Failure to do so shall be deemed to be concealment of records under s. 645.41 (8), except that if the examinee is unable to obtain accounts, records, documents or evidences of transactions, failure shall not be deemed concealment if the examinee terminates immediately the relationship with the other person.

(c) Specific requirements. The commissioner shall examine insurers as otherwise required by law.

(3) AUDITS OR ACTUARIAL OR OTHER E VALUATIONS. In lieu of all or part of an examination under sub. Any audit or evaluation under this section is subject to s. 601.44, so far as applicable.

(4) ALTERNATIVES TO EXAMINATION. In lieu of all or part of an examination under this section, the commissioner may accept the report of an audit already made by certified public accountants or actuaries. Any audit or evaluation under this section is subject to s. 601.44, so far as applicable.
(5) PURPOSE AND SCOPE OF EXAMINATION. An examination may but need not cover comprehensively all aspects of the examinee’s affairs and condition. The commissioner shall determine the exact nature and scope of each examination, and in doing so shall take into account all relevant factors, including but not limited to the length of time the examinee has been doing business, the length of time the examinee has been licensed in this state, the nature of the business being examined, the nature of the accounting records available and the nature of examinations performed elsewhere. No person may obstruct or interfere with the examination in any way other than by legal process.

(4) CORRECTION OF BOOKS. If the commissioner finds the accounts or records to be inadequate for proper examination of the condition and affairs of the examinee or improperly kept or posted, the commissioner may employ experts to rewrite, post or balance them at the expense of the examinee.

(5) REPORT ON EXAMINATION. The examinee in charge of an examination shall make a proposed report of the examination which shall include such information and analysis as is ordered in sub. (1), together with the commissioner’s recommendations. Preparation of the proposed report may include conferences with the examinee or the examinee’s representatives at the option of the commissioner. The proposed report shall remain confidential until filed under sub. (6).

If a hearing is demanded, the commissioner shall give notice and hold a hearing under ch. 227, except that on demand by the examinee the hearing shall be private. Within 60 days after the hearing or if no hearing is demanded then within 60 days after the last day on which the examinee might have demanded a hearing, the commissioner shall adopt the report with any necessary modifications and file it for public inspection, or the commissioner shall order a new examination.

(7) COPY FOR EXAMINEE. The commissioner shall forward a copy of the examination report to the examinee immediately upon adoption, except that if the proposed report is adopted without change, the commissioner need only so notify the examinee.

(8) COPIES FOR BOARD. The examinee shall forthwith furnish copies of the adopted report to each member of its board.

(9) COPIES FOR OTHER PERSONS. The commissioner may furnish, without cost or at a price to be determined by the commissioner, a copy of the adopted report to the insurance commissioner of each state in the United States and of each foreign jurisdiction in which the examinee is authorized to do business, and to any other interested person in this state or elsewhere.

(10) REPORT AS EVIDENCE. In any proceeding by or against the examinee or any officer or agent thereof the examination report as adopted by the commissioner shall be admissible as evidence of the facts stated therein. In any proceeding commenced under ch. 645, the examination report whether adopted by the commissioner or not shall be admissible as evidence of the facts stated therein. In any proceeding by or against the examinee, the facts asserted in any report properly admitted in evidence shall be presumed to be true in the absence of contrary evidence.

601.45 Examination costs. (1) COSTS TO BE PAID BY EXAMINEE. The reasonable costs of examinations and audits under ss. 601.43, 601.44, and 601.83 (5) (f) shall be paid by examinees except as provided in sub. (4), either on the basis of a system of billing for actual salaries and expenses of examiners and other allowable expenses, including office overhead, or by a system of regular annual billings to cover the costs relating to a group of companies, or a combination of such systems, as the commissioner may by rule prescribe. Additional funding, if any, shall be governed by s. 601.32. The commissioner shall schedule annual hearings under s. 601.41 (5) to review current problems in the area of examinations.

The commissioner may require any examinee, before or from time to time during an examination, to deposit with the secretary of administration such deposits as the commissioner deems necessary to pay the costs of the examination. Any deposit and any payment made under subs. (1) and (2) shall be credited to the appropriation account under s. 20.145 (1) (g) 1.

(4) EXEMPTIONS. On the examinee’s request or on the commissioner’s own motion, the commissioner may pay all or part of the costs of an examination from the appropriation under s. 20.145 (1) (g) 1., whenever the commissioner finds that because of the frequency of examinations or other factors, imposition of the costs would place an unreasonable burden on the examinee. The commissioner shall include in his or her annual report information about any instance in which the commissioner applied this subsection.

(5) RETALIATION. Deposits and payments under this section shall not be deemed to be a tax or license fee within the meaning of any statute. If any other state charges a per diem fee for examination of insurers domiciled in this state, any examinee domiciled in that other state shall be required to pay the same fee when examined by the insurance commissioner of this state.

(g) To perform these and such other related functions as may be consistent with the state regulation of the business of insurance.

