CHAPTER 6
THE ELECTORS

6.02 Qualifications, general. (1) Every U.S. citizen age 18 or older who has resided in an election district or ward for 28 consecutive days before any election where the citizen offers to vote is an eligible elector.

(2) Any U.S. citizen age 18 or older who moves within this state later than 28 days before an election shall vote at his or her previous ward or election district if the person is otherwise qualified. If the elector can comply with the 28−day residence requirement at the new address and is otherwise qualified, he or she may vote in the new ward or election district.

History: 1971 c. 304 s. 29 (2); 1971 c. 336 s. 37; 1975 c. 85 ss. 5, 66 (3); 1977 c. 394; 1991 a. 316; 2011 a. 25.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

6.05 Election day age determines elector’s rights. Any person who will be 18 years old on or before election day is entitled to vote if the person complies with this chapter. History: 1971 c. 336 s. 37; 1981 c. 390 s. 252; 1991 a. 316.

6.06 Information for uniformed service members. The commission is the agency designated by this state under 42 USC 9995 to provide information regarding voter registration and absentee balloting procedures to absent members of the uniformed services and overseas voters with respect to elections for national office. History: 2003 a. 265; 2015 a. 118 s. 266 (10).

6.10 Elector residence. Residence as a qualification for voting shall be governed by the following standards:

(1) The residence of a person is the place where the person’s habitation is fixed, without any present intent to move, and to which, when absent, the person intends to return.

(2) When a married person’s family resides at one place and that person’s business is conducted at another place, the former place establishes the residence. If the family place is temporary or for transient purposes, it is not the residence.

(3) When an elector moves his or her residence from one ward or municipality to another ward or municipality within the state at least 28 days before the election, the elector may vote in and be considered a resident of the new ward or municipality where residing upon registering at the proper polling place or other registration location in the new ward or municipality under s. 6.55 (2) or 6.86 (3) (a) 2. If the elector moves his or her residence later than 28 days before an election, the elector shall vote in the elector’s former ward or municipality if otherwise qualified to vote there.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(4) The residence of an unmarried person sleeping in one ward and boarding in another is the place where the person sleeps. The residence of an unmarried person in a transient vocation, a teacher or a student who boards at different places for part of the week, month, or year, if one of the places is the residence of the person’s parents, is the place of the parents’ residence unless through registration or similar act the person elects to establish a residence elsewhere. If the person has no parents and if the person has not registered elsewhere, the person’s residence shall be at the place that the person considered his or her residence in preference to any other for at least 28 consecutive days before an election. If this place is the person’s municipality, the person is entitled to all the privileges and subject to all the duties of other citizens having their residence there, including voting.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(5) A person shall not lose residence when the person leaves home and goes into another state or county, town, village or ward of this state for temporary purposes with an intent to return.

(6) As prescribed by article III of the constitution, no person loses residence in this state while absent from this state on business for the United States or this state; and no member of the armed forces of the United States loses a residence in this state because of being stationed within this state.

(7) A guest at a national or a state soldiers’ home in this state, a guest at a home for the aged supported by benevolence, or a patient of any county home or other charitable institution, resides in the municipality where the home is located and within the ward where the guest or patient sleeps, unless before becoming a guest or patient at the home the guest or patient elects to maintain his or her prior residence as his or her voting residence.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(7m) (a) The residence of a person who is detained, or committed and institutionalized, under s. 51.20, 971.14, or 971.17 or ch. 980 shall be determined by applying the standards under sub. (1) to whichever of the following dates is applicable to the circumstances of the person:

1. For a person detained or committed under s. 51.20, the date that the person was detained under s. 51.20 (2) or, if the person was not detained under s. 51.20 (2), the date that the person was committed under s. 51.20 (13).

2. For a person committed under s. 971.14 or 971.17, the date of the offense or alleged offense that resulted in the person’s commitment.

3. For a person detained or committed under ch. 980, the date that the person committed the sexual violence offense that resulted in the sentence, placement, or commitment that was in effect when the state filed a petition under s. 980.02 against the person.

(b) That the person’s habitation was fixed at the place established under par. (a) before he or she was detained or committed shall be considered prima facie evidence that the person intends to return to that place. The prima facie evidence of intent to return to the place determined under par. (a) may be rebutted by presenting information that indicates that the person is not likely to return to that place if the person’s detention or commitment is terminated.

(8) No person gains a residence in any ward or election district of this state while there for temporary purposes only.

(9) No person loses the right to vote at the person’s place of residence while receiving public assistance or unemployment insurance even if the legal settlement for assistance is elsewhere.

(10) If a person moves to another state with an intent to make a permanent residence there, or, if while there the person exercises the right to vote as a citizen of that state by voting, the person loses Wisconsin residence.

(11) Neither an intent to acquire a new residence without removal, nor a removal without intent, shall affect residence.

(12) Student status shall not be a consideration in determining residence for the purpose of establishing voter eligibility.

(13) A military elector under s. 6.22 (1) (b) who is the spouse or dependent of another military elector may elect to take as his or her residence either the individual’s most recent residence in this state or the residence of the individual’s spouse or the individual providing his or her support.

6.15 New residents; presidential voting. (1) QUALIFICATIONS. Any person who was or who is an eligible elector under ss. 6.02 and 6.03, except that he or she has been a resident of this state for less than 28 consecutive days prior to the date of the presidential election, is entitled to vote for the president and vice president but for no other offices. The fact that the person was not registered to vote in the state from which he or she moved does not prevent voting in this state if the elector is otherwise qualified.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 198 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(2) PROCEDURE AT CLERK’S OFFICE. Any person qualifying under sub. (1) need not register to vote, but shall apply for and cast his or her ballot as follows:

(a) The elector’s request for the application form may be made in person to the municipal clerk of the municipality where the person resides. Application may be made not sooner than 27 days nor later than 5 p.m. on the day before the election, or may be made at the proper polling place in the ward or election district in which the elector resides. If an elector makes application before election day, the application form shall be returned to the municipal clerk.

(b) The clerk shall provide with the application form a card which the elector shall fill in and return with the application to the municipal clerk. The clerk shall verify that the name on the proof of identification presented by the elector conforms to the name on the elector’s application, shall verify that any photograph appearing on that document reasonably resembles the elector, and shall enter the type of identifying document submitted by the elector as proof of residence, the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, the last 4 digits of that number on the application form. If the number on the identifying document submitted by the elector has 6 or fewer digits, the clerk shall enter only the last 2 digits of that number.

The elector shall then mark the ballot in the clerk’s presence in a manner that will not disclose his or her vote. The clerk or elector shall then place the ballot in an envelope furnished by the clerk.

2. The clerk shall enclose the envelope containing the ballot in a carrier envelope, securely seal it, and endorse it with his or her name, title and the words, “This envelope contains the vote for president and vice president of a new resident and shall be opened only at the polls during polling hours on election day”. The clerk shall keep the envelope in his or her office until the clerk delivers it to the inspectors, as provided in sub. (4).

3. The clerk shall keep open to public inspection a list of all new residents who have voted under this section. The list shall give the name, address and application date of each elector.

(3) PROCEDURE AT POLLING PLACE. An eligible elector may appear at the polling place for the ward or election district where he or she resides and make application for a ballot under sub. (2). The inspectors or, as otherwise provided in this subsection, an elector who casts a ballot under this subsection shall follow the same procedure required for casting a ballot at the municipal clerk’s office under sub. (2). The inspectors shall perform the duties of the municipal clerk, except that the inspectors shall return the cancellation card under sub. (2) (b) to the municipal clerk and the clerk shall forward the card as provided in sub. (2) (c) if required. Upon proper completion of the application and cancellation card and verification of the proof of identification and proof of residence, whenever required, as provided in sub. (2) (bm), the inspectors shall permit the elector to cast his or her ballot for president and vice president. The elector shall mark the ballot and, unless the ballot is utilized with an electronic voting system, the elector shall fold the ballot, and deposit the ballot into the ballot box or give it to the inspector. The inspector shall deposit it directly into the ballot box. Voting machines or ballots utilized with electronic voting systems may only be used by electors voting under this section if they permit voting for president and vice president only.

(4) DELIVERY AND DEPOSIT OF BALLOTS. (a) Clerks holding new resident ballots shall deliver them to the election inspectors in the proper ward or election district where the new residents reside or, in municipalities where absentee ballots are canvassed under s. 7.52, to the municipal board of absentee ballot canvassers when it convenes under s. 7.52 (1), as provided by s. 6.88 for absentee ballots.

(b) During polling hours, the inspectors shall open each carrier envelope, announce the elector’s name, check the affidavit for proper execution, and check the voting qualifications for the ward, if any. 6.18 Former residents. If ineligible to qualify as an elector in the state to which the elector has moved, any former qualified Wisconsin elector may vote an absentee ballot in the ward of the elector’s prior residence in any presidential election occurring within 24 months after leaving Wisconsin by requesting an application form and returning it, properly executed, to the municipal clerk of the elector’s prior Wisconsin residence. When requesting an application form for an absentee ballot, the applicant shall specify the applicant’s eligibility for only the presidential ballot. Unless the applicant is exempted from providing proof of identification under s. 6.87 (4) (b) 2. or 3. or the applicant is a military or overseas elector, the elector shall enclose a copy of his or her proof of identification or any authorized substitute document with his or her application. The municipal clerk shall verify that the name on the proof of identification conforms to the name on the application. The clerk shall not issue a ballot to an elector who is not a resident of the State, formerly residing at the place of his or her residence prior to becoming a military elector, except that:

The casting of the ballot of a deceased elector does not invalidate the election.

(b) A military elector shall make and subscribe to the certification under s. 6.87 (2) before a witness who is an adult.

(c) A federal postcard registration and absentee ballot request form may be used to apply for an absentee ballot under this section if the form is completed in such a manner that the municipal clerk or board of election commissioners with whom it is filed is able to determine all of the following:

1. That the applicant is qualified to vote in the ward or election district where he or she seeks to vote under par. (a).

2. That the applicant qualifies to receive an absentee ballot under this section.

(d) If an applicant uses a federal form under par. (c) to request an absentee ballot for all elections, the application shall so state.

(e) A military elector may file an application for an absentee ballot by means of electronic mail or facsimile transmission in the manner prescribed in s. 6.86 (1) (ac). Upon receipt of a valid application, the municipal clerk shall send the elector an absentee ballot or, if the elector is a military elector, as defined in s. 6.34 (1), and the elector so requests, shall transmit an absentee ballot to the elector by means of electronic mail or facsimile transmission in the manner prescribed in s. 6.87 (3) (d).

(3) REGISTRATION EXEMPT. Military electors are not required to register as a prerequisite to voting in any election.

4. INSTRUCTIONS AND HANDLING. (a) Upon receiving a timely request for an absentee ballot under par. (b) by an individual who qualifies as a military elector, the municipal clerk shall send or, if the individual is a military elector as defined in s. 6.34 (1), shall transmit to the elector upon the elector’s request an absentee ballot for all elections that occur in the municipality or portion thereof where the elector resides in the same calendar year in which the request is received, unless the individual otherwise requests.

