CHAPTER 631
INSURANCE CONTRACTS GENERALLY

SUBCHAPTER I
GENERAL RULES

631.01 Application of statutes. (1) GENERAL. This chapter and ch. 632 apply to all insurance policies and group certificates delivered or issued for delivery in this state, on property ordinarily located in this state, on persons residing in this state when the policy or group certificate is issued, or on business operations in this state, except:

(a) As provided in ss. 600.01 and 618.42;

(b) On business operations in this state if the contract is negotiated outside this state and if the operations in this state are incidental or subordinate to operations outside this state, unless the contract is for a policy of insurance to cover a warranty, as defined in s. 100.205 (1) (g), in which case the provisions set forth in sub. (4m) apply; and

(c) As otherwise provided in the statutes.

(2) REINSURANCE. Sections 631.05, 631.15 (1), 631.41, 631.45 and 631.81 apply to contracts used in reinsurance; the commissioner may specify by rule that reinsurance contracts are subject to other provisions of this chapter and ch. 632 upon a finding that the interests of Wisconsin insureds, of ceding insurers domiciled in this state or of the public in this state so require.

(3) OCEAN MARINE INSURANCE. Sections 631.03 to 631.09, 631.15 (1) and (4), 631.20 (1), 631.27, 631.41 to 631.51, 631.64 to 631.81 and 631.85 apply to ocean marine insurance; the commissioner may specify by rule that ocean marine contracts are subject to other provisions of this chapter upon a finding that the interests of Wisconsin insureds or creditors of the public in this state so require.

(4) ANNUITIES AND GROUP POLICIES FOR ELEEMOSYNARY INSTITUTIONS. This chapter and ch. 632 do not apply to annuities or group policies that are provided on a basis as uniform nationally as state statutes permit to educational, scientific research, religious or charitable institutions organized without profit to any person, for the benefit of employees of such institutions. The commissioner may by order subject such contracts issued by a particular insurer to this chapter or ch. 632 or any portion of those provisions upon a finding, after a hearing, that the interests of Wisconsin insureds or creditors or the public of this state so require.

(4m) RUSTPROOFING WARRANTIES INSURANCE. An insurer issuing a policy of insurance to cover a warranty, as defined in s. 100.205 (1) (g), shall comply with s. 632.18 and the policy shall be on a form approved by the commissioner under s. 631.20.

631.05 Insurance contracts generally

The insurer's delay in issuing the title insurance policy did not preclude the insurer from denying coverage per the policy's terms. Columb v. Cox, 2022 WI App 32, 404 Wis. 2d 50, 978 N.W.2d 481, 20–1593.

631.07 Insurable interest and consent. (1) Insurable interest. No insurer may knowingly issue a policy to a person without an insurable interest in the subject of the insurance.

(2) Consent in life and disability insurance. Except under sub. (3), no insurer may knowingly issue an individual life or disability insurance policy to a person other than the one whose life or health is at risk unless the latter has given written consent to the issuance of the policy. Consent may be expressed by knowingly signing the application for the insurance with knowledge of the nature of the document, or in any other reasonable way.

(3) Cases where consent is unnecessary or may be given by another. (a) Consent unnecessary. A life or disability insurance policy may be taken out without consent in any of the following cases:

1. A person may obtain insurance on a dependent who does not have legal capacity.
2. A creditor may at the expense of the creditor obtain life or disability insurance on the debtor in an amount reasonably related to the amount of the debt.
3. A person may obtain a life or disability insurance policy on members of the person's family living with or dependent on the person.
4. A person may obtain a disability insurance policy on others that would merely indemnify against expenses the policyholder would be legally or morally obligated to pay.

(b) Consent given by another. Consent may be given by another in the following cases:

1. A parent, a guardian of the person, or a person having legal custody as defined in s. 632.896 (1) (c), with the person.
2. A grandparent may consent to the issuance of life or disability insurance on a grandchild.
3. A court of general jurisdiction may give consent on an ex parte application on the showing of any facts the court considers sufficient to justify such insurance.

(4) Effect of lack of insurable interest or consent. No insurance policy is invalid merely because the policyholder lacks insurable interest or because consent has not been given, but a court with appropriate jurisdiction may order the proceeds to be paid to someone other than the person to whom the policy is designated to be payable, who is equitably entitled thereto, or may create a constructive trust in the proceeds or a part thereof, subject to terms and conditions of the policy other than those relating to insurable interest or consent.

Cross-reference: See also s. 2.45, Wis. adm. code.

The proceeds of a casualty insurance policy purchased by a land contract vendee that makes the vendor as mortgagee properly awarded to the vendor under sub. (4) when, following confirmation of a strict foreclosure judgment against the vendee, the insured premises were destroyed by fire. Disru v. Arnold, 167 Wis. 2d 177, 482 N.W.2d 114 (Ct. App. 1992).

A stockholder may have an insurable interest in corporate property. Hedeyen v. SafeCo Title Insurance Co., 175 Wis. 2d 508, 498 N.W.2d 905 (Ct. App. 1993).

A contract of insurance upon a life in which the insured has no interest is a pure wager. Nevertheless, sub. (4) makes clear that the beneficiary of the policy is entitled to the policy proceeds. Section 895.055, with immaterial exceptions, voids all gambling contracts, but s. 600.12 (2) provides that, if a section in chs. 600 to 655 conflicts with another statutory provision, the section in chs. 600 to 655 governs. Sun Life Assurance Co. of Canada v. U.S. Bank National Ass'n, 839 F.3d 654 (2016).

While article IV, section 24, of the Wisconsin Constitution states that “except as provided in this section, the legislature may not authorize gambling in any form,” the legislature has not authorized gambling in sub. (4). Gambling contracts, including life insurance policies that lack an insurable interest, are still forbidden. The statute changed only the remedy for violation of the law, not to require the court to cough up the proceeds rather than being allowed to keep all the premuims and pay nothing to the policyholder because the latter had no insurable interest in the policy. Sun Life Assurance Co. of Canada v. U.S. Bank National Ass'n, 839 F.3d 654 (2016).

631.08 Mistakes in contracts. (1) General. Except as otherwise provided in chs. 600 to 646 and 655, general contract law applies to mistakes in insurance contracts.