(2) ARTICLE II — DEFINITIONS. In this compact:

(b) “Bylaws” mean those bylaws established by the commission for its governance, or for directing or controlling the commission’s actions or conduct.

(l) “Rule” means a statement of general or particular applicability and future effect promulgated by the commission, including a uniform standard developed under sub. (3) ARTICLE III — ESTABLISHMENT OF THE COMMISSION AND VENUE. The compacting states hereby create the interstate insurance product regulation commission. Pursuant to sub. (4), the commission will have the power to develop uniform standards for product lines, receive and provide prompt review of products filed therewith, and give approval to those product filings satisfying applicable uniform standards; provided, that it is not intended for the commission to be the exclusive entity for receipt and review of insurance product filings. Nothing herein shall prohibit any insurer from filing its product in any state wherein the insurer is licensed to conduct the business of insurance, and any such filing shall be subject to the laws of the state where filed. The commission is a body corporate and politic, and an instrumentality of the compacting states. (7), to the extent and in the manner provided in this compact; and provided further, that any uniform standard established by the commission for long-term care insurance products may provide the same or greater protections for consumers as, but shall not provide less than, those protections set forth in the National Association of Insurance Commissioners’ Long-Term Care Insurance Model Act and Long-Term Care Insurance Model Regulation, respectively, adopted as of 2001. The commission shall consider whether any subsequent amendments to the National Association of Insurance Commissioners’ Long-Term Care Insurance Model Act or Long-Term Care Insurance Model Regulation adopted by the National Association of Insurance Commissioners require amending of the uniform standards established by the commission for long-term care insurance products.

(c) To receive and review in an expeditious manner products filed with the commission, and rate filings for disability income and long-term care insurance products, and give approval of those
products and rate filings that satisfy the applicable uniform standard, where such approval shall have the force and effect of law and be binding on the compacting states to the extent and in the manner provided in the compact.

(d) To receive and review in an expeditious manner advertisement relating to long-term care insurance products for which uniform standards have been adopted by the commission, and give approval to all advertisement that satisfies the applicable uniform standard. For any product covered under this compact, other than long-term care insurance products, the commission shall have the authority to require an insurer to submit all or any part of its advertisement with respect to that product for review or approval prior to use, if the commission determines that the nature of the product is such that an advertisement of the product could have the capacity or tendency to mislead the public. The actions of the commission as provided in this subsection shall have the force and effect of law and shall be binding in the compacting states to the extent and in the manner provided in the compact.

(e) To exercise its rule-making authority and designate products and advertisement that may be subject to a self-certification process without the need for prior approval by the commission.

(f) To promulgate operating procedures, pursuant to sub. (7), that shall be binding in the compacting states to the extent and in the manner provided in this compact.

(h) To issue subpoenas requiring the attendance and testimony of witnesses and the production of evidence.

(i) To establish and maintain offices.

(j) To purchase and maintain insurance and bonds.

(k) To borrow, accept, or contract for services of personnel, including, but not limited to, employees of a compacting state.

(L) To hire employees, professionals, or specialists, and elect or appoint officers, and to fix their compensation, define their duties and give them appropriate authority to carry out the purposes of the compact, and determine their qualifications; and to establish the commission’s personnel policies and programs relating to, among other things, conflicts of interest, rates of compensation, and qualifications of personnel.

(m) To accept any and all appropriate donations and grants of money, equipment, supplies, materials, and services, and to receive, utilize, and dispose of the same; provided, that at all times the commission shall strive to avoid any appearance of impropriety.

(n) To lease, purchase, accept appropriate gifts or donations of, or otherwise own, hold, improve, or use, any property, real, personal, or mixed; provided, that at all times the commission shall strive to avoid any appearance of impropriety.

(o) To sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed.

(p) To remit filing fees to compacting states as may be set forth in the bylaws, rules, or operating procedures.

(q) To enforce compliance by compacting states with rules, uniform standards, operating procedures, and bylaws.

(r) To provide for dispute resolution among compacting states.

(s) To advise compacting states on issues relating to insurers domiciled or doing business in noncompacting jurisdictions, consistent with the purposes of this compact.

(t) To provide advice and training to those personnel in state insurance departments responsible for product review, and to be a resource for state insurance departments.

(u) To establish a budget and make expenditures.

(v) To borrow money.

(w) To appoint committees, including advisory committees comprising members, state insurance regulators, state legislators or their representatives, insurance industry and consumer representatives, and such other interested persons as may be designated in the bylaws.

(x) To provide and receive information from, and to cooperate with, law enforcement agencies.

(y) To adopt and use a corporate seal.

(z) To perform such other functions as may be necessary or appropriate to achieve the purposes of this compact consistent with the state regulation of the business of insurance.

(5) ARTICLE V—ORGANIZATION OF THE COMMISSION. (a) Each compacting state shall have one member. Each member shall be qualified to serve in such capacity under the applicable law of the compacting state. Any member may be removed or suspended from office as provided by the law of the state from which he or she shall be appointed. Any vacancy occurring in the commission shall be filled in accordance with the laws of the compacting state wherein the vacancy exists. Nothing herein shall be construed to affect the manner in which a compacting state determines the election or appointment and qualification of its own commissioner.