The municipal clerk shall send or transmit a ballot, as soon as available, to each military elector who files a timely request for a ballot.

(c) A military elector may indicate an alternate address on his or her absentee ballot application. (d) The commission shall prescribe the instructions for marking and returning ballots and the municipal clerk shall enclose instructions with each ballot and shall also enclose supplemental instructions for local elections. (e) Whenever the material is mailed, the material shall be prepared and mailed to make use of the federal free postage laws. If the material does not qualify for mailing without postage under federal free postage laws, the municipal clerk shall pay the postage required for mailing to the military elector. If the return envelope qualifies for mailing free of postage under federal free postage laws, the clerk shall affix the appropriate legend required by U.S. postal regulations. Otherwise the municipal clerk shall pay the postage required for return when the ballot is mailed from within the United States. If the ballot is not mailed by the military elector from within the United States the military elector shall provide return postage.

(f) If the municipal clerk is reliably informed that an individual who requests an absentee ballot under this section is no longer a military elector or no longer resides in the municipality, or if the elector so requests, the clerk shall discontinue sending or transmitting absentee ballots to the elector under this subsection. If a military elector who has requested an absentee ballot changes his or her residence from the municipality where a request is filed to another municipality in this state, the municipal clerk of the municipality who received the request shall notify the clerk of the municipality to which the elector’s residence is changed of the date of the request. The list shall contain the name, latest-known military residence and military mailing address of each military elector. 7. EXTENSION OF PRIVILEGE. This section applies to all military electors for 28 days after the date of discharge from a uniformed service or termination of services or employment of individuals specified in sub. (1) (b) 1. to 4.

6.24 Federal overseas voting. (1) DEFINITION. In this section, except as otherwise provided, “overseas elector” means a U.S. citizen who is not disqualified from voting under s. 6.03, who has attained or will attain the age of 18 by the date of an election at which the citizen proposes to vote and who does not qualify as a resident of this state under s. 6.10, but who was last domiciled in this state or whose parent was last domiciled in this state immediately prior to the parent’s departure from the United States, and who is not registered to vote or voting in any other state, territory or possession.

(2) ELIGIBILITY. An overseas elector may vote in any election for national office, including the partisan primary and presidential preference primary and any special primary or election. 1. That the applicant is an overseas elector under sub. (1).
2. That the applicant qualifies to vote in the ward or election
district where he or she seeks to vote under sub. (2).

(c) Upon receipt of a timely application from an individual
who qualifies as an overseas elector and who has registered to vote
in a municipality under sub. (3), the municipal clerk of the munici-
paty shall send, or if the individual is an overseas elector, shall
transmit, an absentee ballot to the individual upon the individual's
request for all subsequent elections for national office to be held
during the year in which the ballot is requested, except as other-
wise provided in this paragraph, unless the individual otherwise
requests or until the individual no longer qualifies as an overseas
elector of the municipality. The clerk shall not send an absentee
ballot for an election if the overseas elector’s name appeared on
the registration list in eligible status for a previous election follow-
ing the date of the application but no longer appears on the list in
eligible status. The municipal clerk shall ensure that the envelope
containing the absentee ballot is clearly marked as not forward-
able. If an overseas elector who files an application under this sub-
section no longer resides at the same address that is indicated on
the application form, the elector shall so notify the municipal clerk.

(d) An overseas elector, regardless of whether the elector qual-
ifies as a resident of this state under s. 6.10, who is not registered
may request both a registration form and an absentee ballot at the
same time, and the municipal clerk shall send or transmit the ballot
automatically if the registration form is received within the time
prescribed in s. 6.28 (1). The commission shall prescribe a special
certificate form for the envelope in which the absentee ballot for
such overseas electors is contained, which shall be substantially
similar to that provided under s. 6.87 (2). The overseas elector
shall make and subscribe to the special certificate form before a
witness who is an adult.

(e) An overseas elector, regardless of whether the elector qual-
ifies as a resident of this state under s. 6.10, may file an application
for an absentee ballot by means of electronic mail or facsimile
transmission in the manner prescribed in s. 6.86 (1) (a). Upon
receipt of a valid application, the municipal clerk shall send the
elector an absentee ballot or, if the elector so requests, shall trans-
mit an absentee ballot to the elector by means of electronic mail or
facsimile transmission in the manner prescribed in s. 6.87 (3)
(d).

(5) BALLOTS. The commission shall prescribe a special ballot
for use under this section whenever necessary. Official ballots
prescribed for use in the presidential preference primary may also
be used. The ballot shall be designed to comply with the require-

send a ballot, as soon as available, to each overseas elector by
whom a request has been made. The commission shall prescribe
the instructions for marking and returning ballots and the munici-
pal clerk shall enclose such instructions with each ballot. The
envelope, return envelope and instructions may not contain the
name of any candidate appearing on the enclosed ballots other
than that of the municipal clerk affixed in the fulfillment of his
or her duties. Except as authorized in s. 6.87 (3), the municipal clerk
shall mail the material, with sufficient postage to ensure that the
elector receives the ballot, unless the material qualifies for mailing
free of postage under federal free postage laws. If the return enve-
lope qualifies for mailing free of postage under federal free post-
age laws, the clerk shall affix the appropriate legend required by
U.S. postal regulations. Otherwise, the municipal clerk shall pay
the postage required for return when the ballot is mailed from
within the United States. If the ballot is not mailed by the overseas
elector from within the United States, the overseas elector shall
provide return postage.

(7) VOTING PROCEDURE. Except as authorized under s. 6.25,
the ballot shall be marked and returned, deposited and recorded in
the same manner as other absentee ballots. In addition, the certifi-

return the unused ballots in a primary election does not invalidate
the ballot on which the elector casts his or her votes.

An eligible elector who holds a current and valid operator’s license issued under ch. 343 or a current and valid identification card issued under s. 343.50 may register electronically in the manner prescribed by the commission. The commission shall maintain on the Internet a secure registration form that enables the elector to enter the information required under s. 6.33 (1) electronically. An elector who registers electronically under this subsection must authorize the commission to obtain from the department of transportation an electronic copy of the elector’s signature, which signature shall constitute an affirmation that all information provided by the elector is correct and shall have the same effect as if the elector had signed the application personally. The commission shall include on the registration form a place for the elector to give this authorization. Upon submittal of the electronic application, the commission shall obtain from the department of transportation a copy of the electronic signature of the elector. The commission shall maintain the application on file and shall notify the municipal clerk or board of election commissioners of the municipality where the elector resides of its receipt of each completed application. The commission shall also permit any elector who has a current and valid operator’s license issued to the elector under ch. 343 or a current and valid identification card issued under s. 343.50 to make changes in his or her registration at the same Internet site that is used by electors for original registration under this subsection. (4) If the form is sufficient to accomplish registration and the commission or clerk has no reliable information to indicate that the proposed elector is not qualified, the commission or clerk shall enter the elector’s name on the registration list and transmit a 1st class letter or postcard to the registrant, specifying the elector’s ward or aldermanic district, or both, if any, and polling place. The letter or postcard shall be sent within 10 days of receipt of the form. If the letter or postcard is returned, or if the commission or clerk is informed of a different address than the one specified by the elector, the commission or clerk shall change the status of the elector on the list from eligible to ineligible. The letter or postcard shall be marked in accordance with postal regulations to ensure that it will be returned to the commission or clerk if the elector does not reside at the address given on the letter or postcard.

6.325 Disqualification of electors. No person may be disqualified as an elector unless the municipal clerk, board of election commissioners or a challenging elector under s. 6.48 demonstrates beyond a reasonable doubt that the person does not qualify as an elector or is not properly registered. If it appears that the challenged elector is registered at a residence in this state other than the one where the elector now resides, the municipal clerk or board of election commissioners shall, before permitting the elector to vote, require the elector to properly register and shall notify the municipal clerk or board of election commissioners at the former residence. The municipal clerk or board of election commissioners may require naturalized applicants to show their naturalization certificates.

Each county clerk shall obtain sufficient registration forms for completion by an elector who desires to register to vote at the office of the county clerk under s. 6.28 (4).

(2) (a) All information may be recorded by any person, except that the clerk shall record the ward and aldermanic district, if any, other geographic information under sub. (1), the indication of whether the registration is received by mail, and the type of identifying document submitted by the elector as proof of residence under s. 6.34. Except as provided in s. 6.30 (5), each elector shall sign his or her own name unless the elector is unable to sign his or her name due to physical disability. In such case, the elector may authorize another elector to sign the form on his or her behalf. (b) The challenged and challenging electors shall appear before the municipal clerk within one week of the certification of registration or renewal under sub. (2) to appear before the board of election commissioners. The challenging elector shall make an affidavit answering any questions necessary to determine the challenged elector’s qualifications. Judgment rests with the municipal clerk and decisions shall be rendered as soon as heard. If the clerk cannot resolve the issue or has reservations as to the answers, the clerk may require the challenging elector to take the oath under s. 6.925. If the challenged elector appears and contests any answer of the challenging elector, the clerk may require the challenged elector to take the oath under s. 6.94 and answer any question necessary to determine the challenged elector’s qualifications. If the challenging elector appears before the municipal clerk or board of election commissioners but the challenged elector fails to appear, such clerk or board may make the decision without consulting the challenged elector. (b) Upon appearing in person, objectors shall be examined, under oath, by the commissioners and testimony taken. Judgment rests with the board of election commissioners and decisions shall be rendered as soon as heard. All cases are heard and decided summarily. The commissioners shall determine whether the person objected to is qualified. If they determine that a person is not qualified, the executive director of the board of election commissioners shall change the elector from eligible to ineligible status on the registration list and shall notify the proper ward officials of the change immediately.

(3) CHALLENGE BASED ON INCOMPETENCY. Section 6.03 (3) applies to any challenge which is made to registration based on an allegation that an elector is incapable of understanding the objective of the elective process and thereby ineligible for registration.

(2g) The commission may delegate to a municipal clerk or board of election commissioners of a municipality the responsibility to change the registration status of electors when required under sub. (2).

(2r) As soon as practicable, but no later than August 1 following the completion of the process under subs. (1) and (2), the commission shall publish on its Internet site the following information obtained through that process:

All municipal departments and agencies receiving information that a registered elector has changed his or her residence shall notify the clerk or board of election commissioners. If the elector no longer resides in the municipality or fails to apply for continuation of registration within 30 days of the date the notice is mailed, the clerk or board of election commissioners shall change the elector’s registration from eligible to ineligible status.

Upon receipt of reliable information that a registered elector has changed his or her residence within the municipality, the municipal clerk or board of election commissioners shall change the elector’s registration and mail the elector a notice of the change. This subsection does not restrict the right of an elector to challenge any registration under s. 6.325, 6.48, 6.925, 6.93, or 7.52 (5).

(4) The municipal clerk or board of election commissioners shall change the registration of deceased electors from eligible to ineligible status by means of checking vital statistics reports. No notice need be sent of registration changes made under this subsection.