(2) Person to whom proceeds payable in property insurance. Mistake in designating the person to whom the insurance is payable in a policy of property insurance does not void the policy or constitute a defense for the insurer unless the mistake was due to misrepresentation or concealment by the owner of the property or someone representing the owner in procuring the policy, or unless the company would not have issued or continued the policy if it had known the truth.

History: 1975 c. 375, 421; 1979 c. 89; 1989 a. 187 s. 29.

631.09 Knowledge and acts of agents. (1) Imputation of knowledge. An insurer is deemed to know any fact material to the risk or which breaches a condition of the policy, if the agent who issued the insurer or issued the policy or transmitted the application to the insurer knew it at the time the agent acted, or if thereafter any of the insurer's agents with whom the policyholder is then dealing as agent of the insurer learns it in the course of the agent's dealing with the policyholder, and knows that it pertains to a policy written by the insurer.

(2) Acts of agent. A failure by any policyholder or insured to perform an act required to perfect his or her rights under the policy, or failure to perform the act in the time and manner prescribed, does not affect the insurer's obligations under the policy if the failure was caused by an act, statement or representation or omission to perform a duty by an agent of the insurer who has apparent authority, whether or not the agent was within the actual scope of the agent's authority.

(3) Effect of notice to agent. Notice given by or on behalf of the policyholder or insured to any authorized agent of the insurer with particulars sufficient to identify the policy is notice to the insurer.

(4) Collusion. Subsections (1) and (2) do not apply if the agent and the policyholder or insured acted in collusion to deceive or defraud the insurer, or if the policyholder or insured knew the agent was acting beyond the scope of the agent's authority.

(5) Group policyholder not agent. No person is an agent of an insurer merely because the person is a policyholder of a group insurance policy.

(6) Liability under common law. This section does not diminish any liability of the insurer that would exist under common law.

History: 1975 c. 375, 421.

Absent proof that an agent knew, or should have known, of financial problems of a reinsurer from whom the agent procured insurance, the agent is not liable when the insurer from denying coverage. Nolden v. Mutual Benefit Life Insurance Co., 79 Wis. 2d 308, 255 N.W.2d 533 (1977).

When an insured elected to have open heart surgery after an agent indicated that the insurer would probably pay the bills, that action was sufficient reliance to estop the insurer from denying coverage. Nolden v. Mutual Benefit Life Insurance Co., 80 Wis. 2d 353, 259 N.W.2d 75 (1977).

631.11 Representations, warranties and conditions.

(1) Effect of negotiations for contract. (a) Statement or warranty. No statement, representation or warranty made by a person other than the insurer or an agent of the insurer in the negotiation for an insurance contract affects the insurer's obligations under the policy unless it is stated in any of the following:

1. The policy.
2. A written application signed by the person, provided that a copy of the written application is made a part of the policy by attachment or endorsement.

3. A written communication provided by the insurer to the insured within 60 days after the effective date of the policy.

(b) Misrepresentation or breach of affirmative warranty. No misrepresentation, and no breach of an affirmative warranty, that is made by a person other than the insurer or an agent of the insurer in the negotiation for or procurement of an insurance contract constitutes grounds for rescission of, or affects the insurer’s obligations under, the policy unless, if a misrepresentation, the person knew or should have known that the representation was false, and unless any of the following applies:

1. The insurer relies on the misrepresentation or affirmative warranty and the misrepresentation or affirmative warranty is either material or made with intent to deceive.

2. The fact misrepresented or falsely warranted contributes to the loss.

(3) Effect of failure of condition or breach of promissory warranty. No failure of a condition prior to a loss and no breach of a promissory warranty constitutes grounds for rescission of, or affects an insurer’s obligations under, an insurance policy unless it exists at the time of the loss and either increases the risk at the time of the loss or contributes to the loss. This subsection does not apply to failure to tend payment of premium.

(4) Effect of insurer’s knowledge. (a) Knowledge when policy issued. No misrepresentation made by or on behalf of a policyholder and no breach of an affirmative warranty or failure of a condition exists at the time of the loss or contributes to the loss. The insurer may not rescind the policy and the defense is not available if at the time the insurer or its agent or, in the case of a group policy certificate holder, no breach of an affirmative warranty or failure of a condition precedent. Conditions to the making of the contract, conditions precedent, which is a question of law. Whether the statement was false, and whether the policy making the statement knew, or should have known, that the statement was false are questions of fact. The burden of proof on an insurer seeking to rescind an insurance policy is clear and convincing evidence as to each element of the statute. Purn v. Wisconsin Physicians Service Insurance Corp., 2007 WI App 251, 297 Wis. 2d 828, 726 N.W.2d 678, 05–2219.

(b) Knowledge acquired after policy issued. If after issuance of an insurance policy an insurer acquires knowledge of sufficient facts to constitute grounds for rescission of the policy under this section or a general defense to all claims under the policy, the insurer may rescind the policy and the defense is not available unless the insurer notifies the insured within 60 days after acquiring such knowledge of its intention to either rescind the policy or defend against a claim if one should arise, or within 120 days if the insurer determines that it is necessary to secure additional medical information.

4m. Life and Disability Contracts. (a) Copy of application to be made available. The policyholder under a life or disability insurance policy and any person whose life or health is insured under the policy may request in writing a copy of the application if he or she did not receive the policy or a copy of it, or if the policy has been reinstated or renewed without attachment of a copy of the original application. If the insurer does not deliver or mail a copy as requested within 15 working days after receipt of the request by the insurer or its agent or, in the case of a group policy certificate holder, does not inform such person within the same period how he or she may inspect the policy and application during normal business hours at a place reasonably convenient to the certificate holder, nothing in the application affects the insurer’s obligations under the policy to the person making the request. A person whose life or health is insured under a life or disability insurance policy has the same right to request a copy of any document specified in par. (b), including the certificate.

(b) Statement or warranty. No statement, representation or warranty made by or on behalf of a particular certificate holder under a group life or disability insurance policy affects the insurer’s obligations under the certificate unless it is stated in the certificate, or in a written document signed by the certificate holder, a copy of which is supplied to the certificate holder or the beneficiary whose rights would be affected.

