ADMINISTRATIVE RULES

Fiscal Estimate & Economic Impact Analysis

The long range implications of this rule proposal will be the same as the short term impacts. These proposals will generally contribute to providing good opportunities for hunting and trapping and maintenance of the economic activity generated by people who participate in those activities.

17. Compare With Approaches Being Used by Federal Government

18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

These rule change proposals do not represent significant policy changes and do not differ significantly from surrounding states. All surrounding states have regulations and rules in place for the management and recreational use of wild game and use of department properties that are established based on needs that are unique to that state's resources and public desires.
