CHAPTER 6

THE ELECTORS

6.02 Qualifications, general. (1) Every U.S. citizen age 18 or older who has resided in an election district or ward for 28 consecutive days before any election where the citizen offers to vote is an eligible elector.

(2) Any U.S. citizen age 18 or older who moves within this state later than 28 days before an election shall vote at his or her previous ward or election district if the person is otherwise qualified. If the elector can comply with the 28-day residence requirement at the new address and is otherwise qualified, he or she may vote in the new ward or election district.

History: 1971 c. 304 s. 29 (2); 1971 c. 336 s. 37; 1975 c. 85 ss. 5, 66 (3); 1977 c. 394; 1991 a. 316; 2011 a. 23.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 19 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

6.03 Disqualification of electors. (1) The following persons shall not be allowed to vote in any election and any attempt to vote shall be rejected:

(a) Any person who is incapable of understanding the objective of the elective process or who is under guardianship, unless the court has determined that the person is competent to exercise the right to vote.

(b) Any person convicted of treason, felony or bribery, unless the person’s right to vote is restored through a pardon or under s. 54.64.

(2) No person shall be allowed to vote in any election in which the person has made or become interested, directly or indirectly, in any bet or wager depending upon the result of the election.

(3) No person may be denied the right to register to vote or the right to vote by reason that the person is alleged to be incapable of understanding the objective of the elective process unless the person has been adjudicated incompetent in this state. If a determination of incompetency of the person has already been made, or if a determination of limited incompetency has been made that does not include a specific finding that the subject is competent to exercise the right to vote, and a guardian has been appointed as a result of such determination, then no determination of incapacity of understanding the objective of the elective process is required unless the guardianship is terminated or modified under s. 54.64.

6.05 Election day age determines elector’s rights. Any person who will be 18 years old on or before election day is entitled to vote if the person complies with this chapter.

6.06 Information for uniformed service members. The commission is the agency designated by this state under 1973ff−1 to provide information regarding voter registration and absentee balloting procedures to absent members of the uniformed services and overseas voters with respect to elections for national office.

History: 2003 a. 265; 2015 a. 118 s. 266 (10).

6.10 Elector residence. Residence as a qualification for voting shall be governed by the following standards:

1. The residence of a person is the place where the person’s habituation is fixed, without any present intent to move, and to which, when absent, the person intends to return.

2. When a married person’s family resides at one place and that person’s business is conducted at another place, the former place establishes the residence. If the family place is temporary or for transient purposes, it is not the residence.

3. When an elector moves his or her residence from one ward or municipality to another ward or municipality within the state at least 28 days before the election, the elector may vote in and be considered a resident of the new ward or municipality where residing upon registering at the proper polling place or other registration location in the new ward or municipality under s. 6.55 (2) or 6.68 (3) (a) 2. If the elector moves his or her residence later than 28 days before an election, the elector shall vote in the elector’s former ward or municipality if otherwise qualified to vote there.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al., 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

4. The residence of an unmarried person sleeping in one ward and boarding in another is the place where the person sleeps. The residence of an unmarried person in a transient vocation, a teacher or a student who boards at different places for part of the week, month, or year, if one of the places is the residence of the person’s parents, is the place of the parents’ residence unless through registration or similar act the person elects to establish a residence elsewhere. If the person has no parents and if the person has not registered elsewhere, the person’s residence shall be at the place that the person considered his or her residence in preference to any other for at least 28 consecutive days before an election. If this place of residence is the person’s home or place of business, the home or place of business is entitled to all the privileges and subject to all the duties of other citizens having their residence there, including voting.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al., 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

5. A person shall not lose residence when the person leaves home and goes into another state or county, town, village or ward of this state for temporary purposes with an intent to return.

6. As prescribed by article III of the constitution, no person loses residence in this state while absent from this state on business for the United States or this state; and no member of the armed forces of the United States gains a residence in this state because of being stationed within this state.

7. A guest at a national or a state soldiers’ home in this state, a guest at a home for the aged supported by benevolence, or a patient of any county home or other charitable institution, resides in the municipality where the home is located and within the ward where the guest or patient sleeps, unless before becoming a guest or patient at the home the guest or patient elects to maintain his or her prior residence as his or her voting residence.

7m (a) The residence of a person who is detained, or committed and institutionalized, under s. 51.20, 971.14, or 971.17 or ch. 980 shall be determined by applying the standards under sub. (1) to whichever of the following dates is applicable to the circumstances of the person:

1. For a person detained or committed under s. 51.20, the date that the person was detained under s. 51.20 (2) or, if the person was not detained under s. 51.20 (2), the date that the person was committed under s. 51.20 (13).

2. For a person committed under s. 971.14 or 971.17, the date of the offense or alleged offense that resulted in the person’s commitment.

3. For a person detained or committed under ch. 980, the date that the person committed the sexually violent offense that resulted in the sentence, placement, or commitment that was in effect when the state filed a petition under s. 980.02 against the person.

(b) That the person’s habitation was fixed at the place established under par. (a) before he or she was detained or committed shall be considered prima facie evidence that the person intends to return to that place. The prima facie evidence of intent to return to the place determined under par. (a) may be rebutted by presenting information that indicates that the person is not likely to return to that place if the person’s detention or commitment is terminated.

8. No person gains a residence in any ward or election district of this state while there for temporary purposes only.

9. No person loses the right to vote at the person’s place of residence while receiving public assistance or unemployment insurance even if the legal settlement for assistance is elsewhere.

10. If a person moves to another state with an intent to make a permanent residence there, or, if while there the person exercises the right to vote as a citizen of that state by voting, the person loses Wisconsin residence.

11. Neither an intent to acquire a new residence without removal, nor a removal without intent, shall affect residence.

12. Student status shall not be a consideration in determining residence for the purpose of establishing voter eligibility.

13. A military elector under s. 6.22 (1) (b) who is the spouse or dependent of another military elector may elect to take as his or her residence either the individual’s most recent residence in this state or the residence of the individual’s spouse or the individual providing his or her support.

Voter residency and absentee voting is discussed. 60 Atty. Gen. 214.

Voting residency of family members of military personnel stationed in Wisconsin is discussed. 61 Atty. Gen. 269.

6.15 New residents; presidential voting. (1) QUALIFICATIONS. Any person who was or who is an eligible elector under ss. 6.02 and 6.03, except that he or she has been a resident of this state for less than 28 consecutive days prior to the date of the presidential election, is entitled to vote for the president and vice president but for no other offices. The fact that the person was not registered to vote in the state from which he or she moved does not prevent voting in this state if the elector is otherwise qualified.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al., 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

Application may be made not sooner than 27 days nor later than 5 p.m. on the day before the election, or may be made at the proper polling place in the ward or election district in which the elector resides. (4) REQUESTS. (a) An overseas elector who is properly registered may request an absentee ballot in writing as provided under ss. 6.86 to 6.89.

(b) A federal postcard registration and absentee ballot request form may be used to apply for an absentee ballot under par. (a) if the form is completed in such a manner that the municipal clerk or board of election commissioners with whom it is filed is able to determine all of the following:

1. That the applicant is an overseas elector under sub. (1).

2. That the applicant qualifies to vote in the ward or election district where he or she seeks to vote under sub. (2).

(c) Upon receipt of a timely application from an individual who qualifies as an overseas elector and who has registered to vote in a municipality under sub. (3), the municipal clerk of the municipality shall send, or if the individual is an overseas elector, shall transmit, an absentee ballot to the individual upon the individual’s request for all subsequent elections for national office to be held during the year in which the ballot is requested, except as otherwise provided in this paragraph, unless the individual otherwise requests or until the individual no longer qualifies as an overseas elector of the municipality. The clerk shall not send an absentee ballot for an election if the overseas elector’s name appeared on the registration list in eligible status for a previous election following the date of the application but no longer appears on the list in eligible status. The municipal clerk shall ensure that the envelope containing the absentee ballot is clearly marked as not forwardable. If an overseas elector who files an application under this subsection no longer resides at the same address that is indicated on the application form, the elector shall so notify the municipal clerk.

(d) An overseas elector, regardless of whether the elector qualifies as a resident of this state under s. 6.10, who is not registered may request both a registration form and an absentee ballot at the same time, and the municipal clerk shall send or transmit the ballot automatically if the registration form is received within the time prescribed in s. 6.28 (1). The commission shall prescribe a special certificate form for the envelope in which the absentee ballot for such overseas electors is contained, which shall be substantially similar to that provided under s. 6.87 (2). The overseas elector shall make and subscribe to the special certificate form before the witness who is an adult.

(e) An overseas elector, regardless of whether the elector qualifies as a resident of this state under s. 6.10, may file an application for an absentee ballot by means of electronic mail or facsimile transmission in the manner prescribed in s. 6.86 (1) (c) and, upon receipt of a valid application, the municipal clerk shall send the elector an absentee ballot or, if the elector so requests, shall transmit an absentee ballot to the elector by means of electronic mail or facsimile transmission in the manner prescribed in s. 6.87 (3) (d).

(5) BALLOTS. The commission shall prescribe a special ballot for use under this section whenever necessary. Official ballots prescribed for use in the presidential preference primary may also be used. The ballot shall be designed to comply with the requirements prescribed under ss. 5.60 (18), 5.62, and 5.64 (1) (a) insofar as applicable. All ballots shall be limited to national offices only.

(6) INSTRUCTIONS AND HANDLING. The municipal clerk shall send a ballot, as soon as available, to each overseas elector by whom a request has been made. The commission shall prescribe the instructions for marking and returning ballots and the municipal clerk shall enclose such instructions with each ballot. The envelope, return envelope and instructions may not contain the name of any candidate appearing on the enclosed ballots other than that of the municipal clerk affixed in the fulfillment of his or her duties. Except as authorized in s. 6.87 (3), the municipal clerk shall mail the material, with sufficient postage to ensure that the elector receives the ballot, unless the material qualifies for mailing free of postage under federal free postage laws. If the return envelope qualifies for mailing free of postage under federal free postage laws, the clerk shall affix the appropriate legend required by U.S. postal regulations. Otherwise, the municipal clerk shall pay the postage required for return when the ballot is mailed from within the United States. If the ballot is not mailed by the overseas elector from within the United States, the overseas elector shall provide return postage.

(7) VOTING PROCEDURE. Except as authorized under s. 6.25, the ballot may be marked and returned, deposited and recorded in the same manner as other absentee ballots. In addition, the certificate shall have a statement of the elector’s birth date. Failure to return the unused ballots in a primary election does not invalidate the ballot on which the elector casts his or her votes.

6.25 Write-in absentee ballot. (1) (a) Any individual who qualifies as a military elector under s. 6.22 (1) (b) and who transmits an application for an official absentee ballot for any election, including a primary election, no later than the latest time specified for the election in s. 6.86 (1) (b) may, in lieu of the official ballot, cast a federal write-in absentee ballot prescribed under 42 USC 1973ff−2 for any candidate for an office listed on the official ballot or for all of the candidates of any recognized political party for the offices listed on the official ballot at that election if the federal write-in absentee ballot is received by the appropriate municipal clerk no later than the applicable time prescribed in s. 6.87 (6).

