17. Compare With Approaches Being Used by Federal Government
None.

18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois:

Marriage and family therapists, social workers, and professional counselors are regulated by the Illinois Department of Financial and Professional Regulation.

The rules of professional conduct for marriage and family therapists provide that a therapist convicted of any crime, or who engages in conduct which could lead to a conviction, related to the therapist's qualifications or professional responsibilities may be subject to disciplinary action. (s. 1283.100 Professional Conduct).

The rules of professional conduct for social workers provide that the division may revoke, refuse to issue, or renew a license or take other disciplinary action if a social worker providing services or supervising services commits any dishonest, corrupt, or fraudulent act that is substantially related to the social worker's functions or duties. (s. 1470.96 Unethical, Unauthorized, and Unprofessional Conduct).

The Department of Financial and Professional Regulation code does not provide for disciplinary action against professional counselors who face charges or have a conviction record.

Illinois Statutes provide for the expedited licensure of service members and their spouses (20 ILCS 5/5-715). "Service member" includes a person whose active duty service concluded within the 2 years preceding application for licensure. A license issued to a service member or the spouse of a service member may be renewed.

Iowa:

The Board of Behavioral Science within the Iowa Department of Public Health regulates marital and family therapists and mental health counselors. Marital and family therapists and mental health counselors may be disciplined if convicted of a crime related to the profession, or a crime that would affect the ability to practice within the profession (Iowa Administrative Code s. 645.33.2). There is no provision in the rules to discipline a licensee who merely has a pending charge.

The Board of Social Work within the Iowa Department of Public Health regulates social workers. Social workers may be disciplined if convicted of a crime related to the profession, or a crime that would affect the ability to practice within the profession (Iowa Administrative Code s. 645.283.2). There is no provision in the rules to discipline a licensee who merely has a pending charge.

Rules of the Professional Licensure Division of the Iowa Department of Public Health provide for the expedited reciprocal licensure of a veteran or a spouse of an active duty service member (645 IAC 645.20.3). A reciprocal license issued to a veteran or a spouse of an active duty service member may be renewed.

Michigan:

The Michigan Department of Licensing and Regulatory Affairs regulates marriage and family therapists, professional counselors, and social workers. Individuals licensed under the Michigan Public Health Code (including marriage and family therapists, professional counselors, and social workers) must be "of good moral character." (MCL 333.16174 (1) (b)). The agency may consider a judgment of guilt in a criminal prosecution or a judgment in a civil action in determining whether an individual is of good moral character. The individual can provide evidence showing that they

are of good moral character to rebut a previous criminal or civil judgment (MCL 338.42).

The Michigan Statutes provide for temporary licensure of the spouse of an active duty service member (MCL 339.213). A temporary license is valid for 6 months and may be renewed for one additional 6-month term if it is determined the licensee continues to meet the requirements for temporary licensure and needs additional time to fulfill the requirements for initial licensure.

Minnesota:

The Minnesota Marriage and Family Therapy Board regulates marriage and family therapists. The board may suspend, revoke, condition, limit, qualify, or restrict a license if the individual is convicted of a crime that renders the person unfit to practice marriage and family therapy. These crimes are enumerated in 5300.0330 Sup. 2 of the Minnesota Administrative Rules.

The Minnesota Board of Behavioral Health and Therapy regulates professional counselors. A professional counselor may not violate any law in which the facts giving rise to the violation involve the practice of professional counseling.

The Minnesota Board of Social Work regulates social workers. The Board's rules have all been repealed and codified into statute. Section 148E.210 of the Minnesota Statutes provides that the board may take action against a social worker who "engages in acts or conduct adversely affecting the applicant or licensee's current ability or fitness to engage in social work practice, whether or not the acts or conduct occurred while engaged in the practice of social work."

The Minnesota Statutes provide for temporary licensure of an individual who is an active duty military member, the spouse of an active duty military member, or a veteran who has left service in the 2 years preceding the date of license application (2019 Minnesota Statutes, Section 197.4552). A temporary license allows a qualified individual to perform regulated professional services for a limited length of time as determined by the applicable licensing board. During the temporary license period, the individual must complete the full application procedure as required by applicable law.
