A regular salaried officer, employee, or other representative of an insurer or licensed intermediary, other than a risk retention group or risk purchasing group, who devotes substantially all working time to activities other than those in par. (a), and who receives no compensation that is directly dependent upon the amount of insurance business obtained.

2. A regular salaried officer or employee of a person seeking to procure insurance, other than for members of a risk purchasing group, who receives no compensation that is directly dependent upon the amount of insurance coverage procured, with respect to such insurance.

3. A person who gives incidental advice in the normal course of a business or professional activity other than insurance consulting if neither the person nor the person’s employer receives compensation directly or indirectly on account of any insurance transaction that results from that advice.

4. A person who without special compensation performs incidental services for another at the other’s request without providing advice or technical or professional services of a kind normally provided by an intermediary.

SUBCHAPTER II

LICENSING OF INTERMEDIARIES

628.03 Requirement of license. (1) GENERAL. No natural person may perform, offer to perform, or advertise any service as an intermediary in this state, unless the natural person obtains a license under s. 628.04 or 628.09, and no person may utilize the services of another as an intermediary if the person knows or should know that the other does not have a license as required by law. The licensing requirements of this subsection do not apply to a person who solely procures unauthorized insurance, as defined in s. 618.40 (11), that is not surplus lines insurance, as defined in s. 618.40 (10).

(1m) RISK PURCHASING GROUPS. No natural person may solicit, negotiate or obtain insurance on behalf of a risk purchasing group which does business in this state unless the natural person obtains a license under s. 628.04 or 628.09. A risk purchasing group may not allow a natural person to solicit, negotiate or obtain insurance on its behalf if the risk purchasing group knows that the natural person is not licensed as required by this subsection.

(2) EXEMPTIONS. The commissioner may by rule exempt certain classes of natural persons from the requirement of obtaining a license:

(a) If the functions they perform do not require special competence or trustworthiness or the regulatory surveillance made possible by licensing; or

(b) If other existing safeguards make regulation unnecessary.

(3) VALIDITY OF CONTRACT. No insurance contract is invalid as a result of a violation of this section.

Cross-reference: See also chs. Ins. 45 and 47 and ss. Ins. 6.50 and 6.58, Wis. adm. code.

628.04 Issuance of license. (1) CONDITIONS AND QUALIFICATIONS. Except as provided in s. 628.095 or 628.097, the commissioner shall issue a license to act as an agent to any applicant who:

(a) Subject to s. 601.31 (2m), pays the applicable fee;

(b) Shows to the satisfaction of the commissioner:

1. That if a natural person, the applicant has the intent in good faith to do business as an intermediary or if a corporation, partner-
order to do business in this state or with an insurer doing business in this state. The commissioner may, by rule, prescribe classifications for reinsurance brokers and managers, exemptions from the license requirement for managing general agents that are not natural persons, reinsurance brokers and reinsurance managers and grounds for suspension or revocation of a license. The commissioner shall consider the applicable model acts adopted by the National Association of Insurance Commissioners before promulgating rules under this section.

Cross-reference: See also chs. Ins 26, 28, 42, 45, and 47, and s. Ins 6.59, Wis. admn. code.

628.05 Licensing of town mutual agents. (1) GENERAL EXEMPTION. Except as otherwise provided in sub. (2), or by rule promulgated by the commissioner, persons engaged in soliciting insurance exclusively for town mutuals are not subject to the licensing requirements of s. 628.03 (1).

(2) AGENTS SOLICITING INSURANCE REQUIRE REINSURANCE. No person may solicit any application for a contract providing coverage of the kind specified in s. 612.31 (3) unless the person first obtains a license to do so under this chapter. The license need be only for those coverages the town mutual is authorized to write.

628.06 Licensing of fraternal agents. (1) GENERAL PROVISION. Subject to sub. (2), an agent of a fraternal is subject to the same licensing requirements as an agent for any other insurer doing the same lines of business, unless the agent was an agent for a fraternal immediately prior to October 2, 1963, and is still such an agent on June 19, 1976. The agent’s authority under this exception ceases upon ceasing, for however short a period, to be an agent for a fraternal.

(2) PART-TIME FRATERNAL AGENTS. An agent for one or more fraternals who devotes or intends to devote less than half-time to the solicitation of insurance business is not subject to the requirements of sub. (1). A person is presumed to have devoted half-time to the solicitation of insurance business if in the preceding calendar year the person procured life insurance contracts in a face amount in excess of $50,000, or, in the case of other kinds of insurance, on the persons of more than 25 individuals, and if the person received compensation therefor.

History: 1975 c. 373, 421.

The commissioner may by order revoke a temporary license if the interests of insureds or the public are endangered. A temporary license may not be extended beyond the initial period specified under sub. (1). A temporary license may not continue after the owner or the personal representative disposed of the business.

(3) FEES. The fees for a temporary license are the same as for a permanent license.

(4) DURATION OF LICENSE. The commissioner may by order refuse to issue a temporary license if the interests of insureds or the public are endangered. A temporary license may not be extended beyond the initial period specified under sub. (1). A temporary license may not continue after the owner or the personal representative disposed of the business.

Cross-reference: See also ch. Ins 42, Wis. admn. code.

628.09 Temporary licenses. (1) ISSUANCE OF LICENSE. Except as provided in s. 628.095 or 628.097, the commissioner may issue a temporary license as an intermediary for a period of not more than 12 months to the personal representative of a deceased or mentally disabled intermediary, or to a person designated by an intermediary who is otherwise disabled or has entered active duty in the U.S. armed forces, in order to give time for more favorable sale of the goodwill of a business owned by the intermediary, for the recovery or return of the intermediary, or for the orderly training and licensing of new personnel for the intermediary’s business.

(2) LIMITATION ON AUTHORITY. The commissioner may by order limit the authority of any temporary licensee in any way deemed necessary to protect insureds and the public. The commissioner may require the temporary licensee to have a suitable sponsor who is a licensed intermediary or insurer and who assumes full legal responsibility for all acts and omissions of the temporary licensee, may impose special bonding requirements and may impose other similar requirements designed to protect insureds and the public.

(3) EXAMINATIONS. The commissioner may administer an examination as a prerequisite to the issuance of a temporary license.