631.15 Incorporation by reference. No insurance contract may contain any agreement or incorporate any provision not fully set forth in the policy or in an application or other document attached to and made a part of the policy at the time of its delivery except that:

1. Rates. Any policy may by reference incorporate rate schedules and classifications of risks and short–rate tables filed with the commissioner; and

2. Complex contracts. By rule or order or by approval of a form the commissioner may authorize for complex contracts incorporation by reference of provisions for administrative arrangements, premium schedules and payment procedures.

History: 1975 c. 375.

631.15 Contract rights under noncomplying policies. (1) Enforcement of policy terms. Except as otherwise specifically provided by statute, a policy is enforceable against the insurer according to its terms, even if it exceeds the authority of the insurer.

(3m) Enforcement of statute and rule requirements. A policy that violates a statute or rule is enforceable against the insurer as if it conforms to the statute or rule.

(4) Reformation of contract. Upon written request of the policyholder or an insured whose rights under the policy are continuing and not transitory, an insurer shall reform and reissue its

written policy to comply with the requirements of the law existing at the date of issue or last renewal of the policy.

When uninsured motorist coverage in the amount of $25,000 was contracted for, in violation of the requirement for $50,000 coverage under s. 632.32 (4m) (d), the higher level of coverage was read into the policy under sub. (3m), even though it was not reflected in the premium paid. Brunson v. Ward, 2001 WI 89, 245 Wis. 2d 163, 629 N.W.2d 140, 98–302.

631.17 **Written reason for coverage denial.** (1) In this section, “disability insurance policy” has the meaning given in s. 632.895 (1) (a).

(2) An insurer that denies coverage under an individual or group life or disability insurance policy or a certificate of group life or disability insurance shall advise the applicant or proposed insured in writing of the reasons for the denial.

**SUBCHAPTER II**

**APPROVAL OF FORMS**

631.20 **Filing and approval of forms.** (1) **FILING.** (a) No form subject to s. 631.01 (1), except as exempted under par. (c), sub. (1g), or s. 631.01 (2), (3), (4), or (5) or by rule under par. (b), may be used unless it has been filed with and approved by the commissioner and unless the insurer certifies that the form complies with chs. 600 to 655 and rules promulgated under chs. 600 to 655. It is deemed approved if it is not disapproved within 30 days after filing, or within a 30-day extension of that period ordered by the commissioner prior to the expiration of the first 30 days.

(b) Subject to s. 655.24 (1), the commissioner may by rule exempt certain classes of policy forms from prior filing and approval.

(c) Subject to sub. (1m), a form first used and not already filed under par. (a) on or after August 1, 2008, is exempt from par. (a) except for any of the following:

1. A form subject to s. 655.24 (1).
2. A form for a worker’s compensation policy.
3. A form for a Medicare replacement policy or a Medicare supplement policy.
4. A form for a long-term care insurance policy, including a form for a nursing home or home health care policy.
5. A form issued by an insurer ordered by the commissioner under s. 601.41 (4) to file forms under par. (a). The commissioner may require an insurer to file forms under par. (a) to secure compliance with the law, including if the commissioner determines that the insurer violated sub. (1m).
6. A form that includes an appraisal or arbitration provision not specifically authorized by rule. The entire form, including the appraisal or arbitration provision, is subject to par. (a).
7. A form containing a clause subject to s. 631.21, but only as to the clause.
8. A form for a policy of insurance to cover a warranty, as defined in s. 100.205 (1) (g).
10. A form required to be filed under par. (a) by a rule promulgated by the commissioner.

(1g) **EXEMPT IF APPROVED BY COMMISSION.** A form for a product, as defined in s. 601.58 (2) (k), that is approved by or self-certified to, and not disapproved by, the Interstate Insurance Product Regulation Commission is exempt from sub. (1) (a) and (1m) (a), unless otherwise provided by a rule promulgated by the commissioner under s. 601.58.

(1m) **USE OF CERTAIN FORMS.** (a) Except as exempted under sub. (1g) or s. 631.01 (2), (3), (4), or (5) or by a rule promulgated by the commissioner, an insurer may not, on or after August 1, 2008, use a form that is exempt from sub. (1) (a) under sub. (1) (c) unless the insurer does all of the following:

1. Files the form with the commissioner 30 days before its use.
2. Files the form in the manner and format, and with the attachments, prescribed by the commissioner.
3. Certifies as required under par. (b) that the form complies with chs. 600 to 655 and rules promulgated under chs. 600 to 655. The commissioner may require an insurer to include specific compliance certifications.
4. (b) An insurer shall provide the certification under par. (a) 3. in the form prescribed by the commissioner. The certification shall be executed by a person who is an officer of the insurer and who is responsible for the form that is the subject of the filing. No insurer may file, and no insurance officer may execute, a false certification.
5. (2) **GROUNDS FOR DISAPPROVAL.** The commissioner may disapprove a form under sub. (1) (a) or (3) upon a finding:

(a) That it is inequitable, unfairly discriminatory, misleading, deceptive, obscure or encourages misrepresentation, including cases where the form:

1. Is misleading because its benefits are too restricted to achieve the purposes for which the policy is sold;
2. Contains provisions whose natural consequence is to obscure or lessen competition;
3. Is unnecessarily verbose or complex in language;
4. Is misleading, deceptive or obscure because of such physical aspects as format, typography, style, color, material or organization;
(b) That it provides benefits or contains other provisions that endanger the solidity of the insurer;
(c) That in the case of the policy, though not of riders and endorsements, it fails to provide the exact name of the insurer and the full address of its home office; or
(d) That it violates a statute or a rule promulgated by the commissioner, or is otherwise contrary to law.

(e) That its use would violate s. 631.22.

(3) **SUBSEQUENT DISAPPROVAL.** Whenever the commissioner finds, after a hearing, that a form approved or deemed to be approved under sub. (1) (a), a form filed under sub. (1m), or a form subject to subsequent disapproval under s. 601.58 (14) should be disapproved under sub. (2), the commissioner may order that on or before a date not less than 30 nor more than 90 days after the order the use of the form shall be discontinued or appropriate changes shall be made.

(4) **CONTENTS OF ORDER OF DISAPPROVAL.** The commissioner’s disapproval must be in writing and constitutes an order. It must state the reasons for disapproval sufficiently explicitly that the insurer is provided reasonable guidance in reformulating its proposals.

