LRB Number	21-3630/1	Introduction Number	SB-380	Estimate Type	Original
<b>Description</b> creating a Blue Ribbon Commission on Public Higher Education in the University of Wisconsin System					

### Assumptions Used in Arriving at Fiscal Estimate

The bill would create a 19-member Blue Ribbon Commission on Public Higher Education in the University of Wisconsin System. The bill would require the Senate and Assembly standing committees with jurisdiction over matters relating to universities and colleges to appoint the following members of the Commission at a joint meeting of these committees after the committees have received recommendations for the appointments: (a) two UW System faculty members; (b) two Wisconsin Technical College System (WTCS) faculty members; (c) two UW System academic staff; (d) two WTCS staff members; (e) two students enrolled at UW System institutions, and (f) two students enrolled in a WTCS institution. Additionally, the bill would require two legislators to be appointed to the Commission, one from the majority party of one house and the other from the minority party of the other house, appointed jointly by the Senate and Assembly committees with jurisdiction over matters relating to universities and colleges at a joint meeting of these committees after the committees have received recommendations for the appointments. It is anticipated that any expenses the Legislature incurred related to these activities could be absorbed within existing resources.
