s. 196.491 (1) (e), any increase in the market value of such property occurring after the date of evaluation but before the date upon which the lis pendens is filed under s. 32.06 (7) shall be considered and allowed to the extent it is caused by factors other than the planned facility.

3. Special benefits accruing to the property and adjusting its market value because of the planned public improvement shall be considered and used to offset the value of property taken or damages under sub. (6), but in no event shall such benefits be allowed in excess of damages described under sub. (6).

4. If a depreciation in value of property results from an exercise of the police power, even though in conjunction with the taking by eminent domain, no compensation may be paid for such depreciation except as expressly allowed in subs. (5) (b) and (6) and s. 32.19.

5. (a) In the case of a total taking the condemnor shall pay the fair market value of the property taken and shall be liable for the items in s. 32.19 if shown to exist.

(b) Any increase or decrease in the fair market value of real property prior to the date of evaluation caused by the public improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, may not be taken into account in determining the just compensation for the property.

6. In the case of a partial taking of property other than an easement, the compensation to be paid by the condemnor shall be:

(a) Loss of land including improvements and fixtures actually taken.

(b) Deprivation or restriction of existing right of access to highway from abutting land, provided that nothing herein shall operate to restrict the power of the state or any of its subdivisions or any municipality to deprive or restrict such access without compensation under any duly authorized exercise of the police power.

(c) Loss of air rights.

(d) Loss of a legal nonconforming use.

(e) Damages resulting from actual severance of land including damages resulting from severance of improvements or fixtures and proximity damage to improvements remaining on condemnree’s land. In determining severance damages under this paragraph, the condemnor may consider damages which may arise during construction of the public improvement, including damages from noise, dirt, temporary interference with vehicular or pedestrian access to the property and limitations on use of the property. The condemnor may also consider costs of extra travel made necessary by the public improvement based on the increased distance after construction of the public improvement necessary to reach any point on the property from any other point on the property.

(f) Damages to property abutting on a highway right−of−way due to change of grade where accompanied by a taking of land.

(g) Cost of fencing reasonably necessary to separate land taken from remainder of condemnree’s land, less the amount allowed for fencing taken under par. (a), but no such damage shall be allowed where the public improvement includes fencing of right−of−way without cost to abutting lands.

6g. In the case of the taking of an easement, the compensation to be paid by the condemnor shall be determined by deducting from the fair market value of the whole property immediately before the date of evaluation, the fair market value of the remainder immediately after the date of evaluation, assuming the completion of the public improvement and giving effect, without allowance of offset for general benefits, and without restriction because of enumeration but without duplication, to the following items of loss or damage to the property where shown to exist:

(a) Loss of land including improvements and fixtures actually taken.

(b) Depreciation or restriction of existing right of access to highway from abutting land, provided that nothing herein shall operate to restrict the power of the state or any of its subdivisions or any municipality to deprive or restrict such access without compensation under any duly authorized exercise of the police power.

(c) Loss of a legal nonconforming use.

(d) Loss of a legal nonconforming use.

(e) Damages resulting from actual severance of land including damages resulting from severance of improvements or fixtures and proximity damage to improvements remaining on condemnree’s land. In determining severance damages under this paragraph, the condemnor may consider damages which may arise during construction of the public improvement, including damages from noise, dirt, temporary interference with vehicular or pedestrian access to the property and limitations on use of the property. The condemnor may also consider costs of extra travel made necessary by the public improvement based on the increased distance after construction of the public improvement necessary to reach any point on the property from any other point on the property.

(f) Damages to property abutting on a highway right−of−way due to change of grade where accompanied by a taking of land.

(g) Cost of fencing reasonably necessary to separate land taken from remainder of condemnree’s land, less the amount allowed for fencing taken under par. (a), but no such damage shall be allowed where the public improvement includes fencing of right−of−way without cost to abutting lands.

6g. In the case of the taking of an easement, the compensation to be paid by the condemnor shall be determined by deducting from the fair market value of the whole property immediately before the date of evaluation, the fair market value of the remainder immediately after the date of evaluation, assuming the completion of the public improvement and giving effect, without allowance of offset for general benefits, and without restriction because of enumeration but without duplication, to the following items of loss or damage to the property enumerated in sub. (6) (a) to (g) where shown to exist:

6r. (a) In the case of a taking of an easement in lands zoned or used for agricultural purposes, for the purpose of constructing or operating a high−voltage transmission line, as defined in s. 196.491 (1) (f), or any petroleum or fuel pipeline, the offer under s. 32.05 (2a) or 32.06 (2a), the jurisdictional offer under s. 32.05 (3) or 32.06 (3), the award of damages under s. 32.05 (7), the award of the condemnation commissioners under s. 32.05 (9) or 32.06 (8) or the assessment under s. 32.57 (5), and the jury verdict as approved by the court under s. 32.05 (10) or (11) or 32.06 (10) or the judgment under s. 32.61 (3) shall specify, in addition to a lump sum representing just compensation under sub. (6) for outright acquisition of the easement, an amount payable annually on the date therein set forth to the condemnree, which amount represents just compensation under sub. (6) for the taking of the easement for one year.
When a strip of land was taken and highway access to a loading dock restricted without a prior finding of necessity to limit access, the plaintiff could recover damages for loss of access because the police power under sub. (4) had not been exercised/count. Crown Zellerbach Corp. v. City of Milwaukee Development Department, 47 Wis. 2d 142, 177 N.W.2d 94 (1970).

While the general rule is that evidence of net income is inadmissible to establish fair market value, that rule does not preclude the submission of net income evidence in those circumstances where the court determines that a showing of comparable sales evidence is necessary to establish a market value. See National Auto Truckstops v. DOT, 2002 Wis. App 59, 241 N.W.2d 183 (Ct. App. 1999).
admissible if a qualified expert has successfully drawn the pertinent nexus in the calculation of damages between evidence of that fear and the fair market value of the property being condemned following the taking. Arents v. ARN Pipeline Company, 2006 WI 75, 291 Wis. 2d 173, 696 N.W.2d 94, 03–1488.

Evidence of comparable sales is not the only relevant and admissible evidence in determining fair market value when available in a condemnation case. Arents v. ARN Pipeline Company, 2005 WI App 61, 281 Wis. 2d 737, 696 N.W.2d 194, 01–0693.

The requirement in sub. (6) to consider the “whole property” does not require that an individual assessment always treat contiguous, commonly–owned tax parcels separately or as a single unit, but requires text analysis. The property be left out of an assessment. When the property’s highest and best use that affects its present market value is most appropriately appraised by considering the contiguous tax parcels separately, the property should be appraised as appropriate appraisal methods. Conversely, when highest and best use is more adequately represented through an appraisal of the property as a single unit, the approach is appropriate. Spiegelberg v. State, 2006 WI 75, 291 Wis. 2d 173, 696 N.W.2d 94, 03–1488.

Under Wisconsin eminent domain laws, courts apply the unit rule, which prohibits valuing individual property interests or aspects separately from the property as a whole. Wisconsin’s definition of eminent domain for purposes of admissibility is for the whole parcel, not the sum of the different interests therein. Hoeckstra v. Guardian Pipeline L.P., 2004 WI App 245, 288 Wis. 2d 156, 276 N.W.2d 284, 04–0723.

The lessee under a long-term favorable lease who received no compensation for its leasehold interest under the unit rule when the fair market value of the entire property was determined to be zero was not denied the right to just compensation under Article I, Section 13, of the Wisconsin constitution. City of Milwaukee VFW Post No. 2874 v. Redevelopment Authority of the City of Milwaukee, 2009 WI 84, 319 Wis. 2d 749, 09–0656.

Wisconsin’s project influence statute, sub. (5)(b), contains nothing about comparables. It simply states that any increase or decrease in the fair market value of the subject property for the public improvement may not be taken into consideration in determining just compensation. Sub. (5)(b) does not create a bright–line mandate that when evidence of comparable sales is not impacted by a public improvement, the sale alleged to be comparable that was made where the public improvement project was known that was located in whole or in part within the project footprint must be excluded as a matter of law. Spanbauer v. State, 2009 WI App 83, 320 Wis. 2d 177, 986 N.W.2d 1163.

In easement condemnation cases, property owners are compensated for the loss in fair market value of their whole property. Pre–existing easement rights may be considered when determining condemnation compensation. Wisconsin’s condemnation statute was amended to provide that pre–existing easement rights may be considered for the purpose of determining compensation for a temporary taking of land for public use. Such takings claims are based on the taking of private property for public use even though the legislature has failed to specify just compensation. Zinn v. State, 2011 WI App 47, 339 Wis. 2d 475, 821 N.W.2d 684 (2011).

A taking occurred at a city’s request to remove a sewer’s drainage system because of a proposed renewal project encompassing the theater’s location, not when the city failed to act. Proponents & Friends of American Peacock Theatre Company, LLC v. Mayor of Milwaukee, 2012 WI App 99, 338 Wis. 2d 34, 808 N.W.2d 358 (2012).