If required by the U.S. postal service, the governing body may create a registration commission consisting of the municipal clerk or executive director of the board of election commissioners and 2 other electors of the municipality appointed by the clerk or executive director for the purpose of making application for address changes and processing the information received. The municipal clerk or executive director shall act as chairperson of the commission. Any authorization under this subsection shall be for a definite period or until the municipal governing body otherwise determines. The procedure shall apply uniformly to the entire municipality whenever used. The procedure shall provide for receipt of complete change of address information on an automatic basis, or not less often than once every 2 years during the 60 days preceding the close of registration for the partisan primary. If a municipality adopts the procedure for obtaining address corrections under this subsection, it need not comply with the procedure for mailing address verification cards under subs. (1) and (2).

(10) Any qualified elector whose registration is changed from eligible to ineligible status under this section may reregister as provided under s. 6.28 (1), 6.29 (2), or 6.55 (2), or, if the elector has a current and valid operator’s license issued to the elector under ch. 343 or a current and valid identification card issued under s. 343.50, may reregister under s. 6.30 (5).

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al, 15−cv−324, 199 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(b) Upon executing the registration form under par. (a), the elector shall provide proof of residence under s. 6.34. The signing by the elector executing the registration form shall be in the presence of the election registration official or inspector. Upon receipt of the registration form, the official or inspector shall enter both the type of identifying document submitted by the elector as proof of residence and the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, that number in the space provided on the form. The official or inspector shall then print his or her name on and sign the form, indicating that the official or inspector has accepted the form. Upon compliance with this procedure, the elector shall be permitted to cast his or her vote, if the elector complies with all other requirements for voting at the polling place.

(c) 1. As an alternative to registration at the polling place under pars. (a) and (b), the board of election commissioners, or the governing body of any municipality, may by resolution require a person who qualifies as an elector and who is not registered and desires to register on the day of an election to do so at another readily accessible location in the same building as the polling place serving the elector’s residence or at an alternate polling place assigned under s. 5.25 (5) (b), instead of at the polling place serving the elector’s residence. In such case, the municipal clerk shall prominently post a notice of the registration location at the polling place. An eligible elector who desires to register shall execute a registration form as prescribed under par. (a) and provide proof of residence as provided under s. 6.34. The signing by the person executing the registration form shall be in the presence of the municipal clerk, deputy clerk, or election registration official. Upon receipt of the registration form, the municipal clerk, deputy clerk, or election registration official shall enter the type of identifying document submitted by the elector as proof of residence, the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, the last 4 digits of that number in the space provided on the form. If the number on the identifying document submitted by the elector has 6 or fewer digits, the clerk shall enter only the last 2 digits of that number. The municipal clerk, deputy clerk, or the election registration official shall then print his or her name and sign the form, indicating that the clerk, deputy clerk, or official has accepted the form. Upon proper completion of registration, the municipal clerk, deputy clerk, or election registration official shall serially number the registration and give one copy to the person for presentation at the polling place serving the person’s residence or an alternate polling place assigned under s. 5.25 (5) (b).

2. Upon compliance with the procedures under subd. 1., the municipal clerk or deputy clerk shall issue a certificate addressed to the inspectors of the proper polling place directing that the elector be permitted to cast his or her vote if the elector complies with all requirements for voting at the polling place. The clerk shall enter the name and address of the elector on the face of the certificate. The certificate shall be numbered serially and prepared in duplicate. The municipal clerk shall preserve one copy in his or her office.

3. The elector, at the time he or she appears to vote at the polling place, shall deliver the certificate issued under subd. 2. to the inspectors.

(cm) If an elector who is not registered wishes to obtain a confidential listing under s. 6.47 (2), the elector shall register at the office of the municipal clerk of the municipality where the elector resides. Upon completion of registration, the municipal clerk or a deputy clerk shall serially number the registration form and issue a voting identification card to the elector under s. 6.47 (3). The elector may vote at the polling place serving his or her residence by presenting the identification card or by providing his or her name and identification serial number to the inspectors.

The commission shall provide to each municipal clerk a list prepared for use at each polling place showing the name and address of each person whose name appears on the list provided by the department of corrections under s. 301.03 (20m) as ineligible to vote on the date of the election, whose address is located in the area served by that polling place, and whose name does not appear on the poll list for that polling place. Prior to permitting an elector to vote under this subsection or s. 6.86 (3) (a) 2., the inspectors or election registration officials shall review the list. If the name of an elector who wishes to register to vote appears on the list, the inspectors or election registration officials shall inform the elector or the elector’s agent that the elector is ineligible to register to vote. If the elector or the elector’s agent maintains that the elector is eligible to vote in the election, the inspectors or election registration officials shall permit the elector to register but shall mark the elector’s registration form as “ineligible to vote per Department of Corrections.” If the elector wishes to vote, the inspectors shall require the elector to vote by ballot and shall challenge the ballot as provided in s. 6.79 (2) (dm).

(d) A registered elector who has changed his or her name but resides at the same address, and has not previously provided notice of the change to the municipal clerk, shall notify the inspector of the change before voting. The inspector shall then notify the municipal clerk at the time when materials are returned under s. 6.56 (1). If an elector has changed both a name and address, the elector shall register at the polling place or other registration location under pars. (a) and (b).

(3) (a) Any qualified elector in the ward or election district where the elector desires to vote whose name does not appear on the registration list but who claims to be registered to vote in the election may request permission to vote at the polling place for that ward or election district. When the request is made, the inspector shall require the person to give his or her name and address. If the elector is not at the polling place which serves the ward or election district where the elector resides, the inspector shall provide the elector with directions to the correct polling place. If the elector is at the correct polling place, the elector shall complete registration as provided in sub. (2).

(b) Prior to permitting an elector to vote under this subsection, the inspectors shall review the list provided by the commission under sub. (2) (cs). If the name of the elector appears on the list, the inspectors shall inform the elector that he or she is ineligible to vote at the election. If the elector maintains that he or she is eligible to vote in the election, the inspectors shall permit the elector to vote, but shall require the elector to vote by ballot, and shall challenge the ballot as provided in s. 6.79 (2) (dm).

(5) Any person who violates this section may be punished as provided in ss. 12.13 (3) (g) and 12.60 (1) (b).

(6) Any of the registration duties of inspectors under sub. (2) may be carried out in the municipality by the municipal clerk. The municipal clerk, however, may not carry out the registration duties...
of the inspectors under sub. (2) if the municipal clerk is a candidate on the ballot for that election day.

### 6.56 Verification of voters not appearing on list. (1) The list containing the names of persons voting under ss. 6.29 and 6.55 (2) shall be returned together with all forms and certificates to the municipal clerk. (3) Upon receipt of the list under sub. (1), the municipal clerk or board of election commissioners shall make an audit of all electors registering to vote at the polling place or other registration location under s. 6.55 (2) and all electors registering by agent on election day under s. 6.86 (3) (a) unless the clerk or board of election commissioners receives notice from the elections commission under sub. (7) that the elections commission will perform the audit. The audit shall be made by 1st class postcard. The postcard shall be marked in accordance with postal regulations to ensure that it will be returned to the clerk, board of election commissioners, or elections commission so elects, the commission shall, no later than the date for any election on behalf of all municipalities in the state. If the election is entitled to be absent from work while the polls are open for a period not to exceed 3 successive hours to vote. The employer shall notify the affected employer before election day of the intended absence. The employer may designate the time of day for the absence. (2) No penalty, other than a deduction for time lost, may be imposed upon an elector by his or her employer by reason of the absence authorized by this section. (3) This section applies to all employers including the state and all political subdivisions of the state and their employees, but does not affect the employees’ right to holidays existing on June 28, 1945, or established after that date.

### 6.57 Registration list for special elections. The municipal clerk of each municipality where a special election is held non-concurrently with a regularly scheduled election shall obtain a copies of the current registration list from the commission for use in the special election.

**History:** 1975 c. 85 s. 30; Stats. 1975 s. 657; 1977 c. 394; 2003 a. 265; 2015 a. 118 s. 266 (10).

### SUBCHAPTER III

### VOTING

#### 6.76 Time off for voting. (1) Any person entitled to vote at an election is entitled to be absent from work while the polls are open for a period not to exceed 3 successive hours to vote. The elector shall notify the affected employer before election day of the intended absence. The employer may designate the time of day for the absence. (2) No penalty, other than a deduction for time lost, may be imposed upon an elector by his or her employer by reason of the absence authorized by this section. (3) This section applies to all employers including the state and all political subdivisions of the state and their employees, but does not affect the employees’ right to holidays existing on June 28, 1945, or established after that date.

**History:** 1977 c. 394; 1991 a. 316.

#### 6.77 Place for voting. (1) An elector may vote only at the polling place for his or her residence designated by the governing body or board of election commissioners. (2) Whenever territory which was formerly a part of one municipality becomes a part of another municipality, an elector of the territory shall vote in the municipality in which the territory is included on the day of the election.

**History:** 1975 c. 85; 1985 a. 304.

#### 6.78 Poll hours. (1m) The polls at every election shall be open from 7 a.m. until 8 p.m. (4) Any elector waiting to vote, whether within the polling booth or in the line outside the booth at the time the polls officially close, shall be permitted to vote.

**History:** 1985 a. 304; 1991 a. 316; 2005 a. 333.

#### 6.79 Recording electors. (1m) SEPARATE POLL LISTS. The municipal clerk may elect to maintain the information on the poll list manually or electronically. If the clerk elects to maintain the list electronically, an election official at each election ward shall be in charge of and shall maintain the poll list. The system employed to maintain the list electronically is subject to the approval of the commission. If the clerk elects to maintain the information manually, 2 election officials at each election ward shall be in charge of and shall maintain 2 separate poll lists.

(2) VOTING PROCEDURE. (a) Unless information on the poll list is entered electronically, the municipal clerk shall supply the inspectors with 2 copies of the most current official registration list or lists prepared under s. 6.36 (2) (a) for use as poll lists at the polling place. Except as provided in subs. (6) and (7), each eligible elector, before receiving a serial number, shall state his or her full name and address and present to the officials proof of identification. The officials shall verify that the name on the proof of identification presented by the elector conforms to the name on the poll list or separate list and shall verify that any photograph appearing on that document reasonably resembles the elector. The officials shall then require the elector to enter his or her signature on the poll list, supplemental list, or separate list maintained.

under par. (c) unless the elector is exempt from the signature requirement under s. 6.36 (2) (a). The officials shall verify that the name and address stated by the elector conform to the elector’s name and address on the poll list.

(a) If an elector previously signed his or her registration form or is exempt from a registration requirement and is unable, due to physical disability, to enter his or her signature at the election, the officials shall waive the signature requirement if the officials determine that the elector is unable, due to physical disability, to enter his or her signature. In this case, the officials shall enter next to the name and address of the elector on the poll, supplemental, or separate list the words “exempt by order of inspectors”. If both officials do not waive the signature requirement and the elector wishes to vote, the official or officials who do not waive the requirement shall require the elector to vote by ballot and shall challenge the elector’s ballot as provided in s. 6.92 and treat the ballot in the manner provided in s. 6.95. The challenged elector may then provide evidence of his or her physical disability to the board of canvassers charged with initially canvassing the returns prior to the completion of the initial canvass.

