CHAPTER 980

SEXUALLY VIOLENT PERSON COMMITMENTS

980.01 Definitions. In this chapter:
(1b) “Act of sexual violence” means conduct that constitutes the commission of a sexually violent offense.

(1d) “Agency with jurisdiction” means the agency with the authority or duty to release or discharge the person.

(1e) “Assisted living facility” has the meaning given in s. 101.123 (1)(ab).

(1g) “Child care facility” means a child care facility that is operated by a person licensed under s. 48.65 or certified under s. 48.651 or that is established or contracted for under s. 120.13 (14).

(1h) “Department” means the department of health services.

(1i) “Incarceration” includes confinement in a juvenile correctional facility, as defined in s. 938.02 (10p), or a secured residential care center for children and youth, as defined in s. 938.02 (15g), if the person was placed in the facility for being adjudicated delinquent under s. 84.34, 1993 stats., or under s. 938.183 or 938.34 on the basis of a sexually violent offense.

(1m) “Likely” means more likely than not.

(2) “Mental disorder” means a congenital or acquired condition affecting the emotional or volitional capacity that predisposes a person to engage in acts of sexual violence.

(2m) “Nursing home” has the meaning given in s. 50.01 (3).

(3) “Petitioner” means the agency or person that filed a petition under s. 980.02.

(3d) “Place of worship” means a church building where religious services are held.

(3g) “Public park” means a park or playground that is owned or maintained by the state or by a city, village, town, or county.

(3m) “School premises” has the meaning given in s. 948.61 (1)(e).

(4) “Secretary” means the secretary of health services.

(4m) “Serious child sex offender” means a person who has been convicted, adjudicated delinquent or found not guilty or not responsible by reason of insanity or mental disease, defect or illness for committing a violation of a crime specified in s. 948.02 (1) or (2), 948.025 (1), or 948.085 against a child who had not attained the age of 13 years.

(5) “Sexually motivated” means that one of the purposes for an act is for the actor’s sexual arousal or gratification or for the sexual humiliation or degradation of the victim.

(6) “Sexually violent offense” means any of the following:
(a) Any crime specified in s. 940.001, 940.02, 940.03, 940.05, 940.06, 940.19, (2), (4), or (5), or 940.195 (4) or (5), 940.30, 940.305, 940.31, 941.32, 943.10, 943.32, or 948.03 that is determined, in a proceeding under s. 980.05 (3) (b), to have been sexually motivated.
(b) Any crime specified in s. 940.01, 940.02, 940.03, 940.05, 940.06, 940.19 (2), (4), (5), or (6), 940.195 (4) or (5), 940.30, 940.305, 940.31, 941.32, 943.10, 943.32, or 948.03 that is determined, in a proceeding under s. 980.05 (3) (b), to have been sexually motivated.
(c) Any solicitation, conspiracy, or attempt to commit a crime under par. (a), (am), (b), or (bm).

(7) “Sexually violent person” means a person who has been convicted of a sexually violent offense, has been adjudicated delinquent for a sexually violent offense, or has been found not guilty of or not responsible for a sexually violent offense by reason of insanity or mental disease, defect, or illness, and who is dangerous because he or she suffers from a mental disorder that makes it likely that the person will engage in one or more acts of sexual violence.

(8) “Significant progress in treatment” means that the person is doing all of the following:
(a) Meaningfully participating in the treatment program specifically designed to reduce his or her risk to reoffend offered at a facility described under s. 980.065.

(b) Participating in the treatment program at a level that is sufficient to allow the identification of his or her specific treatment needs and demonstrating, through overt behavior, a willingness to work on addressing the specific treatment needs.

(c) Demonstrating an understanding of the thoughts, attitudes, emotions, behaviors, and sexual arousal linked to his or her sexual offending and an ability to identify when the thoughts, emotions, behaviors, or sexual arousal occur.

(d) Demonstrating sufficiently sustained change in the thoughts, attitudes, emotions, behaviors, and sexual arousal such that one could reasonably assume that, with continued treatment, the change could be maintained.

(9) “Substantially probable” means much more likely than not.

(10) “Treating professional” means a licensed physician, licensed psychologist, licensed social worker, or other mental health professional who provides, or supervises the provision of, sex offender treatment at a facility described under s. 980.065.

(11) “Youth center” means any center that provides, on a regular basis, recreational, vocational, academic, or social services...
activities for persons younger than 18 years old or for those persons and their families.

Chapter 980 creates a civil commitment procedure primarily intended to provide treatment and protect the public, not to punish the offender. As such the chapter does not provide for “punishment” in violation of the constitutional prohibitions against double jeopardy or ex post facto laws. State v. Carpenter, 197 Wis. 2d 252, 541 N.W.2d 105 (1995), 94–1988.

Chapter 980 does not violate substantive due process guarantees. The definitions of “sexually violent person” and “dangerous” are not overbroad. The treatment obligations under ch. 980 are consistent with the nature and duration of commitments under the chapter. The lack of a precommitment finding of treatability is not offensive to due process requirements. State v. Post, 197 Wis. 2d 279, 541 N.W.2d 115 (1995), 94–2356.

Chapter 980 does not violate equal protection guarantees. The state’s compelling interest in protecting the public justifies the differential treatment of the sexually violent persons subject to the chapter. State v. Post, 197 Wis. 2d 279, 541 N.W.2d 115 (1995), 94–2356.

A right to a civil commitment under a statute that had been repealed and recreated under a new statute number was a sexually violent offense under sub. (6), although the former number was not listed in the new statute. State v. Irish, 210 Wis. 2d 107, 565 N.W.2d 161 (1997), 96–2303.

Under [former] sub. (7), a “mental disorder that makes it substantially probable that the person will engage in acts of sexual violence” is a disorder that predisposes the individual person to sexual violence. A diagnosis of “antisocial personality disorder,” uncoupled with any other diagnosis but coupled with sufficient evidence establishing that a defendant is a “sexually violent person,” may constitute a mental disorder. Substantive due process allows for a chapter 980 commitment when the evidence did not establish why the defendant committed the acts. State ex rel. E. v. Budd, 2006 WI App 219, 268 Wis. 2d 268, 673 N.W.2d 687, 09–2445.

Chapter 980 does not violate equal protection. A “mental disorder” does not violate due process when the predicate diagnosis is not found within the four corners of the Diagnos tic and Statistical Manual of Mental Disorders published by the American Psychiatric Association. A factfinder may have stronger confidence in his or her conclusions when the examining mental health professionals rely upon authoritative, consensus materials in the field, and a particular diagnosis may be so devoid of content, or so near-universal in its rejection by mental health professionals, that a court’s reliance on it to satisfy the “mental disorder” prong of the statutory requirements for commitment would violate due process. McGee v. Bartow, 594 F.3d 555 (2010).

980.015 Notice to the department of justice and district attorney. (2) If an agency with jurisdiction has control or custody over a person who may meet the criteria for commitment as a sexually violent person, the agency with jurisdiction shall inform each appropriate district attorney and the department of justice regarding the person as soon as possible beginning 90 days prior to the applicable date of the following:

(a) The anticipated discharge or release, on parole, extended supervision, or otherwise, from a sentence of imprisonment or term of confinement in prison that was imposed for a conviction for a sexually violent offense, from a continuous term of incarceration, any part of which was imposed for a sexually violent offense, or from a placement in a Type 1 prison under s. 301.048, any part of which was required as a result of a conviction for a sexually violent offense.

(b) The anticipated release from a juvenile correctional facility, as defined in s. 938.02 (10p), or a secured residential care center for children and youth, as defined in s. 938.02 (15g), if the person was placed in the facility as a result of being adjudicated delinquent under s. 48.34, 1993 stats., or under s. 938.183 or 938.34 on the basis of a sexually violent offense.

(c) The anticipated release of a person on conditional release under s. 971.17, the anticipated termination of a commitment order under s. 971.17, or the anticipated discharge of a person from a commitment order under s. 971.17, if the person has been found not guilty of a sexually violent offense by reason of mental disease or defect.

(d) The anticipated release on parole or discharge of a person committed under ch. 975 for a sexually violent offense.

(3) The agency with jurisdiction shall provide the district attorney and department of justice with all of the following:

(a) The person’s name, identifying factors, anticipated future residence and offense history.

(b) If applicable, documentation of any treatment and the person’s adjustment to any institutional placement.

The “appropriate district attorney” under sub. (2) is the district attorney in the county of conviction or the county to which prison officials propose to release the person to pre Commitment of Goodwill, 2019 Wis. 2d 426, 544 N.W.2d 611 (Ct. App. 1999), 95–0566.

980.02 Sexually violent person petition; contents; filing. (1) A petition alleging that a person is a sexually violent person may be filed by one of the following:

(a) The department of justice at the request of the agency with jurisdiction over the person.

(b) If the department of justice does not file a petition under par. (a), the district attorney for one of the following:
1. The county in which the person was convicted of a sexually violent offense, adjudicated delinquent for a sexually violent offense or found not guilty of or not responsible for a sexually violent offense by reason of insanity or mental defect, or defect or illness.