(b) Each member shall be entitled to one vote and shall have an opportunity to participate in the governance of the commission in accordance with the bylaws. Notwithstanding any provision herein to the contrary, no action of the commission with respect to the promulgation of a uniform standard shall be effective unless two-thirds of the members vote in favor thereof.

(c) The commission shall, by a majority of the members, prescribe bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes, and exercise the powers, of the compact, including, but not limited to:

1. Establishing the fiscal year of the commission.

2. Providing reasonable procedures for appointing and electing members, as well as holding meetings, of the management committee.

3. Providing reasonable standards and procedures for all of the following:

   a. The establishment and meetings of other committees.

   b. Governing any general or specific delegation of any authority or function of the commission.

4. Providing reasonable procedures for calling and conducting meetings of the commission that consist of a majority of commission members, ensuring reasonable advance notice of each such meeting, and providing for the right of citizens and others to attend each such meeting with enumerated exceptions designed to protect the public’s interest, the privacy of individuals, and insurers’ proprietary information, including trade secrets. The commission may meet in camera only after a majority of the entire membership votes to close a meeting en toto or in part. As soon as practicable, the commission must make public all of the following:

   a. A copy of the vote to close the meeting revealing the vote of each member with no proxy votes allowed.

   b. Votes taken during such meeting.

5. Establishing the titles, duties, and authority, and reasonable procedures for the election, of the officers of the commission.

6. Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the commission.

7. Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees.

8. Providing a mechanism for winding up the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of the compact after the payment or reserving of all of its debts and obligations.

(d) The commission shall publish its bylaws in a convenient form and file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the compacting states.
(e) A management committee comprising no more than 14 members shall be established as follows:

1. One member from each of the 6 compacting states with the largest premium volume for individual and group annuities, life insurance, disability income, and long-term care insurance products, determined from the records of the National Association of Insurance Commissioners for the prior year.

2. Four members from those compacting states with at least 2 percent of the market based on the premium volume described in subd. 1, other than the 6 compacting states with the largest premium volume, selected on a rotating basis as provided in the bylaws.

3. Four members from those compacting states with less than 2 percent of the market, based on the premium volume described in subd. 1, with one selected from each of the 4 zone regions of the National Association of Insurance Commissioners as provided in the bylaws.

(f) The management committee shall have such authority and duties as may be set forth in the bylaws, including, but not limited to, all of the following:

1. Managing the affairs of the commission in a manner consistent with the bylaws and purposes of the commission.

2. Establishing and overseeing an organizational structure within, and appropriate procedures for, the commission to provide for the creation of uniform standards and other rules, receipt and review of product filings, administrative and technical support functions, review of decisions regarding the disapproval of a product filing, and the review of elections made by a compacting state to opt out of a uniform standard; provided, that a uniform standard shall not be submitted to the compacting states for adoption unless approved by two-thirds of the members of the management committee.

3. Overseeing the offices of the commission.

4. Planning, implementing, and coordinating communications and activities with other state, federal, and local government organizations in order to advance the goals of the commission.

(g) The commission shall elect annually officers from the management committee, with each having such authority and duties as may be specified in the bylaws.

(h) The management committee may, subject to the approval of the commission, appoint or retain an executive director for such period, upon such terms and conditions, and for such compensation as the commission determines appropriate. The executive director shall serve as secretary to the commission, but may not be a member of the commission. The executive director shall hire and supervise such other staff as may be authorized by the commission.

(i) A legislative committee comprising state legislators or their designees shall be established to monitor the operations of, and make recommendations to, the commission, including the management committee; provided, that the manner of selection and term of any legislative committee member shall be as set forth in the bylaws. Prior to the adoption by the commission of any uniform standard, revision to the bylaws, annual budget, or other significant matter as may be provided in the bylaws, the management committee shall consult with and report to the legislative committee.

(j) The commission shall establish 2 advisory committees, one of which shall comprise consumer representatives independent of the insurance industry, and the other comprising insurance industry representatives.

(k) The commission may establish additional advisory committees as its bylaws may provide for the carrying out of its functions.

(L) The commission shall maintain its corporate books and records in accordance with the bylaws.

(m) The members, officers, executive director, employees, and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred, within the scope of commission employment, duties, or responsibilities; provided, that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of that person.

(n) The commission shall defend any member, officer, executive director, employee, or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided, that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person’s intentional or willful and wanton misconduct.

(o) The commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided, that the actual or alleged act, error, or omission did not result from the intentional or willful and wanton misconduct of that person.

(p) Section 893.80 does not apply to claims against the commission.

(a) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

(b) Each member of the commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the commission. A member shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for members’ participation in meetings by telephone or other means of communication.