(b) Any individual who qualifies as an overseas elector, regardless of whether the elector qualifies as a resident of this state under s. 6.10, and who transmits an application for an official absentee ballot for an election, including a primary election, no later than the latest time specified for an elector in s. 6.86 (1) (b) may, in lieu of the official ballot, cast a federal write-in absentee ballot prescribed under 42 USC 1973ff−2 for any candidate or for all candidates of any recognized political party listed on the official ballot at that election if the federal write-in absentee ballot is received by the appropriate municipal clerk no later than the applicable time prescribed in s. 6.87 (6).

(c) A completed and signed federal write-in absentee ballot submitted by a qualified elector under par. (a) serves as an application for an absentee ballot and need not be accompanied by a separate application.

(4) A write-in absentee ballot issued under sub. (1) is valid only if the elector submitting the ballot does not submit an official ballot within the time prescribed in s. 6.87 (6) and, if the elector is an overseas elector, the elector resides outside the United States.

(b) Upon the filing of the registration form required by this section, the municipal clerk or clerk’s agent under s. 6.33 (5) (b) shall enter the type of identifying document submitted by the elector as proof of residence, the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, the last 4 digits of that number on the registration form. If the number on the identifying document submitted by the elector has 6 or fewer digits, the clerk shall enter only the last 2 digits of that number. The municipal clerk or clerk’s agent under s. 6.33 (5) (b) shall issue a certificate containing the name and address of the elector addressed to the inspectors of the proper ward or election district directing that the elector be permitted to cast his or her vote if the elector complies with all requirements for voting at the polling place. The certificate shall be numbered serially, prepared in duplicate and one copy preserved in the office of the municipal clerk.

(c) At the time he or she appears at the correct polling place, the elector shall deliver any certificate issued under par. (b) to the inspectors. If the elector applies for and obtains an absentee ballot, any certificate shall be annexed to and mailed with the absentee ballot to the office of the municipal clerk.

(d) The inspectors shall record the names of electors who present certificates in person or for whom certificates are presented with absentee ballots under this section on the list maintained under s. 6.56 (1). These names shall then be added to the registration list if the electors are qualified.

(5) ELECTRONIC APPLICATION. An eligible elector who holds a current and valid operator’s license issued under ch. 343 or a current and valid identification card issued under s. 343.50 may register electronically in the manner prescribed by the commission. The commission shall maintain on the Internet a secure registration form that enables the elector to enter the information required under s. 6.33 (1) electronically. An elector who registers electronically under this subsection must authorize the commission to obtain from the department of transportation an electronic copy of the elector’s signature, which signature shall constitute an affirmation that all information provided by the elector is correct and shall have the same effect as if the elector had signed the application personally. The commission shall include on the registration form a place for the elector to give this authorization. Upon submittal of the electronic application, the commission shall obtain from the department of transportation a copy of the electronic signature of the elector. The commission shall maintain the application on file and shall notify the municipal clerk or board of election commissioners of the municipality where the elector resides of its receipt of each completed application. The commission shall also permit any elector who has a current and valid operator’s license issued to the elector under ch. 343 or a current and valid identification card issued under s. 343.50 to make changes in his or her registration at the same Internet site that is used by electors for original registration under this subsection. An elector shall attest to the correctness of any changes in the same manner as provided in this subsection for information entered on an application for original registration.

6.32 Verification of certain registrations. (1) Upon receipt of a registration form that is submitted by mail under s. 6.30 (4) or by electronic application under s. 6.30 (5), the commission or municipal clerk shall examine the form for sufficiency.

(2) If the form is insufficient to accomplish registration or the commission or clerk knows or has reliable information that the proposed elector is not qualified, the commission or clerk shall notify the proposed elector within 5 days, if possible, and request that the elector appear at the clerk’s office or another registration location to complete a proper registration or substantiate the information presented.

(3) If the form is submitted later than the close of registration, the commission or clerk shall make a good faith effort to notify the elector that he or she may register at the clerk’s office under s. 6.29 or at the proper polling place or other location designated under s. 6.55 (2).

(4) If the form is sufficient to accomplish registration and the commission or clerk has no reliable information to indicate that the proposed elector is not qualified, the commission or clerk shall enter the elector’s name on the registration list and transmit a 1st class letter or postcard to the registrant, specifying the elector’s ward or aldermanic district, or both, if any, and polling place. The letter or postcard shall be sent within 10 days of receipt of the form. If the letter or postcard is returned, or if the commission or clerk is informed of a different address than the one specified by the elector, the commission or clerk shall change the status of the elector on the list from eligible to ineligible. The letter or postcard shall be marked in accordance with postal regulations to ensure that it will be returned to the commission or clerk if the elector does not reside at the address given on the letter or postcard.

6.325 Disqualification of electors. No person may be disqualified as an elector unless the municipal clerk, board of election commissioners or a challenging elector under s. 6.48 demonstrates beyond a reasonable doubt that the person does not qualify as an elector or is not properly registered. If it appears that the challenged elector is registered at a residence in this state other than the one where the elector now resides, the municipal clerk or board of election commissioners shall, before permitting the elector to vote, require the elector to properly register and shall notify the municipal clerk or board of election commissioners at the former residence. The municipal clerk or board of election commissioners may require naturalized applicants to show their naturalization certificates.

6.33 Registration forms; manner of completing. (1) The commission shall prescribe the format, size, and shape of registration forms. All nonelectronc forms shall be printed and each item of information shall be of uniform font size, as prescribed by the commission. Except as otherwise provided in this subsection, electronic forms shall contain the same information as nonelectronc forms. The municipal clerk shall supply sufficient forms to meet voter registration needs. The commission shall design the form to obtain from each elector information as to name; date; residence location; location of previous residence immediately before moving to current residence location; citizenship; date of birth; age; the number of a current and valid operator’s license issued to the elector under ch. 343 or the last 4 digits of the elector’s social security account number; whether the elector has resided within the ward or election district for the number of consecutive days specified in s. 6.02 (1); whether the elector has
been convicted of a felony for which he or she has not been par-
doned, and if so, whether the elector is incarcerated, or on parole,
probation, or extended supervision; whether the elector is disqual-
ified on any other ground from voting; and whether the elector is
currently registered to vote at any other location. The commission
shall include on the nonelectronic form a space for the elector’s
signature and on the electronic form the authorization specified
under s. 6.30 (5). Below the space for the signature or authoriza-
tion, respectively, the commission shall include the following
statement: “Falsification of information on this form is punishable
under Wisconsin law as a Class I felony.” The commission shall
include on the form a space to enter the name of any inspector,
municipal clerk, or deputy clerk under s. 6.55 (2) who obtains the
form and a space for the inspector, clerk, or deputy clerk to sign
his or her name, affirming that the inspector, clerk, or deputy clerk
has accepted the form. The commission shall include on the form
a space for the entry of the ward and aldermanic district, if any, where
the elector resides and any other information required to deter-
mine the offices and referenda for which the elector is certified to vote.

The commission shall also include on the form a space
where the clerk may record an indication of whether the form is
received by mail or by electronic application, a space where the
clerk shall record an indication of the type of identifying docu-
ment submitted by the elector as proof of residence under s. 6.34
or an indication that the elector’s information in lieu of proof of
residence was verified under s. 6.34 (2m), the name of the entity or
institution that issued the identifying document, and, if the
identifying document includes a number that applies only to the
individual holding that document, that number. The commission
shall also include on the form a space where the clerk, for any elec-
tor who possesses a valid voting identification card issued to the
person under s. 6.47 (3), may record the identification serial
number appearing on the voting identification card. Each county clerk
shall obtain sufficient registration forms for completion by an
elector who desires to register to vote at the office of the county clerk under s. 6.28 (4).

(2) (a) All information may be recorded by any person, except
that the clerk shall record the ward and aldermanic district, if any, other
geographic information under sub. (1), the indication of
whether the registration is received by mail, and the type of identi-
fying document submitted by the elector as proof of residence
under s. 6.34. Except as provided in s. 6.30 (5), each elector shall
sign his or her own name unless the elector is unable to sign his
or her name due to physical disability. In such case, the elector
may authorize another elector to sign the form on his or her behalf.
If the elector so authorizes, the elector signing the form shall attest
to a statement that the application is made upon request and by
authorization of a named elector who is unable to sign the form
due to physical disability.

(b) Except as provided in s. 6.86 (3) (a) 2., the registration form
shall be signed by the registering elector before the clerk, issuing
officer or election registration official. The form shall contain a
certification by the registering elector that all statements are true
and correct.

(4) When an individual’s registration is changed from eligible
to ineligible status, the municipal clerk or board of election com-

(5) (1) Except as provided in par. (b) and this paragraph, whenever
a municipal clerk receives a valid registration or valid

changes a registration from eligible to ineligible status the munic-

an in–person absentee ballot application or an absentee ballot the
municipal clerk shall, no later than 48 hours after mailing an
absentee ballot or receiving an in–person absentee ballot applica-

clerk’s designee who shall, no later than 24 hours after receiving
the information from the clerk, enter electronically on the list
maintained by the commission under s. 6.36 (1) the information

6.48 Challenging registration. (1) General procedure. Any registered elector of a municipality may challenge the registration of any other registered elector by submitting to the municipal clerk or executive director of the board of election commissioners in cities of more than 500,000 population an affidavit stating that the elector is not qualified to vote and the reasons therefor. (b) The challenged and challenging electors shall appear before the municipal clerk within one week or before the board of election commissioners under sub. (2) to answer questions and take the oath under s. 6.925. If the challenged elector appears and contests any answer of the challenging elector, the clerk may require the challenging elector to take the oath under s. 6.94 and to answer any question necessary to determine the challenged elector’s qualifications. Judgment rests with the municipal clerk and decisions shall be rendered as soon as heard. If the clerk cannot resolve the issue or has reservations as to the answers, the clerk may require the challenging elector to take the oath under s. 6.925. If the challenged elector appears before the municipal clerk or board of election commissioners but the challenged elector fails to appear, such clerk or board may make the decision without consulting the challenged elector. If the municipal clerk or board of election commissioners does not sustain the challenge, the challenged elector’s registration remains valid.

(c) If the challenging elector fails to appear before the municipal clerk within one week or in cities of more than 500,000 population fails to appear before the board of election commissioners under sub. (2) to answer questions and take the oath under s. 6.925, such clerk or board shall cancel the challenge.

(d) If the clerk determines that the challenged elector is not qualified, the clerk shall change the challenged elector’s registration from eligible to ineligible status on the registration list and notify the inspectors for the ward or election district where the elector was registered.

(2) Special procedure in populous cities. (a) In cities of more than 500,000 population, objections may be made before the board of election commissioners which shall sit on the last Monday before each election from 9 a.m. to 12 p.m. and from 2 p.m. to 5 p.m. to hear objections then made or deferred under sub. (1). If all the objections cannot then be determined, the commissioners shall sit during the same hours the next day.

(b) Upon appearing in person, objectors shall be examined, under oath, by the commissioners and testimony taken. Judgment rests with the board of election commissioners and decisions shall be rendered as soon as heard. All cases are heard and decided summarily. The commissioners shall determine whether the person objected to is qualified. If they determine that a person is not qualified, the executive director of the board of election commissioners shall change the elector from eligible to ineligible status on the registration list and shall notify the proper ward officials of the change immediately.

(3) Challenge based on incompetency. Section 6.03 (3) applies to any challenge which is made to registration based on an allegation that an elector is incapable of understanding the objective of the elective process and thereby ineligible for registration.

2) If an elector to whom a notice of suspension was mailed
under sub. (1) has not applied for continuation of registration
within 30 days of the date of mailing, the commission shall change
the registration status of that elector from eligible to ineligible on
the day that falls 30 days after the date of mailing.

