Description waiver of fees for admission to state parks on Earth Day		

Assumptions Used in Arriving at Fiscal Estimate

The bill requires DNR to waive any daily fee for admission to a state park on April 22 of each year in commemoration of Earth Day.

State Fiscal Effect

A. Cost

The Department estimates one-time costs of \$1,000 to promote the admission fee waiver.

B. Revenue

Assuming \$300,000 in daily admission revenues for the month of April, based upon 2017-19 data, the Department estimates the bill would reduce daily admission revenue by \$10,000/year (\$300,000 divided by 30 days in April = \$10,000). The revenue loss could be higher to the extent that April 22 falls on a Saturday or Sunday.
