630.15 Prohibited relationships between life insurers and funeral directors or cemeteries. No funeral director or cemetery or association of funeral directors or cemeteries may control a life insurer.

Legislative Council Note, 1979: This section provides a convenient cross-reference to the laws regulating lobbying generally and makes clear that it applies to persons regulated under the insurance code. It replaces s. 610.57 which applied only to life insurance companies. Section 610.57 has been a part of the statutes since passage of ch. 131, laws of 1907. It has been largely ignored in the belief that the general lobbying laws applied to insurance companies and others concerned with insurance matters, especially since adoption of ch. 609, laws of 1947, creating ss. 13.60 to 13.73.