(5) **EXPLICIT APPROVAL OF CERTAIN CLAUSES.** General approval of a form under this section, or failure to disapprove, does not constitute approval of clauses specified in s. 631.21.

(6) **FORM THAT VIOLATES STATUTE OR RULE.** (a) The penalties under s. 601.64 (3) to (5) may not be imposed against an insurer for any of the following:

1. Using a form that does not comply with a statute or rule, including a rule or uniform standard adopted by the Interstate Insurance Product Regulation Commission, if the statute or rule was in effect on the date the form was approved or deemed to be approved under sub. (1) (a) or s. 601.58.
2. The use of a form solely based on a finding of the commissioner that the content of the form is misleading under s. 628.34 (1).

(b) An insurer’s use of a form that does not comply with a statute or rule, including a rule or uniform standard adopted by the Interstate Insurance Product Regulation Commission, that takes effect after the date the form was approved or deemed to be approved or deemed not to be in compliance will constitute a violation of s. 631.22.
631.21 Explicit approval required. (1) Required approval. Despite filing or general approval of a form under s. 631.20, the following clauses may not be used even if contained in the form unless the commissioner gives explicit approval to them:
(a) Expeditious notice. Clauses requiring more expeditious notice than 1st class mail, as provided in s. 631.81 (2).
(b) Reimbursement for examination fees. A schedule of reimbursement for examination fees under s. 632.74, if made a part of the policy. Such a schedule need not be included in the contract but may be given approval as a separate document specifically made applicable to particular classes of policies.
(2) Effect of failure to obtain explicit approval. If an insurer fails to obtain explicit approval from the commissioner for the clauses under sub. (1), the clauses shall be null and void.

631.22 Consumer insurance policy readability. (1) In this section “consumer insurance policy” means a life, disability, property or casualty insurance policy, or a certificate or a substitute for a certificate for group life, disability, property or casualty insurance coverage which is issued to a person for a personal, family or household purpose and a copy of which is customarily, in the insurance industry, delivered or is required by law, rule or agreement to be delivered to the person obtaining insurance coverage.
(2) An insurer may provide a consumer insurance policy which is delivered to a person obtaining insurance coverage and is not exempt under sub. (5) only if the consumer insurance policy is coherent, written in commonly understood language, legible, appropriately divided and captioned by its various sections and presented in a meaningful sequence. The commissioner shall promulgate rules establishing standards for the determination of compliance with this subsection.
(3) This section does not apply to specific language or format required by state or federal law, rule or regulation.
(4) This section applies only to consumer insurance policies delivered on or after the date which is 6 months after May 8, 1980 except the commissioner may provide by rule that this section will not apply to specific types of consumer insurance policies until a later date which is not later than the date which is 2 years after May 8, 1980 if the commissioner determines that delayed application is necessary to prevent an unreasonable burden upon insurers issuing those types of consumer insurance policies.
(5) The commissioner may by rule exempt a type of consumer insurance policy from the application of this section if the commissioner finds that type of consumer insurance policy is generally understood by persons to whom it is delivered or that those persons are otherwise adequately protected.

631.23 Authorized clauses for insurance forms. (1) Promulgation of clauses. The commissioner may not promulgate mandatory uniform clauses that preclude an insurer from filing its own forms under s. 631.20; the commissioner may only disapprove such forms on the basis of the criteria stated in that section. Subject thereto, the commissioner may promulgate authorized clauses by rule upon a finding that:
(a) Price or coverage competition is ineffective because diversity in language or content makes comparison difficult;
(b) Provision of language, content or form of specific clauses is necessary to provide certainty of meaning of those clauses;
(c) Regulation of contract forms would be more effective or litigation would be substantially reduced if there were increased standardization of certain clauses; or
(d) Reasonable minimum standards of insurance protection are needed for policies to serve a useful purpose.
(2) Degree of specificity. Any rule creating an authorized clause may prescribe that to be treated as an authorized clause there must be verbatim adherence to prescribed language. If the proposed rule prescribed verbatim adherence, the commissioner shall make a finding that substantial adherence to the prescribed language is not sufficient and that liberalization of prescribed language will frustrate the purposes of the prescription. An insurer uses authorized clauses as part of filed forms the commissioner may only disapprove those clauses under s. 631.20 upon a finding that improper combination of clauses makes them violate the criteria of s. 631.20.

631.24 Credit life and disability insurance. Section 631.20 does not apply to credit life and disability insurance forms which are subject to approval under s. 424.209.

631.27 Rules of law as provisions of contracts. By rule, the commissioner may require an insurer to insert in a policy any rule of law stated in chs. 600 to 646 and 655 that is applicable to the contents or interpretation of an insurance contract.

631.28 Notice of right to file complaint. (1) Requirement to provide notice. Every insurer shall provide notice to its policyholders and its insureds of the right to file a complaint with the office in the manner prescribed by rule under sub. (2).
(2) Contents by rule. The commissioner shall promulgate rules specifying the contents of a notice that insurers must disseminate under sub. (1), and when and in what manner the notice must be provided. The rules shall describe how a policyholder, insured or other person may make a complaint with the office about an insurer, an intermediary or other insurance matter. The rules may also specify the form, including the type size, in which insurers must present the notice.

(b) **Contracts more favorable to policyholder.** The contract may provide terms more favorable to policyholders than are required by this section.

(c) **Exemption by rule.** The commissioner may by rule totally or partially exempt from this section classes or parts of classes of insurance contracts if the policyholders do not need protection against arbitrary or unnecessary termination.

(d) **Other rights.** The rights provided by this section are in addition to and do not prejudice any other rights the policyholder may have at common law or under other statutes.

(e) **Rescission or reformation.** This section does not apply to the rescission or reformation of any insurance contract.

(2) **MIDTERM CANCELLATION.** (a) **Permissible grounds.** Except as provided by par. (c) and sub. (3) and s. 655.24 (2) (b), no insurance policy may be canceled by the insurer prior to the expiration of the agreed term except for failure to pay a premium when due or on grounds stated in the policy, which must be comprehended within one of the following classes:

1. Material misrepresentation;
2. Substantial change in the risk assumed, except to the extent that the insurer should reasonably have foreseen the change or contemplated the risk in writing the contract;
3. Substantial breaches of contractual duties, conditions or warranties; or
4. Attainment of the age specified as the terminal age for coverage, in which case the insurer may cancel by notice under par. (b) accompanied by a tender of a proportional return of premium.

