## CHAPTER 11.

AN ACT to repeal section 20.13 and to amend section 20.12 of the statutes, relating to the department of engineering, and making appropriations.

*The people of the state of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. Section 20.13 of the statutes is repealed.

SECTION 2. Section 20.12 of the statutes is amended to read: 20.12 There is appropriated from the general fund to the state department of engineering:

(1) Annually, beginning July 1, 1915, eighteen thousand dollars, for the salary of the chief engineer, and such other overhead salaries and expenses, or portions thereof, in connection with administering the work of the department, as cannot be apportioned and charged to other appropriations, as provided in section 34.02.

(2) *On July 1, 1919, three thousand dollars, to \* \* \* be used as a revolving appropriation, to cover the cost of salaries and other expenses incurred by the department, and which are by law chargeable to other appropriations; and whenever a statement of such salaries and other expenses, charged to this appropriation, are furnished to the various offices, the cost thereof shall be charged over to the proper appropriations for such offices, and credited back to this appropriation.*

\* \* \* (3) Annually, beginning July 1, \* \* \* 1919, \* \* \* sixty-one thousand dollars, for the operation of the light, heat and power plant for the capitol, and the heating plant for the executive residence. *Of this appropriation twenty-five thousand dollars annually shall be used only for the purchase of coal, freight on coal, and cost of handling coal.*

\* \* \* (4) \* \* \* *On July 1, 1919, three thousand*

*three hundred forty dollars, and on July 1, 1920, three thousand six hundred forty dollars, for the repair and maintenance of all permanent property of the state at the light, heat and power plant and the heating plant for the executive residence, and for the repair and maintenance of the state capitol building and the machinery and equipment therein connected with the light, heat and power plant.*

\* \* \* (5) \* \* \* On July 1, \* \* \* 1919, one thousand *two hundred* dollars for the purchase of permanent property for the light, heat and power plant and the heating plant for the executive residence, and for the purchase of permanent property for the state capitol building and the machinery and equipment therein connected with the light, heat and power plant.

\* \* \* (6) On July 1, 1917, the unexpended balance of the appropriation made by subsection (1) of section 20.13, for the execution of the functions prescribed by subsection (5) of section 34.02.

(7) *On July 1, 1919, eleven thousand five hundred dollars, and on July 1, 1920, eleven thousand five hundred dollars, for property repairs and maintenance of the state capitol.*

SECTION 3. There is appropriated from the general fund to the state department of engineering twenty-one thousand dollars, for the operation of the light, heat and power plant for the year 1918-1919. This appropriation shall be added to the appropriation heretofore made by subsection (3) of section 20.12 of the statutes, for the same purpose.

SECTION 4. The unexpended balance in the appropriation made by subsection (2) of section 20.13 of the statutes shall revert to the general fund; the unexpended balance in the appropriation made by subsection (1) of section 20.13 having been transferred to the appropriation made by subsection (6) of section 20.12 of the statutes by chapter 195 of the laws of 1917 and this bill, the repeal of section 20.13 hereinbefore shall not be construed as affecting such balance so transferred.

SECTION 5. This act shall take effect upon passage and publication.

Approved February 28, 1919.