When a parcel of land is taken by eminent domain, the compensation award must be the whole. When a parcel of land is taken by eminent domain, the compensation award is for the property as a whole, not for the sum of the different interests therein. A claimant who asserted ownership of condemned land, compensation for which the owner is not questioning the right of the defendant to condemn the property as occupied by a person possessing the power of condemnation and if the person has not exercised the power, the owner, to institute condemnation proceedings, shall present a verified petition to the circuit judge of the county wherein the land is situated asking that such proceedings be commenced. The petition shall describe the land, state the person against which the condemnation proceedings are instituted and the use to which it has been put or is designed to have been put by the person against which the proceedings are instituted. A copy of the petition shall be served upon the person who has occupied petitioner’s land, or interest in land. The petition shall be filed in the office of the clerk of the circuit court and thereupon the matter shall be deemed an action at law and at issue, with petitioner as plaintiff and the occupying party as defendant. The court shall make a finding of whether the defendant is occupying property of the plaintiff without having the right to do so. If the court determines that the defendant is occupying such property of the plaintiff without having the right to do so, it shall treat the matter in accordance with the provisions of this subsection assuming the plaintiff has received from the defendant a jurisdictional offer and has failed to accept the same and assuming the plaintiff is not questioning the right of the defendant to condemn the property so occupied.

32.10 Condemnation proceedings instituted by property owner. If any property has been occupied by a person possessing the power of condemnation and if the person has not exercised the power, the owner, to institute condemnation proceedings, shall present a verified petition to the circuit judge of the county wherein the land is situated asking that such proceedings be commenced. The petition shall describe the land, state the person against which the condemnation proceedings are instituted and the use to which it has been put or is designed to have been put by the person against which the proceedings are instituted. A copy of the petition shall be served upon the person who has occupied petitioner’s land, or interest in land. The petition shall be filed in the office of the clerk of the circuit court and thereupon the matter shall be deemed an action at law and at issue, with petitioner as plaintiff and the occupying party as defendant. The court shall make a finding of whether the defendant is occupying property of the plaintiff without having the right to do so. If the court determines that the defendant is occupying such property of the plaintiff without having the right to do so, it shall treat the matter in accordance with the provisions of this subsection assuming the plaintiff has received from the defendant a jurisdictional offer and has failed to accept the same and assuming the plaintiff is not questioning the right of the defendant to condemn the property so occupied.

32.10(2) Condemnation proceedings instituted by property owner. If any property has been occupied by a person possessing the power of condemnation and if the person has not exercised the power, the owner, to institute condemnation proceedings, shall present a verified petition to the circuit judge of the county wherein the land is situated asking that such proceedings be commenced. The petition shall describe the land, state the person against which the condemnation proceedings are instituted and the use to which it has been put or is designed to have been put by the person against which the proceedings are instituted. A copy of the petition shall be served upon the person who has occupied petitioner’s land, or interest in land. The petition shall be filed in the office of the clerk of the circuit court and thereupon the matter shall be deemed an action at law and at issue, with petitioner as plaintiff and the occupying party as defendant. The court shall make a finding of whether the defendant is occupying property of the plaintiff without having the right to do so. If the court determines that the defendant is occupying such property of the plaintiff without having the right to do so, it shall treat the matter in accordance with the provisions of this subsection assuming the plaintiff has received from the defendant a jurisdictional offer and has failed to accept the same and assuming the plaintiff is not questioning the right of the defendant to condemn the property so occupied.
all, or substantially all, of the beneficial use of his or her property. E. L. Enterprises, Inc. v. Milwaukee Metropolitan Sewerage District, 2010 WI 58, 326 Wis. 2d 82, 785 N.W.2d 409, 08-0921.

A taking occurs in airplane overflight cases when government action results in aircraft flying over a landowner’s property low enough and with sufficient frequency to have a direct and immediate effect on the use and enjoyment of the property. The government bears the responsibility if aircraft are regularly flown by private individuals or pilots would effectively deprive the owners of a remedy for such takings. Brenner v. City of New Richmond, 2012 WI 98, 343 Wis. 2d 320, 816 N.W.2d 291, 10-0342.

If a taking is to constitute a result of government action, the court is not free to disregard this plainly stated rule and search for conclusions to be considered to be the functional equivalent of action, as might be at issue for example in the negligence context. Conzemius v. Village of Lake Delton, 2014 WI App 47, 354 Wis. 2d 30, 847 N.W.2d 845, 13-0014.

Section 84.25 (3) authorizes DOT to change access to a highway designated as controlled access in whatever way it deems “necessary or desirable.” In controlled access highway cases, abutting property owners are precluded from compensation for a change in access under s. 32.09 (6) by as a matter of law. However, the exercise of the police power cannot deprive the owner of all or substantially all beneficial use of the property without compensation. If the replacement access is so circuitous as to amount to a taking of property, compensation is due under s. 32.09 (6) (b). Hoffer Properties, LLC v. State of Wisconsin, 2016 WI 51, 366 Wis. 2d 372, 874 N.W.2d 533, 12-2520.

In 1983 a. 236, s. 32.09 (3) was amended to provide that constitutional takings provisions interpose no barrier to the exercise of the police power of the state. Injury to property resulting from the exercise of the police power of the state does not constitute a taking of property. A state action is not a taking power when it regulates use of public safety, convenience, and the general welfare of the public. The protection of public rights may be accomplished by the exercise of the police power unless the damage to the property owner is too great and amounts to a confiscation. Claims for such “regulatory takings” must be brought under this section. History: 1977 c. 449; 1979 c. 110 s. 60 (13); 1983 a. 236 s. 12, 1991 a. 316.

A successful plaintiff in an inverse condemnation action was entitled to litigation expenses, which included expenses related to a direct condemnation action. Expens es related to an allocation proceeding under s. 32.11 were not recoverable. Maxey v. Racine Redevelopment Authority, 120 Wis. 2d 13, 353 N.W.2d 812 (Ct. App. 1984).

32.11 Trial of title. If any defect of title to or encumbrance upon any parcel of land is suggested upon any appeal, or if any person petitions the court in which an appeal is pending setting up an affirmative defense adverse to the title of the party interested in the property, he or she may proceed to acquire or perfect the title as provided in this section. Reasonableness is not the standard to apply to determine if compensation is due under s. 32.09 (6) (b). Hoffer Properties, LLC v. State of Wisconsin, 2016 WI 51, 366 Wis. 2d 372, 874 N.W.2d 533, 12-2520.

32.12 Proceedings to perfect title. (1) If any person having the power to acquire property by condemnation enters into the possession of any property and is using the property for a purpose for which condemnation proceedings might be instituted but has not acquired title to the property, or if the title is defective, or if not in possession, has petitioned the circuit court as provided by s. 32.06 (7) and for an order as authorized under this section either at the time of filing the petition for condemnation or thereafter, and the necessity for taking has been determined as authorized by law, the person may proceed to acquire or perfect the title as provided in this subsection or be authorized to enter into possession as provided in this section. At any stage of the proceedings the court in which they are pending may authorize the person, if in possession, to continue in possession, and if not in possession to take possession and have and use the lands during the pendency of the proceedings and may stay all actions or proceedings against the person on account thereof on the paying in court of a sufficient sum or the giving of such securities as the court may direct to pay the compensation therefor when finally ascertained. The “date of taking” in proceedings under this section is the date on which the property so taken and judgment shall be rendered according to the manner prescribed in this subchapter as of the time when such person acquired title. Such appraisal shall be exclusive of the improvements made by that person or that person’s predecessors.

(2) If any person having the power to acquire property by condemnation enters into the possession of any property and is using the property for a purpose for which condemnation proceedings might be instituted but has not acquired title to the property, or if the title is defective, or if not in possession, has petitioned the circuit court as provided by s. 32.06 (7) and for an order as authorized under this section either at the time of filing the petition for condemnation or thereafter, and the necessity for taking has been determined as authorized by law, the person may proceed to acquire or perfect the title as provided in this subsection.

32.13 Proceedings when land mortgaged. Whenever any person has acquired title to any property for which it could institute condemnation proceedings and said property is subject to any mortgage or other lien and proceedings have been afterwards commenced by the holders of any such mortgage or lien to enforce the same, the court in which such proceedings are pending may on due notice appoint 3 commissioners from among the county commissioners created by s. 32.08 to appraise and value said property in the manner prescribed in this subchapter as of the time when such person acquired title. Such appraisal shall be exclusive of the improvements made by that person or that person’s predecessors. Said appraisal, with interest, when confirmed by said court shall stand as the maximum amount of the encumbrance chargeable to the property so taken and judgment shall be rendered according to equity for an amount not exceeding such appraisal, with interest, against such person or property and may be enforced as in other cases. On the payment of such amount such person shall hold said property free and discharged from said mortgage or lien. An appeal may be taken from the award of such commission by the plaintiff and tried and determined as an appeal from the county condemnation commissioners under this subchapter and the action to enforce such mortgage or lien shall be stayed.

32.14 Amendments. The court or judge may at any time permit amendments to be made to a petition filed pursuant to s. 32.06, amend any defect or informality in any of the proceedings authorized by this subchapter and may cause any parties to be added and direct such notice to be given to any party of interest as it deems proper.

