<b>Description</b> raising the legal age for sale, purchase, and possession of cigarettes and nicotine and tobacco products, providing a legal age for sale, purchase, and possession of vapor products, and providing a penalty.					

**Assumptions Used in Arriving at Fiscal Estimate**

This bill changes the age for purchasing cigarettes, tobacco products, or nicotine products from 18 to 21, and imposes the same minimum age for purchasing vapor products. Nicotine products are products that contain nicotine and that are not tobacco products, cigarettes, or products that have been approved by the federal Food and Drug Administration for sale as a smoking cessation product. Tobacco products include products such as cigars, chewing tobacco, and smoking tobacco. Vapor products are noncombustible products that produce a vapor or aerosol for inhalation from the application of a heating element, regardless of whether the liquid or other substance contains nicotine.

Chapter 134 of Wisconsin statutes addresses miscellaneous trade practices. SB 355 does not grant enforcement authority to DATCP; therefore, there is no fiscal impact to the agency.

**Long-Range Fiscal Implications**

None.
