617.01 Construction and purpose. (1) CONSTRUCTION. This chapter shall be liberally construed to achieve the purpose of its sections and rules.

(2) PURPOSE. The purpose of this chapter is to protect the interests of insureds, stockholders and of the public against intercorporate transactions among affiliates that may affect the solidity of insurers authorized to do business in this state or otherwise be detrimental to protected interests.

617.03 Exemptions. The commissioner may exempt any specified person or class of persons from this chapter or any provisions thereof, when the commissioner deems such exemption consistent with the purposes of this chapter and in the public interest. History: 1979 c. 102 s. 236 (6).

617.11 Reports on affiliates. (1) INFORMATION. Except as provided under sub. (2) and (2m), an insurer authorized to do business in this state, and a person attempting to acquire or having control of an insurer authorized to do business in this state, shall report to the commissioner the information concerning the insurer and its affiliates that the commissioner requires by rule. The commissioner may promulgate rules prescribing the timing of reports under this subsection, including, but not limited to, requiring periodic reporting and the form and procedure for filing reports.

(2) EXEMPTION FOR CERTAIN INSURERS. Neither sub. (1) nor s. 617.21 (1) applies to a foreign insurer or an alien insurer, nor to a person attempting to acquire or having control of the foreign or alien insurer subject to all of the following:

(a) Laws, rules or regulations of the jurisdiction of its domicile that are substantially similar to or more stringent than sub. (1) and rules promulgated under sub. (1).

(b) Beginning January 1, 1989, laws, rules or regulations of its domicile that are substantially similar to or more stringent than s. 617.21 (1) and (3r) and 617.225 and rules promulgated under those sections.

(2m) EXEMPTION IF THE INSURER REPORTS. Subsection (1) does not apply to a person attempting to acquire or having control of an insurer, if the insurer reports as required under sub. (1) on behalf of the person.

617.21 Transactions with affiliates. One insurer may report on behalf of all affiliated insurers if it provides all the information that would be required if each insurer reported separately.

(5) CONSENT TO JURISDICTION. Every insurer authorized to do business in this state shall promptly submit to the commissioner a statement from each of its affiliates that owns stock in the insurer either directly or through intermediaries, that controls the insurer or that is a party to any transaction, dividend or distribution that the insurer is required to report under s. 617.21, to the effect that the affiliate agrees to be subject to the jurisdiction of the commissioner and the courts of this state for the purposes of this chapter. The commissioner may by rule require that such statements be submitted for other classes of affiliates if he or she finds that the interests of policyholders or the public so require.

(6) INFORMATION ORDER. Notwithstanding subs. (2) and (2m), the commissioner may, by order, require any insurer authorized to do business in this state, or any person attempting to acquire or having control of the insurer, to report information under sub. (1) or other information to the commissioner. History: 1979 c. 102 s. 236 (2), (5); 1987 a. 167.

617.12 Rules requiring enterprise risk reports. (1) In this section, “enterprise risk” means any activity, circumstance, event, or series of events involving one or more affiliates of an insurer that, if not remedied, is likely to have a material adverse effect on the financial condition or liquidity of the insurer or its insurance holding company system, as defined in s. 622.03 (2), as a whole, including anything that would cause the insurer’s risk-based capital to fall into company action level as set forth in s. Ins 51.01 (4), Wis. Adm. Code, or that would cause the insurer to be in a hazardous financial condition as described in s. 623.11, 645.31, or 645.41.

(2) The commissioner shall promulgate rules requiring insurers to report their enterprise risk, including the form of the report and the manner and process for filing the report. History: 2013 a. 279.

617.13 Rules requiring group capital calculations and liquidity stress tests. (2) Sections 19.31 to 19.37 do not apply to the filings made under sub. (1) or to any information submitted to the commissioner in connection with the filings. The filings made under sub. (1) are not subject to subpoena or discovery and may not be admissible in evidence in any private civil action. The commissioner shall only share a filing made under sub. (1), and any information requested in connection with the filing, with the insurance regulatory authorities of states having statutes or regulations substantially similar to this section and who have agreed in writing not to disclose the information. (2) The commissioner may promulgate rules under this section including, but not limited to, rules prescribing the form and content of and procedure for filing reports under this section.

(3) An insurer may declare an extraordinary dividend that is conditioned upon the insurer’s compliance with sub. (1). (4) In addition to any remedies available under s. 617.23, an insurer may recover from an affiliate any extraordinary dividend paid in violation of this section.

617.23 Liability of affiliates. (1) Right of receiver to recover dividends paid. (2) to (4).

(2) Dividend payments recoverable. No such dividend shall be recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill the obligations to claimants under its insurance contracts.

(3) Persons liable. (a) Affiliates at time of payment. Any person who was an affiliate of the insurer at the time the distributions were paid shall be liable up to the amount of distributions he or she received.

617.25 Officers and directors. (1) No director or officer of an insurer or of an affiliate of an insurer may permit, participate in or assent to a transaction or payment or acceptance of a dividend or distribution prohibited under this chapter.

(2) An officer or director of an insurer or of an affiliate of an insurer who knows, or reasonably should know, that the insurer or affiliate has entered into a transaction or paid a dividend or distribution that violates this chapter shall report the transaction, dividend or distribution to the commissioner in writing within 30 days after attaining that knowledge.