32.15 How title in trustee acquired. In case any title or interest in real estate lawfully required by any person having the power of condemnation is vested in any trustee not authorized to sell, release and convey the same or in any minor or person adjudged mentally incompetent, the circuit court may in a summary proceeding authorize and empower such trustee or the general guardian of such minor or person adjudged mentally incompetent to sell and convey the same for the purposes required on such terms as may be just. If such minor or person adjudged mentally incompetent has no general guardian, the court may appoint a special guardian for such sale, release or conveyance. The court may require from such trustee, or general or special guardian, such security as it deems proper before any conveyance or release authorized in this section is executed. The terms of the same shall be reported to the court on oath. If the court is satisfied that such terms are just to the party interested in such real estate, it shall confirm the report and direct the conveyance or release to be executed.
cuted. Such conveyance or release shall have the same effect as if executed by one having legal power to sell and convey the land.

History: 1977 c. 83.

32.16 Abandonment of easements for public use. An easement for public use acquired by gift or purchase or by condemnation under this subchapter shall not be deemed abandoned on the grounds of nonuser thereof for any period less than that prescribed in the applicable statutes of limitations in ch. 893. Nothing contained in this section shall be presumed to adversely affect any highway right possessed by the state or any county or municipality thereof.

History: 1983 a. 236 s. 12.

32.17 General provisions. (1) Where power of condemnation is given to a state officer the title acquired shall be in the name of the state. Payments of the costs and expenses of such condemnation shall be paid from the appropriation covering the purposes for which the property is acquired.

(2) Any condemnation proceedings authorized under any local or special law of this state, except those applicable to cities of the 1st class, shall be conducted under the procedure provided in this subchapter.

(3) Where disbursements and costs, including expert witness fees and reasonable actual attorney fees in case of abandonment of proceedings by the condemnor are recoverable from a condemnor under this subchapter, they shall be recoverable from the state or any of its agencies when the state or such agency is the condemnor.

32.18 Damage caused by change of grade of street or highway where no land is taken; claim; right of action. Where a street or highway improvement project undertaken by the department of transportation, a county, city, town or village, causes a change of the grade of such street or highway in cases where such grade was not previously fixed by city, village or town ordinance, but does not require a taking of any abutting lands, the owner of such lands at the date of such change of grade may file with the department of transportation in the case of state trunk highways, a county in the case of county highways or the city, town or village, causing such change of grade to be effected, whichever has jurisdiction over the street or highway, a claim for any damages to said lands occasioned by such change of grade. Special benefits may be offset against any claims for damages under this section. Such claim shall be filed within 90 days following the completion of said project; if allowed, it shall be paid from the appropriation covering the purposes for which the property is acquired. Where disbursements and costs, including expert witness fees and reasonable actual attorney fees, are recoverable from the state or any of its agencies when the state or such agency is the condemnor, they shall be recoverable from the state or any of its agencies when the state or such agency is the condemnor.

The legislature declares that it is in the public interest that persons displaced by any public project be fairly compensated by payment for the property acquired and other losses hereinafter described and suffered as the result of programs designed for the benefit of the public as a whole; and the legislature further finds and declares that, notwithstanding subch. II, or any other provision of law, payment of such relocation assistance and assistance in the acquisition of replacement housing are proper costs of the construction of public improvements. If the public improvement is funded in whole or in part by a nonlapsible trust, the relocation payments and assistance constitute a purpose for which the fund of the trust is accountable.

(3) RELOCATION PAYMENTS. Any condemnor which proceeds with the acquisition of real and personal property for purposes of any project for which the power of condemnation may be exercised, or undertakes a program or project that causes a person to be a displaced person, shall make fair and reasonable relocation payments to displaced persons, business concerns and farm operations under this section. Payments shall be made as follows:

(a) Moving expenses; actual. The condemnor shall compensate a displaced person for the actual and reasonable expenses of moving the displaced person and his or her family, business or farm operation, including personal property; actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property; actual reasonable expenses in searching for a replacement business or farm operation; and actual reasonable expenses necessary to establish a business or farm operation, not to exceed $10,000, unless compensation for such expenses is included in the payment provided under sub. 1. The amount, if any, which when added to the acquisition payment, equals the reasonable cost of a comparable replacement dwelling available on the private market, as determined by the condemnor.

2. If a displaced person occupied the dwelling acquired for at least 90 days but not more than 180 days prior to the initiation of negotiations for the acquisition of the property, the payment under par. (b) may not exceed the amount the displaced person would receive if the displaced person was eligible for a payment under par. (a).

(4m) BUSINESS OR FARM REPLACEMENT PAYMENT. (a) Owner—occupied business or farm operation. In addition to amounts otherwise authorized by this subchapter, the condemnor shall make a payment to any individual or family displaced from any dwelling which was actually and lawfully occupied by such individual or family for not less than 90 days prior to the initiation of negotiations for the acquisition of such property or, if displacement is not a direct result of acquisition, such other event as determined by the department of administration by rule. For purposes of this paragraph, a corporation organized under ch. 181 that is a nonprofit corporation, as defined in s. 181.0103 (17), may, if otherwise eligible, be considered a displaced tenant. Subject to the limitations under par. (bm), such payment shall be either:

1. The amount, if any, which, when added to the rental cost of the acquired dwelling, equals the reasonable cost of leasing or renting a comparable dwelling available on the private market for a period not to exceed 4 years, as determined by the condemnor, but not to exceed $8,000; or

2. If the person elects to purchase a comparable dwelling, the amount determined under subd. 1. plus expenses under par. (a) 3.

(bm) Limitations. 1. Payment under par. (b) shall be made only to a displaced person who rents, leases or purchases a decent, safe and sanitary replacement dwelling and occupies that dwelling not later than one year after the date on which the person moves from the dwelling purchased, except that the condemnor may extend the period for good cause.

2. If a displaced person occupied the dwelling acquired for at least 90 days but not more than 180 days prior to the initiation of negotiations for the acquisition of the property, the payment under par. (b) may not exceed the amount the displaced person would receive if the displaced person was eligible for a payment under par. (a).

(c) Additional payment. If a comparable dwelling is not available within the monetary limits established in par. (a) or (b), the condemnor may exceed the monetary limits and make payments necessary to provide a comparable dwelling.

(d) Federally financed projects. Notwithstanding pars. (a) to (c), in the case of a program or project receiving federal financial assistance, a condemnor shall, in addition to any payment under pars. (a) to (c), make any additional payment required to comply with the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 USC 4601 to 4655, and any regulations adopted thereunder.
2. The amount, if any, which will compensate such owner displaced person for any increased interest and other debt service costs which such person is required to pay for financing the acquisition of any replacement property, if the property acquired was encumbered by a bona fide mortgage or land contract which was a valid lien on the property for at least one year prior to the initiation of negotiations for its acquisition. The amount under this subdivision shall be determined according to rules promulgated by the department of administration.

3. Reasonable expenses incurred by the displaced person for evidence of title, recording fees and other closing costs incident to the purchase of the replacement property, but not including pre-paid expenses.

4. Any reasonable project costs incurred or to be incurred by the displaced person.

(b) Tenant—occupied business or farm operation. In addition to amounts otherwise authorized by this subchapter, the condemnor shall make a payment to any tenant displaced person who has owned and occupied the business operation, or owned the farm operation, for not less than one year prior to initiation of negotiations for the acquisition of the real property on which the business or farm operation lies or, if displacement is not a direct result of such acquisition, such other event as determined by the department of administration, and who actually rents or purchases a comparable replacement business or farm operation for the displaced business or farm operation within 2 years after the date the person vacates the acquired property. At the option of the tenant displaced person, such payment shall be either:

1. The amount that is necessary to lease or rent a comparable replacement business or farm operation for a period of 4 years, plus any reasonable project costs incurred or to be incurred by the tenant displaced person. If the condemnor is a village, town, or city, the amount paid under this subdivision may not exceed $80,000. The rental payment shall be computed by determining the reasonable monthly rent paid for the property from which the person was displaced for the 12 months prior to the initiation of negotiations, or, if displacement is not a direct result of acquisition, such other event as determined by the department of administration and the monthly rent of a comparable replacement business or farm operation, and multiplying the difference by 48; or

2. If the tenant displaced person elects to purchase a comparable replacement business or farm operation, the amount determined under sub. 1. plus expenses under par. (a) 3.

(5) EMINENT DOMAIN. Nothing in this section or ss. 32.25 to 32.27 shall be construed as creating in any condemnation proceedings brought under the power of eminent domain, any element of damages.

32.197 Waiver of relocation assistance. An owner–occupant of property being acquired may waive his or her right to receive any relocation payments or services under this subchapter if the property being acquired is not contiguous to any property which may be acquired by the condemnor and is not part of a previously identified or proposed project where it is reasonable to conclude that acquisition by the condemnor may occur in the foreseeable future. Prior to the execution of any waiver under this section, the condemnor shall provide to the owner–occupant, in writing, full information about the specific payments and services being waived by the owner–occupant. The department of administration shall by rule establish procedures for relocation assistance waivers under this section to ensure that the waivers are voluntarily and knowledgeably executed.

