CHAPTER 23.

AN ACT to build and maintain a dam on Pigeon river, Waupaca county.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. John Nohr, Sr., Albert Nohr, William Nohr and their assigns are hereby authorized to construct, maintain and keep a dam across the south branch of Pigeon river, on the southeast quarter of the southeast quarter of section number fifteen, in township number twenty-five, north of range number thirteen east, in the county of Waupaca, said dam to be constructed and maintained for manufacturing purposes; provided, that said dam shall not interfere with the rights of any person heretofore acquired; provided, further, that the right to maintain said dam if now erected, or to erect and maintain the same, is upon the express condition that the parties hereinbefore named, their heirs and assigns, now own or shall acquire by purchase or lease, the land upon which said dam is or is to be erected and maintained. The aforesaid persons shall build suitable slides in said dam for running logs and timber over the same, and shall keep the same in repair, and shall charge no tolls upon logs and timber running over the same, and the legislature reserves the right to alter, amend or repeal this act at any future session thereof.

John Nohr, et al., authorized to build a dam on Pigeon river Waupaca county.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved February 27, 1889.