2. The county in which the petition will reside or be placed upon his or her discharge from a sentence, release on parole or extended supervision, or release from imprisonment, from a juvenile correctional facility, as defined in s. 938.02 (10p), from a residential care center for children and youth, as defined in s. 938.02 (15g), or from a commitment order.

3. The county in which the person is in custody under a sentence, a placement to a juvenile correctional facility, as defined in s. 938.02 (10p), or a secured residential care center for children and youth, as defined in s. 938.02 (15g), or from a commitment order.

1m A petition filed under this section shall be filed before the person is released or discharged.

2 A petition filed under this section shall allege that all of the following apply to the person alleged to be a sexually violent person:

(a) The person satisfies any of the following criteria:

1. The person has been convicted of a sexually violent offense.

2. The person has been found delinquent for a sexually violent offense.

3. The person has been found not guilty of a sexually violent offense by reason of mental defect or disease.

(b) The person has a mental disorder.

(c) The person is dangerous to others because the person’s mental disorder makes it likely that he or she will engage in acts of sexual violence.

3 A petition filed under this section shall state with particularity essential facts to establish probable cause to believe the person is a sexually violent person. If the petition alleges that a sexually violent offense or act that is a basis for the allegation under sub. (2) (a) was an act that was sexually motivated as provided under s. 980.01 (6) (b), the petition shall state the grounds on which the offense or act is alleged to be sexually motivated.

4 A petition under this section shall be filed in one of the following:

(a) The circuit court for the county in which the person was convicted of a sexually violent offense, adjudicated delinquent for a sexually violent offense or found not guilty of a sexually violent offense by reason of mental defect or disease.

(b) The circuit court for the county in which the person will reside or be placed upon his or her discharge from a sentence, release on parole or extended supervision, or release from imprisonment, from a juvenile correctional facility, as defined in s. 938.02 (10p), from a secured residential care center for children and youth, as defined in s. 938.02 (15g), or from a commitment order.

5 Notwithstanding sub. (4), if the department of justice decides to file a petition under sub. (1) (a), it may file the petition in the circuit court for Dane County.

6 A court assigned to exercise jurisdiction under chs. 48 and 938 does not have jurisdiction over a petition filed under this section unless the person who was adjudicated delinquent as a child is a sexually violent person.

History:

A ch. 980 commitment is not an extension of a commitment under ch. 975, and s. 975.12 does not limit the state’s ability to seek a separate commitment under ch. 980 of a person originally committed under ch. 975. State v. Post, 197 Wis. 2d 279, 541 N.W.2d 115 (1995), 94–2358.

To the extent that s. 938.35 (1) prohibits the admission of delinquency adjudications in ch. 980 proceedings, it is repealed by implication. State v. Matthew A.B. 2015 Wis. 68, 69, 585 N.W.2d 596 (Ct. App. 1999), 96–0229.

A commitment under ch. 980 is civil, a court does not lose subject matter jurisdiction because a petition is filed under a criminal cause number. State v. Frum, 2000 WI App 167, 235 Wis. 2d 182, 612 N.W.2d 94, 99–0156. See also State v. Thiel, 2001 WI App 52, 241 Wis. 2d 439, 625 N.W.2d 321, 99–0316.

While a commitment under ch. 980 is civil, a court does not lose subject matter jurisdiction because a petition is filed under a criminal cause number. State v. Frum, 2000 WI App 167, 235 Wis. 2d 97, 617 N.W.2d 163, 98–1542. Chapter 980 provides its own procedures for commencing actions, and, as such, chs. 801 and 802 are inapplicable to the determination of the commitment number. 980 actions. State v. Wolfe, 2001 WI App 136, 246 Wis. 2d 233, 631 N.W.2d 240, 99–2154.

While a commitment under ch. 980 was filed within 90 days of release from a sentence for an offense that was not a sexually violent offense, which was brought on with a shorter sentence imposed for a sexually violent offense, the petition was timely. State v. Treadway, 2002 WI App 105, 257 Wis. 2d 267, 651 N.W.2d 334, 00–2097.

The case was not precluded from seeking a ch. 980 commitment following the defendant’s parole revocation, even though the state had failed to prove that the defendant was a sexually violent person in need of commitment in a previous ch. 980 trial that took place prior to the defendant’s parole. State v. Parrish, 2002 WI App 263, 258 Wis. 2d 521, 654 N.W.2d 273, 00–2524.

The circuit court had jurisdiction to conduct ch. 980 proceedings involving an enrolled tribal member who committed the underlying sexual offense on an Indian reservation. State v. Burgess, 2003 WI 71, 262 Wis. 2d 354, 665 N.W.2d 124, 00–2080. See also Burgess v. Wisconsin, 467 F.3d 676.

Under sub. (1), a request from the agency with jurisdiction and a subsequent decision by the department of justice not to file are prerequisites to a district attorney’s attempt to file a ch. 980 petition. State v. Byers, 2003 WI 86, 263 Wis. 2d 113, 665 N.W.2d 729.

The threshold decision of whether a petition should be filed remains in the hands of the agency with jurisdiction and outside of the political process. A determination by the agency may contact the agency to seek clarification of the ch. 980 evaluator’s determination, to correct factual mistakes, to provide new or additional information, or to ask for a second opinion with a different evaluator. However, the agency cannot exercise its judgment and choose to ignore the district attorney’s efforts or to decline the district attorney’s request for a second evaluation if the agency determines that these efforts and requests are improperly or politically motivated. State v. Bell, 2006 WI App 30, 289 Wis. 2d 275, 710 N.W.2d 525, 05–0890.

That the ch. 980 definition of “dangerousness” lacks a temporal context limited to imminent danger, does not render the statute unconstitutional. State v. Olson, 2006 WI App 32, 290 Wis. 2d 202, 712 N.W.2d 61, 04–0412.

Chapter 980 does not require the dismissal of a pending commitment petition when the individual subject to the petition is incarcerated because of the revocation of parole, probation or extended supervision. Section 980.06 requires the circuit court to order the person to be committed to the custody of DHS for health, care, and treatment, but ch. 980 does not specify when that commitment must commence. A person who is incarcerated pending a commitment must sets forth the requirements for a proper commitment order, neither this section nor any other section of ch. 980 contains language stating when the individual requirements of the order must be satisfied. State v. Gilbert, 2012 WI 72, 342 Wis. 2d 82, 816 N.W.2d 215, 10–0594.

The ch. 980 petition satisfies the statutory requirements in this section at the time it is filed, it will not be invalidated if the conviction recited in the petition is later reversed. Subsequent facts that impact the status of the allegations in the petition may be relevant at trial under s. 980.05, but they will not invalidate a petition that met the requirements of this section at the time of filing. State v. Spaeth, 2014 WI 71, 355 Wis. 2d 761, 850 N.W.2d 93, 12–2170.

Using the common and accepted legal meanings of “released” and “discharged” as those terms are used in sub. (1m), a ch. 980 petition must be filed either before the person is freed from confinement in prison or before the person’s entire sentence is completed. Even assuming that the department of corrections was required to release the defendant on his presumptive mandatory release (PMR) date, a ch. 980 filed petition after the PMR date but while the defendant remained incarcerated is timely filed based on the language of sub. (1m), which permits that the ch. 980 petition before a person is “discharged.” State v. Stanley, 2014 WI App 89, 356 Wis. 2d 268, 853 N.W.2d 600, 13–2477.

800.03 Rights of persons subject to petition. (1) The circuit court in which a petition under s. 980.02 is filed shall conduct all hearings under this chapter. The court shall give the person who is the subject of the petition reasonable notice of the time and place of each such hearing. The court may designate additional persons to receive these notices.

(2) Except as provided in ss. 980.038 (2) and 980.09 and without limitation by enumeration, at any hearing under this chapter, the person who is the subject of the petition has the right to:

(a) Counsel. In any situation under this chapter in which the person has a right to be represented by counsel, the court shall refer the person as soon as practicable to the state public defender, which shall appoint counsel for the person under s. 977.08 without a determination of indigency.

(b) Remain silent.

(c) Present and cross-examine witnesses.

(d) Have the hearing recorded by a court reporter.

(3) The person who is the subject of the petition, the person’s attorney, or the petitioner may request that a trial under s. 980.05.

2017–18 Wisconsin Statutes updated through 2019 Wis. Act 186 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on October 1, 2020. Published and certified under s. 35.18. Changes effective after October 1, 2020, are designated by NOTES. (Published 10–1–20)
be to a jury. A request for a jury trial shall be made as provided under s. 980.05 (2). Notwithstanding s. 980.05 (2), if the person, the person’s attorney, or the petitioner does not request a jury trial, the court may in its own motion require that the trial be to a jury. The jury shall be selected as provided under s. 980.05 (2m). A verdict of a jury under this chapter is not valid unless it is unanimous.

There are circumstances when comment on the defendant’s silence is permitted. If a defendant refuses to be interviewed by the state’s psychologist and the defense attorney challenges the psychologist’s findings based on the lack of an interview, it is appropriate for the psychologist to testify about the refusal. State v. Adams, 223 Wis. 2d 60, 588 N.W.2d 336 (Ct. App. 1998), 96–3136.