32.20 Procedure for collection of itemized items of compensation. Claims for damages itemized in ss. 32.19 and 32.195 shall be filed with the condemnor carrying on the project through which condemnor’s or claimant’s claims arise. All such claims must be filed after the damages upon which they are based have actually occurred but not later than 2 years after the condemnor takes physical possession of the entire property acquired or such other event as determined by the department of administration by rule. If such claim is not allowed within 90 days after the filing thereof, the claimant has a right of action against the condemnor carrying on the project through which the claim arises. Such action shall be commenced in a court of record in the county wherein the damages occurred. In causes of action, involving any state commission, board or other agency, excluding counties, the summary recovered by the claimant shall be paid out of any funds appropriated to such condemning agency. Any judgment shall be appealable by either party and any amount recovered by the body against which the claim was filed, arising from costs, counterclaims, punitive damages or otherwise may be used as an offset to any amount owed by it to the claimant, or may be collected in the same manner and form as any other judgment.

This statute mandates the procedure for making any and all claims by condemnees.

Renter v. Milwaukee County Expressway & Transportation Commission, 72 Wis. 2d 553, 241 N.W.2d 440 (1976).

To stop this time limit from beginning to run, the condemnee must avoid giving physical possession of the property to the condemnor. The statute provides for the determination of the time which the condemnor and condemnee will engage in good faith negotiations as to the amount of relocation expenses to be paid. The legislature specifically used the term “physical” to avoid uncertainty in identifying the exact time when the legal right to possession arises. C. Coakley Relocation Services v. City of Milwaukee, 2007 WI App 209, 305 Wis. 2d 487, 740 N.W.2d 636, 06–2292. Affirmed. 2008 WI 68, 310 Wis. 2d 456, 750 N.W.2d 900, 06–2292.

32.21 Emergency condemnation. Whenever any lands or interest therein are urgently needed by any state board, or commission, or other agency of the state, and a contract for the purchase or use of the property cannot be made for a reasonable price, or for any other reason, including the unavailability of the owner or owners, the board, commission or agency may, with the approval of the governor, issue an award of damages and upon tender of the award to the owner or owners, or deposit in a court of record in the county where the lands are situated in cases where an owner is not available or tender is refused, take immediate possession of said property. Deposit in a court of record may be made by registered mail addressed to the clerk of the court. The governor shall determine whether or not such an award shall issue. Appeal from said award of damages will lie as in other similar cases and all provisions of this subchapter shall govern, except as to the provision herein concerning the immediate issuance of the award tender and immediate possession.

32.22 Special procedure for immediate condemnation. (1) Definitions. In this section, unless the context requires otherwise:

(a) “Blighted property” means any property which, by reason of abandonment, dilapidation, deterioration, age or obsolescence, inadequate provisions for ventilation, light, air or sanitation, high density of population and overcrowding, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, or the existence of conditions which endanger life or property by fire or other causes, or any combination of such factors, is detrimental to the public health, safety or welfare.

(b) “Municipality” means a city, a village, a town, a housing authority created under ss. 66.1201 to 66.1211, a redevelopment authority created under s. 66.1333 or a community development authority created under s. 66.1335.

(c) “Owner” means any person holding record title in the property.

(d) “Residential” means used principally for dwelling purposes.

(2) Applicability. Any municipality may use the procedures in this section for the condemnation of blighted residential property, in lieu of the procedures in s. 32.06. Any 1st class city may use the procedures in this section for the condemnation of blighted residential property, in lieu of the procedures in subch. II. The procedures in this section may only be used to acquire all of the property in a single parcel. Except as provided in sub. (12), the procedures in this section may not be used by a municipality to acquire blighted residential property for any purpose which requires the razing of the residential buildings.

(3) Determination of necessity of taking. The necessity of taking shall be determined under s. 32.07.

(4) Appraisal; information; blight; warrant. (a) The municipality shall prepare one or more appraisals of any blighted residential property proposed to be acquired under this section. In preparing any appraisal under this paragraph, the appraiser shall confer with the owner or the owner’s representative, if either can be located with reasonable diligence. The condemnor shall provide the owner with a full narrative appraisal upon which the petition under sub. (5) is based and a copy of any other appraisal made under this paragraph and at the same time shall inform the owner of his or her right to obtain an appraisal under subd. 2.

2. The owner may obtain an appraisal by a qualified appraiser of all property proposed to be acquired. The owner may submit the reasonable costs of the appraisal to the condemnor for payment, along with a copy of the owner’s full narrative appraisal and evidence of the owner’s payment for the appraisal within 60 days after the petition is filed under sub. (5). After receipt of the statement of appraisal costs, proof of payment and a copy of the appraisal, the municipality shall promptly reimburse the owner for the reasonable costs of the appraisal. The condemnor shall not be required to reimburse more than one owner under this subdivision for an appraisal relating to the condemnation under this section of any single parcel of real estate. If record title exists in more than one person, the person obtaining reimbursement under this subdivision shall provide a copy of the owner’s appraisal to each other person who is an owner, as defined in sub. (1) (c).

(b) Before submitting the petition under sub. (5), the municipality shall ascertain that the property is blighted and shall note any other evidence of blight, such as unlocked doors, unlocked or broken windows and screens, lack of gas, electric or water service, absence of personal belongings in the building and any conditions which render the building untenable.
32.22 EMINENT DOMAIN

(c) Prior to entry into any building proposed to be acquired under this section, the condemnor shall obtain a special condemnation warrant under this paragraph. To obtain a special condemnation warrant, the condemnor shall petition the court for the county in which the property proposed to be acquired is located and shall mail a copy of the petition for a warrant under this paragraph by registered or certified mail to the owner’s last-known address if any. The court shall issue the warrant on the condemnor’s affidavit that the condemnor intends to condemn the property under this section; that the condemnor has mailed a copy of the petition for the warrant as required in this paragraph; and that an external inspection of the property indicates that it is blighted.

(5) PETITION FOR CONDEMNATION PROCEEDINGS. (a) A municipality may present a verified petition to the circuit court for the county in which the property to be taken is located, for proceedings to take immediate possession of blighted residential property and for proceedings to determine the necessity of taking, where such determination is required. The compensation offered for the property shall accompany the petition.

(b) The petition shall:
(1) Describe the property and interests sought to be acquired.
(2) Name all owners of record of the property.
(3) State the authority of the municipality to condemn the property.
(4) Describe the facts which indicate that property is blighted.
(5) Itemize the compensation offered for the property according to the items of damages under s. 32.09.
(6) Describe the condemnor’s plan to preserve the property pending rehabilitation.
(7) Describe the condemnor’s plan to rehabilitate the property and return it to the housing market.

(6) ACTION ON THE PETITION. (a) Immediately upon receipt of the petition, the circuit court shall examine the evidence presented by the municipality showing that the property is blighted. If the circuit court finds that the property is blighted, the court shall immediately direct the municipality to serve a copy of the petition and a notice on the owner under s. 801.12 (1), and to post a copy of the petition and notice on the main entrance to the residential building. The notice shall state that:

1. The owner may accept the compensation offered by filing a petition with the clerk of the court.
2. The owner may commence a court action to contest the right of condemnation as provided in sub. (8) within 40 days from completion of service of process.
3. The owner may appeal for greater compensation without prejudice to the right to use the compensation given by the award under sub. (10) within 2 years from the date of taking of the property.
4. Acceptance of the award is an absolute bar to an action to contest the right of condemnation under sub. (8).

(b) If any owner is a minor or an individual adjudicated incompetent, a special guardian shall be appointed under s. 32.05 (4).

(7) POSSESSION AND PROTECTION OF THE PROPERTY. Within one working day after the municipality files proof of service of the petition and notice under s. 801.12 (1), the court shall grant the municipality immediate possession of the property. After obtaining the right to possession of the property, the municipality may take any action necessary to protect the property. The municipality shall post a notice on the main entrance to the building directing any occupant of the property to contact the municipality for information on relocation assistance.

(8) ACTION TO CONTEST RIGHT OF CONDEMNATION. (a) If an owner desires to contest the right of the condemnor to condemn the property described in the petition, for any reason other than that the amount of compensation offered is inadequate, the owner may within 40 days from the date of service and posting of the notice under sub. (6) commence an action in the circuit court of the county in which the property is located, naming the condemnor as defendant. If the action is based on the allegation that the condemned property is not blighted, the owner shall demonstrate by a preponderance of the credible evidence that the property is not blighted.

(b) An action under this subsection shall be the only manner in which any issue other than the amount of just compensation, or other than proceedings to perfect title under ss. 32.11 and 32.12, may be raised pertaining to the condemnation of the property described in the petition. The trial of the issues raised by the pleadings in an action under this subsection shall be given precedence over all other actions in the circuit court then not actually on trial. If the action under this subsection is not commenced within the time limited, or if compensation offered for the condemned property is accepted, the owner or other person having any interest in the property shall be barred from raising any objection to the condemnor’s right to condemn the property under this section in any manner.

(c) Nothing in this subsection limits in any respect the right to determine the necessity of taking under s. 32.07. Nothing in this subsection limits the right of the municipality to exercise control over the property under sub. (7).

(d) If the final judgment of the court is that the municipality is not authorized to condemn the property, the court shall award the owner a sum equal to actual damages, if any, caused by the municipality in exercising control over the property, in addition to the amounts provided in s. 32.28.