(b) **Notice.** No cancellation under par. (a) is effective until at least 10 days after the 1st class mailing or delivery of a written notice to the policyholder.

(c) **New policies.** Paragraphs (a) and (b) do not apply to any insurance policy that has not been previously renewed if the policy has been in effect less than 60 days at the time notice of cancellation is mailed or delivered. No cancellation under this paragraph is effective until at least 10 days after the 1st class mailing or delivery of a written notice to the policyholder. Subsections (6) and (7) do not apply to such a policy.

(3) **ANNIVERSARY CANCELLATION OR ALTERATION.** A policy may be issued for a term longer than one year or for an indefinite term with a clause providing for cancellation by the insurer in the manner provided in sub. (4) (a) for nonrenewsals, except the notice must be given at least 60 days prior to any anniversary date and an insurer may not cancel a policy solely because of the termination of an insurance marketing intermediary’s contract with the insurer unless the insurer complies with sub. (4m).

The clause may also provide for alteration of the terms or premium by the insurer as provided in sub. (5) (c), except the clause must then permit cancellation by the policyholders as provided in sub. (5) (c).

(4) **NONRENEWAL.** (a) **Notice required.** Subject to subs. (2) and (3), a policyholder has a right to have the policy renewed, on the terms then being applied by the insurer to similar risks, for an additional period of time equivalent to the expiring term if the agreed term is one year or less, or for one year if the agreed term is longer than one year, unless at least 60 days prior to the date of expiration provided in the policy a notice of intention not to renew the policy beyond the agreed expiration date is mailed or delivered to the policyholder, or with respect to failure timely to pay the renewal premium a notice is given, not more than 75 days nor less than 10 days prior to the due date of the premium, which states clearly the effect of nonpayment of premium by the due date.

(b) **Exceptions.** This subsection does not apply if the policyholder has insured elsewhere, has accepted replacement coverage, or has requested or agreed to nonrenewal, if the policy is renewed in an affiliate in compliance with s. 631.39, or if the policy is expressly designated as nonrenovable.

(4m) **POLICY CANCELLATION.** An insurer may refuse to renew or may cancel a policy under sub. (3) or (4) solely because of the termination of an insurance marketing intermediary’s contract with the insurer only if the notice of nonrenewal or cancellation contains an offer to continue or renew the policy with the insurer if the insurer receives a written request from the policyholder prior to the cancellation or renewal date. The insurer shall continue or renew the policy if a timely request is received unless the policyholder does not meet normal underwriting criteria.

(5) **RENEWAL WITH ALTERED TERMS.** (a) **General.** 1. Subject to pars. (b) (2) (a) and (3), for any policy other than a policy described in subd. 2., if the insurer offers or purports to renew the policy but on less favorable terms or at higher premiums, the new terms or premiums take effect on the renewal date if the insurer sent by 1st class mail or delivered to the policyholder notice of the new terms or premiums at least 60 days prior to the renewal date. If the insurer notifies the policyholder within 60 days prior to the renewal date, the new terms or premiums do not take effect until 60 days after the notice is mailed or delivered, in which case the policyholder may elect to cancel the renewal policy at any time during the 60−day period. The notice shall include a statement of the policyholder’s right to cancel. If the policyholder elects to cancel the renewal policy during the 60−day period, return premiums or additional premium charges shall be calculated proportionately on the basis of the old premiums. If the insurer does not notify the policyholder of the new premiums or terms as required by this subsection prior to the renewal date, the insurer shall continue the policy for an additional period of time equivalent to the expiring term and at the same premiums and terms of the expiring policy, except as permitted under sub. (2) or (3).

2. Subject to pars. (b) (2) (d), for personal lines property and casualty policies, if the insurer offers or purports to renew the policy but on less favorable terms or at higher premiums, the new terms or premiums take effect on the renewal date if the insurer sent by 1st class mail or delivered to the policyholder notice of the new terms or premiums at least 45 days prior to the renewal date. If the insurer notifies the policyholder within 45 days prior to the renewal date, the new terms or premiums do not take effect until 45 days after the notice is mailed or delivered, in which case the policyholder may elect to cancel the renewal policy at any time during the 45−day period. The notice shall include a statement of the policyholder’s right to cancel. If the policyholder elects to cancel the renewal policy during the 45−day period, return premiums or additional premium charges shall be calculated proportionately on the basis of the old premiums. If the insurer does not notify the policyholder of the new premiums or terms as required

631.37 Special cancellation provisions. The following cancellation provisions apply to the policies specified, whether or not s. 631.36 is also applicable to them.

(1) CANCELLATION UPON REQUEST OF PREMIUM FINANCE COMPANY. Section 138.12 (12) applies to cancellation on request of a premium finance company.

(2) CANCELLATION UPON REQUEST OF CREDITOR. Section 424.303 applies to cancellation upon request of a creditor.

by this subsection prior to the renewal date, the insurer shall continue the policy for an additional period of time equivalent to the expiring term and at the same premiums and terms of the expiring policy, except as permitted under sub. (2) or (3).

(b) Exception. Paragraph (a) does not apply if the only change that is adverse to the policyholder is a premium increase and if either of the following applies to the premium increase:

1. The premium increase is less than 25 percent and is generally applicable to the class of business to which the policy belongs.

2. The premium increase results from a change based on action by the insured that alters the nature or extent of the risk insured against, including but not limited to a change in the classification or the units of exposure or increased policy coverage.

prior to the anniversary date, the new terms or premiums do not take effect until 45 days after the renewal is sent so that the policyholder may elect to cancel the policy at any time during the 60−day period. The notice shall include a statement of the policyholder′s right to cancel. If the policyholder elects to cancel the policy during the 60−day period, return premiums or additional premium charges shall be calculated proportionately on the basis of the old premiums. If the insurer does not notify the policyholder of the new premiums or terms as required by this subsection prior to the anniversary date, the insurer shall continue the policy until the next anniversary date or the renewal date, whichever is earlier, at the same premiums and terms as for the previous period, except as permitted under sub. (2) or (3).

