In case of removal or sale of property, the board may terminate the insurance on that property without terminating its entire insurance in the property fund.

(4) **Insurers of Personal Property.** All personal property of the local governing unit is insured and premiums therefor must be paid under this section except to the extent that coverage is excluded by resolution under s. 605.02 (1).

### 605.22 Property fund rates and assets. (1) **Rate Determination.** The property fund’s annual premium rates shall be actuarially determined to be sufficient to maintain a ratio of net premiums written to surplus of no less than 200 percent. The rate standards under s. 625.11 shall apply to property fund rates.

(2) **Assessments.** The property fund shall levy an assessment on all insured local governmental units participating in the fund whenever the ratio of net premiums written to surplus is greater than 225 percent.

Assessments shall be levied on all insured local governmental units participating in the fund in the fiscal year ending immediately prior to the date of the notice of assessment. Assessments shall be levied at the same rate according to each insured local governmental unit’s proportional share of direct premiums written in the fund’s fiscal year that ended immediately prior to the date of the notice of assessment. The date on which the assessment is due shall be specified in the notice of assessment and may not be less than 60 days after the date of the notice of assessment.

The property fund shall collect unpaid assessments in the manner provided for collection of unpaid premiums under s. 605.21 (2). If an insured local governmental unit does not pay an assessment within 60 days after the assessment is due, the fund shall terminate coverage for that local governmental unit. If a local governmental unit cancels its coverage and a refund of premiums is due to the local governmental unit, the refund due shall be reduced by the amount of any unpaid assessment. A local governmental unit that fails to pay an assessment when due may not participate in the property fund until the past due assessment is paid.

(3) **Dividends.** The property fund shall pay a dividend to its insured local governmental units whenever the ratio of net premiums written to surplus does not exceed 45 percent, provided that, following the payment of the dividend, the ratio of net premiums written to surplus does not exceed 10 percent and the amount of surplus is not less than $3,000,000. Dividends shall be paid to all insured local governmental units participating in the property fund in the fiscal year that ended immediately prior to the date of the notice of the dividend. Dividends shall be paid at the same rate according to each insured local governmental unit’s proportional share of premiums written in the fund’s fiscal year that ended immediately prior to the date of the notice of the dividend.

**History:** 1973 c. 117; 1979 c. 102 s. 236 (15); 2005 a. 253.

### 605.24 Recovery of losses from other parties. (1) **Suit by Attorney General.** Upon the request of the manager, the attorney general may proceed in the courts of any jurisdiction to recover from any responsible party other than an insured or any person using or dealing with the property in the course of the person’s employment for the insured, for any loss or damage to any property covered by insurance under this chapter. Any recovery less expenses shall be paid into the property fund, but if the amount recovered less expenses exceeds paid out by the fund, the difference shall be paid to the insured.