(9) PAYMENT OF COMPENSATION. TRANSFER OF TITLE. (a) If the owner accepts the compensation offered, or if the owner does not accept the compensation offered but no timely action is commenced under sub. (8), or if in an action under sub. (8) the circuit court holds that the municipality may condemn the property, the court shall order the title transferred to the municipality and the compensation paid to the owner.

(b) The clerk of court shall give notice of the order under par. (a) by certified mail, or by a class 3 notice under ch. 985, if any owner cannot be found, or any owner’s address is unknown. The notice shall indicate that the owner may receive his or her proper share of the award by petition to and order of the court. The petition may be filed with the clerk of the court without fee.

(10) ACTION TO CONTEST AMOUNT OF COMPENSATION. Within 2 years after the date of taking under this section, an owner may appeal from the award using the procedures in s. 32.05 (9) to (12) and chs. 808 and 809 without prejudice to the owner’s right to use the compensation received under sub. (9) pending final determination under this subsection. For purposes of this subsection, the “date of taking” and the “date of evaluation” shall be the date of filing the petition in circuit court under sub. (5). For the purposes of this subsection, the “basic award” shall be the amount paid into the circuit court by the municipality under sub. (5). If the owner is successful on the appeal and the circuit court awards an amount higher than the basic award, the court shall award the owner the amounts provided in s. 32.28.

(11) CLAIMS BY OCCUPANTS. (a) If within 2 years after the petition is filed by the municipality, any person claims to have been a lawful occupant of the property condemned on the date the petition was filed, that individual may submit a request for relocation assistance under s. 32.25 to the municipality. The municipality shall, within 30 days after receipt of the request, either grant this request or apply to the circuit court for the county in which the property is located for a resolution of the claim.

(b) If an application is made to the circuit court under par. (a), the court shall conduct a hearing and determine whether the claimant had a lawful right to occupy the property and whether the claimant actually occupied the property on the date the petition was filed. If the court finds in favor of the claimant, the court shall direct the municipality to provide the relocation assistance and other aid available under s. 32.25 to a displaced person at the time

Updated 2017–18 Wis. Stats. Published and certified under s. 35.18. May 11, 2019.
of condemnation, unless the municipality abandons the proceedings and the claimant is able to resume occupancy of the property.

(c) No determination by a court under par. (b) in favor of a claimant affects the right of the municipality to condemn the property under this section in any case in which the owner accepts the compensation offered by the municipality or in which the claim under par. (a) is made after the latest date on which the owner could have filed an action under sub. (8).

(12) Disposition of condemned property. (a) Nothing in this section requires the municipality to rehabilitate a residential building, if it appears at any time that total cost of rehabilitation, including structural repairs and alterations, exceeds 80 percent of the estimated fair market value of the building when rehabilitation is complete. If the municipality determines under this paragraph not to rehabilitate a residential building condemned under this section, the municipality shall sell the building to any corporation or cooperative organized under ch. 181 that is a nonprofit corporation, as defined in s. 181.0103 (17), or any cooperative organized under ch. 185 or 193 which:

1. Offers to purchase the building within 60 days after the municipality determines not to rehabilitate the building for an amount which is not less than the amount paid by the municipality to acquire the building from the previous owner under this section;

2. Agrees to submit to the municipality its plans to rehabilitate the building within 3 months after the date on which the nonprofit corporation or cooperative acquires title to the building, to commence significant rehabilitation activities within 6 months after that date and to complete the rehabilitation program and return the building to residential use within 18 months after that date; and

3. Agrees to execute a quitclaim deed returning the property to the municipality without compensation or reimbursement if the nonprofit corporation or cooperative fails to satisfy any of the requirements of subd. (2).

(b) If the municipality undertakes and completes the rehabilitation of any residential building acquired under this section, the municipality shall:

1. Sell, lease or otherwise convey the rehabilitated building to any person authorized to exercise condemnation powers under this section.

2. Sell the rehabilitated building to any person not authorized to exercise condemnation powers under this section. If the condemnor sells the building to any person not authorized to exercise condemnation powers under this section, the sale price shall not be less than fair market value of the rehabilitated building at the time of the sale.

(c) If a residential building is not rehabilitated or conveyed under par. (a) or (b), the municipality may use the property condemned under this section for any lawful purpose, including any purpose which requires razing of the building.

Note: Chapter 37, laws of 1979, which created this section, gives the legislature the power to adopt the procedures for the purpose of cooperating and exchanging information with other project activities and other planned or proposed governmental actions in the community or nearby areas which may affect the implementation of the relocation program.

(c) Assist displaced owners or renters in the location of comparable dwellings.

(d) Supply information concerning programs of federal, state and local governments which offer assistance to displaced persons and business concerns.

(e) Assist in minimizing hardships to displaced persons in adjusting to relocation.

(f) Secure, to the greatest extent practicable, the coordination of relocation activities with other project activities and other planned or proposed governmental actions in the community or nearby areas which may affect the implementation of the relocation program.

(3) (a) Subsection (1) does not apply to any of the following activities engaged in by a condemnor:

1. Obtaining an appraisal of property.

2. Obtaining an option to purchase property, regardless of whether the option specifies the purchase price, if the property is not part of a program or project receiving federal financial assistance.

(b) The department of administration may assess condemnors required to file relocation payment plans and relocation assistance service plans under sub. (1). The department of administration shall prescribe a methodology to determine the amount of the assessments such that the amount of an assessment reflects the approximate costs incurred by the department in connection with reviewing and approving the plans filed by the condemnor. Assessments under this subsection shall be paid to the department of administration and credited to the appropriation account under s. 20.505 (1) (kr).

Cross-reference: See also s. Adm 92.001, Wis. adm. code.

32.26 Authority of the department of administration. (1) In addition to all other powers granted in this subchapter, the department of administration shall formulate local standards for decent, safe and sanitary dwelling accommodations.

(a) The department of administration shall promulgate rules to implement and administer ss. 32.19 to 32.27.

(b) The department of administration and the department of transportation shall establish interdepartmental liaison procedures for the purpose of cooperating and exchanging information to assist the department of administration in promulgating rules under par. (a).

(c) The department of administration may make investigations to determine if the condemnor is complying with ss. 32.19 to 32.27. The department may seek an order from the circuit court requiring a condemnor to comply with ss. 32.19 to 32.27 or to discontinue work on that part of the project which is not in substantial compliance with ss. 32.19 to 32.27. The court shall give hearings on these actions precedence on the court’s calendar.

(d) Upon the request of the department of administration, the attorney general shall aid and prosecute all necessary actions or
proceedings for the enforcement of this subchapter and for the punishment of all violations of this subchapter.

(5) Any displaced person may, prior to commencing court action against the condemnor under s. 32.20, petition the department of administration for review of his or her complaint, setting forth in the petition the reasons for his or her dissatisfaction. The department may conduct an informal review of the situation and attempt to negotiate an acceptable solution. If an acceptable solution cannot be negotiated within 90 days, the department shall notify all parties, and the petitioner may then proceed under s. 32.20. The informal review procedure provided by this subsection is not a requirement precedent to the filing of a claim and commencement of legal action pursuant to s. 32.20. In supplying information required by s. 32.25 (2) (d), the condemnor shall clearly indicate to each displaced person his or her right to proceed under this paragraph and under s. 32.20, and shall supply full information on how the displaced person may contact the department of administration.

(6) The department of administration shall provide technical assistance on relocation plan development and implementation to any condemnor carrying out a project which may result in the displacement of any person.

32.27 Records to be kept by condemnor. (1) CONTENTS OF RECORDS. The condemnor shall maintain records for each project requiring a relocation payment plan. The records shall contain such information as are necessary to carry out ss. 32.19 and 32.25 to 32.27. The records shall be preserved by the condemnor for a period of not less than 3 years after conclusion of the project to which the records pertain.

(2) COSTS OF RELOCATION PAYMENTS AND SERVICES; SHARING FORMULA. (a) The costs of relocation payments and services shall be computed and paid by the condemnor and included as part of the total project cost.

(b) If there is a project cost—sharing agreement between the condemnor and another unit or level of government, the costs of relocation payments and services shall be shared in the same proportion as other project costs unless otherwise provided. This direct proportion formula may be changed to take advantage of federal relocation subsidies. It is intended that the payments and services described by ss. 32.19 to 32.27 are required for any project whether or not it is subject to federal regulation under P.L. 91–646; 84 Stat. 1894. The intent of this paragraph is to assure that condemnors take maximum advantage of federal payment or assistance for relocation, and to ensure that in no event will any displaced person receive a combined payment in excess of payments authorized or required by s. 32.19 or by federal law.

32.28 Costs. (1) In this section:

(a) “Consumer price index” means the average of the consumer price index over each 12-month period, all items, U.S. city average, as determined by the bureau of labor statistics of the U.S. department of labor.

(b) “Litigation expenses” means the sum of the costs, disbursements and expenses, including reasonable attorney, appraisal and engineering fees necessary to prepare for or participate in actual or anticipated proceedings before the condemnation commissioners, board of assessment or any court under this chapter.

(2) Except as provided in sub. (3), costs shall be allowed under ch. 814 in any action brought under this chapter. If the amount of just compensation found by the court or commissioners of condemnation exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer, the condemnee shall be deemed the successful party under s. 814.02 (2).