(c) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(a) The commission shall promulgate reasonable rules, including uniform standards, and operating procedures in order to effectively and efficiently achieve the purposes of this compact. Notwithstanding the foregoing, in the event the commission exercises its rule-making authority in a manner that is within the scope of the purposes of this section, or the powers granted hereunder, then such an action by the commission shall be invalid and have no force and effect.

(b) Rules and operating procedures shall be made pursuant to a rule-making process that conforms to the Model State Administrative Procedure Act of 1981 as amended, as may be appropriate to the operations of the commission. Before the commission adopts a uniform standard, the commission shall give written notice to all relevant state legislative committees in each compacting state responsible for insurance issues of its intention to adopt the uniform standard. The commission in adopting a uniform standard shall consider fully all submitted materials and issue a concise explanation of its decision.
(c) A uniform standard shall become effective 90 days after its promulgation by the commission or such later date as the commission may determine; provided, that a compacting state may opt out of a uniform standard as provided in this subsection. “Opt out” shall be defined as any action by a compacting state to decline to adopt or participate in a promulgated uniform standard. All other rules and operating procedures, and amendments thereto, shall become effective as of the date specified in each rule, operating procedure, or amendment.

(d) 1. A compacting state may opt out of a uniform standard either by legislation or regulation duly promulgated by the insurer, as provided under the compacting state’s administrative procedure act. If a compacting state elects to opt out of a uniform standard by regulation, it must give written notice to the commission no later than 10 business days after the uniform standard is promulgated, or at the time the state becomes a compacting state, and find that the uniform standard does not provide reasonable protections to the citizens of the state, given the conditions in the state. The commissioner shall make specific findings of fact and conclusions of law, based on a preponderance of the evidence, detailing the conditions in the state that warrant a departure from the uniform standard and determining that the uniform standard would not reasonably protect the citizens of the state. The commissioner must consider and balance all of the following factors and find that the conditions in the state and needs of the citizens of the state outweigh all of the following factors:
   a. The intent of the legislature to participate in, and the benefits of, an interstate agreement to establish national uniform consumer protections for the products subject to this section.
   b. The presumption that a uniform standard adopted by the commission provides reasonable protections to consumers of the relevant product.

2. Notwithstanding subd. 1., a compacting state may, at the time of its enactment of this compact, prospectively opt out of all uniform standards involving long-term care insurance products by expressly providing for such opt out in the enacted compact, and such an opt out may not be treated as a material variance in the offer or acceptance of any state to participate in this compact. Such an opt out shall be effective at the time of enactment of this compact by the compacting state and shall apply to all existing uniform standards involving long-term care insurance products and all subsequently promulgated.

(e) If a compacting state opts out of a uniform standard, the uniform standard shall remain applicable in the compacting state electing to opt out until such time as the opt out legislation is enacted into law or the regulation opting out becomes effective. Once the opt out of a uniform standard by a compacting state becomes effective as provided under the laws of that state, the uniform standard shall have no further force or effect in that state unless and until the legislation or regulation implementing the opt out is repealed or otherwise becomes ineffective under the laws of the state. If a compacting state opts out of a uniform standard after the uniform standard has been made effective in that state, the opt out shall have the same prospective effect as provided under sub. (4) for withdrawals.

(f) If a compacting state has formally initiated the process of opting out of a uniform standard by regulation, and while the regulatory opt out is pending, the compacting state may petition the commission, at least 15 days before the effective date of the uniform standard, to stay the effectiveness of the uniform standard in that state. The commission may grant a stay if it determines the regulatory opt out is being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the commission, the stay or extension thereof may postpone the effective date by up to 90 days, unless affirmatively extended by the commission; provided, that a stay may not be permitted to remain in effect for more than one year unless the compacting state can show extraordinary circumstances that warrant a continuance of the stay, including, but not limited to, the existence of a legal challenge that prevents the compacting state from opting out. A stay may be terminated by the commission upon notice that the rule-making process has been terminated.

(g) Not later than 30 days after a rule or operating procedure is promulgated, any person may file a petition for judicial review of the rule or operating procedure; provided, that the filing of such a petition may or may not stay or otherwise prevent the rule or operating procedure from becoming effective unless the court finds that the petition has a substantial likelihood of success. The court shall give deference to the actions of the commission consistent with applicable law and shall not find the rule or operating procedure to be unlawful if the rule or operating procedure represents a reasonable exercise of the commission’s authority.

ARTICLE VIII — COMMISSION RECORDS AND ENFORCEMENT.

(a) The commission shall promulgate rules establishing conditions and procedures for public inspection and copying of its information and official records, except such information and records involving the privacy of individuals and insurers’ trade secrets. The commission may promulgate additional rules under which it may make available to federal and state agencies, including law enforcement agencies, records and information otherwise exempt from disclosure, and may enter into agreements with such agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(b) Except as to privileged records, data, and information, the laws of any compacting state pertaining to confidentiality or nondisclosure may not relieve any compacting state commissioner of the duty to disclose any relevant records, data, or information to the commission; provided, that disclosure to the commission shall not be deemed to waive or otherwise affect any confidentiality requirement; and provided further, that, except as otherwise expressly provided in this section, the commission shall not subject to the compacting state’s laws pertaining to confidentiality and nondisclosure with respect to records, data, and information in its possession. Confidential information of the commission shall remain confidential after such information is provided to any commissioner.

