If a person applying for a benefit under this subsection meets the residency requirement of 12 consecutive months, the department may not require the person to reestablish that he or she meets that residency requirement when he or she later applies for any other benefit under this chapter that requires that residency.

2. In determining eligibility under this subsection, the department shall verify all reported income amounts.

3. A veteran is not eligible under this program if the veteran has an undergraduate degree from any institution of higher education.

(e), and eligibility on the basis of the dates on which applications for reimbursement were received.

4. Reimbursement of tuition and fees for a course may be provided at an institution or school under this paragraph other than the one from which the veteran is receiving his or her degree or certificate of graduation or course completion if all of the following apply:

SUBCHAPTER III

VETERANS HOUSING LOAN PROGRAM

45.30 Purpose. (1) LEGISLATIVE FINDINGS. It is determined that veterans, who have sacrificed in the service of their country valuable years of their lives and considerable earning potential, constitute a readily identifiable and particularly deserving segment of this state’s population. It is further determined that by making additional housing funds available to eligible veterans, limited private home loan funds will be more readily available to all. It is further determined that the loan programs established under this subchapter are special purpose credit programs for an economically disadvantaged class of persons for the purposes of 15 USC 1691−1691f.

(2) LEGISLATIVE INTENT. This subchapter is created principally to enable the state and the authority to exercise their borrowing power to increase those funds available for loans providing for the purchase or construction of private housing, without requiring down payments beyond the reach of families of modest means. It is the intent of the legislature that the department in its administration of this subchapter avoid the duplication of those administrative services available through private lending institutions, utilizing the administrative services of such institutions to the maximum extent consistent with the purposes of this subchapter.

The contracts shall include the responsibilities of the authorized lender with respect to credit evaluations, financial eligibility determinations, valuation of the home for which the loan is to be made, collection procedures in the event of delinquent loan repayments, and other functions that the department may require. The contracts shall authorize the lender to retain an amount from the monthly payments for servicing loans made under this section. The rate of the service fee shall not exceed a maximum rate established by the department with the lender in accordance with current practices under similar programs, and shall be stated in the contracts. The department shall specify in the contracts a maximum length of time between receipt of monthly mortgage payments by the lender and transmission of such payments to the state or the authority.

2. Commit to advance and advance funds in the full amount of any mortgage securing a purchase loan to be made by an authorized lender under the terms under the terms under subd.

3. 4. Mail checks, share drafts, or other drafts, or otherwise transfer or arrange for transfer of funds to authorized lenders not sooner than 7 days prior to proposed closing or disbursement dates.

5. Designate and maintain a current list of lenders authorized to make or service loans under this section. The department shall promulgate rules establishing standards for and governing the performance of authorized lenders in making and servicing loans under this section and shall periodically monitor such performance. The department shall promulgate rules to provide for the removal from its list of authorized lenders of any lender that makes an excessive number of errors on loan applications processed under subd. 1. The department may summarily remove from its list of authorized lenders any lender that indicates it does not wish to participate in the program and after hearing on notice remove from its list of authorized lenders any lender that fails to conform with the rules of the department governing that performance, and may refuse to permit a lender so removed to make or service any loan under this section until the department is satisfied that the lender will conform with its rules.

6. Require borrowers to make monthly escrow payments to be held by the authorized lender or the department for real estate taxes and casualty insurance premiums. The authorized lender or the department shall pay all of the amounts due for real estate taxes and casualty insurance premiums, even if the amount held in escrow is insufficient to cover the amounts due. If the amount held in escrow is insufficient to cover the amounts due, the authorized lender or the department shall recover from the borrower, after paying the amounts due under this subdivision, an amount equal to the difference between the amounts paid and the amount held in escrow. If the amount held in escrow is more than the amounts due, the authorized lender or the department shall refund to the borrower, after paying the amounts due under this subdivision, an amount equal to the difference between the amounts held in escrow and the amounts paid by the authorized lender or the department.

7. Obtain guarantees for loans under 38 USC 1801 to 1827.

8. Exercise all of the powers vested in it under this subchapter with respect to any applications for loans and loans approved under this section and with respect to any mortgages and mortgage notes executed to authorized lenders and assigned to and pur-
chased by the authority under this section and the properties securing those mortgages. The department may exercise or authorize those powers to be exercised in its own name.