(b) Upon the poll list, after the name of each elector, the officials shall enter a serial number for each elector in the order that votes are cast, beginning with number one.

(c) The officials shall maintain separate lists for electors who are voting under s. 6.15, 6.29, or 6.55 (2) or (3) and electors who are reassigned from another polling place under s. 5.25 (5) (b) and treat them as electors on the appropriate separate list. Alternatively, if the list of names is maintained electronically, the officials may enter on the poll list the information that would otherwise appear on a separate list if the information that would be obtainable from a separate list is entered on the poll list.

(d) If the poll list indicates that proof of residence under s. 6.34 is required and the proof of identification does not provide proof provided by the elector under par. (a) does not constitute proof of residence under s. 6.34, the officials shall require the elector to provide proof of residence. If proof of residence is provided, the officials shall enter both the type of identifying document submitted as proof of residence and the name of the entity or institution that issued the identifying document in the space provided on the poll list and shall verify that the name and address on the identifying document is the same as the name and address shown on the registration list. If proof of residence is required and not provided, or if the elector does not present proof of identification under par. (a), whenever required, the officials shall offer the opportunity to vote under s. 6.97.

(dm) If the poll list indicates that the elector is ineligible to vote because the elector’s name appears on the current list provided by the board of canvassers under s. 301.03 (20m), the inspectors shall inform the elector of this fact. If the elector maintains that he or she is eligible to vote in the election, the inspectors shall provide the elector with a ballot and, after the elector casts his or her vote, shall challenge the ballot as provided in s. 6.92 and treat the ballot in the manner provided in s. 6.95.

(e) The officials shall then provide each elector with a slip bearing the same serial number as is recorded for the elector upon the poll list or separate list.

(3) REFUSAL TO PROVIDE NAME, ADDRESS, OR PROOF OF IDENTIFICATION. (a) Except as provided in sub. (6), if any elector offering to vote at any polling place refuses to give his or her name and address, the elector may not be permitted to vote. (b) If proof of identification under sub. (2) is not presented by the elector, if the name appearing on the document presented does not conform to the name on the poll list or separate list, or if any photograph appearing on the document does not reasonably resemble the elector, the elector shall not be permitted to vote, except as authorized under sub. (6) or (7), but if the elector is enti-

THE ELECTORS

(4) SUPPLEMENTAL INFORMATION. When any elector provides proof of residence under s. 6.15, 6.29 or 6.55 (2), the election officials shall enter both the type of identifying document provided and the name of the entity or institution that issued the identifying document on the poll list, or separate list maintained under sub. (2) (c). When any person offering to vote has been challenged and taken the oath, following the person’s name on the poll list, the officials shall enter the word “Sworn”.

(5) CONFIDENTIAL NAMES AND ADDRESSES. An elector who has a confidential listing under s. 6.47 (2) may present his or her identification card issued under s. 6.47 (3), or give his or her name and identification serial number issued under s. 6.47 (3), in lieu of stating his or her name and address and presenting proof of identification under sub. (2). If the elector’s name and identification serial number appear on the confidential portion of the list, the inspectors shall issue a voting serial number, in lieu of that number on the poll list and permit the elector to vote.

(7) LICENSE SURRENDER. If an elector receives a citation or notice of intent to revoke or suspend an operator’s license from a law enforcement officer in any jurisdiction that is dated within 60 days of the date of an election and is required to surrender his or her operator’s license or driving license issued to the elector under ch. 343 at the time the citation or notice is issued, the elector may present an original copy of the citation or notice in lieu of an operator’s license or driving license issued under ch. 343. In such case, the elector shall cast his or her ballot under s. 6.965. History: 1971 c. 304 s. 29 (2); 1975 c. 85, 159, 200; 1977 c. 394, 447; 1979 c. 260, 311, 355, 1985 a. 304; 1989 a. 192; 1989 a. 49, 182; 2001 a. 38, 51; 2003 a. 265, 327; 2005 a. 451; 2007 a. 96; 2012 a. 23; 2013 a. 182; 2015 a. 118 s. 266 (10); 2015 a. 261.

The burden of time and inconvenience associated with obtaining acceptable photo identification as proof of identification are undue burdens on the right to vote and do not violate the law. Milwaukee Branch of the NAACP v. Walker, 2014 WI 98, 357 Wis. 2d 469, 851 N.W.2d 262, 12–1652.

Even rational restrictions on the right to vote are invidious if they are unrelated to voter qualifications. However evenhanded restrictions that protect the integrity and reliability of the electoral process itself are not invidious. An Indiana statute requiring citizens voting in person on election day, or casting a ballot in person at the office of the circuit court clerk prior to election day, to present photo identification issued by the government did not violate the constitution. Crawford v. Marion County Election Board, 553 U.S. 181, 128 S. Ct. 1610, 170 L. Ed. 2d 754, (2008).

2011 Wisconsin Act 23, which created requirements that voters present photo identification in order to vote at a polling place or obtain an absentee ballot, does not violate either section 2 of the federal Voting Rights Act, 52 U.S.C. § 10301, or the U.S. Constitution. Frank v. Walker, 768 F.3d 744 (2014).

6.80 Mechanics of voting. (1) VOTING BOOTH OR MACHINE USE. Only one individual at a time is permitted to occupy a voting booth or machine, except that an elector who is a parent or guardian may be accompanied by the elector’s minor child or minor ward, and an elector who qualifies for assistance under s. 6.82 (2) may be assisted as provided in that subsection.

(2) METHOD OF VOTING. (a) Upon receiving his or her ballot and without leaving the polling place, the elector shall enter an unoccupied voting booth or machine alone to cast his or her vote, except as authorized in sub. (1). An elector may use or copy an unofficial sample ballot which may be marked in advance of entering the polling place, but an elector may not use or bring into the polling place any ballot printed upon paper of the type required or utilized for official ballots at that polling place.

(3) Refusal to provide name, address, or proof of identification. (a) Except as provided in sub. (6), if any elector offering to vote at any polling place refuses to give his or her name and address, the elector may not be permitted to vote. (b) If proof of identification under sub. (2) is not presented by the elector, if the name appearing on the document presented does not conform to the name on the poll list or separate list, or if any photograph appearing on the document does not reasonably resemble the elector, the elector shall not be permitted to vote, except as authorized under sub. (6) or (7), but if the elector is enti-
in the name of the person in the space provided on the ballot or the ballot provided for that purpose, or where voting machines are used, in the irregular ballot device, designating the party for which the elector desires such person to be the nominee.

(b) After preparing his or her ballot, unless the ballot is intended for counting with automatic tabulating equipment, the elector shall fold it so its face will be concealed.

(c) Any elector who, by accident or mistake, spoils or erroneously prepares a ballot may receive another, by returning the defective ballot, but not to exceed 3 ballots in all.

(d) If an elector receives a ballot which is not initiated by 2 inspectors, or is defective in any other way, the elector shall return it to the inspectors. If the initials are missing, the inspectors shall supply the missing initials. If the ballot is defective, they shall destroy it and issue another ballot to the elector.

(e) Upon voting his or her ballot, the elector shall publicly and in person deposit it into the ballot box or deliver it to an inspector, who shall deposit the ballot into the ballot box.

(f) In the presidential preference primary and other partisan primary elections at polling places where ballots are distributed to electors, unless the ballots are prepared under s. 5.655 or are utilized with an electronic voting system in which all candidates appear on the same ballot, after the elector prepares his or her ballot the elector shall detach the remaining ballots, fold the ballots to be discarded and fold the completed ballot unless the ballot is intended for counting with automatic tabulating equipment. The elector shall then either personally deposit the ballots to be discarded into the separate ballot box marked “blank ballot box” and deposit the completed ballot into the ballot box indicated by the inspectors, or give the ballots to an inspector who shall deposit the ballots directly into the appropriate ballot boxes. The inspectors shall keep the blank ballot box locked until the canvass is completed and shall dispose of the blank ballots as prescribed by the municipal clerk.

(3) TIME IN BOOTH OR MACHINE. (a) Each elector shall be allowed a reasonable time to vote. Unless otherwise specified for that election, a majority of the inspectors shall determine the time each elector shall have to mark the ballot, taking into consideration the size of the ballot and the number of electors in line waiting to vote. In no case shall the time be less than one minute. If there are electors in line waiting to vote, the time shall not exceed 5 minutes.

(b) If an elector refuses to leave the booth or machine after being notified by one of the inspectors that the time has expired, the elector shall be removed by the inspectors.

6.82 Assisting electors. (1) RECEIPT OF BALLOT AT POLL ENTRANCE. (a) When any inspectors are informed that an eligible elector is at the entrance to the polling place who as a result of disability is unable to enter the polling place, they shall permit the elector to be assisted in marking a ballot by any individual selected by the elector, except the elector’s employer or an agent of that employer or an officer or agent of a labor organization which represents the elector. Except as authorized in s. 6.79 (6) and (7), the individual selected by the elector shall present to the inspectors proof of identification and, if the proof of identification does not constitute proof of residence under s. 6.34, shall also provide proof of residence under s. 6.34 for the assisted elector and all other information necessary for the elector to obtain a ballot under s. 5.79 (2). The inspectors shall verify that the name on the proof of identification presented by the person assisting the elector conforms to the elector’s name on the poll list or separate list, shall verify that any photograph appearing on that document reasonably resembles the elector, and shall enter both the type of identifying document submitted by the assisted elector as proof of residence and the name of the entity or institution that issued the identifying document in the space provided on the poll list or separate list. The inspectors shall then issue a ballot to the individual selected by the elector and shall accompany the individual to the polling place entrance where the assistance is to be given. If the ballot is a paper ballot, the assisting individual shall fold the ballot after the ballot is marked by the assisting individual. The assisting individual shall then immediately take the ballot into the polling place and give the ballot to an inspector. The inspector shall distinctly announce that he or she has “a ballot offered by .... (stating person’s name), an elector who, as a result of disability, is unable to enter the polling place without assistance”. The inspector shall then ask, “Does anyone object to the reception of this ballot?” If no objection is made, the inspectors shall record the elector’s name under s. 6.79 and deposit the ballot in the ballot box, and shall make a notation on the poll list: “Ballot received at poll entrance”.

(b) If objection to receiving the ballot is made by any qualified elector present, the inspectors shall receive the ballot under s. 6.95.

(2) AID IN MARKING BALLOT. (a) If an elector declares to the presiding election official that he or she cannot read or write, or has difficulty in reading, writing or understanding English or that due to disability is unable to mark a ballot or depress a button or lever on a voting machine, the elector shall be informed by the officials that he or she may have assistance. When assistance is requested, the elector may select any individual to assist in casting his or her vote. The selected individual rendering assistance may not be the elector’s employer or an agent of that employer or an officer or agent of a labor organization which represents the elector. The selected individual shall certify on the back of the ballot that it was marked with his or her assistance. Where voting machines are used, certification shall be made on the registration list.

