CLEARINGHOUSE RULE 24-008

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

2. Form, Style and Placement in Administrative Code

In the treatment clause for SECTION 1 of the proposed rule, there is a typo: the treatment clause states that s. PI 34.047 **(d) (3)** is repealed, where it should state that s. PI 34.047 **(3) (d)** is repealed.

5. Clarity, Grammar, Punctuation and Use of Plain Language

The plain language analysis states that the rule change offers the ability for a licensed physical education teacher to teach dance. While this statement is accurate, it is not immediately apparent how the rule accomplishes this, as the text of the rule only clearly does two things: repeals the dance license and recognizes the dance license as obsolete. To aid readers in understanding the effect of this rule change, the agency could consider explaining in greater detail how repealing the dance license offers licensed physical education teachers the ability to teach dance.
