CHAPTER 272.

AN ACT to amend sections 1437 and 1437a of the statutes, relating to the promotion of anatomical science.

The people of the state of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Sections 1437 and 1437a of the statutes are amended to read: Section 1437. Every public officer located and residing in the western United States judicial district, for the state of Wisconsin having charge of the body of any deceased person required to be buried at public expense, shall promptly notify the relatives or kindred of such deceased person, if he knows or can with reasonable diligence ascertain any of them, and deliver the body to any relative or kindred who shall claim the same, within a reasonable time after notice; but if any relative or kindred, or anyone in their behalf, shall not claim the same within forty-eight hours after death, or if the relatives or kindred notified shall have expressed acquiescence in the disposition thereof hereinafter mentioned, such officer shall at the expense of the University of Wisconsin immediately notify the demonstrator of anatomy of the university by telegraph, if practicable, or in any other expeditious manner, that such body is at his disposal for anatomical purposes. The said demonstrator, when generally authorized thereto by the regents, shall immediately upon receipt of such notification, inform the officer whether such body is desired for such purpose. If he signify that it is so desired, the officer shall deliver the body properly encased for transportation without charge to the agent of the express company at the nearest railroad station, consigned to

such demonstrator, or to his agent authorized to receive it; provided, that if previous application for bodies shall have been made to the regents of the university by any duly incorporated college or colleges or medical schools in said district, he shall under the direction of the president of the university, or in his absence the vice president, equitably distribute such bodies between the university and the applying colleges and schools according to their respective needs and claims, the institution receiving the body paying the transportation expenses incidental thereto. If the demonstrator shall not desire such body for such purpose for the university or applying college or school, then he shall immediately notify the * * * *Marquette University* of Milwaukee, Wisconsin, and thereupon such public officer, upon like application if immediately made, and like assumption of liability for expenses, all as aforesaid, shall without charge, deliver such body so encased for transportation to such express company's said agent consigned to said * * * *Marquette University*, which shall first present him an order therefor, signed by the president or secretary thereof, which order shall state that such body shall be used only for the promotion of anatomical science within this state, and that the remains of such body not so used, shall be afterwards decently buried or cremated in compliance with such regulations therefor as the state board of health shall prescribe.

Section 1437a. Every public officer located and residing in the eastern United States judicial district for the state of Wisconsin, having charge of the body of any deceased person required to be buried at public expense, shall promptly notify the relatives or kindred of such deceased person, if he knows or can with reasonable diligence ascertain any of them, and deliver the body to any relative or kindred who shall claim the same within a reasonable time after notice, but if no relative or kindred or anyone in their behalf shall claim the same within forty-eight hours after death, or if the relatives or kindred notified shall have expressed acquiescence in the disposition thereof hereinafter mentioned, such officer shall immediately notify such agent as shall be appointed * * * by * * * *Marquette University* of Milwaukee, Wisconsin, by telegraph if practicable, or in any other expeditious manner, that such body is at his disposal for anatomical purposes, and shall deliver such body without charge to the agent of said * * * *university* so appointed, or properly encased for transportation, to the agent of the express company at the nearest railroad station consigned to such incorporated * * * *university* as such * * * appointed agent shall direct, provided that if previous applications for bodies

shall have been made to the said * * * appointed agent by any other duly incorporated college or colleges or medical schools in said district, he shall under the direction of the president * * * of said * * * university, or in * * * his absence * * *, the vice president acting, equitably distribute such bodies between the said * * * Marquette University and said other incorporated colleges and schools in said district, according to their respective needs and claims, and such body shall be consigned to the distributee accordingly, the institution receiving the same paying the transportation expenses incidental thereto and presenting to such public officer an order therefor signed by the president or secretary of the university, college or school to which the same is to be given, stipulated for the payment of such transportation expenses, and stating that such body shall be used only for the promotion of anatomical science within this state, and that the remains of such body not so used shall be afterwards decently buried or cremated in compliance with such regulations therefor, as the state board of health shall prescribe.

SECTION 2. This act shall take effect upon passage and publication.