If all jurors agree that the defendant suffers from a mental disease, unanimity requirements are met even if the jurors disagree on the disease that predisposes the defendant to reoffend. State v. Pletz, 2000 WI App 221, 239 Wis. 2d 49, 619 N.W.2d 97, 98–2455.

Chapter 980 provides its own procedures for commencing actions, and, as such, chs. 801 and 802 are inapplicable to the commencing of ch. 980 actions. State v. Wolfe, 2001 WI App 136, 246 Wis. 2d 233, 631 N.W.2d 240, 99–2145.

The circuit court must appoint an examiner for the petitioner under sub. (3) regardless of whether the court also appointed an examiner for the petitioner under sub. (4), 2001 stats., to an examiner of his or her choice, but is entitled to a “qualified and available” court-appointed examiner. Requirements for a qualified examiner are discussed. State v. Thiel, 2004 WI App 225, 277 Wis. 2d 698, 691 N.W.2d 388, 03–2649.

980.0305 Reimbursement for counsel provided by the state. (1) Inquiry. At or after the conclusion of a proceeding under this chapter in which the state public defender has provided counsel for a person, the court may inquire as to the person’s ability to reimburse the state for the costs of representation. If the court determines that the person is able to make reimbursement for all or part of the costs of representation, the court may order the person to reimburse the state an amount not to exceed the maximum amount established by the public defender board under s. 977.075 (4). Upon the court’s request, the state public defender shall conduct a determination of indigency under s. 977.07 and report the results of the determination to the court.

(2) Payment. Reimbursement ordered under this section shall be made to the clerk of courts of the county where the proceedings took place. The clerk of courts shall transmit payments under this section to the county treasurer, who shall deposit 25 percent of the payment amount in the county treasury and transmit the remainder to the secretary of administration. Payments transmitted to the secretary of administration shall be deposited in the general fund and credited to the appropriation account under s. 20.550 (1) (L).

(3) Report. By January 31st of each year, the clerk of courts for each county shall report to the state public defender the total amount of reimbursements ordered under sub. (1) in the previous calendar year and the total amount of reimbursements paid to the clerk under sub. (2) in the previous year.

History: 2017 a. 184.

980.031 Examinations. (1) If a person who is the subject of a petition filed under s. 980.02 denies the facts alleged in the petition, the court may appoint at least one qualified licensed physician, licensed psychologist, or other mental health professional to conduct an examination of the person’s mental condition and testify at trial.

(2) The state may retain a licensed physician, licensed psychologist, or other mental health professional to examine the mental condition of a person who is the subject of a petition under s. 980.02 or who has been committed under s. 980.06 and to testify at trial or at any other proceeding under this chapter at which testimony is authorized.

(3) Whenever a person who is the subject of a petition filed under s. 980.02 or who has been committed under s. 980.06 is required to submit to an examination of his or her mental condition under this chapter, he or she may retain a licensed physician, licensed psychologist, or other mental health professional to perform an examination. If the person is indigent, the court shall, upon the person’s request, appoint a qualified and available licensed physician, licensed psychologist, or other mental health professional to perform an examination of the person’s mental condition and participate on the person’s behalf in a trial or other proceeding under this chapter at which testimony is authorized. Upon the order of the circuit court, the county shall pay, as part of the costs of the action, the costs of a licensed physician, licensed psychologist, or other mental health professional appointed by a court under this subsection to perform an examination and participate in the trial or other proceeding on behalf of an indigent person.

(4) If a party retains or the court appoints a licensed physician, licensed psychologist, or other mental health professional to conduct an examination under this chapter of the person’s mental condition, the examiner shall have reasonable access to the person for the purpose of the examination, as well as to the person’s past and present treatment records, as defined in s. 51.30 (1) (b), and patient health care records as provided under s. 146.82 (2) (cm), past and present juvenile records, as provided under ss. 48.396 (6), 48.78 (2) (e), 938.396 (10), and 938.78 (2) (e), and the person’s past and present correctional records, including presentence investigation reports under s. 972.15 (6).

(5) A licensed physician, licensed psychologist, or other mental health professional who is expected to be called as a witness by one of the parties or by the court may not be subject to any order by the court for the sequestration of witnesses at any proceeding under this chapter. No licensed physician, licensed psychologist, or other mental health professional who is expected to be called as a witness by one of the parties or by the court may testify at any proceeding under this chapter unless a written report of his or her examination has been submitted to the court and to both parties at least 10 days before the proceeding.

History: 2005 a. 434 ss. 88, 90, 91.

980.034 Change of place of trial or jury from another county. (1) A person who is the subject of a petition filed under s. 980.02 or who has been committed under this chapter may move to change the place of a jury trial under s. 980.05 on the ground that an impartial trial cannot be had in the county in which the trial is set to be held. The motion shall be made within 20 days after the completion or waiver of the probable cause hearing under s. 980.04 (2), whichever is applicable, except that it may be made after that time for cause.

(2) The motion shall be in writing and supported by affidavit which shall state evidentiary facts showing the nature of the prejudice alleged. The petitioner may file counter affidavits.

(3) If the court determines that there exists in the county where the action is pending such prejudice that a fair trial cannot be had, it shall, except as provided in sub. (4), order that the trial be held in any county where an impartial trial can be had. Only one change may be granted under this subsection. The judge who orders the change in the place of trial shall preside at the trial. Preliminary matters before trial may be conducted in either county at the discretion of the court.

(4) (a) Instead of changing the place of trial under sub. (3), the court may require the selection of a jury under par. (b) if all of the following apply:

1. The court will sequester the jurors during the trial.
2. There are grounds for changing the place of trial under sub. (1).
3. The estimated cost to the county of using the procedure under this subsection is less than the estimated cost to the county of holding the trial in another county.

(b) A court that proceeds under this subsection shall follow the procedure under sub. (3) until the jury is chosen in the 2nd county. At that time, the proceedings shall return to the original county using the jurors selected in the 2nd county. The original county shall reimburse the 2nd county for all applicable costs under s. 814.22.

History: 2005 a. 434.
980.036 Discovery and inspection. (1) Definitions. In this section:

(a) “Person subject to this chapter” means a person who is subject to a petition filed under s. 980.02 or a person who has been committed under s. 980.06.

(b) “Prosecuting attorney” means an attorney representing the state in a proceeding under this chapter.

(2) What a prosecuting attorney must disclose to a person subject to this chapter. Upon demand, a prosecuting attorney shall disclose to a person subject to this chapter or his or her attorney and permit the person subject to this chapter or his or her attorney to inspect and copy or photograph, all of the following materials and information, if the material or information is within the possession, custody, or control of the state:

(a) Any written or recorded statement made by the person subject to this chapter concerning the allegations in the petition filed under s. 980.02 or concerning other matters at issue in the trial or proceeding and the names of witnesses to the written statements of the person subject to this chapter.

(b) A written summary of all oral statements of the person subject to this chapter that the prosecuting attorney plans to use at the trial or proceeding and the names of witnesses to the oral statements of the person subject to this chapter.

(c) Evidence obtained in the manner described under s. 968.31 (2) (b), if the prosecuting attorney intends to use the evidence at the trial or proceeding.

(d) A copy of the criminal record of the person subject to this chapter.

(e) A list of all witnesses whom the prosecuting attorney intends to call at the trial or proceeding, together with their addresses. This paragraph does not apply to rebuttal witnesses or witnesses called for impeachment only.

(f) Any relevant written or recorded statements of a witness listed under par. (e), including all of the following:
1. Any videotaped oral statement of a child under s. 908.08.
2. Any reports prepared in accordance with s. 980.031 (5).

(g) The criminal record of a witness listed under par. (e) that is known to the prosecuting attorney.

(h) The results of any physical or mental examination or any scientific or psychological test, instrument, experiment, or comparison that the prosecuting attorney intends to offer in evidence at the trial or proceeding, and any raw data that were collected, used, or considered in any manner as part of the examination, test, instrument, experiment, or comparison.

(i) Any physical or documentary evidence that the prosecuting attorney intends to offer in evidence at the trial or proceeding.

(j) Any exculpatory evidence.

(3) What a person subject to this chapter must disclose to the prosecuting attorney. Upon demand, a person who is subject to this chapter or his or her attorney shall disclose to the prosecuting attorney, and permit the prosecuting attorney to inspect and copy or photograph, all of the following materials and information, if the material or information is within the possession, custody, or control of the person who is subject to this chapter or his or her attorney:

(a) A list of all witnesses, other than the person who is subject to this chapter, whom the person who is subject to this chapter intends to call at the trial or proceeding, together with their addresses. This paragraph does not apply to rebuttal witnesses or witnesses called for impeachment only.

(b) Any relevant written or recorded statements of a witness listed under par. (a), including any reports prepared in accordance with s. 980.031 (5).

(c) The criminal record of a witness listed under par. (a) if the criminal record is known to the attorney for the person who is subject to this chapter.

(d) The results of any physical or mental examination or any scientific or psychological test, instrument, experiment, or comparison that the person who is subject to this chapter intends to offer in evidence at the trial or proceeding, and any raw data that were collected, used, or considered in any manner as part of the examination, test, instrument, experiment, or comparison.

(e) Any physical or documentary evidence that the person who is subject to this chapter intends to offer in evidence at the trial or proceeding.

