## Fiscal Estimate Narratives PSC 1/7/2022

LRB Number <b>21-5062/1</b>	Introduction Number	AB-0782	Estimate Type	Original			
Description							
the Energy Innovation Grant Program and making an appropriation							

## Assumptions Used in Arriving at Fiscal Estimate

2021 AB 782 creates a general purpose revenue (GPR) appropriation under Wis. Stat. § 20.155(3)(e) with \$10,000,000 in funding in both fiscal years 2021-2022 and 2022-2023 for the Energy Innovation Grant Program (EIGP). The Commission's Office of Energy Innovation (OEI) currently administers the EIGP, which is federally funded. To date, the Commission has awarded \$12.0 million in grants under the program. The additional GPR funding provided under this bill will require 1.0 FTE to ensure that the program can continue to be administered in a prudent manner with strong internal controls.

The cost associated with the additional FTE resource is \$105,500:

Salary: \$68,600 Fringe: \$23,900

Supplies/Services Allocation: \$13,000

Long-Range Fiscal Implications