2g) The commission may delegate to a municipal clerk or
board of election commissioners of a municipality the responsibil-
ity to change the registration status of electors when required
under sub. (2).

2r) As soon as practicable, but no later than August 1 follow-

and whose status changed from eligible to ineligible.

(h) Any other information requested by the legislature or that
the commission considers relevant.

3) Upon receipt of reliable information that a registered elec-
tor has changed his or her residence to a location outside of the
municipality, the municipal clerk or board of election commis-
sioners shall notify the elector by mailing a notice by 1st class mail
to the elector’s registration address stating the source of the infor-
mation. All municipal departments and agencies receiving infor-
mation that a registered elector has changed his or her residence
shall notify the clerk or board of election commissioners. If the
elector no longer resides in the municipality or fails to apply for
continuation of registration within 30 days of the date the notice
is mailed, the clerk or board of election commissioners shall
change the elector’s registration from eligible to ineligible status.
Upon receipt of reliable information that a registered elector has
changed his or her residence within the municipality, the munic-
pal clerk or board of election commissioners shall change the elec-
tor’s registration and mail the elector a notice of the change. This
subsection does not restrict the right of an elector to challenge any
registration under s. 6.325, 6.48, 6.925, 6.93, or 7.52 (5).

4) The municipal clerk or board of election commissioners
shall change the registration of deceased electors from eligible to

5) The registration of any elector whose address is listed at a
building which has been condemned for human habitation by the
municipality under s. 66.0413 (1) (j) shall be investigated by the
municipal clerk or board of election commissioners. If the clerk
or board of election commissioners can find no reason why the
registration of such an elector should not be changed from eligible
to ineligible status, the clerk or board of election commissioners
shall change the elector’s registration status. If the elector has left
a forwarding address with the U.S. postal service, a notice of
change in status shall be mailed by the clerk or board of election
commissioners to the forwarding address.

The municipal clerk, upon authorization by an elector, shall
change the elector’s registration from eligible to ineligible status.

7) When an elector’s registration is changed from eligible to
ineligible status, the commission, municipal clerk, or board of
election commissioners shall make an entry on the registration
list, giving the date of and reason for the change.

8) Any municipal governing body may direct the municipal
clerk or board of election commissioners to arrange with the U.S.
postal service pursuant to applicable federal regulations, to
receive change of address information with respect to individuals
residing within the municipality for revision of the elector regis-
tration list. If required by the U.S. postal service, the governing
body may create a registration commission consisting of the
municipal clerk or executive director of the board of election com-
missioners and 2 other electors of the municipality appointed by
the clerk or executive director for the purpose of making applica-
tion for address changes and processing the information received.
The municipal clerk or executive director shall act as chairperson
of the commission. Any authorization under this subsection shall
be for a definite period or until the municipal governing body oth-
erwise determines. The procedure shall apply uniformly to the
entire municipality whenever used. The procedure shall provide
for receipt of complete change of address information on an auto-
matic basis, or not less often than once every 2 years during the
60 days preceding the close of registration for the partisan pri-

corrections under this subsection, it need not comply with the pro-

(2).

10) Any qualified elector whose registration is changed from
eligible to ineligible status under this section may reregister as
provided under s. 6.28 (1), 6.29 (2), or 6.55 (2), or, if the elector

under ch. 343 or a current and valid identification card issued
under s. 343.50, may reregister under s. 6.30 (5).

6.54 Failure to register; rights.

No name may be added to the registration list after the close of registration, but any person
whose name is not on the registration list but who is otherwise a
qualified elector is entitled to vote at the election upon compliance
with s. 6.29 or 6.55.

History: 1985 a. 304 s. 60.

6.55 Polling place registration; voting by absentee ballot.

(2) (a) Except where the procedure under par. (c) or (cm) is
employed, any person who qualifies as an elector in the ward or election district where he or she desires to vote, but has not previously filed a registration form, or was registered at another location, may request permission to vote at the polling place for that ward or election district, or at an alternate polling place assigned under s. 5.25 (5) (b). When a proper request is made, the inspector shall require the person to execute a registration form prescribed by the commission. The registration form shall be completed in the manner provided under s. 6.33 (2) and shall contain all information required under s. 6.33 (1), together with the following certification:

“I, ... hereby certify that, to the best of my knowledge, I am a qualified elector, having resided at ... for at least 28 consecutive days immediately preceding this election, and I have not voted at this election.”

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 199 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(b) Upon executing the registration form under par. (a), the elector shall provide proof of residence under s. 6.34. The signing by the elector executing the registration form shall be in the presence of the election registration official or inspector. Upon receipt of the registration form, the official or inspector shall enter both the type of identifying document submitted by the elector as proof of residence and the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, that number in the space provided on the form. The official or inspector shall then print his or her name on and sign the form, indicating that the official or inspector has accepted the form. Upon compliance with this procedure, the elector shall be permitted to cast his or her vote, if the elector complies with all other requirements for voting at the polling place.

(c) 1. As an alternative to registration at the polling place under pars. (a) and (b), the board of election commissioners, or the governing body of any municipality, may by resolution require a person who qualifies as an elector and who is not registered and desires to register on the day of an election to do so at another readily accessible location in the same building as the polling place serving the elector’s residence or at an alternate polling place assigned under s. 5.25 (5) (b), instead of at the polling place serving the elector’s residence. In such case, the municipal clerk shall prominently post a notice of the registration location at the polling place. An eligible elector who desires to register shall execute a registration form as prescribed under par. (a) and provide proof of residence as provided under s. 6.34. The signing by the person executing the registration form shall be in the presence of the municipal clerk, deputy clerk, or election registration official. Upon receipt of the registration form, the municipal clerk, deputy clerk, or election registration official shall enter the type of identifying document submitted by the elector as proof of residence, the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, that number in the space provided on the form. If the number on the identifying document submitted by the elector has 6 or fewer digits, the clerk shall enter only the last 2 digits of that number. The municipal clerk, the deputy clerk, or the election registration official shall then print his or her name and sign the form, indicating that the clerk, deputy clerk, or official has accepted the form. Upon proper completion of registration, the municipal clerk, deputy clerk, or election registration official shall serially number the registration form and give one copy to the person for presentation at the polling place serving the person’s residence or an alternate polling place assigned under s. 5.25 (5) (b).

2. Upon compliance with the procedures under subd. 1., the municipal clerk or deputy clerk shall issue a certificate addressed to the inspectors of the proper polling place directing that the elector be permitted to cast his or her vote if the elector complies with all requirements for voting at the polling place. The clerk shall enter the name and address of the elector on the face of the certificate. The certificate shall be numbered serially and prepared in duplicate. The municipal clerk shall preserve one copy in his or her office.

3. The elector, at the time he or she appears to vote at the polling place, shall receive the certificate issued under subd. 2, to the inspectors.

(cm) If an elector who is not registered wishes to obtain a confidential listing under s. 6.47 (2), the elector shall register at the office of the municipal clerk of the municipality where the elector resides. Upon completion of registration, the municipal clerk or a deputy clerk shall serially number the registration form and issue a voting identification card to the elector under s. 6.47 (3). The elector may vote at the polling place serving his or her residence by presenting the identification card or by providing his or her name and identification serial number to the inspectors.

(cs) The commission shall provide to each municipal clerk a list prepared for use at each polling place showing the name and address of each person whose name appears on the list provided by the department of corrections under s. 301.03 (20m) as ineligible to vote on the date of the election, whose address is located in the area served by that polling place, and whose name does not appear on the poll list for that polling place. Upon permitting an elector to vote under this subsection or s. 6.86 (3) (a) 2., the inspectors or election registration officials shall review the list. If the name of an elector who wishes to vote appears on the list, the inspectors or election registration officials shall inform the elector or the elector’s agent that the elector is ineligible to register to vote. If the elector or the elector’s agent maintains that the elector is eligible to vote in the election, the inspectors or election registration officials shall permit the elector to register but shall mark the elector’s registration form as “ineligible to vote per Department of Corrections.” If the elector wishes to vote, the inspectors shall require the elector to vote by ballot and shall challenge the ballot as provided in s. 6.79 (2) (dm).

(d) A registered elector who has changed his or her name but resides at the same address, and has not previously provided notice of the change to the municipal clerk, shall notify the inspector of the change before voting. The inspector shall then notify the municipal clerk at the time when materials are returned under s. 6.56 (1). If an elector has changed both a name and address, the elector shall register at the polling place or other registration location under pars. (a) and (b).

3. The elector, at the time he or she appears to vote at the polling place, shall receive the certificate issued under subd. 2, to the inspectors.

(a) Any qualified elector in the ward or election district where the elector desires to vote whose name does not appear on the registration list but who claims to be registered to vote in the election may request permission to vote at the polling place for that ward or election district. When the request is made, the inspector shall require the person to give his or her name and address. If the elector is not at the polling place which serves the ward or election district where the elector resides, the inspector shall provide the elector with directions to the correct polling place. If the elector is at the correct polling place, the elector shall complete registration as provided in sub. (2).

(b) Prior to permitting an elector to vote under this subsection, the inspectors shall review the list provided by the commission under sub. (2) (cs). If the name of the elector appears on the list, the inspectors shall inform the elector that he or she is ineligible to vote at the election. If the elector maintains that he or she is eligible to vote in the election, the inspectors shall permit the elector to vote, but shall require the elector to vote by ballot, and shall challenge the ballot as provided in s. 6.79 (2) (dm).

5. Any person who violates this section may be punished as provided in ss. 12.13 (3) (g) and 12.60 (1) (b).

(6) Any of the registration duties of inspectors under sub. (2) may be carried out in the municipality by the municipal clerk. The municipal clerk, however, may not carry out the registration duties.
of the inspectors under sub. (2) if the municipal clerk is a candidate on the ballot for that election day.

6.56 Verification of voters not appearing on list. (1) The list containing the names of persons voting under ss. 6.29 and 6.55 (2) shall be returned together with all forms and certificates to the municipal clerk.

(3) Upon receipt of the list under sub. (1), the municipal clerk or board of election commissioners shall make an audit of all voters registering to vote at the polling place or other registration location under s. 6.55 (2) and all electors registering by agent on election day under s. 6.86 (3) (a) 2. unless the clerk or board of election commissioners receives notice from the elections commission under sub. (7) that the elections commission will perform the audit. The audit shall be made by 1st class postcard. The postcard shall be marked in accordance with postal regulations to ensure that it will be returned to the clerk if the voter does not reside at the address given on the postcard. If any postcard is returned undelivered, or if the clerk, board of election commissioners, or elections commission is informed of a different address than the one specified by the elector which was apparently improper on the day of the election, the clerk, board of election commissioners, or elections commission shall change the status of the elector from eligible to ineligible on the registration list, mail the elector a notice of the change in status, and provide the name of the elector to the district attorney for the county where the polling place is located and the elections commission.

(3m) As soon as possible after all information relating to registrations after the close of registration for an election is entered on the registration list following the election under s. 6.33 (5) (a), the commission shall compare the list of new registrants whose names do not appear on the poll lists for the election because the names were added after the commission certified the poll lists for use at the election with the list containing the names transmitted to the commission by the department of corrections under s. 301.03 (20m) as of election day. If the commission finds that the name of any person whose name appears on the list transmitted under s. 301.03 (20m) has been added to the registration list, the commission may enter on the list the information transmitted to the commission under s. 301.03 (20m) and shall notify the district attorney for the county where the polling place is located that the person appears to have voted illegally at the election.