(3m) When disclosure must be made. A party required to make a disclosure under this section shall do so within a reasonable time after the probable cause hearing and within a reasonable time before a trial under s. 980.05, if the other party’s demand is made in connection with a trial. If the demand is made in connection with a proceeding under s. 980.08 or 980.09 (3), the party shall make the disclosure within a reasonable time before the start of that proceeding.

(4) Comment or instruction on failure to call witness. No comment or instruction regarding the failure to call a witness at the trial may be made or given if the sole basis for the comment or instruction is the fact that the name of the witness appears upon a list furnished under this section.

(5) Testing or analysis of evidence. On motion of a party, the court may order the production of any item of evidence or raw data that is intended to be introduced at the trial for testing or analysis under such terms and conditions as the court prescribes.

(6) Protective order. Upon motion of a party, the court may at any time order that discovery, inspection, or the listing of witnesses required under this section be denied, restricted, or deferred, or make other appropriate orders. If the prosecuting attorney or the attorney for a person subject to this chapter certifies that listing a witness under sub. (2) (e) or (3) (a) may subject the witness or others to physical or economic harm or coercion, the court may order that the deposition of the witness be taken under s. 967.04 (2) to (6). The name of the witness need not be divulged prior to the taking of such deposition. If the witness becomes unavailable or changes his or her testimony, the deposition shall be admissible at trial as substantive evidence.

(7) In camera proceedings. Either party may move for an in camera inspection of any document required to be disclosed under sub. (2) or (3) for the purpose of masking or deleting any material that is not relevant to the case being tried. The court shall mask or delete any irrelevant material.

(8) Continuing duty to disclose. If, after complying with a requirement of this section and before or during trial, a party discovers additional material or the names of additional witnesses that are subject to discovery, inspection, or production under this section, the party shall promptly notify the other party of the existence of the additional material or names.

(9) Sanctions for failure to comply. (a) The court shall exclude any witness not listed or evidence not presented for inspection, copying, or photographing required by this section, unless good cause is shown for failure to comply. The court may in appropriate cases grant the opposing party a recess or a continuance.

(b) In addition to or in place of any sanction specified in par. (a), a court may, subject to sub. (4), advise the jury of any failure or refusal to disclose material or information required to be disclosed under sub. (2) or (3), or of any untimely disclosure of material or information required to be disclosed under sub. (2) or (3).

(10) Payment of copying costs in cases involving indigent respondents. When the state public defender or a private attorney appointed under s. 977.08 requests copies, in any format, of any item that is discoverable under this section, the state public defender shall pay any fee charged for the copies from the appropriation account under s. 20.550 (1) (a). If the person providing copies under this section charges the state public defender a fee for the copies, the fee may not exceed the applicable maximum fee for copies of discoverable materials that is established by rule under s. 977.02 (9).
**980.038** Sexually violent person commitments.

(11) Exclusive method of discovery. Chapter 804 does not apply to proceedings under this chapter. This section provides the only methods of obtaining discovery and inspection in proceedings under this chapter.

**980.036** Miscellaneous procedural provisions.

(1) Motions challenging jurisdiction or competency of court or timeliness of petition. (a) A motion challenging the jurisdiction or competency of the court or the timeliness of a petition filed under s. 980.02 shall be filed within 30 days after the court holds the probable cause hearing under s. 980.04 (2). Failure to file a motion within the time specified in this paragraph waives the right to challenge the jurisdiction or competency of the court or the timeliness of a petition filed under s. 980.02.

(b) Notwithstanding s. 801.11, a court may exercise personal jurisdiction over a person who is the subject of a petition filed under s. 980.02 even though the person is not served as provided under s. 801.11 (1) or (2) with a verified petition and summons or with an order for detention under s. 980.04 (1) and the person has not had a probable cause hearing under s. 980.04 (2). (2) Evidence of refusal to participate in examination. (a) At any hearing under this chapter, the state may present evidence or comment on evidence that a person who is the subject of a petition filed under s. 980.02 or a person who has been committed under this chapter refused to participate in an examination of his or her mental condition that was being conducted under this chapter or that was conducted for the purpose of evaluating whether to file a petition before the petition under s. 980.02 was filed.

(b) A licensed physician, licensed psychologist, or other mental health professional may indicate in any written report that he or she prepares in connection with a proceeding under this chapter that the person whom he or she examined refused to participate in the examination.

(3) Testimony by telephone or live audiovisual means. Unless good cause to the contrary is shown, proceedings under ss. 980.04 (2) (a) and 980.08 (7) (d) may be conducted by telephone or audiovisual means, if available. If the proceedings are required to be reported under SCR 71.02 (2), the proceedings shall be repeated by telephone or by means of audiovisual communication with all parties to the proceeding. Regardless of the physical location of any party to the telephone call, any action taken by the court or any party has the same effect as if made in open court. A proceeding under this subsection shall be conducted in a courtroom or other place reasonably accessible to the public. Simultaneous access to the proceeding shall be provided to a person entitled to attend by means of a loudspeaker or, upon request to the court, by making the person party to the telephone call without charge.

(4) Motions for postcommitment relief: Appeal. (a) A motion for postcommitment relief by a person committed under s. 980.06 shall be made in the time and manner provided in ss. 809.30 to 809.32. An appeal by a person who has been committed under s. 980.06 from a final order under s. 980.06, 980.08, or 980.09 or from an order denying a motion for postcommitment relief or from both shall be taken in the time and manner provided in ss. 808.04 (3) and 809.30 to 809.32. If a person is seeking relief from an order of commitment under s. 980.06, the person shall file a motion for postcommitment relief in the trial court prior to an appeal unless the grounds for seeking relief are sufficient of the evidence or issues previously raised.

(b) An appeal by the state from a final judgment or order under this chapter may be taken to the court of appeals within the time specified in s. 808.04 (4) and in the manner provided for civil appeals under chs. 808 and 809.

(5) Failure to comply with time limits: Effect. Failure to comply with any time limit specified in this chapter does not deprive the circuit court of personal or subject matter jurisdiction or of competency to exercise that jurisdiction. Failure to comply with any time limit specified in this chapter is not grounds for an appeal or grounds to vacate any order, judgment, or commitment issued or entered under this chapter. Failure to object to a period of delay or a continuance waives the time limit that is the subject of the period of delay or continuance.

(6) Errors and defects not affecting substantial rights. The court shall, in every stage of a proceeding under this chapter, disregard any error or defect in the pleadings or proceedings that does not affect the substantial rights of either party.

**980.04 Detention; probable cause hearing; transfer for examination.** (1) Upon the filing of a petition under s. 980.02, the court shall review the petition to determine whether to issue an order for detention of the person who is the subject of the petition. The person shall be detained only if there is probable cause to believe that the person is eligible for commitment under s. 980.05 (5). A person detained under this subsection shall be held in a facility approved by the department. If the person is serving a sentence of imprisonment, is in a juvenile correctional facility, as defined in s. 938.02 (10p), or a secured residential care center for children and youth, as defined in s. 978.09 (15g), or is committed to institutional care, and the court orders detention under this subsection, the court shall order that the person be transferred to a detention facility approved by the department. A detention order under this subsection remains in effect until the petition is dismissed after a hearing under sub. (3) or after a trial under s. 980.05 (5) or until the effective date of a commitment order under s. 980.06, whichever is applicable.

(2) (a) Whenever a petition is filed under s. 980.02, the court shall hold a hearing to determine whether there is probable cause to believe that the person named in the petition is a sexually violent person.

(b) 1. Except as provided in subd. 2., the court shall hold the probable cause hearing within 30 days, excluding Saturdays, Sundays, and legal holidays, after the filing of the petition, unless that time is extended by the court for good cause shown upon its own motion, the motion of any party, or the stipulation of the parties.

2. If the person named in the petition is in custody under a sentence, dispositional order, or commitment and the probable cause hearing will be held after the date on which the person is scheduled to be released or discharged from the sentence, dispositional order, or commitment, the probable cause hearing under par. (a) shall be held no later than 10 days after the person’s scheduled release or discharge date, excluding Saturdays, Sundays, and legal holidays, unless that time is extended by the court for good cause shown upon its own motion, the motion of any party, or the stipulation of the parties.

(3) If the court determines after a hearing that there is probable cause to believe that the person named in the petition is a sexually violent person, the court shall order that the person be taken into custody if he or she is not in custody and shall order the person to be transferred within a reasonable time to an appropriate facility specified by the department for an evaluation by the department as to whether the person is a sexually violent person. If the court determines that probable cause does not exist to believe that the person is a sexually violent person, the court shall dismiss the petition.

(4) The department shall promulgate rules that provide the qualifications for persons conducting evaluations under sub. (3).

(5) If the person named in the petition claims or appears to be indigent, the court shall, prior to the probable cause hearing under sub. (2) (a), refer the person to the authority for indigency determinations under s. 977.07 (1) and, if applicable, the appointment of counsel.