(4) DURATION OF LICENSE. The commissioner may by order revoke a temporary license if the interests of insureds or the public are endangered. A temporary license may not be extended beyond the initial period specified under sub. (1). A temporary license may not continue after the owner or the personal representative disposed of the business.

(5) FEES. The fees for a temporary license are the same as for a permanent license.

(6) STATUS OF TEMPORARY LICENSEE. A temporary licensee is a fully qualified intermediary for all purposes other than the process of licensing, the duration of the license and the limits imposed under sub. (2).

Cross-reference: See also chs. Ins 42, Wis. admn. code.

628.095 Social security and federal employer identification numbers on applications or at time of fee payment. (1) REQUIRED ON APPLICATIONS. An application for a license issued under this subchapter or subch. V, or for registration under s. 628.92 (2), shall contain the applicant’s social security number, if the applicant is a natural person unless the applicant does not have a social security number, or the applicant’s federal employer identification number, if the applicant is not a natural person.

(2) REFUSAL TO ISSUE LICENSE OR REGISTER. The commissioner may not issue a license, including a temporary license, under this subchapter or subch. V, or register a navigator entity under subch. V, unless the applicant provides his or her social security number, if the applicant is a natural person unless the applicant does not have a social security number, or provides the applicant’s federal tax identification number, if the applicant is not a natural person.

(3) REQUIRED WHEN ANNUAL FEE PAID. At the time that the annual fee is paid under s. 601.31 (1) (m), (nm) 2., or (np) 2., an intermediary or navigator who is a natural person shall provide his or her social security number unless the intermediary or navigator does not have a social security number, and an intermediary or navigator that is not a natural person shall provide its federal employer identification number, if the social security number or federal employer identification number was not provided on the application for the license or registration or previously when the annual fee was paid.

(4) DISCLOSURE. (a) The commissioner shall disclose a social security number obtained under sub. (1) or (3) to the department of children and families in the administration of s. 49.22, as pro-
vided in a memorandum of understanding entered into under s. 49.857.

(b) The commissioner may disclose any information received under sub. (1) or (3) to the department of revenue for the purpose of requesting certifications under s. 73.0301 and to the department of workforce development for the purpose of requesting certifications under s. 108.227.

(5) If an applicant or intermediary or navigator has no social security number. If an applicant who is a natural person does not have a social security number, the applicant shall provide to the commissioner, along with the application for a license and on a form prescribed by the department of children and families, a statement made or subscribed under oath or affirmation that the applicant does not have a social security number. If an intermediary or navigator who is a natural person does not have a social security number, the intermediary or navigator shall provide to the commissioner, each time that the annual fee is paid under s. 601.31 (1) (m) or (mm) 2, and on a form prescribed by the department of children and families, a statement made or subscribed under oath or affirmation that the intermediary or navigator does not have a social security number.

628.097 Refusal to issue license; failure to pay support or to comply with subpoena or warrant; tax or unemployment insurance contribution delinquency.

(1) FAILURE TO PAY SUPPORT OR TO COMPLY WITH SUBPOENA OR WARRANT. The commissioner shall refuse to issue a license, including a temporary license, under this subchapter or subch. V if the natural person is delinquent in court−ordered payments of child or family support, maintenance, birth expenses, medical expenses, or other expenses related to the support of a child or former spouse, or if the natural person fails to comply, after appropriate notice, with a subpoena or warrant issued by the department of children and families or a county child support agency under s. 59.53 (5) and related to paternity or child support proceedings, as provided in a memorandum of understanding entered into under s. 49.857.

(2m) FOR LIABILITY FOR DELINQUENT TAXES OR UNEMPLOYMENT INSURANCE CONTRIBUTIONS. The commissioner shall refuse to issue a license, including a temporary license, under this subchapter or subch. V, or to register a navigator entity under subch. V, if the department of revenue certifies under s. 73.0301 that the applicant for the license or registration is liable for delinquent taxes or if the department of workforce development certifies under s. 108.227 that the applicant for the license or registration is liable for delinquent unemployment insurance contributions.

628.10 Termination of license.

(1) GENERAL. An intermediary’s or navigator’s license issued under s. 628.04, or an individual navigator’s license issued under s. 628.52 (1), remains in force until it is revoked or limited under sub. (2), until it is suspended under sub. (2) or s. 227.51 (3), until it is surrendered, or until the licensee dies or is in this state adjudicated incompetent.

(2) REVOCATION, SUSPENSION, AND LIMITATION OF LICENSES. (a) For failure to comply with continuing education or annual training requirements. The license of any intermediary or individual navigator who fails to produce evidence of compliance with continuing education standards set by the commissioner or with annual training requirements is revoked, effective on the date on which the evidence of compliance is due. At least 60 days before that date, the commissioner shall notify the intermediary or navigator of the date by which the evidence of compliance is due and that the intermediary’s or navigator’s license will be revoked if the evidence is not received by that date. An intermediary or navigator whose license is revoked under this paragraph may have his or her license reinstated, or may be relicensed, as provided in sub. (5).

(3m) Nonpayment of fees. The license of an intermediary or individual navigator who fails to pay a fee when due is revoked, effective on the date on which the fee is due. At least 60 days before that date, the commissioner shall notify the intermediary or navigator of the date by which the fee is due and that the intermediary’s or navigator’s license will be revoked if timely payment is not made. An intermediary who is a natural person, or an individual navigator, whose license is revoked under this paragraph may have his or her license reinstated, or may be relicensed, as provided in sub. (5).

security number, federal employer identification number, or state-
ment within 60 days from the effective date of the suspension, the
commissioner shall reinstate the intermediary’s or navigator’s
license effective as of the date of suspension.

(e) For changing state of residence. The license of an interme-
diary or individual navigator who changes residence from one
state to another is revoked 60 days after the change of residence.
The intermediary or navigator may be relicensed only after satis-
fying any requirements under s. 628.04 or 628.92 that are speci-
ified by the commissioner by rule.

(3) DELAY FOR NEW APPLICATION. An order revoking an interme-
diary’s or individual navigator’s license under sub. (2) (b) or
(cr) may specify a time not to exceed 5 years within which the former
intermediary or navigator may not apply for a new license.
If no time is specified, the intermediary or navigator may not apply
for 5 years.