2. Subject to par. (d), for personal lines property and casualty policies, an insurer may alter the terms or premium of a policy issued for a term longer than one year or for an indefinite term on the anniversary date only if notice of less favorable terms or premiums is sent by 1st class mail or delivered to the policyholder at least 60 days prior to the anniversary date. If the insurer notifies the policyholder within 60 days prior to the anniversary date, the new terms or premiums do not take effect until 60 days after the notice is mailed or delivered, in which case the policyholder may elect to cancel the policy at any time during the 60−day period. The notice shall include a statement of the policyholder′s right to cancel. If the policyholder elects to cancel the policy during the 60−day period, return premiums or additional premium charges shall be calculated proportionately on the basis of the old premiums. If the insurer does not notify the policyholder of the new premiums or terms as required by this subsection prior to the anniversary date, the insurer shall continue the policy until the next anniversary date or the renewal date, whichever is earlier, at the same premiums and terms as for the previous period, except as permitted under sub. (2) or (3).

(c) Anniversary alteration. 1. Subject to par. (d), for any policy other than a policy described in subd. 2, an insurer may alter the terms or premium of a policy issued for a term longer than one year or for an indefinite term on the anniversary date only if notice of less favorable terms or premiums is sent by 1st class mail or delivered to the policyholder at least 60 days prior to the anniversary date. If the insurer notifies the policyholder within 60 days prior to the anniversary date, the new terms or premiums do not take effect until 60 days after the notice is mailed or delivered, in which case the policyholder may elect to cancel the policy at any time during the 60−day period. The notice shall include a statement of the policyholder′s right to cancel. If the policyholder elects to cancel the policy during the 60−day period, return premiums or additional premium charges shall be calculated proportionately on the basis of the old premiums. If the insurer does not notify the policyholder of the new premiums or terms as required by this subsection prior to the anniversary date, the insurer shall continue the policy until the next anniversary date or the renewal date, whichever is earlier, at the same premiums and terms as for the previous period, except as permitted under sub. (2) or (3).

3. Subject to par. (d), for personal lines property and casualty policies, an insurer may alter the terms or premium of a policy issued for a term longer than one year or for an indefinite term on the anniversary date only if notice of less favorable terms or premiums is sent by 1st class mail or delivered to the policyholder at least 60 days prior to the anniversary date. If the insurer notifies the policyholder within 60 days prior to the anniversary date, the new terms or premiums do not take effect until 60 days after the notice is mailed or delivered, in which case the policyholder may elect to cancel the policy at any time during the 60−day period. The notice shall include a statement of the policyholder′s right to cancel. If the policyholder elects to cancel the policy during the 60−day period, return premiums or additional premium charges shall be calculated proportionately on the basis of the old premiums. If the insurer does not notify the policyholder of the new premiums or terms as required by this subsection prior to the anniversary date, the insurer shall continue the policy until the next anniversary date or the renewal date, whichever is earlier, at the same premiums and terms as for the previous period, except as permitted under sub. (2) or (3).

(d) Estimate. An insurer may give notice under par. (a) or (c) of a new premium by stating the actual amount or percentage increase to be charged. If the insurer cannot reasonably determine the actual amount or percentage increase 45 days prior to the renewal or anniversary date for a policy subject to par. (a) 2. or (c) 2., or 60 days prior to the renewal or anniversary date for any other policy, the notice shall include a good faith estimate of the increase based on information that the insurer can reasonably obtain. If an estimate is stated, the insurer shall renew or continue the policy at a premium that does not exceed the increase stated in the notice except as permitted under par. (b).

(6) INFORMATION ABOUT GROUNDS. A notice of cancellation or nonrenewal under sub. (2) (b) or (4) shall state with reasonable precision the facts on which the insurer′s decision is based. No such notice is effective unless it so states the facts.

361.39 Renewals in affiliates. (1) SCOPE. This section applies to property and casualty lines of insurance, excluding disability insurance, as defined in s. 645.675 (1) (h).

(2) RENEWAL REQUIREMENTS. An insurer may renew a policy in an affiliate without having to comply with s. 102.31 (2) (a) or 631.36 (4) or s. INS 21.01 (6), Wis. Adm. Code, if all of the following are satisfied:

(a) All of the stock of, interest in, or control of the affiliate is held by one or more persons in the same insurance holding company system, as defined in s. 622.03 (2), that includes the insurer.

(b) The affiliate holds a valid certificate of authority in this state for the kind of business necessary to write the policy being renewed.

(c) If the policy renewed in the affiliate contains terms and conditions, except for the rates and rating plan, that are less advantageous to the policyholder than the policyholder’s current policy, the insurer complies with the requirements of s. 631.36 (5).

(d) The insurer provides notice to the policyholder at least 60 days before the renewal date that the policy will be renewed in an affiliate.

(e) The notice under par. (d) includes or states all of the following information:

1. The name and contact information of the company in which the policy will be renewed and that it is affiliated with the insurer.

2. That there will be no interruption of coverage.

3. That the premium for the renewal policy will be determined according to the rates and rating plan of the affiliate.

4. If the policy currently held by the policyholder is written by a mutual company and will be renewed in an affiliate that is a stock insurance company, that the policy will be renewed in an affiliate that is a stock insurance company and the policyholder will no longer have the rights that are granted to a mutual policyholder.

5. The A.M. Best or similar rating of the affiliate, if that rating is lower than the current A.M. Best or similar rating of the insurer.

6. If the amount of the premium for the policy after it is renewed in the affiliate will increase 25 percent or more from the amount of the premium prior to being renewed in the affiliate, notice of the increased premium.

(f) If the policy is a worker’s compensation insurance policy under ch. 102, the insurer provides notice to the department of workforce development at least 60 days prior to renewal of the policy in an affiliate notifying the department of the name of the affiliate in which the policy is to be renewed.

(3) APPLICABILITY OF OTHER LAW. Sections 611.78 and 618.32 do not apply to renewals under this section.

History: 1975 c. 375.

361.41 Policies jointly issued. Two or more insurers may together issue a policy in which their liability is either several or joint and several. If it is several, the heading of the policy shall conspicuously so state and the policy shall conspicuously state the proportion or amount of premium to be paid to each insurer and the type and the proportion or amount of liability each insurer agrees to assume.

History: 1975 c. 375.