The rules of evidence apply to probable cause hearings under ch. 980. The exceptions to the rules for preliminary examinations also apply. Although s. 907.03 allows an expert to base an opinion on hearsay, an expert’s opinion based solely on hearsay cannot constitute probable cause. State v. Watson, 227 Wis. 2d 167, 595 N.W.2d 403 (1999), 956-957.
980.05 Trial. (1) A trial to determine whether the person who is the subject of a petition under s. 980.02 is a sexually violent person shall commence no later than 90 days after the date of the probable cause hearing under s. 980.04 (2) (a). The court may grant one or more continuances of the trial date for good cause upon its own motion, the motion of any party or the stipulation of the parties.

(2) The person who is the subject of the petition, the person's attorney, or the petitioner may request that a trial under this section be delayed. A request for a trial under this subsection shall be made within 10 days after the probable cause hearing under s. 980.04 (2) (a). If no request is made, the trial shall be to the court. The person, the person's attorney, or the petitioner may withdraw his, her, or its request for a jury trial if the 2 persons who did not make the request consent to the withdrawal.

(2m) (a) At a jury trial under this section, juries shall be selected and treated in the same manner as they are selected and treated in civil actions in circuit court, except that, notwithstanding s. 805.08 (3), each party shall be entitled to 4 peremptory challenges or, if the court orders additional jurors to be selected under s. 805.08 (2), to 5 peremptory challenges. A party may waive in advance any or all of its peremptory challenges and the number of jurors called under par. (b) shall be reduced by this number.

(b) The number of jurors selected shall be the number prescribed in sub. (2), unless a lesser number has been stipulated to and approved under par. (c) or the court orders that additional jurors be selected. That number of jurors, plus the number of peremptory challenges available to all of the parties, shall be called initially and maintained in the jury box by calling others to replace jurors excused for cause until all jurors have been examined and shall exercise the order, the state beginning, the peremptory challenges available to them, and if any party declines to challenge, the challenge shall be made by the clerk by lot.

(c) At any time before the verdict in a jury trial under this section, the parties may stipulate in writing or by statement in open court, on the record, with the approval of the court, that the jury shall consist of any number less than the number prescribed in sub. (2).

(3) (a) At a trial on a petition under this chapter, the petitioner has the burden of proving beyond a reasonable doubt that the person who is the subject of the petition is a sexually violent person.

(b) If the state alleges that the sexually violent offense or act that forms the basis for the petition was an act that was sexually motivated in sub. 980.01 (2) (b) or (bmd), the state is required to prove beyond a reasonable doubt that the alleged sexually violent act was sexually motivated.

(4) Evidence that the person who is the subject of a petition under s. 980.02 was convicted for or committed sexually violent offenses but committing the offense or act on which the petition is based is not sufficient to establish beyond a reasonable doubt that the person has a mental disorder.

(5) If the court or jury determines that the person who is the subject of a petition under s. 980.02 is a sexually violent person, the court shall enter a judgment on that finding and shall commit the person as provided under s. 980.06. If the court or jury is not satisfied beyond a reasonable doubt that the person is a sexually violent person, the court shall dismiss the petition and direct that the person be released unless he or she is under some other lawful restriction.

The titer of fact is free to weigh expert testimony that conflicts and decide which is more reliable, to accept or reject an expert’s testimony, including accepting only part of the testimony and to consider all nonexpert testimony.

980.065 Institutional care for sexually violent persons. (1m) The department shall place a person committed under s. 980.06 at the secure mental health facility established under s. 46.055, the Wisconsin resource center established under s. 46.056 or a secure mental health unit or facility provided by the department of corrections under sub. (2).

(1r) Notwithstanding sub. (1m), the department may place a female person committed under s. 980.06 at Mendota Mental Health Institute, Wisconsin Women’s Resource Center, Winnebago Mental Health Institute, or a privately operated residential facility under contract with the department of health services.

(2) The department may contract with the department of corrections for the provision of a secure mental health unit or facility for persons committed under s. 980.06. The department shall operate a secure mental health unit or facility provided by the department of corrections under this subsection and shall promulgate rules governing the custody and discipline of persons placed by the department in the secure mental health unit or facility provided by the department of corrections under this subsection.

Chapter 980 does not require dismissal of a pending commitment petition when the person who is the subject of the petition is incarcerated because of a new sentence or a parole/extended supervision revocation. The wide discretion given to the trial court regarding the timing of the probable cause hearing together with the evident recogni-
tion that the person subject to the petition is incarcerated during the commitment proceedings compels the conclusion that the legislature did not intend for commitment proceedings to stop because the person subject to the petition is incarcerated during the department of corrections custody. 980.067 Activities off grounds. The superintendent of the facility at which a person is placed under s. 980.065 may allow the person to leave the grounds of the facility under escort. The department of health services shall promulgate rules for the administration of this section.

980.07 Periodic reexamination and treatment progres-
report from the department. (1) If a person is committed under s. 980.06 and has not been discharged under s. 980.04, the department shall appoint an examiner to conduct a reexamination of the person’s mental condition within 12 months after the date of the initial commitment order under s. 980.06 and again thereafter at least once every 12 months to determine whether the person has made sufficient progress for the court to consider whether the person should be placed on supervised release or discharged. The examiner shall apply the criteria under s. 980.08 (4) (cg) when considering if the person should be placed on supervised release and shall apply the criteria under s. 980.09 (3) when considering if the person should be discharged. At the
time of a reexamination under this section, the court shall appoint an examiner as provided under s. 980.031 (3) upon request of the committed person or the person may retain an examiner. The county shall pay the costs of an examiner appointed by the court as provided under s. 51.20 (18) (a).

(2) Any examiner conducting a reexamination under sub. (1) shall prepare a written report of the reexamination no later than 30 days after the date of the reexamination. The examiner shall provide a copy of the report to the department.

(3) Notwithstanding sub. (1), the court that committed a person under s. 980.06 may order a reexamination of the person at any time during the period in which the person is subject to the commitment order. Any reexamination ordered under this subsection shall be reported to sub. (4).

(4) At any reexamination under sub. (1), the treating professional shall prepare a treatment progress report. The treating professional shall provide a copy of the treatment progress report to the department. The treatment progress report shall consider all of the following:

(a) The specific factors associated with the person’s risk for committing another sexually violent offense.

(b) Whether the person is making significant progress in treatment or has refused treatment.

(c) The ongoing treatment needs of the person.

(d) Any specialized needs or conditions associated with the person that must be considered in future treatment planning.

(5) Any examiners under sub. (1) and treating professionals under sub. (4) shall have reasonable access to the person for purposes of reexamination, to the person’s past and present treatment records, as defined in s. 51.30 (1) (b), and to the person’s patient health care records, as provided under s. 146.82 (2) (c).

(6) (a) The department shall submit an annual report comprised of the reexamination report under sub. (1) and the treatment progress report under sub. (4) to the court that committed the person under s. 980.06. A copy of the annual report shall be placed in the person’s treatment records. The department shall provide a copy of the annual report to the person committed under s. 980.06, the department of justice, and the district attorney, if applicable. The court shall provide a copy of the annual report to the person’s attorney as soon as he or she is retained or appointed.

(b) When the department provides a copy of the report under par. (a) to the person who has been committed under s. 980.06, the department shall provide to the person a standardized petition form for supervised release under s. 980.08 and a standardized petition form for discharge under s. 980.09.

(6m) If a person committed under s. 980.06 is incarcerated at a county jail, state correctional institution, or federal correction institution for a new criminal charge or conviction or because his or her parole was revoked, any reporting requirement under sub. (1), (4), or (6) (a) does not apply during the incarceration period. A court may order a reexamination of the person under sub. (3) if the court finds reexamination to be necessary. The schedule for reporting established under sub. (1) shall remain unaltered.

(7) At any time before a hearing under s. 980.08 or 980.09, the department may file a supplemental report if the department determines that the court should have additional information. The court shall accept the supplemental report and permit testimony from the department regarding the report or any relevant portion of the report.

The Supreme Court’s decision to uphold the commitment in Laxton in light of the jury instructions in the case was not diametrically different or opposite in character or nature from any clearly established federal law. Laxton v. Bartow, 421 F.3d 565 (2d Cir. 2005).

The 14th amendment due process guarantee was violated by a delay of over 22 months between the first annual periodic examination report was provided to the circuit court under s. 980.07 and the circuit court’s probable cause hearing under former s. 980.09 (2) (a) to determine if facts warranted a hearing on whether the committee was still a sexually violent person. Discharge is not an appropriate remedy for a sexually violent person who is dangerous because he or she suffers from a mental disorder that makes it likely that he or she will engage in acts of sexual violence. Appropriate remedies are motions for mandamus or equitable relief, but because a ch. 980 committee may encounter considerable obstacles to pursuing these remedies, DHFS, the Department of Justice, the bar, and the circuit courts must bear substantial responsibility for ensuring prompt judicial review of annual periodic examination reports. State v. Boyer, 2006 WI App 151, 287 Wis. 2d 107, 683 N.W.2d 592, 2005-1-1708.

A rule in a supervised release plan requiring the petitioner to “abide by all rules of any detention, treatment or correctional facility in which [the petitioner] may be confined” may not be accepted. While the parolee in this case did not give DHS the right to require submission to an examiner in prison solely for a rules violation, it did require him to abide by all rules of the prison should he be confined for any other reasons. State v. Thiel, 2012 WI App 98, 340 Wis. 2d 165, 813 N.W.2d 709, 2011-2-0511.

