**VI. RESPONSE TO LEGISLATIVE COUNCIL STAFF RECOMMENDATIONS:**

**Comment 5b:** In s. SPS 4.035 (3) (intro.), is there any information “related to the conviction record” that would be considered beyond what is included in the application materials? Consider revising that phrase to the “information provided in sub. (1)”, in place of “information related to the conviction record”.

**Response:** The Department or Board may consider other information beyond what is submitted in the application materials. For example, a criminal background check results or an applicant may submit additional materials. The phrase “information related to the conviction record” allows the Department or Board to consider all information related to the conviction record when making the determination.

All of the remaining recommendations suggested in the Clearinghouse Report have been accepted in whole.