(b) The individual chosen shall enter the voting booth or machine with the elector and shall read the names of all candidates on the ballot for each office, and ask, “For which one do you vote?”. The ballot shall be marked or the lever or button depressed according to the elector’s expressed preference. The individual selected to assist may not disclose to anyone how the elector voted.

(c) Intoxication shall not be regarded as a disability.

(d) The election officials shall enter upon the poll list after the name of any elector who had assistance in voting the word “assisted”. The officials shall also record on the poll list the full name and address of the individual who renders assistance.

(3) USE OF PAPER BALLOTS. Whenever, in a municipality in which voting machines are used, an elector declares to the chief inspector that, due to physical disability, the elector is unable to depress a button or lever on a voting machine, the inspectors shall permit the elector to vote using a paper ballot and voting booth.

(4) SOLICITATION PROHIBITED. No election official or other person assisting an elector under this section or s. 5.79 may request, suggest or seek to persuade an elector to cast a vote for or against any candidate, party or question.

SUBCHAPTER IV
VOTING ABSENTEE

6.84 Construction. (1) LEGISLATIVE POLICY. The legislature finds that voting is a constitutional right, the vigorous exercise of which should be strongly encouraged. In contrast, voting by absentee ballot is a privilege exercised wholly outside the traditional safeguards of the polling place. The legislature finds that the privilege of voting by absentee ballot must be carefully regulated to prevent the potential for fraud or abuse; to prevent overzealous solicitation of absent electors who may prefer not to

participate in an election; to prevent undue influence on an absent
elector to vote for or against a candidate or to cast a particular vote in a referendum; or other similar abuses.

(2) INTERPRETATION. Notwithstanding s. 5.01 (1), with respect to matters relating to the absentee ballot process, ss. 6.86, 6.87 (3) to (7) and 9.01 (1) (b) 2. and 4. shall be construed as mandatory. Ballots cast in contravention of the procedures specified in those provisions may not be counted. Ballots counted in contravention of the procedures specified in those provisions may not be included in the certified result of any election.

History: 1985 a. 304; 1987 a. 391.

6.855 Alternate absentee ballot site. (1) The governing
body of a municipality may elect to designate a site other than the of- fice of the municipal clerk or board of election commissioners as the location from which electors of the municipality may request and vote absentee ballots and to which voted absentee ballots shall be returned by electors for any election. The designated site shall be located as near as practicable to the office of the municipal clerk or board of election commissioners and no site may be designated that affords an advantage to any political party.

An election by a governing body to designate an alternate site under this section shall be made no fewer than 14 days prior to the time that absentee ballots are available for the primary under s. 7.15 (1) (cm) or a primary is scheduled to be held, or at least 14 days prior to the time that absentee ballots are available for the election under s. 7.15 (1) (cm), if a primary is not scheduled to be held, and shall remain in effect until at least the day after the election.

If the governing body of a municipality makes an election under this section, no function related to voting and return of absentee ballots under s. 6.855, if applicable.

The governing body may designate more than one alternate site under sub. (1).

6.85 Methods for obtaining an absentee ballot. (1) (a) Any elector of a municipality who is registered to vote whenever required and who qualifies under ss. 6.20 and 6.85 as an absent elector may make written application to the municipal clerk of that municipality for an official ballot by one of the following methods:

1. By mail.
2. In person at the office of the municipal clerk or at an alternate site under s. 6.855, if applicable.
3. By signing a statement and filing a request to receive absentee ballots under sub. (2) or (2m) (a) or s. 6.22 (4), 6.24 (4), or 6.25 (1) (c).
4. By agent as provided in sub. (3).
5. By delivering an application to a special voting deputy under s. 6.875 (6).
6. By electronic mail or facsimile transmission as provided in par. (ac).

(a) Any elector qualifying under par. (a) may make written application to the municipal clerk for an official ballot by means of facsimile transmission or electronic mail. Any application under this paragraph need not contain a copy of the applicant's original signature. An elector requesting a ballot under this paragraph shall return with the voted ballot a copy of the request bearing an original signature of the elector as provided in s. 6.87 (4).

Except as authorized in ss. 6.87 (4) (b) 2. to 5. and 6.875 (6), and notwithstanding s. 343.43 (1) (f), the elector shall transmit a copy of his or her proof of identification in the manner provided in s. 6.87 (1) unless the elector is a military elector or an overseas elector or the elector has a confidential listing under s. 6.47 (2).

(b) An elector who is unable to write his or her name due to physical disability may authorize an application to be made by another elector on his or her behalf. In such case, the application shall state that it is made on request and by authorization of a named elector who is unable to sign the application due to physical disability.

Except as authorized in s. 6.875 (6), the municipal clerk shall not issue an absentee ballot unless the clerk receives a written application therefor from a qualified elector of the municipality. The clerk shall retain each absentee ballot application until destruction is authorized under s. 7.23 (1). Except as authorized in s. 6.79 (6) and (7), if a qualified elector applies for an absentee ballot in person at the clerk's office, the clerk shall not issue the ballot an absentee ballot unless the elector presents proof of identification. The clerk shall verify that the name on the proof of identification presented by the elector conforms to the name on the elector's application and shall verify that any photograph appearing on that document reasonably resembles the elector. The clerk shall then enter his or her initials on the certificate envelope indicating that the absentee elector presented proof of identification to the clerk.

(b) Except as provided in this section, if application is made by mail, the application shall be received no later than 5 p.m. on the 5th day immediately preceding the election. If application is made in person, the application shall be made no earlier than 14 days preceding the election and no later than the Sunday preceding the election. No application may be received on a legal holiday. A municipality shall specify the hours in the notice under s. 10.01 (2) (e). The municipal clerk or an election official shall witness the certificate for any in-person absentee ballot cast. Except as provided in par. (c), if the elector is making written application for an absentee ballot at the partisan primary, the general election, the presidential preference primary, or a special election for national office, and the application indicates that the elector is a military elector, as defined in s. 6.34 (1), the application shall be
received by the municipal clerk no later than 5 p.m. on election day. If the application indicates that the reason for requesting an absentee ballot is that the elector is a sequestered juror, the application shall be received no later than 5 p.m. on election day. If the application is received after 5 p.m. on the Friday immediately preceding the election, the municipal clerk or the clerk’s agent shall immediately take the ballot to the court in which the elector is serving as a juror and deposit it with the judge. The judge shall recess court, as soon as convenient, and give the elector the ballot. The judge shall then witness the voting procedure provided in s. 6.87 and shall deliver the ballot to the clerk or agent of the clerk who shall deliver it to the polling place or, in municipalities where absentee ballots are canvassed under s. 7.52, to the municipal clerk as required in s. 6.88. If application is made under sub. (2) or (2m), the application may be received no later than 5 p.m. on the Friday immediately preceding the election.

(c) If an application is made by mail by a military elector, as defined in s. 6.22 (1) (b), the application shall be received no later than 5 p.m. on the Friday immediately preceding the election.

(2) (a) An elector who is indefinitely confined because of age, physical illness or infirmity or is disabled for an indefinite period may by signing a statement to that effect require that an absentee ballot be sent to the elector automatically for every election. The application form and instructions shall be prescribed by the commission, and furnished upon request to any elector by each municipality. The envelope containing the absentee ballot shall be clearly marked as not forwardable. If any elector is no longer indefinitely confined, the elector shall so notify the municipal clerk.

(b) The mailing list established under this subsection shall be kept current through all possible means. If an elector fails to cast and return an absentee ballot received under this subsection, the clerk shall notify the elector by first class letter or postcard that his or her name will be removed from the mailing list unless the clerk receives a renewal of the application within 30 days of the notification. The clerk shall remove from the list the name of each elector who does not apply for renewal within the 30-day period. The clerk shall remove the name of any other elector from the list upon request of the elector or upon receipt of reliable information that an elector no longer qualifies for the service. The clerk shall notify the elector of such action not taken at the elector’s request within 5 days.

(2m) (a) Except as provided in this subsection, any elector other than an elector who receives an absentee ballot under sub. (2) or s. 6.22 (4) or 6.24 (4) (c) may by written application filed with the municipal clerk of the municipality where the elector resides require that an absentee ballot be sent to the elector automatically for every election that is held within the same calendar year in which the application is filed. The application form and instructions shall be prescribed by the commission, and furnished upon request to any elector by each municipal clerk. The municipal clerk shall then upon mail an absentee ballot to the elector for all elections that are held in the municipality during the same calendar year that the application is filed, except that the clerk shall not send an absentee ballot for an election if the elector’s name appeared on the registration list in eligible status for a previous election following the date of the application but no longer appears on the list in eligible status. The municipal clerk shall ensure that any envelope containing the absentee ballot is clearly marked as not forwardable. If an elector who files an application under this subsection no longer resides at the same address that is indicated on the application form, the elector shall so notify the municipal clerk. The municipal clerk shall discontinue mailing absentee ballots to an elector under this subsection upon receipt of reliable information that the elector no longer qualifies as an elector of the municipality. In addition, the municipal clerk shall discontinue mailing absentee ballots to an elector under this subsection if the elector fails to return any absentee ballot mailed to the elector. The municipal clerk shall notify the elector of any such action not taken at the elector’s request within 5 days, if possible. An elector who fails to cast an absentee ballot but who remains qualified to receive absentee ballots under this subsection may then receive absentee ballots for subsequent elections by notifying the municipal clerk that the elector wishes to continue receiving absentee ballots for subsequent elections.

(b) If a municipal clerk is notified by an elector that the elector’s residence is changed to another municipality within this state, the clerk shall forward the request to the municipal clerk of that municipality and that municipal clerk shall honor the request, except as provided in this subsection.

(3) (a) 1. Any elector who is registered and who is hospitalized, may apply for and obtain an official ballot by agent. The request for a ballot by an elector is made by a completed registration form and instructions shall be prescribed by the commission, and furnished upon request to any elector by each municipality. The form shall include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that the agent presented proof of identification to the clerk on behalf of the elector.

2. If a hospitalized elector is not registered, the elector may register by agent under this subdivision at the same time that the elector applies for an official ballot by agent under subd. 1. To register the elector by agent under this subdivision, the agent shall present a completed registration form that contains the required information supplied by the elector and the elector’s signature, unless the elector is unable to sign due to physical disability. In this case, the agent may authorize another elector to sign on his or her behalf. Any elector signing a form on another elector’s behalf shall attest to a statement that the application is made on request and by authorization of the named elector, who is unable to sign the application due to physical disability. The agent shall present this statement along with all other information required under this subdivision. Except as authorized for an elector who has a confidential listing under s. 6.47 (2) or as authorized under s. 6.87 (4) (b) 4., the agent shall present any proof of identification required under sub. (1) (ar).

The form shall include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that the agent presented proof of identification to the clerk on behalf of the elector.

(b) When each properly executed form and statement required under par. (a) is presented to the municipal clerk, if the elector who proposes to vote is qualified, an absentee ballot shall be issued and the name of such hospitalized elector shall be recorded by the clerk. An agent who is issued an absentee ballot under this section shall present documentation of his or her identity, proof of his or her name and address, and attest to a statement that the ballot is received solely for the benefit of a named elector who is hospitalized, and the agent will promptly transmit the ballot to such person.