(5) REINSTATEMENT OR RELICENSING AFTER CERTAIN REVOCATIONS. (a) Reinstatement within 12 months. An intermediary who
is a natural person, or an individual navigator, whose license is
revoked under sub. (2) (a), (am), or (cm) may have his or her
license reinstated within 12 months after the date on which the
license was revoked without having to satisfy any prelicensing
education or examination requirements under s. 628.04 or any
prelicensing training or examination requirements under s. 628.92
(7). To have his or her license reinstated, the intermediary or navi-
gator must satisfy the requirement under sub. (2) (a), (am), or (cm)
for which the license was revoked, satisfactorily complete a rein-
statement application, and pay twice the amount of the applicable
license renewal fee. The reinstatement is effective on the date on
which the commissioner actually reinstates the license. If the
intermediary or navigator is also a resident who is required to
complete continuing education or annual training, the intermedi-
ary or navigator must have satisfied all previous continuing edu-
cation or annual training requirements to have his or her license
reinstated under this paragraph.

(b) Relicensing required after 12 months. An intermediary or
individual navigator specified in par. (a) whose license has been
revoked for more than 12 months is not eligible to have his or her
license reinstated under par. (a) but may apply for relicensing at
any time after 12 months have elapsed from the date of revocation.
To be relicensed, the intermediary or navigator must satisfy any
requirements under s. 628.04 or 628.92 that are specified by the
commissioner by rule.

(c) Applicability. This subsection applies to all of the follow-
ing:
1. Intermediaries whose licenses were revoked under sub. (2)
(a), (am), or (cm) before April 9, 2008, regardless of whether an
order under sub. (3) applies to the intermediary.
2. Intermediaries whose licenses are revoked under sub. (2)
(a), (am), or (cm) on or before after April 9, 2008.
3. Individual navigators whose licenses were revoked under sub.
(2) (a), (am), or (cm) on or after July 2, 2013.

2013 a. 20, 36, 173, 276; 2015 a. 90.

628.31 Sale of insurance through vending machines. No insurance policies may be sold by a vending machine except
policies of personal travel accident insurance providing benefits
for accidental bodily injury or accidental death.

History: 1975 c. 371, 421; 1979 c. 102 s. 237; 1981 c. 20, 38.

628.32 Disclosure required. (1) An intermediary may not
accept compensation from an insured or from both an insured and
another source due to the insured’s purchase of insurance or for
advice regarding the insured’s insurance needs or coverage unless
the intermediary, before the insured incurs an obligation to pay
compensation, clearly and conspicuously and in writing discloses
to the insured all of the following:
(a) The amount of compensation to be paid by the insured,
excluding commissions paid by the insurer to the intermediary.
(b) If compensation will be paid by another source, the fact that
the intermediary will also receive compensation from the other
source.
(2) The commissioner may promulgate rules prescribing the
form for disclosure under sub. (1).

628.34 Unfair marketing practices. (1) MISREPRESEN-
tation. (a) Conduct forbidden. No person who is or should be
licensed under chs. 600 to 646, no employee or agent of any such
person, no person whose primary interest is as a competitor of a
person licensed under chs. 600 to 646, and no person on behalf of
any of the foregoing persons may make or cause to be made any
communication relating to an insurance contract, the insurance
business, any insurer, or any intermediary that contains false or
misleading information, including information that is misleading
because of incompleteness. Filing a report and, with intent to
deceive a person examining it, making a false entry in a record or
willfully refraining from making a proper entry, are “communica-
tions” within the meaning of this paragraph. No intermediary or
insurer may use any business name, slogan, emblem, or related
device that is misleading or likely to cause the intermediary or
insurer to be mistaken for another insurer or intermediary already
in business. No intermediary may provide a misleading certificate
of insurance.
(b) Presumption of insurer’s violation. If an insurance agent
distributes cards or documents, exhibits a sign or publishes an
advertisement which violates par. (a), having reference to a partic-
ular insurer that the agent represents, the agent’s violation creates
a rebuttable presumption that the violation was also committed by
the insurer.

(2) UNFAIR INDUCEMENTS. (a) General. No insurer, no
employee of an insurer, and no insurance intermediary may seek
to induce any person to enter into an insurance contract or to termi-
nate an existing insurance contract by offering benefits not speci-
ied in the policy, nor may any insurer make any agreement of
insurance that is not clearly expressed in the policy to be issued.
This subsection does not preclude the reduction of premiums by
reason of expense savings, including commission reductions,
resulting from any form of mass marketing.
628.34  INSURANCE MARKETING

(b) Absorption of tax. No agent, broker or insurer may absorb the tax under s. 618.43 (2).

(3) UNFAIR DISCRIMINATION. (a) No insurer may unfairly discriminate among policyholders by charging different premiums or by offering different terms of coverage except on the basis of classifications related to the nature and the degree of the risk covered or the expenses involved, subject to ss. 632.365, 632.729, 632.746 and 632.748. Rates are not unfairly discriminatory if they are averaged broadly among persons insured under a group, blanket or franchise policy, and terms are not unfairly discriminatory merely because they are more favorable than in a similar individual policy.

(b) No insurer may refuse to insure or refuse to continue to insure, or limit the amount, extent or kind of coverage available to an individual, or charge an individual a different rate for the same coverage because of a mental or physical disability except when the refusal, limitation or rate differential is based on either sound actuarial principles supported by reliable data or actual or reasonably anticipated experience, subject to ss. 632.746 to 632.7495.

(4) RESTRAINT OF競爭. No person who is or should be licensed under chs. 600 to 646, no employee or agent of any such person, or no person whose primary interest is as a competitor of a person licensed under chs. 600 to 646, and no one acting on behalf of any of the foregoing persons, may commit or enter into any agreement to participate in any act of boycott, coercion or intimidation tending to unreasonable restraint of the business of insurance or to monopoly in that business.

(5) FREE CHOICE OF INSURER. No person may restrict in the choice of an insurer or insurance intermediary another person required to pay the cost of insurance coverage whenever the procurement of insurance coverage is required as a condition for the conclusion of a contract or other transaction or for the exercise of any right under a contract. However, the person requiring the coverage may reserve the right to disapprove on reasonable grounds the insurer or the coverage selected. The form of corporate organization of an insurer authorized to do business in this state is not a reasonable ground for disapproval, and the commissioner may by rule specify that additional grounds are not reasonable.