(c) The commission shall monitor compacting states for compliance with duly adopted bylaws, rules, including uniform standards, and operating procedures. The commission shall notify any noncomplying compacting state in writing of its noncompliance with commission bylaws, rules, or operating procedures. If a noncomplying compacting state fails to remedy its noncompliance within the time specified in the notice of noncompliance, the compacting state shall be deemed to be in default under sub. (4).

(d) The commissioner of any state in which an insurer is authorized to do business, or is conducting the business of insurance, shall continue to exercise his or her authority to oversee the market regulation of the activities of the insurer in accordance with the provisions of the state’s law. The commissioner’s enforcement of compliance with the compact is governed by the following provisions:

1. With respect to the commissioner’s market regulation of a product or advertisement that is approved by or certified to the commission, the content of the product or advertisement shall not constitute a violation of the provisions, standards, or requirements of the compact except upon a final order of the commission, issued at the request of a commissioner after prior notice to the insurer and an opportunity for hearing before the commission.

2. Before a commissioner may bring an action for violation of any provision, standard, or requirement of the compact relating to the content of an advertisement not approved by or certified to the commission, the commission, or an authorized commissioner or employee, must authorize the action. However, authorization pursuant to this subdivision does not require notice to the insurer, opportunity for hearing, or disclosure of requests for authorization or records of the commission’s action on such requests.

ARTICLE IX — DISPUTE RESOLUTION. The commission shall attempt, upon the request of a member, to resolve any dis-

putes or other issues that are subject to this compact and that may arise between 2 or more compacting states, or between compacting states and noncompacting states, and the commission shall promulgate an operating procedure providing for resolution of such disputes.

(10) ARTICLE X — PRODUCT FILING AND APPROVAL. (a) Insurers and 3rd-party filers seeking to have a product approved by the commission shall file the product with, and pay applicable filing fees to, the commission. Nothing in this section shall be construed to restrict or otherwise prevent an insurer from filing its product with the insurance department in any state wherein the insurer is licensed to conduct the business of insurance, and such filing shall be subject to the laws of the states where filed.

(b) The commission shall establish appropriate filing and review processes and procedures pursuant to commission rules and operating procedures. Notwithstanding any provision herein to the contrary, the commission shall promulgate rules to establish conditions and procedures under which the commission will provide public access to product filing information. In establishing such rules, the commission shall consider the interests of the public in having access to such information, as well as protection of personal and financial information and trade secrets, that may be contained in a product filing or supporting information.

(c) Any product approved by the commission may be sold or otherwise issued in those compacting states for which the insurer is legally authorized to do business.

(11) ARTICLE XI — REVIEW OF COMMISSION DECISIONS REGARDING FILLINGS. (a) Not later than 30 days after the commission has given notice of a disapproved product or advertisement filed with the commission, the insurer or 3rd-party filer whose filing was disapproved may appeal the determination to a review panel appointed by the commission. The commission shall promulgate rules to establish procedures for appointing such review panels and provide for notice and hearing. An allegation that the commission, in disapproving a product or advertisement filed with the commission, acted arbitrarily, capriciously, or in a manner that is an abuse of discretion or otherwise not in accordance with the law, is subject to judicial review in accordance with sub. (3).

(b) The commission shall have authority to monitor, review, and reconsider products and advertisement subsequent to their filing or approval upon a finding that the product does not meet the relevant uniform standard. Where appropriate, the commission may withdraw or modify its approval after proper notice and hearing, subject to the appeal process in par. (a).

(12) ARTICLE XII — FINANCE. (a) The commission shall pay or provide for the payment of the reasonable expenses of its establishment and organization. To fund the cost of its initial operations, the commission may accept contributions and other forms of funding from the National Association of Insurance Commissioners, compacting states, and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of the commission concerning the performance of its duties shall not be compromised.

(b) The commission shall collect a filing fee from each insurer and 3rd-party filer filing a product with the commission to cover the cost of the operations and activities of the commission and its staff in a total amount sufficient to cover the commission’s annual budget.

(c) The commission’s budget for a fiscal year may not be approved until it has been subject to notice and comment as set forth in sub. (7).

(d) The commission shall be exempt from all taxation in and by the compacting states.

(e) The commission may not pledge the credit of any compacting state, except by and with the appropriate legal authority of that compacting state.