(c) An application under par. (a) 1. may be made and a registration form under par. (a) 2. may be filed in person at the office of the municipal clerk not earlier than 7 days before an election and not later than 5 p.m. on the day of the election. A list of hospitalized electors applying for ballots under par. (a) 1. shall be made by the municipal clerk and used to check that the electors vote only once, and by absentee ballot. If the elector is registering for the election by agent under this section, the agent shall present proof of identification to the clerk. If the elector is registering for the election by agent under this section, the agent shall present proof of identification to the clerk. If the elector is registering for the election by agent under this section, the agent shall present proof of identification to the clerk.
agent is not required to enter a signature on the registration list. The ballot shall be sealed by the elector and returned to the municipal clerk either by mail or by personal delivery of the agent; but if the ballot is returned on the day of the election, the agent shall make personal delivery to the polling place serving the hospitalized elector’s residence before the closing hour or, in municipalities where absentee ballots are canvassed under s. 7.52, to the municipal clerk no later than 8 p.m. on election day.

(4) If a municipality employs an electronic voting system which utilizes a ballot that is inserted into automatic tabulating equipment, the municipality may distribute ballots for utilization with the voting system as absentee ballots or it may distribute paper ballots as absentee ballots.

(5) Whenever an elector returns a spoiled or damaged absentee ballot to the municipal clerk, or an elector’s agent under sub. (3) returns a spoiled or damaged ballot to the clerk on behalf of an elector, and the clerk believes that the ballot was issued to or on behalf of the elector who is returning it, the clerk shall issue a new ballot to the elector or elector’s agent, and shall destroy the spoiled or damaged ballot. Any request for a replacement ballot under this subsection must be made within the applicable time limits under sub. (1) and (3) (c).

(6) Except as authorized in sub. (5) and s. 6.87 (9), if an elector mails or personally delivers an absentee ballot to the municipal clerk, the municipal clerk shall not return the ballot to the elector. An elector who mails or personally delivers an absentee ballot to the municipal clerk at an election is not permitted to vote in person at the same election on election day.

(7) The clerk shall send or transmit an official absentee ballot no later than the deadline provided under s. 7.75 (1) (cm).

6.865 Federal absentee ballots. (1) In this section, “military elector” has the meaning given under s. 6.34 (1).

(2) A federal postcard registration and absentee ballot request form may be used to apply for an absentee ballot under s. 6.86 (1) if the form is completed in such manner that the municipal clerk or board of election commissioners with whom it is filed is able to determine that the applicant is an elector of this state and of the ward or election district where the elector seeks to vote.

(3m) A military elector may indicate an alternate address on his or her absentee ballot application. If the elector’s ballot is returned undeliverable prior to the deadline for receipt and return of absentee ballots under s. 6.87 (6) and the elector remains eligible to receive absentee ballots under this subsection, the municipal clerk shall immediately send or transmit an absentee ballot to the elector at the alternate address.

(4) If the municipal clerk or board of election commissioners rejects a request for an absentee ballot from a military elector or an overseas elector, the clerk or board of election commissioners shall promptly inform the elector of the reason for the rejection.

6.869 Uniform instructions. The commission shall prescribe uniform instructions for municipalities to provide to absentee electors. The instructions shall include the specific means of electronic communication that an absentee elector may use to file an application for an absentee ballot and, if the absentee elector is required to register, to request a registration form or change his or her registration. The instructions shall include information concerning whether proof of identification is required to be presented or enclosed. The instructions shall also include information concerning the procedure for correcting errors in marking a ballot and obtaining a replacement for a spoiled ballot. The procedure shall, to the extent possible, respect the privacy of each elector and preserve the confidentiality of each elector’s vote.

History: 2003 a. 265; 2011 a. 23, 75, 227; 2015 a. 118 s. 266 (10).

6.87 Absent voting procedure. (1) Upon proper request made within the period prescribed in s. 6.86, the municipal clerk or a deputy clerk authorized by the municipal clerk shall write on the official ballot, in the space for official endorsement, the clerk’s initials and official title. Unless application is made in person under s. 6.86 (1) (ar), the absent voter is exempted from providing proof of identification under sub. (4) (b) 2. or 3., or the applicant is a military or overseas elector, the absent elector shall enclose a copy of his or her proof of identification or any authorized substitute document with his or her application. The municipal clerk shall verify that the name on the proof of identification conforms to the name on the application. The clerk shall not issue an absentee ballot to an elector who is required to enclose a copy of proof of identification or an authorized substitute document with his or her application unless the copy is enclosed and the proof is verified by the clerk.

(2) Except as authorized under sub. (3) (d), the municipal clerk shall place the ballot in an unsealed envelope furnished by the clerk. The envelope shall have the name, official title and post-office address of the clerk upon its face. The other side of the envelope shall have a printed certificate which shall include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that if the absent elector voted in person under s. 6.86 (1) (ar), the elector presented proof of identification to the clerk and the clerk verified the proof presented. The certificate shall also include a space for the municipal clerk or deputy clerk to enter his or her initials indicating that the elector is exempt from providing proof of identification because the individual is a military elector or an overseas elector who does not qualify as a resident of this state under s. 6.10 or is exempted from providing proof of identification under sub. (4) (b) 2. or 3. The certificate shall be in substantially the following form:

I am not a candidate for any office on the enclosed ballot (except in the case of an incumbent municipal clerk). I did not solicit or advise the elector to vote for or against any candidate or measure.

6.87 THE ELECTORS

* — An elector who provides an identification serial number issued under s. 6.47 (3), Wis. Stats., need not provide a street address.

** — An individual who serves as a witness for a military elector or an overseas elector voting absentee, regardless of whether the elector qualifies as a resident of Wisconsin under s. 6.10, Wis. Stats., need not be a U.S. citizen but must be 18 years of age or older.

*** — If this form is executed before 2 special voting deputies under s. 6.875 (6), Wis. Stats., both deputies shall witness and sign.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al., 15–cv–324, 199 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

(3) (a) Except as authorized under par. (d) and as otherwise provided in s. 6.875, the municipal clerk shall mail the absentee ballot to the elector’s residence unless otherwise directed by the elector, or shall deliver it to the elector personally at the clerk’s office or at an alternate site under s. 6.853, if the ballot is mailed, and the ballot qualifies for mailing free of postage under federal free postage laws, the clerk shall affix the appropriate legend required by U.S. postal regulations. Otherwise, the clerk shall pay the postage required for return when the ballot is mailed from within the United States. If the ballot is not mailed by the absentee elector from within the United States, the absentee elector shall provide return postage. If the ballot is delivered to the elector at the clerk’s office, or an alternate site under s. 6.855, the ballot shall be voted at the office or alternate site and may not be removed by the elector therefrom.

(b) No elector may direct that a ballot be sent to the address of a committee registered with the ethics commission under ch. 11 unless the elector permanently or temporarily resides at that address. Upon receipt of reliable information that an address given by an elector is not eligible to receive ballots under this subsection, the municipal clerk shall refrain from mailing or transmitting ballots to that address. Whenever possible, the municipal clerk shall notify an elector if his or her ballot cannot be mailed or transmitted to the address directed by the elector.

(d) A municipal clerk shall, if the clerk is reliably informed by a military elector, as defined in s. 6.34 (1), or an overseas elector, regardless of whether the elector qualifies as a resident of this state under s. 6.10, an facsimile transmission or electronic mail address where the elector can receive an absentee ballot, transmit a facsimile or electronic copy of the elector’s ballot to that elector in lieu of mailing under this subsection. An elector may receive an absentee ballot only if the elector is a military elector or an overseas elector and has filed a valid application for the absentee ballot under s. 6.875 (6), Wis. Stats., both deputies shall witness and sign.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al., 15–cv–324, 199 F. Supp. 3d 896, the United States District Court, Western District of Wisconsin ordered that “the prohibition on distributing absentee ballots by fax or email is unconstitutional.”

(4) (a) In this subsection, “military elector” has the meaning given in s. 6.34 (1).

(b) 1. Except as otherwise provided in s. 6.875, an elector voting absentee, other than a military elector or an overseas elector, shall make and subscribe to the certification before one witness who is an adult U.S. citizen. A military elector or an overseas elector voting absentee, regardless of whether the elector qualifies as a resident of this state under s. 6.10, shall make and subscribe to the certification before one witness who is an adult but who need not be a U.S. citizen. The absent elector, in the presence of the witness, shall mark the ballot in a manner that will not disclose how the elector’s vote is cast. The elector shall then, still in the presence of the witness, fold the ballots so each is separate and so that the elector conceals the markings thereon and deposit them in the proper envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. If proof of residence under s. 6.34 is required and the document enclosed by the elector under this subdivision does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. Except as provided in s. 6.34 (2m), proof of residence is required if the elector is not a military elector or an overseas elector and the elector registered by mail or by electronic application and has not voted in an election in this state. If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location outside the United States, the elector shall affix sufficient postage unless the ballot qualifies for delivery free of postage under federal law. Failure to return an unused ballot in a primary does not invalidate the ballot on which the elector’s votes are cast. Return of more than one marked ballot in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an electronic voting system in a primary which is marked for candidates of more than one party invalidates all votes cast by the elector for candidates in the primary.

2. Unless subd. 3 applies, if the absentee elector has applied for and qualified to receive absentee ballots automatically under s. 6.86 (2) (a), the elector may, in lieu of providing proof of identification, submit with his or her absentee ballot a statement signed by the same individual who witnesses voting of the ballot which contains the name and address of the elector and verifies that the name and address are correct.

3. If the absentee elector has received an absentee ballot from the municipal clerk by mail for a previous election, has provided proof of identification with that ballot, and has not changed his or her name or address since providing that proof of identification, the elector is not required to provide proof of identification.

4. If the absentee elector has received a citation or notice of intent to revoke or suspend an operator’s license from a law enforcement officer in any jurisdiction that is dated within 60 days of the date of the election and is required to surrender his or her operator’s license or driving receipt issued to the elector under ch. 343 at the time the citation or notice is issued, the elector may enclose a copy of the citation or notice in lieu of a copy of an operator’s license or driving receipt issued under ch. 343 if the elector is voting by mail, or may present an original copy of the citation or notice in lieu of an operator’s license or driving receipt under ch. 343 if the elector is voting at the office of the municipal clerk.

5. Unless subd. 3 or 4 applies, if the absentee elector resides in a qualified retirement home, as defined in s. 6.875 (1) (at), or a residential care facility, as defined in s. 6.875 (1) (bm), and the...
municipal clerk or board of election commissioners of the municipality where the facility or home is located does not send special voting deputies to visit the facility or home at the election under s. 6.875, the elector may, in lieu of providing proof of identification, submit with his or her absentee ballot a statement signed by the same individual who witnesses voting of the ballot that contains the certification of an authorized representative of the facility or home that the elector resides in the facility or home and the facility or home is certified or registered as required by law, that contains the name and address of the elector, and that verifies that the name and address are correct.