(4) After each election, the municipal clerk shall perform an audit to assure that no person has been allowed to vote more than once. Whenever the municipal clerk has good reason to believe that a person has voted more than once in an election, the clerk shall send the person a 1st class letter marked in accordance with postal regulations to ensure that it will be returned to the clerk if the person resides at the address given on the letter. The letter shall inform the person that all registrations relating to that person may be changed from eligible to ineligible status within 7 days unless the person contacts the office of the clerk to clarify the matter. A copy of the letter and any subsequent information received from or about the addressee shall be sent to the district attorney for the county where the person resides and the commission.

(6) The municipal clerk may not disqualify an elector under this section except upon the grounds and in accordance with the procedures specified in s. 6.325.

(7) The commission may elect to perform the duties of municipal clerks to conduct the audits required under subs. (3) and (4) for any election on behalf of all municipalities in the state. If the commission so elects, the commission shall, no later than the date of the election for which the audits will be performed, notify the municipal clerk of each municipality that the commission will perform the audits.

6.57 Registration list for special elections. The municipal clerk of each municipality where a special election is held non-concurrently with a regularly scheduled election shall obtain a copies of the current registration list from the commission for use in the special election.

SUBCHAPTER III

VOTING

6.76 Time off for voting. (1) Any person entitled to vote at an election is entitled to be absent from work while the polls are open for a period not to exceed 3 successive hours to vote. The employer shall notify the affected employer before election day of the intended absence. The employer may designate the time of day for the absence.

(2) No penalty, other than a deduction for time lost, may be imposed upon an elector by his or her employer by reason of the absence authorized by this section.

(3) This section applies to all employers including the state and all political subdivisions of the state and their employees, but does not affect the employers’ right to holidays existing or established after that date.

History: 1977 c. 394; 1991 a. 316.

6.77 Place for voting. (1) An elector may vote only at the polling place for his or her residence designated by the governing body or board of election commissioners.

(2) Whenever territory which was formerly a part of one municipality becomes a part of another municipality, an elector of the territory shall vote in the municipality in which the territory is included on the day of the election.

History: 1975 c. 85; 1985 a. 304.

6.78 Poll hours. (1m) The polls at every election shall be open from 7 a.m. until 8 p.m.

(4) Any elector waiting to vote, whether within the polling booth or in the line outside the booth at the time the polls officially close, shall be permitted to vote.

6.79 Recording electors. (1m) Separate poll lists. The municipal clerk may elect to maintain the information on the poll list manually or electronically. If the clerk elects to maintain the list electronically, an election official at each election ward shall be in charge of and shall maintain the poll list. The system employed to maintain the list electronically is subject to the approval of the commission. If the clerk elects to maintain the information manually, 2 election officials at each election ward shall be in charge of and shall maintain 2 separate poll lists.

(2) Voting procedure. (a) Unless information on the poll list is entered electronically, the municipal clerk shall supply the inspectors with 2 copies of the most current official registration list or lists prepared under s. 6.36 (2) (a) for use as poll lists at the polling place. Except as provided in subs. (6) and (7), each eligible elector, before receiving a serial number, shall state his or her full name and address and present to the officials proof of identification. The officials shall verify that the name on the proof of identification presented by the elector conforms to the name on the poll list or separate list and shall verify that any photograph appearing on that document reasonably resembles the elector. The officials shall then require the elector to enter his or her signature on the poll list, supplemental list, or separate list maintained
under par. (c) unless the elector is exempt from the signature requirement under s. 6.36 (2) (a). The officials shall verify that the name and address stated by the elector conform to the elector’s name and address on the poll list.

(am) If an elector previously signed his or her registration form or is exempt from a registration requirement and is unable, due to physical disability, to enter his or her signature at the election, the officials shall waive the signature requirement if the officials determine that the elector is unable, due to physical disability, to enter his or her signature. In this case, the officials shall enter next to the name and address of the elector on the poll, supplemental, or separate list the words “exempt by order of inspectors”. If both officials do not waive the signature requirement and the elector wishes to vote, the official or officials who do not waive the requirement shall require the elector to vote by ballot and shall challenge the elector’s ballot as provided in s. 6.92 and treat the ballot in the manner provided in s. 6.95. The challenged elector may then provide evidence of his or her physical disability to the board of canvassers charged with initially canvassing the returns prior to the completion of the initial canvass.

(b) Upon the poll list, after the name of each elector, the officials shall enter a serial number for each elector in the order that votes are cast, beginning with number one.

(c) The officials shall maintain separate lists for electors who are voting under s. 6.15, 6.29, or 6.55 (2) or (3) and electors who are reassigned from another polling place under s. 5.25 (5) (b) and shall enter the full name, address, and serial number of each of these electors on the appropriate separate list. Alternatively, if the poll list is maintained electronically, the officials may enter on the poll list the information that would otherwise appear on a separate list if the information that would be obtainable from a separate list is entered on the poll list.

(d) If the poll list indicates that proof of residence under s. 6.34 is required and the proof of identification does not provide the name and address of the elector, the officials shall enter the type of identifying document submitted as proof of residence and the name of the entity or institution that issued the identifying document in the space provided on the poll list and shall verify that the name and address on the identifying document is the same as the name and address shown on the registration list. If proof of residence is required and not provided, or if the elector does not present proof of identification under par. (a), whenever required, the officials shall offer the opportunity for the elector to vote under s. 6.97.

(dm) If the poll list indicates that the elector is ineligible to vote because the elector’s name appears on the current list provided by the election board, as provided in s. 301.03 (20m), the inspectors shall inform the elector of this fact. If the elector maintains that he or she is eligible to vote in the election, the inspectors shall provide the elector with a ballot and, after the elector casts his or her vote, shall challenge the ballot as provided in s. 6.92 and treat the ballot in the manner provided in s. 6.95.

(e) The officials shall then provide each elector with a slip bearing the same serial number as is recorded for the elector upon the poll list or separate list.

(3) Refusal to provide name, address, or proof of identification. (a) Except as provided in sub. (6), if any elector offering to vote at any polling place refuses to give his or her name and address, the elector may not be permitted to vote.

(b) If proof of identification under sub. (2) is not presented by the elector, if the name appearing on the document presented does not conform to the name on the poll list or separate list, or if any photograph appearing on the document does not reasonably resemble the elector, the elector shall not be permitted to vote, except as authorized under sub. (6) or (7), but if the elector is enti-

lled to cast a provisional ballot under s. 6.97, the officials shall offer the opportunity for the elector to vote under s. 6.97.

(4) Supplemental information. When any elector provides proof of residence under s. 6.15, 6.29 or 6.55 (2), the election officials shall enter both the type of identifying document provided and the name of the entity or institution that issued the identifying document on the poll list, or separate list maintained under sub. (2) (c). When any person offering to vote has been challenged and taken the oath, following the person’s name on the poll list, the officials shall enter the word “Sworn”.

(6) Confidential names and addresses. An elector who has a confidential listing under s. 6.47 (2) may present his or her identification card issued under s. 6.47 (3), or give his or her name and identification serial number issued under s. 6.47 (3), in lieu of stating his or her name and address and presenting proof of identification under sub. (2). If the elector’s name and identification serial number appear on the confidential portion of the list, the inspectors shall issue a voting supplement record that number on the poll list and permit the elector to vote.

(7) License surrender. If an elector receives a citation or notice of intent to revoke or suspend an operator’s license from a law enforcement officer in any jurisdiction that is dated within 60 days of the date of an election and is required to surrender his or her operator’s license or driving receipt issued to the elector under ch. 343 at the time the citation or notice is issued, the elector may present an original copy of the citation or notice in lieu of an operator’s license or driving receipt issued under ch. 343. In such case, the elector shall cast his or her ballot under s. 6.965.

(8) Use of the ballot. An elector may be accompanied by the elector’s minor child or minor ward, and an elector who qualifies for assistance under s. 6.92 (2) may be accompanied by a personal guardian or a law enforcement officer in any jurisdiction that is dated within 60 days of the date of an election and is required to surrender his or her license to the elector under ch. 343 at the time the citation or notice is issued, the elector may present an original copy of the citation or notice in lieu of an operator’s license or driving receipt issued under ch. 343. In such case, the elector shall cast his or her ballot under s. 6.965.

6.80 Mechanics of voting. (1) Voting booth or machine use. Only one individual at a time is permitted to occupy a voting booth or machine, except that an elector who is a parent or guardian may be accompanied by the elector’s minor child or minor ward, and an elector who qualifies for assistance under s. 6.82 (2) may be assisted as provided in that subsection.

(2) Method of voting. (a) Upon receiving his or her ballot and without leaving the polling place, the elector shall enter an unoccupied voting booth or machine alone to cast his or her vote, except as authorized in sub. (1). An elector may use or copy an unofficial sample ballot which may be marked in advance of entering the polling place, but an elector may not use or bring into the polling place any ballot printed upon paper of the type required or utilized for official ballots at that polling place.

(3) Authorization at registrar’s office. If an elector wishes to vote, the registrar of voters or authorized official shall authorize the election to vote.
in the name of the person in the space provided on the ballot or the ballot provided for that purpose, or where voting machines are used, in the irregular ballot device, designating the party for which the elector desires such person to be the nominee.

(b) After preparing his or her ballot, unless the ballot is intended for counting with automatic tabulating equipment, the elector shall fold it so its face will be concealed.

(c) Any elector who, by accident or mistake, spoils or erroneously prepares a ballot may receive another, by returning the defective ballot, but not to exceed 3 ballots in all.

(d) If an elector receives a ballot which is not initiated by 2 inspectors, or is defective in any other way, the elector shall return it to the inspectors. If the initials are missing, the inspectors shall supply the missing initials. If the ballot is defective, they shall destroy it and issue another ballot to the elector.

(e) Upon voting his or her ballot, the elector shall publicly and in person deposit it into the ballot box or deliver it to an inspector, who shall deposit the ballot into the ballot box.

(f) In the presidential preference primary and other partisan primary elections at polling places where ballots are distributed to electors, unless the ballots are prepared under s. 5.655 or are utilized with an electronic voting system in which all candidates appear on the same ballot, after the elector prepares his or her ballot the elector shall detach the remaining ballots, fold the ballots to be discarded and fold the completed ballot unless the ballot is intended for counting with automatic tabulating equipment. The elector shall then either personally deposit the ballots to be discarded into the separate ballot box marked “blank ballot box” and deposit the completed ballot into the ballot box indicated by the inspectors, or give the ballots to an inspector who shall deposit the ballots directly into the appropriate ballot boxes. The inspectors shall keep the blank ballot box locked until the canvass is completed and shall dispose of the blank ballots as prescribed by the municipal clerk.

(3) TIME IN BOOTH OR MACHINE. (a) Each elector shall be allowed a reasonable time to vote. Unless otherwise specified for that election, a majority of the inspectors shall determine the time each elector shall have to mark the ballot, taking into consideration the size of the ballot and the number of electors in line waiting to vote. In no case shall the time be less than one minute. If there are electors in line waiting to vote, the time shall not exceed 5 minutes.

(b) If an elector refuses to leave the booth or machine after being notified by one of the inspectors that the time has expired, the elector shall be removed by the inspectors.

