

Fiscal Estimate Narratives

UWS 7/27/2021

LRB Number 21-1937/2	Introduction Number AB-0452	Estimate Type Original
<b>Description</b> warrior-style training of law enforcement officers		

**Assumptions Used in Arriving at Fiscal Estimate**

The bill would prohibit certain governmental activities related to "warrior-style training," which would be defined as "training for law enforcement officers that dehumanizes people or encourages aggressive conduct by law enforcement officers during encounters with others in a manner that de-emphasizes the value of human life or constitutional rights, the result of which increases an officer's likelihood or willingness to use deadly force."

The bill would prohibit 1) law enforcement agencies from providing or arranging for warrior-style training, 2) law enforcement agencies or state agencies from reimbursing officers or collective bargaining units that include officers for any expenditures made to provide or arrange for warrior-style training, and 3) law enforcement agencies or state agencies from contracting for services with organizations that provide warrior-style training.

**Long-Range Fiscal Implications**

The UW System would not have any financial impact resulting from this bill.
