### PI 17, Summer And Interim Session Classes

On March 29, 2021, the Department of Public Instruction (DPI) submitted CR 21-008, relating to expanding virtual summer and interim session courses, to the chief clerks of the legislature. Since then, the DPI has identified a germane modification to CR 21-008 as a result of conversations with the Legislature. The germane modification is a revision to the newly created s. PI 17.03 (2) (e) to limit the applicability of the proposed rule change to pupils in grades 9 through 12.

The rule was approved by Governor Evers on March 17, 2021.