6.82 Assisting electors. (1) RECEIPT OF BALLOT AT POLL ENTRANCE. (a) When any inspectors are informed that an eligible elector is at the entrance to the polling place who as a result of disability is unable to enter the polling place, they shall permit the elector to vote using a paper ballot and voting booth.

(b) If an elector refuses to leave the booth or machine after being notified by one of the inspectors that the time has expired, the elector shall be removed by the inspectors.

6.84 Construction. (1) LEGISLATIVE POLICY. The legislature finds that voting is a constitutional right, the vigorous exercise of which should be strongly encouraged. In contrast, voting by absentee ballot is a privilege exercised wholly outside the traditional safeguards of the polling place. The legislature finds that the privilege of voting by absentee ballot must be carefully regulated to prevent the potential for fraud or abuse; to prevent overzealous solicitation of absent electors who may prefer not to
participate in an election; to prevent undue influence on an absent elector to vote for or against a candidate or to cast a particular vote in a referendum; or other similar abuses.

(2) INTERPRETATION. Notwithstanding s. 5.01 (1), with respect to matters relating to the absentee ballot process, ss. 6.86, 6.87 (3) to (7) and 9.01 (1) (b), 2. and 4. shall be construed as mandatory. Ballots cast in contravention of the procedures specified in those provisions may not be counted. Ballots counted in contravention of the procedures specified in those provisions may not be included in the certified result of any election.

6.85 Absent elector; definition. (1) An absent elector is any otherwise qualified elector who for any reason is unable or unwilling to appear at the polling place in his or her ward or election district.

(2) Any otherwise qualified elector who changes residence within this state by moving to a different ward or municipality later than 28 days prior to an election may vote an absentee ballot in the ward or municipality where he or she was qualified to vote before moving.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al., 15−cv−324, 199 F. Supp. 2d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(3) An elector qualifying under this section may vote absentee ballot under ss. 6.86 to 6.89.

6.855 Alternate absentee ballot site. (1) The governing body of a municipality may elect to designate a site other than the office of the municipal clerk or board of election commissioners as the location from which electors of the municipality may request and vote absentee ballots and to which voted absentee ballots shall be returned by electors for any election. The designated site shall be located as near as practicable to the office of the municipal clerk or board of election commissioners and no site may be designated that affords an advantage to any political party. An election by a governing body to designate an alternate site under this section shall be made no fewer than 14 days prior to the time that absentee ballots are available for the primary under s. 7.15 (1) (cm) or for the general election under s. 7.15 (1) (cm), if a primary is not scheduled to be held, or at least 14 days prior to the time that absentee ballots are available for the election under s. 7.15 (1) (cm), if a primary is not scheduled to be held, or shall remain in effect until at least the day after the election. If the governing body of a municipality makes an election under this section, no function related to voting and return of absentee ballots that is to be conducted at the alternate site may be conducted in the office of the municipal clerk or board of election commissioners.

(2) The municipal clerk or board of election commissioners shall prominently display a notice of the designation of the alternate site selected under sub. (1) in the office of the municipal clerk or board of election commissioners beginning on the date that the site is designated under sub. (1) and continuing through the period that absentee ballots are available for the election and for any primary under s. 7.15 (1) (cm). If the municipal clerk or board of election commissioners maintains a website on the Internet, the clerk or board of election commissioners shall post a notice of the designation of the alternate site selected under sub. (1) on the website during the same period that notice is displayed in the office of the clerk or board of election commissioners.

(3) An alternate site under sub. (1) shall be staffed by the municipal clerk or the executive director of the board of election commissioners, or employees of the clerk or the board of election commissioners.

(4) An alternate site under sub. (1) shall be accessible to all individuals with disabilities.

(5) A governing body may designate more than one alternate site under sub. (1).

6.86 Methods for obtaining an absentee ballot. (1) Any elector of a municipality who is registered to vote whenever required and who qualifies under ss. 6.20 and 6.85 as an absent elector may make written application to the municipal clerk of that municipality for an official ballot by one of the following methods:

1. By mail.
2. In person at the office of the municipal clerk or at an alternate site under s. 6.855, if applicable.
3. By signing a statement and filing a request to receive absentee ballots under sub. (2) or (2m) (a) or s. 6.22 (4), 6.24 (4), or 6.25 (1) (c).
4. By agent as provided in sub. (3).
5. By delivering an application to a special voting deputy under s. 6.875 (6).
6. By electronic mail or facsimile transmission as provided in par. (ac).

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 2017−18 Wisconsin Statutes updated through 2019 Wis. Act 18 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on August 19, 2019. Published and certified under s. 35.18. Changes effective after August 19, 2019, are designated by NOTES. (Published 8−19−19)
received by the municipal clerk no later than 5 p.m. on election day. If the application indicates that the reason for requesting an absentee ballot is that the elector is a sequestered juror, the application shall be received no later than 5 p.m. on election day. If the application is received after 5 p.m. on the Friday immediately preceding the election, the municipal clerk or the clerk’s agent shall immediately take the ballot to the court in which the elector is serving as a juror and deposit it with the judge. The judge shall recess court, as soon as convenient, and give the elector the ballot.

If application is received after 5 p.m. on the Friday immediately preceding the election, the municipal clerk or the clerk’s agent shall immediately take the ballot to the court in which the elector is serving as a juror and deposit it with the judge. The judge shall recess court, as soon as convenient, and give the elector the ballot.

(b) If a municipal clerk is notified by an elector that the elector’s residence is changed to another municipality within this state, the clerk shall forward the request to the municipal clerk of that municipality and that municipal clerk shall honor the request, except as provided in this subsection.

(c) If an application is made by mail by a military elector, as defined in s. 6.22 (1) (b), the application shall be received no later than 5 p.m. on the Friday immediately preceding the election.

The form shall include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that the agent presented proof of identification to the clerk on behalf of the elector.

When each properly executed form and statement required under par. (a) is presented to the municipal clerk, if the elector who proposes to vote is qualified, an absentee ballot shall be issued and the name of such hospitalized elector shall be recorded by the municipal clerk and used to check that the electors vote only once.

An elector who fails to cast an absentee ballot but who remains qualified to receive absentee ballots under this subsection may then receive absentee ballots for subsequent elections by notifying the municipal clerk that the elector wishes to continue receiving absentee ballots for subsequent elections.

(b) If a municipal clerk is notified by an elector that the elector's residence is changed to another municipality within this state, the clerk shall forward the request to the municipal clerk of that municipality and that municipal clerk shall honor the request, except as provided in this subsection.

(3) (a) 1. Any elector who is registered and who is hospitalized, may apply for and obtain an official ballot by agent. The agent shall present to the municipal clerk a completed registration form in which the agent certifies in writing that the application is made on request and by authorization of the named elector, who is unable to sign the application due to physical disability. The agent shall present this statement along with all other information required under this subdivision. Except as authorized for an elector who has a confidential listing under s. 6.47 (2) or as authorized under s. 6.87 (4) (b) 4., the agent shall present any proof of identification required under sub. (1) (ar). The form shall include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that the agent presented proof of identification to the clerk on behalf of the elector.

2. If a hospitalized elector is not registered, the elector may register by agent under this subdivision at the same time that the agent applies for an official ballot by agent under subd. 1. To register the elector by agent under this subdivision, the agent must present a completed registration form that contains the required information supplied by the elector and the elector’s signature, unless the elector is unable to sign due to physical disability. In this case, the elector may authorize another elector to sign on his or her behalf. Any elector signing a form on another elector’s behalf shall attest to a statement that the application is made on request and by authorization of the named elector, who is unable to sign the form due to physical disability. The agent shall present this statement along with all other information required under this subdivision. The agent shall provide proof of the elector’s residence under s. 6.34.

(c) An application under par. (a) 1. may be made and a registration form under par. (a) 2. may be filed in person at the office of the municipal clerk not earlier than 7 days before an election and not later than 5 p.m. on the day of the election. A list of hospitalized electors applying for ballots under par. (a) 1. shall be made by the municipal clerk and used to check that the electors vote only once, and by absentee ballot. If the elector is registering for the first time or if the elector is voting by mail and has not voted in an election in this state, the municipal clerk shall inform the agent that proof of residence under s. 6.34 is required and the clerk shall enclose proof of residence under s. 6.34 in the envelope with the ballot. The clerk shall verify that the name on any required proof of identification presented by the agent conforms to the name on the elector’s application. The clerk shall then enter his or her initials on the carrier envelope indicating that the agent presented proof of identification to the clerk.
agent is not required to enter a signature on the registration list. The ballot shall be sealed by the elector and returned to the municipal clerk either by mail or by personal delivery of the agent; but if the ballot is returned on the day of the election, the agent shall make personal delivery to the polling place serving the hospital-ized elector’s residence before the closing hour or, in municipalities where absentee ballots are canvassed under s. 7.52, to the municipal clerk no later than 8 p.m. on election day.

(4) If a municipality employs an electronic voting system which utilizes a ballot that is inserted into automatic tabulating equipment, the municipality may distribute ballots for utilization with the electronic voting system as absentee ballots or it may distribute paper ballots as absentee ballots.

(5) Whenever an elector returns a spoiled or damaged absentee ballot to the municipal clerk, or an elector’s agent under sub. (3) returns a spoiled or damaged ballot to the clerk on behalf of an elector, and the clerk believes that the ballot was issued to or on behalf of the elector who is returning it, the clerk shall issue a new ballot to the elector or elector’s agent, and shall destroy the spoiled or damaged ballot. Any request for a replacement ballot under this subsection must be made within the applicable time limits under sub. (1) and (3) (c).

(6) Except as authorized in sub. (5) and s. 6.87 (9), if an elector mails or personally delivers an absentee ballot to the municipal clerk, the municipal clerk shall not return the ballot to the elector. An elector who mails or personally delivers an absentee ballot to the municipal clerk at an election is not permitted to vote in person at the same election on election day.

(7) The clerk shall send or transmit an official absentee ballot no later than the deadline provided under s. 7.15 (1) (cm).

The certificate (1) which is required for an absentee ballot to be returned to the clerk. The envelope shall have the name, official title and post-office address of the clerk upon its face. The other side of the envelope shall have a printed certificate which shall include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that if the absentee elector voted in person under s. 6.86 (1) (ar), the elector presented proof of identification to the clerk and the clerk verified the proof presented. The certificate shall also include a space for the clerk to enter the certificate of proof of identification and the absence of a certificate of proof or identification for the individual that is a military or overseas elector who does not qualify as a resident of this state under s. 6.10 or exempt from providing proof of identification under sub. (4) (b) 2. or 3.

The certificate shall be in substantially the following form:

[STATE OF ....
County of ....]

or

[(name of foreign country and city or other jurisdictional unit)]

I, ...... certify subject to the penalties of s. 12.60 (1) (b), Wis. Stats., for false statements, that I am a resident of the [...... ward of the] [town (village) of ......], or of the ....... aldermanic district in the city of ......, residing at .... in said city, the county of ......, state of Wisconsin, and am entitled to vote in the [ward (election) district] at the election to be held on......; that I am not voting at any other location in this election; that I am unable or unwilling to appear at the polling place in the [ward (election) district] on election day or have changed my residence within the state from one ward or election district to another later than 28 days before the election. I certify that I exhibited the enclosed ballot unmarked to the witness, that I then in (his) (her) presence and in the presence of no other person marked the ballot and enclosed and sealed the same in this envelope in such a manner that no one but myself and any person rendering assistance under s. 6.87 (5), Wis. Stats., if I requested assistance, could know how I voted.