(f) The commission shall keep complete and accurate accounts of all its internal receipts, including grants and donations, and disbursements of all funds under its control. The internal financial accounts of the commission shall be subject to the accounting procedures established under its bylaws. The financial accounts and reports including the system of internal controls and procedures of the commission shall be audited annually by an independent certified public accountant. Upon the determination of the commission, but no less frequently than every 3 years, the review of the independent auditor shall include a management and performance audit of the commission. The commission shall make an annual report to the governor and legislature of each of the compacting states, which shall include a report of the independent audit. The commission’s internal accounts shall not be confidential and such materials may be shared with the commissioner of any compacting state upon request; provided, that any work papers related to any internal or independent audit and any information regarding the privacy of individuals and insurers’ proprietary information, including trade secrets, shall remain confidential.

(g) No compacting state shall have any claim to or ownership of any property held by or vested in the commission or to any commission funds held pursuant to the provisions of this compact.

(13) ARTICLE XIII COMPACTING STATES, EFFECTIVE DATE, AND AMENDMENT. (a) Any state is eligible to become a compacting state.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by 2 compacting states; provided, that the commission shall become effective for purposes of adopting uniform standards for, reviewing, and giving approval or disapproval of, products filed with the commission that satisfy applicable uniform standards only after 26 states are compacting states or, alternatively, only after states representing greater than 40 percent of the premium volume for life insurance, annuity, disability income, and long-term care insurance products, based on records of the National Association of Insurance Commissioners for the prior year, are compacting states. Thereafter, it shall become effective and binding as to any other compacting state upon enactment of the compact into law by that state.

(c) Amendments to the compact may be proposed by the commission for enactment by the compacting states. No amendment shall become effective and binding upon the commission and the compacting states unless and until all compacting states enact the amendment into law.

(14) ARTICLE XIV — WITHDRAWAL, DEFAULT, AND TERMINATION. (a) Once effective, the compact shall continue in force and binding upon each and every compacting state; provided, that a compacting state may withdraw from the compact (“withdrawing state”) by enacting a statute specifically repealing the statute that enacted the compact into law.

(b) The effective date of withdrawal is the effective date of the repealing statute. The withdrawal shall not apply to any product filings approved or self-certified, or any advertisement of such products, on the date the repealing statute becomes effective, except by mutual agreement of the commission and the withdrawing state, unless the approval is rescinded by the withdrawing state as provided in par. (e).

(c) The commissioner of the withdrawing state shall immediately notify the management committee in writing upon the introduction of legislation repealing this compact in the withdrawing state.

(d) The commission shall notify the other compacting states of the introduction of such legislation within 10 days after its receipt of notice thereof.

(e) The withdrawing state is responsible for all obligations, duties, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal, except to the extent those obligations may have been released or relinquished by mutual agreement of the commission and the withdrawing state. The commission’s approval of products and advertisement
prior to the effective date of withdrawal shall continue to be effective and be given full force and effect in the withdrawing state, unless formally rescinded by the withdrawing state in the same manner as provided by the laws of the withdrawing state for the prospective disapproval of products or advertisement previously approved under state law.

(f) Reinstatement following withdrawal of any compacting state shall occur upon the effective date of the withdrawing state reenacting the compact.

(g) If the commission determines that any compacting state has at any time defaulted ("defaulting state") in the performance of any of its obligations or responsibilities under this compact, the bylaws, or duly promulgated rules or operating procedures, then, after notice and hearing as set forth in the bylaws, all rights, privileges, and benefits conferred by this compact on the defaulting state shall be suspended from the effective date of default as fixed by the commission. The grounds for default include, but are not limited to, failure of a compacting state to perform its obligations or responsibilities and any other grounds designated in commission rules. The commission shall immediately notify the defaulting state in writing of the defaulting state's suspension pending a cure of the default. The commission shall stipulate the conditions and the period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state shall be terminated from the compact and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of termination.

(h) Product approvals by the commission or product self-certifications, or any advertisement in connection with such product, that are in force on the effective date of termination shall remain in force in the defaulting state in the same manner as if the defaulting state had withdrawn voluntarily under par. (a).

(i) Reinstatement following termination of any compacting state requires a reenactment of the compact.

(j) The compact dissolves effective upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state.

(k) Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the commission shall be wound up and all surplus funds shall be distributed in accordance with the bylaws.

(15) ARTICLE XV — SEVERABILITY AND CONSTRUCTION. (a) The provisions of this compact shall be severable; and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

(b) The provisions of this compact shall be liberally construed to effectuate its purposes.

(16) ARTICLE XVI — BINDING EFFECT OF COMPACT AND OTHER LAWS. (a) Nothing herein prevents the enforcement of any other law of a compacting state, except as provided in par. (b).

(b) For any product approved by or certified to the commission, the rules, uniform standards, and any other requirements of the commission shall constitute the exclusive provisions applicable to the content, approval, and certification of such products. For advertisement that is subject to the commission's authority, any rule, uniform standard, or other requirement of the commission that governs the content of the advertisement shall constitute the exclusive provision that a commissioner may apply to the content of the advertisement. Notwithstanding the foregoing, no action taken by the commission shall abrogate or restrict any of the following:

1. The access of any person to state courts.
2. Remedies available under state law related to breach of contract, tort, or other laws not specifically directed to the content of the product.
3. State law relating to the construction of insurance contracts.

