

high schools as reported under the provisions of chapter two hundred and forty-nine of the laws of 1877. In said lists he shall include only such schools as have furnished satisfactory evidence of having in all things complied with the laws in force up to the first day of November, 1878, and with the requirements of the state superintendent, as to course of study and admission of pupils into said schools. He shall place upon such lists the number of weeks each of such schools was maintained during said year, the amount reported paid for instruction in the same in said year, and the proportion of the sum of twenty-five thousand dollars to which each of such schools would have been entitled on or after the first day of December, 1878, under the provisions of said acts of 1875 and 1877, had the same continued in force.

Number weeks school and amount paid for instruction.

SECTION 2. It shall be the duty of the state superintendent immediately after completing such lists, to make certificate to the secretary of state of the several amounts determined by him to be due to said schools, out of said twenty-five thousand dollars.

Superintendent to certify to accounts due schools.

SECTION 3. It shall be the duty of the secretary of state, upon the receipt of such certified lists, to issue his warrant upon the state treasurer, payable to the treasurer of the high school district of each such free high school, for the sums thus certified as due to such district, under the provisions of this act.

Secretary of state to draw warrants on treasury for amounts due schools.

SECTION 4. This act shall take effect and be in force from and after its passage and publication.

Approved February 20, 1879.

[No 47, A.]

[Published February 24, 1879.]

CHAPTER 27.

AN ACT to amend section one of chapter three hundred and eighteen of the laws of 1878, entitled an act to authorize Frederick G. Stanley and others to build and maintain a dam or dams across Court Oreille river, in the county of Chippewa, state of Wisconsin.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Section one of chapter three hundred and eighteen of the laws of 1878, is hereby amended by striking out the words "south of the north line," where they occur in the seventh line of said section, and insert in lieu thereof the words "east of the east

Change of limits within which dams may be maintained.

line," so that said section one shall read' as follows :
 Section 1. Frederick G. Stanley, Emory D. Stanley, Charles A. Stanley and Bert E. Reid, their heirs and assigns, are hereby authorized to erect and maintain a sufficient number of dams across the Court Oreille river, in Chippewa county, Wisconsin, at such points : *provided*, that no flooding dam shall be placed east of the east line of township thirty-eight, of range eight west, upon said river, as may be necessary for the purpose of facilitating the running and driving of logs and timber to and down the Chippewa river.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved February 20, 1879.

[No. 213, A.]

[Published February 25, 1879.]

CHAPTER 28.

AN ACT to authorize William T. Price, his associates and assigns to erect and maintain a dam or dams across, and make other improvements in O'Neil Creek, in Clark county.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows :

Where and by whom dam to be built.

SECTION 1. For the purpose of improving O'Neil Creek, in Clark county, so as to improve the navigation thereof, and facilitate the driving and floating of logs and timber in and down said O'Neil Creek, William T. Price, his associates and assigns, are hereby authorized and empowered, and right and authority is to him, his associates or assigns, hereby granted to build, erect and maintain a dam or dams in and across O'Neil Creek, in such number and of such height as may be necessary. Also to improve said O'Neil Creek for driving logs, by closing sloughs, clearing and straightening the channel thereof, and building and maintaining side dams and booms, and to keep said dam or dams and other improvements in repair, and operate and use the same at all times for flooding and other purposes for the driving and floating of all logs and timber that may be put into said O'Neil Creek or tributaries thereof.

After expenditure of \$5,000 in improvements, toll may be charged.

SECTION 2. Whenever the said William T. Price, his associates or assigns, shall have expended in improvements in said O'Neil Creek, the sum of five thous-