9. With prior approval of the building commission, retire all 1981 veterans home loan revenue bonds and transfer any assets remaining in the bond fund after retirement into the veterans trust fund. 10. Service loans made under this section and purchase from authorized lenders the servicing rights for loans made by authorized lenders under this section.

11. Enter into contracts with persons other than authorized lenders for the servicing of loans made under this section.

12. Loan money from the veterans trust fund to the veterans mortgage loan repayment fund to fund loans under this section.

(b) At the time of closing, persons receiving loans under this section shall pay an origination fee to the authorized lender participating in the loan, except that the department shall pay, on behalf of a veteran who receives a loan under this section and who has at least a 30 percent service-connected disability rating for purposes of 38 USC 1114 or 1134, the origination fee to the authorized lender. The origination fee charged under this paragraph shall be negotiated between the department and the authorized lender but may not exceed that which the authorized lender would charge other borrowers in the ordinary course of business under the same or similar circumstances.

(6) Sources of loan funds. Funding for loans authorized under this section may, at the discretion of the building commission, be provided by one or a combination of the following:

(a) The secretary, with the approval of the governor and subject to the limits of s. 20.866 (2) (zn), may request that state debt be contracted in accordance with ch. 18. Debt requested shall meet all of the following additional requirements:

1. State debt may be contracted when it reasonably appears to the building commission that all state obligations so incurred under this paragraph and s. 20.866 (2) (zo) can be fully paid from moneys received from veterans repayments of loans on mortgages and mortgage notes funded under this paragraph and other available revenues of the veterans mortgage loan repayment fund. In making this determination, the building commission may take into account the effect of its planned future actions to refinance existing state debt, to create reserve funds, and to modify the structure of the total debt outstanding so as to ensure that projected repayments of loans on mortgages and mortgage notes, together with other available moneys, will be sufficient as received to fund debt service payments as due. It is the intent of the legislature that the program authorized under this section be fully self-supporting and that it be administered so that all debt service and all related costs of the program under this section will require no supplemental support from the general fund.

2. The chairperson of the board shall certify that the chairperson does not expect proceeds of state debt issued under this paragraph to be used in a manner that would cause the debt to be arbitrage bonds as defined in the Internal Revenue Code, if that debt is a bond that is exempt from federal taxation.

(b) Loans made under this section may be purchased by the authority from the veterans housing loan fund under s. 234.41. All receipts of interest, except amounts retained as servicing fees by the authorized lenders servicing the loans purchased by the authority, and principal on the loans, payments of losses by insurers not used for restoration of the property securing the loans, and any other collections, shall be deposited by the authority into the veterans housing bond redemption fund under s. 234.43 and shall be disbursed from the fund as provided in s. 234.43 (2).

(c) The secretary, with the approval of the governor and subject to the limits of sub. (10), may request that revenue obligations be contracted in accordance with subch. II of ch. 18. Revenue obligations requested shall meet all of the following additional requirements:

1. Revenue obligations may be contracted when it reasonably appears to the building commission that all obligations incurred under this paragraph can be fully paid from moneys received from veterans repayments of loans on mortgages and mortgage notes funded under this paragraph.

2. The chairperson of the board shall certify that the board and the department do not expect and shall not use proceeds of revenue obligations issued under this paragraph in a manner that would cause the revenue obligations to be arbitrage bonds as defined in the Internal Revenue Code, where that debt is a bond that is exempt from federal taxation.

(7) Repayment of mortgage loans. (a) There is created the veterans mortgage loan repayment fund. All moneys received by the department for the repayment of loans funded under sub. (6) (a) except for servicing fees required to be paid to authorized lenders, net proceeds from the sale of mortgaged properties, any repayment to the department of moneys paid to authorized lenders, gifts, grants, other appropriations, and interest earnings accruing, any repayment of moneys borrowed under s. 45.42 (8) (a), all moneys received under sub. (5) (a) 6., and any moneys deposited or transferred under s. 18.04 (6) (b) or (d) shall be promptly deposited into the veterans mortgage loan repayment fund. The board shall establish by resolution a system of accounts for the maintenance and disbursement of moneys of the veterans mortgage loan repayment fund to fund loans under sub. (6) (a) or to fund, refund, or acquire public debt as provided in s. 18.04 (5).