Sub. (1) (2011 stats.) states that the committed person may retain or have the court appoint an independent examiner “at the time of a reexamination,” and s. 980.031 (3) requires the circuit court to appoint, upon request, an independent examiner to perform an examination of the individual’s mental condition. That the independent examiner is also to participate at trial or a hearing involving testimony does not limit his or her initial role in examining the committed person “at the time of a reexamination.” The committed person does not have to wait until his or her petition has passed the initial review; indeed, the independent examiner is meant to help the petitioning attorney in preparing the petitioner’s readiness for discharge and gather facts to support the petition, if appropriate. State v. Jones, 2013 WI App 151, 352 Wis. 2d 87, 841 N.W.2d 306, 13-0321.

980.08 Supervised release; procedures, implementation, revocation. (1) Any person who is committed under s. 980.06 may petition the committing court to modify its order by authorizing supervised release if at least 12 months have elapsed since the initial commitment order was entered or at least 12 months have elapsed since the most recent release petition was denied, since supervised release was denied under s. 980.09 (4), or since the most recent order for supervised release was revoked. The director of the facility at which the person is placed may file a petition under this subsection on the person’s behalf at any time.

(2) If the person files a timely petition without counsel, the court shall serve a copy of the petition on the district attorney or department of justice, whichever is applicable and, subject to s. 980.03 (2) (a), refer the matter to the authority for indigency determinations under s. 977.07 (1) and appointment of counsel under s. 977.05 (4) (j). If the person petitions through counsel, his or her attorney shall serve the district attorney or department of justice, whichever is applicable.

(2m) The person submitting the petition may use experts or professional persons to support his or her petition. The district attorney or the department of justice may use experts or professional persons to support or oppose any petition.

(3) (a) Within 20 days after receipt of the petition, the court shall appoint one or more examiners for the court who have the specialized knowledge determined by the court to be appropriate, who shall examine the person and furnish a written report of the examination to the court within 60 days after appointment, unless the court for good cause extends this time limit. If the person requests appointment of an examiner within 20 days after the filing of the petition, the court shall appoint an examiner for the person, unless the court appointed an examiner under s. 980.031 (3) or 980.07 (1) for the current reexamination period. If a report filed by an examiner appointed under s. 980.07 (1) to conduct a reexamination of the person’s mental condition within the time mandated by sub. (4) (c), the examiner shall report on the type of treatment and services that the person may need while in the community on

supervised release. The county shall pay the costs of an examiner appointed under par. (a) as provided under s. 51.20 (18) (a).

(4) (a) The court, without a jury, shall hear the petition within 120 days after the report of the court-appointed examiner appointed under sub. (3) (a) is filed with the court, unless the court for good cause extends this time limit. Expenses of proceedings under this subsection shall be paid as provided under s. 51.20 (18) (b), (c), and (d).

(c) In making a decision under par. (cg), the court may consider, without limitation because of enumeration, the nature and circumstances of the behavior that was the basis of the allegation in the petition under s. 980.02 (2) (a), the person’s mental history and present mental condition, where the person will live, how the person will support himself or herself, and what arrangements are available to ensure that the person has access to and will participate in necessary treatment, including pharmacological treatment using an antiandrogen or the chemical equivalent of an antiandrogen if the person is a serious child sex offender. A decision under par. (cg) on a petition filed by a person who is a serious child sex offender may not be made based on the fact that the person is a proper subject for pharmacological treatment using an antiandrogen or the chemical equivalent of an antiandrogen or on the fact that the person is willing to participate in pharmacological treatment using an antiandrogen or the chemical equivalent of an antiandrogen.

(cg) The court may not authorize supervised release unless, based on all of the reports, trial records, and evidence presented, the court finds that all of the following criteria are met:
1. The person is making significant progress in treatment and the person’s progress can be sustained while on supervised release.
2. It is substantially probable that the person will not engage in an act of sexual violence while on supervised release.
3. Treatment that meets the person’s needs and a qualified provider of the treatment are reasonably available.
4. The person can be reasonably expected to comply with his or her treatment requirements and with all of his or her conditions or rules of supervised release that are imposed by the court or by the department.
5. A reasonable level of resources can provide for the level of residential placement, supervision, and ongoing treatment needs that are required for the safe management of the person while on supervised release.

(cj) The person has the burden of proving by clear and convincing evidence that the person meets the criteria in par. (cg).

(dm) 1. If the court finds that all of the criteria in par. (cg) are met, the court shall order the county of the person’s residence, as determined by the department of health services under s. 980.105, to prepare a report. The county shall create a temporary committee to prepare the report for the county. The committee shall consist of the county department under s. 51.42, a representative of the department of health services, a local probation or parole officer, the county corporation counsel or his or her designee, and a representative of the county that is responsible for land use planning or the department of the county that is responsible for land information. In the report, the county shall identify an appropriate residential option in that county while the person is on supervised release. In counties with a population of 750,000 or more, the committee shall select a residence in the person’s city, village, or town of residence, as determined by the department of health services under s. 980.105 (2m). The report shall demonstrate that the county has contacted the landlord for that residential option and that the landlord has committed to enter into a lease. The county shall when identifying an appropriate residential option:
   a. Ensure that the person’s placement is into a residence that is not less than 1,500 feet from any school premises, child care facility, public park, place of worship, or youth center is established within 1,500 feet from the person’s residence after he or she is placed in the residence under this section.
   b. If the person committed a sexually violent offense against an adult at risk, as defined in s. 55.01 (1e), or an elder adult at risk, as defined in s. 46.90 (1) (br), ensure that the person’s placement is into a residence that is not less than 1,500 feet from a nursing home or an assisted living facility. A person is not in violation of a condition or rule of supervised release under sub. (7) (a) if a nursing home or an assisted living facility is established within 1,500 feet from the person’s residence after he or she is placed in the residence under this section.
   c. If the person is a serious child sex offender, ensure that the person’s placement is into a residence that is not on a property adjacent to a property where a child’s primary residence exists. For the purpose of this subdivision, adjacent properties are properties that share a property line without regard to a public or private road if the living quarters on each property are not more than 1,500 feet apart. A person is not in violation of a condition or rule of supervised release under sub. (7) (a) if a child establishes primary residence in a property adjacent to the property where the person is placed in the residence under this section.
2. When preparing the report, the county shall consult with a local law enforcement agency having jurisdiction over the residential option. The law enforcement agency may submit a written report that provides information relating to the residential option, and, if the law enforcement agency submits a report, the county department shall include the agency’s report when the county department submits its report to the department of health services.
3. To assist the county in identifying appropriate residential options for the report, within 30 days after the county orders the county to prepare the report, the department of health services shall identify and locate a list of registered sex offenders in the state and the position of known and registered victims of the person’s acts by searching its victim database and consulting with the office of victim services in the department of corrections, the department of justice, and the county coordinator of victim services in the county of intended placement of residence, the county where the person was convicted, and the county of commitment. The county may consult with the department of health services on other matters while preparing the report and the department of health services shall respond within 10 days.
4. The county shall submit its report to the department of health services within 120 days following the court order. A county that does not submit its report within 120 days violates the person’s rights under s. 51.61, and each day that the county does not submit the report after the 120 days have expired constitutes a separate violation under s. 51.61. Notwithstanding s. 51.61 (7), any damages beyond costs and reasonable actual attorney fees recovered by the person for a violation shall be deposited into the appropriation account under s. 20.435 (2) (gz).

(f) The court shall direct the department to use the report submitted under par. (dm) to prepare a supervised release plan for the person that identifies the residential option the county identified in its report. The plan shall also address the person’s need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The supervised release plan shall be submitted to the court within 30 days after the county submitted its report under par. (dm). The court may grant one extension of up to 30 days of this time period for good cause.

(g) The court shall review the plan submitted by the department under par. (f). If the department details of the plan adequately meet the treatment needs of the individual and the safety needs of the community, then the court shall approve the plan and determine that supervised release is appropriate. If the details of the plan do not adequately meet the treatment needs of the individual or the safety needs of the community, then the court shall determine that supervised release is not appropriate or direct the preparation of another supervised release plan to be considered by the court under this paragraph. If the plan is inadequate under this paragraph due to
(d) The department shall then make a determination and order that the person be placed in institutional care. The person shall remain in institutional care until the person is discharged from the commitment under s. 980.09 or is placed on supervised release under sub. (4) (g).

(9) (a) As a condition of supervised release granted under this chapter, for the first year of supervised release, the court shall restrict the person on supervised release to the person’s residence except for outings approved by the department of health services that are under the direct supervision of a department of corrections escort and that are for employment or volunteer purposes, religious purposes, educational purposes, treatment and exercise purposes, supervision purposes, or residence maintenance, or for caring for the person’s basic living needs.

(b) The department of corrections may contract for the escort services under par. (a).

Sub. (6m) formerly s. 980.06 (2) (d) requires post-hearing notice to the local law enforcement agencies. In re Commitment of Goodson, 199 Wis. 2d 426, 544 N.W.2d 611 (Ct. App. 1996), 95–9664.

Whether in a proceeding for an initial ch. 980 commitment or a later petition for supervised release, there is no requirement that the state prove probable cause. State v. Seibert, 220 Wis. 2d 308, 582 N.W.2d 745 (Ct. App. 1998), 97–2554.