The witness shall execute the following:

I, the undersigned witness, subject to the penalties of s. 12.60 (1) (b), Wis. Stats., for false statements, certify that I am an adult U.S. citizen** and that the above statements are true and the voting procedure was executed as there stated. I am not a candidate for any office on the enclosed ballot (except in the case of an incumbent municipal clerk). I did not solicit or advise the elector to vote for or against any candidate or measure.

6.87 Absent voting procedure. (1) Upon proper request made within the period prescribed in s. 6.86, the municipal clerk or a deputy clerk authorized by the municipal clerk shall write on the official ballot, in the space for official endorsement, the clerk’s initials and official title. Unless application is made in person under s. 6.86 (1) (ar), the absent elector is exempted from providing proof of identification under sub. (4) (b) 2. or 3., or the applicant is a military or overseas elector, the absent elector shall enclose a copy of his or her proof of identification or any authorized substitute document with his or her application. The municipal clerk shall verify that the name on the proof of identification conforms to the name on the application. The clerk shall not issue an absentee ballot to an elector who is required to enclose a copy of proof of identification or an authorized substitute document with his or her application unless the copy is enclosed and the proof is verified by the clerk.

(2) Except as authorized under sub. (3) (d), the municipal clerk shall place the ballot in an unsealed envelope furnished by the clerk. The envelope shall have the name, official title and post-office address of the clerk upon its face. The other side of the envelope shall have a printed certificate which shall include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that the elector is exempt from providing proof of identification because the individual is a military or overseas elector who does not qualify as a resident of this state under s. 6.10 or is exempt from providing proof of identification under sub. (4) (b) 2. or 3. The certificate shall be in substantially the following form:
6.87 THE ELECTORS

....(Printed name)
....(Address)***
Signed ....

* — An elector who provides an identification serial number issued under s. 6.47 (3), Wis. Stats., need not provide a street address.
** — An individual who serves as a witness for a military elector or an overseas elector voting absentee, regardless of whether the elector qualifies as a resident of Wisconsin under s. 6.10, Wis. Stats., need not be a U.S. citizen but must be 18 years of age or older.
*** — If this form is executed before 2 special voting deputies under s. 6.875 (6), Wis. Stats., both deputies shall witness and sign.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(3) (a) Except as authorized under par. (d) and as otherwise provided in s. 6.875, the municipal clerk shall mail the absentee ballot to the elector’s residence unless otherwise directed by the elector, or shall deliver it to the elector personally at the clerk’s office or at an alternate site under s. 6.853. If the ballot is mailed, and the ballot qualifies for mailing free of postage under federal free postase laws, the clerk shall affix the appropriate legend required by U.S. postal regulations. Otherwise, the clerk shall pay the postage required for return when the ballot is mailed from within the United States. If the ballot is not mailed by the absentee elector from within the United States, the absentee elector shall provide return postage. If the ballot is delivered to the elector at the clerk’s office, or an alternate site under s. 6.855, the ballot shall be voted at the office or alternate site and may not be removed by the elector forthwith.

(b) No elector may direct that a ballot be sent to the address of a committee registered with the ethics commission under ch. 11 unless the elector permanently or temporarily resides at that address. Upon receipt of reliable information that an address given by an elector is not eligible to receive ballots under this subsection, the municipal clerk shall refrain from mailing or transmitting ballots to that address. Whenever possible, the municipal clerk shall notify an elector if his or her ballot cannot be mailed or transmitted to the address directed by the elector.

(d) A municipal clerk shall, if the clerk is reliably informed by a military elector, as defined in s. 6.34 (1), or an overseas elector, regardless of whether the elector qualifies as a resident of this state under s. 6.10, or a facsimile transmission or electronic mail address where the elector can receive an absentee ballot, transmit a facsimile or electronic copy of the elector’s ballot to that elector in lieu of mailing under this subsection. An elector may receive an absentee ballot only if the elector is a military elector or an overseas elector and has filed a valid application for the ballot as provided in s. 6.86 (1). If the clerk transmits an absentee ballot to a military or overseas elector electronically, the clerk shall also transmit a facsimile or electronic copy of the text of the material that appears on the certificate envelope prescribed in sub. (2), together with instructions prescribed by the commission. The instructions shall require the military or overseas elector to make and subscribe to the certification as required under sub. (4) (b) and to enclose the absentee ballot in a separate envelope contained within a larger envelope, that shall include the completed certificate. The elector shall then affix sufficient postage unless the absentee ballot qualifies for mailing free of postage under federal free postage laws and shall mail the absentee ballot to the municipal clerk. Except as authorized in s. 6.97 (2), an absentee ballot received from a military or overseas elector who receives the ballot electronically shall not be counted unless it is cast in the manner prescribed in this paragraph and sub. (4) and in accordance with the instructions provided by the commission.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the prohibition on distributing absentee ballots by fax or email is unconstitutional.”

(b) 1. Except as otherwise provided in s. 6.875, an elector voting absentee, other than a military elector or an overseas elector, shall make and subscribe to the certification before one witness who is an adult U.S. citizen. A military elector or an overseas elector voting absentee, regardless of whether the elector qualifies as a resident of this state under s. 6.10, shall make and subscribe to the certification before one witness who is an adult but who need not be a U.S. citizen. The absent elector, in the presence of the witness, shall mark the ballot in a manner that will not disclose how the elector’s vote is cast. The elector shall then, still in the presence of the witness, fold the ballots so each is separate and so that the elector conceals the markings thereon and deposit them in the proper envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. If proof of residence under s. 6.34 is required and the document enclosed by the elector under this subdivision does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. Except as provided in s. 6.34 (2m), proof of residence is required if the elector is not a military elector or an overseas elector and the elector registered by mail or by electronic application and has not voted in an election in this state. If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location outside the United States, the elector shall affix sufficient postage unless the ballot qualifies for delivery free of postage under federal law. Failure to return an unused ballot in a primary does not invalidate the ballot on which the elector’s votes are cast. Return of more than one marked ballot in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an electronic voting system in a primary which is marked for candidates of more than one party invalidates all votes cast by the elector for candidates in the primary.

2. Unless subd. 3 applies, if the absentee elector has applied for and qualified to receive absentee ballots automatically under s. 6.86 (2) (a), the elector may, in lieu of providing proof of identification, submit with his or her absentee ballot a statement signed by the same individual who witnesses voting of the ballot which contains the name and address of the elector and verifies that the name and address are correct.

3. If the absentee elector has received an absentee ballot from the municipal clerk by mail for a previous election, has provided proof of identification with that ballot, and has not changed his or her name or address since providing that proof of identification, the elector is not required to provide proof of identification.

4. If the absentee elector has received a citation or notice of intent to revoke or suspend an operator’s license from a law enforcement officer in any jurisdiction that is dated within 60 days of the date of the election and is required to surrender his or her operator’s license or driving receipt issued to the elector under ch. 343 at the time the citation or notice is issued, the elector may enclose a copy of the citation or notice in lieu of a copy of an operator’s license or driving receipt issued under ch. 343 if the elector is voting by mail, or may present an original copy of the citation or notice in lieu of an operator’s license or driving receipt under ch. 343 if the elector is voting at the office of the municipal clerk.

5. Unless subd. 3 or 4 applies, if the absentee elector resides in a qualified retirement home, as defined in s. 6.875 (1) (at), or a residential care facility, as defined in s. 6.875 (1) (bm), and the
municipal clerk or board of election commissioners of the municipality where the facility or home is located does not send special voting deputes to visit the facility or home at the election under s. 6.875, the elector may, in lieu of providing proof of identification, submit with his or her absentee ballot a statement signed by the same individual who witnesses voting of the ballot that contains the certification of an authorized representative of the facility or home that the elector resides in the facility or home and the facility or home is certified or registered as required by law, that contains the name and address of the elector, and that verifies that the name and address are correct.

(5) If the absent elector declares that he or she is unable to read, has difficulty in reading, writing or understanding English or due to disability is unable to mark his or her ballot, the elector may select any individual, except the elector’s employer or an agent of that employer or an officer or agent of a labor organization which represents the elector, to assist in marking the ballot, and the assistant shall then sign his or her name to a certification on the back of the ballot, as provided under s. 5.55.

(6) The ballot shall be returned so it is delivered to the polling place no later than 8 p.m. on election day. Except in municipalities where absentee ballots are canvassed under s. 7.52, if the municipal clerk receives an absentee ballot on election day, the clerk shall secure the ballot and cause the ballot to be delivered to the polling place serving the elector’s residence before 8 p.m. Any ballot not mailed or delivered as provided in this subsection may not be counted.

(6d) If a certificate is missing the address of a witness, the ballot may not be counted.

(6m) Except as authorized in s. 6.47 (8), the municipal clerk shall withhold from public inspection under s. 19.35 (1) the name and address of any absent elector who obtains a confidential listing under s. 6.47 (2).

(7) No individual who is a candidate at the election in which absentee ballots are cast may serve as a witness. Any candidate who serves as a witness shall be penalized by the discounting of a number of votes for his or her candidacy equal to the number of certificate envelopes bearing his or her signature.

(8) The provisions of this section which prohibit candidates from serving as a witness for absentee electors shall not apply to the municipal clerk in the performance of the clerk’s official duties.

(9) If a municipal clerk receives an absentee ballot with an improperly completed certificate or with no certificate, the clerk may return the ballot to the elector, inside the sealed envelope when an envelope is received, together with a new envelope if necessary, whenever time permits the elector to correct the defect and return the ballot within the period authorized under sub. (6).

History:

The directions in sub. (3) for mailing or personal delivery of an absentee ballot and in sub. (6) that a ballot not mailed or delivered as provided in the section should not be counted, are directory and not mandatory. Lanser v. Koconis, 62 Wis. 2d 86, 214 N.W.2d 425.

Sub. (4) is directory and not mandatory, and voters printing their names constituted substantial, albeit nontechnical compliance with the statute’s requirements. Lanser v. Koconis, 62 Wis. 2d 86, 214 N.W.2d 425. A challenge of compliance with procedures for absent voting is within the board of canvassers’ jurisdiction. Absent conmance, fraud or undue influence, substantial compliance with statutory voting procedures is sufficient. Appeal From Recount in Election Contest, 105 Wis. 2d 468, 313 N.W.2d 869 (Ct. App. 1981).

2011 Wisconsin Act 23, which created requirements that voters present photo identification in order to vote at a polling place or obtain an absentee ballot, does not violate either section 2 of the federal Voting Rights Act, 52 U.S.C. § 10301, or the U.S. Constitution. Frank v. Walker, 768 F.3d 744 (2014).

(2) (a) Absentee voting in person inside residential care facilities and qualified retirement homes shall be conducted by municipalities only in the manner prescribed in this section. At any residential care facility or qualified retirement home where a municipality dispatches special voting deputies to conduct absentee voting in person under this section, the procedures prescribed in this section are the exclusive means of absentee voting in person inside that facility or home for electors who are occupants of the facility or home.

(c) The municipal clerk or board of election commissioners of any municipality where a retirement home is located may adopt the procedures under this section for absentee voting in any retirement home located in the municipality if the municipal clerk or board of election commissioners finds that a significant number of the occupants of the retirement home lack adequate transportation to the appropriate polling place, a significant number of the occupants of the retirement home may need assistance in voting, there are a significant number of the occupants of the retirement home aged 60 or over, or there are a significant number of indefinitely confined electors who are occupants of the retirement home.