(6) EXTRA CHARGES. No person may make any charge other than premiums and premium financing charges for the protection of property or of a security interest in property, as a condition for obtaining, renewing or continuing the financing of a purchase of property or the lending of money on the security of an interest in the property.

(7) INFLUENCING EMPLOYERS. No insurer or insurance intermediary or employee or agent of either may, in connection with an insurance transaction, encourage, persuade or attempt to influence any employer to refuse employment or to discharge any person arbitrarily or unreasonably.

(8) USE OF OFFICIAL POSITION. No person holding an elective, appointive or civil service position in federal, state or local government may use decision-making power or influence in that position to coerce the placement of insurance for any prospective policyholder through any particular intermediary or with any particular insurer.

(9) REFUSAL TO RETURN INDICIA OF AGENCY. No agent may refuse or fail to return promptly all indicia of agency to the principal on demand.

(10) INSURANCE SECURITY FUND. No insurer or insurance intermediary may make use in any manner of the protection given policyholders by ch. 646 as a reason for buying insurance from the insurer or intermediary.

(11) OTHER UNFAIR TRADE PRACTICES. No person may engage in any other unfair method of competition or any other unfair or deceptive act or practice in the business of insurance, as defined under sub. (12).

(12) RULES DEFINING UNFAIR TRADE PRACTICES. The commissioner may define specific unfair trade practices by rule, after a finding that they are misleading, deceptive, unfairly discriminatory, provide an unfair inducement, or restrain competition unreasonably.

(13) MARKETING OF WELLNESS PROGRAMS. (a) In this subsection, “wellness program” means a program that is designed to promote health or prevent disease through a reward to insured individuals and that meets the qualifications of 45 CFR 146.121 (f) (1) or (2).

(b) Notwithstanding subs. (2) (a), (3), (7), and (11) and any rules promulgated under sub. (12), it is not a violation of this section for an insurer to advertise, market, offer, or operate a wellness program.

(14) EVIDENCE OF INSURANCE. (a) No person may prepare, issue, request, or require a certificate of insurance or other document used for evidence of insurance to do any of the following:

1. Contain information concerning the policy referenced by the certificate of insurance or other document that is false, misleading, deceptive, unfairly discriminatory, or that otherwise violates public policy or law, as determined by the commissioner.

2. Purport to alter, amend, or extend coverage provided by the policy referenced by the certificate of insurance or other document.

3. Alter the terms and conditions of any notice requirement in the policy. A person is entitled to notice of cancellation, nonrenewal, or any material change to the policy, or to any similar notice concerning the policy only as provided in the policy or an endorsement.

(b) No person may alter a certificate of insurance or other document used for evidence of insurance after it is issued.

(c) No certificate of insurance or other document used for evidence of insurance may warrant that the policy referenced by the certificate of insurance or other document fulfills the insurance or indemnification requirements of a specific contract.

(d) 1. Except as provided in subd. 2., this subsection applies to any certificate of insurance or other document used for evidence of insurance that is issued by an insurer as evidence of property or casualty insurance.

2. This subsection does not apply to any of the following:

a. A policy or endorsement.

b. A binder.

c. Evidence of motor vehicle liability insurance required under s. 344.62 (2).

(15) Disciplinary period. "Disciplinary period" means the period of time beginning on the effective date of the termination of the license of an intermediary under par. (b) 1. and ending on the date on which a new license is issued to the intermediary. The "disciplinary period" of a person under par. (b) 2., 3. or 4. is the disciplinary period of the intermediary under par. (b), 1. through which the person attains the status of "disciplined person".

(b) "Disciplined person" means any of the following:

1. An intermediary whose license is revoked under s. 628.10 (2) or (b) or surrendered under a stipulation.

2. An affiliate of an intermediary under subd. 1.

3. A person in which an intermediary under subd. 1. has, directly or indirectly, more than a 10 percent ownership interest.

4. An agent or employee of a person described in subd. 1., 2. or 3. updated 2019–20 Wis. Stats. Published and certified under s. 35.18. Changes effective after February 1, 2022, are designated by NOTES. (Published 2–1–22)
(2) During the disciplinary period of a disciplined person, the disciplined person may not be employed by, act as agent for, or be affiliated with, a person engaged in the business of an insurance intermediary.

(3) No person may do any of the following with respect to activities performed in this state:

(a) Pay consideration to, or expenses of, a disciplined person that directly or indirectly relate to services performed as an intermediary by the disciplined person during the disciplinary period of the disciplined person.

(b) Pay consideration to, or expenses of, a disciplined person that directly or indirectly relate to services performed as an intermediary by the person making the payment, or by an agent, employee or affiliate of that person, during the disciplinary period of the disciplined person.

(c) Pay consideration to, or expenses of, a disciplined person for information directly or indirectly provided by the disciplined person during the disciplinary period of the disciplined person for the purpose of assisting in the sale of insurance.

(d) Seek to obtain information from, or use information directly or indirectly provided by, a disciplined person during the disciplinary period of the disciplined person for the purpose of assisting in the sale of insurance.

(e) During the disciplinary period of a disciplined person, permit the disciplined person to be present during solicitation of the sale of insurance, or knowingly solicit the sale of insurance with the assistance of the disciplined person, regardless of whether the disciplined person acts as an intermediary.

(f) During the disciplinary period of a disciplined person, use or refer to an endorsement or referral by the disciplined person for the purpose of soliciting the sale of insurance.

(4) (a) Except as provided in par. (b), this section applies to all of the following:

1. A disciplined person for whom the disciplinary period is in effect on or after January 1, 1997.

2. That portion of a disciplinary period in effect on or after January 1, 1997, that occurs on and after January 1, 1997.

(b) This section does not apply to an obligation incurred before January 1, 1997, for the payment of consideration to, or expenses of, a disciplined person related to services performed or information provided during the disciplinary period of the disciplined person but before January 1, 1997.

History: 1995 a. 396.

628.347 Suitability in annuity transactions. (1) Definitions. In this section:

(a) “Annuity” means an annuity that is an insurance product that is individually solicited, whether the product is classified as an individual or group annuity.

(1) “FINRA” means the Financial Industry Regulatory Authority or a succeeding agency.