361.43 Other insurance provisions. (1) GENERAL. When 2 or more policies promise to indemnify an insured against the same loss, no “other insurance” provisions of the policy may reduce the aggregate protection of the insured below the lesser of the actual insured loss suffered by the insured or the total indemnification promised by the policies if there were no “other insurance” provisions. The policies may by their terms define the extent to which each is primary and each excess, but if the policies contain inconsistent terms on that point, the insurers shall be jointly and severally liable to the insured on any coverage where the terms are inconsistent, each to the full amount of coverage it provided. Settlement among the insurers shall not alter any rights of the insured.

(2) FRAUD AS A DEFENSE. Subsection (1) does not affect the right of an insurer to defend against a claim under the policy on the ground of fraudulent misrepresentation.

(3) EXCEPTION. Subsection (1) does not affect the rights of insurers to limit, restrict, reduce, or exclude coverage under s. 632.32 (5) (b), (c), or (f) to (j).

NOW: 1995 Wisconsin Act 21, which became effective on July 15, 1995, made significant changes in the law regarding the “stacking” of insurance policy coverage.

A clause providing that any amount payable under the insurer’s policy would be reduced by monies paid by other insurance company’s uninsured motorist coverage was not valid; therefore, the plaintiff was entitled to the entire benefits under both uninsured motorist provisions. Landstatter v. Globe Security Insurance Co., 100 Wis. 2d 300, N.W.2d 875 (Ct. App. 1980).

An insurance policy provision that prohibits the stacking of uninsured motorist benefits against the same insurer is prohibited by sub. (1). Tahtinen v. MSI Insurance Co., 169 Wis. 2d 158, N.W.2d 673 (1985).

Sub. (1) only prohibits the use of reducing clauses in indemnity coverages, not in underinsured motorist coverage. Kuehn v. Safeco Insurance Co. of America, 140 Wis. 2d 620, 412 N.W.2d 126 (Ct. App. 1987).

If a single insurance contract incorporates coverage for two vehicles, charging two separate premiums, two policies have been issued under this section. Krause v. Massachusetts Bay Insurance Co., 161 Wis. 2d 711, 468 N.W.2d 755 (Ct. App. 1991).

A fleet policy listing individual vehicles and assessing separate premiums for each vehicle is separate policy for each vehicle and a single limit provision contained in the policy violates sub. (1). Carrington v. St. Paul Fire & Marine Insurance Co., 169 Wis. 2d 211, 485 N.W.2d 267 (1992).

Carrington, 169 Wis. 2d 211 (1992), is extended to underinsured motorist coverage. An insured who pays separate premiums for each vehicle under a single policy can stack underinsured motorist coverage even though the policy contains a limit of liability clause. West Bend Mutual Insurance Co. v. Playman, 216 Wis. 2d 37, 509 N.W.2d 951 (1992).

Although a policy’s limit of liability language has been held invalid under this section for the purpose of preventing stacking, it is still valid for determining each policy’s limit of liability. Schaefer v. General Casualty Co. of Wisconsin, 75 Wis. 2d 280, 209 N.W.2d 855 (Ct. App. 1993).

The lack of underinsured motorist coverage on an accident vehicle was irrelevant when the insured had the coverage on two other vehicles. Under sub. (1), a policy definition amounting to a “drive–other–car” exclusion is invalid. Rodey v. Stoner, 160 Wis. 2d 309, 509 N.W.2d 316 (Ct. App. 1993). See also Patraw v. American Family Mutual Insurance Co., 185 Wis. 2d 757, 519 N.W.2d 643 (Ct. App. 1994).

Liability coverages insuring against the risk of loss arising out of specified, owned motor vehicles do not insure against the same loss and thus sub. (1) does not apply to those coverages. Werner v. Country Mutual Insurance Co., 211 Wis. 2d 848, 565 N.W.2d 595 (Ct. App. 1997), 96–1440.

The applicability of sub. (1) cannot be ascertained by resort to historical definitions of indemnity and liability insurance. An analysis must be made of whether a particular policy promises to indemnify the insured against the same loss as another policy. Taylor v. Greatway Insurance Co., 2000 WI App 64, 233 Wis. 2d 703, 608 N.W.2d 722, 99–1329.

INSURANCE CONTRACTS GENERALLY

631.61 Group and blanket insurance. (1) CERTIFICATES.
(a) General. Except under par. (d), an insurer issuing a group insurance policy other than blanket shall, as soon as practicable after the coverage is effective, provide a certificate for each member of the insured group, except that only one certificate need be provided for the members of a family unit. The certificate shall contain a summary of the essential features of the insurance coverage, including any rights of conversion to an individual policy. Upon receiving a written request therefor, the insurer shall also inform any insured how the insured may inspect a copy of the policy during normal business hours at a place reasonably convenient to the insured.

(b) Blanket insurance. The commissioner may by rule impose a similar requirement for any class of blanket insurance policies for which the commissioner finds that the group of persons covered is constant for enough to be practicable and not unreasonably expensive.

(c) Method of providing certificates. The certificate shall be provided in a manner reasonably calculated to bring it to the attention of the certificate holder. The insurer may deliver or mail it directly to the certificate holder or may deliver or mail the certificates in bulk to the policyholder to transmit to certificate holders, unless the insurer has reason to believe that the policyholder will not promptly transmit the certificates. An affidavit by the insurer that it has mailed the certificates in the usual course of business creates a rebuttable presumption that it has done so. As an alternative to delivering or mailing the certificate, the insurer may make the certificate available electronically through an online internet or policyholder network website. If the insurer makes the certificate available electronically, the insurer shall do all of the following:

1. Request the policyholder to post the information, as well as instructions on how to access the certificate, in the policyholder’s place of business or to publish the information and access instructions in a house organ that is reasonably calculated to bring the information to the attention of the certificate holders.

2. Provide notice to the policyholder of any subsequent change in the certificate and request the policyholder to notify the certificate holders of the change in the manner specified in subd. 1.

3. Provide a paper copy of the certificate to any certificate holder upon request.

(d) Substitutes. The commissioner may by rule or order prescribe substitutes for delivery or mailing of certificates, including booklets describing the coverage, the posting of notices in the place of business, or publication in a house organ, if the substitutes are reasonably calculated to inform certificate holders of their rights.