(3) In lieu of costs under ch. 814, litigation expenses shall be awarded to the condemnee if:

(a) The proceeding is abandoned by the condemnor;

(b) The court determines that the condemnor does not have the right to condemn part or all of the property described in the jurisdictional offer or there is no necessity for its taking;

(c) The judgment is for the plaintiff in an action under s. 32.10;

(d) The award of the condemnation commission under s. 32.05 (9) or 32.06 (8) exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least the amount specified in sub. (4) and at least 15 percent and neither party appeals the award to the circuit court;

(e) The jury verdict as approved by the court under s. 32.05 (11) exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least the amount specified in sub. (4) and at least 15 percent;

(f) The condemnee appeals an award of the condemnation commission which exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least the amount specified in sub. (4) and at least 15 percent, if the jury verdict as approved by the court under s. 32.05 (10) or 32.06 (10) exceeds the award of the condemnation commission by at least $700 and at least 15 percent;

(g) The condemnor appeals the award of the condemnation commission, if the jury verdict as approved by the court under s. 32.05 (10) or 32.06 (10) exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least the amount specified in sub. (4) and at least 15 percent; or

(i) The condemnor appeals an assessment of damages and benefits under s. 32.61 (3), if the judgment is at least the amount specified in sub. (4) and at least 15 percent greater than the award made by the city.

(4) (a) The amount for the purposes of sub. (3) (d) to (i) shall be $2,700, adjusted as specified in par. (b).

(b) Beginning on January 1, 2018, and annually on January 1 thereafter, the department of administration shall adjust the dollar amount specified in par. (a) by an amount equal to that dollar amount multiplied by the percentage change in the consumer price index for the prior year, rounded to the nearest dollar. The department shall publish the dollar amounts on its Internet site. Notwithstanding s. 227.10, the adjusted dollar amounts need not be promulgated as rules under ch. 227.

Under sub. (3) (d), the difference between the award and offer must meet both the $700 and 15 percent tests, but the two are not cumulative. Acquisition of Certain Lands by Benson, 101 Wis. 2d 691, 305 N.W.2d 184 (Cl. App. 1981).

A condemnor may not recover attorney fees incurred prior to a jurisdictional offer. A contingent fee of 40 percent of an award, plus interest, was reasonable. A condemnor must pay an appraiser for time spent as an adviser during most of a trial. Kluesener v. State, 109 Wis. 2d 602, 327 N.W.2d 145 (Cl. App. 1982).

An evidentiary hearing on the reasonableness of litigation expenses is discretionary, not mandatory. Appellate litigation expenses may be awarded. Narloch v. DOT, 115 Wis. 2d 419, 340 N.W.2d 540 (1983).
For attorney fees to be found reasonable, a condemnee is not required to retain counsel from the locality where the condemned property is located. It implies a reasonable choice of counsel based on the facts of the case. Standard Theatres v. DOT, 118 Wis. 2d 730, 349 N.W.2d 661 (1984).

Litigation expenses were properly awarded under sub. (3) (b) when the condemnor failed to establish the necessity for taking the property. Toombs v. Washburn County, 119 Wis. 2d 345, 350 N.W.2d 729 (Ct. App. 1984).

A successful plaintiff in an inverse condemnation action was entitled to litigation expenses, which included expenses related to a direct condemnation action. Expenses relating to an allocation proceeding under s. 32.11 were not recoverable. Macey v. Racine Redevelopment Authority, 120 Wis. 2d 13, 353 N.W.2d 812 (Ct. App. 1984).

An award under s. 32.06 (8) exclusively for tenant’s immovable fixtures constitutes a separate award for purposes of s. 32.28 (3) (d). The unit rule of damages is inapplicable. Litigation expenses are awarded by court order, not by the clerk under s. 810. Green Bay Redevelopment Authority v. Bee Frank, 120 Wis. 2d 402, 355 N.W.2d 240 (1984).

A contingent fee contract while not improper, is only a guide in awarding expenses under sub. (3) (e). Milwaukee Rescue Mission v. Milwaukee Redevelopment Authority, 161 Wis. 2d 472, 468 N.W.2d 663 (1991).

A judge who assigns a condemnation petition to the commission may award attorney fees when neither party appeals the commission’s award. Contingent fees as the basis of an award are discussed. Village of Shrewsbury v. Steinberg, 174 Wis. 2d 191, 496 N.W.2d 191 (1993).

The award of litigation expenses upon abandonment of condemnation proceedings applies to all ch. 32 condemnations. Expenses may be awarded when any proceeding in the process is abandoned. Pelfrene v. Dane County Regional Airport, 186 Wis. 2d 538, 521 N.W.2d 460 (Ct. App. 1994).

When an award is appealed, but does not proceed to a verdict, the issue of litigation expenses is treated as arising under sub. (3) (d). Dickie v. City of Tomah, 190 Wis. 2d 455, 527 N.W.2d 697 (Ct. App. 1994).

Attorney fees may not be awarded when an attorney-client relationship does not exist. An attorney represented by his own law firm is not entitled to attorney fees. Dickie v. City of Tomah, 190 Wis. 2d 455, 527 N.W.2d 697 (Ct. App. 1994).

Any party to whom a jurisdictional offer is made who would receive all of any condemnation award, the calculation of the 15 percent under sub. (3) (c) was based on the entire jurisdictional offer, even though under terms of the lease the lessee was entitled to receive the entire jurisdictional offer upon condemnation. Van Assten v. DOT, 214 Wis. 2d 135, 571 N.W.2d 420 (Ct. App. 1997), 96–1835.

Sub. (3) (b) entitles a successful condemnee to litigation expenses when the condemnor fails to negotiate in good faith before issuing the jurisdictional offer. Good faith negotiation prior to issuing a jurisdictional offer is not merely a technical obligation, but is rather, a fundamental, statutory requirement necessary to validly commence condemnation and confer jurisdiction on the condemnation commission and the courts. The Warehouse II, LLC v. State of Wisconsin Department of Transportation, 2006 WI 62, 291 Wis. 2d 80, 715 N.W.2d 213, 03–2866.

The court expressly states that fees are only recoverable prior to abandonment or if the continuation of proceedings was not attributable to the condemnee. However the circuit court in this case properly exercised its discretion in determining that the fees incurred after abandonment were not reasonable or necessary. DSG Evergreen F.L.P. v. Town of Perry, 2007 WI App 115, 300 Wis. 2d 590, 731 N.W.2d 667, 06–0585.

An attorney shall be paid at the rate of one dollar for each hour of service rendered in the prosecution of the condemnation action. Any expenses incurred in the process which are not recoverable provided by law shall be reimbursed to the attorney by the condemnor. Klemm v. American Transmission Company, LLC, 2011 WI 37, 333 Wis. 2d 580, 798 N.W.2d 223, 09–2784.

32.29 False statements prohibited. Any officer, agent, or employee of a governmental body or business entity granted condemnation power under s. 32.02 (1) or (3) to (16) who intentionally makes or causes to be made a statement which he or she knows to be false to any owner of property concerning the condemnation of such property or to any displaced person concerning his or her relocation benefits under sub. 32.19, 32.20, 32.25, or 32.26 or who fails to provide the information required under sub. 32.26 (6) shall be fined not less than $50 nor more than $1,000, or imprisoned for not more than one year in the county jail or both.

EMINENT DOMAIN

32.53

The city may alter the plan of improvement after its approval under s. 32.55 (2) at any time prior to the confirmation of the assessment of benefits and damages. The board shall submit to the common council the proposed alteration of the plan plus an amended estimate of the cost and the benefits and an amended map of the proposed improvement. The common council shall approve the alteration by resolution before the alteration is effective. If the city alters the plan while benefits and damages are being assessed under s. 32.57, the board shall reassess benefits and damages based on the altered plan.

32.54 Report and tentative plan of improvement. (1) CONTENTS. The board shall submit to the common council a report and tentative plan of improvement following passage of a resolution under s. 32.53. The report and tentative plan shall include the following:

(a) An estimate of the total cost of the improvement.

(b) A map and description of all property to be taken or used or that may be benefited. The board shall indicate on the map the extent and boundary of the benefit district and a maximum and minimum benefit assessment rate for any representative parcel of property within the benefit district to indicate the estimated amount of the benefits that may be assessed.

(2) COST ESTIMATE. The board shall include the value of any city property and the cost of any previously completed improvement it incorporates into the report and tentative plan as part of the estimate of the cost of the improvement. The cost of grading, paving or repaving or laying out or improving any curbs, gutters or sidewalks for which benefits have been legally assessed prior to the adoption of the plan of improvement may not be included in the estimate, the determination of benefits or the cost of the proposed improvement.

32.55 Hearing on the report and tentative plan of improvement. (1) NOTICE. Upon receiving the report and tentative plan of improvement the common council shall refer the report to a council committee for a public hearing to discuss the tentative plan, the relative costs and benefits and the necessity of the proposed improvement. At least 10 days before the public hearing, the common council shall send notice of the hearing to the last-known mailing address of any owner of property that may be damaged or benefited by the proposed improvement.