As used in this chapter, “substantial probability” and “substantially probable” both mean much more likely than not. This standard for dangerousness does not violate equal protection nor is the term unconstitutionally vague. State v. Curiel, 227 Wis. 2d 389, 597 N.W.2d 697 (1999), 97–3337.

The indigent sexual offender who agreed to a stipulation providing supervised release, giving up his right to a jury trial on his discharge petition in exchange, had a constitutional right to enforcement of the agreement. State v. Krueger, 2001 WI App 242, 242 Wis. 2d 793, 626 N.W.2d 600, 00–0152.

An indigent sexually violent person is constitutionally entitled to assistance of counsel bringing a first appeal of right from a denial of his request or her petition for supervised release. State ex rel. Seibert v. Macht, 2001 WI 67, 244 Wis. 2d 378, 627 N.W.2d 881, 99–3354.

A person subject to a proceeding to revoke supervised release is entitled to the same due process protections as afforded persons in probation and parole revocation proceedings. Notice of the grounds that are the basis for the revocation must be given. A person can only base a revocation on the grounds of public safety and public welfare when notice has been properly given. State v. VanBrakhorst, 2001 WI App 190, 247 Wis. 2d 247, 633 N.W.2d 236, 00–3075.

The relevant inquiry under sub. (4) (b) is whether the person’s behavior indicates a likelihood of reoffending. A sexual assault need not occur and the person’s behavior need not be criminal. State v. Sprosty, 2001 WI App 231, 248 Wis. 2d 480, 636 N.W.2d 113, 00–2404.

Sub. (6m), not s. 806.07 (1) (hi), governs granting relief to the state from a ch. 980 commitment’s supervised release when the committee is convened in an institution awaiting placement on supervised release. Sub. (6m) provides no procedure for initiating revocation other than by the department of health and family services action, preventing courts or prosecutors from initiating revocations. State v. Morford, 2004 WI App 339, 273 Wis. 2d 294, 674 N.W.2d 249, 04–2361.

Ch. 980 was not unconstitutionally applied to the defendant when an order for supervised release could not be carried out due to an inability to find an appropriate placement and the defendant remained in custody. Any judicial decision that puts the community at risk because of what agents of government may have done or not done that increase the potential injury to the public or the individual’s potential benefits that would flow from any rule designed to deter future conduct by those agents. State v. Schulpus, 2006 WI 2, 287 Wis. 2d 44, 707 N.W.2d 495, 02–1056.

Whether in a proceeding for an initial ch. 980 commitment or a later petition for supervised release, the court must determine whether a person’s petition for supervised release satisfies the procedural due process requirements of adequate notice if it is sufficiently precise for the probationer to know what conduct is required or prohibited. State v. Bums, 2004 WI App 245, 273 Wis. 2d 293, 687 N.W.2d 812, 02–1425.

Under sub. (6m) formerly s. 980.06 (2) (d), a circuit court must determine whether any rule or condition of release has been violated or whether the safety of others requires revocation. A circuit court is not required to expressly consider alternatives to revocation before revoking a sexually violent person’s supervised release when the court determines that the safety of the public requires the person’s commitment to a secure facility. State v. Burns, 2004 WI 91, 273 Wis. 2d 294, 682 N.W.2d 812, 00–1425.

The sufficiency of evidence standard of review applies when reviewing a circuit court’s order denying a petition for supervised release under sub. (4). The test for the sufficiency of the evidence to support the order is not whether a reviewing court is convinced by clear and convincing evidence that a person’s petition for supervised release should be denied, but whether a circuit court, acting reasonably, could be convinced by evidence it has a right to believe and accept as true. State v. Brown, 2005 WI 29, 279 Wis. 2d 102, 693 N.W.2d 715, 03–1415.

Whether a person is indigent under sub. (6m) formerly s. 980.06 (2) (d) unambiguously provides that the court must consider whether the person’s disposable income and disposable assets are too low to pay for the costs of counsel at the appointed counsel’s hourly billing rate. 608 N.W.2d 735, 04–1097.

The relevant persons under sub. (6m) formerly s. 980.06 (2) (d) are people in the community who may be directly affected by the person’s sexual violent acts or other acts. State v. Koehler, 2002 WI App 227, 255 Wis. 2d 569, 651 N.W.2d 323, 00–2361.

The relevant persons under sub. (6m) formerly s. 980.06 (2) (d) are people in the community who may be directly affected by the person’s sexual violent acts or other acts. State v. Koehler, 2002 WI App 227, 255 Wis. 2d 569, 651 N.W.2d 323, 00–2361.
unless the petition alleges facts from which the court or jury would likely conclude the person’s condition has changed since the most recent order denying a petition for discharge after a hearing on the merits, or since the date of his or her initial commitment order if the person has never received a hearing on the merits of a discharge petition, so that the person no longer meets the criteria for commitment as a sexually violent person.  

(1m) (a) If the person files a petition for discharge under sub. (1) without counsel, the court shall serve a copy of the petition and any supporting documents on the district attorney or department of justice, whichever is applicable. If the person petitions for discharge under sub. (1) through counsel, his or her attorney shall serve the district attorney or department of justice, whichever is applicable.  

(b) If the person files a petition for a discharge under sub. (1) without counsel, as soon as circumstances permit, the court shall refer the matter to the authority for indigency determinations under s. 977.07 (1) and appointment of counsel under s. 977.05 (4) (j).  

(c) If a person files a petition for discharge under sub. (1), the person may use experts or professional persons to support his or her petition. The district attorney or the department of justice may use experts or professional persons to support or oppose any petition filed under sub. (1).  

(d) After receiving a petition for discharge under sub. (1) and upon the request of the person filing the petition, unless the court previously appointed an examiner under s. 980.031 (3) or 980.07 (1) for the current reexamination period, the court shall appoint for the person an examiner having the specialized knowledge determined by the court to be appropriate. If an examination conducted under s. 980.07 (1) within the 6 months preceding the filing of the petition supports discharge, the court may appoint the examiner who conducted that examination as the examiner for the person. The examiner shall have reasonable access to the person for purposes of examination and to the person’s past and present treatment records, as defined in s. 51.50 (1) (b), and patient health care records, as provided in s. 146.82 (2) (c). The county shall pay the costs of an examiner appointed under this paragraph as provided under s. 51.20 (18) (a).  

(2) In reviewing the petition, the court may hold a hearing to determine if the person’s condition has sufficiently changed such that a court or jury would likely conclude the person no longer meets the criteria for commitment as a sexually violent person. In determining under this subsection whether the person’s condition has sufficiently changed such that a court or jury would likely conclude that the person no longer meets the criteria for commitment, the court shall consider the record, including its attachments, to determine whether it alleges facts from which a reasonable trier of fact could conclude that the person no longer meets the criteria for commitment as a sexually violent person.  

(3) The court shall hold a trial within 90 days of the determination that the person’s condition has sufficiently changed such that a court or jury would likely conclude that the person no longer meets the criteria for commitment as a sexually violent person. At trial, the state has the burden of proving by clear and convincing evidence that the person meets the criteria for commitment as a sexually violent person.  

(4) If the court or jury is satisfied that the state has not met its burden of proof under sub. (3), the person shall be discharged from the custody of the department. If the court or jury determines that the state has met its burden of proof under sub. (3), the court shall proceed under s. 980.08 (4) to determine whether to modify the person’s existing commitment order by authorizing supervised release, unless the person waives consideration of the criteria in s. 980.08 (4) (cg). If the person waives consideration of these criteria, the waiver is a denial of supervised release for purposes of s. 980.08 (1).  

(5) If a court orders discharge of a committed person under this section, the court shall stay the execution of the order so that the department may comply with its statutory duties under s. 980.11 (2) and (3). The stay of execution may not exceed 10 working days and shall be for as short a period as necessary to permit the department to comply with s. 980.11 (2) and (3).  

Persons committed under ch. 980 must be afforded the right to request a jury for direct discharge hearings under this section. State v. Post, 197 Wis. 2d 279, 541 N.W.2d 115 (1995), 94–2358.  

Progress in treatment is one way of showing that a person is not still a sexually violent person under [former] sub. (2) (a). A new diagnosis is another. A new diagnosis need not attack the original finding that an individual was sexually violent, but focuses on the present and is evidence of whether an individual is still a sexually violent person. State v. Pocan, 2003 WI App 233, 267 Wis. 2d 953, 671 N.W.2d 680, 02–2452.  

Under sub. (1), the circuit court engages in a paper review of the petition only, including its attachments, to determine whether it alleges facts from which a reasonable trier of fact could conclude that the person no longer meets the criteria for commitment as a sexually violent person. This review is a limited one aimed at assessing the sufficiency of the allegations in the petition. If the petition does allege sufficient facts, the circuit court proceeds to a review under sub. (2). State v. Arends, 2010 WI 46, 325 Wis. 2d 1, 784 N.W.2d 513, 08–0052.  