(3) (a) An occupant of a qualified retirement home or residential care facility who qualifies as an absent elector and desires to receive an absentee ballot shall make application under s. 6.86 (1), (2), or (2m) with the municipal clerk or board of election commissioners of the municipality in which the elector is a resident. Except as provided in sub. (4) (ar), the clerk or board of election commissioners of a municipality receiving an application from an elector who is an occupant of a qualified retirement home or residential care facility located in a different municipality shall, as soon as possible, notify and send an absentee ballot to the elector in the municipality in which the elector is a resident. The clerk or board of election commissioners shall make record of all absentee ballots to be sent, delivered, and voted under this section.

(b) An occupant of a retirement home may vote in person at the polling place serving his or her residence or may apply for and cast an absentee ballot at the election in the same manner as provided for other electors of the municipality where he or she resides. home is located within a municipality on the same grounds as one or more residential care facilities to which the municipal clerk or board of election commissioners of the municipality dispatches special voting deputies to conduct voting at an election, the municipal clerk or board of election commissioners shall obtain from the management of the retirement home the names and addresses of the occupants of the home. The municipal clerk or board of election commissioners shall then provide the names and addresses to the special voting deputies to verify which residents are eligible to cast their ballots with the special voting deputies.

(4) (a) For the purpose of absentee voting in qualified retirement homes and residential care facilities, the municipal clerk or board of election commissioners of each municipality in which one or more qualified retirement homes or residential care facilities are located shall appoint at least 2 special voting deputies for the municipality. Except as provided in par. (am), upon application under s. 6.86 (1), (2), or (2m) by one or more qualified electors who are occupants of a home or facility, the municipal clerk or board of election commissioners of each municipality shall then provide the names and addresses of the occupants of the home or facility. The clerk or board of election commissioners shall maintain a list, available to the public upon request, of each home or facility where special voting deputies are dispatched. The list shall include the date and time the deputies intend to visit each home or facility. The 2 deputies designated to visit each qualified retirement home and residential care facility shall be affiliated with different political parties whenever deputies representing different parties are available.

(5) Prior to entering upon his or her duties, each individual who is employed or retained, or within the 2 years preceding appointment has been employed or retained, at a qualified retirement home or residential care facility in the municipality, or any member of the individual’s immediate family, as defined in s. 19.42 (7), may be appointed to serve as a deputy.

(6) (a) Special voting deputies in each municipality shall, not later than 5 p.m. on the 6th working day preceding an election, arrange one or more convenient times with the administrator of each qualified retirement home and residential care facility in the municipality that the deputies are scheduled to visit. The time may be no earlier than the 4th Monday preceding the election and no later than 5 p.m. on the Monday preceding the election. The municipal clerk or board of election commissioners shall give the absentee ballot to the special voting deputies who are occupants of a home or facility in the municipality does not maintain an Internet site need not comply with the Internet posting requirement. At the designated time, 2 deputies appointed under sub. (4) shall visit the home or facility.

(b) The municipal clerk or executive director of the board of election commissioners shall issue a supply of absentee ballots to the deputies sufficient to provide for the number of valid applications for an absentee ballot received by the clerk, and a reasonable additional number of ballots. The deputies may exercise the authority granted to the chief inspector under s. 7.41 to regulate the conduct of observers. For purposes of the application of s. 7.41, the home or facility shall be treated as a polling place. The municipal clerk or executive director shall keep a careful record of all ballots issued to the deputies and shall require the deputies to return every ballot issued to them.

(c) 1. Upon their visit to the home or facility under par. (a), the deputies shall personally offer each elector who has filed a proper application for an absentee ballot the opportunity to cast his or her absentee ballot. In lieu of providing a copy of proof of identification under s. 6.87 (4) (b) 1. with his or her absentee ballot, the elector may submit with his or her ballot a statement signed by both deputies that contains the name and address of the elector and verifies that the name and address are correct. The deputies shall enclose the statement in the certificate envelope. If an elector presents proof of identification under s. 6.87 (4) (b) 1., the deputies shall make a copy of the document presented by the elector and shall enclose the copy in the certificate envelope. If an elector is present who has not filed a proper application for an absentee ballot, the 2 deputies may accept an application from the elector and shall issue a ballot to the elector if the elector is qualified, the elector presents proof of identification, whenever required, or submits a statement containing his or her name and address under this subdivision, and the application is proper. The deputies shall each witness the certification and may, upon request of the elector, assist the elector in marking the elector’s ballot. The deputies shall not accept an absentee ballot submitted by an elector whose ballot was not issued to the elector by the deputies. All voting shall be conducted in the presence of the deputies. Upon request of the elector, a relative of the elector who is present in the room may assist the elector in marking the elector’s ballot. No individual other than a deputy may witness the certification and no indi-
vidual other than a deputy or relative of an elector may render vot-
ing assistance to the elector.

2. Upon the request of a relative of an occupant of a qualified retirement home or residential care facility, the administrator of the home or facility may notify the relative of the time or times at which special voting deputies will conduct absentee voting at the home or facility and permit the relative to be present in the room where the voting is conducted.

(d) Upon completion of the voting on each day at each residential care facility or qualified retirement home, the deputies shall seal the absentee ballot envelopes and any absentee ballot applications inside a carrier envelope and shall seal the carrier envelope and sign their names to the seal. The deputies shall place the envelope inside a ballot bag or container that is provided by the clerk, or at an alternate site under s. 6.89, before enclosing the ballot in the carrier envelope. The envelope shall be securely sealed and endorsed with the name of the elector or the identification serial number of the elector before enclosing it in the outside of the carrier envelope as provided under sub. (1) and deliver it in person to the proper election officials.

(3) (a) Except in municipalities where absentee ballots are canvassed under s. 7.52, at any time between the opening and closing of the polls on election day, the inspectors shall, in the same room where votes are being cast, in such a manner that members of the public can hear and see the procedures, open the carrier envelope only, and announce the name of the absent elector or the identification serial number of the absent elector if the elector has a confidential listing under s. 6.47 (2). When the inspectors find that the certification has been properly executed, the applicant is a qualified elector of the ward or election district, and the applicant has not voted in the election, they shall enter an indication on the poll list next to the applicant’s name indicating an absentee ballot is cast by the elector. They shall then open the envelope containing the ballot in a manner so as not to deface or destroy the certification thereon. The inspectors shall take out the ballot without unfolding it or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95, the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If the poll list indicates that proof of residence is enclosed, the inspectors shall enter both the type of identifying document submitted by the absent elector and the name of the entity or institution that issued the identifying document on the poll list in the space provided. If the poll list indicates that proof of residence under s. 6.34 is required and no proof of residence is enclosed or the name or address on the document that is provided is not the same as the name and address shown on the poll list, the inspectors shall proceed as provided under s. 6.97 (2). The inspectors shall then deposit the ballot into the proper ballot box and enter the absent elector’s name or voting number after his or her name on the poll list in the same manner as if the elector were a resident of this state under s. 6.75 (2) (d).

(b) When the inspectors find that a certification is insufficient, that the applicant is not a qualified elector in the ward or election district, that the ballet envelope is open or has been opened and resealed, that the ballot envelope contains more than one ballot of any one kind or, except in municipalities where absentee ballots are canvassed under s. 7.52, that the certificate of a military or overseas elector who received an absentee ballot by facsimile transmission or electronic mail is missing, or if proof is submitted to the inspectors that an elector voting an absentee ballot has since died, the inspectors shall not count the ballot. The inspectors shall endorse every ballot not counted on the back, “rejected (giving the reason)”. The inspectors shall reinsert each rejected ballot into the certificate envelope in which it was delivered and endorse the certificate envelopes and ballots, and securely seal the ballots and envelopes in an envelope marked for rejected absentee ballots. The inspectors shall endorse the envelope, “rejected ballots” with a statement of the ward or election district and date of the election, signed by the chief inspector and one of the inspectors representing each of the 2 major political parties and returned to the municipal clerk in the same manner as official ballots voted at the election.

(c) The inspectors shall review each certificate envelope to determine whether any absentee ballot is cast by an elector whose name appears on the poll list as ineligible to vote at the election by reason of a felony conviction. If the inspectors receive an absentee ballot that has been cast by an elector whose name appears on the poll list as ineligible for that reason, the inspectors shall challenge the ballot as provided in s. 6.92 and treat the ballot in the manner provided in s. 6.95.

History:

6.88 Voting and recording the absentee ballot.

(1) When an absentee ballot arrives at the office of the municipal clerk, or at an alternate site under s. 6.855, if applicable, the clerk shall enclose it, unopened, in a carrier envelope which shall be securely sealed and endorsed with the name and official title of the clerk, and the words “This envelope contains the ballot of an absent elector and must be opened in the same room where votes are being cast at the polls during polling hours on election day or, in municipalities where absentee ballots are canvassed under s. 7.52, stats., at a meeting of the municipal board of absentee ballot canvassers under s. 7.52, stats.” If the elector is a military elector, as defined in s. 6.34 (1), or an overseas elector, regardless of whether the elector qualifies as a resident of this state under s. 6.10, and the ballot was received by the elector by facsimile transmission or electronic mail and is accompanied by a separate certificate, the clerk shall enclose the ballot in a certificate envelope and securely append the completed certificate to the outside of the envelope before enclosing the ballot in the carrier envelope. The clerk shall keep the ballot in the clerk’s office or at the alternate site, if applicable until delivered, as required in sub. (2).

(2) When an absentee ballot is received by the municipal clerk prior to the delivery of the official ballots to the election officials of the ward in which the elector resides or, where absentee ballots are canvassed under s. 7.52, to the municipal board of absentee ballot canvassers, the municipal clerk shall seal the ballot envelope in the carrier envelope as provided under sub. (1), and shall enclose the envelope in a package and deliver the package to the election inspectors of the proper ward or election district or, in municipalities where absentee ballots are canvassed under s. 7.52, to the municipal board of absentee ballot canvassers when it convenes under s. 7.52 (1). When the official ballots for the ward or election district have been delivered to the election inspectors before the receipt of an absentee ballot, the clerk shall immediately enclose the envelope containing the absentee ballot in a carrier envelope as provided under sub. (1) and deliver it in person to the proper election officials.

(3) (a) Except in municipalities where absentee ballots are canvassed under s. 7.52, at any time between the opening and closing of the polls on election day, the inspectors shall, in the same room where votes are being cast, in such a manner that members of the public can hear and see the procedures, open the carrier envelope only, and announce the name of the absent elector or the identification serial number of the absent elector if the elector has a confidential listing under s. 6.47 (2). When the inspectors find that the certification has been properly executed, the applicant is a qualified elector of the ward or election district, and the applicant has not voted in the election, they shall enter an indication on the poll list next to the applicant’s name indicating an absentee ballot is cast by the elector. They shall then open the envelope containing the ballot in a manner so as not to deface or destroy the certification thereon. The inspectors shall take out the ballot without unfolding it or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95, the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If the poll list indicates that proof of residence is enclosed, the inspectors shall enter both the type of identifying document submitted by the absent elector and the name of the entity or institution that issued the identifying document on the poll list in the space provided. If the poll list indicates that proof of residence under s. 6.34 is required and no proof of residence is enclosed or the name or address on the document that is provided is not the same as the name and address shown on the poll list, the inspectors shall proceed as provided under s. 6.97 (2). The inspectors shall then deposit the ballot into the proper ballot box and enter the absent elector’s name or voting number after his or her name on the poll list in the same manner as if the elector were a resident of this state under s. 6.75 (2) (d).