4. The authority of the secretary of agriculture, trade and consumer protection or the attorney general of the state, including, but not limited to, maintaining any actions or proceedings, as authorized by law.

(c) All insurance products filed with individual states shall be subject to the laws of those states.

(d) All lawful actions of the commission, including all rules and operating procedures promulgated by the commission, are binding upon the compacting states. All agreements between the commission and the compacting states are binding in accordance with their terms. Upon the request of a party to a conflict over the meaning or interpretation of commission actions, and upon a majority vote of the compacting states, the commission may issue advisory opinions regarding the meaning or interpretation in dispute.

(e) In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by that provision upon the commission shall be ineffective as to that compacting state, and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.

History: 1979 c. 102 s. 236 (6).

601.62 Hearings. (1) HEARING REQUIRED. Whenever chs. 600 to 655 expressly so provide, the commissioner shall hold a hearing before issuing an order.

(3) ADJUDICATORY HEARINGS. In addition to the requirements of ch. 227, the following provisions apply:

(a) Subsequent hearings. Whenever an order is issued without a hearing, any person aggrieved by the order may demand a hearing within 30 days after the date on which the notice of the order was mailed. Failure to demand a hearing within the period prescribed therefor is waiver of a hearing. The demand shall be in writing and shall be served on the commissioner by delivering a copy to the commissioner or by leaving it at the commissioner's office. The commissioner shall thereupon hold a hearing not less than 10 nor more than 60 days after service of the demand.

(d) IMMUNITY FROM PROSECUTION. (a) No natural person is excused from attending and testifying or from producing any document or record before the commissioner, or from obedience to
the subpoena of the commissioner, or from appearing in any proceeding instituted by the commissioner, on the ground that the testimony or evidence required from the person may tend to incriminate the person or subject the person to a penalty or forfeiture; but no such person may be criminally prosecuted for or on account of his or her testimony or evidence, after claiming privilege against self-incrimination, except that the person testifying is not exempt from prosecution and punishment for perjury, false swearing or contempt committed in testifying.

(b) The immunity provided under par. (a) is subject to the restrictions under s. 972.085.

Legislative Council Note on sub. (5), 1975: This replaces ss. 207.13 and 201.53 (11) and (12) [repealed by this act]. Section 207.13 was in the unfair insurance business methods chapter but applied in terms to "any hearing". This new provision is even broader in procedures covered. It is modeled after the securities act provision (s. 551.56 (3) of the statutes) with one phrase deleted because s. 601.18 makes it unnecessary, and other changes, some editorial and one limiting the scope of the immunity to criminal prosecution. Other similar provisions are to be found in s. 93.17 (department of agriculture), s. 97.20 (10) (tame food regulation), s. 111.07 (employment relations commission), s. 196.48 (public service commission), and s. 972.08 (criminal proceedings). Section 201.53 (11) and (12) only applied in terms to s. 201.53, which contained a miscellaneous group of provisions, mostly concerning unfair marketing practices, but it applied very broadly to all proceedings and, apparently, even informal requests for information. [Bill 16–S]

601.63 Notice and effective date of orders. (1) Notice to person addressed by order. Notice of any order by the commissioner shall be served under s. 227.48.

(2) Notification to agents of revocation of certificate of authority to do business. Upon issuance of any order limiting, suspending or revoking an insurer's authority to do business in this state, the commissioner shall notify by mail all agents of the insurer of whom the commissioner has record. The commissioner shall also publish a class 1 notice of the order under ch. 985.

(3) Delay of effective date. Except as provided in sub. (4) or as expressly provided otherwise by statute, all orders of the commissioner shall take effect 10 days after notice under sub. (1) or at a later date specified in the order.

(3m) Hearing request. If the order was issued without a hearing, any person aggrieved by the order may demand a hearing under s. 601.62 (3) (a). If no demand for a hearing is made within the prescribed time, the order is final.

(4) Suspension of order. Whenever a hearing is demanded under s. 601.62 (3) (a) or a rehearing is requested under s. 227.49, the commissioner may suspend the order or any part thereof until after the hearing or rehearing. If the commissioner refuses to suspend the order, any person aggrieved thereby may seek a court order under ch. 813 to restrain enforcement of the order until after the hearing or rehearing.

(5) Actions subject to approval or disapproval. (a) Required approval. Whenever the law requires the commissioner’s approval for a certain action, the action is not effective until expressly approved. The approval is deemed refused if the commissioner does not act within 60 days after receiving the application for approval.

(b) Reserved disapproval. Whenever the law provides that a certain action does not become effective if disapproved by the commissioner within a certain period, the action may be made effective prior to the expiration of the period by being affirmatively approved by the commissioner.

(c) Specific provisions. Paragraphs (a) and (b) do not apply to the extent that the law specifically provides otherwise.