(b) “Recommendation” means advice provided by an insurance intermediary, or an insurer if no intermediary is involved, to an individual consumer that results in the purchase, exchange, or replacement of an annuity in accordance with that advice.

(d) “Replacement” means a transaction in which a new annuity is to be purchased and it is known, or should be known to the proposing insurance intermediary, or to the proposing insurer if no intermediary is involved, that by reason of the transaction an existing policy or contract has been or is to be any of the following:

1. Lapsed, forfeited, surrendered or partially surrendered, assigned to the replacing insurer, or otherwise terminated.

2. Converted to reduced paid−up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values.

3. Amended so as to effect either a reduction in benefits or a reduction in the term for which coverage would otherwise remain in force or for which benefits would otherwise be paid.

4. Reissued with a reduction in cash value.

5. Used in a financed purchase.

(e) “Suitability information” means information that is reasonably appropriate to determine the suitability of a recommendation, including all of the following:

1. Age.

2. Annual income.

3. Financial situation and needs, including the financial resources used for the funding of the annuity.

5. Financial objectives.

6. Intended use of the annuity.

7. Financial time horizon.

8. Existing assets, including investment and life insurance holdings.

9. Liquidity needs.

10. Liquid net worth.

11. Risk tolerance.

12. Tax status.

(2) Duties of insurers and insurance intermediaries with regard to recommendations and issuance of annuities. (a) In recommending to a consumer the purchase of an annuity, or the exchange of an annuity that results in an insurance transaction or series of insurance transactions, an insurance intermediary, or insurer if no intermediary is involved, shall have reasonable grounds to believe that the recommendation is suitable for the consumer on the basis of facts disclosed by the consumer as to his or her investments, other insurance products, and financial situation and needs, including the consumer’s suitability information, and that all of the following are true:

1. The consumer has been reasonably informed of various features of the annuity, such as the potential surrenders or surrender charge, potential tax penalty if the consumer sells, exchanges, surrenders, or annuitizes the annuity, mortality and expense fees, investment advisory fees, potential charges for and features of riders, limitations on interest returns, insurance and investment components, and market risk.

2. The consumer would benefit from certain features of the annuity, such as tax−deferred growth, annuitization, or death or living benefit.

3. The particular annuity as a whole, the underlying subaccounts to which funds are allocated at the time of purchase or exchange of the annuity, and riders and similar product enhancements, if any, are suitable, and in the case of an exchange or replacement, the transaction as a whole is suitable, for the particular consumer based on his or her suitability information.

4. In the case of an exchange or replacement of an annuity, the exchange or replacement is suitable, including taking into consideration all of the following:

a. Whether the consumer will incur a surrender charge, be subject to the commencement of a new surrender period, lose existing benefits, such as death, living, or other contractual benefits, or be subject to increased fees, investment advisory fees, or charges for riders and similar product enhancements.

b. Whether the consumer would benefit from product enhancements and improvements.

c. Whether the consumer has had another annuity exchange or replacement and, in particular, an exchange or replacement within the preceding 36 months.

(b) Before making a recommendation described in par. (a), an insurance intermediary, or insurer if no intermediary is involved,
shall make reasonable efforts to obtain the consumer’s suitability information.

(bm) Except as permitted under par. (c), an insurer may not issue an annuity that is recommended by the insurer or its insurance intermediary to a consumer unless it is reasonable to believe that the annuity is suitable based on the consumer’s suitability information.

(c) 1. Subject to subd. 2., neither an insurance intermediary nor an insurer has any obligation to a consumer under par. (a) or (bm) related to any annuity transaction if any of the following applies:

a. Neither the insurance intermediary nor the insurer made a recommendation.

b. The insurance intermediary or insurer made a recommendation but the recommendation was later found to have been prepared based on inaccurate material information provided by the consumer.

c. The consumer refuses to provide relevant suitability information and the annuity transaction is not recommended.

d. The consumer decides to enter into an annuity transaction that is not based on a recommendation of the insurer or the insurance intermediary.

2. An insurer’s issuance of an annuity under circumstances specified in subd. 1. a. to d. shall be reasonable under all circumstances actually known to the insurer at the time the annuity is issued.

(dm) An insurance intermediary, or insurer if no intermediary is involved, shall at the time of sale do all of the following:

1. Make a record of any recommendation subject to par. (a).

2. Obtain a customer–signed statement documenting a customer’s refusal, if any, to provide suitability information.

3. If a customer decides to enter into an annuity transaction that is not based on the insurance intermediary’s or insurer’s recommendation, obtain a customer–signed statement acknowledging that the annuity transaction is not recommended by the intermediary or insurer.

(3) INSURER’S SUPERVISORY RESPONSIBILITY. (a) An insurer shall establish a supervision system that is reasonably designed to achieve the insurer’s and its insurance intermediaries’ compliance with this section. Under the system, the insurer shall do at least all of the following:

1. Maintain reasonable procedures to inform its insurance intermediaries of the requirements of this section and incorporate the requirements of this section into relevant insurance intermediary training manuals.

2. Establish standards for insurance intermediary product training and maintain reasonable procedures to require its insurance intermediaries to comply with the requirements of sub. (4m).

3. Provide product–specific training and training materials that explain all material features of its annuity products to its insurance intermediaries.

4. Maintain procedures for review of each recommendation before issuance of an annuity that are designed to ensure that there is a reasonable basis to determine that a recommendation is suitable. An insurer’s procedures may apply a screening system for the purpose of identifying selected transactions for additional review. An insurer’s procedures may be accomplished electronically or through other means, including physical review. An electronic or other system may be designed to require additional review only of those transactions identified for additional review by the selection criteria.

5. Maintain reasonable procedures to detect recommendations that are not suitable, which may include confirmation of consumer suitability information, systematic customer surveys, interviews, confirmation letters, and programs of internal monitoring. Nothing in this subdivision prevents an insurer from complying with this subdivision by applying sampling procedures or by confirming suitability information after issuance or delivery of the annuity, or both.

6. Annually provide a report to senior management, including to the senior manager responsible for audit functions, that details a review, with appropriate testing, that is reasonably designed to determine the effectiveness of the supervision system, the exceptions found, and corrective action taken or recommended, if any.

