CHAPTER 567.

AN ACT to create section 172—65, of the statutes, appropriating the sums of money therein named to the Wisconsin industrial school for girls.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 172—65. 1. On condition that the Wisconsin industrial school for girls turns all cash receipts into the state treasury within a week of their receipt, there is appropriated for said school on July 1, 1913, ten thousand five hundred dollars, and on July 1, 1914, ten thousand five hundred dollars payable from any moneys in the general fund, not otherwise appropriated, for insurance by the state, repair of buildings and care of property of said school.

2. On condition that the Wisconsin industrial school for girls turns all cash receipts into the state treasury within a week of their receipt, there is appropriated on July 1, 1913, two thousand dollars, payable from any moneys in the general fund, not otherwise appropriated, for necessary industrial appliances and work in said school.

3. All moneys deposited by the Wisconsin industrial school for girls are appropriated for said school to carry on the work of the school.

4. The moneys appropriated by this section shall remain in the state treasury and shall not be transferred therefrom and shall be paid out only as claims arise against the appropriations

provided herein. The provisions of sections 145 and 146 of the statutes shall govern all payments made under this section.

SECTION 2. This act shall take effect and be in force from and after July 1, 1913.

CHAPTER 568.

AN ACT authorizing the state board of health to act jointly with the United States geological survey in determining the sanitary and other conditions and nature of the natural water supplies of the state; and creating subsection 3 of section 172—27 of the statutes, making an appropriation.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. The state board of health is authorized to act with the United States geological survey in determining the sanitary and other conditions and nature of the natural water supplies of the state of Wisconsin, such water survey to have for its objects:

(a) To determine the nature and condition of the unpolluted natural water supplies of the state;

(b) To determine to what extent the natural waters are being contaminated by sewerage from cities;

(c) To determine to what extent the natural waters are being polluted by industrial wastes, such as come from glucose factories, creameries and such other sources which produce pollution, and in what way these wastes might be utilized for beneficial purposes;

(d) To investigate water-borne diseases and assist in determining the best source of water supplies.

SECTION 2. The state board of health is hereby empowered and instructed to make such rules and regulations in conjunction with the United States geological department as may be necessary to carry into effect the provisions of this act.

SECTION 3. There is added to the statutes a new subsection to read: (Section 172—27) 3. There is appropriated on July 1, 1913, three thousand dollars, payable from any moneys in the general fund, not otherwise appropriated, for the state board of health for the purpose of making a water survey as required by this act, provided that an equal sum can be obtained by and through the department of the United States geological survey for this work.