(2) EFFECT OF FAILURE TO ISSUE CERTIFICATES. Unless a certificate or an authorized substitute has been made available to the certificate holder as required by this section, no act or omission by the certificate holder after the coverage has become effective as to the policyholder affects the insurer’s obligations under the insurance contract.

631.64 Corporate name. Every insurance policy or annuity contract shall conspicuously display the name of the insurer on its first page.

History: 1975 c. 375.

631.65 Assessable policies. Every assessable policy shall conspicuously display on the first page, separately from any other provision and in type at least as large as any used in the body of the policy, the words “This policy is assessable”.

History: 1975 c. 375; 1981 c. 218.

631.69 Insurance written in connection with finance plans. Any insurance contract written in connection with a finance plan or other credit transaction shall contain provisions to
to the claimant to prove that the insurer was not prejudiced. Neff v. Pierzina, insurer of the receipt of notice, the furnishing of forms for filing policy, there is a rebuttable presumption of prejudice, and the burden of proof shifts of any claim are not alone sufficient to waive any of the rights of

631.83 Limitation of actions. (1) STATUTORY PERIODS OF LIMITATION. (a) Fire insurance. An action on a fire insurance policy must be commenced within 12 months after the inception of the loss. This rule also applies to riders or endorsements attached to a fire insurance policy covering loss or damage to property or to the use of or income from property from any cause, and to separate windstorm or hail insurance policies.

(b) Disability insurance. An action on disability insurance coverage must be commenced within 3 years from the time written proof of loss is required to be furnished.

(c) Life claims based on absence of insured. Sections 813.22 to 813.34 apply to life insurance actions based on death in which absence is relied upon as evidence of death.

(d) Other. Except as provided in this subsection or elsewhere in chs. 600 to 646 and 655, s. 893.43 applies to actions on insurance policies.

(2) GENERAL LAW APPLICABLE TO LIMITATION OF ACTIONS. Except for the prescription of time periods under sub. (1) or elsewhere in chs. 600 to 646 and 655, the general law applicable to limitation of actions as modified by ch. 893 applies to actions on insurance policies.

631.69 INSURANCE CONTRACTS GENERALLY

631.69(1) Notice and proof of loss. (1) TIMELINESS OF NOTICE. Provided notice or proof of loss is furnished as soon as reasonably possible and within one year after the time it was required by the policy, failure to present notice or proof of loss within the time required by the policy does not invalidate or reduce a claim unless the insurer is prejudiced thereby and it was reasonably possible to meet the time limit.

(2) METHOD OF GIVING NOTICE. It is a sufficient service of notice or proof of loss if a 1st class postage prepaid envelope is addressed to the insurer and containing the proper notice or proof is deposited in any U.S. post office within the time prescribed. The commissioner may expressly approve clauses requiring more expeditious methods of notice where that is reasonable.

(3) MEANING OF INSURER’S ACTS. The acknowledgment by the insurer of receipt of notice, the furnishing of forms for filing proofs of loss, the acceptance of such proofs, or the investigation of any claim are not alone sufficient to waive any of the rights of the insurer in defense of any claim arising under the insurance contract.

631.85 Appraisal or arbitration. An insurance policy may contain provisions for independent appraisal and compulsory arbitration, subject to the provisions of s. 631.85. When an approved policy provides for application to a court of record for the appointment of a disinterested appraiser, arbitrator, or umpire, any court of record of this state except the court of appeals or the supreme court may be requested to make an appointment. Upon appropriate request, the court shall make the appointment promptly. This section does not apply to a surplus lines insurance form issued under s. 618.41 before, on, or after April 20, 2012.

The term “fire insurance” covers indemnity insurance for losses to property caused by many perils other than fire. Villa Clement, Inc. v. National Union Fire Insurance Co. of Pittsburgh, 120 Wis. 2d 140, 353 N.W.2d 369 (Ct. App. 1984).

Action by mortgagors of insured property against the insurer for paying the policy proceeds to the insured despite knowledge of the mortgagee’s interest was not on the policy and was not barred by sub. (1) (a). Picus v. Copus, 127 Wis. 2d 359, 379 N.W.2d 341 (Ct. App. 1987).

“Inception of the loss” in sub. (1) (a) means the date on which the loss occurs, not the discovery date. Boreng v. Economy Preferred Insurance Co., 176 Wis. 2d 498, 500 N.W.2d 419 (Ct. App. 1993).

The policyholders or holders to give notice to a underinsurer of a settlement between the insured and the tortfeasor did not bar underinsured motorist coverage in a case where there is a rebuttable presumption of prejudice where there is a lack of notice, with the burden on the insured to prove by the greater weight of the evidence that the insurer was not prejudiced. Ranes v. American Family Mutual Insurance Co., 219 Wis. 2d 499, 860 N.W.2d 177, 897-0441 (2007).

Sub. (2) clearly and unambiguously excepts the time limitations for fire insurance claims from the application of s. 893.12. Wieting Funeral Home of Chilton, Inc. v. Meridian Mutual Insurance Co., 2004 WI App 218, 277 Wis. 2d 274, 690 N.W.2d 442, 04-0461.

An “agreement” by the parties to engage in an appraisal procedure under sub. (5) requires something more than a mere agreement to meet and discuss a dispute between the parties. Wieting Funeral Home of Chilton, Inc. v. Meridian Mutual Insurance Co., 2004 WI App 218, 277 Wis. 2d 274, 690 N.W.2d 442, 04-0461.

The insured’s notice of loss in sub. (1) (a) is not lost, but inception. In a case where the damage to corn yield resulting from vandalism to a corn planter, the inception of that loss was the moment overfertilized seeds were planted with the vandalized corn planter. Justis & Sons & Inc. v. American Growers Insurance Co., 2005 WI App 192, 286 Wis. 2d 782, 703 N.W.2d 757, 05-0115.

Because all of the statutory language surrounding sub. (5), including the statute regulating arbitration and appraisal procedures applies only to first-party claims, sub. (5) tolls the period of limitation only as to claims by insureds against their insurer, not to claims by third parties against a tortfeasor’s insurer. Thom v. OneBeacon Insurance Co., 2007 WI App 123, 300 Wis. 2d 607, 731 N.W.2d 657, 06-1617.