(b) 1. Nothing in this subsection restricts an insurer from contracting for the performance of a function required under par. (a), including maintenance of procedures. An insurer is responsible for taking appropriate corrective action and may be subject to sanctions and penalties under subs. (5) and (6), regardless of whether the insurer contracts for the performance of a function and regardless of the insurer’s compliance with subd. 2.

2. An insurer’s supervision system under par. (a) shall include supervision of any contractual performance under this subsection, including all of the following:

a. Monitoring and, as appropriate, conducting audits to ensure that the contracted function is properly performed.

b. Annually obtaining a certification from a senior manager who has responsibility for the contracted function that the manager has a reasonable basis to represent, and does represent, that the function is properly performed.

c. An insurer is not required to include in its system of supervision an insurance intermediary’s recommendations to consumers of products other than the annuities offered by the insurer.

(3m) PROHIBITED ACTS OF INTERMEDIARY. An insurance intermediary may not dissuade, or attempt to dissuade, a consumer from doing any of the following:

(a) Truthfully responding to an insurer’s request for confirmation of suitability information.

(b) Filing a complaint.

c. Cooperating with the investigation of a complaint.

(4) FINANCIAL INDUSTRY REGULATORY AUTHORITY RULES. (a) Subject to pars. (b) and (c), sales made in compliance with FINRA requirements pertaining to suitability and supervision of annuity transactions satisfy the requirements under this section. Nothing in this subsection, however, limits the commissioner’s ability to enforce this section, including conducting any investigation necessary for that enforcement.

(b) For par. (a) to apply, an insurer must do all of the following:

1. Monitor the FINRA member broker−dealer using information collected in the normal course of an insurer’s business.

2. Provide to the FINRA member broker−dealer information and reports that are reasonably appropriate to assist the FINRA member broker−dealer to maintain its supervision system.

c. This subsection applies to FINRA broker−dealer sales of annuities if the suitability and supervision are similar to those applied to variable annuity sales.

(4m) INSURANCE INTERMEDIARY TRAINING. (a) An insurance intermediary may not solicit the sale of an annuity product unless the insurance intermediary has adequate knowledge of the product to recommend the annuity and the insurance intermediary is in compliance with the insurer’s standards for product training. An insurance intermediary may rely on insurer–provided product–specific training standards and materials to comply with this paragraph.

(b) 1. a. An insurance intermediary who engages in the sale of annuity products shall complete a one−time training course approved by the commissioner and provided by an education provider approved by the commissioner.

b. Insurance intermediaries who hold a life insurance line of authority on May 1, 2011, and who desire to sell annuities must complete the requirements of this paragraph within 6 months after May 1, 2011. Individuals who obtain a life insurance line of authority on or after May 1, 2011, may not engage in the sale of
annuities until they have completed the annuity training course required under this paragraph.

2. The minimum length of the training required under this paragraph shall be sufficient to qualify for at least 4 continuing education credits, but may be longer.

3. The training required under this paragraph shall include information on all of the following topics:
   a. The types of annuities and various classifications of annuities.
   b. Identification of the parties to an annuity.
   c. How product–specific annuity contract features affect consumers.
   d. The application of income taxation of qualified and non–qualified annuities.
   e. The primary uses of annuities.
   f. Appropriate sales practices and replacement and disclosure requirements.

4. Providers of annuity training courses intended to comply with this paragraph shall cover all of the topics listed under subd. 3, and may not present any marketing information or provide training on sales techniques or provide specific information about a particular insurer’s products. Additional topics may be offered in conjunction with and in addition to those listed under subd. 3.

5. A provider of an annuity training course intended to comply with this paragraph shall register as a continuing education provider in this state and comply with the rules and guidelines applicable to insurance intermediary continuing education courses as set forth in rules of the office governing intermediary continuing education requirements.

6. Annuity training courses may be conducted and completed by classroom or self−study methods in accordance with rules of the office governing intermediary continuing education requirements.

7. Providers of annuity training shall comply with the reporting requirements and shall issue certificates of completion in accordance with rules of the office governing intermediary continuing education requirements.

8. Satisfaction of the training requirements of another state that are substantially similar to the requirements of this paragraph satisfies the training requirements of this paragraph in this state.

9. An insurer shall verify that an insurance intermediary has completed the annuity training course required under this paragraph before allowing the intermediary to sell an annuity product for that insurer. An insurer may satisfy its responsibility under this subdivision by obtaining certificates of completion of the training course or obtaining reports provided by commissioner−sponsored database systems or vendors or from a reasonably reliable commercial database vendor that has a reporting arrangement with approved insurance education providers.

(5) Compliance, Remedial Measures. An insurer is responsible for compliance with this section. If a violation occurs, either because of the action or inaction of the insurer or its insurance intermediary, the commissioner may do any of the following:

(a) Order an insurer to take reasonably appropriate corrective action for any consumer harmed by a violation of this section by the insurer or the insurer’s insurance intermediary.

(b) Order an insurance intermediary to take reasonably appropriate corrective action for any consumer harmed by a violation of this section by the insurance intermediary.

(c) Order a general agent or independent agency that employs or contracts with an insurance intermediary to sell, or solicit the sale of, annuities to consumers to take reasonably appropriate corrective action for any consumer harmed by a violation of this section by the insurance intermediary.

(d) Impose any appropriate penalties or sanctions.

(6) Penalties, Mitigation. (a) Any person who violates this section is subject to the penalties provided under s. 601.64, sus-

contracted to supply or for which it has promised indemnity under its insurance contracts, unless:

1. The health care provider is an individual who is an employee of the insurer;
2. The health care provider is a corporation owned by the insurer;
3. The health care provider uses the insurer’s name under a franchise arrangement; or
4. The case is within a class for which the commissioner by rule establishes an exception after finding that the contract or other arrangement does not seriously impede the effective operation of a legitimate insurance business by other insurers.

History: 1975 c. 223, 371, 422.

628.36 Limitations on corporations supplying health care services. (1) PAYMENT METHODS. Any corporation operating a voluntary health care plan may pay health care professionals on a salary, per patient or fee-for-service basis to provide health care to policyholders or beneficiaries of the corporation.

