A member, insured employee or owner may then either pay the member’s, insured employee’s or owner’s share of the deficiency, or accept the imposition of a lien on the certificate of insurance, to bear interest at the rate charged on policy loans under the certificate, compounded annually until paid, or may accept a proportionate reduction in benefits under the certificate. The fraternal may specify the manner of the election and which alternative is to be presumed if no election is made. No assessment of shares of a deficiency under this paragraph may take effect until 90 days after the date the commissioner is notified of the assessment, unless the commissioner approves an earlier effective date. 1. The policy, certificate of insurance or contract provides life insurance or annuity benefits in variable amounts.

(4) Approval by members. After being approved by the commissioner, the plan shall be submitted for approval to the persons who were voting members on the date of the commissioner’s approval under sub. (3). At least a majority of the votes cast must be in favor of the plan, or a larger number if required by the laws of the fraternal.

(5) Officers and directors. The officers and directors of the fraternal shall be the initial officers and directors of the mutual.

(6) Report to commissioner. A copy of the resolution adopted under sub. (7) Certificate of authority. If the requirements of the law are met, the commissioner shall issue a certificate of authority to the new mutual. Thereupon the fraternal shall cease its legal existence and the corporate existence of the new mutual shall begin, but it shall be deemed to have been incorporated as of the date the converted fraternal was incorporated. All expenses of the conversion, including the expenses incurred by the commissioner and the prorated salaries of any insurance office staff members involved, shall be borne by the corporation being converted.

History: 1975 c. 373, 421.

614.77 Rehabilitation or involuntary conversion. If the commissioner believes that a fraternal does not satisfy the requirements of this chapter, the commissioner shall petition for rehabilitation under s. 645.31, for the purpose of rehabilitating the fraternal or, if that is not possible, of converting the fraternal to a mutual.

History: 1975 c. 373, 421.

614.78 Maintenance of solvency. (1) ORDER DECLARING HAZARDOUS CONDITION. When a domestic fraternal has an authorized control level event, as defined by the commissioner by rule, under circumstances the commissioner determines will not be promptly remedied, the commissioner, in addition to taking any other action required or allowed by law, may issue an order declaring the domestic fraternal to be in a hazardous condition and may order the fraternal to remedy the authorized control level event. This order may include authorization to the fraternal to negotiate an agreement to transfer, subject to sub. (2), all members, certificates, and other assets and liabilities of the fraternal to another fraternal or other insurer through merger, consolidation, assumption, or other means.

(2) SPECIFICATIONS REGARDING TRANSFER. (a) Any transfer under sub. (1) shall constitute a novation of the transferring fraternal’s certificates that is effective on the date of the transfer. The fraternal shall ensure the transfer is concluded within the time agreed to by the commissioner and subject to approval by the commissioner. The transfer agreement under this paragraph is considered to be fully approved by the domestic fraternal upon a majority vote of the fraternal’s board of directors, notwithstanding s. 614.73 and any other law or regulation that requires notice to or approval by the fraternal’s members or supreme governing body. Any law of a fraternal requiring notice to or approval by the fraternal’s members or supreme governing body shall be suspended by this section. The transferring fraternal shall provide notice to its members of the transfer by mail or in the manner provided by s. 614.41 (1) no later than 30 days after the transfer is approved by the commissioner.

(b) If the fraternal seeks to make a transfer under sub. (1) to an organization that does not have a certificate of authority in this state, the commissioner may grant the organization a limited certificate of authority to service the existing certificates and fulfill all obligations owed to certificate holders following the transfer but not to otherwise transact insurance business in this state.

(c) By order of the commissioner and notwithstanding any law or rules to the contrary and any laws of the fraternal, the board of directors of the fraternal may suspend or modify the qualifications for membership in the fraternal as necessary to facilitate a transfer under sub. (1).

(d) Upon the effective date of a transfer to an organization that is not a fraternal and in consideration for the transfer, each member of the fraternal is considered to agree that any terms of a certificate subjecting the certificate to the laws of the fraternal or providing for the maintenance of the fraternal’s solvency, except to the extent of any outstanding lien not released by the terms of the transfer, shall be null and void and the assuming organization shall endorse the certificate accordingly.

History: 1975 c. 373, 421.

614.79 Rehabilitation and liquidation. (1) GROUNDS FOR REHABILITATION OR LIQUIDATION. In addition to the grounds for rehabilitation under s. 645.31 and the grounds for liquidation under s. 645.41, any of the following is grounds for rehabilitation under s. 645.31 or liquidation under s. 645.41:

(a) Failure by a domestic fraternal to comply with an order of the commissioner under s. 614.78.

(b) Failure by a domestic fraternal to remedy within the time specified by the commissioner a hazardous condition as determined by the commissioner under s. 614.78.

(2) CRITERIA FOR REHABILITATION. For purposes of a proceeding commenced under this section, rehabilitation under s. 645.31 is presumed to be futile and to serve no useful purpose, unless the commissioner reasonably believes that rehabilitation has a high probability of returning the fraternal to long-term viability or will facilitate a transfer to another fraternal or insurer.

(3) ASSESSMENTS UNDER LIQUIDATION. Notwithstanding ss. 614.19 (3) and 645.68, after a petition for liquidation of a fraternal is filed, the fraternal may not assess payment of shares of a deficiency under s. 614.19 (3) (b), unless the commissioner determines that the assessment is for the purpose of satisfying the obligations of the fraternal to creditors described in s. 645.68 (1) and (3). The fraternal may not make an assessment for the purpose of any deficiency related to other claims including those described in s. 645.68 (3c), (3m), (3r), (4), (5), (6), (7), (8), (9), (10), or (11).

(4) CONDUCT OF LIQUIDATION PROCEEDINGS. Liquidation proceedings under this section for a fraternal shall be conducted consistent with the purposes of s. 645.01 (4) (c) in a manner designed to conserve assets, limit liquidation expenses, and avoid any assessment of shares of a deficiency.

(5) TRANSFER BY LIQUIDATOR. The liquidator of a fraternal under this section shall attempt to transfer policies or certificates of the liquidating fraternal under s. 645.46 (8) by way of assignment, assumption, or other means to a qualified fraternal, either domestic or foreign, or, if no qualified fraternal will accept the transfer, to an insurer authorized to transact life insurance business in this state. In determining whether a fraternal or insurer is qualified to accept a transfer under this subsection, the liquidator shall consider the solvency of the fraternal or other insurer among other things. No fraternal shall be obligated to accept a transfer under this subsection. Upon the effective date of a transfer under this subsection to an insurer that is not a fraternal and in consideration for the transfer, each member of the fraternal and owner of a policy or certificate being transferred is considered to agree that any terms of the insurance policy or certificate that provide for the maintenance of the fraternal’s solvency or that subject the policy or certificate to the policies of the fraternal shall be null and void and to agree to any other changes to terms of the policy or certificate that are determined by the liquidator to be necessary to effectuate the transfer. The insurer accepting transfer shall endorse the policy or certificate accordingly. Any transfer under this subsection is a novation of the policy or certificate that is effective on the date of transfer.