(5) If the absent elector declares that he or she is unable to read, has difficulty in reading, writing or understanding English or due to disability is unable to mark his or her ballot, the elector may select any individual, except the elector’s employer or an agent of that employer or an officer or agent of a labor organization which represents the elector, to assist in marking the ballot, and the assistant shall then sign his or her name to a certification on the back of the ballot, as provided under s. 5.55.

(6) The ballot shall be returned so it is delivered to the polling place no later than 8 p.m. on election day. Except in municipalities where absentee ballots are canvassed under s. 7.52, if the municipal clerk receives an absentee ballot on election day, the clerk shall secure the ballot and cause the ballot to be delivered to the polling place serving the elector’s residence before 8 p.m. Any ballot not mailed or delivered as provided in this subsection may not be counted.

(6d) If a certificate is missing the address of a witness, the ballot may not be counted.

(6m) Except as authorized in s. 6.47 (8), the municipal clerk shall withhold from public inspection under s. 19.35 (1) the name and address of any absent elector who obtains a confidential listing under s. 6.47 (2).

(7) No individual who is a candidate at the election in which absentee ballots are cast may serve as a witness. Any candidate who serves as a witness shall be penalized by the discounting of a number of votes for his or her candidacy equal to the number of certificate envelopes bearing his or her signature.

(8) The provisions of this section which prohibit candidates from serving as a witness for absentee electors shall not apply to the municipal clerk in the performance of the clerk’s official duties.

(9) If a municipal clerk receives an absentee ballot with an improperly completed certificate or with no certificate, the clerk may return the ballot to the elector, inside the sealed envelope when an envelope is received, together with a new envelope if necessary, whenever time permits the elector to correct the defect and return the ballot within the period authorized under sub. (6).

History:

The directions in sub. (3) for mailing or personal delivery of an absentee ballot and in sub. (6) that a ballot not mailed or delivered as provided in the section should not be counted, are directory and not mandatory. Lanser v. Koconis, 62 Wis. 2d 86, 214 N.W.2d 425.

Sub. (4) is directory and not mandatory, and voters printing their names constituted substantial, albeit nontechnical compliance with the statute’s requirements. Lanser v. Koconis, 62 Wis. 2d 86, 214 N.W.2d 425.

A challenge or compliance with procedures for absent voting is within the board of canvasser’s jurisdiction. Absent conception, fraud or undue influence, substantial compliance with statutory voting procedures is sufficient. Appeal From Recount in Election Contest, 105 Wis. 2d 468, 313 N.W.2d 869 (Ct. App. 1980).

2011 Wisconsin Act 23, which created requirements that voters present photo identification in order to vote at a polling place or obtain an absentee ballot, does not violate either section 2 of the federal Voting Rights Act, 52 U.S.C. § 10301, or the U.S. Constitution. Frank v. Walker, 768 F3d 744 (2014).

6.875 Absentee voting in certain residential care facilities and retirement homes. (1) In this section:

(ab) “Adult family home” means a facility that is certified or licensed to operate as an adult family home under s. 50.032 or 50.033.

(aa) “Community–based residential facility” has the meaning given in s. 50.01 (1g), except that the term does not include a place where fewer than 10 adults who are not related to the operator or administrator reside.

(am) “Nursing home” means a facility occupied by 10 or more unrelated individuals for the primary purpose of obtaining full-time personal or nursing care which is necessitated by their physical or mental conditions, but does not include a hospital.

(as) “Residential care apartment complex” means a facility that is certified or registered to operate as a residential care apartment complex under s. 50.034 (1).

(at) “Qualified retirement home” means a retirement home that qualifies under sub. (2) (c) to utilize the procedures under this section.

(2) (a) Absentee voting in person inside residential care facilities and qualified retirement homes shall be conducted by municipalities only in the manner prescribed in this section. At any residential care facility or qualified retirement home where a municipality dispatches special voting deputies to conduct absentee voting in person under this section, the procedures prescribed in this section are the exclusive means of absentee voting in person inside that facility or home for electors who are occupants of the facility or home.

(c) The municipal clerk or board of election commissioners of any municipality where a retirement home is located may adopt the procedures under this section for absentee voting in any retirement home located in the municipality if the municipal clerk or board of election commissioners finds that a significant number of the occupants of the retirement home lack adequate transportation to the appropriate polling place, a significant number of the occupants of the retirement home may need assistance in voting, there are a significant number of the occupants of the retirement home aged 60 or over, or there are a significant number of indefinitely confined electors who are occupants of the retirement home.

(3) (a) An occupant of a qualified retirement home or residential care facility who qualifies as an absent elector and desires to receive an absentee ballot shall make application under s. 6.86 (1), (2), or (2m) with the municipal clerk or board of election commissioners of the municipality in which the elector is a resident. Except as provided in sub. (4) (ar), the clerk or board of election commissioners of a municipality receiving an application from an elector who is an occupant of a qualified retirement home or residential care facility located in a different municipality shall, as soon as possible, notify and send an absentee ballot for the elector to the clerk or board of election commissioners of the municipality in which the elector is a resident. Except as provided in sub. (4) (ar), the clerk or board of election commissioners of a municipality receiving an application from an elector who is an occupant of a qualified retirement home or residential care facility located in the municipality but who is a resident of a different municipality shall, as soon as possible, notify and request an absentee ballot from the clerk or board of election commissioners of the municipality in which the elector is a resident.

The clerk or board of election commissioners shall make a record of all absentee ballots to be sent, delivered, and voted under this section.

(b) An occupant of a retirement home may vote in person at the polling place serving his or her residence or may apply for and cast an absentee ballot at the election in the same manner as provided for other electors of the municipality where he or she resides. If a retirement home that is not a qualified retirement
home is located within a municipality on the same grounds as one or more residential care facilities to which the municipal clerk or board of election commissioners of the municipality dispatches special voting deputies to conduct voting at an election, the municipal clerk or board of election commissioners shall obtain from the management of the retirement home the names and addresses of the occupants of the home. The municipal clerk or board of election commissioners shall then provide the names and addresses to the special voting deputies to verify which residents are eligible to cast their ballots with the special voting deputies.

(4) (a) For the purpose of absentee voting in qualified retirement homes and residential care facilities, the municipal clerk or board of election commissioners of each municipality in which one or more residential care facilities to which the municipal clerk or board of election commissioners dispatches special voting deputies to conduct voting at an election, the clerk or board of election commissioners of each municipality in which one or more residential care facilities to which the municipal clerk or board of election commissioners dispatches special voting deputies to conduct voting at an election, the clerk or board of election commissioners shall, not later than 5 p.m. on the 6th working day preceding an election, arrange one or more convenient times with the administrator of each qualified retirement home and residential care facility in the municipality that the deputies are scheduled to visit. The time may be no earlier than the 4th Monday preceding the election and no later than 5 p.m. on the Monday preceding the election. The municipal clerk also shall post a notice at the home or facility and on the Internet indicating the date and time that absentee voting will take place at that home or facility. The notice shall be posted as soon as practicable after arranging the visit but in no case less than 5 working days before the visit. A municipal clerk whose municipality does not maintain an Internet site need not comply with the Internet posting requirement. At the designated time, 2 deputies appointed under sub. (4) shall visit the home or facility.

(b) The municipal clerk or executive director of the board of election commissioners shall issue a supply of absentee ballots to the deputies sufficient to provide for the number of valid applications for an absentee ballot received by the clerk, and a reasonable additional number of ballots. The deputies may exercise the authority granted to the chief inspector under s. 7.41 to regulate the conduct of observers. For purposes of the application of s. 7.41, the home or facility shall be treated as a polling place. The municipal clerk or executive director shall keep a careful record of all ballots issued to the deputies and shall require the deputies to return every ballot issued to them.

(c) 1. Upon their visit to the home or facility under par. (a), the deputies shall personally offer each elector who has filed a proper application for an absentee ballot the opportunity to cast his or her ballot. In lieu of providing a copy of proof of identification under s. 6.87 (4) (b) 1. with his or her absentee ballot, the elector may submit with his or her ballot a statement signed by both deputies that contains the name and address of the elector and verifies that the name and address are correct. The deputies shall enclose the statement in the certificate envelope. If an elector presents proof of identification under s. 6.87 (4) (b) 1., the deputies shall make a copy of the document presented by the elector and shall enclose the copy in the certificate envelope. If an elector is present who has not filed a proper application for an absentee ballot, the 2 deputies may accept an application from the elector and shall issue a ballot to the elector if the elector is qualified, the elector presents proof of identification, whenever required, or submits a statement containing his or her name and address under this subdivision, and the application is proper. The deputies shall enclose the certificate envelope. If an elector is present who has not filed a proper application for an absentee ballot, the 2 deputies may accept an application from the elector and shall issue a ballot to the elector if the elector is qualified, the elector presents proof of identification, whenever required, or submits a statement containing his or her name and address under this subdivision, and the application is proper. The deputies shall each witness the signature and may, upon request of the elector, assist the elector in marking the elector’s ballot. 2. Upon the request of a relative of an occupant of a qualified retirement home or residential care facility, the administrator of the home or facility may notify the relative of the time or times at which special voting deputies will conduct absentee voting at the home or facility and permit the relative to be present in the room where the voting is conducted.

(d) Upon completion of the voting on each day at each residential care facility or qualified retirement home, the deputies shall seal the absentee ballot envelopes and any absentee ballot applications inside a carrier envelope and shall seal the carrier envelope and sign their names to the seal. The deputies shall place the envelope inside a ballot bag or container. After visiting each residential care facility or retirement home, but not later than 18 hours after the visit, the deputies shall deliver the ballot bag or container to the clerk or board of election commissioners of the municipality in which the elector casting the ballot resides.

(e) If a qualified elector is not able to cast his or her ballot on 2 separate visits by the deputies to the home or facility, the deputies shall so inform the municipal clerk or executive director of the board of election commissioners, who may then send the ballot to the elector no later than 5 p.m. on the Friday preceding the election.

(7) One observer from each of the 2 recognized political parties whose candidate for governor or president received the greatest number of votes in the municipality at the most recent general election or primary shall visit the home or facility and permit the relative to be present in the room where absentee voting will take place under this section. The observers may observe the process of absentee ballot distribution in the common areas of the home or facility. 6.92 Inspector making challenge. (1) Except as provided in sub. (2), each inspector shall challenge for cause any person offering to vote whom the inspector knows or suspects is not a qualified elector or who does not adhere to any voting requirement under this chapter. If a person is challenged as unqualified by an inspector, one of the inspectors shall administer the following oath or affirmation to the person: “You do solemnly swear (or affirm) that you will fully and truly answer all questions put to you regarding your place of residence and qualifications as an elector of this election”; and shall then ask questions which are appropriate as determined by the commission, by rule, to test the person’s qualifications.

(2) An inspector appointed under s. 7.30 (2) (am) may not challenge any person offering to vote.