601.64 Enforcement procedure. (1) Injunctions and restraining orders. The commissioner may commence an action in circuit court in the name of the state to restrain by temporary or permanent injunction or by temporary restraining order any violation of chs. 600 to 655 or s. 149.13, 2011 stats., any rule promulgated under chs. 600 to 655, or any order issued under s. 601.41 (4). The commissioner need not show irreparable harm or lack of an adequate remedy at law in an action commenced under this subsection.

(2) Compulsive forfeitures. If a person does not comply with an order issued under s. 601.41 (4) within 2 weeks after the commissioner has given the person notice of the commissioner’s intention to proceed under this subsection, the commissioner may commence an action for a forfeiture in such sum as the court considers just, but not exceeding $5,000 for each day that the violation continues after the commencement of the action until judgment is rendered. No forfeiture may be imposed under this subsection if at the time the action was commenced the person was in compliance with the order, nor for any violation of an order occurring while any proceeding for judicial review of the order was pending, unless the court in which the proceeding was pending certifies that the claim of invalidity or nonapplicability of the order was frivolous or a sham. If after judgment is rendered the person does not comply with the order, the commissioner may commence a new action for a forfeiture and may continue commencing actions until the person complies. The proceeds of all actions under this subsection, after deduction of the expenses of collection, shall be paid into the common school fund of the state.

(3) Forfeitures and civil penalties. (a) Restitutionary forfeiture. Whoever violates an effective order issued under s. 601.41 (4), any insurance statute or rule, or s. 149.13, 2011 stats., shall forfeit to the state twice the amount of any profit gained from the violation, in addition to any other forfeiture or penalty imposed.

(b) Forfeiture for violation of order. Whoever violates an order issued under s. 601.41 (4) which is effective under s. 601.63 shall forfeit to the state not more than $1,000 for each violation. Each day that the violation continues is a separate offense.

(3) Forfeiture for violation of statute or rule. Whoever violates an insurance statute or rule or s. 149.13, 2011 stats., intentionally aids a person in violating an insurance statute or rule or s. 149.13, 2011 stats., or knowingly permits a person over whom he or she has authority to violate an insurance statute or rule or s. 149.13, 2011 stats., shall forfeit to the state not more than $1,000 for each violation. If the statute or rule imposes a duty to make a report to the commissioner, each week of delay in complying with the duty is a new violation.

(d) Procedure. The commissioner may order any person to pay a forfeiture imposed under this subsection or s. 601.65, which shall be paid into the common school fund. If the order is issued without a hearing, the affected person may demand a hearing under s. 601.62 (3) (a). If the person fails to request a hearing, the order is conclusive as to the person’s liability. The scope of review for forfeitures ordered is that specified under s. 227.57. The commissioner may cause action to be commenced to recover the forfeiture. Before an action is commenced, the commissioner may compromise the forfeiture.

(4) Criminal penalty. Whoever intentionally violates or intentionally permits any person over whom he or she has authority to violate or intentionally aids any person in violating any insurance statute or rule of this state, s. 149.13, 2011 stats., or any effective order issued under s. 601.41 (4) is guilty of a Class I felony, unless a specific penalty is provided elsewhere in the statutes. Intent has the meaning expressed under s. 939.23.

(5) Revocation, suspension and limitation of licenses. Whenever a licensee of the office other than an insurer, a motor club, an adjuster or an insurance intermediary persistently or substantially violates chs. 600 to 646 or an order of the commissioner under s. 601.41 (4), or if the licensee’s methods and practices in the conduct of business endanger, or financial resources are inadequate to safeguard, the legitimate interests of customers and the

(2) A firm is liable for a forfeiture of not more than $1,000 for
each violation by an insurance agent of a provision of, a rule pro-
mulgated under or an order issued under chs. 600 to 655 if the vi-
olation is in connection with an insurance policy or group certi-

ance agent are in connection with insurance policies or group cer-
tificates obtained or to be obtained through or from the firm.

(c) The insurance agent is employed by or is under contract
with the firm to market insurance policies or group certificates.

(3) If a provision of, a rule promulgated under or an order
issued under chs. 600 to 655 imposes a duty to submit a periodic
or recurring report to the commissioner, each week of delay in
submitting the report constitutes a separate violation. Each day of
continued violation of an order issued under s. 601.41 (4) consti-
tutes a separate violation.

601.71 Enforcement of policyholder rights. When the
commissioner is satisfied that any nondomestic insurer which no
longer has a certificate of authority in this state does or omits to
do any act whereby the rights of policyholders who are residents
of this state, or who hold contracts issued or delivered in this state,
are adversely affected, or whereby its ability to carry out its con-
tracts with those policyholders is impaired, the commissioner
may, with the agreement of the attorney general, bring an action
in the name of the state on behalf of all policyholders so situated
for the purpose of enforcing their rights. The attorney general
shall act as attorney for the state in the action and the expenses
shall be borne as in other civil actions in behalf of the state. Upon
service of the complaint the insurer shall file with the commis-
sioner the names and addresses of all policyholders so situated.
A notice of action shall be mailed to every such policyholder,

determines. Any policyholder affected by the action may inter-
vene.