Sub. (2) requires the circuit court to review specific items enumerated in that subsection. The court need not seek out items not already within the record. Nevertheless, it may request additional enumerated items not previously submitted, and also has the discretion to conduct a hearing to aid in its determination. The court’s task encompasses all the changes that a fact finder could determine result in the person no longer meeting the criteria for commitment as a sexually violent person. State v. Richard, 2003 WI 46, 265 Wis. 2d 1, 674 N.W.2d 460, 03–3247.  

(a) If the court does not receive a specific item referenced in sub. (3), the court need not request that item and may deny the petition on that ground. State v. Arends, 2010 WI 46, 325 Wis. 2d 1, 784 N.W.2d 513, 08–0052.  

Sub. (2) explicitly prescribes a different procedure than that for summary judgment set forth in s. 802.08. As such, summary judgment is not available in discharge proceedings under this section. The court may grant summary judgment without a hearing under sub. (3). When a trial court granted summary judgment prior to a hearing under sub. (3), no one could say with any certainty whether the state possessed sufficient evidence to meet its burden of proof. State v. Allison, 2010 WI App 103, 379 Wis. 2d 129, 789 N.W.2d 120, 09–1232.  

A research paper is not sufficient evidence to demonstrate that a sex offender’s condition has changed. New actuarial research, absent a psychological examination, is not enough to demonstrate that an offender is no longer a sexually violent person. State v. Richard, 2011 WI App 66, 333 Wis. 2d 708, 790 N.W.2d 509, 10–1188.  

The only reasonable construction of the “condition has changed” in sub. (1) is that it encompasses all the changes that a fact finder could determine result in the person no longer meeting the criteria for commitment as a sexually violent person. This language does not only change in the person himself or herself, but any professional knowledge or research used to evaluate a person’s mental disorder or dangerousness if the change is such that a fact finder could conclude the person does not meet the criteria for commitment. The circuit court may not determine without a hearing if the petition alleges facts from which a fact finder could determine that, as a result of any one of those changes, the person does not meet the criteria for commitment as a sexually violent person. State v. Emerks, 2011 WI App 113, 336 Wis. 2d 451, 802 N.W.2d 540, 10–2634.  

When determining whether to hold a hearing on a petition for discharge, the circuit court must determine whether the petitioner has set forth new evidence, not considered by a prior trier of fact, from which a reasonable trier of fact could conclude that the petitioner does not meet the criteria for commitment as a sexually violent person. An expert’s opinion that is not based on some new fact, new professional knowledge, or new research is not sufficient for a new discharge hearing under sub. (2). A doctor’s further reflection on past scoring of a test is not sufficient for a new discharge hearing because it is not new professional knowledge or research applied to fact. State v. Schulpinius, 2012 WI App 134, 345 Wis. 2d 351, 825 N.W.2d 311, 11–2665.  

Petition alleging a change in a sexually violent person’s status based upon a change in the research or writings on how professionals are to interpret and score actuarial instruments is sufficient for a petitioner to receive a discharge hearing, if it is properly supported by a psychological evaluation applying the new research. State v. Richard, 2014 WI App 28, 353 Wis. 2d 219, 844 N.W.2d 370, 12–2748.  

The clear and convincing evidence standard under sub. (3) satisfies due process at a 980.08 discharge trial. State v. Talley, 2015 WI App 4, 359 Wis. 2d 522, 859 N.W.2d 155, 13–0492.  

The petitioner’s socializing more with peers, joining a fitness group, and increased communication from family members were not changes from which a fact finder could determine that the petitioner was no longer a sexually violent person. These facts, which resulted in no change to the evaluating psychologist’s ultimate conclusion of overall risk assessment, were not enough to satisfy the statutory requirement of a discharge hearing set forth in sub. (2). State v. Talley, 2017 WI 212, 373 Wis. 2d 610, 891 N.W.2d 390, 13–0950.  

Sub. (4) (d), (e), and (m) requires more than a formalistic general report on the person’s residence slated for placement. The statute contemplates that the Department of Health Services will work with local law enforcement and the county entities and seek advice about a proposed placement of a particular sexually violent person
in order to draft the supervised release plan. State v. McGee, 2017 WI App 39, 376 Wis. 2d 413, 899 N.W.2d 396, 10–1082.

This section vests in the county of intended placement an interest in supervised release proceedings as a matter of right; the county has the absolute right to be a party to the action. The county also has a substantial interest in the well-being of the residents and property located within its boundaries. Those interests would be impaired if a court denied intervention. State v. McGee, 2017 WI App 39, 376 Wis. 2d 413, 899 N.W.2d 396, 10–1082.

Sub. (2) allows a circuit court to consider the entire record — not just the facts favoring the petitioner — when determining whether the statutory criteria for a discharge trial have been met. A circuit court may carefully examine those portions of the record the court considers helpful to its evaluation of the petition, which may include facts both favorable and unfavorable to the petitioner. State v. Hager, 2018 WI 40, 381 Wis. 2d 74, 911 N.W.2d 17, 10–0330.

The state is not required to present expert testimony in order to meet its burden of proof on the question of future dangerousness in discharge proceedings. State v. Burgess, 2003 WI App 264, 258 Wis. 2d 548, 654 N.W.2d 81, 10–0374.

980.095 Procedures for discharge hearings. (1) USE OF JURIES. (a) The district attorney or the department of justice, whichever filed the original petition, or the person who filed the petition for discharge or his or her attorney may request that a trial under s. 980.09 (3) be to a jury of 6. A jury trial is deemed waived unless it is demanded within 10 days of the determination by the court that a court or jury would likely conclude under s. 980.09 (1) that the person’s condition has sufficiently changed.

(b) Juries shall be selected and treated in the same manner as they are selected and treated in civil actions in circuit court. The number of jurors prescribed in par. (a) and the number of peremptory challenges available to all of the parties, shall be called initially and maintained in the jury box by calling others to replace jurors excused for cause until all jurors have been examined. The parties shall exercise in their order, the state beginning, the jury having been examined. The court shall do all of the following:

(c) If, at any time after a person is committed under s. 980.06, a judgment relating to a sexually violent offense committed by the person is reversed, set aside, or vacated and that sexually violent offense was a basis for the allegation made in the petition under s. 980.02 (2) (a), the person may bring a motion for postcommitment relief in the court that committed the person. The court shall proceed as follows on the motion for postcommitment relief:

(a) If the sexually violent offense was the sole basis for the allegation under s. 980.02 (2) (a) and there are no other judgments relating to a sexually violent offense committed by the person that have not been reversed, set aside, or vacated, or if the sexually violent offense was not the sole basis for the allegation under s. 980.02 (2) (a), the court shall determine whether to grant the person a new trial under s. 980.05 because the reversal, setting aside, or vacating of the judgment for the sexually violent offense would probably change the result of the trial.

(3) An appeal may be taken from an order entered under sub. (2) as from a final judgment.

980.105 Determination of county and city, village, or town of residence. (1m) The department shall determine a person’s county of residence for the purposes of this chapter by doing all of the following:

(a) The department shall consider residence as the voluntary concurrence of physical presence with intent to remain in a place of fixed habitation and shall consider physical presence as prima facie evidence of intent to remain.

(b) The department shall apply the criteria for consideration of residence and physical presence under par. (a) to the facts that existed on the date that the person committed the sexually violent offense that resulted in the sentence, placement, or commitment that was in effect when the petition was filed under s. 980.02.

(2) If sub. (1m) is insufficient to determine the county of residence, the department shall find that the county of residence is the county in which, on the date that the person committed the sexually violent offense that resulted in the sentence, placement, or commitment that was in effect when the petition was filed under s. 980.02, the person would have been a resident for the purposes of social security disability insurance eligibility.

(2m) The department shall determine a person’s city, village, or town of residence for the purposes of s. 980.08 (4) (dm) 1. by doing all of the following:

(a) The department shall consider residence as the voluntary concurrence of physical presence with intent to remain in a place of fixed habitation and shall consider physical presence as prima facie evidence of intent to remain.

(b) The department shall apply the criteria for consideration of residence and physical presence under par. (a) to the facts that existed on the date that the person committed the sexually violent offense that resulted in the sentence, placement, or commitment that was in effect when the petition was filed under s. 980.02.

980.101 Reversal, vacation or setting aside of judgment relating to a sexually violent offense; effect. (1) In this section, “judgment relating to a sexually violent offense” means a judgment of conviction for a sexually violent offense, an adjudication of delinquency on the basis of a sexually violent offense, or a judgment of not guilty of a sexually violent offense by reason of mental disease or defect.

(2) If, at any time after a person is committed under s. 980.06, a judgment relating to a sexually violent offense committed by the person is reversed, set aside, or vacated and that sexually violent offense was a basis for the allegation made in the petition under s. 980.02 (2) (a), the person may bring a motion for postcommitment relief in the court that committed the person. The court shall proceed as follows on the motion for postcommitment relief:

(a) If the sexually violent offense was the sole basis for the allegation under s. 980.02 (2) (a) and there are no other judgments relating to a sexually violent offense committed by the person that have not been reversed, set aside, or vacated, or if the sexually violent offense was not the sole basis for the allegation under s. 980.02 (2) (a), the court shall determine whether to grant the person a new trial under s. 980.05 because the reversal, setting aside, or vacating of the judgment for the sexually violent offense would probably change the result of the trial.
