AN ACT to amend subdivision (e) of subsection 7 of section 1770b of the statutes, relating to annual reports of foreign corporations.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Subdivision (e) of subsection 7 of section 1770b of the statutes is amended to read: (Section 1770b) (7) (e) The proportion of the *authorized* capital stock represented in the state of Wisconsin by its property located and business transacted therein during the preceding year. In determining the proportion of *authorized* capital stock employed in the state, the same shall be computed by taking the gross business in dollars of the corporation in the state and add the same to the full value in dollars of the property of the corporation located in the state. The sum so obtained shall be the numerator of a fraction of which the denominator shall consist of the total gross business in dollars of the corporation, both within and without the state, added to the full value in dollars of the entire property of the corporation, both within and without the state. The fraction so obtained shall represent the proportion of the *authorized* capital stock represented within the state. The secretary of state may demand, as a condition precedent to the filing of such report, such further figures, information and statements as he may deem proper in order to determine the accuracy of the reports submitted; the additional information so obtained shall not become a matter of record in the department of state. The corporation shall pay a fee of two dollars for filing such report.

In case said report shows that said corporation employs in this state a proportion of its *authorized* capital stock in excess of twenty-five thousand dollars, said corporation shall pay to the secretary of state, at the time of the filing of said report, an additional fee of one dollar for each one thousand dollars of such excess, except that the said corporation shall receive a credit for the proportion of its *authorized* capital stock already paid for in excess of twenty-five thousand dollars.

SECTION 2. This act shall take effect upon passage and publication.