(2) DISCRIMINATION AGAINST PROFESSIONALS. (a) In this section:
1. “Health care plan” means an insurance contract providing coverage of health care expenses.
2. “Provider” means a health care professional, a health care facility or a health care service or organization.
3. Except as provided in subd. 4., no provider may be denied the opportunity to participate in a health care plan, other than a health maintenance organization, a limited service health organization or a preferred provider plan, under the terms of the plan.
4. Any health care plan may exclude a provider from participation in the health care plan for cause related to the practice of his or her profession.
5. All health care plans, including health maintenance organizations, limited service health organizations and preferred provider plans are subject to s. 632.87 (3).

(2m) PHARMACEUTICAL SERVICES. (a) In this subsection:
1. “Health maintenance organization” has the meaning given in s. 609.01 (2).
2. “Limited service health organization” has the meaning given in s. 609.01 (3).
3. “Pharmaceutical services” do not include the administration of a drug product or device or vaccine under s. 450.035.
4. “Preferred provider plan” has the meaning given in s. 609.01 (4).

(e) 1. A health maintenance organization, limited service health organization or preferred provider plan that provides coverage of pharmaceutical services when performed by one or more pharmacists who are selected by the organization or plan but who are not full-time salaried employees or partners of the organization or plan shall provide an annual period of at least 30 days during which any pharmacist registered under ch. 450 may elect to participate in the health maintenance organization, limited service health organization or preferred provider plan under its terms as a selected provider for at least one year.

2. Except as provided in subd. 3., subd. 1. applies to health maintenance organizations on and after May 10, 1984. Except as provided in subd. 4., subd. 1. applies to limited service health organizations and preferred provider plans on or after April 28, 1990.

3. If compliance with the requirements of subd. 1. during the period specified in subd. 2. would impair any provision of a contract between a health maintenance organization and any other person, and if the contract provision was in existence prior to May 10, 1984, then immediately after the expiration of all such contract provisions the health maintenance organization shall comply with the requirements of subd. 1.

4. If compliance with the requirements of subd. 1. during the period specified in subd. 2. would impair any provision of a contract between a limited service health organization or preferred provider plan and any other person, and if the contract was in existence prior to April 28, 1990, then immediately after the expiration of all such contract provisions the limited service health organization or preferred provider plan shall comply with the requirements of subd. 1.

(3) EXEMPTION BY RULE. By rule the commissioner may exempt from the application of any part of subs. (1) to (2m) plans which provide innovative approaches to the delivery of health care or which are designed to contain health care costs, and which cannot operate successfully consistent with all of the provisions in subs. (1) to (2m). The commissioner may promulgate such a rule only if on a finding that the interests of the public require such plans as an experiment, to supply health care services that are not otherwise available in adequate quantity or quality, or to contain health care costs. The promulgated rule shall be as narrow as is compatible with the success of the plans.

(4) FACILITATING COST-EFFECTIVE PROVISION OF HEALTH CARE SERVICES. (a) The commissioner shall provide information and assistance to the department of employee trust funds, employers and their employees, providers of health care services and members of the public; as provided in par. (b), for the following purposes:
1. To facilitate the development and implementation of health care plans that provide innovative approaches to the delivery of health care services or that are designed to contain health care costs.
2. To increase the awareness and understanding among employers and their employees, providers of health care services and members of the public regarding the availability and nature of innovative or cost-effective health care plans.
3. Providing information to employers regarding how to proceed under s. 40.51 (7) to obtain health care coverage for their employees.
4. Providing information to employers and their employees and members of the public regarding the availability and nature of various kinds of health care plans, including their distinct and contrasting characteristics.
5. Providing information to employers and their employees, providers of health care services and members of the public regarding the relative effectiveness of various kinds of health care plans in containing health care costs.

628.37 Preservation of professional relationships in professional services. No insurance plan related to or providing health care, legal or other professional services may alter the direct relationship and responsibility of professional persons to their patients or clients for the professional services rendered. All professional relationships are subject to the same rules of contract and tort law and professional ethics as if no insurance plan were involved.

History: 1975 c. 223, 371, 422.

2019–20 Wisconsin Statutes updated through 2021 Wis. Act 101 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on February 1, 2022. Published and certified under s. 35.18. Changes effective after February 1, 2022, are designated by NOTES. (Published 2–1–22)
628.38 Disclosure requirements. The commissioner may by rule require insurers to deliver to prospective buyers of life or disability insurance, at a time specified in the rule, information consistent with ss. 601.01 and 628.34 that will improve their ability to select appropriate coverage.

History: 1981 c. 82.

628.39 Extension of credit on premiums. The extension of credit to the insured upon a premium without interest for not exceeding 60 days from the effective date of the policy, or after that time with interest at not less than the legal rate nor more than 18 percent per year on the unpaid balance, is permissible. The payment of premiums on policies issued under a mass marketing program on an installment basis through payroll deductions is not an extension of credit.

History: 1975 c. 371; 1979 c. 110 s. 60 (13); 1983 a. 215.

628.40 Effect of agent’s appointment on insurer. Every insurer is bound by any act of its agent performed in this state that is within the scope of the agent’s apparent authority, while the agency contract remains in force and after that time until the insurer has made reasonable efforts to recover from the agent its policy forms and other indicia of agency. Reasonable efforts shall include a formal demand in writing for return of the indicia, and notice to the commissioner if the agent does not comply with the demand promptly.

History: 1975 c. 371, 421.

628.46 Timely payment of claims. (1) Unless otherwise provided by law, an insurer shall promptly pay every insurance claim. A claim shall be overdue if not paid within 30 days after the insurer is furnished written notice of the fact of a covered loss and of the amount of the loss. If such written notice is not furnished to the insurer as to the entire claim, any partial amount supported by written notice is overdue if not paid within 30 days after such written notice is furnished to the insurer. Any part or all of the remainder of the claim that is subsequently supported by written notice is overdue if not paid within 30 days after written notice is furnished to the insurer. Any payment shall not be deemed overdue when the insurer has reasonable proof to establish that the insurer is not responsible for the payment, notwithstanding that written notice has been furnished to the insurer. For the purpose of calculating the extent to which any claim is overdue, payment shall be treated as being made on the date of the other valid instrument which is equivalent to payment was placed in the U.S. mail in a properly addressed, postpaid envelope, or, if not so posted, on the date of delivery. All overdue payments shall bear simple interest at the rate of 7.5 percent per year.

