Description					

Description

housing and homelessness; rental assistance program; indigent civil legal services; workforce development; community action agencies; poverty reports; mental health; economic security; reimbursement for nonemergency medical transportation services; urban mass transit aid; lead exposure and abatement services; lead service line replacement; providing an exemption from emergency rule procedures; granting rule-making authority; and making an appropriation

Assumptions Used in Arriving at Fiscal Estimate

The cost of implementing this bill are indeterminate for WHEDA. WHEDA does not currently track the statistics required in this bill, such as number of households with worst case housing needs by county, demographic statistics and information on these households and analysis of the impediments to securing affordable housing. WHEDA would hire a consultant to prepare the statistics required by the bill and the cost of the consultant is indeterminate at this time.

Long-Range Fiscal Implications