6.925 Elector making challenge in person. Any elector may challenge for cause any person offering to vote whom the elector knows or suspects is not a qualified elector. If a person is challenged as unqualified by an elector, one of the inspectors may administer the oath or affirmation to the challenged elector under s. 6.92 and ask the challenged elector the questions under that section which are appropriate to test the elector’s qualifications.

In addition, one of the inspectors shall administer the following oath or affirmation to the challenging elector: “You do solemnly swear (or affirm) that you will fully and truly answer all questions put to you regarding the challenged person’s place of residence and qualifications as an elector of this election”; and shall then ask questions which are appropriate as determined by the commission, by rule, to test the qualifications of the challenged elector.

6.93 Challenging the absent elector. The vote of any absent elector may be challenged for cause and the inspectors of election shall have all the power and authority given them to hear and determine the legality of the ballot the same as if the ballot had been voted in person. In municipalities where absentee ballots are canvassed under s. 7.52, the vote of an absentee elector may be challenged as provided in s. 7.52 (5).

Cross-reference: See also s. EL 9.04, Wis. adm. code.

6.935 Challenge based on incompetency. Section 6.03 (3) applies to any challenge of a person’s right to vote under s. 6.92, 6.925, 6.93, or 7.52 (5) based on an allegation that an elector is incapable of understanding the objective of the elective process and thereby ineligible to vote.

6.94 Challenged elector oath. If the person challenged refuses to answer fully any relevant questions put to him or her by the inspector under s. 6.92, the inspectors shall reject the elector’s vote. If the challenge is not withdrawn after the person offering to vote has answered the questions, one of the inspectors shall administer to the person the following oath or affirmation: “You do solemnly swear (or affirm) that: you are 18 years of age; you are a citizen of the United States; you are now and for 28 consecutive days have been a resident of this ward except under s. 6.02 (2); you have not voted at this election; you have not made any bet or wager or become directly or indirectly interested in any bet or wager depending upon the result of this election; you are not on any other ground disqualified to vote at this election”. If the person challenged refuses to take the oath or affirmation, the person’s vote shall be rejected. If the person challenged answers fully all relevant questions put to the elector by the inspector under s. 6.92, takes the oath or affirmation, and fulfills the applicable registration requirements, and if the answers to the questions given by the person indicate that the person meets the voting qualification requirements, the person’s vote shall be received.

NOTE: In One Wisconsin Institute, Inc. et al. v. Thomsen et al. 15–cv–324, 196 F. Supp. 3d 906, the United States District Court, Western District of Wisconsin ordered that “the increase of the durational residency requirement from 10 days to 28 days is unconstitutional.”

6.95 Voting procedure for challenged electors. Whenever the inspectors under ss. 6.92 to 6.94 receive the vote of a person offering to vote who has been challenged, the inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the challenged person corresponding to the number kept at the election on the poll list, or other list maintained under s. 6.79, and the notation “s. 6.95”. If voting machines are used in the municipality where the person is voting, the person’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the corresponding serial number from the poll list or other list maintained under s. 6.79 and the notation “s. 6.95” written on the back of the ballot by the inspectors before the ballot is given to the elector. The inspectors shall indicate on the list the reason for the challenge. The inspectors shall then post the ballot. The challenged ballots shall be counted under s. 5.85 or 7.51. The municipal board of canvassers may decide any challenge when making its canvass under s. 7.53. If the returns are reported under s. 7.60, a challenge may be reviewed by the county board of canvassers. If the returns are reported under s. 7.70, a challenge may be reviewed by the chairperson of the commission or the chairperson’s designee. The decision of any board of canvassers or of the chairperson or chairperson’s designee may be appealed under s. 9.01. The standard for disqualification specified in s. 6.325 shall be used to determine the validity of challenged ballots.

6.96 Voting procedure for electors voting pursuant to federal court order. Whenever any elector is allowed to vote at a polling place pursuant to a federal court order after the closing time provided under s. 6.78, the inspectors shall, before giving the elector a ballot, write on the back of the ballot the notation “s. 6.96”. If voting machines are used in the municipality where the elector is voting, the elector’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the notation “s. 6.96” written on the back of the ballot by the inspectors before the ballot is given to the elector. When receiving the elector’s ballot, the inspectors shall provide the elector with the written voting information prescribed by the commission under s. 7.08 (8). The inspectors shall indicate on the list the fact that an elector is voting pursuant to a federal court order. The inspectors shall then deposit the ballot. The ballot shall be counted under s. 5.85 or 7.51 unless the order is vacated. If the order is vacated after the ballot is counted, the appropriate board or boards of canvassers or the chairperson of the commission or his or her designee shall reopen the canvass to discount any ballots that were counted pursuant to the vacated order and adjust the statements, certifications, and determinations accordingly.

6.965 Voting procedure for electors presenting citation or notice in lieu of license or receipt. Whenever any elector is allowed to vote at a polling place under s. 6.79 (7) by presenting a citation or notice of intent to revoke or suspend an operator’s license in lieu of an operator’s license or driving receipt
issued to the elector under ch. 343, the inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the individual corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.965.” If voting machines are used in the municipality where the elector is voting, the elector’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the notation “s. 6.965” written on the back of the ballot by the inspectors before the ballot is given to the elector. If the municipal clerk receives an absentee ballot from an elector who presents a citation or notice, or copy thereof, under s. 6.87 (4) (b) 4., the clerk shall enter a notation on the certificate envelope “Ballot under s. 6.965, stats.” Upon receiving the envelope, the inspectors shall open and write on the back of the ballot the serial number of the elector corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.965.” The inspectors shall indicate on the ballot list or other list maintained under s. 6.79 the fact that the elector is voting by using a citation or notice in lieu of a license or driving receipt. The inspectors shall then deposit the ballot. The ballot shall then be counted under s. 5.85, or under s. 7.51 or 7.52.

History: 2011 a. 23.

6.97 Voting procedure for individuals not providing required proof of identification or residence. (1) Whenever any individual who is required to provide proof of residence under s. 6.34 in order to be permitted to vote appears to vote at a polling place and cannot provide the required proof of residence, the inspectors shall offer the opportunity for the individual to vote under this section. Whenever any individual, other than a military elector, as defined in s. 6.34 (1), an overseas elector, or an elector who has a confidential listing under s. 6.47 (2), appears to vote at a polling place and does not present proof of identification under s. 6.79 (2), whenever required, the inspectors or the municipal clerk shall similarly offer the opportunity for the individual to vote under this section. If the individual wishes to vote, the inspectors shall provide the elector with an envelope marked “Ballot under s. 6.97, stats.” on which the serial number of the individual is entered and shall require the individual to execute on the envelope a written affirmation stating that the individual is a qualified elector of the ward or election district where he or she offers to vote and is eligible to vote in the election. The inspectors shall, before giving the elector a ballot, write on the back of the ballot the serial number of the individual corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.97.” If voting machines are used in the municipality where the individual is voting, the individual’s vote may be received only upon an absentee ballot furnished by the municipal clerk which shall have the corresponding number from the poll list or other list maintained under s. 6.79 and the notation “s. 6.97” written on the back of the ballot by the inspectors before the ballot is given to the elector. When receiving the individual’s ballot, the inspectors shall provide the individual with written voting information prescribed by the commission under s. 7.08 (8). The inspectors shall indicate on the list the fact that the individual is required to provide proof of residence or proof of identification under s. 6.79 (2) but did not do so. The inspectors shall notify the individual that he or she may provide proof of residence or proof of identification to the municipal clerk or executive director of the municipal board of election commissioners. The inspectors shall also notify the individual that he or she may provide proof of the name, address, and serial number of the individual. The inspectors shall then place the ballot inside the envelope and place the envelope in a separate carrier envelope.

(2) Whenever any individual who votes by absentee ballot is required to provide proof of residence in order to be permitted to vote and does not provide the required proof of residence under s. 6.34, the inspectors shall treat the ballot as a provisional ballot under this section. Upon removing the ballot from the envelope, the inspectors shall write on the back of the ballot the serial number of the individual corresponding to the number kept at the election on the poll list or other list maintained under s. 6.79 and the notation “s. 6.97.” The inspectors shall indicate on the list the fact that the individual is required to provide proof of residence but did not do so. The inspectors shall promptly notify the municipal clerk or executive director of the municipal board of election commissioners of the name, address, and serial number of the individual. The inspectors shall then place the ballot inside an envelope on which the name and serial number of the elector is entered and shall place the envelope in a separate carrier envelope.

(3) (a) Whenever an elector who votes by provisional ballot under sub. (1) or (2) because the elector does not provide proof of identification under s. 6.79 (2) or 6.86 (1) (ar) later appears at the polling place where the ballot is cast before the closing hour and provides the proof of identification, the inspectors shall remove the elector’s ballot from the separate carrier envelope, shall note on the poll list that the elector’s provisional ballot is withdrawn, and shall deposit the elector’s ballot in the ballot box. If the inspectors have notified the municipal clerk or executive director of the board of election commissioners that the elector’s ballot was cast under this section, the inspectors shall notify the clerk or executive director that the elector’s provisional ballot is withdrawn.

(b) Whenever the municipal clerk or executive director of the municipal board of election commissioners is informed by the inspectors that a ballot has been cast under this section, the clerk or executive director shall promptly provide written notice to the board of canvassers of each municipality, special purpose district, and county that is responsible for canvassing the election of the number of ballots cast under this section in each ward or election district. The municipal clerk or executive director then shall determine whether each individual voting under this section is qualified to vote in the ward or election district where the individual’s ballot is cast. If the elector is required to provide proof of identification under s. 6.79 (2) or 6.86 (1) (ar) and fails to do so, the elector bears the burden of correcting the omission by providing the proof of identification at the polling place before the closing hour or at the office of the municipal clerk or board of election commissioners no later than 4 p.m. on the Friday after the election. The municipal clerk or executive director shall make a record of the procedure used to determine the validity of each ballot cast under this section. If, prior to 4 p.m. on the Friday after the election, the municipal clerk or executive director determines that the individual is qualified to vote in the ward or election district where the individual’s ballot is cast, the municipal clerk or executive director shall notify the board of canvassers for each municipality, special purpose district and county that is responsible for canvassing the election of that fact.

(c) A ballot cast under this section by an elector for whom proof of identification is required under s. 6.79 (2) or 6.86 (1) (ar) shall not be counted unless the municipal clerk or executive director of the board of election commissioners provides timely notification that the elector has provided proof of identification under this section.

(4) Whenever a board of canvassers receives timely notification from the municipal clerk or executive director of the board of election commissioners under sub. (3) that an individual who has voted under this section is qualified to vote in the ward or election district where the individual’s ballot is cast, the board of canvassers shall meet no later than 9 a.m. on the Monday following the election. The board of canvassers shall proceed to record the name of the individual who has cast the ballot and, if the ballot cast by the individual is otherwise valid, shall count the ballot and adjust the statements, certifications, and determinations accordingly. If the municipal clerk or executive director transmits returns of the election to the county clerk or board of election commissioners, the municipal clerk or executive director shall transmit to the county clerk or board of election commissioners a copy of...
of the amended returns together with amended tally sheets and all additional ballots reviewed by the board of canvassers.
