CHAPTER 397.

AN ACT to create section 29.54 of the statutes, to encourage the propagation of rough fish.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. A new section is added to the statutes to read: 29.54 (1) The owner or lessee of all of the lands underlying, surrounding, or bordering upon any pond, lake or slough, natural or artificial, navigable or non-navigable, meandered or not meandered, tributary to and connected with the Mississippi river, which pond, lake or slough does not exceed at low water one square mile in surface area, shall have the right, upon complying with the provisions of this section, to erect, establish, operate and maintain on, in or about such pond, lake, or slough, a private hatchery and fishery for the purpose of hatching, propagating and fishing therein rough fish, including buffalo fish and carp.

(2) Such owner or lessee desiring to erect, establish, operate and maintain a private hatchery and fishery in conformity with this section, shall file with the state conservation commission a verified declaration designating and describing the pond, lake or slough, which the declarant desires to use for the purpose of hatching, propagating and fishing rough fish therein, a description of all the lands underlying, surrounding, or bordering upon such water and the title or leasehold of the declarant therein. Such declaration shall also state in square miles and fraction of square miles the area of such pond, lake or slough, at low water.

(3) Upon the filing of such declaration, the state conservation commission shall forthwith examine and investigate the same and may require the declarant to produce satisfactory evidence of the facts therein stated. If upon such examination it shall