(2) Notwithstanding sub. (1), the payment of a claim shall not be overdue for a sum certain owed, and written notice of both, the plain language of this section, incorporating by reference s. 646.31 (2), imposes 12 percent [now 7.5 percent] simple interest on overdue payments to third-party claimants. Kontowicz v. American Standard Insurance Co. of Wisconsin, 2006 WI 48, 290 Wis. 2d 302, 714 N.W.2d 105, 06 PTC 177.

An insurer’s subrogation interest did not permit it to step into the insured’s shoes to assert a 12 percent [7.5 percent] interest claim under the facts and circumstances of the case. Legal subrogation gives indemnity only, and an insurer who possesses a right of action for subrogation cannot recover beyond the amount actually disbursed by it. Zurich American Insurance Company v. Wisconsin Physicians Services Insurance Co., 2007 WI App 30, 306 Wis. 2d 617, 749 N.W.2d 741, 07-AP-395.

This section is limited to situations where an insurer fails to pay an insurance claim within 30 days. In this case an insurer failed to pay a contractual settlement of an insurance claim within 30 days. There is no authority for the proposition that this section can apply when an insurer fails to pay an amount required by a settlement agreement resolving a disputed claim. Singler v. Zurich American Insurance Co., 2014 WI App 108, 357 Wis. 2d 1, 855 N.W.2d 596, 14-AP-372.

“Reasonable proof” in sub. (1) means that amount of information that is sufficient to allow a reasonable insurer to continue that it may not be responsible for payment of a claim. Generally, reasonable proof is equated with whether a reasonable insurance company would have the right to litigate when policy language was ambiguous, the court of appeals was divided on the question of coverage, the issue of coverage was one of first impression at the administrative level and legal proceedings were at a stalemate.

Froedtert Memorial Lutheran Hospital, Inc. v. National States Insurance Co., 2003 WI 33, 317 Wis. 2d 54, 780 N.W.2d 173, 03-AP-126.

This section is designed to discourage insurance companies from creating unnecessary delays in paying claims and to compensate claimants for the value of the use of their money. If the insurer has “reasonable proof” that it is not responsible, the section does not apply.

Reasonable proof of nonresponsibility is equated with whether the “coverage issue was fairly debatable.” Dilger v. Metropolitan Property & Casualty Insurance Co., 2015 WI App 54, 364 Wis. 2d 410, 868 N.W.2d 177, 14-AP-185.

When damages are high and policy limits are low by comparison, the potential for contributory negligence by a party is not, in itself, sufficient to constitute “reasonable proof” that it will defeat an award of interest. The “reasonable proof” exception is satisfied when there is evidence sufficient to make a “reasonable insurer” conclude that it may not be responsible for payment. In this case there was no reasonable view that any contributory negligence by the other party would have reduced the defendant insurer’s liability below its policy limits. Casper v. American International South Insurance Co., 2017 WI App 36, 376 Wis. 2d 381, 897 N.W.2d 429, 15-AP-121.

The policy behind this section is equally applicable to single or multiple—insured circumstances. It is not to punish insurance companies, but to compensate claimants for the value of their money. Casper v. American International South Insurance Co., 2017 WI App 36, 376 Wis. 2d 381, 897 N.W.2d 429, 15-AP-242.

Under Kontowicz, 2006 WI 48, a third-party claimant is entitled to prejudgment interest from the time when the insurer has reasonable proof to establish that it is not responsible for the payment. The sum certain condition is not satisfied when a third-party claimant relies upon an assertion of general damages to support a demand that an excess insurer pay a specific amount and the insurer reasonably concludes it is not certain the amount owed is the amount the insurer may actually owe the claimant. Although, in this case, the plaintiff clearly demanded that the insurer pay a sum certain—the $1,000,000 policy limit—that sum was not reasonably demonstrated to be owed to the plaintiff by the insurer. Estate of Payne v. Marx, 2020 WI App 2, 390 Wis. 2d 356, 938 N.W.2d 628, 18-0627.

628.48 Risk retention groups. (1) Prohibited marketing. A risk retention group may not do any of the following:
(a) Solicit or sell insurance to any person who is not eligible for membership in the risk retention group.
(b) Solicit or sell insurance or otherwise operate if the risk retention group is in a hazardous financial condition or is financially impaired.
(2) Notice in policies. A risk retention group may not issue an insurance policy unless the following notice, in 10−point type, is included on the front page and declarations page of the policy:
Notice
This policy is issued by your risk retention group. Your risk retention group may not be subject to all of the insurance laws and regulations of your state. State insurance insolvency guaranty funds are not available for your risk retention group.
History: 1987 a 247.

628.49 Regulation of managing general agents, reinsurance brokers and managing controlling producers. After considering the applicable model acts adopted by the National Association of Insurance Commissioners, the commissioner may promulgate rules that are reasonably necessary to regulate the business practices and transactions of the following:
(1) Managing general agents.
(2) Reinsurance brokers.
(3) Reinsurance managers.
(4) Intermediaries that control an insurer.
History: 1991 a 269.

SUBCHAPTER IV
COMPENSATION OF INTERMEDIARIES

628.51 Controlled business. No intermediary may receive any compensation from an insurer for effecting insurance upon the intermediary’s property, life or other risk unless during the preceding 12 months the intermediary had effect insurance with the same insurer with aggregate premiums exceeding the premiums on the intermediary’s risks.
History: 1975 c. 371, 421.

628.61 Sharing commissions. (1) Prohibition. No intermediary or insurer may pay any consideration, nor reimburse out−of−pocket expenses, to any natural person for services performed within this state as an intermediary if he or she knows or should know that the payee is not licensed under s. 628.04 or 628.09. No natural person may accept compensation for service performed as an intermediary unless the natural person is licensed under s. 628.04 or 628.09.
(2) Exceptions. This section does not prohibit:
(a) The payment of deferred commissions to formerly licensed agent and broker intermediaries or their assignees; or
(b) The proper exchange of business between agent and broker intermediaries lawfully licensed in this state.
History: 1975 c. 371, 421; 1979 c. 102; 1981 c. 38.

This registration shall be on an application form developed by the commissioner, which shall include such documentation as the commis-
sioner determines is necessary and appropriate. Before the
commissioner may register the entity, the entity must establish to
