CHAPTER 462

RADIOGRAPHERS AND LIMITED X−RAY MACHINE OPERATORS

462.01 Definitions. In this chapter:
(1) “Board” means the radiography examining board.
(2) “Bone densitometry” means the quantitative assessment of bone mass using single or dual energy X−ray absorptiometry.
(3) “Department” means the department of safety and professional services.
(4) “Practice of radiography” means the imaging of anatomical structures, produced by the combined application of X−rays to the human body and the application of knowledge in the fields of anatomy, radiographic positioning, and radiographic technique, and knowledge of principles of radiation protection, for the purpose of medical diagnosis except that “practice of radiography” does not include bone densitometry.

462.02 Practice, use of title restricted. (1) Subject to sub. (2), no person may use the title “radiographer,” represent himself or herself as a radiographer, or engage in the practice of radiography, unless the person is granted a license under s. 462.03 (2).

462.03 Issuance of license, permit. (1) The person submits an application on a form provided by the board.

462.04 Prescription or order required. A person who holds a license or limited X−ray machine operator permit under this chapter may not use diagnostic X−ray equipment on humans for diagnostic purposes unless authorized to do so by prescription or order of a physician licensed under s. 448.04 (1) (a), (b), or (bg).

462.05 Renewal of license, permit. 462.06 Rule making. 462.07 Discipline.
462.05  Radiographers and Limited X-Ray Operators

by the department and shall include the renewal fee determined by
the department under s. 440.03 (9) (a).

(2) (a) A radiographer or limited X-ray machine operator is
not eligible for renewal of a license or permit under sub. (1) unless
the radiographer or limited X-ray machine operator has complied
with the continuing education requirements established by the
board under s. 462.06 (1) (c).

(b) Paragraph (a) does not apply to a radiographer or limited
X-ray machine operator if the radiographer or limited X-ray
machine operator is applying for renewal for the first time.

History: 2009 a. 106.

462.06 Rule making.  (1) The board shall promulgate rules
that do all of the following:

(a) Establish standards for courses of study in radiography.
The standards shall be no less stringent than the standards adopted
by the Joint Review Committee on Education in Radiologic Tech-
nology or a successor organization.

(b) Establish standards for examinations under s. 462.03 (2)
and (3). Notwithstanding s. 462.03 (2) and (3), the rules may per-
mit a person to satisfy the examination requirement by providing
the board with evidence satisfactory to the board that the person
holds a current registration by the American Registry of Radiologic
Technologists or a successor organization or is currently
licensed to practice radiography in another state with examination
standards at least as stringent as those promulgated by the board
under this paragraph. The board may adopt a limited scope radi-
ography examination administered by the American Registry of
Radiologic Technologists, a successor organization, or other rec-
ognized national voluntary credentialing body, if the examination
standards are at least as stringent as those adopted by the board
under this paragraph.

(c) Establish continuing education standards for renewal of
licenses and limited X-ray machine operator permits issued under
this chapter. The standards adopted under this paragraph may rec-
ognize current certification by the American Registry of Radio-
logic Technologists or a successor organization as evidence of
compliance with the continuing education standards established
under this paragraph, if the continuing education requirements for
such certification are no less stringent than those adopted by the
board under this paragraph.

(2) The board may promulgate rules that establish a code of
ethics for persons who hold a license or limited X-ray machine
operator permit under s. 462.03.

History: 2009 a. 106.

462.07 Discipline.  (1) Subject to the rules promulgated
under s. 440.03 (1), the board may conduct investigations and
hearings to determine whether a person has violated this chapter
or a rule promulgated under this chapter.

(2) Subject to the rules promulgated under s. 440.03 (1), if a
person who applies for or holds a license or limited X-ray
machine operator permit under s. 462.03 does any of the follow-
ing, the board may reprimand the person or deny, limit, suspend,
or revoke the person's license or permit:

(a) Makes a material misstatement in an application for a
license or permit under s. 462.03 or an application for renewal of
a license or permit.

(b) Violates any law of this state or federal law that substan-
tially relates to the practice of radiography, violates this chapter,
or violates a rule promulgated under this chapter, including a pro-
vision of a code of ethics promulgated under s. 462.06 (2).

(c) Materially assists a person who does not hold a license or
permit under s. 462.03 to engage in the practice of radiography.

(d) Advertises, practices, or attempts to practice under another
person's name.

(e) Engages in unprofessional conduct, as defined by the board
by rule.

(f) Subject to ss. 111.321, 111.322, and 111.335, is arrested for
or convicted of an offense the circumstances of which substantial-
tially relate to the practice of radiology.
