CHAPTER 202.

AN ACT to authorize any city of the first class, whether organized under general laws or special charter, to convey park or other public lands to the United States government for light house and life saving station purposes.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Any city of the first class, whether organized under general laws or special charter, is hereby authorized and empowered to sell, convey, lease or exchange to or with the United States government, any park or other public lands belonging to such city to be used as a site for an United States government light house or a life saving station, which sale, conveyance, lease or exchange shall first be recommended to such common council by the board of park commissioners of such city or other board or body having control or management of such park or other public lands, and thereupon the common council of such city may authorize the same by a resolution fixing the terms and conditions of the transaction; provided, that this act shall not apply to any portion of submerged land constituting the bed of Lake Michigan, granted by the state to such city for public park and boulevard purposes.

CHAPTER 204.

AN ACT to amend section 1410h of the statutes, relating to the state board of dental examiners.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 1410h of the statutes is amended to read: Section 1410h. 1. After * * * *December 31st, 1911*, no person shall be examined by the board for a license to practice dentistry in this state, who shall not file with the secretary of the board credentials * * * *proving to the satisfaction of the board*, that he has a general education equivalent to that required for graduation from a high school or academy in the state of Wisconsin, having a four-year course beyond that of the elementary school, and who is not a regular graduate of a reputable dental college or dental department of a university, provided, however, that the privileges of such examination are not denied an applicant therefor who holds a license to practice dentistry in some other state than Wisconsin prior to the passage of this act.

2. * * * *Prior to December 31st, 1911*, the board shall admit to such examination any graduate of a reputable dental college or dental department of a university, who shall file with the secretary of the board credentials * * * *proving to the satisfaction of the board*, that he has a general education equivalent to that demanded for entrance to the junior class of an accredited high school. The examination shall be in writing and shall include the subjects properly relating to the science of dentistry. The board shall also require as part of the examination, demonstrations in operative and mechanical dentistry.

3. If such examination shall prove satisfactory to said board, the board shall issue to such person a license to practice dentistry in this state. All licenses shall be signed by the members of the board and be attested by the president and secretary.

4. The state board may, without examination, issue a li-