(b) When the inspectors find that a certification is insufficient, that the applicant is not a qualified elector in the ward or election district, that the ballet envelope is open or has been opened and resealed, that the ballot envelope contains more than one ballot of any one kind or, except in municipalities where absentee ballots are canvassed under s. 7.52, that the certificate of a military or overseas elector who received an absentee ballot by facsimile transmission or electronic mail is missing, or if proof is submitted to the inspectors that an elector voting an absentee ballot has since died, the inspectors shall not count the ballot. The inspectors shall endorse every ballot not counted on the back, “rejected (giving the reason)”. The inspectors shall reinsert each rejected ballot into the certificate envelope in which it was delivered and endorse the certificate envelopes and ballots, and securely seal the ballots and envelopes in an envelope marked for rejected absentee ballots. The inspectors shall endorse the envelope, “rejected ballots” with a statement of the ward or election district and date of the election, signed by the chief inspector and one of the inspectors representing each of the 2 major political parties and returned to the municipal clerk in the same manner as official ballots voted at the election.

(c) The inspectors shall review each certificate envelope to determine whether any absentee ballot is cast by an elector whose name appears on the poll list as ineligible to vote at the election by reason of a felony conviction. If the inspectors receive an absentee ballot that has been cast by an elector whose name appears on the poll list as ineligible for that reason, the inspectors shall challenge the ballot as provided in s. 6.92 and treat the ballot in the manner provided in s. 6.95.
6.92 Inspector making challenge. (1) Except as provided in sub. (2), each inspector shall challenge for cause any person offering to vote whom the inspector knows or suspects is not a qualified elector or who does not adhere to any voting requirement under this chapter. If a person is challenged as unqualified by an inspector, one of the inspectors shall administer the following oath or affirmation to the person: “You do solemnly swear (or affirm) that you will fully and truly answer all questions put to you regarding your place of residence and qualifications as an elector of this election” and shall then ask questions which are appropriate as determined by the commission, by rule, to test the person’s qualifications. (2) An inspector appointed under s. 7.30 (2) (am) may not challenge any person offering to vote.

6.925 Elector making challenge in person. Any elector may challenge for cause any person offering to vote whom the elector knows or suspects is not a qualified elector. If a person is challenged as unqualified by an elector, one of the inspectors shall administer the oath or affirmation to the challenged elector under s. 6.92 and ask the challenged elector the questions under that section which are appropriate to test the elector’s qualifications. In addition, one of the inspectors shall administer the following oath or affirmation to the challenging elector: “You do solemnly swear (or affirm) that you will fully and truly answer all questions put to you regarding the challenged elector’s place of residence and qualifications as an elector of this election”; and shall then ask questions which are appropriate as determined by the commission, by rule, to test the qualifications of the challenged elector.

6.93 Challenging the absent elector. The vote of any absent elector may be challenged for cause and the inspectors of election shall have all the power and authority given them to hear and determine the legality of the ballot the same as if the ballot had been voted in person. In municipalities where absentee ballots are canvassed under s. 7.52, the vote of an absentee elector may be challenged as provided in s. 7.52 (5).

6.935 Challenge based on incompetency. Section 6.03 (3) applies to any challenge of a person’s right to vote under s. 6.92, 6.925, 6.93 or 7.52 (5) based on an allegation that an elector is incapable of understanding the objective of the elective process and thereby ineligible to vote.

6.94 Challenged elector oath. If the person challenged refuses to answer fully any relevant questions put to him or her by the inspector under s. 6.92, the inspectors shall reject the elector’s vote. If the challenge is not withdrawn after the person offering to vote has answered the questions, one of the inspectors shall administer to the person the following oath or affirmation: “You do solemnly swear (or affirm) that: you are 18 years of age; you are a citizen of the United States; you are now and for 28 consecutive days have been a resident of this ward except under s. 6.02 (2); you have not voted at this election; you have not made any bet or wager or become directly or indirectly interested in any bet or wager depending upon the result of this election; you are not on any other ground disqualified to vote at this election”. If the person challenged refuses to take the oath or affirmation, the person’s vote shall be rejected. If the person challenged answers fully all relevant questions put to the elector by the inspector under s. 6.92, takes the oath or affirmation, and fulfills the applicable registration requirements, and if the answers to the questions given by the person indicate that the person meets the voting qualification requirements, the person’s vote shall be received.

6.945 Voting procedure for electors voting pursuant to federal court order. Whenever any elector is allowed to vote at a polling place pursuant to a federal court order after the closing time provided under s. 6.78, the inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the challenged person corresponding to the number kept at the election on the poll list, or other list maintained under this chapter, or the notation “s. 6.95”. If voting machines are used in the municipality where the person is voting, the person’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the corresponding serial number from the poll list or other list maintained under s. 6.79 and the notation “s. 6.95”. Written on the back of the ballot in the federal court order shall be the notation “s. 6.95”. If the returns are reported under s. 7.60, a challenge may be reviewed by the county board of canvassers. If the returns are reported under s. 7.70, a challenge may be reviewed by the chairperson of the commission or the chairperson’s designee. The decision of any board of canvassers or of the chairperson or chairperson’s designee may be appealed under s. 9.01. The standard for disqualification specified in s. 6.325 shall be used to determine the validity of challenged ballots.

6.95 Voting procedure for challenged electors. Whenever the inspectors under ss. 6.92 to 6.94 receive the vote of a person offering to vote who has been challenged, the inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the challenged person corresponding to the number kept at the election on the poll list, or other list maintained under this chapter, or the notation “s. 6.95”. If voting machines are used in the municipality where the person is voting, the person’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the corresponding serial number from the poll list or other list maintained under s. 6.79 and the notation “s. 6.95”.

6.96 Voting procedure for electors voting pursuant to federal court order. Whenever any elector is allowed to vote at a polling place pursuant to a federal court order after the closing time provided under s. 6.78, the inspectors shall, before giving the elector a ballot, write on the back of the ballot the notation “s. 6.96”. If voting machines are used in the municipality where the person is voting, the elector’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the notation “s. 6.96”.

6.965 Voting procedure for electors presenting citation or notice in lieu of license or receipt. Whenever any elector is allowed to vote at a polling place under s. 6.79 (7) by presenting a citation or notice of intent to revoke or suspend an operator’s license in lieu of an operator’s license or driving receipt...
issued to the elector under ch. 343, the inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the elector corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.965.” If voting machines are used in the municipality where the elector is voting, the elector’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the notation “s. 6.965” written on the back of the ballot by the inspectors before the ballot is given to the elector. If the municipal clerk receives an absentee ballot from an elector who presents a citation or notice, or copy thereof, under s. 6.87 (4) (b) 4., the clerk shall enter a notation on the certificate envelope “Ballot under s. 6.965, stats.” Upon receiving the envelope, the inspectors shall open and write on the back of the ballot the serial number of the elector corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.965.” The inspectors shall indicate on the poll list or other list maintained under s. 6.79 the fact that the elector is voting by using a citation or notice in lieu of a license or driving receipt. The inspectors shall then deposit the ballot. The ballot shall then be counted under s. 5.85, or under s. 7.51 or 7.52.

6.97 Voting procedure for individuals not providing required proof of identification or residence. (1) Whenever any individual who is required to provide proof of residence under s. 6.34 in order to be permitted to vote appears at a polling place and cannot provide the required proof of residence, the inspectors shall offer the opportunity for the individual to vote under this section. Whenever any individual, other than a military elector, as defined in s. 6.34 (1), an overseas elector, or an elector who has a confidential listing under s. 6.47 (2), appears at a polling place and does not present proof of identification under s. 6.79 (2), whenever required, the inspectors or the municipal clerk shall similarly offer the opportunity for the individual to vote under this section. If the individual wishes to vote, the inspectors shall provide the elector with an envelope marked “Ballot under s. 6.97, stats.” on which the serial number of the elector is entered and shall require the individual to execute on the envelope a written affirmation stating that the individual is a qualified elector of the ward or election district where he or she offers to vote and is eligible to vote in the election. The inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the individual corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.97”. If voting machines are used in the municipality where the individual is voting, the individual’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the corresponding number from the poll list or other list maintained under s. 6.79 and the notation “s. 6.97” written on the back of the ballot by the inspectors before the ballot is given to the elector. When receiving the individual’s ballot, the inspectors shall provide the individual with written voting information prescribed by the commission under s. 7.08 (8). The inspectors shall indicate on the list the fact that the individual is required to provide proof of residence or proof of identification under s. 6.79 (2) but did not do so. The inspectors shall notify the individual that he or she may provide proof of residence or proof of identification to the municipal clerk or executive director of the municipal board of election commissioners. The inspectors shall also notify the individual that the municipal clerk or executive director of the municipal board of election commissioners will determine whether each individual voting under this section is qualified to vote in the ward or election district where the individual’s ballot is cast. If the elector is required to provide proof of identification under s. 6.79 (2) or 6.86 (1) (ar) and fails to do so, the elector bears the burden of correcting the omission by providing the proof of identification at the polling place before the closing hour or at the office of the municipal clerk or board of election commissioners no later than 4 p.m. on the Friday after the election. The municipal clerk or executive director shall make a record of the procedure used to determine the validity of each ballot cast under this section. If, prior to 4 p.m. on the Friday after the election, the municipal clerk or executive director determines that the individual is qualified to vote in the ward or election district where the individual’s ballot is cast, the municipal clerk or executive director shall notify the board of canvassers for each municipality, special purpose district and county that is responsible for canvassing the election of the number of ballots cast under this section in each ward or election district. The municipal clerk or executive director shall verify whether each individual voting under this section is qualified to vote in the ward or election district where the individual’s ballot is cast. If the elector is required to provide proof of identification under s. 6.79 (2) or 6.86 (1) (ar) and fails to do so, the elector bears the burden of correcting the omission by providing the proof of identification at the polling place before the closing hour or at the office of the municipal clerk or board of election commissioners no later than 4 p.m. on the Friday after the election. The municipal clerk or executive director shall make a record of the procedure used to determine the validity of each ballot cast under this section. If, prior to 4 p.m. on the Friday after the election, the municipal clerk or executive director determines that the individual is qualified to vote in the ward or election district where the individual’s ballot is cast, the municipal clerk or executive director shall notify the board of canvassers for each municipality, special purpose district and county that is responsible for canvassing the election of the fact.

(c) A ballot cast under this section by an elector for whom proof of identification is required under s. 6.79 (2) or 6.86 (1) (ar) shall not be counted unless the municipal clerk or executive director of the board of election commissioners provides timely notification that the elector has provided proof of identification under this section.

(4) Whenever a board of canvassers receives timely notification from the municipal clerk or executive director of the board of election commissioners under sub. (3) that an individual who has voted under this section is qualified to vote in the ward or election district where the individual’s ballot is cast, the board of canvassers shall meet no later than 9 a.m. on the Monday following the election. The board of canvassers shall proceed to record the name of the individual who has cast the ballot and, if the ballot cast by the individual is otherwise valid, shall count the ballot and adjust the statements, certifications, and determinations accordingly. If the municipal clerk or executive director transmits returns of the election to the county clerk or board of election commissioners, the municipal clerk or executive director shall transmit to the county clerk or board of election commissioners a copy