(2) APPROVAL, REVISION, ABANDONMENT. (a) After the hearing the common council shall:

1. Approve the report and tentative plan, if it determines that taking the property mentioned in the plan is necessary, and commence implementation of the plan; or
2. Remand the report and tentative plan to the board for reconsideration and revision.

(b) If the common council remands the report and tentative plan, the board shall reconsider the report and tentative plan and submit a revised report and tentative plan to the common council. The common council shall refer the revised report and tentative plan to a council committee for a public hearing as provided in sub. (1). After the hearing, the common council may approve the revised report and tentative plan or revise the report and tentative plan itself and commence implementation of the plan. Instead of approving the original or revised report and tentative plan, the common council may abandon the proposed improvement.

(c) After approving the report and tentative plan the city may begin purchasing property to implement the plan.

(3) RECORDS. The city attorney shall record the common council’s resolution approving the original or revised report and tentative plan with a description of the property to be condemned plus a map showing the condemned property and the benefit district in the office of the register of deeds of the county in which the property is located.

32.56 Altering the plan of improvement. (1) PROCEDURE. The city may alter the plan of improvement after its approval under s. 32.55 (2) at any time prior to the confirmation of the assessment of benefits and damages. The board shall submit to the common council the proposed alteration of the plan plus an amended estimate of the cost and the benefits and an amended map of the proposed improvement. The common council shall

(p) On which is located a memorial hall to members of the armed forces, owned by the Grand Army of the Republic, the Women’s Relief Corps, the Sons of Veterans, the United Spanish War Veterans, the American Legion or the Veterans of Foreign Wars.

(q) Owned and used exclusively by any collective bargaining unit established under ch. 111.

(r) Owned and used exclusively by any farmers’ organization.

(s) Owned by the Boy Scouts and Girl Scouts of America.

(t) Owned by an incorporated turner society and used exclusively for educational purposes.

(3) Preliminary hearing. (a) After the city adopts a resolution under sub. (1), the board shall publish a class 3 notice under ch. 985 that at a specified time and place the board shall meet to hear the testimony of any interested party regarding the benefits or damages resulting from the proposed improvement. The notice shall also briefly describe the general nature of the proposed improvement for which the assessment of benefits and damages is to be made and the general boundary line of the benefit district.

(b) At least 12 days before the hearing the board shall commence publishing the class 3 notice and mail a copy of the notice to the last-known mailing address of any owner of property that may be damaged or benefited by the proposed improvement. The board shall also mail a copy of the notice to a mortgagee of each parcel of property affected by damages. Failure of these notices to reach an owner or mortgagee does not invalidate the assessment of benefits or damages.

(c) The board shall hold the preliminary hearing for at least 3 successive days, Sundays and legal holidays excluded, at which it shall hear testimony and consider evidence on the damages and the benefits resulting from the proposed improvement. Following the testimony, the board shall appraise the damages to property to be condemned by the proposed improvement. The board shall add the damages, the estimated expense of the proposed improvement and the cost of the proceedings and shall apportion the total cost among the property benefited in proportion to the benefits resulting from the proposed improvement. The board shall reduce its assessment of benefits to real property remaining of a larger parcel from which a portion has been given or dedicated for use as part of the proposed improvement by the reasonable value of the real property given or dedicated.

(4) Tentative assessment of benefits and damages. The damages appraised under sub. (3) are the compensation to all owners of the property. The board shall state separately the assessment of benefits to each piece of property. The board shall balance the appraisal of damages against any assessment of benefits to remaining property and record the difference.

(5) Review hearing. (a) After tentatively assessing benefits and damages under sub. (4), the board shall commence publishing a class 3 notice under ch. 985 stating that the tentative assessment is complete and will be open for review at a certain time and place. The notice shall also include the information required under sub. (3) (a).

(b) At least 18 days before the review hearing the board shall publish the notice and shall mail a copy of the notice as specified in sub. (3) (b). Failure of these notices to reach an owner or mortgagee does not invalidate the assessment of benefits and damages.

(c) The board shall hold the review hearing for at least 2 days, at which it shall hear testimony and consider evidence on the amount of benefits and damages assessed.

(d) Following the review hearing the board shall review the testimony and evidence received and determine its final assessment of benefits and damages. The board shall list its final assessment of benefits and damages separately and shall also list the difference between the benefits and damages to each parcel of property, so that the owner pays or receives only the difference. The board shall report its final assessment in writing to the common council.

(6) Common council hearing. (a) The common council shall record the date the final assessment report is submitted under sub. (5) (d) in its journal with a brief statement describing for what purpose and in what general locality the assessment has been made. The common council may not act upon the report until the day after the report’s submission.

(b) The common council may confirm the assessment or remand the assessment to the board for revision and correction. If the common council remands the assessment to the board, the board shall review, correct and revise the assessment by holding a public hearing and providing notice of the hearing under sub. (3), reappraising damages and benefits under sub. (4) and allowing review of the revised assessment under sub. (5). The common council shall hear the revised assessment under this subsection. If the common council fails to confirm the assessment or remand the assessment to the board for revision and correction, it shall adopt a resolution terminating the project. Termination does not prevent the city from including the same property in a subsequent public improvement that involves the same or another municipal purpose.

(7) Records. (a) After confirming the assessment under sub. (5), the common council shall deliver a certified copy of the assessment to both the city treasurer and the city comptroller.

(b) The city attorney shall record with the register of deeds the resolution confirming the assessment of benefits and damages together with a description of the property to be condemned and the map showing the location of the condemned property. The assessment of benefits and damages need not be recorded with the register of deeds.

32.58 Benefit assessment payments. (1) Mailing bills to owners. After the common council confirms the final assessment of benefits and damages the city treasurer shall mail a bill for the full amount of the benefit assessment to the last-known mailing address of any owner of each parcel of property within the benefit district, as listed on the tax roll. The bill may be paid without interest if payment is remitted to the city treasurer within 45 days of the date of billing. Failure of this mailing to reach an owner does not affect the assessment or create any liability.

(2) Late payments. (a) 1. This paragraph does not apply if the city issues bonds under s. 32.67 or 32.69 (2).

2. If any property owner fails to pay the benefit assessment in full within 45 days of the date of billing, the city treasurer shall place the assessment plus any interest accruing on the tax roll, subject to the following conditions:

a. If the unpaid principal equals or exceeds $125, the bill shall be spread equally over the first available tax roll and the next 5 tax rolls. The common council may direct that unpaid assessments to finance a municipal parking system under s. 66.0829, plus interest accruing, be spread over the first available tax roll and up to the next 19 tax rolls.

b. If the unpaid principal is less than $125, the bill shall be added to the first available tax roll.

c. The common council shall establish the interest rate on unpaid principal.

(b) 1. Any property owner may pay the outstanding principal and interest on a benefit assessment in full at any time. Unless the city issues or will issue bonds under s. 32.67 or 32.69 (2), interest on the benefit assessment is computed to the date of payment. If the city issues or will issue bonds, interest is computed to a date 6 months following the date of payment and interest on an install-
ment of the assessment that falls due within this 6–month period is computed to the date of the installment falls due.

2. After payment in full the city comptroller may purchase any bond issued against the assessment, without action of the common council, to prevent further payment of interest on the bond. The city may cancel the bond after purchase. The city comptroller shall report to the common council each July concerning all bonds purchased and canceled.

(3) FAILURE TO PAY. If any property owner is delinquent in paying a benefit assessment:

(a) The county treasurer, under s. 74.57 or the city treasurer, if authorized to act under s. 74.87, may include the owner’s property in a tax certificate to collect the delinquent assessment, unless a special improvement bond under s. 32.67 is issued against the property. If the city has issued a special improvement bond against the owner’s property, it may foreclose the property to collect the delinquent assessment. Even if only part of the property is within the benefit district and assessed benefits, the entire property may be sold or foreclosed to collect the delinquent assessment.

(b) The city may attach a lien on the owner’s property as of the date the assessment is placed on the tax roll under sub. (2) (a). The lien has the same priority as liens under s. 70.01.

(4) SEPARATE ACCOUNT. The city treasurer shall keep a separate account for the collection of benefit assessments that finance special improvement bonds issued under s. 32.67. The amounts collected shall be used to pay the principal and interest on the bonds.

32.61 Appeal to circuit court. (1) LIMITATION ON REMEDIES. An appeal to the circuit court is the only remedy for damages incurred under this subchapter and is the exclusive method of reviewing any assessment of benefits.

(2) STATUTE OF LIMITATIONS. BOND. Any person with any interest in property assessed benefits or damages may, within 20 days after the common council confirms the assessment, appeal to the circuit court of the county in which the assessment is made by filing with the clerk of the circuit court a notice of appeal. The notice shall state the person’s residence and interest in the property, the interest of any other person in the property, any lien attached to the property and the grounds of the appeal, together with a $100 bond to the city for the payment of court costs. At least 2 sureties shall sign the bond and state on the bond that each has a net worth in property within this state not exempt from execution at least equal to $100. If the city attorney objects to the bond or sureties the judge shall determine the suitability of the bond or sureties. Any surety company authorized to do business in this state may sign the bond as surety. Within this 20–day period the appellant shall also deliver a copy of the notice of appeal and bond to the city attorney. The city clerk shall send to the clerk of the circuit court a certified copy of the assessment of benefits and damages. If more than one person appeals, the city clerk shall send only one certified copy of the assessment for all appeals. Any person may pay any benefits assessed against his or her property without prejudice to the right of appeal under this section.