1. Transfer to the bond security and redemption fund.

2. Acquisition or redemption of public debt in accordance with resolutions of the building commission.

11. Payment required of the department under sub. (5) (a) 6.

12. Payment of obligations arising from the acquisition of a headquarters and museum building for the department under s. 45.03 (5) (b).

(b) The board may amend the system of accounts established under par. (a) only by resolution of the board that is approved by the building commission.
(c) If revenues of the veterans mortgage loan repayment fund are insufficient to meet all current expenses, the secretary of administration shall establish a repayment schedule whereby the general fund will be reimbursed in an orderly manner for moneys advanced. Interest rates to be charged on loans subsequently issued shall be adjusted to provide sufficient revenues to meet all of this repayment schedule.

(d) After meeting all expenses and providing for reserves under par. (a) 3., assets in the veterans mortgage loan repayment fund, upon prior approval of the building commission, may be transferred to the veterans trust fund and used to fund loans under s. 45.42.

8. USE OF SURPLUSES. Surpluses may be used under sub. (11) (c) only if there are no unreserved fund balances available for that purpose in the funds created under sub. (10). Section 20.001 (3) (e) shall not be construed to prohibit this action.

9. LIMITATION ON REMODELING OR ALTERATION FOR A DISABLED VETERAN. Not more than 50 percent of the proceeds of a loan granted under this section for a purpose under s. 45.34 (1) (a) may be used for remodeling or alteration of the housing accommodation after purchase to meet the special needs of a permanently and totally disabled veteran. That portion of the proceeds used for this purpose shall be reserved and distributed by the authorized lender.

10. REPAYMENT OF REVENUE OBLIGATIONS. (a) All moneys received from any source for repayment of loans, mortgages, or mortgage loan notes funded with proceeds of revenue obligations issued under sub. (10) may be deposited into one or more separate nonlapsible trust funds in the state treasury or with a trustee appointed for that purpose by the authorizing resolution for the revenue obligations. The board may pledge revenues received by the funds to secure revenue obligations issued under sub. (6) (c) and shall have all other powers necessary and convenient to distribute the proceeds of the revenue obligations and loan repayments in accordance with subch. II of ch. 18. Unreserved balances in the funds may be used to fund additional loans issued under sub. (6) (c) and pay the balances owing on loans after the assumptions of the loans or the closings of the sales of residences under sub. (11) (c).

(b) Revenue obligations issued under sub. (6) (c) may not exceed $280,000,000 in principal amount, excluding obligations issued to fund or refund outstanding revenue obligation notes or to refund outstanding revenue obligation bonds.

(c) Except as may otherwise be expressly provided in resolutions authorizing the issuance of revenue obligations or in other agreements with the holders of revenue obligations, each issue of revenue obligations shall be on a parity with every other revenue obligation issued under sub. (6) (c) and payable in accordance with subch. II of ch. 18.

11. GUARANTEED LOANS. (a) Upon any sale of the residence which secures a guaranteed loan made under this section after April 3, 1980, except for the purchase of the residence at the time the loan is initially made, the guaranteed loan may be assumed or continued to be paid in regular monthly installments if the person who assumes the mortgage loan payments or who will make the regular monthly installments agrees to all of the following:

1. To pay interest on the loan from the date of the assumption of the loan, if the loan is assumed, or from the date of the closing of the sale of the residence at the maximum rate of interest being charged on guaranteed loans on the date the loan was initially made.

2. To increase the amortization payments on the loan by an amount sufficient to amortize the loan by the date the balance on the loan is payable in full according to the original terms of the loan.

(b) The department and authorized lenders shall increase the interest rates and amortization payments on loans assumed under par. (a).

(c) After the assumption of a guaranteed loan funded under sub. (6) (c), if the loan is assumed, or the closing of the sale of a residence on which a balance is owing on a guaranteed loan funded under sub. (6) (c), the balance owing on the loan on the date of the assumption of the loan, if the loan is assumed, or the closing of the sale may be paid to the funds created under sub.