(3) PROCEDURE ON APPEAL. PARTIES. COSTS. The appeal shall be conducted before a jury. The court may permit any person interested in the benefits or damages to the same piece of property to become a party to the appeal if the person submits a petition setting forth the nature and extent of the interest. If the judgment is less than the damages assessed by the city, the judgment less the taxable costs of the city is full compensation for the damages. If the judgment is greater than the damages assessed by the city, the judgment is full compensation for the damages, plus interest only on the amount by which the judgment increases the award. If the city pays the award of damages under s. 32.62 (2) (c), the city may withdraw the award prior to the determination of an appeal only if it files a bond approved by the court to repay the amount withdrawn with costs and with interest from the date of the withdrawal.

If the judgment decreases the benefits assessed by the city or increases the damages assessed, the appellant shall recover taxable costs on the appeal. Under any other judgment, the city recovers taxable costs. The city may pay any increased cost from its general fund by levying a tax or by issuing a general obligation bond under s. 67.04. The appeal has preference over all other civil cases not on trial and may be brought on for trial by either party.

(4) ASSESSMENT CHANGES ON APPEAL. (a) The city shall correct its tax roll to reflect any changes in benefits assessed by the judgment under sub. (3).

(b) If the appellant pays any installment or all of any benefits assessed prior to a judgment reducing the benefits assessed, the city shall refund the excess payment plus interest. If the county issues a tax certificate on any property for any delinquent benefit assessment that is subsequently reduced by a judgment, the city shall refund the amount reduced plus interest upon presentation of a receipt showing the redemption of the property under s. 75.01.

(c) If the appellant pays any installment or all of any benefits assessed or if the county issues a tax certificate on any property for any delinquent benefit assessment prior to a judgment increasing the benefits assessed, the city shall enter the increase in benefits, plus interest on the increase in benefits from the date of the judgment entered on appeal, on the tax roll against the property. The city shall enter the revised assessment on the tax roll in one sum if the original benefit assessment was payable or paid in one sum, or shall add equal portions of the revised assessment to any subsequent benefit assessment installments assessed against the property and enter the additions on the following tax rolls.

(d) If the city issues particular special improvement bonds under s. 32.67 (2) prior to a judgment reducing the benefits assessed against the property, any foreclosure of the bonds shall be for the reduced amount only of the benefits assessed. The city shall reimburse the bondholder for the difference due on the bonds.

32.62 Transfer of title. (1) FEES SIMPLE TITLE TO CITY. If the city acquires any property by gift, purchase or condemnation under this subchapter, the city holds fee simple title to the property except that the city may acquire only an easement for streets, alleys, bridges, viaducts or water or sewer mains or branches and may acquire temporary construction easements.

(2) PROCEDURE. (a) The city acquires title to any property if any of the following occur:

1. The city pays the property owner the damages assessed under s. 32.57.

2. The city reserves sufficient funds to pay the property owner the damages assessed under s. 32.57 and the board provides the property owner with 10 days’ notice of the availability of the funds prior to acquisition by publication in any newspaper of general circulation in the city.

3. The city deposits the damages assessed under s. 32.57 with the clerk of the circuit court for the county in which the property is located for payment by order of the court under par. (c).

(b) Any person entitled to payment for an assessment of damages exceeding $200 shall furnish to the city an abstract of title extended down to date to prove ownership, before the city may pay the assessment of damages. If the assessment of damages does not exceed $200, the claimant may furnish a certificate of title to prove ownership instead of an abstract of title.

(c) The city may deposit the assessed damages with the clerk of the circuit court for the county in which the property is located. Deposit with the circuit court clerk relieves the city of any responsibility for the payment of damages and vests title to the property with the city. The circuit court has jurisdiction over the application of any party interested in the assessed damages, after notifying all interested parties and receiving proof of the applicant’s interest, to distribute the payment of damages.
improvement bonds directly against any affected property. The city shall set the interest rate for these bonds.

(b) The city comptroller shall issue the bonds for the amounts assessed against the property. The bonds shall be made payable as provided by the authorizing resolution of the common council in equal annual installments plus interest on the unpaid part of the bond accruing to the date of payment on April 1, as provided in sub. (3). The bonds shall be designated “Particular Special Improvement Bonds” (naming the improvement), be made payable to bearer, state the amount of the assessment of benefits due and the amount of each installment plus interest payable and the time of payment, describe the property upon which the bond is assessed, bear the seal of the city, be issued in the city’s name and be signed by the mayor, one member of the board of assessment and the city comptroller. The signature of the mayor may be engraved. Coupons shall be attached to each bond in amounts equal to the installment payments due plus interest remaining on unpaid portions of the bond.

(c) The lien of the bond attaches on the date the assessment is placed on the tax roll under par. (e).

(d) If the city fails to pay any installment of the bond plus interest because the assessment against the property is delinquent, the bondholder may require the entire amount of the bond plus interest to be paid within 3 years after the default. The bondholder may foreclose against the property in the manner provided under s. 75.19. The bondholder may also recover reasonable attorney fees and costs. The time for redemption of the property may be shortened by order of the court. A copy of the bond foreclosed may be filed as a part of the judgment roll in the action in place of the original.

(e) If bonds are issued, the city comptroller shall place benefit assessments against property financing the bonds on the tax roll in the year of issuance or, if the city comptroller is unable to place the assessments on this tax roll, on the next year’s tax roll. Placement of benefit assessments on the tax roll is only for the purpose of collection by the city treasurer at the same time as other taxes are collected. If the owner defaults on payment of the assessment no tax certificate may be issued for the property under s. 74.57. The sole remedy for the enforcement of the payment of the bonds is the foreclosure action against the property under par. (d).

(3) Time of bond payments. Bonds or coupons are payable at the office of the city treasurer on April 1 following the expiration of the tax collection period of each year in which the assessments may be placed on the tax roll for collection, to the extent the assessments financing the bonds or coupons are received.

(4) Not a debt of the city. (a) No bond issued under this section is a debt of the city, except to the extent the city treasurer collects assessments for payment of the bonds.

(b) The common council may guarantee to pay any deficiencies in the collection of any assessment in an amount up to the principal and interest of any bond or coupon. If the city pays a deficiency it may become the owner of the bond or coupon, subrogated to the rights of the bondholder. The city may apply any redemption payments on delinquent assessments to the payment of any coupons or bonds it holds.

32.69 Alternative financing by general obligation bonds, taxation or anticipation notes. (1) Funding. The city may finance any improvement under this subchapter by issuing general obligation bonds, levying a tax or by borrowing on anticipation notes. The city may collect assessments on property that finances bonds under s. 32.67 and apply the assessments to
pay the principal and interest of general obligation bonds, or to reduce general taxes if the city levies a tax to finance an improvement. If the city issues no bonds under s. 32.67, the city shall apply all assessments collected to pay the principal and interest of general obligation bonds or to reduce taxes if the city levies a tax to finance an improvement.

(2) GENERAL OBLIGATION BONDING. The common council may adopt an initial resolution to issue general obligation bonds to pay the cost of laying out or improving any alley or street, as defined in s. 340.01 (2) and (64), without submitting the initial resolution to the electors of the city unless a number of electors equal to or greater than 10 percent of the votes cast for governor in the city at the last general election file a petition conforming to the requirements of s. 8.40 with the city clerk requesting submission. The city shall conduct any referendum for approval of the initial resolution as provided in s. 67.05 (5).

(3) ANTICIPATION NOTES. The common council may authorize borrowing on notes signed by the mayor and city comptroller in anticipation of the incoming assessments to pay the cost of any improvement authorized under this subchapter. The city shall pay the notes out of the assessments received in the year of issuance. The city shall pay the notes not later than April 1 following the date of issuance. The city may pay any deficit due to delinquencies in the collection of assessments out of the tax delinquent fund under s. 32.68.

32.70 Statute of limitations. Unless the action commences within one year after January 1 following the date the assessment of benefits is placed on the tax roll under s. 32.58 (2), no person may contest the sale of property or issuance of any tax certificate for nonpayment of an assessment. Commencing an action is subject to s. 32.61 and does not prevent the issuance or payment of any bonds issued under s. 32.67 or 32.69.

32.71 Liberal construction. This subchapter shall be liberally construed to provide the city with the largest possible power and leeway of action.

History: 1983 a. 236.

32.72 Approval by the electorate. (1) Sections 32.50 to 32.71 do not take effect in any city until the following question is submitted to the electors of the city at a special election and adopted by a majority vote of the electors voting: “Shall subchapter II of chapter 32, Wisconsin Statutes, be effective in the city of .............., thus allowing the city to acquire and condemn property for street widening and similar purposes, financed through assessments of benefits and damages?” The question shall be filed as provided in s. 8.37.

(2) Notwithstanding sub. (1), this subchapter is effective in any city that has used chapter 275, laws of 1931, to acquire and condemn property before April 27, 1984.
